This matter having come for hearing on October 26, 2026, regarding the unopposed Motion for Final Approval of Class Action Settlement on the terms set forth in the Class Action and PAGA Settlement Agreement (the "Settlement"). In conformity with California Rules of Court, rule 3.769, with due and adequate notice having been given to Class Members (as defined in the Settlement), and having considered the Settlement, all of the legal authorities and documents submitted in support thereof, all papers filed and proceedings had herein, all oral and written comments received regarding the Settlement, and having reviewed the record in this litigation, and good cause appearing, the Court **GRANTS** final approval of the Settlement and orders and makes the following findings and determinations and enters final judgment as follows:

1. All terms used in this order shall have the same meaning as those terms are used and/or defined in the parties' Settlement Agreement. A copy of the Settlement Agreement is attached to the October 2, 2026, Declaration of Mehrdad Bokhour in Support of Plaintiff's Motion for Final Approval of Class Action and is made a part of this Order. The Settlement Agreement, including all of its terms, definitions, conditions, and release provisions, is incorporated by reference into this Final Approval Order and Judgment. The release provisions set forth in the Settlement Agreement are expressly approved and incorporated into this Final Approval Order and Judgment.

2. The Court has personal jurisdiction over the Parties to this litigation and subject matter jurisdiction to approve this Settlement, and all exhibits thereto.

3. For settlement purposes only, the Court hereby finally certifies the Settlement Class, as defined in the Settlement Agreement, consisting of all individuals who are or were employed by Defendant US LBM Service Co. ("Defendant") in California as non-exempt hourly employees at any time from May 17, 2024 through February 13, 2026.

4. For settlement purposes, the Court further finds that Plaintiff represents the State of California and the PAGA Members with respect to the PAGA claims compromised by the Settlement. The PAGA Members consist of all individuals who are or were employed by Defendant in California as non-exempt hourly employees at any time from May 17, 2024 through February 13, 2026 (the "PAGA Period").

5. The Court deems this definition sufficient for the purpose of California Rules of Court,

rule 3.765(a), and solely for the purpose of effectuating the Settlement.

6. The Court finds that an ascertainable Settlement Class exists and that, for settlement purposes, a well-defined community of interest exists because: (a) common questions of law and fact predominate over individual questions; (b) Plaintiff's claims are typical of the claims of the Settlement Class; and (c) Plaintiff and Class Counsel have fairly and adequately represented and protected the interests of the Settlement Class in negotiating, entering into, and implementing the Settlement.

7. The Court is satisfied that CPT Group, Inc., which was appointed as the Settlement Administrator, completed the distribution of Class Notice to the Class in a manner that complies with California Rules of Court, rule 3.766. The Class Notice informed prospective Class Members of the Settlement terms, their rights under the Settlement and to receive their settlement share, their rights to submit a request for exclusion, their rights to comment on or object to the Settlement, and their rights to appear at the Final Approval and Fairness Hearing and be heard regarding approval of the Settlement. Sufficient period of time to respond and to act was provided by each of these procedures. No Class Members filed a written objection to the Settlement as part of this notice process, no Class Members filed a written statement of intention to appear at the Final Approval and Fairness Hearing, and no Class Member submitted a request for exclusion.

8. The Court hereby approves the terms set forth in the Settlement Agreement and finds that the Settlement Agreement is, in all respects, fair, adequate, and reasonable, consistent with and compliant with all applicable requirements of the California Code of Civil Procedure, the California and United States Constitutions, including the Due Process clauses, the California Rules of Court, and any other applicable law, and in the best interests of each of the Parties and Class Members.

9. The Court directs the Parties to effectuate the Settlement Agreement according to its terms and declares the Settlement Agreement to be binding on all Participating Class Members, all PAGA Members, and the State of California and the LWDA.

10. The Court finds that the Settlement Agreement has been reached as a result of informed and non-collusive arm's-length negotiations. The Court further finds that the Parties have conducted extensive investigation and research, and their attorneys reasonably evaluated their

respective positions.

11. The Court also finds that the Settlement will now avoid additional and potentially substantial litigation costs, as well as delay and risks if the Parties were to continue to litigate the case. Additionally, after considering the monetary recovery provided as part of the Settlement in light of the challenges posed by continued litigation, the Court concludes that Class Counsel secured significant relief for Class Members.

12. The Settlement Agreement is not an admission by Defendant, nor is this order a finding of the validity of any allegations or any wrongdoing by Defendant.

13. The Court appoints Plaintiff Fernando Lopez as Class Representative for settlement purposes and finds him to be adequate.

14. The Court appoints Joshua Falakassa of Falakassa Law, P.C., and Mehrdad Bokhour of Bokhour Law Group, P.C., as Class Counsel and finds each of them to be adequate, experienced, and well-versed in class action litigation.

15. The terms of the Settlement Agreement, including the Gross Settlement Amount of $715,000 and the individual settlement shares, are fair, adequate, and reasonable to the Class and each Class Member, and the Court grants final approval of the Settlement set forth in the Settlement Agreement, subject to this Order.

16. The Court approves the following allocations, which fall within the ranges stipulated by and through the Settlement Agreement:

A. The Court awards $7,500.00 to CPT Group, Inc., the Settlement Administrator, and finds this amount to be fair and reasonable. The Court grants final approval and orders the Settlement Administrator to pay this amount in accordance with the Agreement.

B. The Court awards $238,333.33 to Class Counsel as attorneys' fees and finds this amount to be fair and reasonable in light of the benefit obtained for the Class. The Court grants final approval of, awards, and orders that the Class Counsel fees be paid in accordance with the Settlement Agreement.

C. The Court awards $25,125.60 to the Bokhour Law Group, P.C. in litigation

costs, an amount which the Court finds to be reflective of the reasonable costs incurred. The Court grants final approval of and orders the Class Counsel litigation expenses payment in this amount to be made in accordance with the Settlement Agreement.

D. The Court awards Plaintiff a Class Representative Service Payment of $10,000 and finds that amount fair and reasonable in light of his contributions to the Action, the time and risks he undertook, the benefits obtained for the Settlement Class, and the broader general release she provided.

E. The Court approves the $50,000 allocation for PAGA penalties and orders that 65% ($32,500) be paid to the LWDA and 35% ($17,500) be distributed to the PAGA Members as Individual PAGA Payments pursuant to the allocation formula in the Settlement Agreement.

17. The Court orders the Parties to comply with and carry out all terms and provisions of the Settlement.

18. Nothing in the Settlement or this Order purports to extinguish or waive Defendant's rights to continue to oppose the merits of the claims in this Action or class treatment of these claims in this case if the Settlement fails to become final or effective, or in any other case without limitation.

19. The Parties shall bear their own respective attorneys' fees and costs except as otherwise provided in this Order and the Settlement Agreement.

20. All checks issued to Participating Class Members and PAGA Members shall remain negotiable for 180 days after mailing. Funds represented by checks remaining uncashed after the void date shall be transmitted to the California Controller's Unclaimed Property Fund in the name of the Class in the name of the Class Member in accordance with Paragraph 4.4.3 of the Settlement Agreement.

21. Pursuant to California Rules of Court, rule 3.771(b), the Court directs the Settlement Administrator, within 10 days after entry of this Order and Final Judgment, to provide notice of entry of judgment to the Settlement Class by posting this Order and Final Judgment on the settlement website and maintaining it there through the conclusion of settlement administration.

The foregoing releases shall become effective only upon satisfaction of the conditions specified in the Settlement Agreement and shall extend no further than the claims, time periods, and Released Parties identified therein.

23. A Settlement Compliance Hearing is set for 10/25, 2027, at 9:00 a.m. in Department ~~8A~~ 1 TM of this Court. At least 15 calendar days before the Settlement Compliance Hearing, Class Counsel shall file a declaration from the Settlement Administrator regarding the status of the settlement administration and distribution, including the amounts distributed to Participating Class Members and PAGA Members, the number and value of checks cashed, the number and value of checks remaining uncashed, the amount transmitted or to be transmitted to the California Controller's Unclaimed Property Fund, and confirmation that all other payments required under the Settlement Agreement have been made. If the Court is satisfied that the Settlement has been fully administered and all settlement funds have been properly distributed, no appearance will be required at the Settlement Compliance Hearing.
