DECLARATION OF MICHALEA GOSLIN

I, **Michaela Goslin,** hereby declare as follows:

1. I am over 18 years of age and a resident of California. I am the named plaintiff in the above-captioned action. I have personal knowledge of the facts and statements set forth in this declaration, and if called upon to testify, I could and would competently testify thereto.

2. I was employed by Doma Title of California, Inc., Doma Holdings, Inc., North American Title Insurance Company, North American Service, LC, and/or States Title Holding, Inc. (collectively, "Defendants") from approximately August 2021 to October 2022 as a non-exempt Escrow Officer. I decided to seek legal advice about my work experiences with Defendants and about pursuing my grievances. I contacted Lawyers *for* Justice, PC and spoke with attorneys there. I wanted to do whatever I could to make sure Defendants were held accountable for their practice of not properly compensating their employees for all hours worked, non-compliant meal and rest breaks, and failure to reimburse expenses. I consulted with the attorneys and staff at Lawyers *for* Justice, PC discussing my situation and representative actions under the Private Attorneys General Act ("PAGA") in general, and what it meant to be a named plaintiff and a PAGA representative. Prior to commencing the case, I was informed of and came to understand what my duties and responsibilities would be as a plaintiff and a PAGA representative.

3. Throughout the pendency of the case, I have spent time speaking with my attorneys regarding the case and fulfilling my responsibilities as a PAGA representative, which included gathering documents concerning my employment with Defendants, reviewing documents with my attorneys, answering their questions, providing guidance regarding the duties of hourly and non-exempt employees, and helping develop a strategy as to what documents and information to obtain from Defendants. I frequently checked in with my attorneys and their staff to make sure that they had all my most current information and any additional information that I had obtained.

4. As the case progressed, I was available to answer any questions my attorneys had and remained available to speak and meet with my attorneys whenever they needed me. I

responded to them as quickly as possible and gave them as much information and identified as many documents as I could. I spent time speaking with my attorneys about the case, identifying potential witnesses, providing my attorneys with documents and information concerning the case, and also describing policies, practices, and procedures of Defendants.

5. As far as the settlement is concerned, I was available to review documents and answer any questions my attorneys had. I reviewed the settlement agreement, asked questions, and discussed the potential settlement with my attorneys before signing the settlement agreement.

6. I believe that I have done everything that my attorneys have asked of me and have tried, to the best of my ability, to fulfill my responsibilities as a PAGA representative. I think my efforts helped to get the result obtained in this case.

7. I also believe that the individual settlement agreement that I entered into is reasonable and does not present any conflicts because my general release will not be effective and I will not get paid anything until after the Court grants approval of the PAGA settlement, and because my general release of claims does not include any claims I have alleged or am releasing in my PAGA lawsuit.

8. I am not related to anyone associated with Lawyers *for* Justice, PC.

9. I have not entered into any undisclosed agreements, nor have I received any undisclosed compensation in this case. The only compensation I will receive is my payment under the individual settlement agreement, as well as my share of the PAGA settlement as an aggrieved employee.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

Executed this 15th day of June 2026, at San Jose, California.
