CLASS ACTION AND PAGA SETTLEMENT AGREEMENT

This Class Action and PAGA Settlement ("Settlement Agreement," "Settlement," or "Agreement") is made and entered by and between Plaintiff Teneca Cosby ("Plaintiff" and "Class Representative"), individually and on behalf of other members of the general public similarly situated and/or other aggrieved employees, and Defendant SNP Pharmacy, LLC dba Skilled Nursing Pharmacy ("Defendant") (collectively, known as the "Parties").

RECITALS

1. On November 18, 2021, Derick Lynch provided written notice to the California Labor and Workforce Development Agency ("LWDA") and Defendant of the specific provisions of the Labor Code that Derick Lynch contends were violated and theories supporting the contentions.

2. On February 9, 2022, Derick Lynch filed a representative Private Attorneys General Act of 2004 ("PAGA") action in the Superior Court of California, County of Los Angeles.

3. On March 12, 2025, the parties attended mediation with experienced mediator Brandon McKelvey. The parties did not settle on the day of mediation. The parties engaged in discovery and further investigation thereafter. With the continued assistance of the mediator, and following the issuance of a mediator's proposal, the parties agreed to a proposed settlement in May 2026 to resolve the claims on an individual, class, and representative basis.

4. Pursuant to the settlement, Derick Lynch settled his claims on an individual basis. Class Counsel diligently investigated the claims against Defendant, including all applicable defenses and applicable law. The investigation included, *inter alia*, formal discovery, informal exchange of information and documents, including reviewing numerous corporate policies and practices, and reviewing time and wage records and data of the putative class members and aggrieved employees. Based on the data produced as well as Class Counsel's own independent investigation and evaluation, Class Counsel believes that the Agreement is fair, reasonable, and adequate and is in the best interest of the Class Members and Aggrieved Employees when considering all known facts and circumstances.

5. In line with the settlement, on May 29, 2026, Plaintiff provided written notice to the LWDA and Defendant of the specific provisions of the Labor Code that Plaintiff contends were violated and theories supporting the contentions ("PAGA Notice").

6. On September 29, 2026, Plaintiff filed a wage-and-hour class action and PAGA lawsuit in the Superior Court of California, County of Kern, alleging violations of: (a) Labor Code sections 510 and 1198 (unpaid overtime); (b) Labor Code sections 226.7 and 512(a) (unpaid meal period premiums); (c) Labor Code section 226.7 (unpaid rest period premiums); (d) Labor Code sections 1194 and 1197 (unpaid minimum wages); (e) Labor Code sections 201 and 202 (final wages not timely paid); (f) Labor Code section 226(a) (non-compliant wage statements); (g) Labor Code sections 2800 and 2802 (unreimbursed business expenses); (h) Labor Code section 2698, *et seq*. (PAGA); and (i) Business & Professions Code section 17200, *et seq*. ("Operative Complaint").

7. Defendant denies all of the allegations in the Operative Complaint. In the interest of avoiding further litigation, Defendant desires to settle all actual or potential claims fully and finally by Plaintiff, Class Members, and Aggrieved Employees.

8. The Parties agree that Defendant shall not be required to file an Answer or other responsive pleading and shall reserve any and all affirmative defenses while the Parties seek approval of the settlement. Plaintiff will not argue, by not responding, that Defendant has waived any rights or is subject to default judgment.

9. The Parties, Class Counsel, and Defendant's Counsel represent that, other than the foregoing matters, they are not aware of any other pending matter or action asserting claims that will be extinguished or affected by the Settlement Agreement.

58. Escalator Clause. If it is determined that the number of Workweeks within the Class Period exceeds ten percent (10%) or more of 109,457 (*i.e.*, more than 120,403 Workweeks), then Defendant shall have the option to either: (1) agree to increase the Gross Settlement Amount on a proportional basis above the ten percent (10%) threshold (*i.e.*, if the number of Workweeks increases by 11%, then the Gross Settlement Amount will increase by 1%); or (2) elect to end the Class Period and PAGA Period on the date that the number of Workweeks reaches 120,403 Workweeks. in lieu of paying an increase to the Gross Settlement Amount.

Plaintiff and Plaintiff's former and present spouses, representatives, agents, attorneys, heirs, administrators, successors, and assigns generally release and discharge the Released Parties from all claims, transactions, actions, causes of action, or occurrences that occurred during the Class Period, including, but not limited to: (i) all the claims that were, or could have been, alleged based on the facts contained in the Operative Complaint; and (ii) all the PAGA claims that were, or could have been, alleged based on facts contained in the PAGA Notice ("Plaintiff's Release").

i) The Plaintiff's Release does not extend to any claims or actions to enforce this Agreement, to any claims or actions for vested benefits, unemployment benefits, disability benefits, social security benefits, and workers' compensation benefits that arose at any time, and to any claims or actions based on occurrences outside the Class Period.

ii) Plaintiff acknowledges that Plaintiff may discover facts or law different from, or in addition to, the facts or law Plaintiff now knows or believes to be true. Plaintiff agrees that Plaintiff's Release shall remain effective in all respects, notwithstanding such different or additional facts or the discovery of them.

iii) Plaintiff expressly waives and relinquishes the provisions, rights, and benefits, if any, of section 1542 of the Civil Code, which reads:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

b. Notice Procedures

60. Delivery of the Class Data(s). Within fourteen (14) calendar days of Preliminary Approval, Defendant will provide the Class Data(s) to the Administrator. To protect Class Members' privacy rights, the Administrator must maintain the Class Data in confidence, use the Class Data only for purposes of this Settlement and for no other purpose, and restrict access to the Class Data to Administrator employees who need access to the Class Data to effect and perform under this Agreement. Defendant has a continuing duty to immediately notify Class Counsel if it discovers that the Class Data omitted Class Members' identifying information and to provide a corrected or updated Class Data as soon as reasonably feasible. The Parties and their counsel will expeditiously use best efforts, in good

faith, to reconstruct or resolve any issues related to missing or omitted Class Data.

61. Notice by First-Class U.S. Mail. Within fourteen (14) calendar days of receiving the Class Data(s), the Administrator will mail a Notice Packet to all the Class Members via regular First-Class U.S. Mail, using the most current, known mailing addresses available. Prior to the mailing, the Administrator will perform a National Change of Address Database check, such as provided by Experian or any other similar services available, for information to update and correct for any known or identifiable address changes.

62. Returned Notice Packets. Any Notice Packets returned to the Administrator as non-deliverable on or before the Response Deadline will be sent promptly via regular First-Class U.S. Mail to the forwarding address affixed thereto, and the Administrator will indicate the date of such re-mailing on the Notice Packet. If no forwarding address is provided, the Administrator will promptly attempt to determine the correct address using a skip-trace and will then perform a single re-mailing within five (5) calendar days after return of the Notice Packet.

63. Reminders. No later than thirty (30) calendar days after the initial mailing of the Notice Packet, the Administrator will send a Reminder Postcard to all Class Members who have not returned a Claim Form or Request for Exclusion. All the Reminder Postcards will include the Response Deadline and contact information for Class Counsel and Administrator.

65. Claim Form Procedures. To receive the Individual Class Payments, all the Class Members will be required to submit a timely and valid Claim Form by the Response Deadline. All Claim Forms must be signed and returned to the Administrator via mail, fax, or email and postmarked, faxed, or emailed by the Response Deadline. The date of the postmark, fax, or email will be the exclusive means to determine whether a Claim Form has been submitted timely.

a. The Administrator will compile a list of Claim Forms rejected for: (i) failure to cure an unsigned Claim Form; or (ii) late submission of the Claim Form. As to the Class Members on that rejected claim list, any Class Member who requests, in a signed letter, to receive payment in this Settlement will be treated like a Claimant if that written request is received by the Effective Date.

66. Dispute Procedures. The Class Members may dispute the information provided in their Notice Packets and must do so in writing via mail, fax, or email, and the dispute must be postmarked, faxed, or emailed by the Response Deadline. To the extent the Class Members dispute their estimated Workweeks and Individual Class Payments, the Class Members must produce evidence to the Administrator showing that such information is inaccurate, otherwise Defendant's records will be presumed determinative. If the Class Member produces evidence to the contrary, the Parties will evaluate the evidence submitted by the Class Member and will make the final decision as to the number of Workweeks that should be applied and/or Individual Class Payment to which the Class Member may be entitled to. If the Parties cannot resolve the dispute, the Administrator will be the final arbiter of the Workweeks and Individual Class Payment for each Class Member.

67. Request for Exclusion Procedures. Any Class Member wishing to opt out from this Settlement must sign and postmark, fax, or email a written Request for Exclusion to the Administrator by the Response Deadline. The date of the postmark, fax, or email will be the exclusive means to determine whether a Request for Exclusion has been submitted timely.

a. The Aggrieved Employees cannot exclude themselves from the PAGA portion of the settlement. In other words, the Aggrieved Employees will be bound by the Released PAGA Claims even if they request exclusion.

/ / /

68. Objection Procedures. To object to this Settlement, a Class Member must file a valid Notice of Objection with the Court and serve copies of the Notice of Objection to the Parties by the Response Deadline. The Notice of Objection must be signed by the Class Member and contain all information required by this Settlement. The date of filing will be deemed the exclusive means for determining that the Notice of Objection is timely. The Class Members who fail to object in the specific manner specified above will be deemed to have waived all objections to this Settlement and will be foreclosed from making any objections and seeking any adjudication or review, whether by appeal or otherwise, to this Settlement.

a. At no time will any of the Parties or their counsel solicit or encourage the Class Members to submit written objections to this Settlement or appeal from the Order and Judgment. Class Counsel, Defendant's Counsel, and Defendant may respond to inquiries from the Class Members with truthful information. Class Counsel will not represent any Class Members with respect to any objections.

69. Defective Submissions. NOTICE OF CLASS ACTION SETTLEMENT

Cosby v. SNP Pharmacy, LLC d/b/a Skilled Nursing Pharmacy
Superior Court of California, County of Kern (Case No. 26CUB03851)

You are not being sued. This notice affects your rights. Please read it carefully

To: All current and former hourly-paid or non-exempt employees of Defendant SNP Pharmacy, LLC dba Skilled Nursing Pharmacy ("Defendant") within the State of California at any time during the period from January 1, 2022, through May 6, 2026 ("Class," "Class Members," and "Class Period").

YOU MAY BE ENTITLED TO MONEY UNDER THE CLASS ACTION SETTLEMENT. PLEASE READ THIS NOTICE AS IT INFORMS YOU ABOUT YOUR LEGAL RIGHTS.

The amount of your estimated payment is listed in the enclosed Claim Form.

You are receiving this Notice of Class Action Settlement because you have been identified as a person who worked or currently works as an hourly-paid or non-exempt employee of Defendant within the State of California at any time during the Class Period.

On _____, the Honorable Gregory A. Pulskamp of the Superior Court of California, County of Kern, granted preliminary approval of the Class Action and PAGA Settlement Agreement ("Settlement Agreement," "Settlement," or "Agreement") and ordered the litigants to notify all the Class Members of this settlement. The Court has also authorized the mailing of this notice to the Class Members.

To participate in the settlement and to receive your payment, you must mail, fax, or email a Claim Form to the Administrator by no later than _____. If you fail to mail, fax, or email a Claim Form by this time, you will not receive payment from the settlement, but you will be still bound by its terms. The Final Approval Hearing will be held on _____ in Division J of the Superior Court of California, County of Kern, located at 1215 Truxtun Avenue, Bakersfield, California 93301. You are not required to attend the Final Approval Hearing, but you are welcome to do so.

What are the reasons for the settlement?

Plaintiff and Class Counsel agreed to enter this Settlement after weighing the risks and benefits to the Class of this Settlement compared with those of continuing the litigation. The factors that Plaintiff and Class Counsel considered included the uncertainty and delay associated with continued litigation, trial and appeals, and uncertainty of particular legal issues that have yet to be determined. Plaintiff and Class Counsel balanced these and other substantial risks in determining that the Settlement is fair, reasonable, and adequate in light of all circumstances and in the best interests of Class Members.

Defendant agreed to this Settlement to avoid the expense and distraction associated with lengthy litigation. Defendant contends that it has complied with all laws and denies the allegations that Plaintiff is asserting in this Action. The Court has not formed any opinions concerning the merits of the lawsuit, and the Court has not ruled for or against Plaintiff as to the merits of any of Plaintiff's individual or class or PAGA enforcement claims. The Court has determined only that there is sufficient evidence to suggest that the Settlement might be fair, adequate, and reasonable and that any final determination of those issues

will be made at the Final Approval Hearing. You will not be retaliated against for electing to participate or not participate in the Settlement.

Summary of Settlement Terms

Plaintiff and Defendant have agreed to settle the underlying class and PAGA claims in exchange for the Gross Settlement Amount not to exceed $622,500. This amount is inclusive of:

1) Attorneys' fees of $217,875 (35% of the Gross Settlement Amount) and attorneys' cost not to exceed $26,000 to Class Counsel;

2) Class Representative Service Payment of $5,000 to Plaintiff;

3) Administration Costs not to exceed $13,250;

4) PAGA Penalties of $60,000, sixty-five percent (65%) of which ($39,000) will be paid to the LWDA and thirty-five percent (35%) of which ($21,000) will be distributed to all the Aggrieved Employees (as defined below); and

5) The Individual Class Payments to all Class Members who submit timely and valid Claim Forms for participation in the Class Action Settlement ("Claimants").

Calculation of the Individual Class Payments

To receive the Individual Class Payments, Class Members will be required to submit a timely and valid Claim Form by _____.

The Net Settlement Amount means the portion of the Gross Settlement Amount remaining after the deduction of the Attorneys' Fees and Costs, Class Representative Service Payment, Administration Costs, and PAGA Penalties. The Net Settlement Amount will be used to satisfy the Individual Class Payments owed to Claimants. The Individual Class Payments will be calculated and apportioned from the Net Settlement Amount based on the number of Workweeks worked during the Class Period.

- Workweeks means the number of weeks that a Class Member worked for Defendant as an hourly-paid or non-exempt employee within the State of California at any time during the Class Period. If a Class Member worked during any day of the Workweek, then that Workweek is included in computing their pro rata share of the Net Settlement Amount. Each Claimant shall be entitled to payment for at least one (1) Workweek.

After receiving and reviewing the Class Data, the Administrator will calculate the total number of Workweeks worked by each individual Class Member ("Individual Workweeks") to determine the total number of Workweeks worked by all the Class Members ("Total Workweeks") during the Class Period. To determine each Class Member's estimated Individual Class Payment, the Administrator will use the following formula: estimated Individual Class Payment = (Net Settlement Amount ÷ Total Workweeks) x Individual Workweeks for each individual Class Member.

- If the total Individual Class Payments to the Claimants equals less than $100,375, the Administrator will proportionately increase the Individual Class Payment for each Claimant to ensure that the total Individual Class Payments equal at least $100,375.

All the Individual Class Payments will be allocated twenty percent (20%) as wages and eighty percent (80%) as interest, penalties, and other non-wages. The amounts paid as wages shall be subject to all tax withholdings customarily made from an employee's wages and all other authorized and required withholdings and shall be reported by IRS Form W-2. The amounts paid as interest, penalties, and other non-wages shall be subject to all authorized and required withholdings other than the tax withholdings customarily made from employees' wages and shall be reported by IRS Form 1099. The Claimants should consult their tax advisors regarding the tax consequences of the payments that they receive.

Aggrieved Employees and PAGA Penalties

You are considered an "Aggrieved Employee" who is eligible to share the PAGA Penalties under the settlement if you are a current or former hourly-paid or non-exempt employee of Defendant within the State of California at any time from January 1, 2022, through May 6, 2026 ("Aggrieved Employees" and "PAGA Period").

Under the terms of the settlement, $60,000 has been set aside as a PAGA Penalties to serve as civil penalties collected on behalf of the State of California. Sixty-five percent (65%) of the PAGA Penalties ($39,000) will be paid to the LWDA. The remaining thirty-five percent (35%) of the PAGA Penalties ($21,000) will be paid to all the Aggrieved Employees, pro rata, based on the number of pay periods worked during the PAGA Period.

After receiving and reviewing the Class Data, the Administrator will calculate the total number of pay periods worked by each individual Aggrieved Employee ("Individual Pay Periods") to determine the total number of pay periods worked by all the Aggrieved Employees ("Total Pay Periods") during the PAGA Period. If an Aggrieved Employee worked during any day of the Pay Period, then that Pay Period shall be included in their pro rata share of the PAGA Penalties paid to the Aggrieved Employees. To determine each Aggrieved Employee's estimated portion of the PAGA Penalties, the Administrator will use the following formula: estimated individual PAGA Penalties = ($21,000 ÷ Total Pay Periods) x Individual Pay Periods for each individual Aggrieved Employee.

- Because these penalties can only be sought by the State of California, the Aggrieved Employees cannot exclude themselves from the PAGA portion of the settlement. The Aggrieved Employees will receive their portion of the PAGA Penalties regardless of whether they request exclusion from the Settlement or submit a Claim Form. In other words, the Aggrieved Employees are not required to submit a Claim Form to receive their portion of the PAGA Penalties.

Based on Defendant's records, your portion of the PAGA Penalties is estimated to be $_____. The above estimate is based on Defendant's records showing that you worked _____ pay periods during the PAGA Period. The portion of the PAGA Penalties paid to the Aggrieved Employees shall be designated as one hundred percent (100%) penalties, for which an IRS Form

1099s will be issued. You are responsible for paying any federal, state, or local taxes assessed as a result of the payment of PAGA Penalties.

Released Claims

The Settlement Class Members are defined as the Class Members who do not timely request exclusion from the settlement. ("Settlement Class Members").

The Released Parties include Defendant and its current and former parents, owners, predecessors, successors, subsidiaries, divisions, and affiliated or related persons or entities, and each of their respective officers, directors, employees, agents, partners, shareholders, servants, joint employers, insurers, registered representatives, attorneys, agents, executors, assigns, and any other persons acting by, through, under, or in concert with any of them, including CPE HR, Inc. and Modern HR, Inc. ("Released Parties").

Upon Defendant's funding of the Gross Settlement Amount, and the employer's share of payroll taxes owed on the wage portion of the Individual Class Payments, all the Settlement Class Members, on behalf of themselves and their former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, release the Released Parties from all claims that were alleged, or could have been alleged, based on or arising out of the facts contained in the Operative Complaint and that occurred during the Class Period ("Released Class Claims") ("Released Class Claims").

- Except as set forth in paragraph 59(c) of the Agreement, the Settlement Class Members do not release any other claims, including claims for vested benefits, wrongful termination, violation of the Fair Employment and Housing Act, unemployment benefits, disability benefits, social security benefits, or workers' compensation benefits and claims based on facts occurring outside the Class Period.

Upon Defendant's funding of the Gross Settlement Amount, and the employer's share of payroll taxes owed on the wage portion of the Individual Class Payments, all the Aggrieved Employees are deemed to release, on behalf of themselves and their former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, the Released Parties from all claims for PAGA penalties that were alleged, or could have been alleged, based on or arising out of the facts stated in the Operative Complaint and PAGA Notice and that occurred during the PAGA Period ("Released PAGA Claims").

- As stated above, the Aggrieved Employees cannot exclude themselves from the PAGA portion of the settlement. In other words, the Aggrieved Employees will be bound by the Released PAGA Claims even if they request exclusion.
