Attorneys for Plaintiff MARIA GONZALEZ

SUPERIOR COURT OF THE STATE OF CALIFORNIA

FOR THE COUNTY OF RIVERSIDE

MARIA GONZALEZ, an individual and on behalf of all others similarly situated;

Plaintiff,

vs.

VACATION INTERNATIONALE, INC., a Washington corporation; and DOES 1 through 50,

Defendants.

Case No.: CVRI2402849

[Assigned for All Purposes to:
Hon. Harold W. Hopp, Dept. 1]

DECLARATION OF MARIA GONZALEZ IN SUPPORT OF MOTION FOR FINAL APPROVAL OF CLASS ACTION AND PAGA SETTLEMENT

[Filed Concurrently with Motion for Final Approval of Class Action and PAGA Settlement, Declarations in Support Thereof, and [Proposed] Judgment and Order]

DATE: November 16, 2026
TIME: 8:30 a.m.
DEPT: 1
Reservation No.: Per June 4, 2026 Order Granting Preliminary Approval

Action Filed: May 24, 2024
Trial Date: Not Set

I, MARIA GONZALEZ, hereby declare as follows:

1. I am an individual over the age of 18 year and the named Plaintiff in the above-captioned matter. I have personal knowledge of the facts contained in this declaration, and if called as a witness, could and would testify as to their accuracy.

2. I was formerly employed by Defendant VACATION INTERNATIONALE, INC. ("Defendant") as an hourly-paid, non-exempt employee from approximately May 2002 to approximately March 2024 as an assistant to the housekeeping manager at The Oasis resort located in Palm Springs, California.

3. During my employment with Defendant, I was subjected to Defendant's policies, procedures, and practices at issue in this case. I sometimes was not provided with all of my meal and rest periods, my meal periods were sometimes interrupted by work, and I used my personal cellphone to communicate with my coworkers for work because the radio provided to me did not work well. As a result of these issues, I believe my paystubs did not accurately reflect the time I worked and the pay I received and I did not receive all of my pay when I was terminated. I believe the same policies, procedures, and practices affected other hourly employees of Defendant.

4. I do not believe I have any interests that are adverse to the other employees that are part of this settlement.

5. I have not previously been a named plaintiff in any other class action cases, other than this case.

6. I understand that the filing of this action was a matter of public record and that this was being prosecuted on a class and representative basis. I understand that a class and representative action would take longer in litigation than an individual action and undertook such risks. I have not incurred any expenses, but have expended a significant amount of time on this matter. During the course of this litigation, I have always made myself available to answer questions, gather and provide documents, review and execute the settlement agreement and this declaration. I will continue to make myself available to review any other documents needed to bring this matter to conclusion. I estimate that I have spent around 20 hours in the prosecution of this action.

7. As part of the Agreement, I understand that I will be providing a general release of my own individual claims, something that the Settlement Class Members did not have to do.

I declare, under penalty of perjury under the laws of the State of California, that the foregoing is true and correct.

Executed on February 24, 2026 at Desert Hot Springs, California.
