RECITALS

47. On July 22, 2024, Plaintiff Delgado commenced the *Delgado* Class Action in Los Angeles Superior Court. On September 18, 2024, Defendant removed the *Delgado* Class Action to the United States District Court – Western Division. On October 17, 2024, Plaintiff Chevalier commenced the *Chevalier* Class Action in Los Angeles Superior Court. On November 20, 2024, Defendant removed the *Chevalier* Class Action to the United States District Court – Western Division. Thereafter, the Parties stipulated to consolidate the *Delgado* and *Chevalier* Class Actions, and on January 24, 2025, Plaintiffs filed the Consolidated Class Action in the United States District Court As part of the settlement, the Parties subsequently stipulated to have the Consolidated Class Action remanded to the Los Angeles County Superior Court for the approval process. On June 29, 2026, the Consolidated Class Action was remanded to the Los Angeles County Superior Court. The Parties have also stipulated for settlement purposes to the filing of the FAC which combines the parties, claims and facts asserted in the Consolidated Class Action and the *Delgado* PAGA Action into a single lawsuit. The FAC will be the operative complaint in the Action.

48. Removal and Remand of Action. RSCR removed the *Delgado* and *Chevalier* Class Actions to the United States District Court for the Central District of California. The Delgado and Chevalier Class Actions were consolidated under the *Delgado* Class Action ("Consolidated Class Action") in federal court. As part of the settlement, the Parties stipulated to have the Consolidated Class Action remanded to the Los Angeles County Superior Court for the approval process. On June 29, 2026, the Consolidated Class Action was remanded to the Los Angeles County Superior Court.

49. Investigation and Discovery. The Parties conducted significant investigation of the facts and law during the prosecution of the Action and before this Settlement was reached. Such discovery and investigation included formal and informal discovery, *inter alia*, the exchange of information and documents pertaining to Plaintiffs and the Class, and numerous meetings and informal conferences wherein the Parties exchanged information, class data, and theories of the case. For example, Plaintiffs obtained documents and information to investigate the claims, such as identification of the size of the Class (i.e., approximately 2,590 non-exempt employees); workweeks for the Class (i.e., approximately 150,000 workweeks); PAGA pay periods for PAGA Members

(i.e., approximately 97,633); average hourly rate of pay (i.e., $18.76); time and payroll records in Excel format for approximately 2,445 members of the Class; and relevant policies. Plaintiffs also retained a consultant/expert to analyze the time and payroll records for the claims asserted in the Action. Plaintiffs have also investigated the law as applied to the facts of Plaintiffs' claims and Defendant's potential defenses thereto. Accordingly, Plaintiffs' investigation was sufficient to satisfy the criteria for court approval set forth in *Dunk v. Foot Locker Retail, Inc.* (1996) 48 Cal.App.4th 1794, 1801 and *Kullar v. Foot Locker Retail, Inc.* (2008) 168 Cal.App.4th 116, 129-130.

50. Mediation and Settlement. On September 5, 2025, the Parties participated in a mediation session with Monique Ngo-Bonnici. The Parties did not reach a settlement but agreed to continue to engage in settlement discussions. The Parties participated in a second mediation with Monique Ngo-Bonnici on June 7, 2026, at the conclusion of which the Parties accepted a mediator's proposal that outlined the material terms of this settlement.

51. Benefits of Settlement to Class Members. Plaintiffs and Class Counsel recognize the expense and length of continued proceedings necessary to litigate Plaintiffs' claims through trial and any possible appeals. Plaintiffs have also considered the uncertainty and risk of the outcome of further litigation, and the difficulties and delays inherent in such litigation. Plaintiffs and Class Counsel are also aware of the burdens of proof necessary to establish liability for the claims asserted in the Action, both generally and in response to Defendant's defenses thereto, and the difficulties in establishing damages for the Class. Based on the foregoing, Plaintiffs and Class Counsel have determined that the Settlement set forth in this Settlement Agreement is fair, adequate, and reasonable, and is in the best interests of the Class.

52. Defendant's Reasons for Settlement. Defendant has concluded that any further defense of this litigation would be protracted and expensive for all Parties. Substantial amounts of Defendant's time, energy, and resources have been and, unless this Settlement is completed, will continue to be devoted to the defense of the claims asserted by Plaintiffs. Defendant has also taken into account the risks of further litigation in reaching their decision to enter into this Settlement. Defendant specifically and generally denies all of the claims asserted in the Action and all other

Released Claims; denies all allegations and claims as to liability, damages, penalties, interest, fees and all other forms of relief; denies any and all wrongdoing of any kind whatsoever associated with any of the facts or claims alleged in the Action; and makes no concessions or admissions of wrongdoing or liability of any kind whatsoever. Defendant maintains that for any purpose other than settlement, the Action is not suitable or appropriate for class action or representative action treatment. Defendant has agreed, nonetheless, to settle in the manner and upon the terms set forth in this Settlement Agreement to put to rest the claims in the Action. As to the Released Claims, Defendant denied and continues to deny each of those claims.

STIPULATION AND AGREEMENT

53. NOW THEREFORE, in consideration of the mutual covenants, promises, and agreements set forth herein, the Parties agree, subject to the Court's approval, as follows:

54. It is agreed by and among Plaintiffs and Defendant that this Settlement shall bind the Plaintiffs, Settlement Class Members, PAGA Members, and Defendant, subject to the terms and conditions hereof.

acknowledging party of the tax treatment or tax structure of any transaction, including any transaction contemplated by this Agreement.

56. Class Certification. Defendant stipulates to class certification pursuant to California Code of Civil Procedure § 382 for purposes of settlement only. If the Court does not grant either preliminary or final approval of this Settlement, the Parties agree that this stipulation regarding class certification will be revoked, and the Parties will return to a point in litigation immediately prior to the execution of this Agreement and Defendant may assert all potentially applicable defenses in connection with the Action (e.g., contest whether the Action should be maintained as a class action, contest the merits of the claims being asserted in the Action, etc.).

57. Approval of Settlement. Plaintiffs will move the Court to grant preliminary and final approval of this class action Settlement. The Parties agree to work diligently and cooperatively to have this matter presented to the Court for preliminary and final approval.

58. Filing of Operative Complaint and Answer Thereto. Plaintiffs shall file the Operative Complaint within 7 calendar days of the full execution of this Agreement. Defendant shall file an Answer to the Operative Complaint no later than 30 calendar days after it is served with the Operative Complaint.

59. LWDA Notice. Plaintiffs will provide notice to the LWDA of this Settlement in accordance with California Labor Code § 2699(l)(2).

60. Release of Claims by Plaintiffs. Plaintiffs release the "Released Claims by Plaintiffs" as of the date that the Gross Settlement Amount is fully funded by Defendant. The Settlement Administrator shall notify the Parties in writing upon receipt of the full Gross Settlement Amount.

61. Release of Class Claims by Settlement Class Members. Settlement Class Members release the "Released Claims by Settlement Class Members" as of the date that the Gross Settlement Amount is fully funded by Defendant. The Settlement Administrator shall notify the Parties in writing upon receipt of the full Gross Settlement Amount.

62. Release of PAGA Claims by PAGA Members. PAGA Members release the "Released PAGA Claims" as of the date that the Gross Settlement Amount is fully funded by

Defendant. The Settlement Administrator shall notify the Parties in writing upon receipt of the full Gross Settlement Amount.

63. Settlement Administration. Within 45 calendar days after the Preliminary Approval Date, Defendant shall provide the Settlement Administrator with the Class Information. The Class Information shall not be disclosed to Plaintiffs, Class Counsel or anyone else external to the Settlement Administrator without the written consent of Defendant, except as to certain information which may be necessary to enable Class Counsel to assist in resolution of, or otherwise respond to, any workweek disputes or objection for Class Members that may arise.

64. Notice to the Class. Upon receipt of the Class Information, the Settlement Administrator will perform a search based on the National Change of Address Database to update and correct any known or identifiable address changes. Within 21 calendar days after receiving the Class Information, the Settlement Administrator shall mail copies of the Class Notice to all Class Members via regular First-Class U.S. Mail. The Settlement Administrator shall exercise its best judgment to determine the current mailing address for each Class Member. The address identified by the Settlement Administrator as the current mailing address shall be presumed to be the best mailing address for each Class Member.

a. The Class Notice and Procedure Comports with Due Process. The Parties agree that the notice procedures outlined in this Agreement provide the best and most practical method of giving notice to the Class and fully comply with due process and all applicable laws and rules.

b. Undeliverable Notices. Any Class Notice returned to the Settlement Administrator as non-delivered on or before the Response Deadline shall be re-mailed to the forwarding address affixed thereto within 7 calendar days. If no forwarding address is provided, the Settlement Administrator shall promptly attempt to determine a correct address by use of skip-tracing, or other search using the name, address and/or Social Security number of the Class Member involved, and shall then perform a re-mailing, if another mailing address is identified by the Settlement Administrator. If the undeliverable notice is for a currently employed Class Member, the Settlement Administrator shall contact Defendant, which will then make all reasonable efforts to

obtain the Class Member's current mailing address within 7 calendar days, and provide it to the Settlement Administrator. Class Members who receive a re-mailed Notice of Class Settlement shall have 14 days after the postmark date of the re-mailed Notice of Class Settlement to: (a) submit a Request for Exclusion; (b) submit an Objection to the Settlement; or (c) dispute the number of Compensable Workweeks attributed to them.

c. Disputes Regarding Individual Settlement Payments. Class Members will have the opportunity, should they disagree with Defendant's records regarding the dates of employment stated in the Class Notice and/or the number of Compensable Workweeks attributed to them, to provide documentation and/or an explanation to show contrary information by the Response Deadline. The written dispute must: (a) contain the full name, address, and telephone number of the Class Member, and the last four digits of the Class Member's social security number or full employee ID number; (b) contain the case name and case number; (c) a clear statement by the Class Member that he or she is disputing the number of Compensable Workweeks and the basis for the dispute; (d) be signed by the Class Member; and (e) be postmarked or e-mailed by the Response Deadline. The date of the postmark on the return mailing envelope on the dispute form, or the date the e-mail is sent, shall be the exclusive means used to determine whether it has been timely submitted. If there is a dispute, the Settlement Administrator will consult with the Parties to determine whether an adjustment is warranted. The Settlement Administrator shall then determine the eligibility for, and the amounts of, any Individual Settlement Payments under the terms of this Agreement. In the absence of circumstances indicating fraud, improper manipulation or destruction, Defendant's records shall be given a rebuttable presumption of accuracy.

d. Requests for Exclusion. Class Members who wish to exclude themselves from the Settlement must mail to the Settlement Administrator a written Request for Exclusion by the Response Deadline (plus an additional 14 days for Class Members whose Class Notice is re-mailed). The written Request for Exclusion must: (a) contain the full name, address, and telephone number of the Class Member, and the last four digits of the Class Member's social security number; (b) contain the case name and case number; (c) a clear statement by the Class Member that he or she is electing to be excluded from the Settlement; (d) be signed by the Class Member; and (e) be

postmarked or e-mailed by the Response Deadline. The date of the postmark on the return mailing envelope on the Request for Exclusion, or the date the e-mail is sent, shall be the exclusive means used to determine whether it has been timely submitted. Any Class Member who requests to be excluded from the Settlement Class shall not be entitled to any Individual Settlement Payment, shall not release any of the Released Class Claims by Settlement Class Members, and shall not have any right to object, appeal or comment thereon. Any Class Member who requests to be excluded from the Settlement Class and who is a PAGA Member will nevertheless be subject to the Released PAGA Claims. Class Members who fail to submit a valid and timely Request for Exclusion on or before the Response Deadline shall be bound by all terms of the Settlement and any Final Approval Order and Judgment entered in this Action.

e. Objections. Class Members who wish to object to the Settlement may do so orally at the Final Approval Hearing without the need to submit a written Objection, or by mailing to the Settlement Administrator a written Objection by the Response Deadline (plus an additional 14 days for Class Members whose Class Notice is re-mailed). The written Objection must: (a) contain the full name, address, and telephone number of the Class Member, and the last four digits of the Class Member's social security number; (b) contain the case name and case number; (c) the dates of employment of the Class Member; (d) state whether the Class Member intends to appear at the final approval hearing; (e) be signed by the Class Member; (f) state the basis for the Objection, including any legal briefs, papers or memoranda in support of the Objection; and (g) be postmarked or e-mailed by the Response Deadline. The date of the postmark on the return mailing envelope on the written Objection, or the date the e-mail is sent, shall be the exclusive means used to determine whether the written Objection has been timely submitted. Class Members who fail to make Objections in the manner specified above shall be deemed to have waived any objections and shall be foreclosed from making any objections (whether by appeal or otherwise) to the Settlement. Class Counsel shall not represent any Class Members with respect to any Objections. The Settlement Administrator will provide the Parties with any written Objection within 7 calendar days of its receipt of any Objection. Plaintiffs will file any and all written Objections with the Court in advance

of the Final Approval Hearing. If a Class Member submits both a Request for Exclusion and an Objection, only the Request for Exclusion will be accepted, and the Objection will be void.

65. Funding. Within 45 calendar days of the Effective Date, Defendant shall transmit the full Gross Settlement Amount to the Settlement Administrator. Defendant shall also promptly transmit the Employer's Share of Payroll Taxes to the Settlement Administrator within 45 calendar days of the Effective Date.

66. Allocation of Settlement. The funds from the Gross Settlement Amount Shall be distributed as follows:

a. Payments to Settlement Class Members. Individual Settlement Payments will be paid from the Net Settlement Amount and shall be paid pursuant to the settlement formula set forth herein. The Settlement Administrator shall calculate the Total Compensable Workweeks for all Settlement Class Members based on the Class Information. The respective Compensable Workweeks for each Settlement Class Member will be divided by the Total Compensable Workweeks for all Settlement Class Members, resulting in the Payment Ratio for each Settlement Class Member. Each Settlement Class Member's Payment Ratio will then be multiplied by the Net Settlement Amount to determine his or her Individual Settlement Payment. Individual Settlement Payments are classified as 35% wages and 65% interest and penalties. Individual Settlement Payments shall be mailed by regular First-Class U.S. Mail to Settlement Class Members' last known mailing address.

b. Payments to PAGA Members. The Settlement Administrator shall calculate the total PAGA Pay Periods for all PAGA Members based on the Class Information. The respective PAGA Workweeks for each PAGA Member will be divided by the total PAGA Workweeks for all PAGA Pay Periods, resulting in the PAGA Payment Ratio for each PAGA Member. Each PAGA Member's PAGA Payment Ratio will then be multiplied by $122,500 to determine his or her Individual PAGA Payment. PAGA Payments are classified as 100% penalties. PAGA Payments shall be mailed by regular First-Class U.S. Mail to PAGA Members' last known mailing address.

c. Un-Negotiated Settlement Checks to Settlement Class Members and PAGA Members. Individual Settlement Payment and PAGA Payment checks shall remain negotiable for

180 calendar days from the postmark date of issuance. If the check is not cashed, deposited, or otherwise negotiated within the 180-day deadline, the check will be voided and cancelled after the void date, and the Settlement Administrator shall transmit the funds represented by such checks to the California Controller's Unclaimed Property Fund in the name of the Class Member and/or PAGA Member and their social security number thereby leaving no "unpaid residue" subject to the requirements of California Code of Civil Procedure Section 384, subd. (b).

d. Certification by Settlement Administrator. The Parties have the right to monitor and review administration of the Settlement. Any disputes not resolved by the Settlement Administrator concerning the administration of the Settlement will be resolved by the Court, under the laws of the State of California. Prior to any such involvement of the Court, counsel for the Parties will confer in good faith to resolve the disputes without the necessity of involving the Court. Upon completion of administration of the Settlement, the Settlement Administrator shall provide written certification of such completion to counsel for the Parties, and which shall be filed with the Court as necessary.

e. Settlement Awards Do Not Trigger Additional Benefits. All monies received by Settlement Class Members shall be deemed to be income to such Settlement Class Members solely in the year in which such awards actually are received by the Settlement Class Members. It is expressly understood and agreed that the receipt of such Individual Settlement Payments will not entitle any Settlement Class Member to additional compensation or benefits under any company compensation or benefit plan or agreement in place during the period covered by the Settlement, nor will it entitle any Settlement Class Member to any increased pension and/or retirement benefits, or any profit-sharing plans, bonus plans, 401(k) plans, stock repurchase plans, vacation plans, sick leave plans, PTO plans, or any other benefit plan or deferred compensation benefits. It is the intent of this Settlement that any Individual Settlement Payments provided for in this Agreement are the sole payments to be made by Defendant to the Settlement Class Members in connection with this Settlement, and that the Settlement Class Members are not entitled to any new or additional compensation or benefits as a result of having received the Individual Settlement Payments

(notwithstanding any contrary language or agreement in any benefit or compensation plan document that might have been in effect during the period covered by this Settlement).

f. Class Representative Service Awards. Defendant agrees not to oppose or object to a Class Representative Service Award in the total amount of up to $10,000 to each Plaintiff, subject to Court approval. The Settlement Administrator shall issue an IRS Form 1099 – MISC to Plaintiffs in connection with the Class Representative Service Award payments. Plaintiffs shall be solely and legally responsible to pay any and all applicable taxes on their Class Representative Service Awards and shall hold harmless Defendant and Class Counsel from any claim or liability for taxes, penalties, or interest arising as a result of the Class Representative Service Award payments. The Class Representative Service Awards shall be in addition to Plaintiffs' Individual Settlement Payments and PAGA Payments. This Settlement is not contingent upon the Court awarding Plaintiffs a Class Representative Service Award in any amount. Any amounts requested by Plaintiffs for the Class Representative Service Awards that is not granted by the Court shall return to the Net Settlement Amount and be distributed to Settlement Class Members as provided in this Agreement.

g. Class Counsel Award. Defendant agrees not to oppose or object to any application or motion by Class Counsel for attorneys' fees not to exceed one-third of the Gross Settlement Amount, or $1,450,000. Defendant further agrees not to oppose any application or motion by Class Counsel for the reimbursement of any costs or expenses associated with Class Counsel's prosecution of this matter from the Gross Settlement Amount not to exceed $100,000. Any increase shall be deducted from and shall not increase the Gross Settlement Amount, with Individual Settlement Payments and/or Individual PAGA Payments adjusted accordingly. Class Counsel shall be solely and legally responsible to pay all applicable taxes on the payment made pursuant to this paragraph. The Settlement Administrator shall issue an IRS Form 1099 – MISC to Class Counsel for the payments made pursuant to this paragraph. This Settlement is not contingent upon the Court awarding Class Counsel any particular amount in attorneys' fees and costs. Any amount requested by Class Counsel for the Class Counsel Award that is not granted by the Court

shall return to the Net Settlement Amount and be distributed to Settlement Class Members as provided in this Agreement.

h. Settlement Administration Costs. The Settlement Administrator shall be paid for the costs of administration of the Settlement from the Gross Settlement Amount. The costs of notice and administration for the disbursement of the Gross Settlement Amount shall not exceed $18,500. However, any increase shall be deducted from and shall not increase the Gross Settlement Amount, with Individual Settlement Payments and/or Individual PAGA Payments adjusted accordingly. Any amount requested by Class Counsel for the Settlement Administration Costs that is not granted by the Court shall return to the Net Settlement Amount and be distributed to Settlement Class Members as provided in this Agreement.

i. Payments to the LWDA and PAGA Members. From the PAGA Penalties Amount of $350,000, 65% or $227,500 shall be paid to the LWDA and 35% or $122,500 shall be paid to PAGA Members. This payment is made pursuant to California Labor Code § 2699(i).

67. Distribution of Settlement Payments. Individual Settlement Payments to Settlement Class Members, PAGA Payments to PAGA Members, the Class Representative Service Award, the Class Counsel Award, Settlement Administration Costs, and payment to the LWDA, shall all be distributed by the Settlement Administrator within fourteen (14) calendar days of receipt by the Settlement Administrator of the Gross Settlement Amount from Defendant. No person shall have any claim against Defendant, Defendant's Counsel, Plaintiffs, Settlement Class Members, PAGA Members, Class Counsel, or the Settlement Administrator based on distributions and payments made in accordance with this Agreement.

68. Escalation Clause and Number of Compensable Workweeks. During the June 7, 2026 mediation, Defendant represented that there are 150,000 workweeks from February 28, 2021 to March 31, 2026. This is a material representation for Plaintiffs to enter into this agreement. Should the actual number of work weeks increase beyond 10% during the Class and PAGA Release Periods, Defendant shall have the option of (i) increasing the Gross Settlement Amount by the percentage increase in the number of workweeks worked by class members above 10% (e.g. if the number of work weeks increases by 11%, the Gross Settlement Amount will increase by 1%), or (ii) rolling

back the Class and PAGA Release Periods to the date in which 165,000 workweeks is met. If Defendant elects to roll back the Class and PAGA Release Periods pursuant to this provision, Defendant must inform Plaintiffs of this (as well as the date in which the escalator is triggered) before Plaintiffs file their motion for preliminary approval of the settlement.

69. Final Settlement Approval. Upon expiration of the Response Deadline, a Final Approval Hearing shall be conducted by the Court, and if the Settlement is finally approved, whether to enter the Final Approval Order and Judgment.

70. No Effect on Employee Benefits. Amounts paid to Plaintiffs or other Settlement Class Members pursuant to this Agreement shall be deemed not to be pensionable earnings and shall not have any effect on the eligibility for, or calculation of, any of the employee benefits (e.g., vacations, holiday pay, retirement plans, etc.) of Plaintiffs or Settlement Class Members.

71. No Admission by Defendant. Defendant denies any and all claims alleged in this Action and denies all wrongdoing whatsoever. This Settlement Agreement is not a concession or admission, and shall not be used against Defendant as an admission or indication with respect to any claim of any fault, concession, or omission by any Defendant.

72. Confidentiality. Plaintiffs, Class Counsel, Defendant and Defense Counsel separately agree that, until the Motion for Preliminary Approval of Settlement is filed, they and each of them will not disclose, disseminate and/or publicize, or cause or permit another person to disclose, disseminate or publicize, any of the terms of the Settlement directly or indirectly, specifically or generally, to any person, corporation, association, government agency, or other entity except: (1) to the Parties' attorneys, accountants, or spouses, all of whom will be instructed to keep this Settlement confidential; (2) counsel in a related matter; (3) to the extent necessary to report income to appropriate taxing authorities; (4) in response to a court order or subpoena; or (5) in response to an inquiry or subpoena issued by a state or federal government agency. Each Party agrees to immediately notify each other Party of any judicial or agency order, inquiry, or subpoena seeking such information. Plaintiffs, Class Counsel, Defendant and Defense Counsel separately agree not to, directly or indirectly, initiate any conversation or other communication, before the filing of the Motion for Preliminary Approval, any with third party regarding this Settlement or the matters

giving rise to this Settlement except to respond only that "the matter was resolved," or words to that effect. This paragraph does not restrict Class Counsel's communications with Class Members in accordance with Class Counsel's ethical obligations owed to Class Members or from referring to the factual circumstances of this case in counsel's CV or other similar documents that are filed with a court or in another legal forum relating to counsel's prior experience and qualifications.

73. No Solicitation. Defendant, Plaintiffs and Class Counsel separately agree that they and their respective counsel and employees will not solicit any Settlement Class Member to opt out of or object to the Settlement, or appeal from the Judgment.

74. Exhibits and Headings. The terms of this Settlement Agreement include the terms set forth in any attached Exhibits, which are incorporated by this reference as though fully set forth herein. Any Exhibits to this Agreement are an integral part of the Settlement. The descriptive headings of any paragraphs or sections of this Agreement are inserted for convenience of reference only and do not constitute a part of this Agreement.

75. Interim Stay of Proceedings. The Parties agree to stay all proceedings in the Action, except such proceedings necessary to implement and complete the Settlement, holding the Action in abeyance pending the final approval hearing to be conducted by the Court.

76. Amendment or Modification. This Agreement may be amended or modified only by a written instrument signed by counsel of record for all Parties, subject to the approval of the Court.

77. Entire Agreement. This Settlement Agreement and any attached Exhibits constitute the entire Agreement among these Parties, and no oral or written representations, warranties, or inducements have been made to any Party concerning this Agreement or its Exhibits other than the representations, warranties, and covenants contained and memorialized in the Agreement and its Exhibits.

78. Authorization to Enter into Settlement Agreement. Counsel for all Parties warrant and represent they are expressly authorized by the Parties whom they represent to negotiate this Agreement and to take all appropriate actions required or permitted to be taken by such Parties pursuant to this Agreement to effectuate its terms, and to execute any other documents required to effectuate the terms of this Agreement. The Parties and their counsel will cooperate with each other

and use reasonable efforts to effectuate this Settlement. In the event the Parties are unable to reach agreement on the form or content of any document needed to implement the Settlement, or on any supplemental provisions that may become necessary to effectuate the terms of this Settlement, the Parties may seek the assistance of the Court or the mediator to resolve such disagreement, provided, however, that nothing contained herein, however, shall require Defendant to agree to an increased Gross Settlement Amount, other than the Employer's share of payroll taxes, and if the Escalation Clause is triggered and Defendant elects to increase the Gross Settlement Amount instead of rolling back the end date of the Class and PAGA Release Periods. The persons signing this Agreement on behalf of Defendant represent and warrant that they are authorized to sign this Agreement on behalf of Defendant. Plaintiffs represent and warrant that they are authorized to sign this Agreement and that they have not assigned any claim, or part of a claim, covered by this Settlement to a third-party.

79. Binding on Successors and Assigns. This Agreement shall be binding upon, and inure to the benefit of, the successors or assigns of the Parties hereto, as previously defined.

80. California Law Governs. All terms of this Settlement Agreement and the Exhibits hereto shall be governed by and interpreted according to the laws of the State of California.

81. Counterparts and Signatures. This Settlement Agreement may be executed in one or more counterparts. All executed counterparts and each of them shall be deemed to be one and the same instrument. The Parties agree that a facsimile, PDF, or electronic signatures shall be as valid and enforceable as original ink signatures. The Parties further agree that they may use DocuSign, an electronic signature technology, to expedite the execution of this Agreement, pursuant to California Civil Code § 1633.7.

82. This Settlement is Fair, Adequate and Reasonable. The Parties believe this Settlement is a fair, adequate, and reasonable settlement of this Action and have arrived at this Settlement after extensive arms-length negotiations, taking into account all relevant factors, present and potential.

83. Jurisdiction of the Court. Pursuant to California Code of Civil Procedure § 664.6, the Court shall retain jurisdiction with respect to the interpretation, implementation, and enforcement of the terms of this Settlement Agreement and all orders and judgments entered in

connection therewith, and the Parties and their counsel hereto submit to the jurisdiction of the Court for purposes of interpreting, implementing, and enforcing the Settlement embodied in this Agreement and all orders and judgments entered in connection therewith. All terms of this Settlement Agreement are subject to approval by the Court.

84. Invalidity of Any Provision. Before declaring any provision of this Settlement Agreement invalid, the Court shall first attempt to construe the provisions valid to the fullest extent possible consistent with applicable precedents so as to define all provisions of this Agreement valid and enforceable.

Exhibit 1

CLASS NOTICE

A court authorized this Notice. This is not a solicitation by a lawyer. You are not being sued.

Why should you read this Notice?

A settlement (the "Settlement") has been reached in the class and PAGA action lawsuit entitled *Delgado, et al. v. RSCR California, Inc.*, pending in California Superior Court, County of Los Angeles, Case No. 24STCV18229 (the "Action").

According to the records of RSCR California, Inc. ("Defendant"), you have been identified as a member of the Class, and therefore are receiving this Notice. Your options are further explained in this Notice. To exclude yourself from, or object to the Settlement, you must act by certain deadlines. If you want to participate in the Settlement as proposed, you don't need to do anything to obtain your share of the settlement.

SUMMARY OF YOUR LEGAL RIGHTS AND OPTIONS IN THIS SETTLEMENT:	
DO NOTHING	If you do nothing, you will be considered part of the Settlement Class and will receive settlement benefits. You will also give up your rights to pursue a separate legal action against Defendant, for the claims released under the Settlement.
EXCLUDE YOURSELF FROM THE SETTLEMENT CLASS BUT NOT THE PAGA SETTLEMENT	If you do not wish to participate in the Settlement, you may exclude yourself by submitting a written request to be excluded. However, if you do so, you will be a non-participating Class Member and no longer eligible to receive any payment under the Settlement. You cannot exclude yourself from the PAGA portion of the proposed Settlement.
OBJECT	To object to the Settlement, you may object orally at the Final Approval Hearing, or you may write to the Settlement Administrator about why you don't like the Settlement. This option is available only if you do not exclude yourself from the Settlement.

Who is affected by this proposed Settlement?

The Court has certified, for settlement purposes only, the following Class:

> All non-exempt, hourly employees who were employed by Defendant at one of its residential lines of business in the State of California from February 28, 2021 to March 31, 2026.

According to Defendant's records, you are a member of the Class (a "Class Member").

Insert if applicable: According to Defendant's records, you are also a PAGA Member, defined as all non-exempt, hourly employees who were employed by Defendant at one of its residential lines of business in the State of California from July 19, 2023 to March 31, 2026.

What is this case about?

In the Action, Plaintiffs allege on behalf of themselves the Class the following claims against Defendant: (1) Failure to Pay Overtime Wages; (2) Failure to Pay Minimum Wages; (3) Failure to Pay Sick Leave and COVID-19 Supplemental Sick Leave; (4) Failure to Provide Meal Periods; (5) Failure to Provide Rest Periods; (6) Failure to Pay All Wages Upon Termination; (7) Failure to Provide Accurate Wage Statements; (8) Failure to Indemnify Employees for Necessary Expenditures Incurred in Discharge of

Duties; (9) Unfair and Unlawful Business Practices; and (10) violation of California Private Attorneys' General Act ("PAGA"), California Labor Code § 2699, *et seq.*

Defendant denies any and all wrongdoing, and it maintains that it has fully complied with all laws alleged to have been violated in the Operative Complaint. Defendant notes that this Settlement was established specifically to avoid the cost of proceeding with litigation and does not constitute an admission of liability by Defendant. The Court has not ruled on the merits of Plaintiffs' claims or Defendant's defenses, however, the Court has granted preliminary approval of this Settlement.

This Settlement is a compromise reached after good faith, arm's length negotiations between Plaintiffs and Defendant (the "Parties"), through their attorneys and a mediator. Both sides agree that in light of the risks and expenses associated with continued litigation, this Settlement is fair, adequate and reasonable. Plaintiffs and Class Counsel believe this Settlement is in the best interests of the Class.

What will I receive under the Settlement?

Subject to final Court approval, Defendant will pay $4,350,000 (the "Gross Settlement Amount"). Defendant has agreed to deposit the Gross Settlement into an account controlled by the Settlement Administrator of the Settlement. The Settlement Administrator will use the Gross Settlement to pay the Individual Class Payments, Individual PAGA Payments, Class Representative Service Payment, Class Counsel's attorneys' fees and expenses, the Administrator's expenses, and penalties to be paid to the California Labor and Workforce Development Agency ("LWDA"). Assuming the Court grants Final Approval, Defendant will fund the Gross Settlement not more than 30 days after the Judgment entered by the Court becomes final. The Judgment will be final on the date the Court enters Judgment, or a later date if Participating Class Members object to the proposed Settlement or the Judgment is appealed.

At the Final Approval Hearing, Plaintiffs and/or Class Counsel will ask the Court to approve the following deductions from the Gross Settlement Amount, the amounts of which will be decided by the Court at the Final Approval Hearing:

A. Up to one-third the Gross Settlement or $1,450,000 to Class Counsel for attorneys' fees and up to $100,000 for their litigation expenses. To date, Class Counsel has worked and incurred expenses on the Action without payment.

B. Up to $10,000 to Plaintiffs Delgado and Chevalier as a Class Representative Service Award for filing the Action, working with Class Counsel and representing the Class. A Class Representative Award will be the only monies Plaintiffs will receive other than Plaintiffs' Individual Settlement Payment and any Individual PAGA Payment.

C. Up to $18,500 to the Settlement Administrator for the services administering the Settlement.

D. Up to $350,000 for PAGA Penalties, allocated 65% (i.e., $227,500) to the LWDA and 35% (i.e., $122,500) to PAGA Members based on their PAGA Period Pay Periods.

E. If any of these amounts are not awarded by the Court, they will be included in the Net Settlement Amount and will be distributed to Settlement Class Members.

After making the above deductions in amounts approved by the Court, the Settlement Administrator will distribute the rest of the Gross Settlement Amount (the "Net Settlement Amount") by making Individual Settlement Payments to each Class Member who does not opt out of the Settlement Class ("Settlement Class Member"). The Net Settlement Amount shall be divided among all Settlement Class Members based on the ratio of the number of Compensable Workweeks worked by each Settlement Class Member to the total number of Workweeks worked by all Settlement Class Members, calculated based on Defendant's records.

According to Defendant's records, from February 28, 2021 to March 31, 2026, you worked ___ Compensable Workweeks in California as a non-exempt employee, and therefore, your settlement payment as a Class Member is estimated to be $_____.

Insert if applicable: According to Defendant's records, from July 19, 2023 to March 31, 2026, you worked ___ Compensable Pay Periods in California as a non-exempt employee, and therefore, your PAGA payment is estimated to be $_____.

Your settlement payment is only an estimate. Your actual settlement payment may be higher or lower than estimated.

If you wish to dispute the number of Compensable Workweeks credited to you, you must submit a written dispute to the Settlement Administrator at_____ by mail, postmarked no later than [Response Deadline], or by e-mail to _____. The dispute must: (1) contain your full name, current address, telephone number, the last four digits of your Social Security number or full employee ID number; (2) contain the case name and case number; (3) contain a clear statement explaining that you wish to dispute the number of Compensable Workweeks and the basis for your dispute; and (4) and be signed by you. You may also wish to attach documentation in support of your dispute.

When and how will I receive payment?

If the Court grants final approval of the Settlement, and only after the Effective Date of the Settlement defined below, the Settlement Administrator will send you a settlement check. The settlement approval process takes time so please be patient. To receive your check, immediately notify the Settlement Administrator if you move or otherwise change your mailing address.

Any settlement payment checks mailed to you under the Settlement shall remain negotiable for 180 days. If you do not negotiate (e.g., cash or deposit) a settlement check within this time period, your check will be automatically cancelled, and the monies will be deposited with the California Controller's Unclaimed Property Fund in your name. If the monies represented by your check is sent to the Controller's Unclaimed Property, you should consult the rules of the Fund for instructions on how to retrieve your money.

If you lose or misplace your settlement check before cashing it, the Settlement Administrator will replace it as long as you request a replacement before the void date on the face of the original check. If your

check is already void you should consult the Unclaimed Property Fund https://ucpi.sco.ca.gov for instructions on how to retrieve the funds.

Your settlement payment as a Class Member is classified as 35% wages / 65% penalties and interest. Insert if applicable: Your settlement payment as a PAGA Member is classified as 100% penalties. None of the Parties or attorneys make any representations concerning the tax implications of this payment. You may wish to consult with their own tax advisors concerning the tax consequences of the Settlement.

What claims are being released by the proposed Settlement?

What are my options?

You have several options under this Settlement. You may: (A) remain in the Class and receive payment under the Settlement; (B) exclude yourself from the Settlement; or (C) object to the Settlement.

OPTION A. Do Nothing and Remain in the Class. If you remain in the Class, you will receive payment and be represented by Class Counsel. If you wish to remain in the Class and be eligible to receive a payment under the Settlement, you do *not* need to take any action. By remaining in the Class and receiving settlement monies, you consent to the release of the Released Claims as described above.

OPTION B. If You Do Not Want to Be Bound by the Settlement. If you do not want to be part of the Settlement, you must mail a Request for Exclusion to the Settlement Administrator at _____ or e-mail a Request for Exclusion to _____. Your Request for Exclusion must: (1) contain your full name, address, and telephone number, the last four digits of your social security number; (2), contain the case name and case number; and (3) a clear statement you are electing to be excluded from the Settlement; and (4) be signed by you. In order to be timely, your Request for Exclusion must be postmarked, or e-mailed, on or before _____. If you do not submit a valid and timely Request for Exclusion, your Request for Exclusion will be rejected, you will be deemed a member of the Settlement Class, and you will be bound by the release of Released Class and PAGA Claims as described above. If you submit a valid and timely Request for Exclusion, you will *not* be entitled to any payment as a Class Member from the Net Settlement Amount, but you will preserve all of the legal claims asserted in this Action against Defendant. If you are a PAGA Member, you will still receive a PAGA payment and be subject to the PAGA release outlined above.

OPTION C. Objecting to the Settlement: If you believe the proposed Settlement is not fair, reasonable or adequate in any way, you may object to it. To object, you can appear at the Final Approval Hearing and make an oral objection. If you wish to object in writing, you must mail to the Settlement Administrator at_____, a written statement of objection, or e-mail the written objection to _____. The written objection must: (1) contain your full name, address, and telephone number, the last four digits of your social security number; (2), contain the case name and case number; (3) the dates of your employment with Defendant; (4) state whether you intend to appear at the final approval hearing; (5) state the basis for the Objection, including any legal briefs, papers or memoranda in support of the Objection; and (6) be signed by you. In order to be timely, the written objection must be postmarked, or e-mailed, on or before _____. Class Counsel will provide the Court with your written objection prior to the Final Approval Hearing. You can also hire an attorney at your own expense to represent you in your objection.

You cannot object to the Settlement if you request exclusion from the Settlement.

[Hon. Timothy Patrick Dillon]

[PROPOSED] PRELIMINARY APPROVAL ORDER

Action Filed: July 22, 2024
Trial Date: None Set

[PROPOSED] PRELIMINARY APPROVAL ORDER

The Court now has before its Plaintiffs Desiray Delgado and Marsha Chevalier ("Plaintiffs") unopposed Motion for Preliminary Approval of Class Action Settlement ("Motion"). After reviewing the Motion, the Class Action Settlement Agreement and Release ("Settlement Agreement")[1] and exhibits attached thereto, and good cause appearing therefore, the Court hereby finds and orders as follows:

1. The Court finds on a preliminary basis that the settlement memorialized in the Settlement Agreement appears to be fair and adequate, and falls within the range of reasonableness, and therefore meets the requirement for preliminary approval.

2. The Court conditionally certifies for settlement purposes the following Class:

> All non-exempt, hourly employees who were employed by Defendant at one of its residential lines of business in the State of California during the Class Period.

The Class Period is February 28, 2021 to March 31, 2026.

3. The Court finds, for settlement purposes, that the Class meets the requirements for certification under California Code of Civil Procedure § 382 in that: (a) the Class is so numerous that joinder is impractical; (b) there are questions of law and fact that are common, or of general interest, to the Class, which predominate over any individual issues; (c) Plaintiffs' claims are typical of the claims of the Class; (d) Plaintiffs and their counsel will fairly and adequately protect the interests of the Class; and (e) a class action is superior to other available methods for the fair and efficient adjudication of the controversy.

4. The Court appoints, for settlement purposes, Plaintiffs as Representatives for the Class.

5. The Court appoints, for settlement purposes, Michael Nourmand and James A. De Sario of The Nourmand Law Firm, APC, Scott E. Wheeler and Justin A. Wheeler of the Wheeler Law Firm, APC, and Aubry Wand of the Wand Law Firm, P.C., as Counsel for the Class.

6. The Court appoints Xpand Legal as the Settlement Administrator.

7. The Parties are ordered to carry out the Settlement according to the following implementation schedule:

---

[1] All capitalized terms have the same meaning a defined in the Settlement Agreement unless otherwise indicated.

Event	Date
Last day for Defendant to provide the Settlement Administrator with the Class Information	
Last day for Settlement Administrator to mail Class Notice	
Last day for Class Members to submit a dispute re. Workweeks, Request for Exclusion, or written Objection	
Last Day for Plaintiffs to file Motion for Final Approval and Motion for Attorneys' Fees and Costs and Class Representative Service Award	
Final Approval Hearing	_____ at _____ a.m. / p.m.

8. The Court approves, as to form and content, the Class Notice (attached as Exhibit 1 to the Settlement Agreement).

9. The Court finds that the method of giving notice to the Class constitutes the best means practicable of providing notice under the circumstances. The Court further finds that the Class Notice and the method of giving notice to the Class meet the requirements of California Code of Civil Procedure § 382, California Rules of Court, Rules 3.766 and 3.769, and due process under the California and United States Constitutions, and other applicable law.

10. At the Final Approval Hearing, the Court will consider, *inter alia*, whether the Settlement should be finally approved as fair, reasonable and adequate, whether a final judgment should be entered, and whether the payments provided for under the Settlement, including attorneys' fees and costs and class representative service award, should be finally approved and granted.
