DECLARATION OF JOSHUA N. LANGE

I, Joshua N. Lange, hereby declare:

1. I am an attorney at law licensed to practice in all state courts in the State of California and am a Partner with the law firm of Atkinson, Andelson, Loya, Ruud & Romo, counsel of record for Defendant Brody Heating, Air Conditioning & Electrical Contractors, LLC ("Defendant") in the above-captioned matter. I am one of the attorneys primarily responsible for handling the matter entitled *Antonio Rosillo et al. v. Brody Heating, Air Conditioning & Electrical Contractors, LLC*, Los Angeles County Superior Court Case No. 24STCV10881, and the consolidated action with Los Angeles Superior Court Case No. 24STCV16328, on behalf of Defendant (collectively, the "Actions").

2. All of the facts set forth below are true of my own knowledge and, if called as a witness, I could and would competently testify as to each of them under oath.

3. I am submitting this Declaration in support of the Motion for Preliminary Approval of Class Action and PAGA Settlement Agreement ("Motion") for the Actions, which is pending in the above-entitled Court, and to confirm certain information in connection with the parties Class Action and PAGA Settlement Agreement and Class Notice ("Settlement Agreement").

4. Based on numerous unrelated prior wage and hour class and PAGA settlements I litigated, I am familiar with the settlement administrator, Apex Class Action LLC ("the Administrator"), who the parties have agreed to use in connection with the Settlement Agreement. I am not aware of any potential conflict of interest between myself and the Administrator or between my firm and the Administrator, or any facts that may create a potential conflict of interest between Defendant and the Administrator.

5. I am not aware of any other action with overlapping claims, other than the Actions in connection with the Settlement Agreement that have consolidated and combined in the Second Amended Complaint in Los Angeles Superior Court Case No. 24STCV10881.

6. Upon settling this matter, and the parties' execution of the Settlement Agreement, Defendant prepared the "Class Data" information, as defined in Paragraph 1.8 of the Settlement Agreement. I have reviewed the Class Data provided to me by my client, which will be submitted

to the Administrator in connection with the Settlement Agreement. Based upon my review of the Class Data, there are 336 Class Members, accounting for 23,670 workweeks during the Class Period.

I declare under penalty of perjury, under the laws of the State of California, that the foregoing is true and correct.

Executed on November 16, 2026, at Cerritos, California.
