I, Gloria G. Medel, declare:

1. I am an attorney with Larson & Gaston, LLP, duly licensed to practice before all courts of the State of California and am counsel of record for Defendant Professional Auto Transport, Inc., in this action. I have personal knowledge of the facts stated herein and, if called as a witness, could and would competently testify thereto.

2. I submit this declaration pursuant to Section G.3.b. of the Case Management Order in connection with the Parties' proposed class and representative action settlement.

representative, collective, or similar action exists that may involve claims overlapping with or affected by the proposed settlement.

4. Based upon that reasonable inquiry, I am not aware of any class action, representative action, collective action, or other proceeding pending in any state or federal court that asserts claims similar to those asserted in this action on behalf of persons who would be members of the settlement class and whose rights would be released by the proposed settlement.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct.
