I, Aashish Y. Desai, declare:

1. I am the named partner of the law firm of Desai Law Firm, P.L.L.C., lead counsel for the Plaintiffs in the above-captioned action. This Declaration is in support of Plaintiff's Unopposed Motion to Approve PAGA Settlement.

2. I am admitted to practice before all state courts throughout California and Texas. I am also admitted to practice before numerous federal courts throughout the nation, including the Central District of California, the Ninth Circuit Court of Appeals, and the United States Supreme Court. If called as a witness, I could, and would, testify to the following matters, which are based upon my personal knowledge.

AUTHENTICATION OF DOCUMENTS AND EXHIBITS

3. A true and correct copy of DLF's lodestar billing records are attached as **Exhibit "1"** to this Declaration. True and correct copies of the firm's reasonable costs and expenses are attached as **Exhibit "2,"** to this Declaration. All costs and expenses were necessary in the prosecution of the claims and in obtaining settlement.

LODESTAR

4. My firm maintains a practice of keeping contemporaneous time records. The case against the Defendant was taken on a contingency basis. My firm has been involved for over 2 years and has amassed a tremendous amount of attorney and paralegal hours from the time of our involvement in this case. Additionally, my firm used considerable billing judgment throughout our litigation against the Defendant. For example, I did not record time for many conversations and meetings that I had with the Plaintiff and my senior paralegal and senior associate discussing litigation and settlement strategy. To avoid duplicative work, tasks were carefully assigned. All services are carefully billed by just three team members:

- **Aashish Desai** (lead attorney, rate: $1,350/hour) – Primarily handles analysis, pleadings, appellate arguments, hearings, conferences, and high-level strategy.
- **Adrianne De Castro** (senior associate attorney, rate: $950/hour) – Focuses on drafting pleadings, discovery responses, research, and settlement documents.

- **Sonia Nava** (senior paralegal, rate: $290/hour) – Manages coordination, filings, client communications, and administrative tasks.

5. In fact, I anticipate that 20 more hours will be required to obtain preliminary and final approval, respond to communications from the class members, monitor the settlement administration, and monitor the Defendant's compliance with the terms and conditions of the Settlement Agreement.

6. A summary of rates and hours expended by my firm is set forth below:

Hours & Lodestar

Biller	Hours	Rate	Lodestar
Desai	215.49	1350	$290,912
De Castro	241.22	950	$229,158
Nava (Paralegal)	53.35	290	$15,472
	510.06		$535,541

7. These records reflect that my firm has expended (advanced) approximately **$17,217** in costs to fund the litigation against the Defendant. Our lodestar for over **510** hours is over **$535, 541**: The billing spans from May 2024 to October 2026, covering initial case intake, filings in state courts, motions, discovery, mediation, and settlement preparations.

8. My firm expended significant time and resources on this case to the exclusion of other legal work; it has all been contingent on its success.

9. As set forth below, my firm incurred a total of **$17,217** in unreimbursed expenses that were necessarily incurred in connection with the filing investigation, prosecution, and settlement of this litigation.

QUALIFICATIONS OF CLASS COUNSEL

10. I have litigated numerous class and collective actions throughout my more than 28 years of legal practice. The firm's CV is available at www.desai-law.com. The following partial list of cases is included for the Court's review:

- *Ellmore v. DiTech Funding*, case number SACV-01-93. This was one of the first class and collective actions in the Central District of California federal court on behalf of loan officers and processors who were denied overtime wages under both the UCL and

FLSA. We were co-lead counsel in this prosecution with Saperstein, Goldstein, Demchak & Baller. After a year of litigation, during which the case split into two parts, a global, combined settlement was reached for approximately $9.65 million. Judge David O Carter of the U.S. District Court of California issued final approval and the case is now over.

- *Toothman v. Pre-Paid Cellular,* District Court, City and County of Denver Colorado, case number 01-CA-1142. This was a nationwide securities fraud class action on behalf of approximately 5,000 investors who were separated from $53 million as a result of a sophisticated con game involving a major, silk-stocking Chicago firm. The case was resolved and finally approved in Colorado District Court after the Denver Court of Appeals reversed a ruling denying class certification.

- *Parks v. Eastwood Insurance Services, Inc*., Case No. SACV 02-0507. This was a collective class action under the FLSA for unpaid overtime wages on behalf of sales agents who were employed by Eastwood Insurance. After three and one-half years of vigorous litigation, this action resolved for $1.2 million for the class members. The defendants, however, would not agree to our fee application, thereby forcing comprehensive law and motion work on this issue. On July 2005, the Honorable Gary L. Taylor (Ret.) issued a ruling awarding my firm approximately $2.1 million in attorneys' fees, in addition to the $1.2 million obtained on behalf of the class members. The Ninth Circuit Court of Appeals affirmed this ruling. *Parks v. Eastwood Insurance, Inc.*, 240 Fed. Appx. 172 (9th Cir. 2007).

- *Dzierlatka v. Bristol-Meyer Squibb,* case number BC076039. This was a nationwide antitrust action charging Bristol-Meyer Squibb of illegal efforts to block generic rivals to its cancer treatment drug Taxol. This case resulted in a nationwide settlement for third-party payors of approximately $115 million. I served as coordinating counsel for the California class members. The case was given final approval several years ago.

- *Robinson v. MJM Investigations*, case number SACV08-496 JVS (RNBx). This was a nationwide wage and hour suit on behalf of field Investigators. After three years of litigation, two separate lawsuits, discovery battles, and one trip to the Ninth Circuit, MJM agreed to a global resolution of over $2.5 million. The Court approved of the settlement and seemed pleased with the results and conduct of the parties.

- *Cardenas v. McLane Foodservice, Inc.*, case number SACV10-473-DOC (FFMx). This was a one of the first truck driver cases to challenge the trucking industries pay practices in California. It resulted in several published decisions including one dealing with the piece-rate system for activity-based pay and FAAAA preemption. *Cardenas v. McLane Foodservice, Inc*., 796 F.Supp.2d 1246 (C.D. Cal 2011). This case was resolved for $5.5 million.

- *Burnham, et al. v. Ruan Logistics, Corp.*, case no. SACV12-0688 AG (ANx). This was a California class action challenging a trucking company's pay practices, and meal and rest break policies. The case was resolved for $3.5 million.

- *Adolph v. Uber Technologies*, 14 Cal.5th 1104 (2023) (allowing PAGA representative

standing following *Viking River*). We serve as co-lead counsel for Plaintiffs in this case, argued before the California Supreme Court, that saved PAGA from federal preemption under the FAA.

11. Simply put, my firm and I have successfully prosecuted a host of class and collective actions, including wage and hour cases against Genesis Logistics, Uber Technologies, Penske Logistics, Indian River Transport, JB Hunt, MBM Trucking, Tuesday Morning, FirstPlus Financial, Platinum Capital Group, Centerpoint Mortgage, IndyMac Bank and Pacific Coast Funding. Currently, we maintain a number of wage and hour and consumer cases in both state and federal court.

12. I have written extensively on the subject of class and collective actions, including:

13. I served as an Adjunct Professor at Chapman University School of Law, teaching legal research and writing from 2004-2006. Furthermore, I have been invited to, and do, speak at numerous seminars on class action litigation for National Business Institute, the Orange County Employment Litigation Section Bar, Los Angeles Bar Association, Bridgeport Seminars, National Association of Attorney Fee Litigators, California Employment Lawyers Association, and the California Bar Association. Many of my peers consider me an expert in the field of class action litigation, particularly in federal and state wage and hour cases.

14. I was selected as a "Rising Star" in Class Action Litigation by *SuperLawyers Magazine* in 2005, 2006 and 2007 – a privilege reserved for only 5% of the "Best Young Lawyers in Southern California." I have been selected as a "Super Lawyer" every year since 2008. I am a co-author of a leading CEB practice manual entitled *California Wage, Law and Litigation*

(Regents of University of California 2010-present). I serve as an Associate Chapter Editor for *The Fair Labor Standards Act*, published by BNA (Kerns) (2012-present). Recently, I wrote a legal novel based upon a PAGA class action involving a group of truck drivers who sue their employer in federal court. *A Class Action*, Desai, Aashish (2021) (Kindle, Amazon, Audible). I consider my focus to be wage and hour class action law, which I have practiced in California since 1997.

15. My billing rate is $1,350.00 per hour, which is usual and customary for class action practitioners in my field. The billing rate of my senior associate, Adrianne De Castro -- a 2005 graduate from U.C. Berkeley School of Law -- is $950.00 per hour, which is usual and customary for attorneys with her experience level. The rates at DLF are customary hourly rates are comparable to prevailing rates in Southern California for lawyers and legal staff of similar experience, skill, and reputation have been, over the years, approved by many judges.

16. My firm has not received one penny for either fees or costs to date for accepting this case – it has all been contingent on our success.

Under penalty of perjury under the laws of the State of California that the foregoing is true and correct. Executed this 22nd day of October, 2026, in Costa Mesa, California.
