RE: PAGA Notice of Labor Code Violations – Hyatt Hotel Corporation DBA Grant Hyatt Indian Wells Resort.

Please take notice that I, Sarah Cordova am an aggrieved employee under Private Attorney General Act (PAGA), CA Labor Code 2699 et seq. I am filing this notice on behalf of myself and all other affected former and current aggrieved employes who have worked for Hyatt Corp. Dba Grant Hyatt Indian Wells in Indian Wells, California with the applicable statutory period.

The employer has engaged in an ongoing patten and practice of widespread labor violations including but not limited to the following:

1. Failure to Provide Lawful Meal & Rest Periods. (Labor Code 351)
2. Illegal Gratuity Practices & Unpaid Tips (Labor Code 351)
3. Unlawful Modification of Pay Earning and Time Records (Labor Code 223,1198)
4. Failure to Furnish Accurate Itemized Wage Statements (Labor Code 226)

I was employed by Hyatt Corporation from November 2024 – October 2025.

Throughout the entire time of my employment there has been incorrect wage statements provided including incorrect earnings reported as tips that were unlawfully entered by several staff who was given the ability to adjust my earning statements without proper legal proof of payment/ compensation/ earning. (Labor code 226, 1174)

These violations resulted in my final ytd reported earning to be 9,507.95. This amount has no paper trail of guaranteed and properly earned wage and is phantom earning.

Hyatt Corporation violated CA Labor Code 512 throughout my employment and failed to provide rest and meal breaks and / or pay for premiums (meal /rest ) for failure to cooperate in CA Labor Code that states an employer must provide a meal break if working more than 5 hours a day. Hyatt never provided a rest or meal break or even bathroom breaks.

I Intent to File a civil action under PAGA to recover all applicable civil penalties, attorney fees, and costs for these systemic violations unless LWDA elects to investigate these matters directly.

Sincerely,

Sarah Christina Cordova
