1 I, Eric K. Yaeckel , hereby declare as follows:

- 2 1. I am an attorney licensed to practice law before this Court and am employed with the law firm
3 of Sullivan & Yaeckel Law Group, APC, attorneys of record for Plaintiff TAMARA
4 WHITMER, in a Representative capacity only, and on behalf of other members of the general
5 public similarly situated in this matter.
- 6 2. I make this declaration in support of Plaintiff's Unopposed Motion for Final Approval of (1)
7 Class Action Settlement; (2) Attorneys' Fees and Costs; and (3) Class Representative Award.
8 I am personally familiar with the facts set forth in this declaration and I make this declaration
9 based on my personal knowledge. If called to testify, I could and would do so competently.
- 10 3. Due to some delays from Defendant's payroll provider to compile the class list, Defendant was
11 unable to timely provide all data. As a result, the notice period will not officially conclude until
12 March 6, 2023. However, this still gives the parties plenty of time before the hearing for thhe
13 period to conclude. The parties and settlement administrator will update the Court at that time
14 via a supplemental declaration if there are any changes to the final Class numbers and
15 responses reported herein.
- 16 4. The parties "Joint Stipulation Re: Class Action Settlement" contains the terms of the class
17 action settlement (herein referred to in this declaration and in the Motion as "the Agreement")
18 and was filed with the Court on September 15, 2022. For ease of reference, the Agreement that
19 preliminary approval was based upon, is attached again to this declaration as **Exhibit 1**.
- 20 5. As detailed in the Preliminary Approval Motion, Plaintiff executed a separate individual
21 settlement agreement and release. This amount being paid to Plaintiff is in addition to the
22 amount negotiated for the class. This was separately negotiated with the assistance of the
23 mediator and provides a much broader release of claims (and a resignation from her position
24 with Defendant) in exchange for the consideration.

25 **Experience of Counsel**

- 26 6. Lead trial counsel, Mr. William Sullivan, has been a California-licensed attorney for 28 years.
27 He has approximately 27 years of experience in "class action" litigation, both as plaintiff and
28

- 1 defense counsel.
- 2 7. Mr. Yaeckel has over 12 years of experience as an attorney. He has spent his entire practice
3 engaged in prosecuting class and representative actions. I have over 4 years of experience as
4 an attorney who is primarily engaged in prosecuting class and representative actions.
- 5 8. Our office are the attorneys of record in a matter very recently (and favorably) decided before
6 the California Supreme Court titled *Donohue v. AMN Services, LLC*, 11 Cal.5th 58 (2021).
7 The *Donohue* matter is a certified class and PAGA action.
- 8 9. Our office is lead counsel on approximately 30 employment “wage and hour” claims with class
9 action, or representative action, allegations. These cases are set within the California Superior
10 Court and Federal District Courts in California. Our office is currently lead counsel on claims
11 that have been certified by both Court Order and by stipulation of the parties. In the last three
12 years, Sullivan & Yaeckel Law Group has settled at least 15 employment “wage and hour”
13 claims on behalf of a Certified Class.
- 14 10. In the last seven years, Sullivan & Yaeckel Law Group has tried three “Wage and Hour”
15 Representative (PAGA). In a recent successful PAGA trial, tried before Judge Bacal of the San
16 Diego Superior Court, our office was awarded our full requested attorneys fees and was
17 approved at the requested hourly rates (which are similar to the fees/rates billed here). Please
18 See *Carrington v. Starbucks Corp.* San Diego Superior Court, Case No.
19 37-2014-00018637-CU-OE-CTL and published appellate opinion 30 Cal.App.5th 504.
- 20 11. Our firm has the requisite experience knowledge of California law and the Federal Rules of
21 Civil Procedure required to act on behalf of the Class. I consider the Settlement Agreement in
22 this matter to represent a fair, adequate and reasonable settlement that is well within the
23 accepted range of recoveries for similar wage and hour class actions. I also believe the
24 Agreement is in the best interests of the Settlement Class Members. I am also aware that
25 Defendants’ counsel (both the firm, and individual attorneys working on this case) have
26 extensive experience defending similar wage and hour class actions.
- 27 12. Based on the above experience, and the analysis of risk on each claim previously presented to
28

1 this Court at the preliminary approval stage, it is this firm's opinion that this settlement
2 represents a fair and adequate payment to the class.

3 **Strengths of Plaintiff's Case and The Amount Offered in Settlement**

4 13. My office has met and conferred with Defendant's counsel, and we agree the amounts payable
5 to Plaintiff and each Class member are within the "ballpark range" of proportional liability as
6 set forth in *Tech-Bilt, Inc. v. Woodward-Clyde & Associates* (1985) 38 Cal.3d 488, 499. A
7 detailed breakdown of the valuation of each claim was previously detailed this Court at the
8 preliminary approval stage.

9 14. As part of the mediation, Plaintiffs were able also to provide Defendants with a detailed "scope
10 of liability" calculations based on Defendants own verified records and policies. Throughout
11 the litigation Defendants presented potentially valid defenses to class certification, liability and
12 damages. Based on these considerations, and the risks involved in continuing litigation, I
13 submit the \$375,000.00 settlement represents a fair and more than reasonable settlement.

14 15. Additionally, I submit that the payment of \$45,000.00 to the LWDA for the PAGA claims
15 (75% share of \$60,000.00 allocation), even though the LWDA declined to prosecute the claims
16 itself, is a fair, reasonable and adequate allocation. The settlement is in the best interests of the
17 settlement class and PAGA employees.

18 **The Risk, Expense, Complexity and Likely Duration of Further Litigation**

19 16. If the litigation were to proceed in lieu of settlement, additional and substantial attorneys fees
20 and costs and expert witnesses fees would be incurred. Given the numerous claims being
21 litigated, the parties may be required to hire multiple experts each (as many as three per side).
22 This would result in not only the production of six expert reports, but six depositions as well.
23 And, based on previous discussions between counsel regarding the remaining claims (including
24 the PAGA claims), the parties anticipated (at the very least) that there would be a discovery
25 motion and least two dueling motions for summary judgment / adjudication (one from each
26 side).

1 **The Presence of a Governmental Actor**

- 2 17. The LWDA was notified and declined to prosecute the claims itself. Counsel for the parties
3 believe this is a fair, reasonable, and adequate allocation. The LWDA was also served with
4 copies of the preliminary approval papers and proposed settlement and has not objected or
5 responded to date.

6 **The Contingent Nature of the Fee Agreement, and Inherent Risk Therein, Supports**

7 **Awarding a Percentage of the Recovery**

- 8 18. My office was retained by Plaintiff on a contingency basis. A percentage fee of 35% (thirty five
9 percent) of any total recovery, was freely negotiated. As part of the agreement, Plaintiff's
10 Counsel was required to continue the prosecution of the matter regardless of the outcome of
11 the preliminary motions (*i.e.*, arbitration, class certification, etc.). Here, however, Plaintiff's
12 Counsel has agreed to a 33 and 1/3 % share of the recovery in order to maximize the recovery
13 on behalf of the class.

14 **The Continuing Obligation to Devote Time and Effort to the Litigation**

- 15 19. Since the tentative agreement, my office has had to devote considerable time to maintain the
16 litigation, achieve Court approval for the proposed settlement, and assist the proposed Class
17 Members with questions about the Class Notice, Potential Release and all available options.

18 **The Extent to which the Litigation Precluded Other Employment**

- 19 20. I, along with the other attorneys who assisted in the matter, was precluded from accepting other
20 employment due to the necessity of maintaining the prosecution of the instant matter. In
21 addition, Mr. Sullivan is the individual primarily responsible for bringing clients to the firm,
22 and was precluded from doing so to the extent previously possible, due to the instant litigation.

23 **The Amount Involved and the Results Obtained on Behalf of the Class**

- 24 21. This is not a "coupon" class action case. As is detailed in the Settlement Administrator's
25 declaration, the Class is set to receive significant monetary benefits. They would not have
26 received these amounts if Class Counsel did not act.

27 ///

1 **The Lodestar Analysis**

2 22. Plaintiff's seek attorneys fees in the amount of one third of the total settlement amount, which
3 is **\$1,25,000.00**. For purposes of a lodestar cross-check the firms' attorneys' fees incurred (to
4 date) are estimated to amount to approximately **\$131,412.00**. Given this amount, no lodestar
5 multiplier is necessary. The Attorneys' fees re broken down as follows:

6 a. Mr. Sullivan served as lead investigator and trial counsel, per the specific request of
7 Plaintiff. The billing rate for Mr. William Sullivan is \$660.00 per hour. Mr. William
8 Sullivan has currently expended approximately 77.8 hours in the service of this action.
9 77.8 hours times \$660.00 equals \$51,348.00. The work includes nearly all preliminary
10 investigation, interviews with putative class members and some client
11 interaction/meetings. The preliminary investigation includes the review and analysis
12 of several hundred documents. During this time, Mr. Sullivan also investigated
13 Defendant, its business practices, and any variations in employees duties and rates of
14 pay.

15 b. I (Mr. Yaeckel) was the partner primarily assigned to oversee the "day to day" activity
16 of the primary associates assigned to this case. My billing rate is **\$540.00** per hour. Mr.
17 Yaeckel have currently expended approximately 120.0 hours in the service of this
18 action. **120.0** hours times **\$540.00** equals **\$64,800.00**. I handled the majority of all
19 pre-settlement work, including document review and the preparation of Plaintiff's
20 Mediation Brief and damages analysis. I also had numerous client interaction meetings
21 and attended the full day mediation. Moreover, I helped draft and review all settlement
22 document and prepared all Preliminary and Final Approval motions and supplemental
23 filings related thereto.

24 c. Mr. Ryan Kuhn, and Mr. William Anderson have each worked as associates assigned
25 to the case at different times. The associate's billing rate on this matter is **\$360.00** per
26 hour. The associates have currently expended approximately **34.4** hours in the service
27 of this action. **34.4** hours times **\$360.00** equals **\$12,384.00**. The work performed by the
28

associates consisted of, for the most part, analysis of Defendant's documents and records, in preparation for mediation. The associates were also assigned to discovery creation and review, the preparation of "meet and confer" letters and other contact with defense counsel, and analysis of employment records to determine "commonality" and damages.

d. Based on past experience, I estimate the associate attorneys will incur an additional 8.0 hours in assisting Class Members on questions and issues regarding the settlement, meeting with Class Members (including those who file "late" submissions), and preparing for and attending the Final Approval hearing in this matter. 8.0 times \$360.00 equals \$2,880.00.

23. Class Counsel's total costs expended in this matter will be \$10,358.90. These costs are broken down as follows:

- a. Filing fees for this case, including the complaint, and all other pleadings through One-Legal totaled to \$2,438.64.
- b. Attorney Messenger Fees (for service of the Complaint) totaled \$103.75.
- c. The filing fee for pre-litigation correspondence to the LWDA was \$75.00.
- d. Mediation fees totaled \$7,000.00.
- e. Travel costs (employee reimbursement for mileage at the IRS rate and meals) totaled \$90.96.
- g. Postage and copy fees totaled \$133.30 in connection with this case.
- h. They were approximately \$517.25 in legal research fees and costs.

24. The Settlement permits Plaintiff (without Opposition) to seek up to \$15,000.00 in costs and Plaintiff limits her reimbursement request to the specific amount of \$10,358.90.

Class Representative Enhancement

25. Plaintiff contributed extensive time and resources in the prosecution of this case, as is detailed further in her prior declaration. Plaintiff was able to provide information instrumental to the prosecution of this matter including identifying numerous witnesses that could corroborate the

claims. Plaintiff also assisted with reviewing and providing insight on Defendant's documents produced. Plaintiff brought to our attention numerous Labor Code violations that formed the basis of the litigation.

26. I know (from experience) that any company who does a detailed background check, will be able to determine that Plaintiff is serving as class representative in a lawsuit against her former employer.

27. An entire industry exists that allows employers to run extensive background searches on potential employees. Companies who provide these services specifically highlight the fact that their services allows employers to weed out litigious employment candidates. One such service outlines ways that employers can "get a sense of whether a prospective employee is likely to sue" the employer, through background checks and other means, to screen out these employees. www.reliableplant.com/Read/6959/a-solution-to-fear-of-hiring-litigious-employees. Onicra Credit Rating Agency of India states: "Background screening has become a necessity in today's litigious society." Back Track Screening also represents: "In today's litigious culture, employers simply cannot afford to hire employees who will put their company at risk." <http://www.btscreening.com/wp-content/uploads/2012/09/Screening-101.pdf>.

28. Finally, any employer may simply check the various Superior Court of California websites and conduct a party name search to uncover whether an applicant has previously filed litigation against their employer.

29. Plaintiff also risked personally owing a large cost award, which I estimate would be well into the tens of thousands of dollars, had the claims been unsuccessful.

30. Despite all the risks, Plaintiff at all times remained committed to securing a monetary recovery on behalf of the entire class.

I declare under penalty of perjury, under the laws of the State of California, that the foregoing is true and correct. Executed on this 1st day of March, 2023.

2 amount of \$25,000.00 in connection with her individual settlement and release agreement.

3 The Total Class Action Settlement Amount is a common fund, non-reversionary amount.

4 2. Date Of This Stipulation. This Stipulation is made as of the date set forth below by
5 and between Plaintiff, on behalf of herself and the Class, on the one hand, and Defendant, on the
6 other hand, subject to the approval of the Court.

7 **II. BACKGROUND OF THE LEGAL ACTION**

8 3. Brief Procedural History. Plaintiff filed the instant Action, entitled *Tamara*
9 *Whitmer v. USP Mission Hills, Inc.*, in Los Angeles County Superior Court on March 18, 2020. In
10 it, Plaintiff alleged causes of action for: (1) Meal and Rest Period Violations pursuant to the Labor
11 Code Private Attorneys General Act of 2004, Cal. Lab. Code §§ 2698, *et seq.* (“PAGA”); (2)
12 Minimum Wage Violations pursuant to PAGA; (3) Overtime Violations pursuant to PAGA; (4)
13 Wage Statement Violations pursuant to PAGA; (5) Failure to Reimburse pursuant to PAGA; and
14 (6) Failure to Pay Wages Upon Separation pursuant to PAGA. The allegations in the Complaint
15 were based on a PAGA letter to the California Labor and Workforce Development Agency dated
16 January 6, 2020. After meeting and conferring about Plaintiff’s allegations in the Complaint,
17 Plaintiff filed and served a First Amended Complaint on or about August 12, 2020, alleging the
18 same causes of action included in the original Complaint. On September 15, 2020, Defendant filed
19 an Answer to Plaintiff’s First Amended Complaint. Defendant generally denies Plaintiff’s claims,
20 including the allegations in the Complaint and First Amended Complaint, as well as the allegations
21 in the soon-to-be-filed Second Amended Complaint.

22 4. Mediation And Settlement Agreement Reached By The Parties. On August 26,
23 2021, the Parties and their counsel participated in a formal mediation session remotely via Zoom
24 before Mr. Louis Marlin, Esq. At the conclusion of the August 26, 2021 mediation session, the
25 Parties, by and through their counsel, reached an agreement to resolve the Action on a class-wide
26 basis pursuant to terms set forth in a Memorandum of Understanding. This Stipulation formalizes
27 the Settlement agreement reached by the Parties.

28 5. Investigation. The Parties have conducted a detailed and comprehensive

1 investigation of the claims asserted against Defendant and of the applicable law. The Parties
2 engaged in informal discovery to prepare for mediation, which included: (a) analysis by the Parties
3 of certain records, data, and policies pertaining to Plaintiff, Class Members, and the claims asserted
4 in the Action; (b) research of the law applicable to Plaintiff's claims and Defendant's affirmative
5 defenses, as well as the damages alleged by Plaintiff; (c) exchange, examination, and analysis of
6 information and documents relating to Defendant's formal policies and Plaintiff's claims for wage
7 and hour violations; and (d) consideration of information disclosed at and in connection with
8 mediation.

9 6. Benefits Of Settlement. The Class Representative and Class Counsel recognize the
10 uncertainty and risk of the outcome of further litigation, and the difficulties and delays inherent in
11 such litigation. The Class Representative and Class Counsel also are aware of the burdens of proof
12 necessary to establish liability for the claims asserted in the Action, the defenses thereto, and the
13 difficulties inherent in the Action. Based on the foregoing, the Class Representative and Class
14 Counsel have determined that the Settlement set forth in this Stipulation is a fair, adequate, and
15 reasonable settlement, and that it is in the best interest of the Class Members. Based on their
16 discovery and investigation, Class Counsel has determined that the Settlement is well within the
17 range of reasonableness. The settlement embodied and documented in this Stipulation is the
18 product of extensive, arms-length negotiations, and is not the product of collusion. Likewise,
19 Defendant has concluded that any further defense of this Action would be protracted and
20 expensive. Substantial amounts of time, energy, and resources have been, and will continue to be,
21 devoted to the defense of the Action unless this Settlement is made. Therefore, Defendant has
22 agreed to settle, in the manner and upon the terms set forth in this Stipulation, in order to fully and
23 finally resolve the claims asserted in the Action.

24 7. Denial Of Wrongdoing. Defendant has denied and continues to deny each of the
25 claims asserted by Plaintiff in this Action, as referenced in Paragraph 3, above, and which will be
26 included in the Second Amended Complaint. Defendant has asserted and continues to assert
27 defenses to the Class Representative's claims, and has expressly denied and continues to deny any
28 wrongdoing whatsoever. Neither this Stipulation nor any action taken to carry out the Settlement

may be construed as an admission by Defendant of any fault, wrongdoing, or liability whatsoever.

III. DATE OF SETTLEMENT

8. Effective Date. The Court's Judgment shall become final when all of the following events have occurred:

- a) The Stipulation has been executed by all Parties, Class Counsel, and Defendant's Counsel;
- b) The Court has given preliminary approval to the Settlement; and
- c) The Court has held a Final Settlement Approval Hearing and has entered a Final Order and Judgment, and approving the Stipulation.

It is the Parties' intention that the Settlement shall be final for purposes of the Effective Date at the time of entry of the Final Order and Judgment, if no objections to the Settlement are filed. Only in the event that written objections are filed prior to the Final Settlement Approval Hearing that are not later withdrawn prior to final approval, the Effective Date shall be the later of:

- The date of final affirmance on an appeal of the Judgment; the expiration of the time for a petition to review the Judgment; and, if review is granted, the date of final affirmance of the Judgment following review; or
- The date of final dismissal of any appeal from the Judgment or the final dismissal of any proceeding to review the Judgment; or
- If no appeal is filed, the expiration date for filing any appeal from the Judgment.

IV. CLASS MEMBERS INCLUDED IN SETTLEMENT

9. Scope Of The Class. The Class is defined as follows: "All persons who have worked for defendant USP Mission Hills, Inc. as non-exempt employees in the State of California at any time during the Class Period."

10. Class Members' Objections To This Settlement. Any Class Member may object to the Settlement by mailing the written objection to the Settlement Administrator on or before the Document Receipt Deadline, at the addresses detailed in the Class Notice. Written objections are not required and any Class Member may appear at the Final Approval Hearing to present

1 objections even if they did not mail a written objection. Any Class Member who does not object to
2 the Settlement in the manner provided for in this Stipulation may not appeal the Final Judgment.
3 In the event that the Court approves this Settlement notwithstanding the objections of any Class
4 Members, Class Members who object to the Settlement will nonetheless be bound by the
5 Settlement. Class Members who have opted out of the Settlement as detailed in Paragraph 22,
6 subparagraph (d), herein do not have standing to object to the Settlement or to file an appeal for
7 purposes of Paragraph 8. The Parties, Class Counsel, and Defendant's Counsel agree not to take
8 any action or make any statements to encourage any Class Members to object to the Settlement.

9 11. Class Members' Exclusion ("Opt-Out") From This Settlement. Any Class Member
10 may request to be excluded ("opt-out") from this Settlement by mailing a written Request for
11 Exclusion to the Settlement Administrator as prescribed in Paragraph 21, subparagraph (d), herein.
12 Each Class Member who submits a valid Request for Exclusion shall not be bound by the
13 Settlement. However, PAGA Members may not opt-out of the portion of the Settlement relating to
14 the settlement of claims under PAGA. Even if a PAGA Member opts-out, they will still receive an
15 Individual PAGA Payment. PAGA Members will be bound by the PAGA portion of the release
16 whether or not they cash this check before it becomes void. PAGA Members who submit valid
17 Requests for Exclusion as to the class action portion of the Settlement will only be bound by the
18 release of the PAGA claims. The Parties, Class Counsel, and Defendant's Counsel agree not to
19 take any action or make any statements to encourage any Class Members to opt out of the
20 Settlement.

21 12. Blow-Up Provision. Defendant reserves the right to revoke this Stipulation and the
22 Settlement provided for herein if more than ten percent (10%) of Class Members opt out of the
23 Settlement by submitting timely and valid Requests for Exclusion in the manner set forth in
24 Paragraph 22, subparagraph (d), below, in which case this Stipulation will not have any force
25 and/or effect. Class Counsel and the Class Representative agree not to oppose any application by
26 Defendant and/or its Counsel that is consistent with this paragraph. Defendant shall make its
27 election within seven (7) calendar days of receipt from the Settlement Administrator of the total
28 percentage of opt-outs. If the Settlement is voided, no payment will be made by Defendant to

Plaintiff, any Class Member, or Class Counsel in connection with this Stipulation; and all Parties and third parties referenced in this Stipulation will bear their own costs, fees, and expenses associated with the Litigation. However, Defendant will be responsible for the costs incurred by the Settlement Administrator.

13. Escalator Clause. Defendant represents that, as of August 26, 2021, there were approximately 207 Class Members. If, as of the end date of the Class Period, the number of Class Members is greater than 237, Defendant shall, at its sole discretion, have the option of either (a) increasing the Net Settlement Amount proportionally for each Class Member over 237; or (b) changing the end date of the Class Period to October 26, 2021.

14. Finality Of Settlement. As of the date Defendant fully funds the Settlement, the terms of Settlement contained herein, including the Release outlined below, shall be final and binding upon all Class Members who do not exclude themselves from the Settlement.

V. RELEASES

15. Release Of Class Claims By Plaintiff And Class Members. As of the date the Defendant fully funds the Settlement in accordance with all of the terms of this Stipulation, Plaintiff and Class Members (including the Class Representative) release the Released Parties from the following, collectively referred to as the “Released Class Claims”:

all of her individual claims as follows: The Class Representative releases the Released Parties from any and all claims, actions, demands, causes of action, suits, debts, obligations, damages, rights, or liabilities of any nature and description whatsoever, known or unknown, that the Class Representative individually may possess against the Released Parties arising from the Class Representative's employment with Defendant. The Class Representative hereby acknowledges that, upon receiving the sums provided to her pursuant to this Stipulation and her individual settlement and release agreement, she will have received all potential wages, damages, and penalties owing to her by Defendant, and, further, that she is not owed any additional wages, penalties, or damages from Defendant.

The Class Representative also agrees to expressly and fully waive the provisions of California Civil Code section 1542, which provides as follows:

A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release and that, if known by him or her, would have materially affected his or her settlement with the debtor or released party.

The Class Representative's general release shall cover the time period from March 18, 2016 up to the date Defendant fully funds the Settlement.

VI. AMOUNT AND DISTRIBUTION OF SETTLEMENT

18. Settlement Amount. The Total Class Action Settlement Amount shall be Three Hundred Seventy-Five Thousand Dollars (\$375,000.00). Defendant will pay the Total Class Action Settlement Amount within twenty-one (21) calendar days following the Effective Date by wiring that amount to the Settlement Administrator. With the limited exception of Defendant's agreement to pay Plaintiff an additional \$25,000.00 in connection with Plaintiff's separate individual settlement agreement and release, under no circumstances will Defendant be obligated to pay more than the amount of \$375,000.00 as a result of this Settlement.

19. Deductions From Settlement Amount. Deductions from the Total Class Action Settlement Amount, all subject to Court approval, shall be made for:

a) Attorneys' Fees. Class Counsel may apply for an award of attorneys' fees,

1 not to exceed one-third (33⅓ percent) of the Total Class Action Settlement Amount, or One
2 Hundred Twenty Five Thousand Dollars and Zero Cents (\$125,000.00). The attorneys'
3 fees award shall be paid from the Total Class Action Settlement Amount. The amount of
4 attorneys' fees shall include all past and future attorneys' fees to Class Counsel – including,
5 without limitation, all time expended by Class Counsel in defending the Settlement and
6 securing final approval of the Settlement (including any appeals thereof). Defendant agrees
7 not to oppose any such application which is consistent with this paragraph; however, the
8 Settlement is not contingent on Plaintiff recovering that or any particular amount as an
9 attorneys' fees award. Even in the event that the Court reduces or does not approve the
10 requested attorneys' fees award, Plaintiff and Class Counsel shall not have the right to revoke
11 this Stipulation or this Settlement, and it will remain binding. Plaintiff and Class Counsel
12 agree not to file an appeal from any order by the Court reducing or not approving the
13 requested attorneys' fee award.

14 b) Attorneys' Costs. In addition to attorneys' fees, Class Counsel may apply
15 for an award of costs, not to exceed the sum of Fifteen Thousand Dollars (\$15,000.00). The
16 costs award shall be paid from the Total Class Action Settlement Amount. The amount of
17 costs shall include all past and future costs associated with this Action – including, without
18 limitation, all costs expended by Class Counsel in defending the Settlement and securing
19 final approval of the Settlement (including any appeals thereof). Defendant agrees not to
20 oppose any such application which is consistent with this paragraph; however, the
21 Settlement is not contingent on Plaintiff recovering that or any particular amount as an
22 attorneys' costs award. Even in the event that the Court reduces or does not approve the
23 requested attorneys' costs award, Plaintiff and Class Counsel shall not have the right to
24 revoke this Stipulation or this Settlement, and it will remain binding. Plaintiff and Class
25 Counsel agree not to file an appeal from any order by the Court reducing or not approving
26 the requested attorneys' cost award.

27 c) Class Representative's Enhancement Award. Class Counsel may apply for
28 an enhancement award to the Class Representative in an amount not to exceed Five

1 Thousand Dollars (\$5,000.00). The enhancement award shall be paid from the Total Class
2 Action Settlement Amount. Defendant agrees not to oppose any such application which is
3 consistent with this paragraph; however, the Settlement is not contingent on Plaintiff
4 recovering that or any particular amount as an enhancement payment. Even in the event
5 that the Court reduces or does not approve the requested enhancement payment, Plaintiff
6 and Class Counsel shall not have the right to revoke this Stipulation or this Settlement, and it
7 will remain binding. Plaintiff and Class Counsel agree not to file an appeal from any order
8 by the Court reducing or not approving the requested enhancement award.

9 d) Settlement Administration Costs And Fees. All actual costs for settlement
10 administration, including related accounting costs, in an amount not to exceed Six
11 Thousand Seven Hundred Fifty Dollars (\$6,750.00), shall be paid from the Total Class
12 Action Settlement Amount. The Parties contemplate that the Settlement Administrator
13 shall be Phoenix Settlement Administrators, or any other third-party class action settlement
14 administrator agreed to by the Parties and approved by the Court for the purposes of
15 administering this Settlement. To the extent actual costs for settlement administration are
16 less than \$6,750.00, those amounts will be credited to the Total Class Action Settlement
17 Amount prior to distribution of the Net Settlement Amount to Class Members. Defendant
18 agrees not to oppose any such applications which are consistent with this paragraph.
19 Plaintiff and Class Counsel agree not to file an appeal from any order by the Court reducing
20 or not approving the requested settlement administration costs.

21 e) PAGA Allocation. The Parties agree to allocate Sixty Thousand Dollars
22 (\$60,000.00) of the Total Class Action Settlement Amount to resolve the Class Members'
23 claims arising under PAGA. Pursuant to PAGA, 75 percent of the PAGA Allocation, or
24 Forty-Five Thousand Dollars (\$45,000.00), shall be paid to the State of California Labor
25 and Workforce Development Agency (the "LWDA"), with the remaining 25 percent, or
26 Fifteen Thousand Dollars (\$15,000.00), allocated to PAGA Members in accordance with
27 the calculation provisions in Paragraph 19, subparagraph (g), below. Plaintiff and Class
28 Counsel agree not to file an appeal from any order by the Court changing or not approving

1 the requested PAGA allocation.

2 f) Employer's Share Of Payroll Taxes. The Parties agree that the employer's
3 share of payroll taxes, as calculated by the Settlement Administrator pursuant to Paragraph
4 21, subparagraph (h), below, shall be paid from, and not in addition to, the Total Class
5 Action Settlement Amount.

6 g) Payment Of Individual Settlement Awards To Class Members. After the
7 amounts described in Paragraph 19. subparagraphs (a) through (f), above, have been
8 deducted from the Total Class Action Settlement Amount, the remainder – the Net
9 Settlement Amount – shall be distributed to each Class Member, in the following manner:

10 The Net Settlement Amount shall be divided by the number of aggregate qualified
11 weeks worked by all Class Members during the Class Period to produce a "Weekly
12 Settlement Value." A "qualified week" shall be a week worked by a Class Member
13 in California in a non-exempt role. Each Class Member shall be eligible to receive a
14 settlement payment in the amount of the total number of qualified weeks the Class
15 Member worked for Defendant in California during the Class Period in a non-
16 exempt role multiplied by the Weekly Settlement Value, less applicable
17 withholdings, provided that the Class Member has not submitted a Request for
18 Exclusion.

19 h) Separate Payment of PAGA Penalties to PAGA Members. Individual PAGA
20 Payments will be calculated and apportioned from the PAGA Amount based
21 on the number of Qualifying Pay Periods a PAGA Member worked during
22 the PAGA Period. Specific calculations of Individual PAGA Payments will
23 be made as follows: The Settlement Administrator will calculate the number
24 of Pay Periods worked by each PAGA Member during the PAGA Period,
25 the amount to be paid per Pay Period, and the Individual PAGA Payments to
26 eligible PAGA Members. The Individual PAGA Payments will be
27 determined by dividing the PAGA Amount by the total number of Pay
28 Periods for all PAGA Penalty Class members, resulting in the Pay Period

Value, and then multiplying the Pay Period Value by the number of Pay Periods worked by each PAGA Penalty Class member.

20. Challenges of Calculations to Work Weeks or PAGA Pay Periods. Each Class Member or PAGA Member shall have 45 days after the Administrator mails the Class Notice (plus an additional 14 days for Class Members or PAGA Members whose Class Notice is re-mailed) to challenge the number of Class qualified weeks and PAGA Pay Periods (if any) allocated to the Class Member in the Class Notice. The Class Member may challenge the allocation by communicating with the Administrator via fax or mail. The Administrator must encourage the challenging Class Member to submit supporting documentation. In the absence of any contrary documentation, the Administrator is entitled to presume that the Workweeks contained in the Class Notice are correct so long as they are consistent with the Class Data. The Administrator's determination of each Class Member's allocation of Workweeks and/or Pay Periods shall be final and not appealable or otherwise susceptible to challenge. The Administrator shall promptly provide copies of all challenges to calculation of Workweeks and/or Pay Periods to Defense Counsel and Class Counsel and the Administrator's determination the challenges.

21. Non-Reversionary Settlement. There will be no reversion to Defendant following the settlement process. In the event that an Individual Settlement Award is paid to a Class Member by check and the check is not cashed on or before the Check Cashing Deadline, the amount of the Individual Settlement Award shall be considered unclaimed. Each unclaimed Individual Settlement Award paid to a Class Member but not cashed on or before the Check Cashing Deadline shall be tendered to the State of California Unclaimed Property Fund in the Class Member's name.

VII. SETTLEMENT ADMINISTRATION

22. Settlement Administrator's Duties. The Settlement Administrator shall be responsible for (a) processing the data provided by Defendant to be used in calculating Individual Settlement Awards; (b) preparing, printing, and mailing to Class Members the Notice (attached hereto as **Exhibit A**), as well as following up with reasonable skip tracing; (c) notifying the Parties of the identity of Class Members who submit timely Requests for Exclusion; (d) calculating and mailing Individual Settlement Awards to Class Members; (e) calculating and paying the

1 employer's share of the applicable federal and state withholding taxes; (f) filing any required
2 federal and state tax forms and related agency reporting; (g) filing any required reports with the
3 Court; and (h) any and all such other tasks as to which the Parties mutually agree, or which the

12 number, and (iv) the Weekly Settlement Value to be paid to the Class
13 Member pursuant to Paragraph 19, subparagraph (g) and (h), above. After
14 receipt of the data, it will be updated by the administrator prior to the initial
15 mailing by use of National Change of Address Registry to ensure the most up to
16 date address for all Class Members.

17 b) Mailing Of Documents. Within ten (10) calendar days of receipt of the
18 database containing the information to be provided by Defendant pursuant to Paragraph 27
19 herein, the Settlement Administrator shall mail a copy of the Notice to all Class Members
20 by first class regular U.S. Mail, using the most current mailing address information
21 provided by Defendant and/or obtained by the Settlement Administrator. The Settlement
22 Administrator will engage in address searches consistent with its normal practices in
23 administering settlements of wage claims, including skip tracing. Such search efforts shall
24 include, where necessary, using social security numbers to obtain better address
25 information and attempting to call such Class Members. Any returned envelopes from this
26 mailing with forwarding addresses will be utilized by the Settlement Administrator to
27 forward the Notices to the Class Members.

28 c) Re-Mailing Of Returned Notices. Notices returned to the Settlement

1 Administrator as non-delivered shall be re-sent to the forwarding address, if any, on the
2 returned envelope within 5 calendar days of any returned notice. A returned Notice will be
3 forwarded only once per Class Member by the Settlement Administrator. Class Members
4 who receive a re-mailed notice will be given an extra 14 days to respond, including to
5 request exclusion, object, and/or dispute workweeks or pay periods. Upon completion of
6 these steps by the Settlement Administrator, the Parties shall be deemed to have satisfied
7 their obligation to provide the Notice to the affected Class Member. The affected Class
8 Member shall remain a Class Member and shall be bound by all the terms of this
9 Stipulation and the Court's Final Order and Judgment.

10 d) Processing Requests For Exclusion ("Opt-Outs") From Settlement. In the
11 event that a Class Member requests to be excluded ("opts out") from the Settlement
12 provided herein, he or she must mail a written Request for Exclusion to the Settlement
13 Administrator by first class U.S. Mail, or equivalent, postage paid and postmarked, by no
14 later than the Document Receipt Deadline, which is forty-five (45) calendar days after the
15 date that the Settlement Administrator originally mails Notices to Class Members. To be
16 valid, the written Request for Exclusion must include (i) the Class Member's name, (ii) the
17 Class Member's address, (iii) a request for exclusion, and (iv) the Class Member's
18 signature. The Settlement Administrator shall notify Class Counsel and Defendant's
19 Counsel of its receipt of all valid Requests for Exclusion within three (3) business days
20 after having received each such Request for Exclusion.

23 payments.

24 f) Declaration Of Due Diligence. No later than ten (10) calendar days prior to
25 the Final Settlement Approval Hearing, the Settlement Administrator shall provide both
26 Parties with a declaration of due diligence to be filed with the Court.

27 g) Allocating Portions Of The Individual Settlement Awards As Wages. The
28 Settlement Administrator shall be responsible for calculating the portion of each Individual

1 Settlement Award to be allocated as wages. Thirty-three percent (33%) of each Individual
2 Settlement Award shall be allocated as wages, and sixty-seven percent (67%) of each
3 Individual Settlement Award shall be allocated as interest and penalties.

4 h) Taxation Of Individual Settlement Awards. The Settlement Administrator
5 shall be responsible for paying the employer's and employees' share of federal, state, and
6 local payroll and income taxes. The portion of each Individual Settlement Award allocated
7 as wages shall be subject to payroll withholding. The employer's share of payroll taxes
8 shall be paid from the Total Class Action Settlement Amount, pursuant to Paragraph 19,
9 subparagraph (f), above. Appropriate withholding of the employee's share of income taxes
10 shall be deducted from each Individual Settlement Award.

11 i. Federal Tax Reporting. The Settlement Administrator shall issue an IRS
12 Form W-2 to each Class Member for the portion of the Individual Settlement
13 Award that is designated as wages. The Settlement Administrator shall issue
14 an IRS Form 1099 to each Class Member for the portion of the Individual
15 Settlement Awards that is not designated as wages. The Settlement

18 above, in connection with her role as the Class Representative.

19 ii. State Tax Reporting. The Settlement Administrator shall file, with the
20 California Employment Development Department ("EDD"), the required
21 reports of Personal Income Tax ("PIT") wages withheld from the Individual
22 Settlement Awards, as well as the amounts to be paid as Unemployment
23 Insurance ("UI"), Employment Training Tax ("ETT"), and State Disability
24 Insurance ("SDI"). For purposes of this reporting, prior to disbursement of
25 the Individual Settlement Awards, the Settlement Administrator shall
26 provide Defendant with a list of all Class Members, and Defendant shall
27 provide to the Settlement Administrator the following information: (1) its
28 Form DE 2088, *Notice of Contribution Rates and Statement of UI Account*,

1 for the current calendar year (if unavailable, Defendant may provide instead
2 their California State Employer's Identification Number and its applicable
3 UI and ETT Rates); and (2) the year-to-date earnings of each Class Member
4 who received any wages from Defendant during the current calendar year.

5 iii. Responsibility For Tax Obligations. All Class Members and the Class
6 Representative will be responsible for correctly characterizing the
7 compensation they receive for tax purposes and for paying any taxes on the
8 amounts received, except for the employer contributions which will be
9 handled as provided by this Stipulation. The Class Members and the Class
10 Representative agree to indemnify Defendant for any liability Defendant
11 incurs to any tax authority on account of the Class Members' or the Class
12 Representative's failures to pay all taxes due on amounts they receive
13 hereunder, except if the failure results from Defendant's failure to pay its
14 own portion of taxes due. The liability of each Class Member and each
15 Class Representative is limited to the liability caused by that individual's
16 own failure.

17 i) Mailing Of Individual Settlement Awards. Within ten (10) calendar days
18 after Defendant's transfer of funds to the Settlement Administrator, the Settlement
19 Administrator shall mail all Class Members their Individual Settlement Awards. Each
20 check issued to a Class Member shall remain valid and negotiable for one hundred eighty
21 (180) days from the date of issuance. Those Individual Settlement Awards not cashed by
22 the Check Cashing Deadline shall be canceled automatically, in which event the Class
23 Member's claim will be deemed void and the unclaimed funds shall be sent to the State of
24 California Unclaimed Property Fund in the Class Member's name.

25 j) Certifying The Class Members Bound By The Settlement. Within fifty (50)
26 calendar days from the Effective Date, the Settlement Administrator shall file written
27 certification with the Court with copies to counsel for all Parties that all Class Members
28 have been mailed their Individual Settlement Awards.

1 k) Payments To Class Counsel. Within ten (10) calendar days after
2 Defendant's transfer of funds to the Settlement Administrator, the Settlement Administrator
3 shall pay the attorneys' fees and costs, as detailed in Paragraph 19, subparagraphs (a) and
4 (b), above.

5 l) Payment Of PAGA Allocation. Within ten (10) calendar days after
6 Defendant's transfer of funds to the Settlement Administrator, the Settlement Administrator
7 shall mail to the LWDA the State of California's allocated portion of the Court-approved
8 PAGA Allocation, as detailed in Paragraph 19, subparagraph (e), above.

9 23. Disputes Regarding The Settlement Administrator's Performance Of Duties. All
10 disputes relating to the Settlement Administrator's performance of its duties shall be referred to the
11 Court, if necessary, which will have continuing jurisdiction over the terms and conditions of this
12 Stipulation until all payments and obligations contemplated by this Stipulation have been fully
13 carried out.

14 **VIII. DUTIES OF THE PARTIES PRIOR TO PRELIMINARY COURT APPROVAL**

15 24. Submission Of Stipulation To Court. Plaintiff shall promptly submit this Stipulation
16 to the Court in support of Plaintiff's motion for preliminary approval and determination by the
17 Court as to the fairness, adequacy, and reasonableness of this Stipulation, and shall apply to the
18 Court for the entry of an order substantially in the following form:

19 a) Scheduling a fairness hearing on the question of whether the proposed
20 Settlement – including payment of attorneys' fees, attorneys' costs, appointment of the

Class Members and final review by the Court; and

Class Counsel must submit the motion for preliminary approval and all supporting documents to Defendant's Counsel, for Defendant's review and comment, no later than five (5) business days prior to filing. The [Proposed] Preliminary Approval Order to be submitted to the Court shall be the document attached hereto as **Exhibit B**, unless the Court's orders during the approval process require revisions to be made. Unless the Parties agree otherwise, only necessary revisions shall be made to the [Proposed] Preliminary Approval Order to be submitted to the Court.

25. Amendment Of This Stipulation To Conform To The Court's Order. To the extent the Court does not approve this Stipulation, or any term contained herein, and instead allows the Parties to amend this Stipulation, the Parties agree to cooperate in good faith to amend the Stipulation in accordance with the Court's direction, and to retain all other terms of the Stipulation that the Court approves.

1 such information and will be provided by Defendant's Counsel to the extent and degree actually
2 necessary. The Class Information shall be based on Defendant's electronically available payroll
3 and other business records, and shall be in a format readily accessible to Defendant. Within ten
4 (10) calendar days of receipt of the information from Defendant, the Settlement Administrator will
5 mail the Notice to the Class Members, provided that counsel for the Parties have approved the
6 documents pursuant to Paragraph 25 herein. In the event that approval of the documents pursuant
7 to Paragraph 25 takes more than ten (10) calendar days, the Settlement Administrator shall mail the
8 Notice to the Class Members within one (1) business day of receiving approval of the documents
9 pursuant to Paragraph 25.

10 28. Disputes Arising From Settlement Administration. Any disputes arising during the
11 settlement administration process must be resolved informally by counsel for the Parties and, if the
12 Parties cannot agree, by the Settlement Administrator, within ten (10) calendar days of the
13 Document Receipt Deadline.

14 29. Motions By Class Counsel.

15 a) Motions Required For Final Approval Of The Settlement. Class Counsel
16 shall timely prepare, subject to Defendant's review and right to comment, Final Settlement
17 Papers in conformance with the terms of this Settlement, including (1) a motion for final
18 approval of the Settlement; (2) a motion for award of attorneys' fees and costs; (3) a motion
19 for the Class Representative's enhancement award; (4) the [Proposed] Final Settlement
20 Order; and (5) any other documents, petitions, or motions required to effectuate this
21 Settlement – including, but not limited to, any additional proposed orders requested by the
22 Court. Class Counsel must submit the Final Settlement Papers to Defendant's Counsel, for
23 Defendant's review and comment, no later than five (5) business days prior to filing the
24 motion for final approval of the Settlement. In the event that Class Counsel and
25 Defendant's Counsel cannot resolve any dispute regarding the Final Settlement Papers
26 arising from Defendant's right to review and comment, Defendant's Counsel shall submit
27 its objections to the Final Settlement Papers to the Court before or during the Final
28 Settlement Approval Hearing.

b) [Proposed] Final Settlement Order. The [Proposed] Final Settlement Order shall include a proposed Final Order and Judgment ordering:

- i. Approval of the Settlement, adjudging the terms thereof to be fair, reasonable, and adequate, and directing consummation of its terms and provisions;
- ii. Approval of Class Counsel's application for an award of attorneys' fees and costs (Class Counsel will separately submit a motion for award of attorneys' fees and costs);
- iii. Approval of the enhancement award to the Class Representative;
- iv. Entry of Judgment upon satisfaction of all payments and obligations hereunder; and
- v. Reserving jurisdiction over the construction, interpretation, implementation, and enforcement of the Parties' Settlement, and over the administration and distribution of the Settlement amounts.

The [Proposed] Final Approval Order and Judgment to be submitted shall be the document attached hereto as **Exhibit C**, unless the Court's orders during the approval process require revisions to be made. Unless the Parties agree otherwise, only necessary revisions shall be made to the [Proposed] Final Approval Order and Judgment to be submitted to the Court.

30. Final Fairness Hearing. Upon expiration of the Document Receipt Deadline, the Parties shall attend a Final Settlement Approval Hearing with the Court to finally approve the Settlement as fair, reasonable, and adequate as to (a) Class Members; (b) attorneys' fees and costs to Class Counsel; (c) the enhancement award to the Class Representative; (d) the costs and fees for settlement administration; (e) the PAGA Allocation; and (f) the Individual Settlement Awards to be paid to the Class Members, including the methodology used to calculate such awards.

X. DUTIES OF THE PARTIES FOLLOWING FINAL COURT APPROVAL

31. Final Settlement Approval, And Entry Of Judgment. At or before the Final Settlement Approval Hearing, Class Counsel shall submit the [Proposed] Final Settlement Approval Order and Judgment to the Court for the Court's approval and entry. After entry of the

Final Settlement Approval Order and Judgment, the Court shall have continuing jurisdiction over the administration of the Settlement.

32. Payment Of Settlement Amount. Not later than twenty-one (21) calendar days following the Effective Date, Defendant shall deposit the Total Class Action Settlement Amount, into an account established by the Settlement Administrator. The Settlement Administrator will retain authority over the deposited funds, which are to be used in accordance with this Stipulation and any orders of the Court. The Settlement Administrator shall make all payments and other disbursements required by this Stipulation from the Total Class Action Settlement Amount. Defendant shall have no further obligations over the distribution of the Total Class Action Settlement Amount.

33. Provision Of Final Settlement Approval Order And Judgment To Settlement Administrator. Within two (2) business days of final approval by the Court of the Settlement provided for in this Stipulation, Class Counsel shall provide the Settlement Administrator with a copy of the Final Settlement Approval Order and Judgment.

XI. ADDITIONAL TERMS

34. Nullification Of Settlement. This Stipulation shall be null and void, and any order of judgment entered by the Court in furtherance of the Settlement shall be vitiated *nunc pro tunc*, if any of the following occurs:

- a) The Court does not enter the Final Settlement Approval Order and Judgment as provided for herein or contemplated by this Stipulation;
- b) The Court does not finally approve the Settlement as provided for herein;
- c) The Court does not enter a Final Settlement Approval Order and Judgment as provided for herein that becomes final as a result of the occurrence of the Effective Date; or
- d) The Settlement does not become final for any other reason.

In such a case, the Parties shall be returned to their respective statuses as of the date of August 26, 2021, and the Parties shall proceed in all respects as if this Stipulation had not been executed. If an appeal is filed from the Court's Final Settlement Approval Order and Judgment prior to the

Effective Date, administration of the Settlement shall be immediately stayed pending final resolution of the appeal process.

35. No Admissions. Nothing contained herein is to be construed or deemed to be an admission of liability or wrongdoing by Defendant. This Stipulation and the attached exhibits are settlement documents, and, pursuant to California Evidence Code section 1152, these documents shall be inadmissible in any proceeding except in an action or proceeding to approve, interpret, or enforce this Stipulation.

36. No Unalleged Claims. Plaintiff and Class Counsel represent that, as of the date of execution of this Stipulation, they are not currently aware of: (a) any unalleged claims in addition to, or different from, those which are finally and forever settled and released against the Released Parties by this Settlement; and (b) any unalleged facts or legal theories upon which any claims or causes of action could be brought against Defendant, except such facts and theories specifically alleged in the Complaint, First Amended Complaint, and/or Second Amended Complaint in this Action. Plaintiff and Class Counsel further represent and agree that, other than the instant Action, they have no current intention of asserting any other claims against Defendant in any judicial or administrative forum, and that they do not currently know of or represent any persons who have expressed any interest in pursuing litigation or seeking any recovery against Defendant. The Parties further acknowledge, understand, and agree that the representations described in this paragraph are essential to the Settlement and that this Settlement would not have been entered into were it not for this representation.

37. Amendment Or Modification. This Stipulation may be amended or modified only by a written instrument signed by counsel for all Parties.

38. Entire Agreement. This Stipulation and the accompanying exhibits constitute and comprise the entire agreement between the Parties. No oral or written representations, warranties, or inducements have been made to any of the Parties concerning this Stipulation other than the representations, warranties, and covenants contained and memorialized herein.

39. Construction. The Parties agree that the terms of this Stipulation and the accompanying exhibits are the result of lengthy, arms-length negotiations, and that this Stipulation

shall not be construed in favor of or against any of the Parties by reason of the extent to which any of the Parties or their respective counsel participated in the drafting of this Stipulation.

40. Parties' Authority. The signatories to this Stipulation represent that they are fully authorized to enter into this Stipulation and to bind the Parties hereto to the terms and conditions hereof.

41. Successors And Assigns. This Stipulation is binding upon, and inures to the benefit of, the Parties' successors and assigns. The Parties represent and warrant that they have not, directly or indirectly, assigned, transferred, or encumbered to any person or entity any portion of any claim, demand, action, cause of action, or rights herein released and discharged except as set forth herein.

42. Enforcement Of Actions. In the event that any of the Parties to this Stipulation institutes any legal action, arbitration, or other proceeding against any of the other Parties to enforce the provisions of this Stipulation or to declare rights or obligations under this Stipulation, the successful Party shall be entitled to recover from the unsuccessful Party or Parties, reasonable attorneys' fees and costs, including expert witness fees, incurred in connection with any such enforcement proceedings.

43. Governing Law. All terms of this Stipulation shall be governed by and interpreted according to the laws of the State of California.

44. Jurisdiction Of The Court. The Court shall retain jurisdiction with respect to the interpretation, implementation, and enforcement of the terms of this Stipulation and all orders and judgments entered in connection therewith.

45. Counterparts. This Stipulation may be executed in one or more counterparts. All executed counterparts, and each of them, shall be deemed to be one and the same instrument. Signatures may be affixed either by original signatures, PDF, or facsimile.

46. Notices. Unless otherwise specifically provided in this Stipulation, all notices, demands, and/or other communications will be in writing and will be deemed to have been duly given as of the third (3rd) business day after mailing by U.S. Mail, addressed as follows:

8 47. Enforceability. The Parties intend for this Agreement to be enforceable in the
9 Superior Court of California for the County of Orange, by and subject to the Court's pending
10 jurisdiction.

11 48. Interpretation. This Stipulation shall be construed as a whole according to its fair
12 meaning. It shall not be construed strictly for or against any Party. Unless the context indicates
13 otherwise, the term "or" shall be deemed to include the term "and," and the singular or plural
14 number shall be deemed to include the other. Captions and headings are intended solely for
15 convenience of reference and shall not be used in the interpretation of this Stipulation.

16 49. Non-Publicity. Plaintiff and Class Counsel agree not to disclose or publicize the
17 Settlement, including the fact of the Settlement, its terms or contents, and the negotiations
18 underlying the Settlement, in any manner or form, directly or indirectly, to any person or entity,
19 except to potential Class Members and as shall be contractually required to effectuate the terms of
20 the Settlement. For the avoidance of doubt, this paragraph means Plaintiff and Class Counsel agree
21 not to issue press releases; communicate with, or respond to, any media or publication entities;
22 publish information in manner or form, whether printed or electronic, on any medium; or otherwise
23 communicate, whether by print, video, recording, or any other medium, with any person or entity
24 concerning the Settlement, including the fact of the Settlement, its terms or contents, and the
25 negotiations underlying the Settlement, except as shall be contractually required to effectuate the
26 terms of the Settlement. However, for the limited purpose of allowing Class Counsel to prove
27 adequacy as class counsel in other actions, Class Counsel may disclose the name of the Parties in
28 this action and the venue/case number of this action (but not any other settlement details) for such

1 purposes.

2 50. Exhibits Incorporated By Reference. The terms of this Stipulation include the terms
3 set forth in any attached exhibits, which are incorporated by this reference as though fully set forth
4 herein. Any exhibit to this Stipulation is an integral part of the Settlement.

5 51. Interim Stay Of Proceedings. The Parties agree to refrain from further litigation of
6 this matter, except such proceedings necessary to implement and obtain an Order granting Final
7 Approval of the terms of the Settlement. The Parties further agree that the mutual, voluntary
8 cessation of litigation shall terminate either as of the Effective Date or the date upon which this
9 Settlement has been denied by the Court and all subsequent attempts to cure deficiencies pursuant
10 to Paragraph 24 have ended.

11 52. Invalidity Of Any Provision. Before declaring any provision of this Stipulation
12 invalid, the Court shall first attempt to construe the provisions valid to the fullest extent possible
13 consistent with applicable precedents so as to define all provisions of this Settlement valid and
14 enforceable.

15 53. Class Certification For Settlement Purposes Only. The Parties agree to stipulate to
16 class certification only for purposes of the Settlement. If, for any reason, the Settlement is not
17 approved, the stipulation to certification will be void. The Parties further agree that certification
18 for purposes of the Settlement is not an admission that class certification is proper under the
19 standard applied to contested certification motions and that this Settlement will not be admissible
20 in this or any other proceeding as evidence that (i) a class should or should not be certified, or (ii)
21 Defendant is or is not liable to the Class Representative or the putative Class Members.

22 54. Adding Class Claims For Settlement Purposes Only. Defendant agrees to stipulate
23 to allow Plaintiff to add Class claims against Defendant in the Action for the purpose of
24 effectuating the Settlement, as such was considered as part of the Parties' settlement negotiations.
25 If, for any reason, the Settlement is not approved and/or final approval is not granted as anticipated
26 in this Stipulation, Defendant reserves the right to object to the addition of Class claims against
27 Defendant.
28

55. All Terms Subject To Final Court Approval. All amounts and procedures described in this Stipulation shall be subject to final Court approval.

56. Execution Of Necessary Documents. All Parties shall execute all documents reasonably necessary to effectuate the terms of this Settlement.

57. Binding Agreement. The Parties intend that this Settlement shall be fully enforceable and binding on all Parties, and that it shall be admissible and subject to disclosure in any proceeding to enforce its terms, notwithstanding any mediation confidentiality provisions that otherwise might apply under federal or state law.

SUPERIOR COURT OF THE STATE OF CALIFORNIA
FOR THE COUNTY OF LOS ANGELES

NOTICE OF CLASS ACTION SETTLEMENT

PLEASE READ CAREFULLY AS
THIS NOTICE MAY AFFECT YOUR RIGHTS

TAMARA WHITMER, individually, in a Representative capacity, and on behalf of other members of the public similarly situated, Plaintiff, vs. USP MISSION HILLS, INC., a California Corporation, and Does 1-10, inclusive, Defendants.	CASE NO.: 20CHCV00209 JUDGE: Honorable David S. Cunningham DEPARTMENT: 11 NOTICE OF CLASS ACTION SETTLEMENT
--	---

I. WHY DID I GET THIS NOTICE?

This notice explains that a settlement has been reached in the case entitled *Tamara Whitmer v. USP Mission Hills, Inc.*, Case No. 20CHCV00209 (the “Action”).

This notice is to inform you of the proposed Settlement of the Action. The notice is also intended (i) to describe the Settlement, including how the Settlement monies will be allocated and how the Settlement may affect you; and (ii) to advise you of your rights and options with respect to the Settlement.

You are receiving this notice by order of the Court because the records of USP Mission Hills, Inc. (“USP Mission Hills”) indicate that you are a current or former USP Mission Hills employee who worked in California as a non-exempt employee during the time period of March 18, 2016 to **December 31, 2021** (the “Class”). As a result, **you are eligible to receive a portion of the settlement amount.**

This is **not** a notice of a lawsuit against you. **You are not being sued.** Your participation in the Settlement will **not** affect your employment with USP Mission Hills in any way whatsoever.

II. WHAT IS THE CLASS ACTION LAWSUIT ABOUT?

In March 2020, a former USP Mission Hills employee in California filed a lawsuit in which she alleged violations of California wage-and-hour laws on a representative basis as to all of USP Mission Hills’s current and former non-exempt employees in California, seeking civil penalties under the Labor Code Private Attorneys General Act of 2004, Cal. Lab. Code §§ 2698, *et seq.* (“PAGA”) for the following alleged violations: (1) meal and rest period violations; (2) minimum wage violations; (3) overtime violations; (4) wage statement violations; (5) failure to reimburse; and (6) failure to pay wages upon separation. The individual who is suing USP Mission Hills is referred to in this document as “Plaintiff.” Plaintiff’s attorneys, Sullivan & Yaeckel Law Group, APC, have been litigating the Action in State Court prior to this settlement.

As part of the settlement, USP Mission Hills has also agreed to allow Plaintiff to add claims to the Action on behalf of a Class of non-exempt California employees since March 18, 2016 for the alleged substantive legal violations stated above.

USP Mission Hills claims that the members of the Class have been paid all monies that were due to them, maintains that it has complied with California's wage-and-hour laws, and denies all wrongdoing.

The Court has not ruled on whether Plaintiff's allegations have any merit. However, in order to avoid the time and expense of further litigation, the ultimate outcome of which is uncertain, and to provide a fair and reasonable resolution of this legal dispute, Plaintiff and USP Mission Hills have negotiated a settlement whereby USP Mission Hills has agreed to pay **\$375,000.00** to resolve the matter. As a Class Member, you are eligible to receive a portion of this amount.

This settlement is **not** an admission by USP Mission Hills of any liability.

III. WHO IS INCLUDED IN THIS CLASS ACTION?

All persons who were employed by and worked for USP Mission Hills as non-exempt employees in California at any time during the time period of March 18, 2016 to **December 31, 2021** (the "Class Period").

IV. WHAT DOES THE PROPOSED SETTLEMENT OFFER?

Under the terms of the parties' proposed settlement, the following will occur if the settlement is given final approval by the Court:

USP Mission Hills will pay **Three Hundred Seventy-Five Thousand Dollars** (\$375,000.00) to settle the claims of all Class Members.

A settlement administrator has been appointed by the Court to administer the settlement. The settlement administrator will pay from the \$375,000.00: (1) Plaintiff's counsel's attorneys' fees, up to one-third of the settlement value (or \$125,000.00); (2) Plaintiff's costs of litigation, up to the amount of \$15,000.00; (3) The expenses of administering the settlement, up to the amount of \$6,750.00; (4) An enhancement award of up to \$5,000.00 for Plaintiff's role in pursuing the litigation; (5) the employer's share of payroll taxes on the wage portion of the settlement estimated in the amount of \$7,705.00; and (6) A payment of \$45,000.00 to the California Labor & Workforce Development Agency, representing 75% of the \$60,000.00 allocated to the settlement of Plaintiff's claim for civil penalties under PAGA. The remainder of the \$375,000.00 will be paid to the Class Members in settlement of their individual claims (the "Class Payment"). If your employment falls within the PAGA Period as described below you will also receive a separate payment for your share of \$15,000, which represents the 25% of the PAGA penalties allocated to the PAGA Members. Please Note: separate and aside from the \$375,000.00 total settlement that will be paid to settle the claims of all Class Members, an additional \$25,000.00 will also be paid to Plaintiff as a severance payment and in exchange for a complete release of all of Plaintiff's individual claims.

The Class Payment will be divided among all Class Members based on the estimated number of weeks worked for USP Mission Hills in non-exempt roles in California by each Class Member. That is, the Class Payment will be divided by the number of aggregate qualified weeks worked by all Class Members during the Class Period to produce a "Weekly Settlement Value." A "qualified week" is any week in which a Class Member was employed by and worked for USP Mission Hills in California in a non-exempt role during the Class Period. If you do not opt out of the settlement, you will be eligible to receive a settlement payment in the amount of the total number of qualified weeks you worked for USP Mission Hills in a non-exempt role during the Class Period multiplied by the Weekly Settlement Value, less applicable withholdings.

If the Court grants final approval of the settlement agreement and you do not opt out of the settlement, then, as of the date Defendant fully funds the Settlement, you will release USP Mission Hills and other Released Parties from any and all claims, actions, demands, causes of action, suits, debts, obligations, damages, rights or liabilities alleged in, or arising out of facts and claims asserted in, the operative Third Amended Complaint. This includes claims for unpaid wages (including claims for minimum wage, regular wages, and overtime compensation), meal and rest periods, failure to pay or calculate proper meal and rest period premiums (including claims for failure to pay premiums and failure to pay premiums at the correct rate of pay), unreimbursed business expenses, interest, penalties (including waiting time penalties pursuant to Labor Code sections 203 and 204, pay stub penalties pursuant to Labor Code section 226, recordkeeping penalties pursuant to Labor Code section 1174, and claims pursuant to all of the theories of relief described above, including but not limited to penalties relating to alleged violations of Labor Code sections 200, 201, 202, 203, 204, 218.5, 218.6, 226, 226.7, 510, 512, 558, 1194, 1194.2, 1197, 1197.1, 1198, 2800, and 2802, the Industrial Welfare Commission Wage Orders relating to claims for unpaid hours worked, meal periods and rest breaks, provision and maintenance of tools and equipment, and recordkeeping, and claims under Business and Professions Code sections 17200, *et seq.*, claims for attorneys' fees and costs, conversion, fraud, common count, and unfair business practices. Released Class Claims include all claimed or unclaimed compensatory, consequential, incidental, liquidated, punitive and exemplary damages, restitution, interest, costs and fees, injunctive or equitable relief, and any other remedies available at law or equity (including, to the extent permitted by law the FLSA), allegedly owed or available to the Class arising or reasonably flowing from the allegations contained in the Complaint, Third Amended Complaint against the Released Parties for the time period from the beginning of March 18, 2016 through up to and including December 31, 2021.

Please Note: If you worked for USP Mission Hills in California in a non-exempt role during the "PAGA Period," which is from January 6, 2019 to **December 31, 2021**, you may not opt-out of the portion of the Settlement relating to the settlement of claims under PAGA. Even if you opt-out of the Class Action, you will still receive a check for your share of the 25% allocation of PAGA penalties designated for Class Members who worked for USP Mission Hills in California as non-exempt employees during the PAGA Period. This payment will represent a payment for resolving disputed claims for civil penalties that were brought on your behalf. You will be bound by the PAGA portion of the release whether or not you cash this check. If you opt-out from the settlement (as described below), you will not be bound by the release of any claims that are not PAGA claims. This provision only applies to Class Members who worked within the PAGA Period as defined above.

1. If you worked during the PAGA Period, if approved by the Court, you will also be bound by a separate release of claims for all PAGA Members. For all Class Members who are also PAGA Members are deemed to release, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, the Released Parties from all claims for PAGA penalties that were alleged, or reasonably could have been alleged, based on the PAGA Period facts stated in the Operative Third Amended Complaint, and/or the PAGA Notice (attached as Exhibit 1 to the Third Amended Complaint including, "any and all claims involving any unpaid wages (including claims for minimum wage, regular wages, and overtime compensation), meal and rest periods, failure to pay or calculate proper meal and rest period premiums (including claims for failure to pay premiums and failure to pay premiums at the correct rate of pay), unreimbursed business expenses, interest, waiting time violations and pay stub penalties pursuant to Labor Code section 226.

V. WHAT ARE MY OPTIONS?

A. ***You may accept your share of the \$375,000.00 settlement and be bound by the release of all claims described above.*** Settlement awards will be paid by check after the settlement is given final approval by the Court. The checks will be mailed to you by the settlement administrator. Your check will remain valid and negotiable for one hundred eighty (180) days from the date on which it is issued. After those one hundred eighty (180) days expire, the check will become void; ***or***

B. ***You may exclude yourself from the settlement, in which case you will not receive your share of the settlement and you will not be bound by the settlement.*** If you choose to be excluded, by no later than [REDACTED] (45 calendar days after mailing of this Notice), you must send a written request for exclusion, by mail, to the settlement administrator, Phoenix Settlement Administrators, located at [REDACTED]. In order to be considered valid, your request for exclusion ***must*** include your name, your address, a request for exclusion, and your signature. If your notice comes back as undeliverable and is re-mailed you will have an additional 14 days from the original deadline to send in your request for exclusion. However, as noted above, if you are a Class Member who worked for USP Mission Hills in California as a non-exempt employee within the PAGA Period, you will still receive a share of PAGA penalties and be bound by the separate release for PAGA Members described above..

C. ***You may object to the settlement.*** The procedures for objecting to the settlement are described below in Section VIII of this form.

D. ***You may dispute the Calculation of Workweeks or PAGA Pay Periods (if applicable).*** If you disagree with the calculation of your settlement share as set forth in section VI below, you shall have 45 days after the Administrator mails the Class Notice (plus an additional 14 days for Class Members or PAGA Members whose Class Notice was re-mailed) to challenge the number of Class qualified weeks and PAGA Pay Periods (if any) allocated to the Class Member in the Class Notice. This deadline is _____. You may challenge the allocation by communicating with the Administrator via fax or mail. You are encouraged to submit supporting documentation as to why you think the workweek or Pay Period calculation is incorrect. In the absence of any contrary documentation, the Administrator is entitled to presume that the Workweeks and Pay Periods listed in section VI.(a) below are correct so long as they are consistent with the Defendant's employment data. The Settlement Administrator's determination of each Class Member's allocation of Workweeks and/or Pay Periods shall be final and not appealable or otherwise susceptible to challenge.

VI. WHAT ARE THE PROCEDURES FOR PAYMENT?

A. **The settlement administrator will** calculate your share of the settlement and will issue you a check. According to Defendant's records, you worked in the State of California for approximately **[INSERT NUMBER OF work weeks]** during the Class Period, which runs from March 18, 2016 through December 31, 2021. Your estimated class settlement amount is **<<AMOUNT>>**. This is only an estimate. Your actual share may change depending on the Court's final ruling and the final number of participating Class Members.

[IF APPLICABLE] Because you worked for Defendants between January 6, 2019, through December 31, 2021 (the PAGA Period), you will also receive a payment for PAGA claims ("PAGA Payment")

based on the number of pay periods worked. Defendant's records show you worked for [REDACTED] pay periods during this PAGA period. Your estimated PAGA settlement amount is \$ [REDACTED].

B. Thirty-three percent (33%) of your share of the settlement will be considered wages from which ordinary tax withholdings will be deducted. No tax deductions shall be made from the remaining sixty-seven percent (67%). If you are eligible for a PAGA payment, this will be allocated as 100% penalties and no tax deduction will be made from this amount. You will be given IRS tax forms for each of these amounts. You are responsible for paying the correct amount of taxes on each portion of your share of the settlement.

C. It is important for the parties to have your current address in order to be able to send you other mailings regarding the Action. You should contact the settlement administrator to report any change of your address after you receive this Notice. Failure to report a change of address may result in you not receiving your share of the settlement money.

VII. HEARING ON PROPOSED SETTLEMENT

2 8. As previously held in the Court's Preliminary Approval Order, the Court appoints as

FILED
Superior Court of California
County of Los Angeles

Sherri R. Carter, Executive Officer / Clerk of Court
By: M. Concepcion Deputy

COMES NOW Plaintiff TAMARA WHITMER (“WHITMER”), Individually, and on behalf of all other members of the general public similarly situated, and alleges for her Third Amended Complaint as follows:

PARTIES, JURISDICTION, AND VENUE

1. This Court has jurisdiction over this matter in that all parties are residents of, or do business within, the State of California and the amount in controversy exceeds the statutory minimum limit of this Court. The monetary damages and restitution sought by Plaintiff exceeds the minimal jurisdiction limits of the Superior Court and will be established according to proof at trial. Furthermore, there is no federal question at issue as Wage and Hour protections and remedies related thereto are based solely on California Law and Statutes, including the Labor Code, Civil Code, and IWC Wage Order(s). Also, the Ninth Circuit has held that, for purposes of establishing federal diversity jurisdiction, penalties pursuant to the Private Attorneys General Act of 2004 (“PAGA”) may **not** be aggregated. *Urbino v. Orkin Servs. of California, Inc.*, 726 F.3d 1118, 1122 (9th Cir. 2013).
2. Venue before this Court is proper in that Defendant USP MISSION HILLS, INC. (hereinafter, “USP” or “Defendants”) is a California Corporation, and is performing business in the state of California, and County of Los Angeles. Additionally, certain acts constituting the below violations were committed in the County of Los Angeles.
3. At all relevant times herein, Plaintiff WHITMER was and is an individual working in the County of Los Angeles, State of California.
4. Plaintiff is presently unaware of the true names, capacities and liability of Defendants named herein as DOES 1 through 10, inclusive. Accordingly, Plaintiff will seek leave of court to amend this complaint to allege their true names and capacities after the same have been ascertained.
5. Plaintiff is informed and believes and thereon alleges that each of the fictitiously named Defendants are responsible in some manner for the wrongs and damages as herein alleged, and in so acting was functioning as the agent, servant, partner, and employee of the co-defendants, and in doing the actions mentioned below, was acting within the course and scope of his or her

1 authority as such agent, servant, partner, and employee with the permission and consent of the
2 co-defendants. Plaintiff's injuries as herein alleged were proximately caused by said
3 Defendants. Wherever it is alleged herein that any act or omission was done or committed by
4 any specially named Defendant or Defendants, Plaintiff intends thereby to allege and does
5 allege that the same act or omission was also done and committed by each and every Defendant
6 named as a DOE, both separately and in concert or conspiracy with the named Defendant or
7 Defendants.

- 8 6. Plaintiff is informed and believes and thereon alleges that Defendants, and each of them,
9 including DOES 1 through 10, are and at all times herein mentioned were either individuals,
10 sole proprietorships, partnerships, registered professionals, corporations, alter egos or other
11 legal entities which were licensed to do and/or were doing business in the County of Los
12 Angeles, State of California at all times relevant to the subject matter of this action.

13 **FACTUAL BACKGROUND**

- 14 7. Plaintiff was employed by Defendants as a non-exempt employee, from approximately 2017
15 through October 2019. Throughout her employment with Defendants, Plaintiff performed her
16 job in a capable and competent manner, and was commended for doing so.
- 17 8. Throughout the term of her employment, Plaintiff and all other nonexempt employees were and
18 currently are denied the benefits and protections of the Labor Code due to Defendants'
19 institutionalized pay practices, standard as to all of Defendants' California-based, nonexempt,
20 non-union employees.

21 **CLASS ACTION ALLEGATIONS**

- 22 9. As more specifically set forth below, Plaintiff brings this action on behalf of an ascertainable
23 class and a well-defined community of interest among the class members. Code Civ. Proc. §
24 382; *Richmond v. Dart Industries, Inc.* (1981) 29 Cal.3d 426, 470. Throughout the operative
25 limitations period, Plaintiff and all other class members were denied the protections and
26 benefits of the Labor Code and Industrial Welfare Commission ("IWC") Wage Order(s) due
27 to Defendants' standard practices. Throughout their employment, Plaintiff and all other class
28 members were and are denied full and accurate compensation, including overtime

1 compensation, in violation of, *inter alia*, Labor Code sections 510 and 1194. Plaintiff and the
2 other class members were and are denied Meal and Rest Periods and Meal and Rest Period
3 payments, in violation of, *inter alia*, IWC Wage Order 4 (or any other applicable Wage Order)
4 and Labor Code sections 226.7 and 512. Defendants failed to furnish accurate itemized wage
5 statements in violation of, *inter alia*, Labor Code section 226. Defendants failed to reimburse
6 Plaintiff and other class members for necessary business expenditures in violation of, *inter*
7 *alia*, Labor Code section 2802.

8 10. Plaintiff brings this action on the grounds that she and other similarly situated current and
9 former employees of Defendants were and are improperly denied the mandated wages and
10 reimbursements resulting from the above-referenced violations. *Sav-On Drug Stores, Inc. v.*
11 *Superior Court* (2004) 34 Cal.4th 319. The class is believed to contain approximately One
12 Thousand (1,000) members.

13 11. The approximately One Thousand (1,000) member class is ascertainable via their experience
14 as Defendants' current or former California-based employees, designated as "nonexempt" by
15 Defendants.

16 12. Class members share a community of interest and an injury-in-fact as Defendants have violated
17 California compensation laws, depriving class members of money earned.

18 13. There are questions of fact and law common to the class that predominate over any questions
19 affecting only individual members. The questions of law and fact common to the class arising
20 from Defendants' actions include, without limitation, the following:

21 a. Whether Defendants failed to pay its employees the proper straight-time, overtime, and
22 double time wages due and owing to them;

23 b. Whether Defendants failed to provide its employees with statutorily-compliant Meal
24 and/or Rest Periods, in violation of, *inter alia*, California Labor Code section 512 and
25 226.7, in that Defendants written policies are not compliant with California law,
26 Defendants do not allow its employees duty-free breaks, and Defendants improperly
27 "round" employees recorded Meal Periods;

28 c. Whether Defendants failed to properly provide meal and rest break premiums in

- 1 accordance with law;
- 2 d. Whether Defendants failed to properly calculate and pay its employees overtime
- 3 compensation or Meal and Rest Period premiums in accordance with law by failing to
- 4 properly calculate, into the Regular Rate of Pay, the value of employee benefits;
- 5 e. Whether Defendants failed to properly reimburse its employees for necessary business
- 6 expenditures for, *inter alia*, cell phone costs and mileage, in violation of Labor Code
- 7 section 2802;
- 8 f. Whether Defendants failed to provide all compensation upon termination of
- 9 employment in violation of Labor Code sections 201-203, due, in part, to the fact that
- 10 Defendants failed to provide proper compensation for all hours worked, as discussed
- 11 above; and
- 12 g. Whether Defendants conduct constituted a violation of Business & Professions Code
- 13 section 17200 *et seq.*
- 14 14. The class on whose behalf this action is brought is so numerous that joinder of all parties
- 15 individually would be impracticable. Plaintiff brings the class action on behalf of
- 16 approximately One Thousand (1,000) nonexempt, California-based current and former
- 17 employees of Defendants who share a common or general interest, and it would be
- 18 impracticable for those employees to bring the action individually. Any variations in job
- 19 activities between the individual class members are legally insignificant to the issues presented
- 20 by this action since the central facts remain, to wit, Plaintiff and all other class members were
- 21 improperly denied the benefits and protections of the Labor Code and IWC Wage Order(s), by
- 22 and through Defendants' standard and institutionalized practices.
- 23 15. There are questions of law and fact common to the class. Plaintiff, and all class members,
- 24 were injured by Defendants' violations of the enumerated Labor Code sections and IWC Wage
- 25 Order(s). As these violations resulted from Defendants' standard and institutionalized
- 26 practices, questions of law and fact are common to the class.
- 27 16. Plaintiff's claims in this action are typical of the class whom Plaintiff generally represents.
- 28 The claims result from Defendants' standard and institutionalized practices, experienced by

- 1 Plaintiff and all other class members.
- 2 17. Plaintiff can fairly and adequately protect the interests of all the members of the class he
- 3 represents in this action. Any difference in job titles is immaterial, as Defendants used (and
- 4 uses) standard systems to compensate class members. Plaintiff's experience and knowledge
- 5 of Defendants' "wage and hour" practices, in addition to Plaintiff's familiarity with Defendants
- 6 pay policies pertaining to the class members he represents, entitles him to adequately and fairly
- 7 represent the class.
- 8 18. Common questions predominate over questions affecting individual class members. Plaintiff
- 9 and all other class members were improperly denied the benefits and protections of the Labor
- 10 Code and IWC Wage Order(s) by and through Defendants' standard and institutionalized
- 11 practices. Common questions of law or fact therefore "present a significant aspect of the case"
- 12 and are capable of resolution "in a single adjudication." *Hanlon v. Chrysler Corp.* (9th Cir.
- 13 1998) 150 F.3d 1011, 1022.
- 14 19. At all times mentioned herein, Defendants are and were "employers" as that term is used
- 15 within the relevant sections of the California Labor Code.

16 **FACTUAL BACKGROUND**

- 17 20. In or about 2017, Plaintiff commenced working for Defendants. Throughout her employment
- 18 with Defendants, Plaintiff has performed her job in a capable and competent manner, and has
- 19 been commended for doing so.
- 20 21. Throughout the term of her employment, Plaintiff and all other members of the Class action
- 21 were and currently are denied the benefits and protections of the Labor Code and IWC Wage
- 22 Order(s), due to Defendants' institutionalized pay practices, standard as to all California-based,
- 23 nonexempt employees.

24 **FIRST CAUSE OF ACTION**

25 **Meal and Rest Period Violations Pursuant to Labor Code §§ 226.7 and 512**
26 **Class Action**
(Individually, and on behalf of the Class against Defendants and DOES 1 through 10)

- 27 22. Plaintiff hereby incorporates by reference paragraphs 1 through 21 as though fully set forth
- 28 herein.

23. Labor Code section 1198 states:

The maximum hours of work and the standard conditions of labor fixed by the commission shall be the maximum hours of work and the standard conditions of labor for employees. The employment of any employee for longer hours than those fixed by the order or under conditions of labor prohibited by the order is unlawful.

Defendants violated this section by establishing working conditions below the standard of the applicable Wage Order.

24. Under applicable California law, “An employer may not employ an employee for a work period of more than five hours per day without providing the employee with a meal period of not less than 30 minutes [...] An employer may not employ an employee for a work period of more than 10 hours per day without providing the employee with a second Meal Period of not less than 30 minutes” Lab. Code § 512(a); see also 8 Cal. Code Regulations. § 11040 (11)(A). Unless the employee is relieved of all duty for a full thirty (30) minute meal period, the meal period shall be considered an “on duty” meal period and counted as time worked. 8 Cal. Code Regulations. § 11040 (11); *See Safeway v. Superior Court* (2015) 238 Cal.App.4th 1138, 1160.

25. California law requires employers to provide employees with a 10-minute rest break for every four hours worked, or “major fraction thereof.” 8 Cal. Code Regs. § 11050 (12).

26. An employer who fails to provide Meal or Rest Periods as required by an applicable Wage Order must pay the employee one additional hour of pay at the employee’s regular rate of pay for each workday that the Meal or Rest Period was not provided. Lab. Code § 226.7(b); 8 Cal. Code Regs. § 11040 (11), (12).

27. Within the operative time period, Defendants failed to possess compliant Meal and Rest Period policies.

28. For example, Defendants’ Rest Period policy and practice does not provide the right for employees to “leave the premises,” and actually requires the employees to “remain on premises for the duration of this rest period” where “coverage” issues require as such.

29. Defendants’ Meal and Rest Period policy also assumes that employees have “waived” the right to a legally-compliant Meal or Rest Period, or a Meal or Rest Period penalty payment, unless the employees complete a very specific process of formal notification to the Defendants.

- 1 30. Moreover, Defendants policies and practices preclude “duty-free” Meal and Rest Periods.
2 These institutional and established practices of Defendants are illegal, in that Plaintiff and all
3 other employees were denied proper and/or timely Meal and Rest Periods. As a final example,
4 Defendants are aware (or reasonably should be aware) that its own internal records evidence
5 illegal (*i.e.* “missing,” “short” or “late”) Meal and Rest Periods.
- 6 31. These violations are due, in part, to the fact that Defendants do not possess a legal Rest Period
7 policy or practice, as its Rest Period policy lacks required language, resulting in employees
8 failing to receive all Rest Periods legally due. Defendants do not provide Rest Periods, as
9 defined by California law. Further, Defendants have never provided a Rest Period penalty
10 payment to any employee.
- 11 32. Defendants also do not possess a legal Meal Period policy, and make no attempt to ensure that
12 its employees are either timely or wholly provided Meal Periods. The employees would often
13 either miss a Meal Period entirely, be provided a short or late Meal Period, or be provided only
14 one Meal Period, even when they were working in excess of 10 hours a day. Additionally,
15 Defendants failed to accurately record its employees actual start and stop times of Meal
16 Periods, in violation of the IWC Wage Orders. 8 Cal. Code Regs. § 11040 (7)(A)(3).
- 17 33. Moreover, Defendants’ policies and practices preclude “duty-free” Meal and Rest Periods, in
18 that the employees are required to remain “On Call” at all times, including during the Meal and
19 Rest Periods, in order to (among other reasons) respond to sudden “customer rushes.” These
20 institutional and established practices of Defendants are illegal, in that Plaintiff and all other
21 class members were denied proper and/or timely Meal and Rest Periods.
- 22 34. Defendants willfully failed and refused to pay Plaintiff and all other class members one
23 additional hour of pay at their regular rate of pay for all workdays that a Meal or Rest Period
24 was not provided, as required by Labor Code section 226.7 and IWC Wage Order 5 (11), (12).
- 25 35. Any payments made by Defendants for missed or late Meal Periods were not paid at an
26 employee’s regular rate in violation of Labor Code section 226.7 and the operative IWC Wage
27 Orders. Instead, these payments were made at an employee’s base rate and did not include the
28 value of, *inter alia*, additional compensation and/or employee benefits such as (for example)

Shift Differentials, and non-discretionary bonuses.

36. As a direct result of Defendants' willful failure and refusal to comply with the California Labor Code, Plaintiff and other employees have suffered injury, loss, and harm in a sum according to proof. On behalf of the class, Plaintiff hereby seeks compensatory damages, back pay (or penalty), prejudgement interest, and other remedies set forth below.

37. Plaintiff has incurred and continues to incur legal expenses and attorneys' fees. Plaintiff is presently unaware of the precise amount of these expenses and fees and prays leave of court to amend this Complaint when the amounts are more fully known.

SECOND CAUSE OF ACTION
Minimum Wage and Overtime Violations Pursuant to Labor Code §§ 510, 1194 and 1197
Class Action
(Individually, and on behalf of the Class against Defendants and DOES 1 through 10)

38. Plaintiff incorporates by reference paragraphs 1 through 37 as though fully set forth herein.

39. Throughout the applicable time period, Plaintiff and the other Class Members were denied the benefits and protections of the California Labor Code and IWC Wage Order(s) and were damaged thereby.

40. Defendants failed to pay its employees all compensation due, including overtime compensation, in violation of, among other statutes, Labor Code sections 510 and 1197. This failure was caused by several separate uniform practices of Defendants. This failure was caused by and through Defendants failure to maintain accurate Time Records (as required by California law), to the detriment of the employee. Specifically, although Defendants would receive "to-the-minute" start and end times (from its employees required actions), Defendants would thereafter alter - and deduct time from - the Time Records, prior to payment of compensation to the employees. Additionally, the right to receive the proper minimum wage and overtime compensation was impacted by Defendants knowingly failing to consider other work performed by the employees. Finally, Defendants' failed to keep accurate time records which reflected when its employees were actually working or under Defendants' control. These actions, and instructions, caused the employees to lose compensation, including the proper minimum wage and overtime compensation.

1 41. Additionally, Defendants failed to properly calculate Plaintiff's regular rate of pay for purposes
2 of overtime compensation such that the value of employee's benefits were not included in the
3 calculation of Plaintiff's regular rate of pay. Plaintiff is informed and believes and thereon
4 alleges that at all relevant times herein, Defendants failed to take into account the value of all
5 employee benefits (*i.e.* failure to calculate Shift Differentials and non-discretionary bonuses)
6 when calculating their regular rates of pay, for purposes of overtime compensation, in violation
7 of Labor Code section 510. Additionally, by altering its employees' time records, as referenced
8 above, Defendants alter the actual hourly rate of pay for its employees. Defendants do not
9 factor in this actual hourly rate, when calculating the overtime rate of pay, in violation of Labor
10 Code section 510.

11 42. Defendants failed to pay Plaintiff and all other class members all compensation due, including
12 Overtime Compensation, due in violation of, among other statutes, Labor Code section 510.
13 These violations occurred due to Defendants' illegal policies, referenced above, including the
14 failure to accurately record employee time worked, whereby employees experienced monetary
15 under-compensation. These violations also occurred as Defendants had several policies and
16 practices which required employees to work in excess of 8 hours, without receiving all
17 overtime (and/or double-time) compensation. The systematic failure to provide proper
18 overtime compensation is a violation of California law.

19 43. As a direct result of Defendants' willful failure and refusal to comply with the California Labor
20 Code, Plaintiff and other employees have suffered injury, loss, and harm all to their damages
21 in a sum according to proof. On behalf of the class, Plaintiff hereby seeks compensatory
22 damages, back pay (or penalty), prejudgement interest, and other remedies set forth below.

23 44. Plaintiff has incurred and continues to incur legal expenses and attorneys' fees. Plaintiff is
24 presently unaware of the precise amount of these expenses and fees and prays leave of court
25 to amend this Complaint when the amounts are more fully known.

THIRD CAUSE OF ACTION
Wage Statement Violations Pursuant to Labor Code § 226
Class Action
(Individually, and on behalf of the Class against Defendants and DOES 1 through 10)

45. Plaintiff hereby incorporates by reference paragraphs 1 through 44 as though fully set forth herein.

46. Throughout the applicable time period, Plaintiff and the other class members were denied the benefits and protections of the California Labor Code and IWC Wage Order(s) and were damaged thereby.

47. Defendants failed to provide Plaintiff and all other members of the Class action with accurate itemized wage statements in violation of, among other statutes, Labor Code section 226. These violations include, but are not limited to, Defendants failure to provide an accurate showing of the gross wages earned, in violation of Labor Code section 226(a)(1), due to under-payments caused by the “Regular” time and Overtime allegations listed above, Defendants failure to accurately identify all applicable regular and overtime (including double-time) rates of pay in violation of section 226(a)(9), and providing inaccurate representations of both “gross” and “net wages.”

48. As a direct result of Defendant’s willful failure and refusal to comply with the California Labor Code, Plaintiff and other employees have suffered injury, loss, and harm all to their damages in a sum according to proof. On behalf of the class, Plaintiff hereby seeks compensatory damages, back pay (or penalty), prejudgement interest, and other remedies set forth below.

49. Plaintiff has incurred and continues to incur legal expenses and attorneys’ fees. Plaintiff is presently unaware of the precise amount of these expenses and fees and prays for leave of court to amend this Complaint when the amounts are more fully known.

FOURTH CAUSE OF ACTION
Failure to Reimburse Pursuant to Labor Code § 2802
Class Action

(Individually, and on behalf of the Class against Defendants and DOES 1 through 10)

50. Plaintiff hereby incorporates by reference paragraphs 1 through 49 as though fully set forth herein.
51. Defendants failed to reimburse Plaintiff and all other Class Members for all necessary business expenditures incurred in direct consequence of the discharge of their duties in violation of, among other statutes, Labor Code section 2802. These expenditures are the result of, *inter alia*, Defendants' standard policies which require its employees to incur mileage costs without full reimbursement. Plaintiff and all other Class Members were also forced to incur cell phone costs, without reimbursement.
52. As a direct result of Defendants' willful failure and refusal to comply with the California Labor Code, Plaintiff and other non-exempt employees have suffered injury, loss, and harm all to their damages in a sum according to proof. On behalf of the class, Plaintiff hereby seeks compensatory damages, back pay (or penalty), prejudgement interest, and other remedies set forth below.
53. Plaintiff has incurred and continues to incur legal expenses and attorneys' fees. Plaintiff is presently unaware of the precise amount of these expenses and fees and prays for leave of court to amend this Complaint when the amounts are more fully known.

FIFTH CAUSE OF ACTION
Violation of Labor Code section 201-204 - Class Action
(Individually, and on behalf of the Class, against Defendants and DOES 1 through 10)

54. Plaintiff hereby incorporates by reference paragraphs 1 through 53 as though fully set forth herein.
55. Throughout the applicable time period, Plaintiff and the other class members were denied the benefits and protections of the California Labor Code and IWC Wage Order(s) and were damaged thereby.
55. As set forth above, Defendants failed (and continue to fail) to provide all wages due and owing to Plaintiff and all other class members throughout the course of their employment.

Defendants failed to provide Plaintiff and other nonexempt employees with all wages earned and unpaid at termination in violation of, among other statutes, Labor Code sections 201 through 203 and Labor Code section 204. These violations resulted from, among other unlawful actions, Defendants' willful failure to provide accurate and complete compensation to aggrieved employees under Labor Code sections 226.7, 510, 512, 1197, and 2802.

56. Labor Code section 203 and 204 each provide penalties for failing to pay wages earned timely or at the time of discharge. Accordingly, Plaintiff and all other former employees seek these penalties as relief for Defendants' violations.

57. As a direct result of Defendants' willful failure and refusal to comply with the California Labor Code, Plaintiff and all other class members have been damaged in an amount to be proven at trial.

58. Plaintiff has incurred and continues to incur legal expenses and attorneys' fees. Plaintiff is presently unaware of the precise amount of these expenses and fees and pray for leave of court to amend this Complaint when the amounts are more fully known.

SIXTH CAUSE OF ACTION

Violation of Business and Professions Code § 17200

Class Action

(Individually, and on behalf of the Class against Defendants and DOES 1 through 10)

59. Plaintiff hereby incorporates by reference paragraphs 1 through 58 as though fully set forth herein.

60. Plaintiff is a direct victim of Defendants' illegal and/or unfair business acts and practices referenced in this complaint, has lost money as a result of such practices, and brings this action both in his individual capacity and on behalf of Defendants' current and former California-based, nonexempt employees who share a common or general interest in the damages as a result of the illegal and/or unfair practices.

61. The approximately 1,000 member class is ascertainable via their experience as Defendants' current or former California-based, nonexempt employees. Class members share a community of interest and an injury-in-fact as Defendants have violated California compensation laws, thereby depriving class members of money earned. Based on the facts set forth above, it would

- 1 be impracticable to proceed in individual actions.
- 2 62. Plaintiff suffered an injury-in-fact pursuant to Business & Professions Code section 17204, and
3 lost money as a result of Defendants' illegal and/or unfair practices.
- 4 63. Plaintiff brings this action on behalf of an ascertainable class who share a community of
5 interest pursuant to Business & Professions Code section 17203 and Code of Civil Procedure
6 section 382 and who share a common or general interest in the damages as a result of the
7 illegal and/or unfair practices, in that those individuals on whose behalf the action is brought
8 have also lost money as a result of Defendants' practices, as set forth above, and that it would
9 be impracticable to proceed as an individual plaintiff action.
- 10 64. As set forth above, during the course of Plaintiff's employment, Defendants failed and refused
11 to properly pay Plaintiff and all other class members. Defendants also failed to comply with
12 fundamentally protective California laws including, but not limited to, Labor Code sections
13 201-203, 226, 226.7, 510, 512, 1194, and 2802, as well as IWC Wage Order 4, or any other
14 applicable Wage Order.
- 15 65. Business & Professions Code section 17200 *et seq.* prohibits any unlawful, unfair, or
16 fraudulent business act or practice.
- 17 66. Plaintiff's allegations herein are based upon Defendants' institutional business acts and
18 practices.
- 19 67. Defendants' acts and practices, as described herein above, are unlawful and unfair, in that they
20 violate the Labor Code and IWC Wage Order(s).
- 21 68. As a direct result of Defendants' unlawful and unfair business acts and practices, Plaintiff and
22 all other class members have been denied wages earned, and have therefore been damaged in
23 an amount to be proven. Accordingly, Plaintiff prays for restitution and injunctive damages
24 in an amount to be proven.
- 25 69. Plaintiff is informed and believes, and on that basis alleges, that Defendants' unlawful and
26 unfair business practices, alleged above, are continuing in nature and are widespread.
- 27 70. On behalf of the ascertainable class, Plaintiff respectfully requests an injunction against
28 Defendants to enjoin them from continuing to engage in the illegal conduct alleged herein.

- 1 71. On behalf of the ascertainable class, Plaintiff respectfully requests restitution damages.
- 2 72. Plaintiff has incurred and continue to incur legal expenses and attorneys' fees. Plaintiff is
- 3 presently unaware of the precise amount of these expenses and fees, and prays for leave of
- 4 court to amend this complaint when the amounts are more fully known.

5 **SEVENTH CAUSE OF ACTION**
6 **Violation of Labor Code § 2698 et seq. - Representative Action**
7 **(By Plaintiff in a Representative Capacity, Against Defendants and DOES 1 through 10)**

- 7 73. Plaintiff hereby incorporates by reference paragraphs 1 through 72 as though fully set forth
- 8 herein.
- 9 74. At all times mentioned herein, Defendants were subject to the Labor Codes and Industrial
- 10 Welfare Commission Wage Orders of the State of California, including, but not limited to,
- 11 California Labor Code section 2698 *et seq.*
- 12 75. Throughout the operative limitations period, Plaintiff and all other aggrieved employees were
- 13 denied the protections and benefits of the Labor Code and IWC Wage Order(s) due to
- 14 Defendants' standard practices. Said violations were set forth in the causes of action above and
- 15 are re-stated below.
- 16 76. Plaintiff has exhausted her administrative remedies and pre-filing requirements pursuant to
- 17 California Labor Code section 2699.3, and has also fulfilled all notice requirements under the
- 18 statute. To wit, on January 6, 2020, counsel for Plaintiff prepared and electronically submitted
- 19 a letter to the California Labor & Workforce Development Agency ("LWDA") via the
- 20 California Department of Industrial Relations' "PAGA Filing" website. A copy of the letter
- 21 was also mailed to Defendants, via USPS Certified Mail. The letter contained the specific
- 22 provisions of the California Labor Code violated by Defendants, as well as the facts and
- 23 theories in support of Plaintiff's claims. (Please see **Exhibit 1**)
- 24 77. The statutory time period for the LWDA to investigate and/or respond, and for the Defendant
- 25 employers to respond, has concluded, allowing Plaintiff to proceed with this litigation.
- 26 78. At all times mentioned herein, Defendants were and are "employers" as that term is used
- 27 within the relevant sections of the California Labor Code.
- 28 79. Throughout the Class Period, Defendants committed the above-referenced and incorporated

1 Labor Code and Wage Order violations against Plaintiff and the other employees. To wit,
2 throughout their employment, Plaintiff and all other class members were and are denied full
3 and accurate compensation, including overtime compensation, in violation of, *inter alia*, Labor
4 Code sections 510 and 1194. Plaintiff and the other class members were and are denied Meal
5 and Rest Periods and Meal and Rest Period payments, in violation of, *inter alia*, IWC Wage
6 Order 4 (or any other applicable Wage Order) and Labor Code sections 226.7 and 512.
7 Defendants failed to furnish accurate itemized wage statements in violation of, *inter alia*,
8 Labor Code section 226. Defendants failed to reimburse Plaintiff and other class members for
9 necessary business expenditures in violation of, *inter alia*, Labor Code section 2802.
10 Defendants failed to provide all compensation due at termination of employment in violation
11 of, *inter alia*, Labor Code sections 201 through 203.

12 80. As California Labor Code Section 2699 provides for civil penalties recoverable by Plaintiff on
13 behalf of herself and other aggrieved employees by and through Labor Code section 2699.3,
14 and as Plaintiff has complied with the pre-filing requirements, Plaintiff may recover the
15 penalties pursuant to Labor Code section 2699, as more specifically set forth in the below
16 Prayer For Relief

17 81. As a direct result of Defendants' failure to comply with the provisions of the Labor Code and
18 orders of the commission, Plaintiff and other employees of Defendants have been damaged in
19 an amount to be proved at trial.

20 82. Plaintiff seeks an award of statutory civil penalties for each underpaid employee of Defendants
21 pursuant to Labor Code sections 2699(a) for each of these employees.

22 83. Plaintiff also seeks an award of reasonable attorneys' fees and costs pursuant to Labor Code
23 section 2699(g)(1).

24 **PRAYER FOR RELIEF**

25 WHEREFORE, Plaintiff on her own behalf and on behalf of all members of the proposed
26 Class, prays for judgment as follows:

- 27 1. For an order certifying the proposed class(es);
28 2. For compensatory damages according to proof, as set forth under Labor Code sections 510,

- 1 1194, and 2802, among other statutes;
- 2 3. For penalties and restitution of wages according to proof, as set forth under Labor Code
- 3 sections 221, 226, 226.7, 450 and 1197.1, among other statutes;
- 4 4. For penalties pursuant to Title 8, California Code of Regulations, Wage Order 4 (or any
- 5 applicable Wage Order);
- 6 5. For lost back pay in an amount to be proven;
- 7 6. On behalf of the ascertainable Class, for a permanent injunction against Defendants restraining,
- 8 preventing, and enjoining Defendants from engaging in the illegal practices alleged, and to
- 9 ensure compliance with, among other employee protections, Labor Code sections 226, 226.7,
- 10 510, 512, 1197, and 2802;
- 11 7. On behalf of the ascertainable Class, for restitution damages on behalf of the section 17200
- 12 claimants who share a common or general interest;
- 13 8. Where available, for liquidated damages pursuant to Labor Code section 1194.2;
- 14 9. For an award of interest, including prejudgment interest, pursuant to Labor Code section
- 15 218.6;
- 16 10. For an award of attorneys' fees and costs of suit herein pursuant to Labor Code sections 218.5,
- 17 226, 1194, 2802 and Code of Civil Procedure section 1021.5; and
- 18 11. For such other relief as the Court deems just and proper.

19 **DEMAND FOR JURY TRIAL**

20 Plaintiff hereby requests that this matter be heard and decided by trial by jury.

Re: Tamara Whitmer v. USP Mission Hills, Inc., et al.
Our File Number: 7161

Dear Administrator:

Please allow this correspondence to serve as "written notice," as required by California Labor Code section 2699.3(a)(1), of the specific provisions of the California Labor Code believed to have been violated by USP Mission Hills, Inc. ("USP"), in the above referenced matter.

This "written notice" is filed on behalf of Ms. Tamara Whitmer and all non-exempt employees employed by USP. Thank you for your assistance and instruction on this issue.

The specific provisions alleged to have been violated by USP are as follows:

CALIFORNIA LABOR CODE SECTIONS 201-203, 226, 226(a), 226.7, 510, 512, 1194 and 2802, as well as IWC Wage Order 4 or any other applicable wage order, codified as Title 8, California Code of Regulations, section 11040 et seq.

Facts and theories supporting the allegations: Our client, Tamara Whitmer, worked as a non-exempt employee for USP from October 2, 2017 through October 2019.

Throughout the term of her employment, USP required Ms. Tamara Whitmer, and all other non-exempt employees, to experience actions illegal under the California Labor Code, including the following:

Failure to Provide Compliant Meal Periods

- USP failed to provide compliant meal periods or requisite meal period penalty payments, in violation of, inter alia, Labor Code sections 226.7, 512, and IWC Wage

Order 4.

- For example, USP does not possess a legal meal period policy, and makes no attempt to ensure that its employees are either timely or wholly provided meal periods. The employees would often either miss a meal period entirely, be provided a short or untimely meal period. USP would pressure its employees to either skip, or cut short, a meal period as employees were expected to respond to supervisors and remain on the premises. Over the course of her employment, Ms. Whitmer was instructed numerous times to remain available during her meal periods. USP has never provided a compliant meal period penalty payment to any employee on the above referenced instances.
- USP illegally retained control over its employees during Meal Periods. For example, USP required Ms. Whitmer and other employees to "remain on the premises," and to remain "On Call" (*i.e.* monitor their telephones) at all times, including during Meal Periods.

Failure to Provide Compliant Rest Periods

- USP failed to provide compliant rest periods or requisite rest period penalty payments, in violation of, *inter alia*, Labor Code sections 226.7, 512, and IWC Wage Order 4. For example, USP does not possess a legal rest period policy and makes no attempt to ensure that its employees are either timely or wholly provided rest periods. The employees would often either miss a rest period entirely, be provided a short or untimely rest period, or be provided only one rest period, even when they were working in excess of 6.5 hours a day. USP would pressure its employees to either skip, or cut short, a rest period as employees were expected to respond to supervisors at all times. USP has never provided a compliant rest period penalty payment to any employee on the above referenced instances.
- USP illegally retained control over its employees, during Rest Periods. For example, USP required its employees to "remain on the premises," and to remain "On Call" (*i.e.* monitor their telephones) at all times, including during Rest Periods.

Minimum Wage and Overtime Violations

- USP failed to provide all compensation, including minimum wage and overtime compensation, to its employees in violation of, *inter alia*, Labor Code sections 1194 and 510 and the IWC Wage Order 4. This illegal action is due, in part, to USP's policies of (1) failing to properly retain accurate Time Records, in violation of California law, and (2) failing to provide compensation (including both minimum and overtime compensation) for all time worked by the employees, or in control of the employer. For instance, USP would instruct Ms. Whitmer to report her scheduled (as opposed to actual) work hours, resulting in a loss of compensation. Additionally, USP would often require Ms. Whitmer to work extended hours (beyond her

scheduled hours), without compensation.

Finally, USP failed to properly calculate the legal Overtime Rate of Pay, by (among other issues) failing to consider certain non-discretionary forms of compensation (including, but not limited to bonuses).

Wage Statement Violations

- USP violated Labor Code section 226(a)(1) by failing to furnish an accurate showing of the gross wages earned by its employees. For example, USP (a) would not provide compensation for all hours and minutes worked, (b) would use an improper (and lesser) Overtime Rate of Pay, and (c) would fail to pay Meal and/or Rest Period Penalties when due.
- USP violated Labor Code section 226(a)(2) by failing to furnish an accurate showing of all hours worked at each hourly rate by the employee. Ms. Whitmer and the other employees were not compensated for all hours worked (due in part to USP's requirement for employees to list only scheduled work-times, not actual work-times.)
- USP violated Labor Code section 226(a)(5) by failing to furnish an accurate showing of the net wages earned by its employees. For example, USP (a) would not provide compensation for all hours and minutes worked, (b) would use an improper (and lesser) Overtime Rate of Pay, and (c) would fail to pay Meal and/or Rest Period Penalties when due.
- USP violated Labor Code section 226(a)(8) by failing to provide an accurate showing of the name and address of the legal entity that is the employer.
- USP violated Labor Code section 226(a)(9) by failing to furnish an accurate showing of all applicable hourly rates, in effect during the pay period and the corresponding number of hours worked at each hourly rate by the employee. Ms. Whitmer and the other employees were not compensated for all hours worked.

Failure to Provide Compliant Expense Reimbursement Payments

- USP failed to provide compliant expense reimbursement payments in violation of, inter alia, Labor Code section 2802, by failing to provide payments for expenses incurred by Ms. Whitmer and other non-exempt employees, including expenses for cell-phone costs, other necessary work supplies, and mileage.

Willful Failure to Provide All Compensation to Ex-Employees

- USP failed to provide all compensation upon termination of employment in violation of Labor Code sections 201-203, due, in part, to the fact that USP failed to provide proper compensation for all hours worked, and failed to pay full Meal or Rest Period penalties, as discussed above. Ms. Whitmer was terminated in October, 2019, and did not receive all wages due and owed to her.

To confirm, the USP entity is a "person" as defined within California Labor Code section 18.

Again, thank you for your assistance and instruction throughout this matter. Should you have any questions or comments, please do not hesitate to contact the undersigned.
