DECLARATION OF FRANKLIN AMOG

I, Franklin Amog, declare as follows:

1. I am an individual over the age of 18. I am the named plaintiff in the above-referenced action. I have personal knowledge of the facts set forth below and if called to testify I could and would do so competently.

2. During the period of about May 2017 to April 12, 2019, I worked as a non-exempt, hourly employee for El Camino Hospital ("Defendant").

3. During my employment with Defendant, I received shift differential and per diem wages. Whenever I was paid shift differential and/or per diem wages, the wage statements I received did not identify the correct total hours worked.

4. I understand that the class claims alleged in this action were brought on behalf of other similarly situated employees, and that I am acting as a representative for the Class. As the Class Representative, I understand that it is my responsibility to act in the Class' best interest and not my own. I am not aware of any conflicts that exist between my interest and the interests of the Class that would impair or affect my ability to serve as representative for the Class.

5. I have taken all necessary steps to represent the interests of the Class. I met with my attorneys on various occasions to discuss the case. I provided my attorneys with documents and information related to my employment.

6. I am aware and have been aware from the inception of the case, that there is the risk that if I do not win my case, then I could be liable for Defendant's litigation costs. I accepted that risk in this case. I also understood that an individual case would have resolved much faster than a class action and involved much less financial risk than a class action.

7. I am proud of the result and accomplishment of this lawsuit. I feel that it is a positive accomplishment and understand that other people will benefit because of the actions that I have taken. I have reviewed the terms of the Settlement Agreement with my attorneys, and I believe that the class settlement is fair, adequate, and reasonable.

1 I declare under penalty of perjury under the laws of the State of California that the
2 foregoing is true and correct.

3 Executed on this ²⁸ day of May 2021, at Los Angeles, California.
