Complaint Filed: March 4, 2020

DECLARATION OF FAHEEM KHAN

I, Faheem Khan, declare as follows:

1. I am an individual over the age of 18 years old and am a resident of California. I am the named Plaintiff in this matter. I have personal knowledge of the facts set forth below and if called to testify I could and would do so competently.

2. I worked for Defendant Amy's Kitchen, Inc. ("Defendant") as a Manufacture Operator from in or about 2014, until on or about August 30, 2019. During my employment with Defendant, I was a non-exempt employee, and was paid hourly.

3. During my employment, I was paid shift differential wages. Whenever I was paid shift differential wages, Defendant issued corresponding wage statements that did not identify the hourly rates of pay and number of hours worked for said shift differential wages.

4. I understand that this action was brought on behalf of all other employees in the State of California, and that I am acting as a representative for the Class. As the class representative, I understand that it is my responsibility to act in the best interest of the Class and not my own. I agree that I will not put my own interests ahead of the Class, and that I will not settle out my claims separately or independently from the Class. Moreover, I am not aware of any conflicts that exist between my interests and the interests of the Class that would impair or affect my ability to serve as representative for the Class.

5. I have and continue to be willing to assist in the investigation of this matter, including meeting and/or discussing the case with my attorneys, providing necessary information and documents, making myself available for trial or any further proceedings in this matter as required to represent the interests of the Class. I also understand my duties and responsibilities to the proposed Class and will carry out those duties as necessary.
