1 documents as I could. I spent at least 33 additional hours speaking with my attorneys about the
2 case, identifying potential witnesses, providing my attorneys with documents and information
3 concerning the case, and also describing policies, practices, and procedures of Hartwell.

4 5. As far as the settlement is concerned, I was available to review documents and
5 answer any questions my attorneys had. I spent about 5 hours reviewing the settlement
6 agreement and about 4 hours asking questions and discussing the settlement with my attorneys
7 before signing the settlement agreement.

8 6. I believe that I have done everything that my attorneys have asked of me and have
9 tried, to the best of my ability, to represent the class. I think my efforts helped to get the result
10 obtained in this case, and as a class representative, I respectfully request that the Court award me
11 a service payment in the amount of \$12,000 for my active participation in this case. Taking into
12 consideration the time that I have dedicated to this case, I believe that this amount is reasonable.

13 7. I am not related to anyone associated with Lawyers for Justice, PC.

14 8. I have not entered into any undisclosed agreements, nor have I received any
15 undisclosed compensation in this case. The only compensation I will receive is whatever amount
16 the Court awards as a service payment, as well as my share of the settlement fund as a class
17 member.

18 I declare under penalty of perjury under the laws of the State of California that the
19 foregoing is true and correct.

20 Executed this 21 day of March 2020, at Orange, California.
