1                    **STIPULATION AND AGREEMENT OF COMPROMISE AND SETTLEMENT**

2                    This Stipulation and Agreement of Compromise and Settlement (“Settlement Agreement”) is made  
3 and entered into between the Class Representatives, Enrique Ruiz, Milton Quinones and Geomara  
4 Espinoza (collectively “Plaintiffs” or “Class Representatives”), individually and on behalf of the Class (as  
5 defined below), by and through their respective counsel of record, Harris & Ruble, and The Kick Law  
6 Firm (collectively, “Class Counsel”), on the one hand, and Trans International Trucking, Inc.  
7 (“Defendant”), by and through its counsel of record, Greenberg Traurig (“Defense Counsel”), on the other  
8 hand, and is subject to the approval of the Court, as provided below. This Settlement Agreement is  
9 intended by Plaintiffs and Defendant to fully, finally, and forever resolve, discharge, and settle the  
10 Released Claims (as defined below), upon and subject to the terms and conditions hereof, as follows:

11                    **1. Definitions.** As used herein, for the purposes of this Settlement Agreement only, the  
12 following terms shall be defined as set forth below:

13                    **1.1. “Actions”** mean the above-captioned related matters entitled Enrique Ruiz,  
14 individually and on behalf of all others similarly situated, against Trans  
15 International Trucking, Inc., Defendant filed in the Superior Court for the State of  
16 California, County of Los Angeles, Case No. 20STCV03790 and Milton  
17 Quinones, individually, and on behalf of all others similarly situated v. Trans  
18 International Trucking, Inc., Defendant, filed in the Superior Court of the State of  
19 California, County of Los Angeles, Case No. 20STCV20147. (In order to facilitate  
20 approval of this settlement, the parties agree to file a stipulation to file an amended  
21 complaint so that the cases may be consolidated for settlement purposes only.)

22                    **1.2. “Opt Out and Exclusion Deadline”** refers to a date that is sixty (60) days **after**  
23 the Notice Date, as such date may be modified by the Court.

24                    **1.3. “The Class”** refers to all persons or entities that provided transportation services  
25 to Defendant in California and were paid as Independent Contractors during the  
26 period May 10, 2019 through preliminary approval. The Class is estimated to  
27 consist of approximately 150 members. For purposes of this Agreement only,  
28 Defendant stipulates to conditional certification of a Settlement Class for purposes

of resolving the claims at issue in the Actions.

1.4. **“Class Counsel”** refers to the attorneys of record for the Class Representatives, *i.e.*, Harris & Ruble and The Kick Law Firm. For purposes of this Agreement only, Defendant stipulates to the appointment of Class **Counsel** as Counsel for the Settlement Class.

1.5. **“Class Member”** refers to any member of the Class, as that term is defined herein.

1.6. **“Class Notice”** refers to the form of direct-mail notice to Class **Members**, substantially in the form attached hereto as “Exhibit A,” as may be modified by the Court.

1.7. **“Class Payment”** shall be defined as the portion of the Net Settlement Amount that will be paid to Class Members who do not opt out in accordance with the procedures set forth herein and as ordered by the Court.

1.8. **“Class Representatives”** refers to Plaintiffs Enrique Ruiz, Geomara Espinoza and Milton Quinones. For purposes of this Agreement only, Defendant stipulates to the appointment of Plaintiffs Enrique Ruiz, Geomara Espinoza and Milton Quinones as the Class Representatives for the Settlement Class.

1.10. **“Effective Date”** refers to the date by which the last of the following has occurred: (1) the Settlement Agreement has been executed by all Parties, Class Counsel and Defense Counsel; (2) the Court has given preliminary approval to the Settlement Agreement; (3) the Notice of Class Action Settlement has been given to the putative members of the Settlement Class, providing them with an opportunity to object to the terms of this Settlement Agreement or to opt out of the Settlement Agreement; (4) the Court has held a formal Final Fairness Hearing and entered a Final Approval Order and Judgment certifying the Settlement Class, and approving the Settlement Agreement; (5) 65 calendar days have passed since the Court has entered a final

Order and Judgment certifying the Settlement Class, and approving the Settlement Agreement; and (6) in the event there are written objections filed prior to the Final Fairness Hearing which are not later withdrawn or denied, the later of the following events: five (5) business days after the period for filing any appeal, writ or other appellate proceeding opposing the Court's Final Approval Order and Judgment approving the Settlement Agreement has elapsed without any appeal, writ or other appellate proceeding having been filed; or, if any appeal, writ or other appellate proceeding opposing the Court's Final Approval Order and Judgment approving the Settlement Agreement has been filed, five (5) business days after any appeal, writ or other appellate proceedings opposing the Settlement Agreement has been finally and conclusively dismissed with no right to pursue further remedies or relief. For purposes of determining the Effective Date, the Settling Parties agree that only California Courts have jurisdiction over any such appeals, except for any appellate procedure over which the United States Supreme Court may exercise jurisdiction.

1.11. **"Final Fairness Hearing"** refers to the hearing at which the Court will make a final determination whether the terms of the Settlement Agreement are fair, reasonable, and adequate for the Class and meet all applicable requirements for approval, and, if the Settlement is so approved, whether a judgment should be entered thereon, whether the Class Representatives' application for an enhancement should be granted, and whether an application by Class Counsel for an award of reasonable attorneys' fees and reimbursement of Class Counsel's reasonable costs and expenses should be granted.

1.13. **"Gross Settlement Amount"** refers to the non-reversionary settlement amount Defendant shall be required to pay, Two Hundred and Ninety-Five Thousand Dollars (\$295,000.00). The Gross Settlement Amount includes all payment of any kind which Defendant shall be obligated to pay.

1           **1.14. “Judgment”** refers to the final order and judgment by the Court approving the  
2           settlement consistent with the California Rules of Court, Rule 3.769(h).

3           **1.15. “Net Settlement Amount”** shall be defined as the Gross Settlement Amount, less  
4           the amounts awarded by the Court for attorneys’ fees, litigation costs, settlement  
5           administration expenses, PAGA Payment, and service payments to the Class  
6           Representatives as provided for in Paragraphs 3.1 – 3.6. The Net Settlement  
7           Amount is the amount that shall be made available to Class Members. The Net  
8           Settlement Amount is non-reversionary and shall be distributed in its entirety to the  
9           Participating Class Members in the Class.

10          **1.16. “Notice Date”** refers to the date ordered by the Court for the dissemination of the  
11          Notice of Proposed Settlement of Class Action (“Notice” or “Notice Packet”) by  
12          direct mail, a date that is expected to be within 45 calendar days after the  
13          Preliminary Approval Order Date. The envelope containing the Notice Packet shall  
14          have the following language affixed to the outside of the envelope below the  
15          Administrator’s address:

23          the Preliminary Approval Order.

24          **1.20. “Settlement Administrator”** refers to an independent third-party that will be

28          **1.21. “Settlement Agreement”** refers to this Stipulation and Agreement of Compromise

and Settlement and exhibits, and any permitted and executed amendments hereto.

**1.22. “Settlement Sum”** refers to the amount that shall be payable to each Class Member as determined in accordance with the provisions of Paragraph 2.2.

**1.23. “Settling Parties”** refers to Plaintiffs, the Class Members, and Defendant.

**1.24. “Work Weeks”** means the total number of weeks during the Class Period, May 10, 2019 through preliminary approval, during which Class Members worked performing transportation services and were treated as Independent Contractors by Defendant and shall be calculated on the basis of each five days worked constituting a Work Week. The total number of workdays worked by each Class Member will be divided by 5 and rounded down to the nearest whole number to determine his/her/its total Work Weeks. Only Work Weeks during the period from May 10, 2019 through the date of preliminary approval (the “Class Period”) shall be relevant for determining the members of the Class, the period covered by the Release, and the calculation of Settlement Awards.

## **2. Payment to Class Members.**

**2.1.** Defendant shall make available to the Settlement Administrator for payment to Class Members who do not timely and validly opt out (“Participating Class Members”), the Net Settlement Amount as defined in Paragraph 1.15. Defendant agrees to pay the Gross Settlement Amount, as may be adjusted by events described in Paragraph 1.14, which includes the sum of the attorneys’ fees awarded under Paragraph 3.1, the litigation expenses awarded under Paragraph 3.2, the PAGA Payment under Paragraph 3.6, and the service payment to the Class Representatives awarded under Paragraph 3.3. Funds associated with Class members who do not submit timely written requests for exclusion from the Settlement shall become part of the Net Settlement Amount available to be distributed to the timely Participating Class Members.

**2.2.** The Net Settlement Amount shall be available to pay Class Members who do not timely opt out based on the Class Member’s number of Work Weeks worked during

1 the Class Period. The Participating Class Members' individual Settlement awards  
2 will be determined by first dividing the Net Settlement Amount by the total number  
3 of Work Weeks worked by the entire Class during the Class Period, resulting in the  
4 Work Week Value. The Work Week Value will then be multiplied by the number  
5 of Work Weeks worked by each Participating Class Member during the Class  
6 Period to arrive at their individual Settlement awards. The Notice Packet sent to  
7 each Class Member shall be individualized and include information upon which his  
8 or her payment is calculated, *i.e.*, the number of Work Weeks worked during the  
9 Class Period, and the estimated amount to be paid to that Class Member based on  
10 this calculation. The Settlement Administrator shall endeavor to make the payments  
11 to the Participating Class Members within seven (7) days of the Effective Date,  
12 provided that the Settlement is funded by Defendant on the Effective Date.

13 **3. Additional Benefits to the Class.**

14 **3.1. Attorneys' Fees.** Attorneys' fees awarded to Class Counsel will be paid out of the  
15 Gross Settlement Amount. Class Counsel shall apply to the Court for approval of  
16 an award of attorneys' fees in an amount that will not exceed one third of the Gross  
17 Settlement Amount, (estimated to be \$98,333.00), in accordance with the  
18 applicable legal precedents therefore, and conditioned upon the Settlement's  
19 Effective Date. As long as the total amount requested or awarded does not exceed  
20 one third of the Gross Settlement Amount, Defendant agrees not to oppose the  
21 application for attorneys' fees and to pay such amounts as requested by Class  
22 Counsel and awarded by the Court, up to one-third of the Gross Settlement Amount.  
23 Payment shall be made jointly to Harris & Ruble and The Kick Law Firm, with the  
24 amount to be split equally between both firms, within seven (7) days of the  
25 Effective Date as defined in Paragraph 1.11. Class Counsel shall not apply to the  
26 Court for an award of attorneys' fees that is greater than the amounts set forth in  
27 this Settlement Agreement, and, in no event shall Defendant be required to pay  
28 Class Counsel more than one third of the Gross Settlement Amount in attorneys'

1 fees. Any reduction by the Court in attorneys' fees awarded to Class Counsel will  
2 revert to the Net Settlement Amount and be available to pay Participating Class  
3 Members in accordance with Paragraph 2.2. Attorneys' fees were not negotiated  
4 until a settlement was reached as to all major issues pertaining to the claims of the  
5 Class.

6 **3.2. Litigation Expenses.** Litigation expenses awarded to Class Counsel will be paid  
7 out of the Gross Settlement Amount so long as those expenses do not exceed  
8 \$17,500.00. Class Counsel shall apply to the Court for approval of an award of  
9 expenses in an amount not to exceed \$17,500.00 in accordance with the applicable  
10 legal precedents therefore, and conditioned upon the Settlement reaching its  
11 Effective Date. Should Class Counsel's litigation expenses awarded be less than  
12 \$17,500.00, the difference will revert to the Net Settlement Amount and be  
13 available to pay Participating Class Members in accordance with Paragraph 2.2.  
14 Defendant agrees not to oppose the application for expenses and to pay such  
15 amounts as requested by Class Counsel and awarded by the Court, up to  
16 \$17,500.0. Payment shall be made jointly to the Harris & Ruble and The Kick  
17 Law Firm in the amount of their respective actual costs, within seven (7) days of  
18 the Effective Date. Expenses were not negotiated until a settlement was reached as  
19 to all major issues pertaining to the claims of the Class.

20 **3.3. Additional Compensation to Class Representatives.** Class Counsel will petition  
21 the Court for a service payment to the Class Representatives to compensate them  
22 for their initiation and prosecution of the above-captioned Actions, work  
23 performed, risks undertaken for the payment of attorneys' fees and costs had this  
24 matter not resolved favorably, and their time and energy devoted to serving as Class  
25 Representatives. Class Counsel's application for service payment to the Class  
26 Representatives will not exceed \$15,000.00, i.e. \$5,000.00 each. As long as the total  
27 amount requested or awarded does not exceed \$15,000.00 for the Class  
28 Representatives to be split equally between the Class Representatives, Defendant

1 agrees not to oppose the application for the service payment and to pay the amount  
2 awarded by the Court out of the Gross Settlement Amount. An IRS Form 1099 will  
3 be provided for the amount paid as the Class Representatives' service payments.  
4 The service payment shall be independent of any other benefits to which the Class  
5 Representatives may be entitled as a Class Member pursuant to this Settlement  
6 Agreement and plan of allocation. The service payment to the Class  
7 Representatives will be paid within seven (7) days after the Effective Date. Any  
8 reduction by the Court in the service payment awarded to the Class Representatives  
9 will revert to the Net Settlement Amount and be available to pay Participating Class  
10 Members in accordance with Paragraph 2.2. The service payments shall be in  
11 addition to the Class Representatives' allocated Settlement Sum to be paid to them  
12 from the Net Settlement Amount.

13 **3.4. Notice and Administration Costs.** Administration costs will be paid to the  
14 Settlement Administrator as ordered by the Court, from the Gross Settlement  
15 Amount within seven (7) days of the Effective Date. Class Counsel will apply for  
16 payment to the Settlement Administrator for all work performed in administering  
17 the Settlement described in this Settlement Agreement, and as customarily  
18 performed by Settlement Administrators. The administration costs are estimated to  
19 be approximately \$12,000.00. In the event the cost of administration exceeds  
20 \$12,000.00, Defendant will not be required to pay more than the Gross Settlement  
21 Amount, but the extra administration costs shall come from the Gross Settlement  
22 Amount.

23 **3.5. Limitation on Litigation Costs and Attorneys' Fees.** Except as provided in this  
24 Settlement Agreement, Defendant shall not be required to pay any other expenses,  
25 litigation costs, damages or fees incurred by the Class Representatives, by any Class  
26 Member, or by any of their attorneys, experts, advisors, agents or representatives  
27 in relation to the Actions. Any award of attorneys' fees, litigation costs and  
28 expenses payable hereunder to Class Counsel shall be in complete satisfaction of

any and all claims for such attorneys' fees, costs and expenses, under state or federal law, which the Class Representatives, the Class, Class Counsel, or any other attorneys have or may have against Defendant arising out of or in connection with the Actions and its Settlement, including, but not limited to, any claims for attorneys' fees, costs and expenses involved in litigating the Actions and in negotiating and implementing this Settlement Agreement, as well as attorneys' fees, costs and expenses incurred through and after the final disposition and termination of the Actions and including any and all appeals.

**3.6. Payment to the California Labor and Workforce Development Agency.** The Parties shall apply to the Court for approval of payment under the California Private Attorneys General Act ("PAGA"). The amount of \$10,000.00 (the "PAGA Payment") shall be paid from the Gross Settlement Amount for penalties under PAGA, \$7,500.00 of which will be paid directly to the LWDA, the other \$2,500.00 will be included in the Net Settlement Amount. In the event the LWDA rejects this allocation, the Parties will meet and confer with the Court and the LWDA to reach a penalty allocation acceptable to all parties that does not materially alter the terms of Settlement, nor require Defendant to pay more than the Gross Settlement Amount. The payment of the PAGA amount to the LWDA shall be done within seven (7) days of the Effective Date. The portion of the PAGA Payment to the Class shall be made in proportion to the number of Work Weeks worked by the Class Members.

**3.7. Persons Objecting to the Settlement.** Neither Defendant nor the Class shall be responsible for fees, costs or expenses related to any Class Members who submit objections to the Settlement Agreement or any appeal by an objector arising from the Actions for attorneys' fees, costs, or expenses of any kind. Any Class Member who elects to exclude himself or itself from the Settlement shall not have standing to submit an Objection.

**3.8. Uncashed Checks.** Any funds associated with checks that have not been cashed

1 within 180 days, will become void and the individual Settlement Amount  
2 associated with that un-cashed check shall be sent to the California State  
3 Controller's Office: Unclaimed Property Fund in the name of the Participating  
4 Class Member.

5 **4. No Admissions.** The Settling Parties understand and agree that this Settlement Agreement  
6 is the result of a good faith compromise settlement of disputed claims, and Defendant is entering into this  
7 Settlement Agreement solely to resolve doubtful and disputed matters. No part of this Settlement  
8 Agreement or any conduct or written or oral statements made in connection with this Settlement and this  
9 Settlement Agreement, whether or not the Settlement is finally approved and/or consummated, may be  
10 offered as or construed to be an admission or concession of any kind by Defendant or any of the Releasing  
11 or Released Parties or anyone else. In particular, but without limiting the generality of the foregoing,  
12 nothing about this Settlement Agreement shall be offered or construed as an admission that Defendant has  
13 failed to pay any Class Member in accordance with obligations set forth in the California Labor Code, or  
14 of liability in general, or any wrongdoing, impropriety, responsibility, or fault whatsoever on the part of  
15 Defendant and/or the Released Parties, as alleged in the operative Complaint in this matter. Similarly,  
16 nothing about this Settlement Agreement shall be construed as or deemed to be evidence of, or an  
17 admission or concession that the Class Representatives or any Class Member has suffered any damage. In  
18 addition, this Settlement Agreement shall not be offered or be admissible in evidence against Defendant  
19 or any Released Party, except in any action or proceeding brought by or against the Class Representatives,  
20 the Class, Class Members, or Defendant to enforce its terms, or by Defendant in defense of any claims  
21 brought by the Class Representatives, the Class, Class Members, or any member of the general public,  
22 including any and all individuals who opted out of the Class. The provisions of this Paragraph shall  
23 become effective when this Settlement Agreement is signed and shall be binding on the Settling Parties  
24 and counsel regardless of whether the Settlement Agreement is preliminarily and/or finally approved or  
25 terminated for any reason, or rendered null and void.

26 **5. Final Order, Judgment and Release of Claims.** In exchange for the consideration set  
27 forth in this Settlement Agreement, the Class Representatives and the Class Members agree to enter a  
28 judgment against Defendant and to release all claims as set forth herein.

1           **5.1. Judgment.** Upon Final Approval of this Settlement Agreement, judgment shall be  
2 entered by the Court and the Actions shall be resolved in their entirety.

3           **5.2. Released Claims by Class Members.** Upon Final Approval of this Settlement  
4 Agreement, the claims to be released by the Class Members who do not seek  
5 exclusion from this Settlement, pursuant to the procedure set forth in Paragraph 6.8,  
6 will include all claims during the Class Period under state, federal or local law  
7 arising from their relationships with Defendant characterized by Defendant as  
8 Independent Contractor relationships that were or otherwise could have been  
9 brought under the facts and causes of action pleaded in the operative Complaint in  
10 the Actions against Defendant, its respective successors, current and former  
11 parents, subsidiaries, affiliated corporations and entities, and each of their  
12 respective officers, directors, agents, and employees and any other person or entity  
13 that could be jointly liable with them for the claims (collectively, the “Released  
14 Parties”), including the following:

15           (a) any and all claims for unpaid wages, penalties, reimbursements and/or  
16 premiums under Labor Code sections 201-203, 226, 226.2, 226.3, 226.7,  
17 226.8, 512, 1194, 1194.2, 1197, 2802, including claims for unpaid  
18 minimum wages, and/or rest breaks, inaccurate, incomplete or incorrect  
19 pay instruments/stubs and/or wage/earnings statements, unreimbursed  
20 business expenses, and unfair competition, and PAGA penalties under  
21 Labor Code section 2699 based on these foregoing alleged Labor Code  
22 violations asserted in the operative Complaints;

23           (b) any and all claims regarding failure to provide meal and rest periods, and

26 Code violations asserted in the operative Complaints;

**5.4. Effective Dates of Release.** The Released Claims set forth in Paragraph 5.2 shall cover all claims held by the Releasing Parties from May 10, 2019 through the entry of an order granting preliminary approval.

28 **6.2.2.3.** The information described in subparagraphs 6.2.2.1 and 6.2.2.2

shall be collectively referred to as the (“Class Data List”).

**6.2.3.** Upon its receipt of the Class Data List, the Settlement Administrator shall access the National Change of Address (“NCOA”) Database, and update the addresses maintained by Defendant before mailing the Notice Packets.

**6.2.4.** On or before the Notice Date, the Settlement Administrator shall send the Notice of Class Action Settlement (“Notice Packet”) by first class mail, forwarding requested, to all members of the Class at the addresses identified through the process described above.

**6.2.5.** As to any Notice Packets returned by the U.S. Post Office as undeliverable or where the NCOA Database indicates that the last known address of any Class Member is invalid or otherwise undeliverable or not appropriate for receipt of the Notice Packet, the Settlement Administrator shall perform a skip trace procedure. Such skip-trace procedures shall be performed upon receipt of the notice thereof. If this procedure reveals a new address, then the Settlement Administrator shall re-mail the Notice Packet as soon as possible to the new address, and no later than three (3) business days after receipt of the undelivered Notice Packet.

**6.2.6.** If Defendant and the Settlement Administrator determine, based upon further review of available data, that a person previously identified as being a Class Member should not be so included or that a person who should have been included as a Class Member was not so included, Defendant and the Settlement Administrator shall promptly delete or add such person as appropriate and notify Class Counsel prior to such deletions or additions (and the reasons therefore), and if added to the Class, to provide the number of Work Weeks worked by that person during the Class Period.

**6.2.7.** Other than the obligations set forth in this Settlement Agreement, Defendant shall have no additional obligation to identify or locate any Class Member.

1                   **6.3. Opt Out Only.**

2                   **6.3.1.** Class Members need not take any action to participate in the Settlement.

3                   Any Class Member who does not timely and validly opt out will receive his  
4                   or her portion of the Settlement. The Notice shall be individualized and shall  
5                   include each Class Member's total number of Work Weeks worked during  
6                   the Class Period according to Defendant's records, and the estimated  
7                   amount of the Settlement Sum he or she can expect to receive if he or she  
8                   does not validly opt out, which shall be calculated based on a 100% claim  
9                   rate of the Net Settlement Amount being distributed to Participating Class  
10                  Members. The Notice shall also state that the actual amount may vary  
11                  depending on the number of opt-outs, etc.

12                 **6.3.1.1.** The Notice shall state that if the Class Member disagrees with the  
13                   information set forth thereon regarding the number of Work  
14                   Weeks worked during the Class Period, the Class Member must  
15                   submit to the Settlement Administrator the information that  
16                   he/she/it believes is correct, explain the basis for such belief, and  
17                   submit written documentation to support his/her/its challenge.  
18                   Failure to submit written documentation to the Settlement  
19                   Administrator to support such challenge will result in the  
20                   Settlement Administrator's reliance upon the data contained in  
21                   Defendant's records and shall be controlling, without the need for  
22                   a curative letter from the Settlement Administrator. The deadline  
23                   for a Class Member to challenge or dispute the number of Work  
24                   Weeks shall be the same date as the Exclusion Deadline.

25                 **6.3.2. Availability of Class Notice.** Individualized Class Notice may be requested  
26                   by Class Members or individuals who believe they should be a Class  
27                   Member from the Settlement Administrator. The Settlement Administrator  
28                   shall send a Notice of Class Action Settlement to such Class Members or

1 individuals upon receipt of such a request following confirmation of  
2 his/her/its eligibility to participate, if it is an individual or entity that  
3 believes they should be a Class Member.

4 **6.4. Final Fairness Hearing.** The Settling Parties will, at the time of hearing on  
5 Preliminary Approval, request a date and time to be set for the Final Fairness  
6 Hearing and will include that Final Fairness Hearing date in the Class Notice, **as**  
7 approved by the Court.

8 **6.5. Objections to the Settlement.** Any Class Member may object to the proposed  
9 Settlement, or any portion thereof, by mailing a written objection, and supporting  
10 papers, if any, to the Settlement Administrator (which Settlement Administrator)  
11 shall forward to Class Counsel and Defense Counsel) at the address established by  
12 the Settlement Administrator and set forth in the Class Notice. Written objections  
13 should be postmarked no later than sixty (60) days after the Notice Date (“Objection  
14 Deadline”). A written objection must contain the objecting Class Member’s full  
15 name, current address, and telephone number. The written objection should state  
16 all objections, the basis thereof, and the reasons therefore, and include any and all  
17 supporting papers (including, without limitation, all briefs, written evidence, and  
18 declarations). The Settlement Administrator shall send all objections via email to  
19 Defense Counsel and Class Counsel. Regardless of whether a written objection has  
20 been filed or not, Class Members shall have the right to present their objections  
21 orally at the Final Fairness Hearing. If a Class Member wishes to appear at the Final  
22 Fairness Hearing and present their objection to the Court orally the objector need  
23 not submit a Notice of Intent to Appear or written objection. Class Members who  
24 file an objection remain eligible to receive monetary compensation from the  
25 Settlement.

26 **6.6. All Class Members Settling Parties.** All Class Members, except those Class  
27 Members who have timely submitted proper requests for exclusion pursuant to the  
28 procedure set forth in Paragraph 6.8, shall be deemed to be within the Class for all

purposes under this Settlement Agreement, and shall be bound by the **terms** and conditions of this Settlement Agreement, including all orders issued pursuant thereto, and shall be deemed to have waived all unstated objections and opposition to the fairness, reasonableness, and adequacy of this Settlement Agreement, and any of its terms.

**6.7. Effect of Settlement Agreement.** If the Settlement Agreement is given final approval, then it shall operate as a full, complete, and final release of all the Released Claims of the Class **Representatives**, the Class Members and all Releasing Parties.

**6.8. Exclusion.** In order for a Class Member to validly and effectively request exclusion from, and opt out of, this Settlement, the Class **Member** must submit a signed request to be excluded from this Settlement to the Settlement Administrator, in the manner described in the Notice, that is postmarked, physically delivered or faxed to the Settlement Administrator by no later than sixty (60) calendar days after the Notice Date ("Exclusion Deadline"). Any Class Member who requests to be excluded from this Settlement as provided in this paragraph shall not receive any payment pursuant to this Settlement, other than his/her/its share of the PAGA Payment, shall have no right to object to this Settlement, and shall not be bound by any release provided for in this Settlement Agreement or Judgment.

**7. Notice Process.**

**7.1.** Class Members will have sixty (60) calendar days from the date the Notice Packets are mailed by the Settlement Administrator to postmark their requests for exclusion and/or objections. The Settlement Administrator will perform one skip-trace on returned mail upon receiving notice that a Notice Packet was undeliverable and will make best efforts promptly to re-mail a Notice Packet if an updated address is located. It is the intent of the Parties that reasonable means be used to locate Class Members.

**7.2.** The Settlement Administrator shall be responsible for calculation of the Settlement

1 Sums, issuance of checks, any required tax reporting and for communicating this  
2 information to Defense Counsel. Upon completion of its calculation of payment,  
3 the Settlement Administrator shall provide Class Counsel and Defense Counsel  
4 with a report listing the amount of all payments to be made to each Class Member  
5 in which the names of such Class Members will be coded. Following distribution  
6 of the amounts awarded by the Court proof of payment will be filed with the Court  
7 and provided to the Parties' counsel.

8 **7.3. Reporting.** The Settlement Administrator shall compile aggregate opt out and  
9 dispute statistics on a weekly basis. The Settlement Administrator shall disseminate  
10 the reports in a .pdf file or an Excel spreadsheet to Class Counsel and to Defense  
11 Counsel on a weekly basis.

12 **7.4.** Defendant's payment, as provided in Paragraph 2.1, shall be transmitted to the  
13 Settlement Administrator on or before three (3) business days prior to the disbursal  
14 date. Checks shall be mailed to the addresses pre-printed on the Notice Packets  
15 submitted to the Settlement Administrator unless the Class Member provides the  
16 Settlement Administrator with a different address prior to mailing.

17 **7.5.** If a Settlement Sum check sent to a Class Member is returned with a forwarding  
18 address provided by the U.S. Post Office, then it shall be re-mailed to the  
19 forwarding address provided. If a Settlement Sum check is returned as  
20 undeliverable by the U.S. Post Office or is otherwise designated by the U.S. Post  
21 Office as having been sent to an invalid address, and the Class Member did not  
22 provide the Settlement Administrator with additional address information after the  
23 mailing of said check, then the Settlement Administrator shall call the Class  
24 Member at the number provided by Defendant in the Class Data List or as provided  
25 by the Class Member on the Notice Packet.

26 **7.6. Discharge of Obligations.** Defendant shall fully discharge its obligations to those  
27 Class Members to whom it will pay a Settlement Sum through the mailing of a  
28 check as set forth in Paragraphs 7.4 and 7.5, regardless of whether such checks are

1 actually received and/or negotiated by Class Members. Any check that is not  
2 negotiated within 180 days of mailing to a Class Member, or that is undeliverable  
3 following unsuccessful efforts described in Paragraph 7.5, shall not be re-issued.  
4 For purposes of determining whether Defendant has met its financial obligation to  
5 pay the Settlement, Defendant will be deemed to have paid for the Released Claims  
6 upon the mailing of the check to the Class Member, regardless of whether such  
7 Class Member subsequently negotiates the check.

8 **7.7.** Any Class Member who does not timely submit a valid request for exclusion shall  
9 be entitled to receive his/her share the proceeds from the Net Settlement Amount,  
10 shall be bound by the release provided for herein above, and shall be barred from  
11 bringing any action against the Released Parties concerning the Released Claims.

12 **7.8. Dispute Resolution Procedure.** In the event of any disagreement between an  
13 actual or potential Class Member and Defendant regarding the right to receive a  
14 Settlement Sum or the amount of the Settlement Sum, the following dispute  
15 resolution procedure shall be used: The actual or potential Class Member shall  
16 provide sufficient documentation such that Defendant and the Settlement  
17 Administrator are able to thoroughly investigate the Class Member's eligibility to  
18 participate in the Settlement. The Settlement Administrator shall provide these  
19 items to Defense Counsel and Class Counsel for review, within three (3) business  
20 days of receipt. If the Parties cannot thereafter resolve the disagreement, then the  
21 dispute shall be resolved by the Court, based on a review of Defendant's records  
22 and the Class Member's or person's records. The Court's decision will be final and  
23 non-appealable.

24 **8. Taxes.**

25 **8.1.** For tax purposes only, the Settling Parties agree that 100% of the Settlement  
26 payments to Class Members shall be considered payment for settlement of alleged  
27 claims for misclassification, penalties, premiums, interest and other non-wage  
28 payments, for which the Settlement Administrator will issue an IRS Form 1099 to

each Class Member.

**8.2.** Class Members shall be responsible for paying all applicable federal, state or local income taxes on the Settlement Sums paid to them under this Settlement Agreement.

**8.3.** The Settlement Administrator will be responsible for issuing any required state and federal reporting documents (such as IRS Form 1099s) to Class Members, Class Counsel, and the Class Representatives on behalf of Defendant.

**8.4.** Class Members shall be advised to seek independent tax advice regarding the tax consequences of their Settlement Sums.

**8.5.** For all purposes, payment shall be deemed compensation to the Class Member, whether a current or former relationship to Defendant exists, in the year the payment is actually made. It is the intent of this Settlement that settlement payments are the sole payments to be made by Defendant to the Class Members, and that Class Members are not entitled to any new or additional compensation or benefits as a result of having received the individual Settlement awards.

**8.6.** Defendant makes no representation as to the tax treatment or legal effect of the payment called for hereunder, and the Class Representatives and Class Members are not relying on any statement, representation, or calculation by Defendant or by the Settlement Administrator in this regard. The Class Representatives and Class Members understand and agree that except for Defendant's payment of the employer's portion of any payroll taxes, they will be solely responsible for the payment of any taxes and penalties assessed on the payments described herein.

**9. Application for Preliminary Approval Order.** Class Counsel will file a Motion for Preliminary Approval of the proposed Settlement, pursuant to California Rule of Court 3.769, and shall apply for a Preliminary Approval Order that contains the following provisions:

**9.1.** preliminarily approving the Settlement Agreement under the legal standards relating to the preliminary approval of class action settlements;

**9.2.** approving the form of the Notice and Notice Packet, and finding that the proposed

method of disseminating the Notice Packet meets the requirements of California Rule of Court 3.766 and of due process and is the best notice practicable under the circumstances;

9.3. approving the mutually-approved class administrator as the Settlement Administrator;

9.4. establishing the procedures and the deadline by which Class Members may assert objections to the Settlement;

9.5. setting a date for the Final Fairness Hearing;

9.6. setting a date that is approximately seven (7) days before the date of the Final Fairness Hearing by which the Settling Parties must file responses to timely objections, if any, to the Settlement filed by Class Members; and

9.7. providing that, pending the Court's final determination of whether the proposed Settlement will be approved, and in aid of the Court's jurisdiction and to prevent a multiplicity of lawsuits, the Class Representatives and all members of the Class, and anyone acting on their behalf (including, but not limited to, attorneys, representatives, and agents of any Class Member), who have actual knowledge of this stipulation, and who have not requested to be excluded from the Settlement are barred and enjoined from instituting, commencing, or continuing to prosecute, directly or indirectly, as an individual or collectively, representatively, derivatively, or on behalf of himself or herself, or in any other capacity of any kind whatsoever, any action in this Court, any other state court, or any arbitration or mediation proceeding or any other similar proceeding, against any Released Party that asserts any claims that are Released Claims that would be released and discharged upon final approval of the Settlement, except as the Court may further order upon application of a Class Member and notice to all parties.

**10. Final Fairness Hearing.** At the Final Fairness Hearing, Plaintiffs and Defendant shall use their best efforts to urge the Court to grant final approval of the Settlement in its entirety (including any modification made thereto with the consent of the Settling Parties as provided herein), and to enter a Final

1 Approval Order and Judgment as set forth in Paragraph 11.

2       **11. Final Approval Order and Judgment.** If the Settlement (including any modifications  
3 made thereto with the consent of the Settling Parties as provided herein) is finally approved by the Court  
4 following the Final Fairness Hearing, then the Settling Parties hereto shall jointly request that the Court  
5 enter a Final Approval Order and Judgment as follows:

6               **11.1.** The Final Approval Order shall include the following provisions:

7                   **11.1.1.** finding that the dissemination of the Notice Packet in the form and manner  
8 ordered by the Court was accomplished as directed, met the requirements  
9 of due process, was the best notice practicable under the circumstances,  
10 and constituted due and sufficient notice to all persons entitled thereto;

11                  **11.1.2.** finding that the Class Representatives and Class Counsel herein have fairly  
12 and adequately represented and protected the interests of the Class at all  
13 times in the Actions;

14                  **11.1.3.** finally approving the Settlement Agreement and the Settlement as fair,  
15 reasonable and adequate and directing consummation of the Settlement in  
16 accordance with its terms and provisions;

17               **11.2.** The Judgment shall include the following provisions:

18                   **11.2.1.** directing the Settling Parties to implement the terms of the Settlement  
19 Agreement, including without limitation the provisions regarding the  
20 payment of the Settlement Sum to each Class Member as set forth in this  
21 Settlement Agreement;

22                   **11.2.2.** defining the Class;

23                  **11.2.3.** releasing and discharging the Released Parties from any and all liability  
24 with respect to the Released Claims as hereinabove provided;

25                  **11.2.4.** permanently barring and enjoining all Class Members who did not timely  
26 opt out from prosecuting against any of the Released Parties, any individual,  
27 class or collective claims based on any of the Released Claims released  
28 herein;

1                   **11.2.5.** awarding reasonable attorneys’ fees, costs, and expenses to Class Counsel  
2                   as provided in Paragraphs 3.1 and 3.2, and subject to the limitations set forth  
3                   in Paragraph 3.5, or reserving jurisdiction with respect thereto;

4                   **11.2.6.** awarding service payment to the Class Representatives as provided in  
5                   Paragraph 3.3, and subject to the limitations set forth therein, or reserving  
6                   jurisdiction with respect thereto;

7                   **11.2.7.** reserving continuing and exclusive jurisdiction over all matters related to  
8                   the administration and consummation of the terms of this Settlement, over  
9                   the enforcement, construction and interpretation of this Settlement  
10                  Agreement, over the enforcement, construction, and interpretation of the  
11                  Judgment, including, but not limited to, the provisions therein enjoining any  
12                  further litigation of Released Claims, and over Plaintiff and all Class  
13                  Members (and Plaintiff’s attorneys and law firms) in connection therewith;  
14                  and

15                  **11.2.8.** ordering the Settlement Administrator to post the Final Order and Judgment  
16                  on its website for 60 days following the entry of the Court’s Order granting  
17                  final approval of the Settlement.

18       **12.     Finality; Effect of the Settlement Not Being Final.**

19                  **12.1.   Finality.** The approval of the Settlement shall be considered “Final” on the  
20                  Effective Date. Except as expressly stated herein, none of the obligations of  
21                  Defendant pursuant to the Settlement Agreement shall become effective until the  
22                  Settlement becomes Final, but Defendant may waive this condition in writing.

23                  **12.2.** In the event that the Settlement as provided for in this Settlement Agreement does  
24                  not become Final, or does not become effective for any reason other than the failure  
25                  of any party to perform such party’s obligations hereunder (except as to the  
26                  Settlement not becoming Final because of any appeal, which circumstance can be  
27                  waived by Defendant), then the Settlement Agreement shall become null and void  
28                  and of no further force and effect, and all negotiations, proceedings, and statements

1 relating thereto shall be without prejudice as to the rights of any and all parties  
2 hereto and his respective predecessors and successors, and all parties and their  
3 respective predecessors and successors shall be deemed to have reverted to his  
4 respective positions in the Action as of the date and time immediately prior to the  
5 execution of this Settlement Agreement, and except as otherwise expressly  
6 provided, the effect shall be the same as if the Settlement Agreement was  
7 terminated pursuant to Paragraph 13.

8 **13. Settlement Termination.**

9 **13.1.** In the event that Class Members representing more than an aggregate total of ten  
10 (10%) percent of the total Work Weeks worked elect to exclude themselves from  
11 this Settlement, Defendant will have the unilateral right to void this Settlement  
12 within fourteen (14) calendar days after the Notice Deadline. If Defendant exercises  
13 its rights under this Paragraph: (a) this Settlement Agreement and the Settlement  
14 (with the exception of Paragraph 4) shall be terminated and become void and of no  
15 effect, except for the obligation of Defendant to pay for any and all expenses  
16 incurred in connection with the notice and administration of the Settlement on or  
17 before the date on which the Settlement is terminated; (b) any actions taken or to  
18 be taken in connection with this Settlement Agreement and the Settlement shall  
19 become null and void and of no effect; (c) this Settlement Agreement and the  
20 Settlement and any hearings or proceedings thereunder shall not be referred to or  
21 used as evidence for or against any party or Class Member in this or any other action  
22 or proceeding; and (d) all pretrial proceedings, including discovery, shall resume  
23 30 days thereafter as if this Settlement had not been submitted for approval of the  
24 Court.

25 **13.2.** Moreover, in the event that (a) the Court declines to enter Preliminary Approval of  
26 the Settlement Agreement or declines to enter the Final Approval and/or Judgment  
27 or any part thereof as provided for herein, or the Settling Parties hereto fail to  
28 consent to the entry of alternative forms of Judgment, in lieu thereof, or after such

1 consent the Court declines to enter such alternate form of Judgment; (b) any other  
2 conditions to the Settlement are not satisfied; (c) the Court disapproves this  
3 Settlement, or any term contained in this Settlement Agreement, including any  
4 amendments hereto, and such disapproval becomes final by reason of its affirmance  
5 on appeal or lapse of time or otherwise; or (d) the Court approves this Settlement,  
6 including any amendments hereto, but any such judgment and approval is finally  
7 reversed on appeal, then, in any such event, this Settlement shall be void, and the  
8 Preliminary Approval Order and the Final Approval Order and Judgment shall be  
9 vacated upon application to the Court. In such event, (a) this Settlement Agreement  
10 and the Settlement (with the exception of Paragraph 4) shall be terminated and  
11 become void and of no effect, except for the obligation of Defendant to pay for any  
12 and all expenses incurred in connection with the Notice and administration of the  
13 Settlement on or before the date on which the Settlement is terminated; (b) any  
14 actions taken or to be taken in connection with this Settlement Agreement and the  
15 Settlement shall become null and void and of no effect; (c) this Settlement  
16 Agreement and the Settlement and any hearings or proceedings thereunder shall not  
17 be referred to or used as evidence for or against any party or Class Member in this  
18 or any other action or proceeding; and (d) all pretrial proceedings, including  
19 discovery, shall resume 30 days thereafter as if this Settlement had not been  
20 submitted for approval of the Court.

21 **14. Extensions of Time.** Without further order of the Court, the Settling Parties hereto may  
22 agree in writing to reasonable extensions of time to carry out any of the provisions of the Settlement.

23 **15. Construction.** This Settlement Agreement was entered into after substantial good faith,  
24 arms-length negotiations between the Settling Parties' counsel. This Settlement Agreement is entered into  
25 freely and voluntarily only after each party had carefully read and reviewed it with counsel, and it reflects  
26 the conclusion of each party that this Settlement Agreement and the Judgment and the releases, waivers,  
27 and covenants contemplated hereby are in the best interest of said party. This Settlement Agreement has  
28 been entered into without any coercion and under no duress. The Settling Parties acknowledge and agree

1 that all Parties had an equal hand in drafting this Settlement Agreement so that it shall not be deemed to  
2 have been prepared or drafted by one party or another. All Parties waive the provisions of California Civil  
3 Code Section 1654, which provides, in pertinent part, that “the language of a contract should be interpreted  
4 most strongly against the party who causes the uncertainty to exist.” Except as expressly provided herein,  
5 this Settlement Agreement is not intended to confer any rights or remedies upon any person other than the  
6 Settling Parties.

7 **16. Due Authority of Attorneys.** Each of the attorneys executing this Settlement Agreement,  
8 on behalf of one or more parties, hereto warrants and represents that he or she has been duly authorized  
9 and empowered to execute this Settlement Agreement on behalf of each such respective party and to bind  
10 them to the terms hereof.

11 **17. Entire Agreement.** This Settlement Agreement (including all Exhibits annexed hereto,  
12 and as subsequently revised pursuant to the Court’s direction) sets forth the entire agreement of the Settling  
13 Parties with respect to its subject matter and supersedes any and all other prior agreements and all  
14 negotiations leading up to the execution of this Settlement Agreement, whether oral or written, regarding  
15 the subjects covered herein. The Settling Parties acknowledge that no representations, inducements,  
16 warranties, promises, or statements relating to the subjects covered herein, oral or otherwise, have been  
17 made by any of the Settling Parties or by anyone acting on behalf of the Settling Parties which are not  
18 embodied or incorporated by reference herein, and further agree that no other agreement, covenant,  
19 representation, inducement, promise or statement relating to the subjects covered herein not set forth in  
20 writing in this Settlement Agreement, shall be valid or binding.

21 **18. Modification or Amendment.** This Settlement Agreement may not be modified or  
22 amended except in a writing signed by all signatories hereto or their successors in interest.  
23 Notwithstanding the foregoing, the Parties hereby authorize their counsel to enter into any modifications  
24 of this Agreement that are (a) ordered by the Court and (b) do not materially impact the Gross Settlement  
25 Amount, the scope of the Released Claims, or any other material term of the Settlement through an  
26 addendum to this Agreement that can be signed by Counsel for all Parties.

27 **19. Deadlines Falling on Weekends or Holidays.** To the extent that any deadline set forth in  
28 this Settlement Agreement falls on a Saturday, Sunday, or legal holiday, that deadline shall be continued

1 until the following business day.

2       **20. Successors.** This Settlement Agreement shall be binding upon and inure to the benefit of  
3 the Settling Parties hereto (including Class Members) and their respective heirs, executors, administrators,  
4 successors and assigns, and upon any corporation, partnership or other entity into or with which any  
5 Settling Party hereto may merge, combine or consolidate.

6       **21. Severability.** In the event that any one or more of the provisions contained in this  
7 Settlement Agreement shall for any reason be held invalid, illegal, or unenforceable in any respect, such  
8 invalidity, illegality, or unenforceability shall in no way affect any other provision if Defense Counsel and  
9 Class Counsel, on behalf of the Settling Parties and the Class, mutually elect in writing to proceed as if  
10 such invalid, illegal, or unenforceable provision had never been included in this Settlement Agreement.

11       **22. Counterparts.** This Settlement Agreement may be executed in counterparts, each of which  
12 shall be deemed an original, and all of which together shall constitute one and the same instrument.  
13 Facsimile transmission of the signatures of the Settling Parties or their representatives shall be binding on  
14 the Settling Parties. An electronic signature obtained through DocuSign shall be treated by the parties as  
15 equivalent to a wet signature or a signature obtained and transmitted by facsimile.

16       **23. Waivers.** The waiver by any party of any breach of this Settlement Agreement shall not be  
17 deemed or construed as a waiver of any other breach, whether prior, subsequent, or contemporaneous, of  
18 this Settlement Agreement.

19       **24. Inquiries Regarding Class Representatives.** In response to any inquiry from a  
20 prospective employer or other business partner of the Class Representatives, Defendant agrees to provide  
21 only dates of association with Defendant and indicate that they performed transportation services, and no  
22 further information shall be provided.

23       **25. Governing Law.** This Settlement Agreement shall be governed by and construed,  
24 enforced, and administered in accordance with the laws of the State of California, without regard for the  
25 law of the State regarding conflicts of laws or choice of law. Any orders or judgments entered by the Court  
26 in conjunction with the proceedings relating to or arising out of this Settlement Agreement shall be  
27 construed and enforced under, and all issues relating to the preclusive effect of such orders or judgments  
28 shall be determined by, the laws of the State of California relating to the construction, enforcement, and

1 preclusive effect of orders and judgments entered by state courts.

2       **26. Continuing Jurisdiction.** The Court will have continuing jurisdiction over the Action for  
3 the purpose of implementing the Settlement Agreement, the Final Approval of the Settlement, entry of  
4 Judgment, and post-judgment issues, until all related matters are fully resolved. Except as provided in  
5 Paragraph 7.8, above, any dispute regarding the Settling Parties' obligations pursuant to this Settlement  
6 Agreement and/or interpretation of the terms of this Settlement Agreement will be presented by written
