CLASS ACTION

**DECLARATION OF MICHAEL E. MOORE
ON BEHALF OF ADMINISTRATOR WITH
RESPECT TO QUALIFICATIONS OF
CLASS ADMINISTRATION**

Hearing Date: December 14, 2022
Hearing Time: 8:30 a.m.
Reservation ID: 590106029795
Hearing Dept.: 1, The Honorable Craig Riemer
Action filed: July 01, 2020

1 I, Michael E. Moore, hereby declare:

2 1. I am the President and Managing Partner at Phoenix Settlement Administrators
3 (“PSA”). I have personal knowledge of the facts stated herein and, if called upon to testify, I
4 could and would testify competently to such facts.

5 2. I personally have over nine years of experience in claims management and
6 administration of class action and collective action matters. To date, PSA has administered over
7 1,800 cases and an additional 1,100 Pre- and Post- Certification Privacy Notices and Survey
8 Mailings.

9 3. PSA has extensive experience administering class action matters. PSA has
10 administered complex wage and hour, labor and employment, consumer/ product liability,
11 Telephone Consumer Protection Act, Fair Labor Standards Act, Fair and Accurate Credit
12 Transactions Act, Employment Retirement Income Security Act and Private Attorneys General
13 Act class action matters, through final approval and distribution. PSA has developed a system of
14 quality assurance measures, to ensure the highest quality service is provided in our cases and to
15 class members.

16 4. PSA’s Claims Management Group has extensive experiences in all aspects of
17 Notification and Identification of Class Members, Claims Processing, Formulation and
18 Calculation Methodologies, Award Distribution and Taxation, Accounting and Reconciliation.

19 5. PSA is committed to Class Member security. As such, we have developed
20 Phoenix Server Security Protocols (“PSSP”). PSSP allows PSA’s Proprietary Database to store a
21 Class Member’s private information in a double password protected section that only Case
22 Managers and Programmers can access. Redundant to this measure, this section times out every
23 minute if data is being downloaded outside the Database, unless a daily specific passcode is
24 entered. All Class Data is digitally backed up daily and tracked for changed to a CM Identifier.

25 6. PSA has extensive experience in and are experts at all aspects of complex class
26 action matters including but not limited to; (i) preparing, printing, mailing and tracking privacy
27 notices; (ii) operation of a 24/7/365 multi-lingual call center; (iii) establishing settlement
28 websites; (iv) claims management; (v) USPS processes and systems, third party tracing,

1 including the use of reverse telephone directory services; (v) database management,
2 programming and security protocols; which include Class Member Privacy and National Change
3 of Address Security of personal information and Social Security Numbers. PSA has a proprietary
4 Database that allows us to run NCOA and Skip Tracing Searches behind our secure servers and
5 network secure IP; (vii) calculating and issuing settlement payments; (viii) tax management,
6 filings, and account reconciliation; and (ix) final approval. At no time is there access to this
7 information outside of our proprietary servers.

8 7. PSA has been appointed as a Claims Administrator in both State and Federal
9 Courts in over 1,800 Class and PAGA Action Settlements.

10 8. PSA demonstrates industry leading value on every case. We offer the highest
11 level of customer care and service regarding our cost or value; on every case we work on. In this
12 case specifically, we were able to return more money to the class, because we have lower hourly
13 rates and preform all production in house. A true and correct copy of PSA's Curriculum Vitae is
14 attached hereto as Exhibit A.

15 9. PSA has agreed to administer the Class Action in this matter for the capped
16 amount of \$10,000.00. This is based on hourly rates with a cap for the type of class action
17 administration the parties have contemplated. This amount was calculated based on hourly rates
18 for various tasks, the anticipated time spent on those tasks, and per-unit costs for postage and
19 other expenses, and then discounted for PSA's value pricing. We have automated this process to
20 be able to pass on savings to our clients. Any deviation of this automation, including using
21 manual, folding, stuffing, sealing and adding postage, would be a significant price increase.
22 Attached as Exhibit "B" is PSA's bid for the matter, with detailed descriptions of the various
23 Automated tasks and related fees/cost amounts.

24 10. Phoenix Class Action Administrators has Occurrence, Error and Omissions
25 Insurance, which covers our cases, for the benefit of protection in the event that an error occurs,
26 Phoenix, is responsible for a Data Breach or Settlement Fund Misappropriations.

27 11. Phoenix Class Action Administrators is an S Corporation owned by its Employees
28 and has no professional affiliation with any of the parties involved in this matter.

1 12. Phoenix has extensive Data Security Protocols set in place for the transfer of data, as
2 well as the secure storage of class data. Phoenix has recently been accepted, after vetting of
3 Littler Mendelson's Security and Data Storage Protocols.

4 I declare under the penalty of perjury and under the laws of the State of California that
5 the forgoing is true and correct. This document was executed on September 30, 2022, in the
6 County of Orange.

TERMS AND CONDITIONS

Provisions: The case estimate is in good faith and does not cover any applicable taxes and fees. The estimate does not make any provision for any services or class size not delineated in the request for proposal or stipulations. Proposal rates and amounts are subject to change upon further review, with Counsel/Client, of the Settlement Agreement. Only pre-approved changes will be charged when applicable. No modifications may be made to this estimate without the approval of PSA (Phoenix Settlement Administrators). All notifications are mailed in English language only unless otherwise specified. Additional costs will apply if translation into other language(s) is required. Rates to prepare and file taxes are for Federal and California State taxes only. Additional charges will apply if multiple state tax filing(s) is required. **Pricing is good for ninety (90) days.**

Data Conversion and Mailing: The proposal assumes that data provided will be in ready-to-use condition and that all data is provided in a single, comprehensive Excel spreadsheet. PSA cannot be liable for any errors or omissions arising due to additional work required for analyzing and processing the original database. A minimum of two (2) business days is required for processing prior to the anticipated mailing date with an additional two (2) business days for a National Change of Address (NCOA) update. Additional time may be required depending on the class size, necessary translation of the documents, or other factors. PSA will keep counsel apprised of the estimated mailing date.

Claims: PSA's general policy is to not accept claims via facsimile. However, in the event that facsimile filing of claims must be accepted, PSA will not be held responsible for any issues and/or errors arising out of said filing. Furthermore, PSA will require disclaimer language regarding facsimile transmissions. PSA will not be responsible for any acts or omissions caused by the USPS. PSA shall not make payments to any claimants without verified, valid Social Security Numbers. All responses and class member information are held in strict confidentiality. Additional class members are \$10.00 per opt-out.

Payment Terms: All postage charges and 50% of the final administration charges are due at the commencement of the case and will be billed immediately upon receipt of the data and/or notice documents. PSA bills are due upon receipt unless otherwise negotiated and agreed to with PSA by Counsel/Client. In the event the settlement terms provide that PSA is to be paid out of the settlement fund, PSA will request that Counsel/Client endeavor to make alternate payment arrangements for PSA charges that are due at the onset of the case. The entire remaining balance is due and payable at the time the settlement account is funded by Defendant, or no later than the time of disbursement. Amounts not paid within thirty (30) days are subject to a service charge of 1.5% per month or the highest rate permitted by law.

Tax Reporting Requirements

PSA will file the necessary tax returns under the EIN of the QSF, including federal and state returns. Payroll tax returns will be filed if necessary. Under the California Employment Development Department, all taxes are to be reported under the EIN of the QSF with the exception of the following taxes: Unemployment Insurance (UI) and Employment Training Tax (ETT), employer-side taxes, and State Disability Insurance (SDI), an employee-side tax. These are reported under Defendant's EIN. Therefore, to comply with the EDD payroll tax filing requirements we will need the following information:

1. Defendant's California State ID and Federal EIN.
2. Defendant's current State Unemployment Insurance (UI) rate and Employment Training Tax (ETT) rate. This information can be found in the current year DE 2088, Notice of Contribution Rates, issued by the EDD.
3. Termination dates of the class members, or identification of current employee class members, so we can account for the periods that the wages relate to for each class member.
4. An executed Power of Attorney (Form DE 48) from Defendant. This form is needed so that we may report the UI, SDI, and ETT taxes under Defendant's EIN on their behalf. If this form is not provided we will work with the EDD auditors to transfer the tax payments to Defendant's EIN.
5. Defendant is responsible for reporting the SDI portion of the settlement payments on the class member's W-2. PSA will file these forms on Defendant's behalf for an additional fee and will issue an additional W-2 for each class member under Defendant's EIN, as SDI is reported under Defendant's EIN rather than the EIN of the QSF. The Power of Attorney (Form DE 48) will be needed in order for PSA to report SDI payments.
