1. I am admitted, in good standing, to practice as an attorney in the State of California, the Ninth Circuit Court of Appeals, and the United States District Courts for the Central, Southern, Eastern, and Northern Districts of California. I am a Senior Partner at Wilshire Law Firm, PLC, counsel of record for Plaintiffs Neil Modino, Rita Ortiz, and Valerie J. Fowler (collectively, “Plaintiffs”). I have personal knowledge of the facts set forth in this declaration and could and would competently testify to them under oath if called as a witness. This Declaration is submitted in support of Plaintiffs’ Motion for Preliminary Approval of Class Action Settlement.

2. This is a wage and hour class and Private Attorneys General Act (“PAGA”) (Cal. Lab. Code §§ 2699, *et seq.*) representative action. Plaintiffs and putative class members worked in California as hourly-paid or non-exempt employees for Defendant Laurel Avenue, LLC DBA Terracina Post Acute (“Defendant”) during the class period. Defendant operated a subacute and rehabilitation facility consisting of one location in the City of Redlands, California.

4. On May 29, 2020, Plaintiff Modino filed a putative wage-and-hour class action complaint against Defendant for: (1) failure to pay minimum and straight time wages (Labor Code §§ 204, 1194, 1194.2, and 1197); (2) failure to pay overtime wages (Labor Code §§ 1194 and 1198); (3) failure to provide meal periods (Labor Code §§ 226.7 and 512); (4) failure to authorize and permit rest periods (Labor Code §§ 226.7 and 512); (5) failure to timely pay final wages at termination (Labor Code §§ 201-203); (6) failure to provide accurate itemized wage statements

1 (Labor Code § 226); and (7) unfair business practices (Business and Professions Code 17200 et
2 seq.). On April 10, 2020, Plaintiff Modino sent a notice to Defendant and the California Labor &
3 Workforce Development Agency (“LWDA”) alleging similar wage and hour violations pursuant
4 to Labor Code Private Attorneys General Act (“PAGA”) (Labor Code §§ 2699, *et seq.*). On June
5 15, 2020, Plaintiff Modino filed a First Amended Complaint to include the PAGA violation.

6 5. On October 23, 2020, Plaintiff Fowler filed a putative wage and hour class action
7 on behalf of herself and all hourly-paid, non-exempt employees in California against Defendant
8 and an individual named Steve Power for: (1) failure to pay overtime wages; (2) failure to pay
9 minimum and straight time wages; (3) failure to provide meal periods; (4) failure to provide rest
10 periods; (5) waiting time penalties; (6) wage statement violations; (7) failure to indemnify; and
11 (8) unfair competition. On the same date, Plaintiff Fowler also filed a separate PAGA
12 Complaint against Defendant and Steven Power to assert her PAGA allegations.

13 6. On February 7, 2024, as per the terms of the Settlement Agreement reached
14 between the Parties, Plaintiffs filed a Second Amended Complaint adding Plaintiff Rita Ortiz
15 as a new class representative and consolidating the class and PAGA actions of Plaintiff Fowler
16 into one action. The Second Amended Complaint is the Operative Complaint.

17 DISCOVERY AND INVESTIGATION

18 7. Following the filing of the Complaint, the Parties exchanged documents and
19 information before mediating this action. Defendant produced a sample of time and pay records
20 for class members. Defendant also provided documents of its wage and hour policies and practices
21 during the class period, and information regarding the total number of current and former
22 employees in its informal discovery responses.

23 8. After reviewing documents regarding Defendant’s wage and hour policies and
24 practices, and analyzing Defendant’s timekeeping and payroll records, Class Counsel was able to
25 evaluate the probability of class certification, success on the merits, and Defendant’s maximum
26 monetary exposure for all claims. Class Counsel also investigated the applicable law regarding
27 the claims and defenses asserted in the Litigation. Class Counsel reviewed these records and
28 utilized an expert to prepare a damages analysis prior to mediation.

10. After extensive negotiations and discussions regarding the strengths and weaknesses of Plaintiffs’ claims and Defendant’s defenses, the Parties were able to reach a resolution on October 4, 2023, the material terms of which are encompassed within the Settlement Agreement. Attached as **Exhibit 1** is a true and correct copy of the Class Action and PAGA Settlement Agreement and Class Notice (“Settlement Agreement”).

12. Class Counsel submitted the proposed Settlement to the LWDA before filing the Motion for Preliminary Approval.

14. Plaintiff does not have any interest, financial or otherwise, in the proposed third-party administrator, ILYM.

1 15. No one at Wilshire Law Firm, PLC (meaning the law firm itself and anyone
2 employed at the law firm) has any interest, financial or otherwise, in the proposed third-party
3 administrator, ILYM.

4 16. Wilshire Law Firm, PLC and Bibiyan Law Group, P.C. has a fee-splitting agreement
5 with in this case.

6 17. Class Counsel is not aware of any other pending matter or action asserting claims
7 that will be extinguished or affected by the Settlement.

8 THE PROPOSED SETTLEMENT IS FAIR AND REASONABLE

9 18. Class Counsel has conducted a thorough investigation into the facts of this case.
10 Based on the foregoing discovery and their own independent investigation and evaluation, Class
11 Counsel is of the opinion that the Settlement is fair, reasonable, and adequate and is in the best
12 interests of the Settlement Class Members in light of all known facts and circumstances, the risk
13 of significant delay, the defenses that could be asserted by Defendant both to certification and on
14 the merits, trial risk, and appellate risk.

15 19. Based on an analysis of the facts and legal contentions in this case, documents and
16 information from Defendant, I evaluated Defendant's maximum exposure. I took into account the
17 risk of not having the claims certified and the risk of not prevailing at trial, even if the claims are
18 certified. After using the data Defendant provided, including class member timekeeping and
19 payroll records, as well as class member demographics (i.e., the number of class members,
20 workweeks, and average total compensation of the class), with the assistance of a statistics expert,
21 I created a damages model to evaluate the realistic range of potential recovery for the class. The
22 damages model is based on the following benchmarks:

23 Total Class Members: 1,954

24 Terminated Class Members during 3-year statute: 1,228

25 Total Workweeks: 126,575

26 PAGA Pay Periods: 36,552

27 PAGA Eligible Employees: 1,274

28 Avg. Hourly Rate: \$19.85

1 20. Based on Plaintiffs’ discovery and investigation, Class Counsel reached the
2 conclusion that Defendant failed to pay class members for all hours worked, including overtime
3 wages, Defendant had a policy and practice of not providing its employees with California
4 compliant meal and rest periods which it did not pay appropriate premiums for, and Defendant
5 required its employees to work “off-the-clock” prior to clocking in for the workday, during meal
6 periods, and after clocking out for the workday, time which it did not pay for, and Defendant failed
7 to reimburse its employees for business-related expenses. Defendant denies these claims.

8 21. Plaintiffs further allege that Defendant failed to pay for all hours worked, including
9 minimum wages, straight time wages, and overtime wages, by requiring class members to work
10 off-the-clock, unpaid. For purposes of calculating Defendant’s liability based on a best case
11 scenario for Plaintiffs and the Class, I estimate that Defendant’s maximum potential exposure by
12 assuming that all unpaid work time should have been paid at the overtime rate and I assumed that
13 Defendant is liable for 2 hour of unpaid worktime per week. This results in an estimate of
14 \$7,537,541.25 (126,575 weeks * \$19.85 hourly rate * 1.5 overtime rate * 2 hour of unpaid work
15 per week), but I discounted this figure by 80% to account for the difficulty of prevailing on a
16 motion for class certification and a trial on the merits because liability depends on whether
17 Defendant knew or should have known that class members were working off-the-clock, yielding a
18 realistic damage estimate of \$1,507,508.25.¹

19 22. With respect to the meal period claim, Plaintiffs allege that Defendant required them
20 and similarly situated class members to either work in lieu of taking meal periods, or their meal
21 periods were untimely or interrupted. My expert analyzed Defendant’s timekeeping records and
22 opined that approximately 34.8% of all meal breaks (150,441 shifts) had violations of short,
23 missed, or no meal periods. Potential liability for the meal period claim is \$2,986,253.85 (150,441
24 * \$19.85). However, the data showed that Defendant paid approximately \$645,129.00 in meal
25

26 ¹ An 80% discount for risk at certification and trial is reasonable because the Judicial
27 Council of California found that only 21.4% of all class actions were certified either as part of a
28 settlement *or* as part of a contested certification motion. *See* Findings of the Study of California
Class Action Litigation, 2000-2006, available at [http:// www.courts.ca.gov/documents/class-
action-lit-study.pdf](http://www.courts.ca.gov/documents/class-action-lit-study.pdf).

1 period premium payments since 2016, so I reduced Defendant's liability by this amount, yielding
2 \$2,341,124.85. I further discounted this figure by 80% to account for the difficulty of certifying
3 and proving meal period claims, as well as Defendant's contention that the claim lacks merit,
4 particularly in light of its numerous meal period premium payments, yielding a realistic damage
5 estimate of \$468,224.97.

6 23. With respect to the rest period claim, Plaintiffs allege that Defendant required them
7 and similarly situated class members to work in lieu of taking rest periods, or their rest periods
8 were untimely or interrupted. Assuming a 50% violation rate for the class period based on
9 Plaintiffs' and other class members' experience working for Defendant, Defendant's potential
10 liability for the rest period claim is \$4,289,207.85 (432,162 rest break eligible shifts * 0.5 *
11 \$19.85); however, I discounted this figure by 90% to account for the difficulty of certifying and
12 proving rest period claims, particularly because rest periods do not have to be recorded, and to
13 account for the possibility of class members voluntarily choosing to forego a rest period, yielding
14 a realistic damage estimate of \$428,920.79.

15 24. Plaintiffs allege that Defendant failed to reimburse necessary business expenses.
16 Defendant's employees (including Plaintiffs) were frequently required to use their personal cell
17 phones to communicate with their supervisors and managers about work-related duties. This
18 included communication regarding their schedules and/or the following day's or week's tasks. For
19 purposes of calculating Defendant's liability based on a best case scenario for Plaintiffs and the
20 Class, I estimated that Defendant was liable to each class member for \$20 per pay period in
21 unreimbursed expenses, for a total amount of \$1,044,940.00 (\$20 * 52,247 pay periods worked by
22 the class); however, I discounted this figure by 80% to account for the difficulty of certifying and
23 proving expense reimbursement claims, particularly in light of written policies and practices
24 providing a mechanism for class member's to seek reimbursement, yielding a realistic damage
25 estimate of \$208,988.00.

26 25. In sum, I estimated that Plaintiffs' maximum recovery for the off-the-clock claim,
27 meal period violations, rest period violations, and failure to reimburse expenses is \$15,857,942.95,
28 but, after factoring in the risk and uncertainty of prevailing at certification and trial, I estimate that

1 Plaintiff's realistic estimated recovery for the non-penalty claims is \$2,613,642.01.

2 26. With respect to Plaintiffs' derivative claims for statutory and civil penalties,
3 Plaintiffs estimated that Defendant's realistic potential liability is \$2,613,642.01. While
4 Defendant's maximum potential liability for waiting time penalties is \$5,754,776.40 based on
5 approximately 1,228 terminated class members during the 3-year statute (1,228 * \$19.85 * 8.2
6 hours * 30 days), \$3,527,800.00 for inaccurate wage statements based on approximately 1,274
7 class members who worked 36,552 pay periods within the 1-year statute, and \$3,718,900.00 for
8 PAGA violations based on the Court assessing a \$100 penalty for initial violations for all 36,552
9 pay periods within the 1-year statute, I believe that it would be unrealistic to expect the Court to
10 award the full \$12,934,776.40 in penalties given Defendant's defenses, the contested nature of
11 Plaintiffs' claims, and the discretionary nature of penalties. Considering that the underlying claims
12 are realistically estimated to be \$2,613,642.01, such a disproportionate award would also raise due
13 process concerns. Weighing these factors and applying a discount of 90% to account for the risk
14 and uncertainty of prevailing at trial, I arrived at \$1,293,477.64 for statutory and civil penalties.

15 27. Using these estimated figures, Plaintiff predicted that the realistic maximum
16 recovery for all claims, including penalties, would be \$3,907,119.65. This means that the
17 \$3,000,000.00 settlement figure represents 76.8% of the realistic maximum recovery
18 ($\$3,000,000.00 / \$3,907,119.65 = 76.8\%$). Considering the risk and uncertainty of prevailing at
19 class certification and at trial, this is an excellent result for the Class.² Indeed, because of the
20 proposed Settlement, class members will receive timely, guaranteed relief and will avoid the risk
21 of an unfavorable judgment.

22 28. While Plaintiffs are confident in the merits of their claims, a legitimate controversy
23 exists as to each cause of action. Plaintiffs also recognizes that proving the amount of wages due
24

25 ² See, e.g., *Wise v. Ulta Salon, Cosmetics & Fragrance, Inc.* (E.D. Cal. Aug. 21, 2019)
26 2019 WL 3943859 at *8 (granting preliminary approval where the proposed allocation to settle
27 class claims was between 9.53 percent of Plaintiffs' maximum recovery); *Bravo v. Gale*
28 *Triangle, Inc.* (C.D. Cal. Feb 16, 2017) 2017 WL 708766 at * 10 (finding that "a settlement for
fourteen percent recovery of Plaintiffs' maximum recovery is reasonable"); *In re Omnivision*
Techs., Inc. (N.D. Cal. 2008) 559 F.Supp.2d 1036, 1042 (approving settlement amount that "is
just over 9% of the maximum potential recovery asserted by either party.").

1 to each Class Member would be an expensive, time-consuming, and uncertain proposition.

2 29. This Settlement avoids the risks and the accompanying expense of further litigation.
3 Although the Parties had engaged in a significant amount of investigation, informal and formal
4 discovery, a deposition, and class-wide data analysis, the Parties had not yet completed formal
5 written discovery. Plaintiffs intended to depose additional corporate officers and managers of
6 Defendant. Moreover, preparation for class certification and a trial remained for the Parties as well
7 as the prospect of appeals in the wake of a disputed class certification ruling for Plaintiffs and/or
8 adverse summary judgment ruling. Had the Court certified any claims, Defendant could move to
9 decertify the claims. As a result, the Parties would incur considerably more attorneys' fees and
10 costs through trial.

11 30. The Net Settlement Amount available for Class Member settlement payments is
12 estimated to be \$1,755,000.00, for a class of 1,954 persons.³ As a result, each Settlement Class
13 Member is eligible to receive an average net benefit of approximately \$898.16.

14 31. The proposed Settlement of \$3,000,000.00, therefore, represents a substantial
15 recovery when compared to Plaintiffs' reasonably forecasted recovery. When considering the risks
16 of litigation, the uncertainties involved in achieving class certification, the burdens of proof
17 necessary to establish liability, the probability of appeal of a favorable judgment, it is clear that the
18 settlement amount of \$3,000,000.00 is within the "ballpark" of reasonableness, and preliminary
19 settlement approval is appropriate.

20 ENHANCEMENT AWARD FOR PLAINTIFF IS REASONABLE

21 32. Class Counsel represent that Plaintiffs devoted a great deal of time and work
22 assisting counsel in the case, communicated with counsel very frequently for litigation and to
23 prepare for mediation, and was frequently in contact with Class Counsel during the mediation.
24 Plaintiffs' requested enhancement awards are reasonable particularly in light of the substantial
25 benefits Plaintiffs generated for all class members.

26
27 ³ The Net Settlement Amount is: \$3,000,000.00 minus \$1,000,000.00 for Class Counsel's
28 attorneys' fees, minus \$40,000.00 for Class Counsel's litigation expenses, minus \$25,000.00 in
administration costs, minus \$150,000.00 for the PAGA payment, and minus \$30,000.00 for the
class representative service awards to Plaintiffs.

1 33. Throughout this Litigation, Plaintiffs, who are former employees of Defendant, have
2 cooperated immensely with my office and have taken many actions to protect the interests of the
3 class. Plaintiffs provided valuable information regarding the off-the-clock, meal period, and rest
4 period claims. Plaintiffs also informed my office of developments and information relevant to this
5 action, participated in decisions concerning this action, made herself available to answer questions
6 during the mediation, and provided my office with the names and contact information of potential
7 witnesses in this action. Before we filed this case, Plaintiffs provided my office with documents
8 regarding the claims alleged in this action. The information and documentation provided by
9 Plaintiffs was instrumental in establishing the wage and hour violations alleged in this action, and
10 the recovery provided for in the Settlement Agreement would have been impossible to obtain
11 without Plaintiffs' participation.

12 34. At the same time, Plaintiffs faced many risks in adding themselves as the class
13 representatives in this matter. Plaintiffs faced actual risks with their future employment, as putting
14 themselves on public record in an employment lawsuit could also very well affect their likelihood
15 for future employment. Furthermore, as part of this Settlement, Plaintiffs are executing a general
16 release of all claims against Defendant.

17 35. In turn, class members will now have the opportunity to participate in a settlement,
18 reimbursing them for alleged wage violations they may have never known about on their own or
19 been willing to pursue on their own. If these class members would have each tried to pursue their
20 legal remedies on their own, that would have resulted in each having to expend a significant amount
21 of their own monetary resources and time, which were obviated by Plaintiffs putting themselves
22 on the line on behalf of these other class members.

23 36. In the final analysis, this class action would not have been possible without the aid
24 of Plaintiffs, who put their own time and effort into this Litigation, sacrificed the value of their
25 own individual claims, and placed themselves at risk for the sake of the class members. The
26 requested enhancement award for Plaintiffs for their service as the class representative and for their
27 general release of all individual claims is a relatively small amount of money when the time and
28 effort put into the Litigation are considered and in comparison to enhancements granted in other

1 class actions. The requested incentive award is therefore reasonable to compensate Plaintiffs for
2 their active participation in this lawsuit. Indeed, in *Karl Adams, III, et al. v. MarketStar*
3 *Corporation*, et al., No. 2:14-cv-02509-TLN-DB, a wage and hour class action alleging that class
4 members were misclassified as exempt outside salespersons, I was co-lead Class Counsel and
5 helped negotiate a \$2.5 million class action settlement for 339 class members, and the court
6 approved a \$25,000.00 class representative incentive award for each named Plaintiffs.

7 THE REQUEST FOR ATTORNEYS' FEES AND COSTS IS REASONABLE

8 37. The Settlement provides for attorney's fees payable to Class Counsel in an amount
9 up to one-third (33 1/3%) of the Settlement Amount, for a maximum fees award of \$1,000,000.00,
10 plus actual costs and expenses not to exceed \$40,000.00. The proposed award of attorneys' fees
11 to Class Counsel in this case can be justified under either method – lodestar or percentage recovery.
12 Class Counsel, however, intend to base the proposed award of fees, costs and expenses on the
13 percentage method as many of the entries in the time records will have to be redacted to preserve
14 attorney-client and attorney work product privileges.

15 38. I am informed and believe that the fee and costs provision is reasonable. The fee
16 percentage requested is less than that charged by my office for most employment cases. My office
17 invested significant time and resources into the case, with payment deferred to the end of the case,
18 and then, of course, contingent on the outcome.

19 39. It is further estimated that my office will need to expend at least another 50 to 100
20 hours to monitor the process leading up to the final approval and payments made to the class. My
21 office also bears the risk of taking whatever actions are necessary if Defendant fails to pay.

22 40. The risk to my office has been very significant, particularly if we would not be
23 successful in pursuing this class action. In that case, we would have been left with no compensation
24 for all the time taken in litigating this case. Indeed, I have taken on a number of class action cases
25 that have resulted in thousands of attorney hours being expended and ultimately having
26 certification denied or the defendant company going bankrupt. The contingent risk in these types
27 of cases is very real and they do occur regularly. Furthermore, we were precluded from focusing
28 on, or taking on, other cases which could have resulted in a larger, and less risky, monetary gain.

1 41. Because most individuals cannot afford to pay for representation in litigation on an
2 hourly basis, Wilshire Law Firm, PLC represents virtually all of its employment law clients on a
3 contingency fee basis. Pursuant to this arrangement, we are not compensated for our time unless
4 we prevail at trial or successfully settle our clients' cases. Because Wilshire Law Firm, PLC is
5 taking the risk that we will not be reimbursed for our time unless our client settles or wins his or
6 her case, we cannot afford to represent an individual employee on a contingency basis if, at the
7 end of our representation, all we are to receive is our regular hourly rate for services. It is essential
8 that we recover more than our regular hourly rate when we win if we are to remain in practice so
9 as to be able to continue representing other individuals in civil rights employment disputes.

10 MY EXPERIENCE AND QUALIFICATIONS

11 42. Wilshire Law Firm, PLC was selected by Best Lawyers and U.S. News & World
12 Report as one of the nation's Best Law Firms for every year since 2020 and is comprised of over
13 70 attorneys and over 500 employees. Wilshire Law Firm, PLC is actively and continuously
14 practicing in employment litigation, representing employees in both individual and class actions
15 in both state and federal courts throughout California.

16 43. Wilshire Law Firm, PLC is qualified to handle this Litigation because its attorneys
17 are experienced in litigating Labor Code violations in both individual, class action, and
18 representative action cases. Wilshire Law Firm, PLC has handled, and is currently handling,
19 numerous wage and hour class action lawsuits, as well as class actions involving consumer rights
20 and data privacy litigation.

21 44. I graduated from the University of California, Los Angeles's College Honors
22 Program in 2004 with Bachelor of Arts degrees in History and Japanese, *magna cum laude* and *Phi*
23 *Beta Kappa*. As an undergraduate, I also received a scholarship to study abroad for one year at
24 Tokyo University in Tokyo, Japan. I received my Juris Doctor from Notre Dame Law School in
25 2008.

26 45. My practice is focused on advocating for the rights of consumers and employees in
27 class action litigation and appellate litigation. I am currently the primary attorney in charge of
28 litigating several class action cases in state and federal courts across the United States.

1 46. I have received numerous awards for my legal work. From 2017 to 2020, Super
2 Lawyers selected me as a “Southern California Rising Star,” and from 2022 to 2024, I was selected
3 as a “Southern California Super Lawyer.” I was selected as one of the “Best Lawyers in America”
4 in 2023 and 2024. In 2016 and 2017, the National Trial Lawyers selected me as a “Top 40 Under
5 40” attorney. I am also rated 10.0 (“Superb”) by Avvo.com.

6 47. I am on the California Employment Lawyers Association (“CELA”)’s Wage and
7 Hour Committee and Mentor Committee, and I was selected to speak at CELA’s 2019 Advanced
8 Wage & Hour Seminar on the topic of manageability of class actions. Since 2013, I have actively
9 mentored young attorneys through CELA’s mentorship program.

10 48. I am also a past member of the Consumer Attorneys of California (“CAOC”). In
11 2020, I was selected for a position on CAOC’s Board of Directors. I am also a past member of
12 CAOC’s Diversity Committee, and I helped assist the CAOC in defeating bills that harm
13 employees. Indeed, I recently helped assist Jacqueline Serna, Esq., Legislative Counsel for CAOC,
14 in defeating AB 443, which proposed legislation that sought to limit the enforceability of California
15 Labor Code § 226.

16 49. As the attorney responsible for day-to-day management of this matter at the
17 Wilshire Law Firm, PLC, I have over fourteen years of experience with litigating wage and hour
18 class actions. Over the last fourteen years, I have managed and assisted with the litigation and
19 settlement of several wage and hour class actions. In those class actions, I performed similar tasks
20 as those performed in the course of prosecuting this action. My litigation experience includes:

- 21 a. I served as lead or co-lead in negotiating class action settlements worth over \$10
22 million in gross recovery to class members for each year since 2020, including over
23 \$37.5 million in 2022 and over \$75 million in 2023.
- 24 b. I was part of the team of attorneys that prevailed in *Moore v. Centrelake*
25 *Medical Group, Inc.* (2022) 83 Cal.App.5th 515, the first California appellate
26 decision in a data breach class action holding that consumer plaintiffs
27 adequately alleged injury in fact under the benefit of the bargain theory and
28 monitoring-costs theory.

- 1 c. In 2022, Top Verdict recognized Wilshire Law Firm and myself for having one
2 case in the Top 20 Labor & Employment Settlements (including number 19 for the
3 \$4.1 million settlement in The FPI Management Wage and Hour Cases) and four
4 additional cases in the Top 50 Labor & Employment Settlements (numbers 36, 39,
5 41, and 49).
- 6 d. In 2021, Top Verdict recognized Wilshire Law Firm and myself for having one case
7 in the Top 20 Labor & Employment Settlements (including number 19 for the \$1.6
8 million settlement in *Moreno v. Pretium Packaging, L.L.C*) and four additional
9 cases in the Top 50 Labor & Employment Settlements (numbers 27, 30, 33, and 37).
- 10 e. To my knowledge, I am the only attorney to appear on each of the following Top
11 Verdict lists for 2018 in California: Top 20 Civil Rights Violation Verdicts, Top 20
12 Labor & Employment Settlements, and Top 50 Class Action Settlements.
- 13 f. As lead counsel, on April 29, 2021, I prevailed against CVS Pharmacy, Inc. by
14 winning class certification on behalf of hundreds of thousands of consumers for
15 misleading advertising claims in *Joseph Mier v. CVS Pharmacy, Inc.*, U.S. Dist. Ct.
16 C.D. Cal. no. SA CV 20-1979-DOC-(ADSx).
- 17 g. As lead counsel, I prevailed against Bank of America by: winning class certification
18 on behalf of thousands of employees for California Labor Code violations; defeating
19 appellate review of the court's order certifying the class; defeating summary
20 judgment; and defeating a motion to dismiss. (*Frausto v. Bank of America, N.A.*
21 (N.D. Cal. 2019) 334 F.R.D. 192, 2020 WL 1290302 (9th Cir. Feb. 27, 2020), 2019
22 WL 5626640 (N.D. Cal. Oct. 31, 2019), 2018 W.L. 3659251 (N.D. Cal. Aug. 2,
23 2018)). The decision certifying the class in *Frausto* is also discussed in Class
24 Certification Under Fed. R. Civ. P. 23 in Action by Information Technology or Call
25 Center Employees for Violation of State Law Wage and Hour Rules, 35 A.L.R. Fed.
26 3d Art. 8.
- 27 h. I was the primary author of the class certification and expert briefs in *ABM*
28 *Industries Overtime Cases* (2017) 19 Cal.App.5th 277, a wage and hour class action

1 for over 40,000 class members for off-the-clock, meal period, split shift, and
2 reimbursement claims. *ABM Industries Overtime Cases* is the first published
3 California appellate authority to hold that an employer’s “auto-deduct policy for
4 meal breaks in light of the recordkeeping requirements for California employers is
5 also an issue amenable to classwide resolution.” (*Id.* at p. 310.)⁴ Notably, the Court
6 of Appeal also held that expert analysis of timekeeping records can also support the
7 predominance requirement for class certification. (*Id.* at p. 310-11.) In 2021, the
8 case settled for \$140 million, making it one of the largest ever wage and hour class
9 action settlements for hourly-paid employees in California.

- 10 i. I briefed, argued, and won *Yocupicio v. PAE Group, LLC* (9th Cir. 2015) 795 F.3d
11 1057. The Ninth Circuit ruled in my client’s favor and held that non-class claims
12 under California’s Private Attorney Generals Act (“PAGA”) cannot be used to
13 calculate the amount in controversy under the Class Action Fairness Act (“CAFA”).
14 This case is cited in several leading treatises such as Wright & Miller’s Federal
15 Practice & Procedure, and Newberg on Class Actions. In October 2016, the U.S.
16 Supreme Court denied review of a case that primarily concerned *Yocupicio*. That
17 effort was led by Theodore J. Boutrous, who brought the cert petition, with amicus
18 support from a brief authored by Andrew J. Pincus.⁵ Considering that leading
19 Supreme Court practitioners from the class action defense bar were very motivated
20 in undermining *Yocupicio* case, but failed, this demonstrates the national importance
21 of the *Yocupicio* decision.
- 22 j. On December 13, 2018, the United States District Court granted final approval of
23 the \$2,500,000 class action settlement in *Mark Brulee, et al. v. DAL Global Services,*

26 ⁴ As a California district court observed before the *ABM Industries Overtime* decision,
27 “[t]he case law regarding certification of auto-deduct classes is mixed.” (*Wilson v. TE*

6 lawful policy because “[t]he fact that a company has a policy of not violating the
7 law does not mean that the employees follow it, which is the issue here.” The court
8 also ordered defendant to pay for the cost of *Belaire-West* notice.

9 l. In 2013, I represented a whistleblower that reported that his former employer was
10 defrauding the State of California with the help of bribes to public employees. The
11 case, a false claims (qui tam) action, resulted in the arrest and criminal prosecution
12 of State of California employees by the California Attorney General’s Office.

13 m. In 2013, I was part of a team of attorneys that obtained conditional certification for
14 over 2,000,000 class members in a federal labor law case for misclassification of
15 independent contractors that did crowdsourced work on the Internet, *Otey v.*
16 *CrowdFlower, Inc.*, N.D. Cal. Case No. 12-cv-05524-JST (MEJ), resulting in the
17 following pro-plaintiff reported decisions:

18 i. 2013 U.S. Dist. LEXIS 151846 (N.D. Cal. Oct. 22, 2013) (holding that an
19 unaccepted Rule 68 offer doesn’t moot plaintiff’s claims, and granting
20 plaintiff’s motion to strike defendant’s affirmative defenses based on
21 *Twombly/Iqbal*).

22 ii. 2013 U.S. Dist. LEXIS 122007 (N.D. Cal. Aug. 27, 2013) (order granting
23 conditional collective certification).

24 iii. 2013 U.S. Dist. LEXIS 95687 (N.D. Cal. July 8, 2013) (affirming the
25 magistrate judge’s discovery ruling which held that “evidence of other
26 sources of income is irrelevant to the question of whether a plaintiff is an
27 employee within the meaning of the FLSA”).

28 iv. 2013 U.S. Dist. LEXIS 91771 (N.D. Cal. June 20, 2013) (granting broad

discovery because “an FLSA plaintiff is entitled to discovery from locations where he never worked if he can provide some evidence to indicate company-wide violations”).

n. From 2012 to 2013, I was part of a team of attorneys that obtained class certification for over 60,000 class members for off-the-clock claims, *Linares v. Securitas Security Services USA, Inc.*, Los Angeles Superior Court No. BC416555. We also successfully opposed subsequent appeals to the California Court of Appeal and California Supreme Court.

50. My current contingent billing rate of \$1,500.00 per hour is consistent with my actual billing rate for paid legal industry consulting services, my practice area, lead appellate experience in the Ninth Circuit Court of Appeals, numerous awards received, legal market and accepted hourly rates:

- a. I have been paid for legal industry consulting services at \$1,500 per hour by Gerson Lehrman Group (GLG), a company that provides financial information and advises investors and consultants with business clients seeking expert advice. GLG is one of the largest companies that provides expert consulting services. GLG’s clients include corporations, hedge funds, private equity firms, and consulting firms. I have worked with GLG on numerous occasions at a rate of \$1,500 per hour, including on three recent occasions in October and November of 2023.
- b. On January 11, 2024, the Hon. Laurel Beeler of the United States District Court, Northern District of California approved my \$1,500 hourly rate when she granted final approval of the class action settlement in *Suarez v. Bank of America, N.A.* (N.D. Cal. Jan. 11, 2024), No. 18-cv-01202-LB, 2024 WL150721, *3 (“As for the lodestar cross-check, the billing rates are normal and customary for timekeepers with similar qualifications and experience in the relevant market.”)
- c. On January 11, 2024, the Hon. Harold Hopp of the Riverside County Superior

1 Court approved my \$1,500 hourly rate when he granted final approval of the
2 class action settlement in *Gutierrez v. Next Level Door & Millwork, Inc.*, No.
3 CVRI2105455.

4 d. On May 6, 2022, the Hon. Jay A. Garcia-Gregory of the United States District
5 Court in Puerto Rico approved my \$850 hourly rate when he granted final
6 approval of the class action settlement in *Serrano v. Inmediata Corp.*, No. 3:19-
7 cv-01811-JAG, Dkt. 57 (U.S. Dist. Ct. P.R. May 6, 2022).

8 e. On September 9, 2021, the Hon. Peter Wilson of the Orange County Superior Court
9 approved my \$800 hourly rate when he granted final approval of the class action
10 settlement in *Ricardo Campos Hernandez v. Adams Iron Co., Inc.*, No. 30-2019-
11 01066522-CU-OE-CXC.

12 f. On August 6, 2021, the Hon. Stanley Blumenfeld, Jr. of the United States District
13 Court granted final approval of the \$1,600,000 class action settlement in *Carlos*
14 *Moreno v. Pretium Packaging, Inc.* (C.D. Cal. Aug. 6, 2021) No. 8:19-cv-02500-
15 SB-DFM, 2021 WL 3673845 in which I served as lead counsel. In doing so, the
16 Court approved my then \$750 hourly rate after finding it was “reasonable, given the
17 qualifications of the attorneys who worked on this matter.” (*Id.* at p. *3.)

18 g. On January 19, 2021, the Hon. Elihu M. Berle of the Los Angeles County Superior
19 Court approved my \$750 hourly rate when he granted final approval of the class
20 action settlement in *Faye Zhang v. Richemont North America, Inc.*, Case No.
21 19STCV32396.

22 51. The reasonableness of my firm’s hourly rates is also supported by several surveys
23 of legal rates, including the following:

24 a. The 2022 Real Rate Report survey compiled by Wolters Kluwer, which presents
25 the real market rates of Los Angeles area attorneys who practice litigation. For
26 that category, the third quartile 2022 rate was \$1,045 per hour for partners and
27 \$855 for associates. Likewise, page 32 of the Report describes the rates charged
28 by 183 Los Angeles partners with “21 or more years of experience” and “Fewer

1 than 21 years.” For those categories, the third quartile Los Angeles partner rate in
2 2022 were \$1,133 per hour for 21 or more years and \$1,075 for attorneys with
3 fewer than 21 years. A true and correct copy of portions of the 2022 Real Rate
4 Report is attached hereto as **Exhibit 4**.

- 5 b. In an article entitled “Big Law Rates Topping \$2,000 Leave Value ‘In Eye of
6 Beholder,’” written by Roy Strom and published by Bloomberg Law on June 9,
7 2022, the author describes how Big Law firms have crossed the \$2,000-per hour
8 rate. The article also notes that law firm rates have been increasing by just under
9 3% per year. A true and correct copy of this article is attached hereto as **Exhibit 5**.

10 52. Arsiné Grigoryan is an Associate Attorney at my office. She earned two Bachelor
11 of Arts degrees from the University of California, Berkeley in (1) Political Science with an
12 emphasis on international relations and (2) Media Studies. She obtained her Juris Doctor degree
13 from Southwestern Law School. She is presently admitted to practice in all state courts of
14 California (admitted in 2017) and before all federal district courts in California. The focus of her
15 practice at Wilshire Law Firm is currently on class action wage-and-hour law, including Private
16 Attorneys General Act of 2004 (“PAGA”) matters. Prior to joining Wilshire Law Firm, PLC, she
17 worked at a law firm specializing in wage-and-hour class action cases. She is also handling more
18 than a dozen active class action matters currently pending and prosecuting multiple PAGA
19 collective action matters in various courts throughout the State of California. Her current
20 contingency billing rate for this case is \$600.00 per hour which is commensurate with Ms.
21 Grigoryan’s years of experience and work in this practice area.

22 53. Bradford Smith is a Law and Motion Attorney at Wilshire Law Firm. He graduated
23 from the University of California, Irvine with a Bachelor of Arts in History and received his Juris
24 Doctor from Loyola Law School, Los Angeles in 2022. He was admitted to practice law in the
25 State of California in 2022. Before joining Wilshire Law Firm, he worked at a law firm
26 specializing in insurance defense litigation. His focus now is on wage and hour class action
27 litigation.

2. RECITALS.

2.1. On April, 10, 2020, Plaintiff Neil Modino commenced this Action alleging a putative wage and hour class action against Defendant. On June 15, 2020, Plaintiff Modino filed his First Amended Complaint adding a cause of action for civil penalties under the Private Attorney General Action (Lab. Code §§ 2699, *et seq.*). Prior to the filing of the Motion for Preliminary Approval of the Class and PAGA Action Settlement, and pursuant to the stipulation of the Parties, Plaintiff Modino will file a Second Amended Complaint, which will add Plaintiff Rita Ortiz as a new class representative and consolidate the class and PAGA actions of Valerie Fowler into one action, all which will allege against Defendant Laurel Avenue the following causes of action: (1) failure to pay minimum and straight time wages (Cal. Lab. Code §§ 204, 1194, 1194.2, and 1197); (2) failure to pay overtime wages (Cal. Lab. Code §§ 1194 and 1198); (3) failure to provide meal periods (Cal. Lab. Code §§ 226.7 and 512); (4) failure to authorize and permit rest periods (Cal. Lab. Code § 226.7); (5) failure to timely pay final wages at termination (Cal. Lab. Code §§201-203); (6) failure to provide accurate itemized wage statements (Cal. Lab. Code § 226); (7) Unfair Business Practices (Cal. Bus. & Prof. Code §§ 17200, *et seq.*); and (8) civil penalties under the Private Attorney General Action (Lab. Code §§ 2699, *et seq.*). The Second Amended Complaint will be the operative complaint in the Action (the “Operative Complaint”). Defendant Laurel Avenue denies the allegations in the Operative Complaint, denies any failure to comply with the laws identified in the Operative Complaint, and denies any and all liability for the causes of action alleged.

2.2. Pursuant to Labor Code section 2699.3, subd. (a), Plaintiff Modino gave timely written notice to Defendant Laurel Avenue and the LWDA on behalf of the Aggrieved Employees by sending the PAGA Notice (see Section 1.34 above). Plaintiff Fowler also gave timely written notice.

2.3. On September 15, 2022, the Parties participated in an all-day mediation presided over by mediator Jeffrey A. Ross. The matter did not resolve at the mediation. However, the Parties reached this settlement in continued negotiations that took place between the Parties after the mediation, with Mr. Ross’s assistance.

2.4. Prior to and following mediation, Plaintiff obtained, through formal and informal discovery samples of employee time and payroll records and relevant data points

pertaining to the class and PAGA claims. Plaintiff's investigation was sufficient to satisfy the criteria for court approval set forth in *Dunk v. Foot Locker Retail, Inc.* (1996) 48 Cal.App.4th 1794, 1801 and *Kullar v. Foot Locker Retail, Inc.* (2008) 168 Cal.App.4th 116, 129-130 ("*Dunk/Kullar*").

2.5. The Court has not granted class certification.

2.6. The Parties, Class Counsel, and Defense Counsel represent that they are not aware of any other pending matter or action asserting claims that will be extinguished or affected by the Settlement.

3. MONETARY TERMS.

3.1. Gross Settlement Amount. Except as otherwise provided by Paragraph 9 below, Laurel Avenue promises to pay Three Million Dollars (\$3,000,000.00) and no more as the Gross Settlement Amount and to separately pay any and all employer payroll taxes owed on the Wage Portions of the Individual Class Payments (as defined in Section 3.2.4.1.) Laurel Avenue has no obligation to pay the Gross Settlement Amount (or any payroll taxes) prior to the deadline stated in Paragraph 4.3 of this Agreement. The Administrator will disburse the entire Gross Settlement Amount without asking or requiring Participating Class Members or Aggrieved Employees to submit any claim as a condition of payment. None of the Gross Settlement Amount will revert to Laurel Avenue.

3.2. Payments from the Gross Settlement Amount. The Administrator will make and deduct the following payments from the Gross Settlement Amount, in the amounts specified by the Court in the Final Approval:

3.2.1. To Plaintiffs: Class Representative Service Payment to the Class Representatives of not more than \$10,000.00 each (in addition to any Individual Class Payment and any Individual PAGA Payment the Class Representative is entitled to receive as a Participating Class Member). Laurel Avenue will not oppose Plaintiffs' request for Class Representative Service Payments that do not exceed this amount. As part of the motion for Class Counsel Fees Payment and Class Litigation Expenses Payment, Plaintiff will seek Court approval for any Class Representative Service Payments no later than 16 court days prior to the Final Approval Hearing. If the Court approves a Class Representative Service Payment less than the amount requested, the Administrator will retain the remainder in the Net Settlement Amount. The Administrator will pay the Class Representative Service Payments using IRS Form 1099. Plaintiffs assume full responsibility and liability for employee taxes owed on the Class Representative Service Payments.

- 3.2.2. Laurel Avenue will not oppose requests for these payments provided that do not exceed these amounts. - 3.2.4.1. Tax Allocation of Individual Class Payments. 20% of each Participating Class Member's Individual Class Payment will be allocated to settlement of wage claims (the "Wage Portion"). The Wage Portions are subject to tax withholding and will be reported on an IRS W-2 Form. The 80% of each Participating Class Member's Individual Class Payment will be allocated to settlement of claims for interest and penalties (the "Non-Wage Portion"). Participating Class Members assume full responsibility and liability for any employee taxes owed on their Individual Class Payment.
- 3.2.4.2. Effect of Non-Participating Class Members on Calculation of Individual Class Payments. Non-Participating Class Members will not receive any Individual Class Payments. The Administrator will retain amounts equal

to their Individual Class Payments in the Net Settlement Amount for distribution to Participating Class Members on a pro rata basis.

To the LWDA and Aggrieved Employees: PAGA Penalties in the amount of One Hundred Fifty Thousand Dollars (\$150,000.00) to be paid from the Gross Settlement Amount, with 75% or One Hundred Twelve Thousand and Five Hundred Dollars (\$112,500.00) allocated to the LWDA PAGA Payment and 25% or Thirty Seven Thousand and Five Hundred Dollars (\$37,500.00) allocated to the Individual PAGA Payments.

3.2.5.1. The Administrator will calculate each Individual PAGA Payment by (a) dividing the amount of the Aggrieved Employees' 25% share of PAGA Penalties (\$37,500.00) by the total number of PAGA Period Pay Periods worked by all Aggrieved Employees during the PAGA Period and (b) multiplying the result by each Aggrieved Employee's PAGA Period Pay Periods. Aggrieved Employees assume full responsibility and liability for any taxes owed on their Individual PAGA Payment.

3.2.5.2. If the Court approves PAGA Penalties of less than the amount requested, the Administrator will allocate the remainder to the Net Settlement Amount. The Administrator will report the Individual PAGA Payments on IRS 1099 Forms.

4.2. Class Data. Not later than 15 days after the Court grants Preliminary Approval of the Settlement, Laurel Avenue will simultaneously deliver the Class Data to the Administrator, in the form of a Microsoft Excel spreadsheet. To protect Class Members' privacy rights, the Administrator must maintain the Class Data in confidence, use the Class Data only for purposes of this Settlement and for no other purpose, and restrict access to the Class Data to Administrator employees who need access to the Class Data to effect and perform under this Agreement. Laurel Avenue has a continuing duty to immediately notify Class Counsel if it discovers that the Class Data omitted class member identifying information and to provide corrected or updated Class Data as soon as reasonably feasible. Without any extension of the deadline by which Laurel Avenue must send the Class Data to the Administrator, the Parties and their counsel will expeditiously use best efforts, in good faith, to reconstruct or otherwise resolve any issues related to missing or omitted Class Data.

4.3. Funding of Gross Settlement Amount. Laurel Avenue shall fully fund the Gross Settlement Amount, and also fund the amounts necessary to fully pay Laurel Avenue's

share of payroll taxes by transmitting the funds to the Administrator no later than 30 days after the Effective Date.

Within 14 days after Laurel Avenue funds the Gross Settlement Amount, the Administrator will mail checks for all Individual Class Payments, all Individual PAGA Payments, the LWDA PAGA Payment, the Administration Expenses Payment, the Class Counsel Fees Payment, the Class Counsel Litigation Expenses Payment, and the Class Representative Service Payment. - 4.4.1. The Administrator will issue checks for the Individual Class Payments and/or Individual PAGA Payments and send them to the Class Members via First Class U.S. Mail, postage prepaid. The face of each check shall prominently state the date (not less than 180 days after the date of mailing) when the check will be voided. The Administrator will cancel all checks not cashed by the void date. The Administrator will send checks for Individual Settlement Payments to all Participating Class Members (including those for whom Class Notice was returned undelivered). The Administrator will send checks for Individual PAGA Payments to all Aggrieved Employees including Non-Participating Class Members who qualify as Aggrieved Employees (including those for whom Class Notice was returned undelivered). The Administrator may send Participating Class Members a single check combining the Individual Class Payment and the Individual PAGA Payment. Before mailing any checks, the Settlement Administrator must update the recipients' mailing addresses using the National Change of Address Database.
- 4.4.2. The Administrator must conduct a Class Member Address Search for all other Class Members whose checks are returned undelivered without USPS forwarding address. Within 7 days of receiving a returned check the Administrator must re-mail checks to the USPS forwarding address provided or to an address ascertained through the Class Member Address Search. The Administrator need not take further steps to deliver checks to Class Members whose re-mailed checks are returned as undelivered. The Administrator shall promptly send a replacement check to any Class Member whose original check was lost or misplaced, requested by the Class Member prior to the void date.
- 4.4.3. For any Class Member whose Individual Class Payment check or Individual PAGA Payment check is uncashed and cancelled after the void date, the Administrator shall transmit the funds represented by such checks to the State of California's Unclaimed Property Fund in the name of the intended recipient, thereby leaving no "unpaid residue" subject to the requirements of California Code of Civil Procedure Section 384, subd. (b).
- 4.4.4. The payment of Individual Class Payments and Individual PAGA Payments shall not obligate Laurel Avenue to confer any additional benefits or

make any additional payments to Class Members (such as 401(k) contributions or bonuses) beyond those specified in this Agreement.

(1)(2)); and all facts relevant to any actual or potential conflict of interest with Class Members and the Administrator. In their Declarations, Plaintiff and Class Counsel Declaration shall aver that they are not aware of any other pending matter or action asserting claims that will be extinguished or adversely affected by the Settlement. Before the filing of the Motion, the Parties have agreed to allow Plaintiff Modino to file an amended pleading in the *Modino* action to consolidate all cases and add Rita Ortiz as a new named plaintiff and class representative.

The Parties and their Counsel represent that they have no interest or relationship, financial or otherwise, with the Administrator other than a professional relationship arising out of prior experiences administering settlements.

8.2 Employer Identification Number. The Administrator shall have and use its own Employer Identification Number for purposes of calculating payroll tax withholdings and providing reports state and federal tax authorities.

- 8.3 Qualified Settlement Fund. The Administrator shall establish a settlement fund that meets the requirements of a Qualified Settlement Fund (“QSF”) under US Treasury Regulation section 468B-1.

- 8.4.2 Using best efforts to perform as soon as possible, and in no event later than 14 days after receiving the Class Data, the Administrator will send to all Class Members identified in the Class Data, via first-class United States Postal Service (“USPS”) mail, the Class Notice with Spanish translation. The first page of the Class Notice shall prominently estimate the dollar amounts of any Individual Class Payment and/or Individual PAGA Payment payable to the Class Member, and the number of Workweeks and PAGA Pay Periods (if applicable) used to calculate these amounts. Before mailing Class Notices, the Administrator shall update Class Member addresses using the National Change of Address database.
- 8.4.3 Not later than 3 business days after the Administrator’s receipt of any Class Notice returned by the USPS as undelivered, the Administrator shall re-mail the Class Notice using any forwarding address provided by the USPS. If the USPS does not provide a forwarding address, the Administrator shall conduct a Class Member Address Search, and re-mail the Class Notice to the most current address obtained. The Administrator has no obligation to make further attempts to locate or send Class Notice to Class Members whose Class Notice is returned by the USPS a second time.
- 8.4.4 The deadlines for Class Members’ written objections, Challenges to Workweeks and/or Pay Periods, and Requests for Exclusion will be extended an additional 14 days beyond the 60 days otherwise provided in the Class Notice for all Class Members whose notice is re-mailed. The Administrator will inform the Class Member of the extended deadline with the re-mailed Class Notice.
- 8.4.5 If the Administrator, Laurel Avenue or Class Counsel is contacted by or otherwise discovers any persons who believe they should have been included in the Class Data and should have received Class Notice, the Parties will expeditiously meet and confer in person or by telephone, and in good faith, in an effort to agree on whether to include them as Class Members. If the Parties agree, such persons will be Class Members entitled to the same rights as other Class Members, and the Administrator will send, via email or overnight delivery, a Class Notice requiring them to exercise options under this Agreement not later

than 14 days after receipt of Class Notice, or the deadline dates in the Class Notice, which ever are later.

8.5 Requests for Exclusion (Opt-Outs).

8.5.1 Class Members who wish to exclude themselves (opt-out of) the Class Settlement must send the Administrator, by fax, email, or mail, a signed written Request for Exclusion not later than 60 days after the Administrator mails the Class Notice (plus an additional 14 days for Class Members whose Class Notice is re-mailed). A Request for Exclusion is a letter from a Class Member or his/her representative that reasonably communicates the Class Member's election to be excluded from the Settlement and includes the Class Member's name, address and email address or telephone number. To be valid, a Request for Exclusion must be timely faxed, emailed, or postmarked by the Response Deadline.

8.5.2 The Administrator may not reject a Request for Exclusion as invalid because it fails to contain all the information specified in the Class Notice. The Administrator shall accept any Request for Exclusion as valid if the Administrator can reasonably ascertain the identity of the person as a Class Member and the Class Member's desire to be excluded. The Administrator's determination shall be final and not appealable or otherwise susceptible to challenge. If the Administrator has reason to question the authenticity of a Request for Exclusion, the Administrator may demand additional proof of the Class Member's identity. The Administrator's determination of authenticity shall be final and not appealable or otherwise susceptible to challenge.

8.5.3 Every Class Member who does not submit a timely and valid Request for Exclusion is deemed to be a Participating Class Member under this Agreement, entitled to all benefits and bound by all terms and conditions of the Settlement, including the Participating Class Members' Releases under Paragraphs 6.2 and 6.3 of this Agreement, regardless whether the Participating Class Member actually receives the Class Notice or objects to the Settlement.

8.5.4 Every Class Member who submits a valid and timely Request for Exclusion is a Non-Participating Class Member and shall not receive an Individual Class Payment or have the right to object to the class action components of the Settlement. Because future PAGA claims are subject to claim preclusion upon entry of the Judgment, Non-Participating Class Members who are Aggrieved Employees are deemed to release the claims identified in Paragraph 6.4 of this Agreement and are eligible for an Individual PAGA Payment.

8.6 Challenges to Calculation of Workweeks. Each Class Member shall have 60 days after the Administrator mails the Class Notice (plus an additional 14 days for Class Members whose Class Notice is re-mailed) to challenge the number of Class Workweeks and PAGA Pay Periods (if any) allocated to the Class Member in the Class Notice. The Class Member may challenge the allocation by communicating with the Administrator

via fax, email or mail. The Administrator must encourage the challenging Class Member to submit supporting documentation. In the absence of any contrary documentation, the Administrator is entitled to presume that the Workweeks contained in the Class Notice are correct so long as they are consistent with the Class Data. The Administrator's determination of each Class Member's allocation of Workweeks and/or Pay Periods shall be final and not appealable or otherwise susceptible to challenge. The Administrator shall promptly provide copies of all challenges to calculation of Workweeks and/or Pay Periods to Defense Counsel and Class Counsel and the Administrator's determination the challenges.

8.7 Objections to Settlement.

8.7.1 Only Participating Class Members may object to the class action components of the Settlement and/or this Agreement, including contesting the fairness of the Settlement, and/or amounts requested for the Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and/or Class Representative Service Payment.

8.7.2 Participating Class Members may send written objections to the Administrator, by fax, email, or mail. In the alternative, Participating Class Members may appear in Court (or hire an attorney to appear in Court) to present verbal objections at the Final Approval Hearing. A Participating Class Member who elects to send a written objection to the Administrator must do so not later than 60 days after the Administrator's mailing of the Class Notice (plus an additional 14 days for Class Members whose Class Notice was re-mailed).

8.7.3 Non-Participating Class Members have no right to object to any of the class action components of the Settlement.

8.8 Administrator Duties. The Administrator has a duty to perform or observe all tasks to be performed or observed by the Administrator contained in this Agreement or otherwise.

8.8.1 Website, Email Address and Toll-Free Number. The Administrator will maintain and use an internet website to post information of interest to Class Members including the date, time and location for the Final Approval Hearing and copies of the Settlement Agreement, Motion for Preliminary Approval, the Preliminary Approval, the Class Notice, the Motion for Final Approval, the Motion for Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and Class Representative Service Payment, the Final Approval and the Judgment. The Administrator will also maintain and monitor an email address and a toll-free telephone number to receive Class Member calls, faxes and emails.

8.8.2 Requests for Exclusion (Opt-outs) and Exclusion List. The Administrator will promptly review on a rolling basis Requests for Exclusion to ascertain their validity. Not later than 5 days after the expiration of the deadline for submitting

Requests for Exclusion, the Administrator shall email a list to Class Counsel and Defense Counsel containing (a) the names and other identifying information of Class Members who have timely submitted valid Requests for Exclusion (“Exclusion List”); (b) the names and other identifying information of Class Members who have submitted invalid Requests for Exclusion; (c) copies of all Requests for Exclusion from Settlement submitted (whether valid or invalid).

- 8.8.3 Weekly Reports. The Administrator must, on a weekly basis, provide written reports to Class Counsel and Defense Counsel that, among other things, tally the number of: Class Notices mailed or re-mailed, Class Notices returned undelivered, Requests for Exclusion (whether valid or invalid) received, objections received, challenges to Workweeks and/or Pay Periods received and/or resolved, and checks mailed for Individual Class Payments and Individual PAGA Payments (“Weekly Report”). - 8.8.4 Workweek and/or Pay Period Challenges. The Administrator has the authority to address and make final decisions consistent with the terms of this Agreement on all Class Member challenges over the calculation of Workweeks and/or Pay Periods. The Administrator’s decision shall be final and not appealable or otherwise susceptible to challenge.
- 8.8.5 Administrator’s Declaration. Not later than 14 days before the date by which Plaintiff is required to file the Motion for Final Approval of the Settlement, the Administrator will provide to Class Counsel and Defense Counsel, a signed declaration suitable for filing in Court attesting to its due diligence and compliance with all of its obligations under this Agreement, including, but not limited to, its mailing of Class Notice, the Class Notices returned as undelivered, the re-mailing of Class Notices, attempts to locate Class Members, the total number of Requests for Exclusion from Settlement it received (both valid or invalid), the number of written objections and attach the Exclusion List. The Administrator will supplement its declaration as needed or requested by the Parties and/or the Court. Class Counsel is responsible for filing the Administrator’s declaration(s) in Court.
- 8.8.6 Final Report by Settlement Administrator. Within 10 days after the Administrator disburses all funds in the Gross Settlement Amount, the Administrator will provide Class Counsel and Defense Counsel with a final report detailing its disbursements by employee identification number only of all payments made under this Agreement. At least 15 days before any deadline set by the Court, the Administrator will prepare, and submit to Class Counsel and Defense Counsel, a signed declaration suitable for filing in Court attesting to its disbursement of all payments required under this Agreement. Class Counsel is responsible for filing the Administrator's declaration in Court.

9. **CLASS SIZE ESTIMATES and ESCALATOR CLAUSE** Based on its records, Laurel Avenue estimates that, as of July 31, 2023, (1) there are 1,954 Class Members and 126,575 Total Workweeks during the Class period and (2) there were 1,274 Aggrieved Employees who worked 36,552 Pay Periods during the PAGA Period. In the event the number of workweeks worked by the Class Members increases by more than 10%, then the Gross Settlement Amount shall be increased by the same percentage above 10% that the actual number of workweeks that exceeds 125,000, or, at Defendant's option, the class and PAGA periods and releases will end as of the date the actual number of workweeks exceeded 125,000 by 10%.
10. **LAUREL AVENUE'S RIGHT TO WITHDRAW.** If the number of valid Requests for Exclusion identified in the Exclusion List exceeds 10% of the total of all Class Members, Laurel Avenue may, but is not obligated, elect to withdraw from the Settlement. The Parties agree that, if Laurel Avenue withdraws, the Settlement shall be void ab initio, have no force or effect whatsoever, and that neither Party will have any further obligation to perform under this Agreement; provided, however, Laurel Avenue will remain responsible for paying all Settlement Administration Expenses incurred to that point. Laurel Avenue must notify Class Counsel and the Court of its election to withdraw not later than ten (10) days after the Administrator sends the final Exclusion List to Defense Counsel; late elections will have no effect.
11. **MOTION FOR FINAL APPROVAL.** Not later than 16 court days before the calendared Final Approval Hearing, Plaintiff will file in Court, a motion for final approval of the Settlement that includes a request for approval of the PAGA settlement under Labor Code section 2699, subd. (1), a Proposed Final Approval Order and a proposed Judgment (collectively "Motion for Final Approval"). Plaintiff shall provide drafts of these documents to Defense Counsel not later than seven days prior to filing the Motion for Final Approval. Class Counsel and Defense Counsel will expeditiously meet and confer in person or by telephone, and in good faith, to resolve any disagreements concerning the Motion for Final Approval.
- 11.1 Response to Objections. Each Party retains the right to respond to any objection raised by a Participating Class Member, including the right to file responsive documents in Court no later than five court days prior to the Final Approval Hearing, or as otherwise ordered or accepted by the Court.
- 11.2 Duty to Cooperate. If the Court does not grant Final Approval or conditions Final Approval on any material change to the Settlement (including, but not limited to, the scope of release to be granted by Class Members), the Parties will expeditiously work together in good faith to address the Court's concerns by revising the Agreement as necessary to obtain Final Approval. The Court's decision to award less than the amounts requested for the Class Representative Service Payment, Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and/or Administrator Expenses Payment shall not constitute a material modification to the Agreement within the meaning of this paragraph.

11.3 Continuing Jurisdiction of the Court. The Parties agree that, after entry of Judgment, the Court will retain jurisdiction over the Parties, Action, and the Settlement solely for purposes of (i) enforcing this Agreement and/or Judgment, (ii) addressing settlement administration matters, and (iii) addressing such post-Judgment matters as are permitted by law.

11.4 Waiver of Right to Appeal. Provided the Judgment is consistent with the terms and conditions of this Agreement, specifically including the Class Counsel Fees Payment and Class Counsel Litigation Expenses Payment reflected set forth in this Settlement, the Parties, their respective counsel, and all Participating Class Members who did not object to the Settlement as provided in this Agreement, waive all rights to appeal from the Judgment, including all rights to post-judgment and appellate proceedings, the right to file motions to vacate judgment, motions for new trial, extraordinary writs, and appeals. The waiver of appeal does not include any waiver of the right to oppose such motions, writs or appeals. If an objector appeals the Judgment, the Parties' obligations to perform under this Agreement will be suspended until such time as the appeal is finally resolved and the Judgment becomes final, except as to matters that do not affect the amount of the Net Settlement Amount.

11.5 Appellate Court Orders to Vacate, Reverse, or Materially Modify Judgment. If the reviewing Court vacates, reverses, or modifies the Judgment in a manner that requires a material modification of this Agreement (including, but not limited to, the scope of release to be granted by Class Members), this Agreement shall be null and void. The Parties shall nevertheless expeditiously work together in good faith to address the appellate court's concerns and to obtain Final Approval and entry of Judgment, sharing, on a 50-50 basis, any additional Administration Expenses reasonably incurred after remittitur. An appellate decision to vacate, reverse, or modify the Court's award of the Class Representative Service Payment or any payments to Class Counsel shall not constitute a material modification of the Judgment within the meaning of this paragraph, as long as the Gross Settlement Amount remains unchanged.

12. AMENDED JUDGMENT. If any amended judgment is required under Code of Civil Procedure section 384, the Parties will work together in good faith to jointly submit and a proposed amended judgment.

13. ADDITIONAL PROVISIONS.

13.1 No Admission of Liability, Class Certification or Representative Manageability for Other Purposes. This Agreement represents a compromise and settlement of highly disputed claims. Nothing in this Agreement is intended or should be construed as an admission by Laurel Avenue that any of the allegations in the Operative Complaint have merit or that Laurel Avenue has any liability for any claims asserted; nor should it be intended or construed as an admission by Plaintiff that Laurel Avenue's defenses in the Action have merit. The Parties agree that class certification and representative treatment is for purposes of this Settlement only. If, for any reason the Court does grant Preliminary Approval, Final Approval or enter Judgment, Laurel Avenue reserves the

right to contest certification of any class for any reasons, and Laurel Avenue reserves all available defenses to the claims in the Action, and Plaintiffs reserves the right to move for class certification on any grounds available and to contest Laurel Avenue's defenses. The Settlement, this Agreement and Parties' willingness to settle the Action will have no bearing on, and will not be admissible in connection with, any litigation (except for proceedings to enforce or effectuate the Settlement and this Agreement).

13.2 Confidentiality Prior to Preliminary Approval. ⁱ This Form Class Action and PAGA Settlement Agreement is for settlements of single plaintiff wage and hour actions asserting class claims and PAGA claims against a single employer (XYZ). The parties will need to revise this form if there are multiple plaintiffs or multiple defendants. For settlements of wage and hour class actions that do not include PAGA claims, please use the Form Class Action Settlement Agreement and Class Notice.

ⁱⁱ Whether the “date of preliminary approval” yields a fair and adequate payment to Class Members may depend on whether the Class Members, in exchange for their releases of claims, receive consideration for time worked between the date when parties reached a settlement and the date of preliminary approval. The Parties’ *Kullar* analysis must give the Court sufficient information to allow the Court to determine whether the Gross Settlement Amount “represents a reasonable compromise, given the magnitude and apparent merit of the claims being released, discounted by the risks and expenses of attempting to establish and collect on those claims by pursuing the litigation.” (*Luckey v. Superior Court* (2014) 228 Cal.App.4th 81, 94–95, internal quotation marks omitted.)

ⁱⁱⁱ See endnote ii above.

^{iv} The Parties are free to negotiate a payment plan structure, if appropriate, and payment deadlines may fall earlier as necessary thereto.

^v Note that this is not the only possible appropriate breakdown depending on the claims at issue in the case (e.g. a settlement that is solely a Labor Code Section 226(a) claim.)

^{vi} Insert negotiated terms, if any, addressing the possibility that XYZ’s estimates of class size, Workweeks or Pay Periods turn out to be understated such as an ADR clause imposing a duty to engage in good faith negotiations or mediation or an “escalator” clause memorializing XYZ’s promise to increase the Gross Settlement Amount in an agreed upon proportion to the percentage by which the calculated class size, Workweeks, or Pay Periods exceeds XYZ’s estimates.

Such services do not in any way constitute legal services or advice. ILYM is performing its services as an Independent Contractor and neither it nor its employees shall be deemed to be employees of the Client.

Mailing and Data Conversion: ILYM's database administration assumes the Client will provide complete data that includes all information required to send notifications and complete the administration process. Data must be provided in a complete, consistent, standardized electronic format. ILYM's standard format is Microsoft Excel, however, ILYM may accept other formats at its discretion. Further developments or enhancements to non-standardized data will be billed to Client by ILYM on a time and materials basis, according to ILYM's Standard Rates.

Charges for Services: Charges to the Client for services shall be on a time and materials basis at our prevailing rates, as the same may change from time to time. Any fee estimates set forth in the proposal are estimates only, based on information provided by Client to ILYM. Actual fees charged by ILYM to Client may be greater or less than such estimate, and Client shall be responsible for the payment of all such charges and expenses in accordance with Section 5 hereof. Charges incurred related to resolving post distribution withholdings and related corrective files due to voids and re-issues of payments and related correspondence with state and federal taxing authorities will not be charged to the Client to the extent that funds are received from the taxing authorities offset these charges. ILYM may derive financial benefits from financial institutions in connection with the deposit and investment of settlement funds with such institutions, including without limitation, discounts on eligible banking services and fees, and loans at favorable rates.

Indemnification: Client will indemnify and hold ILYM (and the officers, employees, affiliates and agents harmless against any Losses incurred by ILYM, arising out of, in connection with, or related to (i) any breach of the terms by Client; (ii) the processing and handling of any payment by ILYM in accordance with Client's instructions, including without limitation, the imposition of any stop payment or void payment on any check or the wrongful dishonor of a check by ILYM pursuant to Client's instructions.

Payment of Charges: ILYM reserves the right to request payment of postage charges and 50% of the final administration charges at the start of the case. ILYM bills are due upon receipt unless otherwise negotiated and agreed to with the Client. In the event settlement terms provide that ILYM is to be paid out of the Settlement Fund, ILYM will request that Counsel endeavor to make alternate payment arrangements for ILYM charges that are due at the onset of the case. The entire remaining balance is due and payable at the time the Settlement Account is funded by, or no later than the time of disbursement. Decisions of the court and actions of the parties, including disapproval or withdrawal of a settlement, do not affect the Client's liability to ILYM for payment of services. Services are not provided on a contingency fee basis.

Confidentiality: ILYM maintain reasonable and appropriate security measures and safeguards to protect the security and confidentiality of Client data provided to ILYM by Client in connection herewith. Should ILYM ever be notified of any judicial order or other proceedings in which a third party seeks to obtain access to the confidential data created by or for the Client, ILYM will promptly notify the Client, unless prohibited by applicable law. The Client shall have the option to (1) provide legal representation at the Client's expense to avoid such access or (2) promptly reimburse ILYM for any of its costs, including attorneys' fees, reasonably incurred in avoiding, attempting to avoid or providing such access and not paid by the entity seeking the data. If ILYM is required, pursuant to a court order, to produce documents, disclose data, or otherwise act in contravention of the obligations imposed by this Agreement, or otherwise, with respect to maintaining the confidentiality, proprietary nature and secrecy of the produced documents or disclosed data, ILYM will not be liable for breach of said obligation.

Data Rights: ILYM does not convey nor does the Client obtain any right in the programs, system data, or materials utilized or provided by ILYM in the ordinary course of business in the performance of this Agreement.

Document Retention: Unless directed otherwise in writing by Client, ILYM will destroy undeliverable mail on the effective date of the settlement or the date that the disposition of the case is no longer subject to appeal or review, whichever is later. ILYM will maintain claim forms and other correspondence for one year after final distribution of funds or benefits, or until the date that the disposition of the case is no longer subject to appeal or review, whichever is later.

Limitation of damages: ILYM is not responsible to the Client for any special, consequential or incidental damages incurred by Client. Any liability of ILYM to the Client shall not exceed the total amount billed to the Client for the particular services that give rise to any loss.

Termination: The services to be provided under this Agreement may be terminated, at will by the Client upon at least 30 calendar days' prior written notice to ILYM. The Client's obligation to pay for services or projects in progress at the time of notice of withdrawal shall continue throughout that 30 day period. ILYM may terminate this Agreement (i) with 10 calendar days' prior written notice, if the Client is not current in payment of charges or (ii) in any event, upon at least 3 months' prior written notice to the Client.

Notice: Any notice required or permitted hereunder shall be in writing and shall be delivered personally, or sent by registered mail, postage prepaid, or overnight courier service to the responsible officer or principal of ILYM or the Client, as applicable, and shall be deemed given when so delivered personally, or, if mailed, five days after the date of deposit in United States mail, or, if sent by courier, one business day after delivery to such courier service.

Force Majeure: To the extent performance by ILYM of any of its obligations hereunder is substantially prevented by reason of any act of God or by reason of any other matter beyond ILYM's reasonable control, then such performance shall be excused and this Agreement, at ILYM's option, be deemed suspended during the continuation of such condition and for a reasonable time thereafter.

Waiver of Rights: No failure or delay on the part of a party in exercising any right hereunder will operate as a waiver of, or impair, any such right. No single or partial exercise of any such right will preclude any other or further exercise thereof or the exercise of any other right. No waiver of any such right will be effective unless given in a signed writing.

Jurisdiction: The parties hereto submit to the jurisdiction of the Court of the applicable case for purposes of any suit, action or proceeding to enforce any provision of, or based on any right arising out of, this Agreement. The parties hereto hereby waive any objection to the laying of venue of any such suit, action or proceeding in the Court.

Entire Agreement: These terms and conditions and the proposal embody the entire agreement between the parties with respect to the subject matter hereof, and cancels and supersedes all prior negotiations, representations, and agreements related thereto, either written or oral, except to the extent they are expressly incorporated herein. No changes in, additions to, or waivers of, the terms and conditions set forth herein will be binding upon any party, unless approved in writing by such party's authorized representative.

Report Use Considerations

2022 Real Rate Report

- Examines law firm rates over time
- Identifies rates by location, experience, firm size, areas of expertise, industry, and timekeeper role (i.e., partner, associate, and paralegal)
- Itemizes variables that drive rates up or down

All the analyses included in the report derive from the actual rates charged by law firm professionals as recorded on invoices submitted and approved for payment.

Examining real, approved rate information, along with the ranges of those rates and their changes over time, highlights the role these variables play in driving aggregate legal cost and income. The analyses can energize questions for both corporate clients and law firm principals.

Clients might ask whether they are paying the right amount for different types of legal services, while law firm principals might ask whether they are charging the right amount for legal services and whether to modify their pricing approach.

Some key factors¹ that drive rates²:

Attorney location - Lawyers in urban and major metropolitan areas tend to charge more when compared with lawyers in rural areas or small towns.

Litigation complexity - The cost of representation will be higher if the case is particularly complex or time-consuming; for example, if there are a large number of documents to review, many witnesses to depose, and numerous procedural steps, the case is likely to cost more (regardless of other factors like the lawyer's level of experience).

Years of experience and reputation - A more experienced, higher-profile lawyer is often going to charge more, but absorbing this higher cost at the outset may make more sense than hiring a less expensive lawyer who will likely take time and billable hours to come up to speed on unfamiliar legal and procedural issues.

Overhead - The costs associated with the firm's support network (paralegals, clerks, and assistants), document preparation, consultants, research, and other expenses.

Firm size - The rates can increase if the firm is large and has various timekeeper roles at the firm. For example, the cost to work with an associate or partner at a larger firm will be higher compared to a firm that has one to two associates and a paralegal.

Invoice Information

Data in Wolters Kluwer ELM Solutions' reference database and the 2022 Real Rate Report were taken from invoice line-item entries contained in invoices received and approved by participating companies.

Invoice data were received in the Legal Electronic Data Exchange Standard (LEDES) format (LEDES.org). The following information was extracted from those invoices and their line items:

- Law firm (which exists as a random number in the ELM Solutions reference database)
- Timekeeper ID (which exists as a random number in the ELM Solutions reference database)
- Matter ID (which exists as a random number in the ELM Solutions reference database)
- Timekeeper's position (role) within the law firm (partner, associate, paralegal, etc.)
- Uniform Task-Based Management System Code Set, Task Codes, and Activity Codes (UTBMS.com)
- Date of service
- Hours billed
- Hourly rate billed
- Fees billed

Non-Invoice Information

To capture practice area details, the matter ID within each invoice was associated with matter profiles containing areas of work in the systems of each company. The areas of work were then systematically categorized into legal practice areas. Normalization of practice areas was done based on company mappings to system-level practice areas available in the ELM Solutions system and by naming convention.

The majority of analyses included in this report have been mapped to one of 11 practice areas, further divided into sub-areas and litigation/non-litigation (for more information on practice areas and sub-areas, please refer to pages 232-234).

To capture location and jurisdiction details, law firms and timekeepers were systematically mapped to the existing profiles within ELM Solutions systems, as well as with publicly available data sources for further validation and normalization. Where city location information is provided, it includes any address within that city's defined Core-Based Statistical Area (CBSA) as defined by the Office of Management and Budget (OMB). The CBSAs are urban centers with populations of 10,000 or more and include all adjacent counties that are economically integrated with that urban center.

Where the analyses focus on partners, associates, and paralegals, the underlying data occasionally included some sub-roles, such as "senior partner" or "junior associate." In such instances, those timekeeper sub-roles were placed within the broader partner, associate, and paralegal segments.

Demographics regarding law firm size, location, and lawyer years of experience were augmented by incorporating publicly available information.

Big Law Rates Topping \$2,000 Leave Value ‘In Eye of Beholder’

By Roy Strom

Column

June 9, 2022, 2:30 AM

Welcome back to the Big Law Business column on the changing legal marketplace written by me, Roy Strom. Today, we look at a new threshold for lawyers' billing rates and why it's so difficult to put a price on high-powered attorneys. Sign up to receive this column in your inbox on Thursday mornings. Programming note: Big Law Business will be off next week.

Some of the nation's top law firms are charging more than \$2,000 an hour, setting a new pinnacle after a two-year burst in demand.

Partners at Hogan Lovells and Latham & Watkins have crossed the threshold, according to court documents in bankruptcy cases filed within the past year.

Other firms came close to the mark, billing more than \$1,900, according to the documents. They include Kirkland & Ellis, Simpson Thacher & Bartlett, Boies Schiller Flexner, and Sidley Austin.

Simpson Thacher & Bartlett litigator Bryce Friedman, who helps big-name clients out of jams, especially when they're accused of fraud, charges \$1,965 every 60 minutes, according to a court document.

In need of a former acting US Solicitor General? Hogan Lovells partner Neal Katyal bills time at \$2,465 an hour. Want to hire famous litigator David Boies? That'll cost \$1,950 an hour (at least). Reuters was first to report their fees.

Eye-watering rates are nothing new for Big Law firms, which typically ask clients to pay higher prices at least once a year, regardless of broader market conditions.

"Value is in the eye of the beholder," said John O'Connor, a San Francisco-based expert on legal fees. "The perceived value of a good lawyer can reach into the multi-billions of dollars."

Kirkland & Ellis declined to comment on its billing rates. None of the other firms responded to requests to comment.

Charge It Up

Big Law firms are crossing the \$2,000-an-hour threshold after two years of surging rates driven by an increase in demand for lawyers.

Firm	Highest Billing Rate
Hogan Lovells	\$2,465
Latham & Watkins	\$2,075
Kirkland & Ellis	\$1,995
Simpson Thacher & Bartlett	\$1,965
Boies Schiller Flexner	\$1,950
Sidley Austin	\$1,900

Bloomberg Law

Law firms have been more successful raising rates than most other businesses over the past 15 years.

Law firm rates rose by roughly 40 percent from 2007 to 2020, or just short of 3 percent per year, Thomson Reuters Peer Monitor data show. US inflation rose by about 28% during that time.

The 100 largest law firms in the past two years achieved their largest rate increases in more than a decade, Peer Monitor says. The rates surged more than 6% in 2020 and grew another 5.6% through November of last year. Neither level had been breached since 2008.

The price hikes occurred during a once-in-a-decade surge in demand for law services, which propelled profits at firms to new levels. Fourteen law firms reported average profits per equity partner in 2021 over \$5 million, according to data from The American Lawyer. That was up from six the previous year.

The highest-performing firms, where lawyers charge the highest prices, have outperformed their smaller peers. Firms with leading practices in markets such as mergers and acquisitions, capital markets, and real estate were forced to turn away work at some points during the pandemic-fueled surge.

Firms receive relatively tepid pushback from their giant corporate clients, especially when advising on bet-the-company litigation or billion-dollar deals.

The portion of bills law firms collected—a sign of how willingly clients pay full-freight—rose during the previous two years after drifting lower following the Great Financial Crisis. Collection rates last year breached 90% for the first time since 2009, Peer Monitor data show.

Professional rules prohibit lawyers from charging “unconscionable” or “unreasonable” rates. But that doesn’t preclude clients from paying any price they perceive as valuable, said Jacqueline Vinaccia, a San Diego-based lawyer who testifies on lawyer fee disputes.

Lawyers’ fees are usually only contested when they will be paid by a third party.

That happened recently with Hogan Lovells’ Katyal, whose nearly \$2,500 an hour fee was contested in May by a US trustee overseeing a bankruptcy case involving a Johnson & Johnson unit facing claims its talc-based powders caused cancer.

The trustee, who protects the financial interests of bankruptcy estates, argued Katyal’s fee was more than \$1,000 an hour higher than rates charged by lawyers in the same case at Jones Day and Skadden Arps Slate Meagher & Flom.

A hearing on the trustee’s objection is scheduled for next week. Hogan Lovells did not respond to a request for comment on the objection.

Vinaccia said the firm’s options will be to reduce its fee, withdraw from the case, or argue the levy is reasonable, most likely based on Katyal’s extensive experience arguing appeals.

Still, the hourly rate shows just how valuable the most prestigious lawyers’ time can be—even compared to their highly compensated competitors.

“If the argument is that Jones Day and Skadden Arps are less expensive, then you’re already talking about the cream of the crop, the top-of-the-barrel law firms,” Vinaccia said. “I can’t imagine a case in which I might argue those two firms are more reasonable than the rates I’m dealing with.”

Worth Your Time

On Cravath: Cravath Swaine & Moore is heading to Washington, opening its first new office since 1973 by hiring former heads of the U.S. Securities and Exchange Commission and Federal Deposit Insurance Corporation. Meghan Tribe reports the move comes as Big Law firms are looking to add federal government expertise as clients face more regulatory scrutiny.

On Big Law Promotions: It’s rare that associates get promotions to partner in June, but Camille Vasquez is now a Brown Rudnick partner after she shot to fame representing Johnny Depp in his defamation trial against ex-wife Amber Heard.

On Working From Home: I spoke this week with Quinn Emanuel’s John Quinn about why he thinks law firm life is never going back to the office-first culture that was upset by the pandemic. Listen to the podcast [here](#).

That's it for this week! Thanks for reading and please send me your thoughts, critiques, and tips.
