1. I am an individual over the age of 18 and the named plaintiff in this matter. This declaration is submitted in support of approval of the proposed settlement (“Settlement”) reached in this case. I have personal knowledge of the facts stated in this declaration and could testify competently to them if called upon to do so.

3. When I joined this lawsuit, I knew that there was a possibility I could end up owing costs if the lawsuit was unsuccessful. I took the chance anyway because I felt it was the right thing to do and I wanted to help my previous coworkers and all of the other Brill employees. I did not feel it was right that they were not getting paid correctly. I knew that my name could appear on websites since I am part of this lawsuit. I went forward anyway for the benefit of Brill's other workers.

I declare under penalty of perjury under the laws of the state of California and the United States that the foregoing is true and correct. Executed on Jun 16, 2021, 2021 at Riverside, California.
