Attorneys for Plaintiffs Oscar Benitez and Shaquille Howard,
on behalf of themselves and all others similarly situated

1 **DECLARATION OF DOUGLAS HAN**

2 I, DOUGLAS HAN, hereby declare as follows:

3 1. I am an attorney duly licensed to practice law before all courts of the State of
4 California. I am the founding member of Justice Law Corporation. I am the attorney of record for
5 Plaintiffs Oscar Benitez, Shaquille Howard, Lan Le, and Mario Estrada-Peralta (“Plaintiffs,” “Plaintiff
6 Benitez,” “Plaintiff Howard,” “Plaintiff Le,” and “Plaintiff Estrada-Peralta”) and Class Members in
7 the instant action. I have personal knowledge of the facts set forth below and if called to testify I could
8 and would do so competently.

9 2. In May of 2004, I graduated from Pepperdine University School of Law with a
10 Juris Doctorate degree. In May of 2001, I obtained a Bachelor of Science degree in Political Science
11 with a minor in English from University of Houston.

12 3. From approximately January 2004 to approximately May 2004, I served as a
13 Judicial Extern to the Honorable Lourdes G. Baird of the United States District Court for the Central
14 District of California.

15 4. Since its inception, in or around April of 2013, our firm has almost exclusively
16 focused on the prosecution of consumer and employment class actions, involving wage-and-hour
17 claims, unfair business practices or consumer fraud. Since that time, our firm has successfully litigated
18 to conclusion over two hundred (200) wage-and-hour class or representative actions. Currently, we are
19 the attorneys of record in over a dozen employment-related putative class actions in both state and
20 federal courts in the State of California. During this relatively short time, in association with other law
21 firms, we have obtained millions of dollars on behalf of thousands of individuals in California.

22 ***EXAMPLES OF CLASS ACTION RESULTS***

23 5. Attached hereto as “EXHIBIT 1” is true and correct copy of a spreadsheet
24 listing matters in which Justice Law Corporation was appointed as Class Counsel and/or obtained
25 approval of Class Action or representative PAGA settlements.

26 ///

27 ///

28 ///

1 6. Shunt Tatavos-Gharajeh is an Of Counsel at my office. He received his
2 undergraduate degree from University of California, Los Angeles and earned a Juris Doctorate from
3 Southwestern University School of Law. He was admitted to practice in California in 2010. He is
4 admitted to practice in the Courts of the State of California. The focus of his practice is class action
5 wage and hour law. He has worked on multiple class action cases that have been granted final
6 approval, including *Keles, et al. v. The Art of Shaving – FL, LLC* Alameda County Superior Court
7 Case No. RG13687151, *Esters et al v. HDB LTD. Limited Partnership* Kern County Superior Court
8 Case No. S-1500-CV-279879 DRL, *Bridgette Guzman, et al. v. International City Mortgage, Inc.* (San
9 Bernardino Superior Court Case No. CIVDS1502516), *Davidson et al. v. Lentz Construction General*
10 *Engineering Contractor* Kern County Superior Court Case No. S-1500-CV-279853 LHB, *Betancourt*
11 *v. Hugo Boss USA, Inc.* Los Angeles County Superior Court Case No. BC506988, *Porrás et al. v. DBI*
12 *Beverage, Inc. et al.* Santa Clara County Superior Court Case No. 1-14-CV-266154, *Hartzell et al. v.*

10 *General Production Service of California, Inc.*, Kern County Superior Court Case No. BCV-15-
11 101164. He was also certified as class counsel in *Fulmer et al. v. Golden State Drilling, Inc.*, Kern
12 County Superior Court Case No. S-1500-CV-279707, *Manas et al. v. Kenai Drilling Limited*, Los
13 Angeles County Superior Court Case No. BC546330, *Nuncio et al. v. MMI Services, Inc.*, Kern
14 County Superior Court Case No. S-1500-CV-282534, cases that were certified after a contested class
15 certification. He is also currently managing at least a dozen class actions currently pending in various
16 courts throughout the state of California.

17 INVESTIGATION / LITIGATION HISTORY

18 7. On May 10, 2019, Plaintiff Benitez, a former employee of Defendants
19 Medtronic, Inc. and Covidien LP (“Defendants”) and represented by Justice Law Corporation, filed a
20 representative Private Attorneys General Act of 2004 (“PAGA”) action against Defendants in the
21 Superior Court of California, County of Orange (Case Number 30-2019-01069185).

22 8. On October 21, 2019, Plaintiff Benitez filed a wage-and-hour class action
23 complaint in the Superior Court of California, County of Orange (Case Number 30-2019-01106385).
24 The wage-and-hour class action complaint alleged violation of: (1) Labor Code sections 510 and 1198
25 (unpaid overtime); (2) Labor Code sections 226.7 and 512(a) (unpaid meal period premiums); (3)
26 Labor Code section 226.7 (unpaid rest period premiums); (4) Labor Code sections 1194 and 1197
27 (unpaid minimum wages); (5) Labor Code sections 201 and 202 (final wages not timely paid); (6)
28

1 Labor Code section 226(a) (noncompliant wage statements); (7) Labor Code sections 2800 and 2802
2 (unreimbursed business expenses); and (8) Business & Professions Code sections 17200, *et seq.*

3 9. Next, on May 26, 2020, Plaintiff Le, another former employee of Defendants
4 and represented by James Hawkins APLC, filed a similar wage-and-hour class action complaint
5 against Defendants (Case Number 30-2020-01140338). Afterwards, Plaintiff Le filed a First Amended
6 Complaint that added Plaintiff Estrada-Peralta as an additional plaintiff.

7 10. On June 24, 2020, Plaintiff Le filed a separate representative PAGA action in
8 the Superior Court of California, County of Orange (Case Number 30-2020-01144725). On June 30,
9 2020, Plaintiff Le filed a motion to consolidate his wage-and-hour class action lawsuit (Case Number
10 30-2020-01140338) and representative PAGA action (Case Number 30-2020-01144725) with Plaintiff
11 Benitez's wage-and-hour class action lawsuit (Case Number 30-2019-01106385).

12 11. On September 11, 2020, Plaintiff Howard, another former employee of
13 Defendants and represented by Justice Law Corporation, also filed a wage-and-hour class action
14 complaint against Defendants in the Superior Court of California, County of Orange (Case Number
15 30-2020-01159995). Plaintiff Howard's wage-and-hour class action complaint alleged the same or
16 similar claims and putative class members as Plaintiff's Benitez's wage-and-hour class action lawsuit
17 (Case Number 30-2019-01106385).

18 12. On January 4, 2021, the Parties filed the operative First Amended Consolidated
19 Complaint in this action. Specifically, the First Amended Consolidated Complaint consolidated Case
20 Number 30-2019-01069185, Case Number 30-2019-01106385, Case Number 30-2020-01140338,
21 Case Number 30-2020-01144725, and Case Number 30-2020-01159995 were consolidated, and
22 assigned Case Number 30-2019-01069185 as the lead case.

23 13. The Parties attended mediation on Plaintiffs' claims on July 13, 2021. Under the
24 auspices of the mediator, Lisa Klerman, the Parties were able to reach an agreement on the settlement
25 of the actions.

26 ///

27 ///

28 ///

1 14. Defendants continue to deny all liability or wrongdoing of any sort regarding
2 any of the claims alleged, make no concessions or admissions of liability of any sort, and contend that
3 for any purpose other than settlement, the Action is not appropriate for class or representative
4 treatment. Defendants also assert several defenses to the claims and have denied any wrongdoing or
5 liability arising out of any of the alleged facts or conduct in the Action.

6 15. After Plaintiffs filed their complaints, the Parties engaged in extensive formal
7 discovery including the depositions of each the four Plaintiffs and nine depositions of Defendants'
8 persons most knowledgeable, motions to intervene and consolidate, discovery motions, interviews
9 with Class Members, an exchange of time and payroll records for putative class members, and
10 thousands of documents.

11 16. Prior to the mediation with Lisa Klerman on July 13, 2021 and both before and
12 after the Action was filed, the Parties conducted significant investigation and discovery of the facts
13 and law. Specifically, Defendants produced hundreds of documents relating to their policies, practices,
14 and procedures regarding reimbursement of business expenses, paying non-exempt employees for all
15 hours worked, meal and rest break policies, payment of bonuses and incentives, and payroll and
16 operational policies. As part of Defendants' production, Plaintiffs also reviewed time records, pay
17 records, and information relating to the size and scope of the Class, as well as data permitting
18 Plaintiffs to understand the number of pay periods and workweeks in the Class Period. Furthermore,
19 Plaintiffs interviewed Class Members who worked for Defendants throughout the Class Period.
20 Finally, Class Counsel researched the law and investigated the correlative facts regarding Plaintiffs'
21 alleged claims and potential defenses thereto, as well as the potential damages and penalties claimed.

22 17. The Settlement Agreement was reached because of arm's-length negotiations.
23 Though cordial and professional, the settlement negotiations have been adversarial and non-collusive
24 in nature. At the mediation, counsel for the Parties conducted extensive arm's-length settlement
25 negotiations until an agreement was ultimately reached by all Parties.

26 ///

27 ///

28 ///

1 18. The Parties thoroughly investigated and evaluated the factual strengths and
2 weaknesses before reaching the proposed settlement, and engaged in sufficient investigation, research,
3 and discovery to support the settlement. The proposed settlement was only possible following
4 significant discovery and evaluation of Defendants’ relevant policies and procedures, as well as the
5 data they produced for the putative class, permitting Class Counsel to engage in a comprehensive
6 analysis of liability and potential damages. Furthermore, this case has reached the stage where “the
7 Parties certainly have a clear view of the strengths and weaknesses of their cases” sufficient to support
8 the Settlement. (*Boyd v. Bechtel Corp.* (N.D. Cal. 1979) 485 F.Supp. 610, 617.)

9 19. Although Plaintiffs believe the case is suitable for certification on the basis that
10 there are company-wide policies that Plaintiffs contends violate California law and uniformly affect
11 the putative class members, uncertainties with respect to certification are always present. Plaintiffs
12 recognized the potential risk, expense, and complexity posed by litigation on a class basis. In other
13 words, further class litigation, if permitted, would have carried with it significant additional expense
14 incurred by each side with guarantee of success. As the California Supreme Court ruled in *Sav-On v.*
15 *Superior Court* (2004) 34 Cal.4th 319, class certification is always a matter of the trial court’s sound
16 discretion. Decisions following *Sav-On* have reached different conclusions concerning certification of
17 wage-and-hour claims.¹

18 20. The proposed Settlement is the product of serious, informed, non-collusive
19 negotiations, has no obvious defects, does not improperly grant preferential treatment to the Class
20 Representatives or segments of the Class, and falls within the range of fair and reasonable settlements.
21 Thus, Plaintiffs and Class Counsel have conducted extensive settlement negotiations, including formal
22 mediation on July 13, 2021, and have thoroughly evaluated the strengths and weaknesses of their case.
23 Based on the foregoing, I believe that this non-reversionary settlement is in the best interests of the
24 Class as fair, reasonable, and adequate.

25 _____
26 ¹ (See, e.g., *Harris v. Superior Court* (2007) 154 Cal.App.4th 164 (reversing decertification of class claiming
27 misclassification and ordering summary adjudication in favor of employees), review granted Nov. 28, 2007, 171 P.3d 545
28 (2007) (not cited as precedent, but rather for illustrative purposes only); *Walsh v. IKON Solutions, Inc.*, 148 Cal.App.4th
1440 (affirming decertification of class claiming misclassification); *Aguilar v. Cintas Corp. No. 2* (2006) 144 Cal.App.4th
121 (reversing denial of certification); *Dunbar v. Albertson’s Inc.* (2006) 141 Cal.App.4th 1422 (affirming denial of
certification).)

1 **ATTORNEYS' FEES**

2 21. The Settlement calls for the payment of up to \$2,333,333 for the Attorneys'
3 Fees. This request is fair, reasonable, and adequate to compensate Class Counsel for the substantial
4 work they have put into this case and the risk they assumed by taking it in the first place. I have
5 practiced law in Southern California since December of 2004, with most of my time focused solely on
6 the prosecution of employment and wage-and-hour class action litigation. I am aware that the common
7 and acceptable rate for contingency representation in wage-and-hour class action litigation is normally
8 forty percent (40%) before trial, with the range being from thirty-three and one-third percent (33.3%)
9 up to fifty percent (50%).

10 22. The Attorneys' Fees is intended to reimburse Class Counsel for all the
11 uncompensated work that they have already done and for all the work they will continue to do in
12 carrying out and overseeing the notification of the Class Members, communication with Class
13 Members regarding the proposed Settlement, and administration of the Settlement if the Settlement is
14 preliminarily approved.

15 23. Class Counsel took this case on a contingent fee basis against a business
16 represented by a reputable defense firm. When we take contingent fee-based cases, we must pay
17 careful attention to the economics involved. Accordingly, when taking these cases, we anticipate that
18 we shall, if successful, receive a fee that exceeds our normal hourly rate; otherwise, the risk is often
19 too great to bear. Even when we work long hours, the number of hours in a day is limited. Therefore,
20 when we take on one matter, we are unable to take on other matters. When Class Counsel became
21 involved in this case, we realized the time commitment that it would entail, and we were forced to turn
22 down matters that we otherwise could have handled. We were forced to do so because of the thorough
23 factual investigation and development this case required. In sum, this case claimed a significant
24 portion of Class Counsel's time and attention throughout its pendency.

25 24. During this litigation, I interacted frequently with our co-counsel, James
26 Hawkins APLC. Depending upon the activity taking place on any given day, there were times that we
27 communicated daily.

28 ///

1 25. Thus, the requested fee is reasonable for the services provided to Class
2 Members and for the benefits they will receive.

3 **ENHANCEMENT AWARDS TO PLAINTIFFS**

4 26. Plaintiffs are entitled to reasonable enhancement awards for their effort and
5 initiative in helping to prosecute this action. Plaintiffs assumed a great risk by challenging Defendants'
6 wage-and-hour policies and bringing suit against them. As is outlined in Plaintiffs' accompanying
7 declarations, they spent considerable amount of time investigating their claims and pursuing those
8 claims on behalf of other Class Members.

9 27. The courage it took to stand up to a former employer in this way should not be
10 underestimated. Few people want to file lawsuits, especially against their employers or former
11 employers, for fear of retaliation by current and prospective employers. Plaintiffs sought to vindicate
12 their rights and the rights of past and present workers. In doing so, Plaintiffs have obtained a
13 substantial sum of money for the Class Members.

14 28. Plaintiffs did not allow fears of potential repercussions deter them from seeking
15 to be the Class Representatives and act for the benefit of Class Members. Plaintiffs have been
16 intimately involved in this case and have devoted a substantial amount of time to helping Class
17 Counsel effectively develop and prosecute this action. On numerous occasions, Plaintiffs discussed
18 virtually every aspect of this case with Class Counsel. Plaintiffs also provided Class Counsel with
19 information about Defendants and about their business operations generally, reviewed documents,
20 produced documents, identified witnesses, consulted Class Counsel throughout the litigation,
21 monitored the progress of the litigation with Class Counsel, and reviewed and signed the Agreement.

22 29. Plaintiffs have diligently, adequately, and fairly represented the Class Members,
23 and have not placed their interests above any member of the putative class. The Parties have agreed
24 that Plaintiffs are entitled to enhancement awards for their time and effort in this matter. Such
25 enhancement awards to class representatives have been a common feature of settlements negotiated by
26 Class Counsel and have been routinely approved by trial courts.

27 ///

28 ///

30. Considering the foregoing, Class Counsel believes that enhancement awards in the amount of \$10,000 to each Plaintiff are fair and reasonable. Although Class Counsel appreciates that the Court has a duty to ensure that class representatives are not overcompensated at the expense of the class, modest enhancement awards in employment class actions like this case are necessary not only to compensate class representatives for the time they spent in the case, but also to encourage aggrieved employees to challenge questionable employment practices notwithstanding the very real consequences they may face.

31. Plaintiffs submitted a copy of the Proposed Settlement Submission to the Labor Workforce Development Agency on October 22, 2021 informing the agency of the settlement. Attached hereto as “**EXHIBIT 2**” is a true and correct copy of the confirmation email.

I declare under penalty of perjury under the laws of the California that the foregoing is true and correct. Executed on this 17th day of November 2021, at Pasadena, California.

D. Ann

Douglas Han
