4 **II. RECITALS**

5 A. On April 18, 2019, Plaintiff Jose B. Aguas filed a putative class action, pursuant
6 to California Code of Civil Procedure section 382, against Defendant in the Riverside Superior
7 Court (Case No. RIC1902499) alleging nine (9) causes of action, including the: (1) failure to pay
8 all wages; (2) non-payment of overtime; (3) failure to provide proper meal periods; (4) failure to
9 authorize and permit proper rest breaks; (5) failure to properly maintain and submit itemized
10 wage statements; (6) violation of Labor Code §§ 201 and 202.7; (7) violation of California
11 Business & Professions Code § 17200 et seq.; (8) failure to pay minimum wage; and (9) violation
12 of the prevailing wage law. Thereafter, on July 30, 2020, Plaintiff Jose B. Aguas filed a First
13 Amended Complaint, adding a class representative, amending the class definition, dismissing the
14 minimum wage claim, and adding theories of liability to the complaint. Finally, on February 17,
15 2021, Plaintiffs Jose B. Aguas and Daniel Nunez filed a Second Amended Complaint adding a
16 claim under the PAGA and further amending the class definition. On April 16, 2021, a Third
17 Amended Complaint was filed.

18 B. On June 16, 2020, Plaintiff Daniel Nunez gave notice to the LWDA of his PAGA
19 claims, as required under Labor Code § 2698, *et seq.*, LWDA Case No. LWDA-CM-793627-20.

20 C. Defendant denies any liability or wrongdoing of any kind associated with the
21 claims alleged in the Action, disputes the wages, damages and penalties claimed by the Plaintiffs,
22 and further contends that, for any purpose other than settlement, Plaintiffs’ claims are not
23 appropriate for class or representative action treatment. Defendant contends, among other things,
24 that, at all times, it has complied with the California Labor Code and the Industrial Wage
25 Commission Orders.

26 D. The Plaintiffs and Class Representatives are represented by Class Counsel. Class
27 Counsel conducted an investigation into the facts relevant to the Action, including interviewing
28 Class Members, an independent investigation into the industry, engaging in extensive informal

discovery, reviewing documents and information provided by Defendant during the exchange of informal discovery, exchanging contact information for Class Members, and obtaining Class Member declarations in preparation for class certification. Based on its own independent investigation and evaluation, Class Counsel is of the opinion that the Settlement with Defendant is fair, reasonable and adequate, and in the best interest of the Class Members in light of all known facts and circumstances, including the risks of significant delay, defenses asserted by Defendant, uncertainties regarding a class and representative action trial on the merits, and numerous potential appellate issues. Although Defendant denies any liability, Defendant is agreeing to this Settlement to avoid the cost of further litigation. Accordingly, the Parties and their counsel desire to fully, finally, and forever settle, compromise and discharge all disputes and claims arising from or relating to the Action on the terms set forth herein.

III. TERMS OF AGREEMENT

A. Binding Settlement. This Settlement Agreement shall bind the Parties, all Settlement Class Members, Aggrieved Employees, Class Counsel and Defense Counsel, subject to the terms and conditions hereof and the Court's approval.

B. Settlement Consideration. Defendant shall pay the sum of the Individual Settlement Payments, the Class Representative Service Awards, the Class Counsel Award, PAGA Payment, and the Settlement Administration Costs, as specified in this Settlement Agreement, up to the Maximum Settlement Fund. In no event shall Defendant be required to pay more than the Maximum Settlement Fund, except as provided in Section C below.

C. Pro Rata Increase of Settlement Amount. The Settlement negotiations were based on a class of 400 employees and 33,000 workweeks. If the total number of Class Members or total number of workweeks included in the Settlement Class increases by more than 10%, the Maximum Settlement Fund will increase proportionally per workweek added above the 10% cushion.

D. Release By All Settlement Class Members. Through Final Approval, in exchange for the consideration set forth in this Settlement Agreement, Plaintiffs and the Settlement Class Members release the Released Parties from the Released Class Claims for the Class Period.

1 Plaintiffs and the Settlement Class Members may hereafter discover facts or legal arguments in
2 addition to or different from those they now know or currently believe to be true with respect to
3 the claims, causes of action and legal theories of recovery in this case which are the subject matter
4 of the Released Claims. Regardless, the discovery of new facts or legal arguments shall in no
5 way limit the scope or definition of the Released Class Claims, and by virtue of this Settlement
6 Agreement, Plaintiffs and the Settlement Class Members shall be deemed to have, and by
7 operation of the final judgment approved by the Court, shall have, fully, finally, and forever
8 settled and released all of the Released Class Claims as defined in this Settlement Agreement.

9 E. Release By Releasing PAGA Parties. Through Final Approval, in exchange for
10 the consideration set forth in this Settlement Agreement, the Releasing PAGA Parties release the
11 Released Parties for PAGA Claims during the PAGA Period as set forth in the Third Amended
12 Complaint.

13 F. General Release and Waiver of Future Employment By Plaintiffs. Through Final
14 Approval, in exchange for the consideration set forth in this Settlement Agreement, Plaintiffs,
15 for themselves and their heirs, successors and assigns, do hereby waive, release, acquit and
16 forever discharge the Released Parties, from any and all claims, actions, charges, complaints,
17 grievances and causes of action, of whatever nature, whether known or unknown, which exist or
18 may exist on Plaintiffs' behalf as of the date of this Settlement Agreement, including, but not
19 limited to, any and all tort claims, contract claims, wage claims, including PAGA claims,
20 wrongful termination claims, disability claims, benefit claims, public policy claims, retaliation
21 claims, statutory claims, personal injury claims, emotional distress claims, invasion of privacy
22 claims, defamation claims, fraud claims, *quantum meruit* claims, and any and all claims arising
23 under any federal, state or other governmental statute, law, regulation or ordinance, including,
24 but not limited to, claims for violation of the FLSA, the California Labor Code, the Wage Orders
25 of California's Industrial Welfare Commission, other state wage and hour laws, the Americans
26 with Disabilities Act, the Age Discrimination in Employment Act (ADEA), the Employee
27 Retirement Income Security Act, Title VII of the Civil Rights Act of 1964, the California Fair
28 Employment and Housing Act, the California Family Rights Act, the Family Medical Leave Act,

California's Whistleblower Protection Act, California Business & Professions Code Section 17200 *et seq.*, and any and all claims arising under any federal, state or other governmental statute, law, regulation or ordinance. Plaintiffs also forever release, waive, and relinquish any right or claim to be hired by, or to reinstatement with, Defendant (or the Released Parties). Plaintiffs hereby expressly waive and relinquish any and all claims, rights or benefits that they may have under California Civil Code § 1542, which provides as follows:

A general release does not extend to claims which the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release which if known by him or her would have materially affected his or her settlement with the debtor or released party.

Plaintiffs may hereafter discover claims or facts in addition to, or different from, those which they now know or believe to exist, but Plaintiffs expressly agree to fully, finally and forever settle and release any and all claims against the Released Parties, known or unknown, suspected or unsuspected, which exist or may exist on behalf of or against the other at the time of execution of this Settlement Agreement, including, but not limited to, any and all claims relating to or arising from Plaintiffs' employment with Defendant. The Parties further acknowledge, understand and agree that this representation and commitment is essential to the Settlement Agreement and that this Settlement Agreement would not have been entered into were it not for this representation and commitment.

G. Conditions Precedent: This Settlement will become final and effective only upon the occurrence of all of the following events:

1. The Court enters an order granting preliminary approval of the Settlement;
2. The Court enters an order granting final approval of the Settlement and a Final Judgment in the Action;

H. Certification of the Settlement Class. The Parties stipulate to conditional class certification of the Settlement Class for the Class Period for purposes of settlement only. In the event that this Settlement Agreement is not approved by the Court, fails to become effective, or is reversed, withdrawn or modified by the Court, or in any way prevents or prohibits Defendant from obtaining a complete resolution of the claims as described herein, the conditional class certification (obtained for any purpose) shall be void *ab initio* and of no force or effect, and shall not be admissible in any judicial, administrative or arbitral proceeding for any purpose or with respect to any issue, substantive or procedural, in this Action between the Parties.

I. Nullification of Agreement. In the event that this Settlement Agreement is not preliminarily or finally approved by the Court, fails to become effective, or is reversed, withdrawn or modified by the Court, or in any way prevents or prohibits Defendant from obtaining a complete resolution of the claims as described herein:

3. None of the Parties to this Settlement will be deemed to have waived any claims, objections, defenses or arguments in the Action, including with respect to the issue of class certification.

J. Tax Liability. The Parties make no representations as to the tax treatment or legal effect of the payments called for hereunder, and Settlement Class Members are not relying on any statement or representation by the Parties in this regard. Settlement Class Members understand and agree that they will be responsible for the payment of any employee taxes and

penalties assessed on the Individual Settlement Payments described herein and will hold the Parties free and harmless from and against any claims, liabilities, costs and expenses, including attorney's fees, resulting in any way from personal tax treatment of the payments made pursuant to this Settlement Agreement, including the treatment of such payments as not subject to withholding or deduction for payroll and employment taxes (except for any obligation of Defendant to pay its share of Employer Taxes, if any).

K. Circular 230 Disclaimer. Each Party to this Settlement Agreement (for purposes of this section, the "acknowledging party" and each Party to this Settlement Agreement other than the acknowledging party, or "other party") acknowledges and agrees that: (1) no provision of this Settlement Agreement, and no written communication or disclosure between or among the Parties or their attorneys and other advisers, is or was intended to be, nor shall any such communication or disclosure constitute or be construed or be relied upon as, tax advice within the meaning of United States Treasury Department circular 230 (31 CFR part 10, as amended); (2) the acknowledging party (a) has relied exclusively upon his, her or its own, independent legal and tax counsel for advice (including tax advice) in connection with this Settlement Agreement, (b) has not entered into this Settlement Agreement based upon the recommendation of any other Party or any attorney or advisor to any other Party, and (c) is not entitled to rely upon any communication or disclosure by any attorney or adviser to any other party to avoid any tax penalty that may be imposed on the acknowledging party, and (3) no attorney or adviser to any other Party has imposed any limitation that protects the confidentiality of any such attorney's or adviser's tax strategies (regardless of whether such limitation is legally binding) upon disclosure by the acknowledging party of the tax treatment or tax structure of any transaction, including any transaction contemplated by this Settlement Agreement.

L. Preliminary Approval Motion. At the earliest practicable time, Plaintiffs shall file with the Court a Motion for Order Granting Preliminary Approval, and supporting papers, which shall include this Settlement Agreement, thereby conditionally certifying the Class for settlement purposes only and setting a Final Approval Hearing date. The Parties agree to work diligently and cooperatively to present this Settlement to the Court for preliminary approval. The

Preliminary Approval Order shall provide for, among other things, the Notice Packet to be sent to Class Members as specified herein. The Parties agree that the conditional certification of the Class is for settlement purposes only and is in no way an admission by Defendant in the Action or in any other proceeding that class certification is proper.

M. Settlement Administrator. The Settlement Administrator shall be responsible for: (a) processing and mailing payments to the Class Representatives, Class Counsel, LWDA, Settlement Class Members, and Aggrieved Employees; (b) printing and mailing the Notice Packets to the Class Members as directed by the Court in both English and Spanish; (c) receiving and reporting the Notice of Objection Forms and Requests for Exclusions; (d) deducting all legally required taxes from Individual Settlement Payments and distributing tax forms; (e) processing and mailing tax payments to the appropriate state and federal taxing authorities; (f) providing declaration(s), as necessary, in support of preliminary and/or final approval of this Settlement; and (g) other tasks as the Parties mutually agree or the Court orders the Settlement Administrator to perform. 12 of the Class Notice, to submit a written objection stating why s/he objects to the Settlement, *or*
13 (b) s/he may appear at the Final Approval Hearing to discuss his/her objection(s) with the Court
14 and the Parties at the Settlement Class Member's own expense as set forth in the Class Notice.
15 If the Settlement Member elects to submit a written objection, the written objection should state
16 all objections s/he wishes to assert and the complete factual basis therefore. Class Counsel and
17 Defense Counsel may, at least ten (10) days (or some other number of days as the Court shall
18 specify) before the Final Approval Hearing, file responses to any written objections submitted.
19 Class Members will have a right, but are not required to, appear at the Final Approval/Settlement
20 Fairness Hearing in order to have their objections heard by the Court. At no time shall any of
21 the Parties or their counsel seek to solicit or otherwise encourage Class Members to file or serve
22 written objections to the Settlement or appeal from the Order and Final Judgment. Class
23 Members who submit a Request for Exclusion are not entitled to object to the Settlement.

24 O. Funding and Distribution of the Maximum Settlement Fund. The Maximum
25 Settlement Fund of One Million Dollars and Zero Cents (\$1,000,000.00) shall be paid by
26 Defendant as follows.

27 First Funding and Distribution
28

1 Within seven (7) calendar days of the Effective Date, Defendant shall pay the Net Settlement
2 Amount to the Settlement Administrator (“First Funding”), including the Class Representative
3 Service Awards. The Settlement Administrator will distribute the First Funding within 7-
4 calendar days of receipt.

5 Second Funding and Distribution

6 Payment of the remaining amount of the Gross Settlement Amount shall be made by Defendant
7 within six (6) months after final approval of the settlement by the Court. The Settlement
8 Administrator will distribute the First Funding within 7-calendar days of receipt.

9 1. Individual Settlement Payments. The Settlement Administrator shall
10 determine the eligibility for, and the amounts of, each Individual Settlement Payment and PAGA
11 Payment under the terms of this Settlement Agreement. The Settlement Administrator’s
12 determination of the eligibility for and amount of each Individual Settlement Payment and PAGA
13 Payment shall be binding upon the Class Member and the Parties, yet subject to review by Class
14 Counsel, Defense Counsel and the Court. In the absence of fraud or gross negligence,
15 Defendant’s records shall be given the presumption of accuracy. Individual Settlement Payments
16 and PAGA Payments shall be paid from the Net Settlement Amount and shall be paid pursuant
17 to the formula set forth herein.

18 a) Calculation of Individual Settlement Payments. Using the Class
19 Data, the Settlement Administrator will calculate the total
20 Compensable Class Workweeks for all Settlement Class Members by
21 adding the number of Compensable Class Workweeks worked by each
22 Settlement Class Member during the Class Period. The respective
23 Compensable Class Workweeks for each Settlement Class Member will
24 be divided by the total Compensable Class Workweeks for all
25 Settlement Class Members, resulting in the Payment Ratio for each
26 Settlement Class Member. Each Settlement Class Member’s Payment
27 Ratio will then be multiplied by the Net Settlement Amount to calculate
28 each Settlement Class Member’s estimated Individual Settlement

1 Payments. Each Individual Settlement Payment will be reduced by any
2 legally-mandated employee tax withholdings (e.g., employee payroll
3 taxes, etc.).

4 b) Calculation of PAGA Payments. Using the Class Data, the
5 Settlement Administrator will calculate the total Compensable PAGA
6 Workweeks for all Aggrieved Employees by adding the number of
7 Compensable PAGA Workweeks worked by each Aggrieved
8 Employee during the PAGA Period. The respective Compensable
9 PAGA Workweeks for each Aggrieved Employee will be divided by
10 the total Compensable PAGA Workweeks for all Aggrieved
11 Employees, resulting in the Payment Ratio for each Aggrieved
12 Employee. Each Aggrieved Employee's Payment Ratio will then be
13 multiplied by the PAGA Payment allocated to Aggrieved Employees
14 under the Settlement - \$6,250.00. The PAGA Payment shall be issued
15 with an IRS Form 1099 – MISC.

16 c) Allocation. For tax purposes, Individual Settlement Payments
17 shall be allocated and treated as follows: Twenty-percent (20%) as
18 wages; Forty-percent (40%) as penalties; and Forty-percent (40%) as
19 interest. Settlement Class Members who participate in the settlement
20 shall be issued an IRS Form W-2 for the Individual Settlement Payment
21 allocated as wages, subject to all applicable tax withholdings, and an
22 IRS Form 1099 - MISC for the Individual Settlement Payment allocated
23 as penalties and interest, not subject to payroll tax withholdings.

24 d) Mailing. Individual Settlement Payments shall be mailed by
25 regular First Class U.S. Mail to Settlement Class Members' last known
26 mailing address no later than seven (7) calendar days after the First
27 Funding.
28

1 e) Expiration. Any checks issued to Settlement Class Members and
2 Aggrieved Employees shall remain valid and negotiable for one
3 hundred and eighty (180) days from the date of their issuance. If a
4 Settlement Class Member or Aggrieved Employee does not cash his or
5 her settlement check within 180 days, the un-cashed, plus any accrued
6 interest that has not been distributed pursuant to the order of the Court,
7 shall be voided by the Settlement Administrator and the Settlement
8 Administrator will take all steps necessary to ensure that the proceeds
9 from the Settlement Class Member and Aggrieved Employees' un-
10 cashed check(s), including unpaid cash residue(s), or other unclaimed
11 or abandoned fund(s), are transmitted to the cy pres designation, the
12 Wage Justice Center. It is the intent of the Parties that the transmission
13 of un-cashed check(s), including unpaid cash residue(s), or other
14 unclaimed, or abandoned funds, to the Wage Justice Center results in
15 no "unpaid cash residue or unclaimed or abandoned funds" under
16 California Code of Civil Procedure § 384, as the entire Net Settlement
17 Amount will be paid out to Settlement Class Members, whether or not
18 they all cash their settlement checks.

19 2. Class Representative Service Award. Defendant agrees not to oppose or
20 object to any application or motion by Plaintiffs for a Class Representative Service Award of up
21 to Fifteen Thousand Dollars and Zero Cents (\$15,000.00) each for Plaintiffs, totaling Thirty
22 Thousand Dollars and Zero Cents (\$30,000.00). The Class Representative Service Award is in
23 exchange for the Released Claims and a General Release and for Plaintiffs' time, effort and risk
24 in bringing and prosecuting the Action. The Settlement Administrator shall pay the Class
25 Representative Service Awards to Plaintiffs from the Maximum Settlement Fund pursuant to the
26 terms of this Settlement Agreement. Any portion of the requested Class Representative Service
27 Award that is not awarded to the Class Representatives shall be part of the Net Settlement
28 Amount and shall be distributed to Settlement Class Members as provided in this Settlement

1 Agreement. The Settlement Administrator shall issue an IRS Form 1099 — MISC to Plaintiffs
2 for their Class Representative Service Award. Plaintiffs shall be solely and legally responsible
3 to pay any and all applicable taxes on their respective Class Representative Service Award and
4 shall hold harmless Defendant from any claim or liability for taxes, penalties, or interest arising
5 as a result of the Class Representative Service Award. The Class Representative Service Award
6 shall be in addition to the Plaintiffs' respective Individual Settlement Payment as a Settlement
7 Class Member. In the event that the Court reduces or does not approve the requested Class
8 Representative Service Award, Plaintiffs shall have the right to appeal the Court's ruling, but the
9 final award shall be binding and shall not constitute grounds to revoke the Settlement.

10 3. Class Counsel Award. Defendant agrees not to oppose or object to any
11 application or motion by Class Counsel for attorneys' fees not to exceed one-third of the
12 Maximum Settlement Fund (or \$333,333.33), plus a reasonable amount of costs and expenses
13 (not to exceed Fourteen Thousand Dollars and Zero Cents (\$14,000.00)) supported by a
14 declaration from Class Counsel, from the Maximum Settlement Fund. The Parties agree that any
15 and all claims for reasonable attorneys' fees and costs have been settled by this Settlement
16 Agreement and that neither Plaintiffs, Settlement Class Members, nor Class Counsel shall seek
17 payment of attorneys' fees or reimbursement of costs/expenses from Defendant except as set
18 forth in this Settlement Agreement. Any portion of the requested Class Counsel Award that is
19 not awarded to Class Counsel shall be part of the Net Settlement Amount and shall be distributed
20 to Settlement Class Members as provided in this Settlement Agreement. Class Counsel shall be
21 solely and legally responsible to pay all applicable taxes on the payment made pursuant to this
22 paragraph. The Settlement Administrator shall issue an IRS Form 1099 — MISC to Class
23 Counsel for the payments made pursuant to this paragraph. In the event that the Court reduces
24 or does not approve the requested Class Counsel Award, Plaintiffs and Class Counsel shall have
25 the right to appeal the Court's ruling, but the final award shall be binding and shall not constitute
26 grounds to revoke the Settlement.

27 4. PAGA Payment. Twenty-Five Thousand Dollars and Zero Cents
28 (\$25,000.00) shall be allocated from the Maximum Settlement Fund for settlement of claims for

civil penalties under the PAGA. The Settlement Administrator shall pay seventy-five percent (75%) of the PAGA Payment, or Eighteen Thousand Seven Hundred Fifty Dollars and Zero Cents (\$18,750.00), to the California Labor and Workforce Development Agency no later than twenty-five (25) calendar days after the Class Distribution is completed. Twenty-five (25%), or Six Thousand Two Hundred Fifty Dollars and Zero Cents (\$6,250.00), will be part of the Net Settlement Amount and distributed to Aggrieved Employees as described in this Agreement.

5. Settlement Administration Costs. The Settlement Administrator shall be paid for the costs of administration of the Settlement from the Maximum Settlement Fund. The Settlement Administration Costs is not to exceed Eight Thousand Five Hundred Dollars and 00 cents (\$8,500.00).

6. Government Actions Affecting Settlement. If any administrative proceeding or action is commenced on or before a date that is one (1) year from the Preliminary Approval Date by any federal, state or local government authority, including, without limitation, the U.S. Department of Labor or the California Division of Labor Standards Enforcement, in a *parens patriae* or other function asserting the Released Claims, Plaintiffs and Class Counsel will sign an appropriate declaration at the request of Defendant supporting the Settlement and asserting that the governmental action is within the scope of this Settlement Agreement, the Action and the Final Judgment.

O. Final Approval Motion. At the earliest practicable time following the expiration of the Response Deadline, Plaintiffs shall file with the Court a Motion for Order Granting Final Approval and Entering Judgment, which motion shall request final approval of the Settlement and the amounts payable for the Class Representative Service Awards, the Class Counsel Award, the PAGA Payment, and the Settlement Administration Costs.

1. Declaration by Settlement Administrator. The Settlement Administrator shall submit a declaration in support of Plaintiffs' motion for final approval of this Settlement detailing (a) the number of Notice Packets mailed and re-mailed to Settlement Class Members, (b) the number of undeliverable Notice Packets, (c) the number of timely Requests for Exclusion, (d) the number of timely objections received, (e) the amount of the average Individual Settlement

1 Payment, (f) the Settlement Administration Costs, and (g) any other information as the Parties
2 mutually agree or the Court orders the Settlement Administrator to provide.

3 2. Final Approval Order and Judgment. The Parties shall present a Judgment
4 and Order Granting Final Approval of Class Action Settlement to the Court for its approval. The
5 Final Judgment shall, among other things:

6 (a) Find that the Court has personal jurisdiction over all Class Members and
7 that the Court has subject matter jurisdiction to approve this Settlement Agreement and all
8 exhibits thereto;

9 (b) Approve this Settlement Agreement and the proposed Settlement as fair,
10 reasonable and adequate, consistent and in compliance with all applicable requirements of the
11 California Code of Civil Procedure, and any other applicable law, and in the best interests of each
12 of the Parties, Class Members and Aggrieved Employees; direct the Parties and their counsel to
13 implement this Settlement Agreement according to its terms and provisions; and declare this
14 Agreement to be binding on Plaintiffs and all other Class Members, except those who timely and
15 properly filed Request for Exclusions, and Aggrieved Employees, as well as their heirs, executors
16 and administrators, successors and assigns;

17 (c) Find that the Notice and notice methodology implemented pursuant to this
18 Settlement Agreement (i) constituted the best practicable notice; (ii) constituted notice that was
19 reasonably calculated, under the circumstances, to apprise Class Members and Aggrieved
20 Employees of the pendency of the Action, their right to object to or exclude themselves from the
21 proposed Settlement and their right to appear at the Final Settlement Hearing; (iii) were
22 reasonable and constituted due, adequate and sufficient notice to all persons entitled to receive
23 notice; and (iv) met all applicable requirements of the California Code of Civil Procedure, any
24 other applicable law;

25 (d) Find that Plaintiffs and Class Counsel adequately represented the
26 Settlement Class for purposes of entering into and implementing the settlement;

27 (e) Incorporate the Released Class Claims and Released PAGA Claims set
28 forth in this Settlement Agreement, make the Released Class Claims and Released PAGA Claims

effective as of the date of the Preliminary Approval Date, and forever discharge the Released Parties from the Released Class Claims and Released PAGA Claims;

(f) Without affecting the finality of the Final Judgment, the Court shall retain continuing jurisdiction over the Action, the Parties, the Settlement Class, and Aggrieved Employees, as well as the administration and enforcement of the Settlement. Any disputes or controversies arising with respect to the interpretation, consummation, enforcement, or implementation of the Settlement shall be presented by motion to the Court.

P. Option to Terminate Settlement

1. Defendant's Right to Terminate. If, after the Response Deadline, the total number of Settlement Class Members who submitted timely and valid Requests for Exclusion from the Settlement is at least ten percent (10%) of all Settlement Class Members, Defendant shall have, in its sole discretion, the option to terminate this Settlement within ten (10) business days following the Response Deadline. If Defendant exercises the option to terminate this Settlement, Defendant shall: (a) provide written notice to Class Counsel within ten (10) business days after the Response Deadline and (b) pay all Settlement Administration Costs incurred up to the date or as a result of the termination; and the Parties shall proceed in all respects as if this Settlement Agreement had not been executed.

Q. Motions for Preliminary and Final Approval. Class Counsel will provide an opportunity for Counsel for Defendant to review the Motions for Preliminary and Final Approval prior to filing with the Court. The Parties and their counsel will cooperate with each other and use their best efforts to obtain Court approval of the Motions for Preliminary and Final Approval of the Settlement.

R. No Impact on Benefit Plans. Neither this Settlement nor any amounts paid under the Settlement will modify any previously credited hours or service under any employee benefit plan, policy, or bonus program sponsored by Defendant, including any union sponsored trust fund contributed to by Defendant that provides employee benefits. Such amounts will not form the basis for additional contributions to, benefits under, or any other monetary entitlement under Defendant or union-sponsored benefit plans, policies, or bonus programs. The payments made

under the terms of this Settlement Agreement shall not be applied retroactively, currently, or on a going forward basis, as salary, earnings, wages, or any other form of compensation for the purposes of Defendant's benefit plans, policies, or bonus programs. Defendant retains the right to modify the language of its benefit plans, policies and bonus programs to effect this intent. Any amounts paid pursuant to this Settlement are not for "hours worked," "hours paid," "hours of service," or any similar measuring term as defined by applicable plans, policies and bonus programs for purposes of eligibility, vesting, benefit accrual, or any other purpose, and additional contributions or benefits by Defendant are not required by this Settlement Agreement.

6 in any proceeding for any purpose, except to enforce it according to its terms limited to this
7 Action only between the Parties, or to establish the existence of this Settlement Agreement in

NOTICE OF PROPOSED CLASS ACTION SETTLEMENT

Aguas and others v. Mamco, Inc. doing business as Alabbasi Construction Engineering
Riverside Superior Court Case No. RIC1902499

A court authorized this Notice. This is not a solicitation by a lawyer. You are not being sued.

THIS PROPOSED CLASS ACTION SETTLEMENT MAY AFFECT THE RIGHTS OF ALL NON-EXEMPT FIELD EMPLOYEES EMPLOYED BY MAMCO, INC. DOING BUSINESS AS ALABBASI CONSTRUCTION ENGINEERING AT ANY TIME BETWEEN APRIL 18, 2015 THROUGH FEBRUARY 26, 2021.

Why should you read this Notice?

A proposed settlement (the “Settlement”) has been reached in a class action lawsuit entitled *Aguas and others v. Mamco, Inc. doing business as Alabbasi Construction Engineering* (“Action”). The purpose of this Notice of Proposed Class Action Settlement (“Class Notice”) is to briefly describe the Action and to inform you of your rights and options in connection with the Action and the proposed Settlement. The proposed Settlement will resolve all claims in the Action, subject to Court approval.

A hearing concerning final approval of the proposed Settlement will be held before the Hon. Sunshine S. Sykes on [REDACTED], 2021 at X:XX x.m. in Department 06 of the Riverside Superior Court, located at 4050 Main Street, Riverside, CA 92501, to determine whether the Settlement is fair, adequate and reasonable. The Court has determined only that there is sufficient evidence to suggest that the proposed settlement might be fair, adequate, and reasonable, and any final determination of these issues will be made at the final approval hearing. As a Settlement Class Member, you are eligible to receive an Individual Settlement Payment under the Settlement and will be bound by the release of claims described in this Notice and the Settlement Agreement filed with the Court, unless you timely request to be excluded from the Settlement. In addition, if you qualify as an Aggrieved Employee, you will receive your portion of the Private Attorneys General Act Payment. Aggrieved Employees may not opt-out of the Settlement.

YOUR LEGAL RIGHTS AND OPTIONS IN THIS SETTLEMENT:

DO NOTHING	If you do nothing, you will be considered part of the Settlement Class and will receive settlement benefits as explained more fully below. You will also give up rights to pursue a separate legal action against Defendant Mamco, Inc. doing business as Alabbasi Construction Engineering (“Defendant”) for the Released Class Claims asserted in the Action as explained more fully below.
EXCLUDE YOURSELF FROM THE SETTLEMENT CLASS; HOWEVER, YOU WILL BE BOUND BY THE RELEASED PRIVATE ATTORNEYS GENERAL ACT CLAIM IF YOU QUALIFY AS AN AGGRIEVED EMPLOYEE	You have the option to exclude yourself, in writing, from the Settlement. If you submit a valid Request for Exclusion, you will not receive any money or other benefits under the Settlement (except that if you were employed at any time between June 16, 2019 to February 26, 2021, you will receive your portion of the Private Attorneys General Act Payment) and will not be bound by the Settlement, including the release of Released Class Claims, as more fully described in the Settlement Agreement (except that if you were employed at any time between June 16, 2019 to February 26, 2021, you will be bound by the Released Private Attorneys General Act Claim).
OBJECT	To object to the Settlement, you need to write to the Settlement Administrator about why you don’t like the Settlement. This option is available only if you do <u>not</u> exclude yourself from the Settlement.

Who is affected by this proposed Settlement?

All non-exempt Field Employees who worked for Defendant at any time between April 18, 2015 to February 26, 2021, and who has not submitted a timely and valid Request for Exclusion, or who has not previously released the Released Class Claims under a separate agreement.

According to Defendant's records, you are a member of the Settlement Class.

What is this case about?

In the Action, Plaintiffs, Jose. B Aguas and Daniel Nunez ("Plaintiffs") allege on behalf of themselves and Class Members the following claims: (1) failure to pay all wages; (2) non-payment of overtime; (3) failure to provide proper meal breaks; (4) failure to authorize and permit rest breaks; (5) failure to properly maintain and submit itemized wage statements; (6) failure to pay wages of terminated or resigned employees; (7) violation of California and Business Professions Code section 17200 and the sections following thereafter; (8) violation of Prevailing Wage Law; and (9) a representative action for civil penalties under the California Labor Code Private Attorneys General Act. Plaintiffs seek unpaid wages, statutory penalties, civil penalties under the Private Attorneys General Act, restitution, interest, attorneys' fees, and costs.

Defendant denies all liability and is confident that it has strong legal and factual defenses to these claims, but it recognizes the risks, distractions, and costs associated with litigation. Defendant contends that its conduct is and has been lawful at all times relevant and that Plaintiffs' claims do not have merit and do not meet the requirements for class certification.

This Settlement is a compromise reached after good faith, arm's length negotiations between Plaintiffs and Defendant (collectively, the "Parties"), through their attorneys, and is not an admission of liability on the part of Defendant. Both sides agree that, in light of the risks and expenses associated with continued litigation, this Settlement is fair, adequate and reasonable. Plaintiffs also believe this Settlement is in the best interest of all Class Members.

The Court has not ruled on the merits of the claims or defenses.

Who are the attorneys representing the Parties?

The attorneys representing the Parties in the Action are:

What are the Settlement terms?

Subject to final Court approval, Defendant will pay \$1,000,000.00 (the “Maximum Settlement Fund”) for: (a) Individual Settlement Payments to Settlement Class Members; (b) the Court approved Class Representative Service Awards to Plaintiffs; (c) the Court approved attorneys’ fees and costs to Class Counsel; (d) the costs of administering the Settlement; (e) payment to the State of California Labor and Workforce Development Agency for Private Attorneys General Act penalties; and (f) payment to Aggrieved Employees for Private Attorneys General Act penalties.

Individual Settlement Payments and Private Attorneys General Act Payments. After deduction from the Maximum Settlement Fund for attorneys’ fees and costs, the Class Representative Service Awards to Plaintiffs, the Private Attorneys General Act Payment to the Labor and Workforce Development Agency, and the costs of administering the Settlement, there will be a Net Settlement Amount. From this Net Settlement Amount, Defendant will make an Individual Settlement Payment to each Settlement Class Member who does not request to be excluded from the Settlement.

The Net Settlement Amount shall be divided among all Settlement Class Members on a proportional basis based upon the total number of Compensable Class Workweeks worked by each respective Settlement Class Member during the Class Period. Your estimated Individual Settlement Payment is listed on the **Information Sheet** enclosed in this Notice Packet.

For tax reporting purposes, the payments to Settlement Class Members will be allocated Twenty percent (20%) as wages, Forty percent (40%) as penalties, and Forty percent (40%) as interest. The wage portion of the Individual Settlement Payments shall be subject to the withholding of applicable local, state, and federal taxes, and the Settlement Administrator shall deduct applicable payroll taxes from the wage portion of the Individual Settlement Payments.

The Private Attorneys General Act Payment paid to Aggrieved Employees shall be divided among all Aggrieved Employees on a proportional basis based upon the total number of Compensable Private Attorneys General Act Workweeks worked by each respective Aggrieved Employee during the Private Attorneys General Act Period. Your estimated Private Attorneys General Act Payment is listed on the **Information Sheet** enclosed in this Notice Packet.

All checks for Individual Settlement Payments paid to Settlement Class Members and Private Attorneys General Act Payments paid to Aggrieved Employees shall advise that the checks will remain valid and negotiable for one hundred eighty (180) days from the date of the checks’ issuance and shall thereafter automatically be void if not cashed by a Settlement Class Member or Aggrieved Employee within that time.

If a Settlement Payment check remains un-cashed after one hundred eighty (180) days from issuance, the Settlement Administrator shall forward the un-cashed funds, plus any accrued interest that has not been distributed pursuant to the order of the Court, to the Wage Justice Center. In such event, the Settlement Class Member and Aggrieved Employee shall nevertheless remain bound by the Settlement.

None of the Parties or attorneys make any representations concerning the tax consequences of this Settlement or your participation in it. Settlement Class Members should consult with their own tax advisors concerning the tax consequences of the Settlement. Class Counsel is unable to offer advice concerning the state or federal tax consequences of payments to any Settlement Class Member.

Class Counsel Attorneys’ Fees and Costs, Class Representative Service Awards, Settlement Administration Costs and Payment to the Labor and Workforce Development Agency. Class Counsel will ask the Court to award attorneys’ fees up to \$333,333.33 (one-third of the Maximum Settlement Fund) and reimbursement of reasonable costs incurred in the Action not to exceed \$14,000.00. In addition, Class Counsel will ask the Court to authorize the Class Representative Service Award payments of \$15,000.00 to each of the two Class Representatives (totaling \$30,000.00) for their efforts in the prosecution of this Action. The Parties estimate the cost of administering the Settlement will not

exceed \$8,500.00. A payment in the amount of \$18,750.00 will also be made to the Labor and Workforce Development Agency for Private Attorneys General Act penalties.

What claims are being released by the proposed Settlement?

Upon the Effective Date, Settlement Class Members shall be deemed to have fully, finally, and forever released Defendant and its officers, directors, employees and agents from all Released Class Claims through the date the Court grants Final Approval of the Settlement. The “Released Class Claims,” as to each Settlement Class Member means all claims stated in the Third Amended Complaint, excluding the Private Attorneys General Act, and those based solely upon the facts alleged in the Third Amended Complaint.

Upon the Effective Date, Plaintiff Daniel Nunez and the Labor and Workforce Development Agency shall be deemed to have fully, finally, and forever released the Private Attorneys General Act claims stated in the Third Amended Complaint.

What are my options in this matter?

You have three options under this Settlement, each of which is further discussed below. You may: (A) remain in the Settlement Class and receive an Individual Settlement Payment; or (B) exclude yourself from the Settlement. If you choose option (A), you may also object to the Settlement, as explained below.

Objecting is simply telling the Court that you don’t like something about the Settlement. You can object only if you stay in the Class. Excluding yourself is telling the Court that you don’t want to be a part of the Class. If you exclude yourself, you have no basis to object because the case no longer affects you.

If you remain in the Settlement Class, you will be represented at no cost by Class Counsel. Class Counsel, however, will not represent you for purposes of making objections to the Settlement. If you remain in the Settlement Class, you will be subject to any Judgment that will be entered in the Action, including the release of the Released Class Claims as described above.

OPTION A. Remain in the Settlement Class. If you wish to remain in the Settlement Class and be eligible to receive an Individual Settlement Payment under the Settlement, **you do not need to take any action.** By remaining in the Settlement Class and receiving settlement monies, you consent to the release of the Released Class Claims as described above.

Any amount paid to Settlement Class Members will not count or be counted for determination of eligibility for, or calculation of, any employee benefit plan, policy, or bonus plan sponsored by Defendant, including any union sponsored trust fund contributed to by Defendant that provides employee benefits. Such amounts will not form the basis for additional contributions to, benefits under, or any other monetary entitlement under Defendant or union-sponsored benefit plans, policies, or bonus programs.

Objecting to the Settlement: If you believe the proposed Settlement is not fair, reasonable or adequate in any way, you may object to it. To object, you may *either* (a) within sixty (60) calendar days (as indicated by post-marks) from the original date of mailing of the Class Notice, submit a written objection (“Notice of Objection Form”) to the **Settlement Administrator at [Administrator], P.O. Box _____, [City], [State] [Zip],** or (b) you may appear at the Final Approval Hearing to discuss your objection(s) with the Court and the Parties at your own expense as set forth in the Class Notice. If you elect to submit a written objection, the written objection should state all objections that you wish to assert and the complete factual basis. The Notice of Objection Form is enclosed with this notice. You can also hire an attorney at your own expense to represent you in your objection. Any Class Member who does not timely object in the manner described above shall be deemed to have waived any objections and shall be foreclosed from making any objections to the Settlement. However, filing a timely objection alone does not preserve your right to appeal a class judgment, the Settlement or attorneys’ fees. In order to appeal a class judgment, the Settlement or attorneys’ fees, as a party to the record, a class member has to either, (1) file a timely complaint in intervention before final judgment, or (2) file an appealable motion to set aside and vacate the class judgment under Code of Civil Procedure section 663. **Please note, even if you submit an**

objection, you will be bound by the terms of the Settlement unless the Court does not approve the Settlement.

OPTION B. Request to Be Excluded from the Settlement. If you do not want to be part of the Settlement as to the Class Claims, you have to submit a Request for Exclusion (which is included in this Notice Packet) to the Settlement Administrator at [Administrator], P.O. Box _____, [City], [State] [Zip]. In order to be valid, your Request for Exclusion has to be signed and postmarked on or before [Response Deadline] or returned to the Settlement Administrator by fax no later than [Response Deadline]. If you do not timely submit a signed Request for Exclusion (as evidenced by the postmark or facsimile transmission date), your Request for Exclusion will be rejected, you will be deemed a Settlement Class Member, and you will be bound by the release of Released Class Claims and Released Private Attorneys General Act Claims as described above and all other terms of the Settlement. If you timely submit a signed Request for Exclusion, you will have no further role in the Action (except that if you were employed at any time between June 16, 2019 to February 26, 2021, you will be bound by the Released Private Attorneys General Act Claim), and you will not be entitled to any benefit as a result of the Action and Settlement (except that if you were employed at any time between June 16, 2019 to February 26, 2021, you will receive your portion of the Private Attorneys General Act Payment), and you will not be entitled to or permitted to object to the Settlement.

The Court will hold a Final Approval/Settlement Fairness Hearing regarding the fairness, reasonableness and adequacy of the proposed Settlement, the plan of distribution, Class Counsel’s request for attorneys’ fees and costs, the Class Representative Service Awards to Plaintiffs, the Settlement Administration Costs, and the payment to the Labor and Workforce Development Agency for PAGA penalties, on _____, 2021 at X:XX x.m., in Department 06 of the Riverside Superior Court, located at 4050 Main Street, Riverside, CA 92501. The Final Approval/Settlement Fairness Hearing may be continued.

In the event Final Approval/Settlement Fairness Hearing is continued, Class Members who filed an objection will receive notice of the new hearing date from the Settlement Administrator. You are not required to attend the Final Approval/Settlement Fairness Hearing to receive an Individual Settlement Payment or Private Attorneys General Act Payment.

If the Court grants final approval of the Settlement, notice of final judgment will be posted on the Settlement Administrator's website (www. [REDACTED]) within seven (7) calendar days after entry of the Final Order and Judgment.

Riverside Superior Court Case No. RIC1902499

Calculation of Individual Settlement Payments: Each Settlement Class Member's share of the Net Settlement Amount shall be based upon his or her "Compensable Class Workweeks," or the total number of workweeks worked by each respective Settlement Class Member from April 18, 2015 to February 26, 2021 ("Class Period"). The Individual Settlement Payment for each Settlement Class Member shall be calculated as follows:

Mamco, Inc. doing business as Alabbasi Construction Engineering ("Defendant") shall provide the Settlement Administrator with the Compensable Class Workweeks for each Settlement Class Member; the Settlement Administrator shall then: (1) divide each Settlement Class Member's Compensable Class Workweeks by the total Compensable Class Workweeks worked by all Settlement Class Members; and (2) multiply the result in (1) by the Net Settlement Amount. This calculation results in the amount of the Settlement Class Member's "Individual Settlement Payment." The Individual Settlement Payment will then be reduced by any required legal deductions and/or payroll withholdings.

Your Compensable Class Workweeks and Estimated Individual Settlement Payment: According to Defendant's records, your Compensable Class Workweeks for the Class Period is <<CompWeeks>> based on a start date of <<Start Date>> and an end date of <<End Date>>. Based on the number of your Compensable Class Workweeks, **your estimated Individual Settlement Payment is <<EstSettPayment>>**. Calculation of Private Attorneys General Act Payments: Each Aggrieved Employee who was employed at any time between June 16, 2019 to February 26, 2021 will receive a Private Attorneys General Act Payment. Aggrieved Employees may not opt-out of the Settlement.

Aggrieved Employee's share of the Private Attorneys General Act Payment shall be based upon his or her "Compensable Private Attorneys General Act Workweeks," or the total number of workweeks worked by each Aggrieved Employee from June 16, 2019 to February 26, 2021 ("Private Attorneys General Act Period"). The Private Attorneys General Act Payment for each Aggrieved Employee shall be calculated as follows:
