I, Larry W. Lee, declare as follows:

1. I am an attorney at law, duly licensed to practice before all Courts in the State of Virginia, and am with the law firm Diversity Law Group, counsel of record for Plaintiff and Alcantar ("Plaintiff"). I have personal knowledge of the facts set forth below and if I testify I could and would do so competently.

2. From the inception of the case, Class Counsel has zealously represented the
s of the Class. I have spent significant time researching and pursuing the claims that have
leged in this action.

3. Based on my own independent investigation and evaluation, I am of the opinion that the Settlement for the consideration and terms set forth in the Settlement Agreement and Release Agreement is fair, reasonable, and adequate and is in the best interests of the Class in light of all known facts and circumstances and the expenses and risks inherent in litigation. The Settlement was obtained for the benefit of the Class, as opposed to the individual representative.

4. Both Plaintiff's and Defendant's counsel have a great deal of experience in wage and hour class action litigation. Plaintiff's counsel has been approved as class counsel in a number of wage and hour class actions and has extensive litigation experience.

5. I was retained based upon a contingency fee arrangement wherein Plaintiff's counsel agreed to advance all costs and receive no fee unless a recovery was accomplished. For my services, my office has expended costs to file this instant action, effect service of process, and other litigation related costs. Had Plaintiff failed to prevail on this case, counsel for Plaintiff would have spent a significant amount of time, money and other resources without any benefit or recovery. In addition, had Plaintiff also failed to prevail in the present case, Defendant would have been able to seek attorney's fees and costs in connection with their defense of the case.

6. I am one of the primary attorneys on this matter. My qualifications are as follows: I received my J.D. from Arizona State University College of Law in 2003. During law school, I was a summer associate at the law firm of Brobeck, Phleger & Harrison. I graduated cum laude

1 from Arizona State University College of Law in the top 10% of my class. While I was in law
2 school, I was the Associate Managing Editor of the Arizona State University College of Law,
3 Law Journal. Upon graduation, I practiced law as an associate at the Los Angeles County offices
4 of Ogletree Deakins Nash Smoak & Stewart, P.C., a national employment defense law firm that
5 represents a significant number of Fortune 500 companies.

6 7. My firm's primary focus is employment law. I have handled a number of wage
7 and hour matters including class actions and multiple-plaintiff actions. I have a practice that
8 encompasses cases in the Los Angeles Superior Courts, the Orange County Superior Courts, the
9 San Francisco County Superior Courts, the San Diego County Superior Courts, and the United
10 States District Courts for the Central, Eastern and Northern Districts of California.

11 8. I have been named as Class Counsel in a number of class actions that have been
12 granted final approval by the Superior Courts of Los Angeles County, Orange County, San
13 Francisco County, and the United States District Court for the Central District of California,
14 including the following Class Actions: *Chan Lanier v. Citigroup, Inc. et al.*, San Francisco
15 Superior Court Case No. CGC-05-445143; *Naqvi v. Acoustic Home Loans et al.*, Orange County
16 Superior Court Case No. 05CC00263; *Ortega v. AIG*, Central District of California Case No. CV
17 06-0196-RSWL (PJWx); *Universal Protection Overtime Cases*, Orange County Superior Court,
18 Judicial Council Coordination Proceeding No. 4480; and *Hernandez v. CVS Corp. et al.*, Judicial
19 Council Coordination Proceeding No. 4539.

20 9. My co-counsel and I will adequately represent the Class Members in this action.
21 Plaintiff's Counsel have and will zealously represent Plaintiff and the Class and pursue this
22 lawsuit to its conclusion.

23 I declare under penalty of perjury under the laws of the State of California that the
24 foregoing is true and correct.

25 Executed on this 3rd day of August 2021, at Los Angeles, California.
