APPEARANCES

Lindsay David, from Gordon Rees Scully Mansukhani, LLP, present for Defendant(s) remotely.

Hearing held, all participants appearing remotely.

Tentative Ruling posted on the Internet .

Defendant submits on the Court's tentative ruling.

The Court confirms the tentative ruling as follows:

Motion for Final Approval

RULING

The Motion for Final Approval is GRANTED. The Court approves the following distributions:

1. Attorney's fees in the amount of \$550,000, or 1/3 of the Gross Settlement Amount. The Court finds the amount to be a reasonable result in light of the quality of the result obtained and the work performed by class counsel. In approving this amount, the Court is not approving the hourly billing rates proposed by class counsel.
2. Litigation costs in the amount of \$12,725.79.
3. Enhancement payment to Plaintiff Andres Carrillo in the amount of \$5,000. In making this award, the Court has considered the factors set forth in *Golba v. Dick's Sporting Goods, Inc.* (2015) 238 Cal.App.4th 1251 and *Clark v. Am. Residential Servs. LLC* (2009) 175 Cal.App.4th 785.
4. Administration costs in the amount of \$10,000 to ILYM Group, Inc.

5. Payment to the LWDA in the amount of \$45,000 for its share of the PAGA penalties.

A final accounting, and an OSC re Failure to Request a Continuance in Violation of Court Order in the event that all funds have not been distributed, is set for 10/27/23 at 1:30 pm in Department CX103. Counsel shall submit a final administrator's report at least 14 calendar days prior to that hearing regarding the status of the settlement administration. The final report must include all information necessary for the Court to determine the total amount actually paid to class members and any amounts tendered to the California Unclaimed Property Fund. **It should go without saying, but if the remaining funds are not fully disbursed by the report deadline, counsel must request a continuance. The failure to request a continuance if all funds have not been distributed may result in sanctions pursuant to the OSC set hereinabove.**

Plaintiff shall submit a revised proposed order that identifies the operative settlement by ROA number(s) and conforms in all respects to this order, including the approved disbursements and identifies the correct judicial officer. Plaintiff must also submit a redline showing all changes thereto.

Plaintiff to give notice, including to the LWDA, and file proof of service within five court days.

Court orders clerk to give notice.
