FOR
JUSTICE

I, Patrick Kitchin, declare as follows:

1. I am an attorney licensed to practice in California and, together with the Kelly B. Hanker, Esq. and Trial Lawyers for Justice, serve as counsel of record to Plaintiffs Ildiko O'Connor, Laura

1 Raya, and Dina Shashua (“Plaintiffs”) and the certified plaintiff class. I make this declaration in
2 support of Plaintiffs’ motion for preliminary approval of the class action settlement in this case.

3 2. Attached hereto as **EXHIBIT 1** is a true and complete copy of the executed Joint Stipulation
4 of Class Action Settlement and Release (“Settlement” or “Settlement Agreement”).

5 a. Attachment A to the Settlement Agreement is Plaintiffs’ Notice of Proposed Class
6 Action Settlement (“Notice”). This Notice accurately summarizes the key terms of the Settlement
7 and the settlement process. Once the Court grants preliminary approval of the Settlement, the dates
8 for submitting claim forms, opt-out notices and/or objections will be added. This Notice will be
9 mailed to all Class Members within 14 calendar days of the Court’s order granting preliminary
10 approval in envelopes containing the Notice and the Settlement Claim Form.

11 b. Attachment B to the Settlement Agreement is Plaintiffs’ Settlement Award Form. It
12 instructs Class Members that they are not required to do anything to receive a portion of the
13 settlement, other than to keep the claims administrator apprised of their current mailing address until
14 the settlement payout is complete. It sets out each settlement class member’s share of the net
15 settlement amount and how that amount was calculated. It also clearly describes the procedure for
16 challenging the settlement administrator’s calculations and the deadline for doing so.

17 3. Attached hereto as **EXHIBIT 2** is Plaintiffs’ [Proposed] Order Granting Preliminary
18 Approval) and it sets out the proposed schedule for administering the settlement.

19 4. Attached hereto as **EXHIBIT 3** is Plaintiffs’ [Proposed] Order Granting Final Approval.

20 5. I have substantial experience in the prosecution, defense and resolution of employment wage
21 and hour class actions. I have served as lead and/or co-lead counsel in several wage and hour cases
22 since 2002, including the following that received final approval by the courts:

23 a. *Boleyn v. The Gap*. San Francisco Superior Court case number CGC-03-417075.
24 Final approval of class-wide settlement on May 31, 2005.

25 b. *Villanueva v. Chico’s, Fas, Inc.* San Francisco Superior Court case number 420380.
26 Final approval of class-wide settlement on December 2, 2005.

27 c. *Young v. Polo Ralph Lauren Corporation*. U.S.D.C case number C02-4546 VRW.
28 Final approval of class-wide settlement on March 28, 2007.

12 Court case number CGC-16-551342. Final approval granted September 8, 2017.

13 6. I have also served as defense counsel in a number of wage and hour class actions.

14 7. In this specific case, I have worked diligently to protect and advance the interest of my clients
15 and the putative class. Together with my co-counsel, Kelly Hanker, we have:

- 16 • Met with Ms. O'Connor, Mr. Shashua and Ms. Rayas multiple times;
- 17 • Interviewed 12 additional witnesses;
- 18 • Analyzed very complex wage systems developed by Defendants to develop appropriate
19 theories of liability;
- 20 • Prepared significant written discovery requests to all defendants, and analyzed Defendants'
21 responses and extensive rolling document production;
- 22 • Taken the deposition of Defendant Thomas Humphrey, the designated person most qualified
23 to address all of the wage and hour matters at issue in the case;
- 24 • Negotiated the terms of a further exchange of data before mediation that enabled us to
25 develop an evidence-based damages and penalties model;
- 26 • Retained a qualified wage economist to develop a damages and penalties model based on the
27 records produced to Plaintiffs in response to our written discovery, together with data
28 obtained during settlement negotiations and in the mediation process;

TRIAL

FOR
JUSTICE

- Worked closely with our wage economist to ensure that his calculations were firmly grounded in California law, including with respect to the calculation of civil penalties under our clients' PAGA claims;

8. By the time we engaged in mediation with the Hon. Judge Jamie Jacobs-May (Ret.) in January 2023, our clients, Ms.. Hanker and I were well equipped with all of the data and analyses we needed to negotiate a fair, evidence-based and risk-assessment-based resolution, as were our clients.

9. During the course of this litigation, we learned that Ferguson SM, Inc. ceased operations entirely in mid-2020 during the COVID-19 pandemic. The company has no assets and its primary owner, Thomas Humphreys, has financed the defense of this lawsuit, and will be responsible for paying Ferguson's share of the proposed settlement.

10. We also learned through discovery that the Infiniti defendants served as Ferguson's PEO (Professional Employer Organization), only from November 2018 through December 2019.

11. Ferguson is out of business and the Infiniti defendants' potential liability exposure is limited to about 14 months. These factors raised the significant risk that absent settlement, our clients and the putative class likely would soon face an insolvent defendant (Ferguson and its owner) and a difficult fight establishing liability against the PEO as a joint employer. Several times Ferguson's counsel has informed me that his clients were unable to pay his attorneys' fees, and that they were considering filing for bankruptcy. Prior to mediation, Mr. Skogen provided me with sufficient information relating to his clients' resources to establish, in my opinion, a basis for seeking bankruptcy protection.

12. Our wage and hour economist, Nikita Pimenov, calculated the Class's underlying damages to be approximately \$3 million, comprised of \$1,613,500 in all PAGA penalties combined ("stacked"), plus \$1,339,617 in wage and hour damages and statutory penalties. Defendants did not provide any damages calculations at mediation.

13. Plaintiffs' damages models relied on a number of assumptions regarding the putative class. Because Defendants failed to keep a record of meal period times, for example, we used liberal estimates of the number of meal periods missed and the number of meal periods provided late to the

TRIAL
LAWYERS
FOR
JUSTICE

1 class based on limited data. Workweek calculations, days and hours worked, and commissions paid
2 were based entirely on Defendants' own payroll records, however.

3 14. With respect to all major components of the damages analysis, our wage economists
4 generated a range of models based on assumptions we provide to him based on our understanding
5 of the experience of our clients and others who worked for Defendants. We used those models in
6 our negotiations with the Defendants.

7 15. We determined that the only alternative to the settlement agreement we were able to achieve
8 at mediation was high-risk litigation. Further litigation would have subjected our clients and the
9 putative class to substantial and unwarranted risks, including the risk that Defendant Thomas
10 Humphreys (the owner of Ferguson SM, Inc.) would file for bankruptcy protection.

11 16. The gross settlement amount is \$175,000. The net settlement amount to be paid to the class
12 is estimated to be \$69,421.

13 "Net Settlement Amount" means the Gross Settlement Amount minus the Court
14 approved Class Representative Enhancement Payments to Plaintiffs, the Court
15 approved Administration Costs to the Claims Administrator, the Court approved
16 Class Counsel Award of attorneys' fees, the Court approved Class Counsel Award
17 of costs, and Court approved PAGA Payment. The Net Settlement Amount is the
18 amount from which Individual Settlement Payments to Participating Class
19 Members and to PAGA Aggrieved Employees are made to and is estimated to be
20 approximately \$69,421.00 [Gross Settlement Amount (\$175,000) – Claims
21 Administration Costs (\$8,000.00) – Class Representatives Enhancement Payments
22 (\$15,000) – Class Counsel Award for Fees (\$58,332.00) – Class Counsel Award
23 for Costs (approximately \$16,250.94) – LWDA Payment (\$5,625.00).]¹

27 ¹ The proposed claims administrator, Phoenix Class Action Administration Solutions, has
28 recalculated administration fees to include email notification to Class Members. The "not to exceed"
estimate is now 9,750.00, an increase of \$1,750.00, which lowers the Net Settlement Amount to
\$67,671.00.

1 17. The Claims Administrator will determine the amounts of Individual Settlement Payments to
2 be awarded to the Participating Class Members as follows: Class Members' gross share of the Net
3 Settlement Amount (before deduction for the standard employee's share of payroll taxes) is
4 calculated by dividing the Net Settlement Amount by the total number of weeks worked by all Class
5 Members during the Class Period and multiplying that amount by the number of workweeks worked
6 by each Class Member during the Class Period.

7 18. Defendant Ferguson SM, Inc. became insolvent during the Covid-19 Pandemic. Infiniti
8 served as a PEO for only 14 months during the applicable statutes of limitation. Given the risks
9 inherent in further litigation under these conditions, including the inevitability of substantial
10 additional delays and costs regardless of the outcome of the initial trial, I believe the proposed
11 settlement is fair and in the best interest of all Class Members.

12 I declare under penalty of perjury under the laws of the United States of America that the
13 foregoing declaration is true and correct to the best of my recollection and that this declaration was
14 made on December 14, 2023, in Oakland, CA.

11 Class Counsel Award for Fees (\$58,332.00) – Class Counsel Award for Costs (approximately

the Class have been filed or such objections have been withdrawn.

1 C. Objections have been overruled and the time to appeal has expired, or the

20 Raya and Dina Shashua.

21 36. "Preliminary Approval" means the Order of Preliminary Approval of Class
22 Action Settlement by which the Court grants preliminary approval of the Settlement Agreement
23 and in a form substantially similar to the form attached hereto as **Exhibit "B."**

24 37. "Released Claims" means all claims, rights, demands, liabilities and causes of
25 action, alleged in the Action during the Class Period. The primary facts alleged in the Action
26 are that Defendants failed to pay Plaintiffs and the Class in compliance with California law, and
failed to provide Plaintiff and the Class payment of overtime wages, compliant wage

1 statements, rest breaks, meal periods, and all wages due upon termination. Additionally,
2 Plaintiff alleges that in doing the above, Defendants violated Sections 17200, *et seq.* of the
3 California Business and Professions Code and Sections 2698, *et seq.*, of the California Labor
4 Code. The Released Claims include all claims for legal or equitable relief, for compensatory
5 and statutory damages, penalties, liquidated damages, restitution, injunctive relief, pre-
6 judgment and post-judgment interest, and attorney fees and costs of suit that arise from, or relate
7 to, the facts alleged in the Action. The foregoing is intended to include all claims for minimum

14 Administrator shall pay itself as provided for in this Agreement and approved by the Court,
15 from the monies collected from Defendants 6 months after the Effective Date.

16 46. Net Settlement Amount. After deducting the Class Counsel Award, Class
17 Representatives Enhancement Payments, Claims Administration Costs, the LWDA PAGA
18 Payment, the PAGA allocation to the PAGA Aggrieved Employees, the remaining Net
19 Settlement Amount (after deduction of standard employee payroll taxes on the payroll portion
20 of the Individual Settlement Payments) shall be awarded to all Class Members who do not file
21 a Request for Exclusion as provided in the Settlement. The Net Settlement Amount is estimated
22 to be \$65,676.00.

3 The Individual Settlement Payment shall be made to the Participating Class Members
4 in accordance with the schedule set forth in Paragraph 45.

5 48. Calculation and Distribution of PAGA Payments to the PAGA Aggrieved

8 rata basis by dividing \$1,875.00 by the total number of weeks worked by all PAGA Aggrieved
9 Employees between June 28, 2019 and July 31, 2021, and multiplying that amount by the
10 number of workweeks worked by each PAGA Aggrieved Employee.

15 Participating Class Members shall be negotiable for one-hundred and eighty (180)

19 litigation" as described in *Cundiff v. Verizon California, Inc.* (2008) 167 Cal.App.4th 718.

21 to Plowshares, subject to approval of the Court.

23 50. Tax Treatment of Individual Settlement Payments. All Individual Settlement
24 Payments will be allocated as follows: 20% to settlement of wage claims and 80% to settlement
25 for interest and statutory penalties. The portion allocated to wages shall be reported on an IRS
26 Form W-2 and the portion allocated to interest and penalties, including PAGA civil penalties,
shall be reported on an IRS Form-1099 issued by the Claims Administrator. The Claims

1 Administrator shall deduct the standard employee's share of payroll withholding taxes for the
2 portion of the Individual Settlement Payments allocated to wages from the Individual
3 Settlement Payments and remit such payroll taxes to the taxing authorities. The Claims
4 Administrator shall also pay from the Gross Settlement Amount the employers' share of payroll
5 withholding taxes.

10 EACH PARTY TO THIS AGREEMENT (FOR PURPOSES OF THIS SECTION, THE
11 "ACKNOWLEDGING PARTY" AND EACH PARTY TO THIS AGREEMENT OTHER
12 THAN THE ACKNOWLEDGING PARTY, AN "OTHER PARTY") ACKNOWLEDGES
13 AND AGREES THAT (1) NO PROVISION OF THIS AGREEMENT, AND NO WRITTEN
14 COMMUNICATION OR DISCLOSURE BETWEEN OR AMONG THE PARTIES OR
15 THEIR ATTORNEYS AND OTHER ADVISORS, IS OR WAS INTENDED TO BE, NOR
16 SHALL ANY SUCH COMMUNICATION OR DISCLOSURE CONSTITUTE, OR BE
17 CONSTRUED OR BE RELIED UPON AS, TAX ADVICE WITHIN THE MEANING OF
18 UNITED STATES TREASURY DEPARTMENT CIRCULAR 230 (31 CFR PART 10, AS
19 AMENDED); (2) THE ACKNOWLEDGING PARTY (A) HAS RELIED EXCLUSIVELY
20 UPON HIS, HER OR ITS OWN, INDEPENDENT LEGAL AND TAX COUNSEL FOR
21 ADVICE (INCLUDING TAX ADVICE) IN CONNECTION WITH THIS AGREEMENT,
22 (B) HAS NOT ENTERED INTO THIS AGREEMENT BASED UPON THE
23 RECOMMENDATION OF ANY OTHER PARTY OR ANY ATTORNEY OR ADVISOR TO
24 ANY OTHER PARTY, AND (C) IS NOT ENTITLED TO RELY UPON ANY
25 COMMUNICATION OR DISCLOSURE BY ANY ATTORNEY OR ADVISOR TO ANY
26 OTHER PARTY TO AVOID ANY TAX PENALTY THAT MAY BE IMPOSED ON THE
ACKNOWLEDGING PARTY; AND (3) NO ATTORNEY OR ADVISOR TO ANY OTHER

PARTY HAS IMPOSED ANY LIMITATION THAT PROTECTS THE CONFIDENTIALITY OF ANY SUCH ATTORNEY'S OR ADVISOR'S TAX STRATEGIES (REGARDLESS OF WHETHER SUCH LIMITATION IS LEGALLY BINDING) UPON DISCLOSURE BY THE ACKNOWLEDGING PARTY OF THE TAX TREATMENT OR TAX STRUCTURE OF ANY TRANSACTION, INCLUDING ANY TRANSACTION CONTEMPLATED BY THIS AGREEMENT.

Participating Class Members understand and agree that Participating Class Members will be solely responsible for the payment of any income taxes and penalties assessed on the payments described herein and will hold Defendants, Plaintiffs and Class Counsel free and harmless from any claims concerning the tax liability associated with any payments made to Participating Class Members pursuant to this Settlement Agreement.

Notice & Administrative Execution Procedures

The Notice Procedures to notify all Class Members of the Settlement Agreement provisions shall be managed and administered as follows:

52. Class List. Within fourteen (14) calendar days after Preliminary Approval, Defendants shall provide the Class List to the Claims Administrator in conformity with the definition, substance, and format as previously indicated.

53. Notice by First Class U.S. Mail, Email and Establishment of Case Website. Within twenty (20) calendar days after receiving the Class List from Defendants as provided herein, the Claims Administrator shall send a Notice and Settlement Award Form to all Class Members via regular First-Class U.S. Mail, using the most current, known mailing addresses identified in the Class List or the National Change of Address Database. Within twenty (20) calendar days of receiving the Class List from Defendants, the Claims Administrator also shall send a Notice and Settlement Award Form via email to the last known email address on file with Defendants. Concurrently, the Claims Administrator shall also establish a website for the case on which Class Members can access the Second Amended Complaint and Defendants' answers to the Second Amended Complaint, Plaintiffs' Motion for Preliminary Approval, the

1 proposed settlement agreement, Class Notice and, when filed, Plaintiffs' Motion for Final
2 Approval and Plaintiffs' Motion for Attorneys' Fees and Costs. The case website shall also
3 contain information regarding the Final Approval Hearing.

4 54. Confirmation of Contact Information in the Class List. Prior to mailing, the
5 Claims Administrator shall perform a search based on the National Change of Address Database
6 for information to update and correct for any known or identifiable address changes. Any
7 Notices returned to the Claims Administrator as non-deliverable on or before the Response
8 Deadline shall be sent promptly via regular First-Class U.S. Mail to the forwarding address
9 affixed thereto and the Claims Administrator shall indicate the date of such re-mailing on the
10 Notice. If no forwarding address is provided, the Claims Administrator shall promptly attempt
11 to determine the correct address using a single skip-trace or other search using the name, address
12 and/or social security number of the Class Member involved and shall then perform a single re-
13 mailing. If, after performing a skip-trace search, the Notice is still returned to the Claims
14 Administrator as non-deliverable, that individual will be deemed a Class Member for purposes
15 of the Released Claims described herein, without any further effort of the Claims Administrator
16 required.

17 55. Notices. All Class Members will receive a Notice. Each Notice will list:
18 (1) information regarding the nature of the Action, (2) a summary of the substance of the
19 Settlement, (3) the Class definition, (4) the formula for calculating Individual Settlement
20 Payments, (5) the deadlines by which the Class Member must postmark a Request for
21 Exclusion, file an objection to the Settlement with the Claims Administrator or postmark
22 disputes regarding the amounts in the Settlement Award Form, and (6) a description of the
23 claims to be released by all Class Members who do not submit timely and valid Requests for
24 Exclusion. Subject to the approval of the Court, the Notice shall be substantially in the form
25 attached hereto as Exhibit "A."

26 56. Settlement Award Form. All Class Members will receive a Settlement Award
Form. Each Settlement Award form will list the number of Workweeks the Class Member

1 worked during the Class Period, and the period of time during the Class Period worked by the
2 Class Members. Subject to approval of the Court, the Settlement Award Form shall be
3 substantial in the form attached hereto as **Exhibit “C”** and shall be in English.

4 57. Disputed Information on Settlement Award Forms. If a Class Member disputes
5 the information listed in their Settlement Award Form, the Class Member may produce
6 evidence to the Claims Administrator substantiating factual information different from that
7 appearing in the Settlement Award Form. To the extent any Class Member disputes the
8 information listed on their Settlement Award Form prior to the Response Deadline, the Class
9 Member may produce evidence to the Claims Administrator showing the correct employment
10 dates or data that they contend should be shown in the Settlement Award Form. Defendants’
11 records will be presumed determinative, absent evidence to rebut those records, but the Claims
12 Administrator shall evaluate the evidence submitted by the Class Member and make the final
13 decisions as to which dates and data should be applied, which determination will be conclusive,
14 final and binding. Defendants agree to diligently and in good faith resolve any Class Member
15 dispute regarding the information listed in Settlement Award Form. Class Members who failed
16 to provide information in support of any dispute by the Response Deadline, shall be foreclosed
17 from contesting Defendants’ data.

18 58. No Requirement for a Claim Form. Class Members shall not be required to
19 submit a claim form to receive an Individual Settlement Payment.

20 59. Request for Exclusion Procedures. Any Class Member wishing to opt out from
21 the Settlement Agreement must sign and postmark a written Request for Exclusion to the
22 Claims Administrator not later than the Response Deadline. The Request for Exclusion must
23 (a) state the name, address, telephone number, and last four digits of the social security number
24 of the Class Member requesting exclusion; (b) be signed by the Class Member; (c) be addressed
25 to the Claims Administrator at the specified address indicated in the Notice; and (d) be post
26 marked on or before the appropriate deadline. The Notice shall provide these instructions to
the Class Members who wish to exclude themselves from the Class. The date of the postmark

1 on the return mailing envelope shall be the exclusive means to determine whether a Request for
2 Exclusion has been timely submitted. Class Members who submit Requests for Exclusion shall
3 not be entitled to file objections to the Settlement and any objections filed by a Class Member
4 who has excluded themselves from the Settlement shall be disregarded by the Court. Class
5 Members who do not submit valid Requests for Exclusion shall be bound by all terms of the
6 Settlement Agreement, Release, and any Final Judgment entered by the Court if the Settlement
7 is granted final approval by it.

8 60. Defective Requests for Exclusion. If any Class Member submits a defective
9 Request for Exclusion postmarked before the Response Deadline, the Claims Administrator
10 shall, in that case, send a Cure Letter to such Class Member, advising that the Request for
11 Exclusion is defective, stating the nature of the defect and that the defect must be cured to render
12 the Request for Exclusion valid. The Claims Administrator must mail the Cure Letter within
13 five (5) business days of receiving the defective Request for Exclusion. The Cure Letter shall
14 state that the Class Member has ten (10) calendar days from the date of the Cure Letter or the
15 Response Deadline, whichever date is later, to postmark a revised Request for Exclusion. If a
16 Class Member responds to a Cure Letter by resubmitting a defective Request for Exclusion,
17 then the Claims Administrator shall have no further obligation to give notice of a need to cure.
18 Defective Requests for Exclusion will be considered invalid and, if post marked after the
19 Response Deadline, Class Members will have no right to cure them, except as provided for
20 herein or by the agreement of the Parties.

21 61. Objection Procedures. To object to the Settlement Agreement, a Class Member
22 must submit his or her objection to the Claims Administrator by not later than the Response
23 Deadline. The postmark date of the filing and service of the Notice of Objection shall be
24 deemed the exclusive means for determining if the Notice of Objection is timely. The Notice
25 of Objection must be signed by the Class Member and provide the Class Member's name, most
26 current address, most current telephone number, the basis for each objection, and the Class
Member's dates of employment with Defendants. The Notice shall provide these instructions

1 about how to object to the Settlement. Class Members who fail to make written objections in
2 the manner specified above shall be deemed to have waived any objections and shall be
3 foreclosed from making any future objection (whether by appeal or otherwise) to the Settlement
4 Agreement. Class Members who submit and serve timely Notices of Objection in compliance
5 with the foregoing provision shall have a right to appear at the Final Approval Hearing if they
6 file with the Court and serve on counsel for the parties a Notice of Intention to Appear at Final
7 Appeal Hearing.

8 Class Members who have mailed timely and valid exclusion letters shall not have the
9 right to object to the Settlement and any such objections shall not be considered by the Court.

10 The Parties agree not to encourage any Class Members to object to the Settlement
11 Agreement, or to opt out of the settlement.

12 62. Certification of Requests for Exclusion and Objections. All Requests for
13 Exclusion and Objections will be submitted to the Claims Administrator, who shall then certify
14 jointly to Class Counsel, Defendants' Counsel, and the Court the total number of Class
15 Members who have submitted Requests for Exclusion and Objections and provide copies of
16 same to Counsel.

17 63. Notification Reports Regarding Requests for Exclusion and Objections. The
18 Claims Administrator shall provide Defendants' Counsel and Class Counsel a weekly report
19 showing at a minimum: (i) the number of Class Members who have submitted timely, valid
20 Requests for Exclusion and/or Objections; (ii) whether any Class Member has submitted a
21 challenge to the employment dates identified in their Notice, or any other information contained
22 in the Notice; and (iii) statistics showing which disputes that have been resolved and which
23 have not been resolved. Additionally, the Claims Administrator will provide counsel for
24 Defendants' Counsel and Class Counsel any updated reports as needed or requested.

25 64. Resolution of Disputes Concerning Individual Settlement Payments. Should
26 any questions arise regarding the determination of eligibility for the amounts of any Individual
Settlement Payments under the terms of this Settlement Agreement that are not otherwise

1 resolved by the Claims Administrator, counsel for the Parties shall meet and confer in an
2 attempt to reach an agreement. If Class Counsel and Defendants' Counsel cannot agree, the
3 Claims Administrator shall then make the final determination, and that determination shall be
4 conclusive, final and binding.

5 65. Posting of Judgment. The Claims Administrator shall post any judgment on its
6 website in English.

7 66. Additional Administrative Duties of the Claims Administrator. The Claims
8 Administrator shall report Individual Settlement Payments to all required taxing and other
9 authorities, withhold the standard employee's share of payroll taxes from the wage portion of
10 each Individual Settlement Awards, pay all employer share of payroll taxes, and transmit these
11 amounts to the taxing authorities, and issue IRS Forms W-2 and 1099. Upon completion of
12 administration of the Settlement, the Claims Administrator shall provide written certification
13 of such completion to the Court and counsel for all Parties.

14 67. Minimization of Administrative Costs. The Parties agree to cooperate in the
15 settlement administration process and to make all reasonable efforts to control and minimize
16 the costs and expenses incurred in administration of the Settlement Agreement.

17 Release of Claims

18 68. Settlement Class Members' Released Claims. Aside from those who submit a
19 valid and timely request for exclusion from the settlement, Plaintiffs and each member of the
20 Settlement Class will release Defendants and any past, present or future parent, subsidiary,

9 2698, 2699, 2699.5, 2802, 2810.5; the Wage Orders of the California Industrial Welfare
10 Commission (“IWC”) Wage Orders 5-2001, the California Private Attorneys General Act of
11 2004 (“PAGA”); California Business and Professions Code section 17200; the California Civil
12 Code, to include, but not limited to, section 3336 and 3294; the California common law of
13 contract; the Fair Labor Standards Act, 29 U.S.C. § 201 et seq.; federal common law; and the
14 Employee Retirement Income Security Act, 29 U.S.C. § 1001, et seq. (“Plaintiffs’ Released
15 Claims”). Plaintiffs’ Released Claims also include all claims for lost wages and benefits,
16 emotional distress, retaliation, punitive damages, and attorneys’ fees and costs arising under
17 federal, state, or local laws for discrimination, harassment, and wrongful termination such as
18 by way of example only, (as amended) 42 U.S.C. section 1981, Title VII of the Civil Rights
19 Act of 1964, the Americans with Disabilities Act, the Age Discrimination in Employment Act,
20 and the California Fair Employment and Housing Act; and the law of contract and tort. The
21 intent of this agreement is to provide a release of all claims that Plaintiffs may have had prior
22 to the date this Agreement is fully executed, except that this release excludes the release of
23 claims not permitted by law. As to the Plaintiffs’ Released Claims only, Plaintiffs expressly
24 waive all rights and benefits under the terms of section 1542 of the California Civil Code.
25 Section 1542 reads as follows:

26 **A general release does not extend to claims that the creditor
or releasing party does not know or suspect to exist in his**

1 or her favor at the time of executing the release and that, if
2 known by him or her, would have materially affected his or
 her settlement with the debtor or releasing party.

3 Notwithstanding the provisions of section 1542, and for the purpose of implementing a full
4 and complete release and discharge of all of their Released Claims, Plaintiffs expressly
5 acknowledge that this Settlement is intended to include in its effect, without limitation, all
6 Released Claims which Plaintiffs do not know or suspects to exist in their favor at the time
7 of execution hereof, and that the Settlement contemplates the extinguishment of all such
8 Released Claims.

9 71. Labor Code § 206.5 Inapplicable. It is acknowledged that this Settlement is
10 made with respect to disputed claims and each Class Member who has not opted out will be
11 deemed to have acknowledged and agreed that California Labor Code § 206.5 is not applicable.
12 That section provides:

13 (a) An employer shall not require the execution of a release of a claim
14 or right on account of wages due, or to become due, or made as an
15 advance on wages to be earned, unless payment of those wages has been
16 made. A release required or executed in violation of the provisions of
17 this section shall be null and void as between the employer and the
18 employee. Violation of this section by the employer is a misdemeanor.

19 (b) For purposes of this section, “execution of a release” includes
20 requiring an employee, as a condition of being paid, to execute a
21 statement of the hours he or she worked during a pay period which the
22 employer knows to be false.
23

24 **Revocation or Nullification of Settlement Agreement**

25 72. Nullification of Settlement Agreement. In the event: (i) the Court does not enter
26 the order of Preliminary Approval specified herein; (ii) the Court does not finally approve the

1 Settlement as provided herein; (iii) the Court does not enter the Final Judgment as provided
2 herein, which becomes final as a result of the occurrence of the Effective Date; (iv) more than
3 15% of the Class timely opts out and Defendants exercise their right to revoke the Settlement;
4 or (v) the settlement does not become final for any other reasons, this Settlement Agreement
5 shall be null and void. In such a case, the Parties shall proceed in all respects as if this
6 Settlement Agreement had not been executed, except that any fees already incurred by the
7 Claims Administrator up to the date that Defendants receive notice by the Court of any of the
8 events (i) through (iv) shall be paid by the Ferguson Defendants and the Infiniti Defendants
9 equally.

10 **Preliminary & Final Approval Hearings**

11 73. Preliminary Approval Hearing. Plaintiffs shall request a hearing before the
12 Court to request Preliminary Approval of the Settlement Agreement. The Parties agree to use
13 their best efforts to schedule a Preliminary Approval hearing on the first available date after the
14 execution of this Settlement Agreement. At the Preliminary Approval hearing, the Parties shall
15 request the entry of a Preliminary Approval Order that: (i) conditionally certifies the Class for
16 settlement purposes only, (ii) preliminarily approves the proposed Settlement Agreement,
17 (iii) approves the Notice, and (iv) sets a date for a Final Approval/Settlement Fairness Hearing.
18 The Preliminary Approval Order shall provide for the Notice and Settlement Award Form to be
19 sent to all Class Members as specified herein. In conjunction with the Preliminary Approval
20 hearing, Class Counsel shall submit this Settlement Agreement and all exhibits for approval by
21 the Court, and prepare, file and serve a motion for preliminary approval of same.

22 74. Final Settlement Approval Hearing and Entry of Final Judgment and Notice to
23 the Class. Following the Response Deadline, and with the Court's permission, a Final
24 Approval/Settlement Fairness Hearing shall be conducted to determine final approval of the
25 Settlement Agreement along with the amounts properly payable for: (i) the Class Counsel
26 Award, (ii) the Class Representatives Enhancement Payments, (iii) the Claims Administration
Costs, and (iv) the PAGA allocation. The Final Approval/Settlement Fairness Hearing shall

1 not be held earlier than thirty (30) calendar days after the Response Deadline. Class Counsel
2 shall be responsible for preparing, filing and serving a motion for final approval of the
3 Settlement and for approval of the fees and various payments provided therein. Class Counsel
4 shall file and serve on Defendants a Notice of Entry of Judgment. The Claims Administrator
5 shall provide notice of final approval of the Settlement and entry of judgment to the Class by
6 postcard.

7 75. Preliminary and Permanent Injunction. Except as to Settlement Class Members
8 who timely submit Requests for Exclusion, the Preliminary Approval Order and Final Judgment
9 will contain provisions enjoining Plaintiffs and the Class Members from prosecuting the claims
10 released herein and enjoining Plaintiffs and the Class Members from initiating or continuing
11 other proceedings regarding the claims released herein, including but not limited to filing any
12 claims before the Division of Labor Standards and Enforcement (“DLSE”) or in any forum
13 whatsoever. Inclusion of these provisions in the Order of Preliminary Approval Order and Final
14 Judgment and Order of Final Approval is a material part of the consideration for this Settlement.

15 76. Interim Stay of Proceedings. The Parties agree that the application of Code of
16 Civil Procedure § 583.310 is stayed from January 24, 2023 through the date of entry Final
17 Approval and Judgment or the date upon which this Settlement Agreement becomes null and
18 void. Accordingly, pursuant to Code of Civil Procedure § 583.330, the Parties stipulate that the
19 time within which this action must be brought to trial is stayed. Plaintiff and Defendants agree
20 to refrain from further litigation of this matter, except such proceedings necessary to implement
21 and obtain an Order granting Final Approval of the terms of the Settlement Agreement.
22 Plaintiffs and Defendants further agree that the mutual, voluntary cessation of litigation shall
23 terminate if the motion for final approval of the Settlement Agreement is denied by the Court.
24 If the Court does not grant final approval of the Settlement Agreement for any reason, Plaintiffs
25 and/or Defendants may give notice to the other that the discovery agreements shall terminate
26 ten (10) calendar days from the date of notice of termination of the discovery agreements.

1 **Final Judgement Ratifying the Settlement Agreement**

2 77. Final Judgment and Continued Jurisdiction. Upon final approval of the
3 Settlement by the Court, or after the Final Approval/Settlement Fairness Hearing, the Parties
4 shall present the Final Judgment to the Court for its approval. After entry of the Final Judgment,
5 the Court shall have continuing jurisdiction solely for purposes of addressing: (i) the
6 interpretation and enforcement of the terms of the Settlement, (ii) settlement administration
7 matters, and (iii) such post-Final Judgment matters as may be appropriate under Court rules or
8 as set forth in this Agreement.

9 **Dispute Resolution Concerning the Terms of This Settlement Agreement**

10 78. Dispute Resolution Involving Settlement Agreement. Except as provided
11 herein, all disputes concerning the interpretation, calculation or payment of settlement claims,
12 or other disputes regarding compliance with this Settlement Agreement shall be resolved as
13 follows: if Plaintiffs or Class Counsel, on behalf of Plaintiffs or any Class Member, or
14 Defendants at any time contend that the other party has breached or acted contrary to the
15 Settlement Agreement, that party shall notify the other parties in writing of the alleged violation.
16 Upon receiving notice of the alleged violation or dispute, the responding party shall have ten
17 (10) calendar days to correct the alleged violation and/or respond to the initiating party with the
18 reasons why the party disputes all or part of the allegation. If the response does not address the
19 alleged violation to the initiating party's satisfaction, the Parties shall negotiate in good faith
20 for up to ten (10) calendar days to resolve their differences. If Class Counsel and Defendants
21 are unable to resolve their differences within ten (10) calendar days after the writing which
22 notified them of the alleged violation, either Party may elect to file (1) an appropriate Code of
23 Civil Procedure § 664.6 motion for enforcement with the Court, or (2) take any other legal
24 action to enforce this Settlement Agreement. Reasonable attorney fees and costs, as fixed by
25 the Court, incurred to enforce this Settlement Agreement shall be awarded to the prevailing
26 party.

document needed to implement the Settlement, or on any supplemental provisions which may become necessary to effectuate the terms of this Settlement, the Parties may seek the assistance of the Court to resolve such disagreement.

85. Binding on Successors and Assigns. This Settlement Agreement shall be binding upon, and inure to the benefit of, the successors or assigns of the Parties hereto, as previously defined.

86. California Law Governs. All terms of this Settlement Agreement and Exhibits hereto shall be governed by and interpreted according to the laws of the State of California.

87. Counterparts. This Settlement Agreement may be executed in one or more counterparts. All executed counterparts and each of them shall be deemed to be one and the same instrument provided that counsel for the Parties shall exchange among themselves original signed counterparts.

88. Jurisdiction of the Court. The Court shall retain jurisdiction with respect to the interpretation, implementation and enforcement of the terms of this Settlement Agreement, and all related orders and judgments. The Parties and their counsel likewise submit to the Court's jurisdiction for purposes of interpreting, implementing, and enforcing the terms embodied in this Settlement Agreement and all related orders and judgments.

89. Invalidity of Any Provision. Before declaring any provision of this Settlement Agreement invalid, the Court shall first attempt to construe the provisions valid to the fullest extent possible consistent with applicable precedents so as to define all provisions of this Settlement Agreement valid and enforceable.

90. Plaintiffs' Waiver of Right to Be Excluded and to Object. Plaintiffs agree to sign this Settlement Agreement, and by signing this Settlement Agreement will be bound by its terms. For good and valuable consideration, Plaintiffs further agree that they shall not request to be excluded from the Participating Class and agree not to object to any of the terms of this Settlement Agreement. Any such request for exclusion or objection by Plaintiffs shall be void and of no force or effect. Efforts by Plaintiffs to circumvent the terms of this paragraph shall

1 be void and of no force or effect. Plaintiffs shall be issued an Individual Settlement Payment
2 at the same time the Claims Administrator issues Individual Settlement Payments for other
3 Participating Class Members.

4 91. Waiver of Certain Appeals. The Parties agree to waive appeals and to stipulate
5 to class certification for purposes of this Settlement only; except, however, that Plaintiffs or
6 Class Counsel may appeal any reduction of the Class Counsel Award or of Class Counsel
7 Representatives Enhancement Payments below the amount provided for herein, and either Party
8 may appeal any Court order that materially alters the Settlement Agreement's terms which costs
9 will be borne solely by the appealing party.

10 92. Class Certification for Settlement Purposes Only. The Parties agree to stipulate
11 class certification only for purposes of the Settlement. If, for any reason, the Settlement is not
12 approved, the stipulation to certification will be void. The Parties further agree that certification
13 for purposes of the Settlement is not an admission that class certification is proper under the
14 standard applied to contested certification motions and that this Settlement will not be
15 admissible in this or any other proceeding as evidence that (i) a class should be certified or
16 (ii) Defendants are liable to Plaintiffs or the Class Members.

17 93. No Admission of Liability. The Parties to the Action understand that the terms
18 of the Settlement Agreement do not in any way imply an admission of liability on the part of
19 Defendants, and that it is being agreed to as an efficient method and compromise in order to
20 resolve disputed claims. This Settlement Agreement may not be used in any proceeding and
21 for any purpose whatsoever as an admission of liability on behalf of Defendants.

22 94. All Terms Subject to Final Court Approval. All amounts and procedures
23 described in this Settlement Agreement herein shall be subject to final Court approval.

24 95. Execution of Necessary Documents. All Parties shall execute all documents
25 reasonably necessary to effectuate the terms of this Settlement Agreement.

26 96. Binding Agreement. The Parties intend that this Settlement shall be fully
enforceable and binding on all parties, and that it shall be admissible and subject to disclosure

1 in any proceeding to enforce its terms, notwithstanding any mediation confidentiality
2 provisions that otherwise might apply under federal or state law.

FOR THE COUNTY OF VENTURA

THIS IS NOTICE OF A PROPOSED CLASS ACTION SETTLEMENT

To All licensed cosmetologists who worked for Ferguson SM, Inc., Infiniti HR West, LLC or HR Service Group, LLC at any time in the state of California from May 1, 2018 through July 31, 2021.

OFFICIAL COURT NOTICE

IMPORTANT PLEASE READ CAREFULLY

**YOU DO NOT NEED TO TAKE ANY ACTION TO BE PAID AS PART OF THIS
SETTLEMENT AND YOU WILL BE PAID YOUR SETTLEMENT AMOUNT
UNLESS YOU EXCLUDE YOURSELF**

WHY IS THIS NOTICE BEING SENT TO YOU?

1. This notice is to inform you that a proposed Settlement in the class action lawsuit entitled *Ildiko O'Connor, et al., v. Ferguson SM, Inc., et al.*, Case No. 56-2020-00543357-CU-OE-VTA (the "Lawsuit") has been reached by the Parties and has been granted preliminary approval by the California Superior Court for the County of Ventura (the "Court"). This is **not** a notice of a lawsuit against you. **You are not being sued.**
2. The Court has ordered that this Notice be sent to you because records maintained by Ferguson SM, Inc., Infiniti HR West, LLC and/or HR Service Group, LLC (jointly, "Defendants") indicate that you are a Class Member. The purpose of this notice is to inform you of the proposed Settlement of the Lawsuit. The notice is also intended (1) to describe the Settlement, including how the Settlement monies will be allocated and how the Settlement may affect you, and (2) to advise you of your rights and options with respect to the settlement.

**WHO IS ELIGIBLE TO RECEIVE MONEY FROM THIS
SETTLEMENT?**

3. The Settlement Class includes all "all licensed cosmetologists who worked for Ferguson SM, Inc., Infiniti HR West, LLC or HR Service Group, LLC, at any time in the state of California from May 1, 2018, through July 31, 2021." ("Class Period").

The Settlement Class will not include any person who previously settled or released any of the Claims covered by the Settlement or any person who was previously paid or received an award through civil or administrative action for any Claim covered by this Settlement.

WHY YOU SHOULD READ THIS NOTICE

4. You should read this Notice because you may be entitled to money under this Settlement and because you will release any claims under the Settlement unless you opt out as provided in this Notice.

WHAT IS A CLASS ACTION?

5. A class action is a lawsuit in which the claims and rights of many people are decided in a single court proceeding. One representative plaintiff or multiple representative plaintiffs, also known as a “class representative” or “class representatives” can assert claims on behalf of an entire class or group of people.

SUMMARY OF THE CLAIMS AND ALLEGATIONS

6. On July 17, 2020, Plaintiff Ildiko O'Connor filed a putative class action lawsuit in which she alleged that Ferguson SM, Inc. owes wages, interest and other penalties to its employees, whom she alleged were employed by Defendants as California licensed cosmetologists and who were not paid in compliance with California law. Two amendments of the complaint were subsequently filed, adding two additional representative plaintiffs, Laura Raya and Dina Shashua. Plaintiff's Second Amended Complaint alleges causes of action for: (1) Failure to Pay Minimum Wages; (2) Failure to Pay Overtime Wages; (3) Failure to Pay for Nonproductive Time and Rest/Recovery Periods for Piece Rate Workers; (4) Violations of Labor Code § 204.11; (5) Failure to Provide Meal Periods; (6) Failure to Provide Rest Periods; (7) Violations of Labor Code § 226; (8) Willful Failure to Pay All Wages Due Upon Termination; (9) Unfair Competition; (10) Declaratory Relief; and (11) Labor Code Private Attorneys General Act..

The Second Amended Complaint asserts that Defendant also violated California Labor Code sections §§ 201, 202, 203, 204, 208, 226(a), 226.7, 510, 558, 1194, 1197, 1197.1, 1199, and 2698 *et seq.*; California Industrial Welfare Commission Wage Order 5-2001; California Code of Regulations, Title 8, section 11000(2). Plaintiffs allege that as a result of the foregoing violations of law, Defendants violated Sections 17200 *et seq.* of the Business & Professions Code and violated the Labor Code Private Attorneys General Act (“PAGA”) under Labor Code §§ 2698 *et seq.* The Second Amended Complaint seeks declaratory relief, as well as recovery of compensatory damages, penalties, interest, and attorneys' fees and costs.

Defendants deny the allegations in the Lawsuit but preliminarily settled the lawsuit due to the expense, time, and risk associated with protracted litigation and disruption to the Company.

7. On [date of preliminary approval], the Court gave preliminary approval to the settlement of the Lawsuit. The Court has made no opinion on the merits of the Lawsuit.

18. Settlement Fund, Net Settlement Amount, and General Terms. Defendants and the named Plaintiffs have agreed that, in order to resolve this action, the Ferguson Defendants will pay \$85,000.00 and the Infiniti Defendants will pay \$90,000.00 (“Settlement Fund”) in exchange for the release of all claims against them. Subject to the Court’s approval, this amount will be used to pay: (1) the awards to Class Members that do not choose to exclude themselves from the Lawsuit (“Participating Class Members”); (2) an amount not to exceed \$15,000 in total to the Named Plaintiffs for their services and in exchange for individual general releases; (3) class counsel’s attorney’s fees, up to a maximum amount of \$58,332.00; (4) class counsel’s actual costs of approximately \$18,617.00; (4) a payment of \$5,625.00 to the Labor Workforce and Development Agency; (5) a payment of \$1,875.00 to the PAGA Aggrieved Employees; and (6) the costs of settlement administration (\$8,000.00).

Subject to the Court’s approval, the estimated Net Settlement Amount, including civil penalties under the PAGA, is estimated to be \$67,551.00 [Gross Settlement Amount (\$175,000) – Claims Administration Costs (\$8,000.00) – Three Class Representative Enhancement Payments (\$15,000.00) – Class Counsel Award for Fees (\$58,332.00) – Class Counsel Award for Costs (\$18,617.00) – LWDA Payment (\$5,625.00) – PAGA Aggrieved Employees Payment (\$1,875.00)].

19. Payment Formula. Class Members who do not file a Request for Exclusion will be entitled to a gross award (“Individual Settlement Payment”). Each Individual Settlement Payment (before deduction for payroll taxes) shall be determined as follows:

Subject to Approval of the Court, Participating Class Members will be entitled to a proportional share of the Net Settlement Amount (estimated to be \$67,551.00), based on the estimated proportional number of weeks worked by each Class Member during the Class Period and whether the Class Member is also a PAGA Aggrieved Employee.

A. If you were a licensed cosmetologists who worked for Defendants during the Class Period, the estimated gross amount that you will receive is included in the attached Settlement Award Form. The gross amount on the Settlement Award form represents an estimate, is subject to Court approval and could change. The Gross share of the Net Settlement Amount for each Class Member is determined by multiplying the estimated

number of workweeks each Class Member worked while employed by Defendants during the Class Period times the Workweek Dollar Value. The Workweek Dollar Value will be determined by dividing the total amount available to be paid to the Class Members (excluding the \$1,875.00 available to PAGA Aggrieved Employees) by the total estimated number of workweeks worked by the Class Members (estimated to be _____). This amount is estimated to be \$_____ for each week worked. \$_____ ÷ _____ workweeks = \$_____ for each estimated workweek. If you do not agree with the number of workweeks noted on the enclosed Settlement Award Form, the Settlement Award Form contains instructions on how to contest any of the information provided.

B. Class Members who worked for Defendants between June 28, 2020, and July 31, 2021, also will be entitled to a pro rata share of the PAGA civil penalties allocated to the PAGA Aggrieved Employees based on the number of workweeks worked during this time period.

20. Payroll Tax Withholding. Twenty percent (20%) of each gross Individual Settlement Payment shall be comprised of wages subject to payroll taxes and eighty percent (80%) shall be comprised of non-wage income. The Claims Administrator shall withhold the employee's share of payroll taxes from the portions of the Individual Settlement Payments attributable to wage income. Defendants' share of payroll taxes owing on the portion of the Individual Payments that is allocated to wages shall be paid out of gross settlement.

21. Distribution Schedule. Subject to approval of the Court, the Settlement Awards will be made by check. The Settlement Fund will be funded by Defendants and all settlement payments shall be made as follows:

- A. No Later than 15 days after the Effective Date of the Settlement, the Infiniti Defendants will wire transfer their total portion of the Settlement Amount, equal to Ninety Thousand Dollars and No/Cents (\$90,000.00), to the Claims Administrator.
- B. No Later than 15 days after the Effective Date of the Settlement, the Ferguson Defendants will wire transfer one-half of their Settlement Amount, equal to Forty-Two Thousand and Five Hundred Dollars and No/Cents (\$42,500.00), to the Claims Administrator.
 - i. This initial portion of the Gross Settlement Amount (\$132,500.00) shall be distributed as follows: (1) 100% of the approved enhancement payments to the Named Plaintiffs (\$15,000.00); (2) 100% of the approved costs to Class Counsels (\$18,617.00); (3) \$23,832.00 out of \$58,332.00 (the total approved attorneys' fees); and (4) \$5,625.00 to the LWDA, with the remainder to be paid to the Settlement Class as the complete Class payment (\$69,426.00), including \$1,875.00 to be paid to the PAGA Aggrieved Employees).
- C. No later than six months after the Effective Date, the Ferguson Defendants' shall transfer the second and remaining settlement payment of Forty-Two Thousand and Five Hundred Dollars and No/Cents (\$42,500.00) to the Claims Administrator.

This portion of the Gross Settlement Amount shall be distributed as follows: remaining approved attorneys' fees (\$34,500.00), and 100% of the approved Claims Administrator fees (\$8,000.00).

22. Payment of Attorneys' Fees and Costs for Class Counsel. Class Counsel will ask for fees of no more than one-third of the Gross Settlement Amount (\$58,332.00) and actual costs incurred: approximately \$18,617.00. The actual amounts awarded will be determined by the Court to ensure that the amount of attorneys' fees and costs is reasonable. This means that Class Counsel's fees and costs will be paid out of the settlement, and Class members will not have to make any individual payments to the lawyers.

EFFECT OF THE SETTLEMENT-RELEASE OF ALL CLAIMS

23. Release of Claims for Class Members. Aside from those who submit a valid and timely request for exclusion from the settlement, Plaintiffs and each member of the Settlement Class will release Defendants and any past, present or future parent, subsidiary, affiliate, predecessor or successor, and all agents, employees, owners, shareholders, insurers, reinsurers, assigns, officers, directors and attorneys thereof (collectively the "Released Parties"), from any and all claims, debts, liabilities, demands, obligations, guarantees, costs, expenses, attorneys' fees, damages, action or causes of action arising out of the allegations and claims asserted in the operative Complaint, including without limitation to, any and all claims for alleged unpaid wages (including but not limited to minimum, overtime, final pay upon termination), alleged unpaid meal and rest period premiums, failure to pay timely wages, failure to maintain required records, itemized wage statements, failure to pay sick leave; and penalties arising under the California Labor Code (including PAGA), California Civil Code, or Business & Professions Code Section 17200, and claims for restitution and other equitable relief, liquidated damages, or penalties; and any other benefit claimed on account of the allegations asserted in the operative Complaint.
