9. I attended college at the University of California San Diego, where I double majored in Political Science: Public Law and Communications. I received my Bachelor of Arts for both majors in 2007 and was awarded multiple Provost's Honors.

10. I graduated from Washington University in St. Louis School of Law ("WUSTL School of Law"), where I received my J.D. in 2014 and studied as a visiting scholar at the University of California Los Angeles School of Law during the 2013-2014 school year. Both law schools are consistently ranked in the top 20 law schools by U.S. News & World Report. During law school, I was a Scholar in Law recipient, a CALI Award Winner for Mediation Theory and Practice, made the Dean's List for being in the top 20% of my class, and was an Associate Editor for WUSTL School of Law's Journal of Law & Policy.

11. During law school, in the summer of 2011, I began working as a Law Clerk at an established plaintiffs'-side employment class action law firm – Jose Garay, APLC ("Garay Law"). I continued to clerk part-time during law school and full-time during summers. As a Law Clerk for Garay Law, I drafted countless class action complaints, discovery requests and responses, and motions; attended hearings under the supervision of attorneys; worked closely with expert witnesses and created damage analyses for mediations; drafted mediation briefs and attended mediations, including the mediation for *Thomas v. Cognizant Technology Solutions U.S. Corporation*, Case No. SACV 11-1123 (Central District of California) which resulted in a \$4,000,000.00 settlement on behalf of non-exempt computer software engineers who were misclassified as exempt employees under California's computer professional exemption.

12. During law school, I also took business school courses at Washington University in St. Louis Olin Business School. Upon graduating law school in 2014, I took and passed the July 2014 California Bar Exam.

13. After investing in and operating a start-up company, I began practicing law as an attorney

1 in 2016. I began working as an associate for Garay Law, primarily litigating wage and hour class actions,
2 and handling all facets of litigation, including, but not limited to, drafting correspondences, pleadings,
3 discovery, settlement agreements, and motions, making appearances and handling hearings, defending
4 depositions, working with expert witnesses and attending mediations, and creating damage analyses.

5 14. I also worked as an associate in Bisnar Chase LLP's class action department. While
6 working at Bisnar Chase, in addition to other employment and consumer class actions, I litigated the data
7 breach class action lawsuit titled *Yahoo! Inc. Private Information Disclosure Cases*, Case No. JCCP 4895
8 (Orange County Superior Court) that affected millions of Americans. As part of the *Yahoo* data breach
9 class action, I worked closely with co-counsel Robinson Calcagnie, Inc. by reviewing thousands of
10 documents, drafting internal memorandums, and preparing the deposition outline and attending the
11 deposition of Yahoo's head of cybersecurity. In addition, while at Bisnar Chase, I was intricately involved
12 in the class certification phase of the wage and hour class action titled *Grant et al. v. Car Spa, Inc.*, Case
13 No. RIC1310176 (Riverside County Superior Court). During litigation of the *Grant* employment class
14 action, I appeared and handled hearings, defended over a dozen putative class member depositions and
15 cross-examined witnesses, met and conferred with opposing counsel on numerous occasions, and drafted
16 pleadings and correspondences. The Riverside County Superior Court granted plaintiffs' motion for class
17 certification.

18 15. More recently, I worked for the well-known employment class action law firm – Aegis
19 Law Firm. As an associate for Aegis, I managed 25 to 30 employment class action cases handling all
20 aspects of litigation, including, but not limited to, drafting all notices, correspondences, pleadings,
21 discovery, motions, settlements, and mediation briefs; working closely with expert witnesses for
22 mediations and class certification; attending mediations; appearing and handling all hearings for my
23 assigned cases; handling all depositions; corresponding with clients; and meeting and conferring with
24 opposing counsel. Of note, I was the primary attorney during significant portions of litigation in the
25 *Gamboa v. Kamran Staffing Inc. et al.*, Case No. CIVDS1605273 (San Bernardino County Superior Court)
26 employment class action. I drafted numerous pleadings, meet and confer correspondences, discovery, and
27 motions including plaintiff's motion for class certification; conferred with class members and expert
28 witness; defended numerous class member depositions and cross-examined witnesses; and appeared and

1 handled hearings, among other things. The San Bernardino County Superior Court granted plaintiff's
2 motion for class certification.

3 16. In sum, for the past 13 years I have primarily focused on employment class actions and
4 played a critical role in obtaining millions of dollars on behalf of thousands of employees, both as an
5 attorney and as a law clerk.

6 17. In 2019, I founded the Law Office of Daniel J. Hyun, focusing on plaintiffs'-side
7 employment class actions. Although I provide pro bono legal services to low-income individuals in the
8 areas of contract, property, and criminal law, as well as other civil matters, my primary practice is
9 employment class actions. In addition, I have been a member of the American Bar Association, American
10 Association for Justice, Beverly Hills Bar Association, Orange County Trial Lawyers Association,
11 California Employment Lawyers Association, California State Bar's Labor and Employment section, and
12 Orange County Bar Association.

13 18. I was selected as a Super Lawyers Rising Star by Thomson Reuters, representing one of
14 the top 2.5% of lawyers under 40 in Southern California in 2018, 2019, 2020, 2021, 2022, 2023, and 2024
15 in the practice area of Class Action & Mass Torts. I have also been named in Top Verdicts Top 50 list for
16 Labor & Employment Settlements in California in 2021, 2023, and 2024.

17 19. There is a fee-splitting agreement between the Moon Law Group PC, Daily Aljian LLP,
18 and Law Office of Daniel J. Hyun ("LODJH"). The agreement provides that the attorneys' fees recovered
19 in this Action will be split one-third to Moon Law Group PC, and two-thirds to Daily Aljian LLP and
20 LODJH. After written disclosure required by Rule 1.5.1 of the California Rules of Professional Conduct,
21 Plaintiff provided written consent to the division of fees between Moon Law Group PC, Daily Aljian LLP,
22 and LODJH.

23 20. I have billed a total of 298.2 hours working on this case at a rate of \$650 per hour, which
24 was previously approved in the class and representative PAGA action titled *Saenz v. Class Leasing, LLC,*
25 *et al.*, Riverside Superior Court Case No. CVRI2205259 and is well below the recommended \$777 hourly
26 rate per the Laffey Matrix, resulting in a lodestar of \$193,830. This request does not include staff and other
27 attorneys' hours from my firm. The hourly rates are comparable to those charged by other class action
28 plaintiff's counsel and the firms defending class action cases. My firm and my co-counsel, dedicated

1 significant resources to this case by dividing the tasks required according to skill level, and the professional
2 hours generated by each firm are neither unreasonable nor duplicative. I am not seeking fees for time spent
3 on this case by any other attorney or staff members from my firm. In addition, my firm incurred costs in
4 the amount of \$1,985.00.

5 21. The Law Office of Daniel J. Hyun has expended considerable time and effort on this case
6 and will continue to do so through final approval of the class action settlement as well as any subsequent
7 compliance hearing.

8 22. Based on my experience and litigation of this action, the class action settlement is fair,
9 reasonable, and adequate.

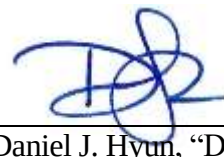

10 23. Plaintiff's Counsel is unaware of any other class or representative action that overlaps with
11 the claims asserted in this Action.

12 **Exhibits**

13 24. A true and correct copy of a detailed breakdown of the attorney hours expended in this case
14 is attached hereto as **Exhibit 1**.

15 25. A true and correct copy of a detailed breakdown of the costs incurred in this case is attached
16 hereto as **Exhibit 2**.

17 I declare under penalty of perjury, under the laws of the State of California, that the foregoing is
18 true and correct. Executed June 23, 2024, at Irvine, California.
