DECLARATION OF EVELYN MARTINEZ

I, Evelyn Martinez, declare as follows:

1. I am an individual over the age of 18. I am the named plaintiff in the above-reference action. I have personal knowledge of the facts set forth below, except as to those matters stated on information and belief and, as to those matters, I believe them to be true. If called as a witness, I could testify competently as to the matters stated in this declaration.

2. In around September of 2018, I started working for City of Hope National Medical Center. During my employment, I was paid on an hourly basis. I earned shift differential wages and was paid an additional hour of wages for missed, late, short, or interrupted meal or rest breaks. These wages were paid at my base hourly rate of pay. I also received wage statements that identified an inaccurate total number of hours worked and am informed and believe they failed to accurately show all applicable hourly rates, the gross wages earned, and the net wages earned.

3. I do not believe I have any interests that are adverse to the interests of the Class. I also do not believe anyone else has suggested that I do. I have taken all necessary steps to represent the interests of the Class, including by providing information and wage statements to my counsel, making myself available to discuss the claims, reviewing other information and documents, and gathering additional documents while the lawsuit was pending.

4. I am proud of the result and accomplishment of this lawsuit. I feel that it is a positive accomplishment and understand that other people will benefit because of the actions that I have taken. I believe that the class settlement is fair, adequate, and reasonable.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct. Executed this 6th day of April 2022, at Highland, California.
