**DECLARATION OF JACOB N.
WHITEHEAD IN SUPPORT OF MOTION
FOR APPROVAL OF PAGA
SETTLEMENT**

Date: March 7, 2025
Time: 9:00 a.m.
Dept.: CX101

Complaint Filed: December 23, 2020

Reservation No.: 74479414

DECLARATION OF JACOB N. WHITEHEAD

I, Jacob N. Whitehead declare:

1.) I am an attorney licensed and in good standing to practice law in the State of California and before this Court as well as Washington, D.C. I am the founding shareholder and senior managing partner of W Employment Law, APC and Co-Plaintiff's counsel, for Plaintiff, Frank Hine, along with Co-Plaintiff's counsel of record, Carolyn H. Cottrell, Esther L. Bylsma, and Sandra Acosta Tello of Schneider Wallace Cottrell Konecky LLP in the above captioned action. I have no knowledge of the existence of any conflicting interests between my firm, Co-Plaintiff's counsel or the Aggrieved Employees.

2.) I make this declaration in support of Plaintiff's concurrently filed, unopposed Motion for Approval of PAGA Settlement. The facts set forth herein are based upon my own personal knowledge developed through my representation of Mr. Hine and the similarly situated Aggrieved Employees. If called upon as a witness, I would and could competently testify to those matters contained in this declaration based upon my handling and participation in this matter.

3.) The Plaintiff and Aggrieved Employees are either currently employed or were formerly employed by the Defendants within the State of California during the relevant PAGA period (defined in the proposed Settlement as October 19, 2019 through February 20, 2024, hereinafter the “PAGA Period.”) In this action the Plaintiff has asserted that during the relevant PAGA Period, he and the Aggrieved Employees incurred work related expenses in utilizing their personal cells phones to conduct their job duties and work related communications and were entitled to but were not reimbursed by Defendants for such necessary work related expenses.

4.) As Plaintiff's co-counsel I conducted a thorough investigation into the factual and legal issues implicated by Plaintiff's claims. Multiple interviews with my client provided valuable insight into the policies and practices of Defendants that were instituted and Plaintiff's factual

1 contentions that gave rise to the alleged Labor Code violations and such provided legally sufficient
2 grounds to pursue the PAGA action against Defendants.

3 5.) Accordingly, on December 23, 2020 my firm caused to be filed a complaint
4 against Defendants asserting causes of action for Failure to Reimburse Work Related Expenses
5 in Violation of Lab. Code § 2802; for Unfair Business Practices under Bus. & Prof. Code §
6 17200 et seq.; and for Violation of the Private Attorney Generals Act of 2004, under Lab. Code
7 § 2698 et. seq.

8 6.) On August 13, 2024, for the sole purpose of adding additional Defendants and to
9 obtain the approval of the PAGA claims in this action, Plaintiff filed a First Amended
10 Complaint (“FAC”) in which Plaintiff included as Additional Defendants, Cyclebar house
11 Franchising, LLC; AKT Franchise, LLC; Club Pilates Franchise, LLC; Row Pure Barre
12 Franchising, LLC; Stretch Lab Franchise, LLC, BFT Franchise Holdings, LLC; and Rumble
13 Franchise, LLC (the “Additional Defendants”).

14 7.) Procedurally the present proposed Settlement was achieved following exchange
15 of information and data, whereafter on February 20, 2024, the Parties participated mediation
16 with Hon. Amy Hogue (Ret.)

17 8.) Through the recognitional lenses of all risks, uncertainties and further delays
18 occasioned by further litigation, the present PAGA Settlement with a non-reversionary Gross
19 Settlement (“GSA”) amount of Six Hundred and Seventy-Five Thousand Dollars (\$675,000)
20 reached on behalf of Plaintiff and approximately 1,743 Aggrieved Employees who worked an
21 estimated 47,727 aggregate pay periods, is a fair and reasonable compromise reached after
22 years of hard fought negotiations that will provide immediate and meaningful relief to
23 Aggrieved PAGA members right away.

24 9.) Of the GSA, the proposed Settlement provides for thirty five percent (35%) or an
25 estimated \$236,250.00 for attorneys’ fees; attorneys’ cost up to Twenty-Five Thousand Dollars
26 (\$25,000), an enhancement payment to the Plaintiff in the amount of Fifteen Thousand Dollars
27

1 (\$15,000) and Settlement Administration fees in an amount not to exceed Eleven Thousand,
2 Seven Hundred and Fifty Dollars (\$11,750.00).

3 10.) Out of the remaining Net Settlement Amount of Three Hundred and Eighty-
4 Seven Dollars (\$387,000.00), Seventy-Five Percent (75%) or Two Hundred Ninety Thousand,
5 Two Hundred and Fifty Dollars (\$290,250.00) will be distributed to the California, Labor
6 Workforce and Development Agency ("LWDA"). Twenty-Five Percent (25%) or Ninety-Six
7 Thousand, Seven Hundred and Fifty Dollars (\$96,750.00) will be distributed to the Aggrieved
8 Employees based upon the number of pay periods each such Aggrieved Employee was
9 employed by Defendants during the PAGA Period, divided by the aggregate number of pay
10 periods worked by all the Aggrieved Employees and the Additional Defendants, and then
11 multiplied by Twenty Five Percent (25%) of the Net Settlement Amount.

12 11.) Defendants have at all times vigorously disputed and continue to dispute all of
13 Plaintiffs' claims. The settlement negotiations were hard fought. Evidentiary difficulties in the
14 ability to prove claims related to uncompensated work-related expenses presented a challenge
15 in the absence of adequate or complete records. Accordingly, Plaintiff's original maximum
16 theoretical damages were thus tempered by these realities and were not a realistic probable
17 outcome of the litigation because it did not take into consideration certain of these issues.

18 12.) Nevertheless, a settlement need not obtain 100 percent of the civil penalties
19 sought in order to be fair and reasonable. In recognizing that Lab. Cod. § 2699 (e)(1) permits a
20 Court's considerable discretion to award a lesser amount than the maximum PAGA civil
21 penalties, and in consideration of the risk that at trial the actual penalties awarded could be
22 significantly less, the proposed Settlement for the PAGA claims in the amount of Six Hundred
23 and Seventy-Five Thousand Dollars (\$675,000.00) is a fair and reasonable recovery.

24 13.) Moreover, if matter does not reach settlement approval, it is estimated that trial
25 would consume at least two weeks, possibly longer.

26 14.) Through the recognitional lenses of the risks, uncertainties and further delays, the
27

1 present Settlement is a fair and reasonable compromise reached after years of hard fought
2 negotiations that will provide immediate and meaningful relief to the Aggrieved PAGA
3 employees right away.

4 Whitehead Employment Law Firm Profile

5 15.) My firm, W Employment Law, APC, my associate attorneys, myself and my
