DECLARATION OF REBECCA PINEDA

I, Rebecca Pineda, declare as follows:

1. I am an individual over the age of 18 years old and am a resident of California. I am the named Plaintiff in this matter. I have personal knowledge of the facts set forth below and if called to testify I could and would do so competently.

2. I worked for Defendant Ippolito International L.P. ("Defendant") from July 2014 until about April 3, 2020.

3. During my employment with Defendant, I received wage statements during each pay period that did not identify the pay period start date.

4. I understand that this action was brought on behalf of all other employees in the State of California, and that I am acting as a representative for the Class. As the Class Representative, I understand that it is my responsibility to act in the best interests of the Class and not my own. I agree that I will not put my own interests ahead of that of the Class, and that I will not settle out my class and PAGA claims as alleged in the Complaint separately or independently from the Class. Moreover, I am not aware of any conflicts that exist between my interests and the interests of the Class that would impair or affect my ability to serve as representative for the Class.

5. I have and continue to be willing to assist in the investigation of this matter, including meeting, conferring, discussing the case with my attorneys, providing any necessary information and documents, making myself available for trial or any further proceedings in this matter as required to represent the interests of the Class. I also understand my duties and responsibilities to the proposed Class and will carry out those duties as necessary.

6. I have met and conferred with my attorneys on a number of occasions to discuss the case, provided information and documents to my attorneys, and reviewed the Settlement Agreement.

7. I have discussed the terms of the Settlement with my attorneys, and based on the information provided, I believe the Settlement to be fair, adequate, and reasonable for myself and for the entire Class.

1 I declare under penalty of perjury under the laws of the State of California that the
2 foregoing is true and correct.

3 Executed on this ²¹ day of October, 2021, at Salinas, California.
