CV-UOE-2020-0002099. Phillip is currently handling multiple PAGA matters and FCRA class action matters.

8. I am familiar with California law governing wages owed to employees, including but not limited to those sections of the Labor Code Sections at issue in this case, Business and Profession Codes 17200, *et seq.*, and the Wage Orders of the Industrial Welfare Commission.

9. There are no conflicts that would prevent me from serving as Class Counsel in this matter.

10. Defendant Mary Ann's Baking Co., Inc. ("Defendant") is a company that offers a variety of baked good, services hotel/lodging, retail grocery, in-store bakeries, convenience stores, etc.

11. On August 3, 2020, Plaintiff Grebe provided written notice to the California Labor and Workforce Development Agency ("LWDA") and Defendant.

12. On September 14, 2020, Plaintiff Grebe filed a wage-and-hour class action lawsuit in the Superior Court of California, County of Sacramento. Plaintiff Grebe's lawsuit alleged violation of (a) Labor Code sections 510 and 1198 (unpaid overtime); (b) Labor Code sections 226.7 and 512(a) (unpaid meal period premiums); (c) Labor Code section 226.7 (unpaid rest period premiums) (d) Labor Code sections 1194 and 1197 (unpaid minimum wages); (e) Labor Code sections 201 and 202 (final wages not timely paid); (f) Labor Code section 226(a) (non-compliant wage statements); (g) Labor Code sections 2800 and 2802 (failure to reimburse business expenses); (h) Labor Code sections 2698, *et seq.* (Private Attorneys General Act of 2004 ("PAGA")); and (i) Business & Professions Code sections 17200, *et seq.*

13. During the midst of litigating his case against Defendant, Plaintiff Grebe discovered Plaintiff Madrigal Vargas, another former employee of Defendant, had also filed a lawsuit against Defendant on January 11, 2021 alleging similar violations. Due to the similarities of their lawsuits, Plaintiffs decided to work together to reach a reasonable settlement with Defendant.

14. On July 14, 2021, the Parties attended mediation with a Jeffrey Krivis, a respected mediator of wage-and-hour and class action lawsuits. Under the auspices of the mediator, the

1 Parties reached a global settlement for both lawsuits via a mediator’s proposal that was
2 memorialized in the Stipulation and Settlement of Class, Collective, and Representative Action
3 (“Settlement Agreement,” “Settlement” or “Agreement”) that the Parties now seek preliminary
4 approval of.

5 15. Pursuant to the settlement, Plaintiff Grebe provided an amended written notice to
6 the LWDA and Defendant on July 19, 2021. Afterwards, on May 12, 2022, Plaintiff Grebe filed
7 a First Amended Complaint that added Plaintiff Madrigal Vargas as an additional plaintiff,
8 adjusted the “class” and “aggrieved employees” definition, and added claims/causes of action
9 alleged in Plaintiff Madrigal Vargas’ lawsuit that were not alleged in Plaintiff Grebe’s lawsuit.

10 16. Defendant generally and specifically denies any and all liability or wrongdoing of
11 any sort with regard to any of the claims alleged, makes no concessions or admissions of liability
12 of any sort, and contends that for any purpose other than settlement, this case is not appropriate
13 for class treatment. Defendant asserts several defenses to the claims and has denied any
14 wrongdoing or liability.

15 17. After Plaintiff Grebe filed his lawsuit, both Parties engaged in discovery. Plaintiff
16 Grebe propounded one (1) set of form interrogatories, one (1) set of special interrogatories, one
17 (1) set of requests for admissions, and one (1) set of requests for production to Defendant.
18 Defendant responded to Plaintiff Grebe’s discovery, but Plaintiff Grebe had to file a Motion to
19 Compel Defendant to provide further responses to Plaintiff Grebe’s special interrogatories.
20 Thereafter, the Parties met and conferred and agreed to engage in an informal exchange of
21 information and then attend mediation.

22 18. Prior to the mediation, the Parties conducted significant investigation and
23 discovery of the facts and law both before and after this case was filed. Specifically, Defendant
24 produced hundreds of documents relating to its policies, practices, and procedures regarding
25 reimbursement of business expenses, paying non-exempt employees for all hours worked, meal
26 and rest period policies, and payroll and operational policies (*i.e.*, employee handbooks, training
27 guides, collective bargaining agreements). As part of Defendant’s production, Class Counsel also
28 reviewed time records, pay records, and information relating to the size and scope of the Class,

1 as well as data permitting Class Counsel to understand the number of workweeks in the Class
2 Period. Class Counsel also interviewed over twenty (20) Class Members who worked for
3 Defendant throughout the Class Period.

4 19. The Parties agree that the above-described investigation and evaluation, as well as
5 the information exchanged during the settlement negotiations, are more than sufficient to assess
6 the merits of the Parties' positions and to compromise the issues on a fair and equitable basis.

7 20. I have reviewed the declaration of Justin P. Rodriguez and can confirm the
8 accuracy of his statements regarding the case history, our assessment of the value of each of the
9 Plaintiffs' claims, the mediation, the discovery and investigation performed, and the review and
10 evaluation of documents relating to Defendant's financial condition and the options considered
11 in arriving at this claims made/reversionary settlement.

12 21. The proposed Agreement is the product of serious, informed, non-collusive
13 negotiations, has no obvious defects, does not improperly grant preferential treatment to the Class
14 Representatives, or segments of the Class, and falls within the range of fair and reasonable
15 settlements. I believe that this settlement is in the best interests of the Class as fair, reasonable,
16 and adequate. By extension, I have also analyzed and weighed the evidence discussed in Mr.
17 Rodriguez's declaration. Pursuant to this, I have determined the proposal settlement of \$600,000
18 represents a fair and reasonable discount from the realistic recovery and is within the "ballpark"
19 of a fair, reasonable, and adequate settlement of the wage-and-hour class action claims alleged in
20 this case. This is especially true in light of the Defendant's financial condition and the information
21 it shared with us in connection with the mediation. For these reasons, I recommend approval of
22 the Agreement.

23 22. On June 3, 2021, Class Counsel executed the Agreement Re: Joint Prosecution,
24 Fee Splitting, and Costs. This allowed for the attorneys' fees and costs to be split seventy-five
25 percent (75%) to Justice Law Corporation and twenty-five percent (25%) to Shimoda &
26 Rodriguez Law, PC.

27 23. The Settlement Agreement calls for the payment of the attorneys' fees of up to
28 \$210,000 (35% of the Gross Fund Value). This request is fair, reasonable, and adequate to

1 compensate Class Counsel for the substantial work they have put into this case and the risk they
2 assumed by taking it in the first place. I have practiced law in Southern California since December
3 of 2004, with most of my time focused solely on the prosecution of employment and wage-and-
4 hour class action litigation. I am aware that the common and acceptable rate for contingency
5 representation in wage-and-hour class action litigation is normally forty percent (40%) before
6 trial, with the range being from thirty-three and one-third percent (33.3%) up to fifty percent
7 (50%).

8 24. The requested attorneys' fees is intended to reimburse Class Counsel for all
9 uncompensated work that they have already done and for all the work they will continue to do in
10 carrying out and overseeing notification of the Class, communication with the Class regarding
11 the proposed Settlement, and the settlement administration if the Settlement is preliminarily
12 approved.

13 25. Class Counsel took this case on a contingent fee basis. When taking these cases,
14 we anticipate that we shall, if successful, receive a fee that exceeds our normal hourly rate;
15 otherwise, the risk is often too great to bear. Therefore, when we take on one matter, we are unable
16 to take on other matters. When Class Counsel became involved in this case, we realized the time
17 commitment that it would entail, and we were forced to turn down matters. In sum, this case
18 claimed a significant portion of Class Counsel's time and attention throughout its pendency.

19 26. The requested fee is reasonable for the services provided to Class Members and
20 for the benefits they will receive.

21 27. In connection with any the final approval briefing, I will provide the Court with
22 the information necessary to perform a lodestar cross check of the requested attorney's fees,
23 quantify the amount of time spent by Plaintiff Michael Grebe on this case and any further risks
24 and/or burdens incurred as a result of acting as Class Representative, and an updated declaration
25 in support of actual litigation costs incurred by my firm.

26 28. To date our firm has incurred \$14,789.37 in out of pocket costs to prosecute this
27 case. Attached as **Exhibit 2** is a true and correct copy of the Case Cost Detail sheet identifying
28 the costs.

29. No attorney in my firm has any interest or involvement in the State's Unclaimed Property Fund where the value of any uncashed checks will be sent pursuant to the Agreement.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct. Executed this 29th day of September 2022 in Pasadena, California.
