1 potential witnesses, providing my attorneys with documents and information concerning the
2 case, and also describing policies, practices, and procedures of 5.11.

3 5. As far as the settlement is concerned, I was available to review documents and
4 answer any questions my attorneys had. I spent about **4 hours** reviewing the settlement
5 agreement and about **4 hours** asking questions and discussing the potential settlement with my
6 attorneys before signing the settlement agreement.

7 6. I believe that I have done everything that my attorneys have asked of me and have
8 tried, to the best of my ability, to represent and seek relief for the class and seek relief for the
9 aggrieved employees and the State of California. I think my efforts helped to get the result
10 obtained in this case, and as a class representative, I respectfully request that the Court award me
11 a class representative service award in the amount of \$5,000.00 for my active participation in this
12 case. Taking into consideration the time that I have dedicated to this case, I believe that this
13 amount is reasonable.

14 7. I have not entered into any undisclosed agreements, nor have I received any
15 undisclosed compensation in this case. The only compensation I will receive is whatever amount
16 the Court awards as a class representative service award, as well as my individual share of the
17 settlement as a class member and as an aggrieved employee.

18 8. I am not related to anyone associated with Lawyers *for* Justice, PC.

19 I declare under penalty of perjury under the laws of the State of California that the
20 foregoing is true and correct.

21 Executed this 07/14/2023 day of July 2023, at Clovis, California.
