DECLARATION OF JAMES PEVEY

I, James Pevey, declare as follows:

1. I am an individual over the age of 18. I am the named plaintiff in the above-reference action. I have personal knowledge of the facts set forth below and if called to testify I could and would do so competently.

2. I was employed by Defendant Lumber City Corp. ("Lumber City") as a salesperson from about April 2019, until about May 2020. I worked as an hourly, non-exempt employee.

3. During my employment, the wage statements issued to me by Lumber City did not identify the applicable rates of pay for all hours worked, pay period start and end dates, and accurate gross and net wages earned. In addition, throughout my employment, I was not allowed to leave the work premises during rest breaks and was not provided complete, off-duty meal breaks due to Lumber City's practice of rounding time.

4. I understand that this action was brought on behalf of all other employees in the State of California, and that I am acting as a representative for the Class. As a Class Representative, I understand that it is my responsibility to act in the best interests of the Class. I am not aware of any conflicts that exist between my interests and the interests of the Class that would impair or affect my ability to serve as representative for the Class.

5. I have and continue to be willing to assist in the investigation of this matter, including meeting and discussing the case with my attorneys, providing any necessary information and documents, making myself available for trial or any further proceedings in this matter as required to represent the interests of the Class. I also understand my duties and responsibilities to the proposed Class and will carry out those duties as necessary.
