DECLARATION OF JENNY GARRIDO

I, **Jenny Garrido**, hereby declare as follows:

1. I am over 18 years of age and a resident of California. I am one of the named plaintiffs in the above-captioned case. I have personal knowledge of the facts and statements set forth in this declaration, and if called upon to testify, I could and would competently testify thereto.

2. I was employed by Acorn Engineering (“Acorn”) as an hourly-paid employee from approximately May 2016 to May 2018. I decided to seek legal advice about my work experiences with Acorn. I contacted Lawyers *for* Justice, PC and spoke with attorneys there. I wanted to do whatever I could to make sure Acorn was held accountable for not paying its employees for all hours worked and non-compliant meal and rest breaks. After speaking with the attorneys, I investigated complex wage-and-hour lawsuits on my own and did some research into the leading class action and employment law firms in California for approximately **7 hours**. Thereafter, I consulted with the attorneys at Lawyers *for* Justice, PC for **8 hours** discussing my situation, complex wage-and-hour class actions in general, and what it meant to be a named plaintiff and class representative.

3. I have spent over **19 hours** meeting with my attorneys regarding the case and fulfilling my responsibilities as a class representative, which included gathering documents concerning my employment with Acorn, reviewing documents with my attorneys and answering their questions, providing guidance regarding the duties of hourly-paid employees, and helping develop a strategy as to what documents and information to obtain from Acorn. I routinely checked in with my attorneys and their staff to make sure that they had all of my most current information and any additional information that I had obtained.

4. Throughout my involvement in this case, I was available to answer any questions my attorneys had, and available to speak and meet with my attorneys whenever they needed me. I responded to them as quickly as possible and gave them as much information and identified as many documents as I could. I spent at least **16 additional hours** speaking with my attorneys about the case, identifying potential witnesses, providing my attorneys with documents and

1 information concerning the case, and also describing policies, practices, and procedures of
2 Acorn.

3 5. I spent about **5 hours** reviewing the settlement agreement and about **4 hours**
4 asking questions and discussing the potential settlement with my attorneys before signing the
5 settlement agreement.

6 6. I believe that I have done everything that my attorneys have asked of me and have
7 tried, to the best of my ability, to represent the class. I think my efforts helped to get the result
8 obtained in this case, and as a class representative, I respectfully request that the Court award me
9 a service award in the amount of \$10,000.00 for my active participation in this case. Taking into
10 consideration the time that I have dedicated to this case, I believe that this amount is reasonable.

11 7. I am not related to anyone associated with Lawyers *for* Justice, PC.

12 8. I have not entered into any undisclosed agreements, nor have I received any
13 undisclosed compensation in this case. The only compensation I will receive is whatever amount
14 the Court awards as a service award, as well as my share of the settlement as a class member.

15 I declare under penalty of perjury under the laws of the State of California that the
16 foregoing is true and correct.

17 Executed this date 11/29/2022, at Chino, California.
