DECLARATION OF JESSE ORTIZ

I, **Jesse Ortiz**, hereby declare as follows:

1. I am over 18 years of age and a resident of California. I am one of the named plaintiffs in the above-captioned case. I have personal knowledge of the facts and statements set forth in this declaration, and if called upon to testify, I could and would competently testify thereto.

2. I was employed by Acorn Engineering (“Acorn”) as an hourly-paid employee from approximately January 2019 to April 2020. I decided to seek legal advice about my work experiences with Acorn. I contacted Lawyers *for* Justice, PC and spoke with attorneys there. I wanted to do whatever I could to make sure Acorn was held accountable for not paying its employees for all hours worked and non-compliant meal and rest breaks. After speaking with the attorneys, I investigated complex wage-and-hour lawsuits on my own and did some research into the leading class action and employment law firms in California for approximately **6 hours**. Thereafter, I consulted with the attorneys at Lawyers *for* Justice, PC for **8 hours** discussing my situation, complex wage-and-hour class actions and representative actions under the Private Attorneys General Act (“PAGA”) in general, and what it meant to join the lawsuit and be a named plaintiff, class representative, and PAGA representative.

3. I have spent over **18 hours** meeting with my attorneys regarding the case and fulfilling my responsibilities as a class representative and PAGA representative, which included gathering documents concerning my employment with Acorn, reviewing documents with my attorneys, providing guidance regarding the duties of hourly-paid employees, and helping develop a strategy as to what documents and information to obtain from Acorn. I routinely checked in with my attorneys and their staff to make sure that they had all of my most current information and any additional information that I had obtained.

4. As the case progressed, I was available to answer any questions my attorneys had, and available to speak and meet with my attorneys whenever they needed me. I responded to them as quickly as possible and gave them as much information and identified as many documents as I could. I spent at least **17 additional hours** speaking with my attorneys about the

1 case, identifying potential witnesses, providing my attorneys with documents and information
2 concerning the case, and also describing policies, practices, and procedures of Acorn.

3 5. As far as the settlement is concerned, I spent about **6 hours** reviewing the
4 settlement agreement and about **5 hours** asking questions and discussing the potential settlement
5 with my attorneys before signing the settlement agreement.

6 6. I believe that I have done everything that my attorneys have asked of me and have
7 tried, to the best of my ability, to represent the class and seek relief for the aggrieved employees
8 and the State of California. I think my efforts helped to get the result obtained in this case, and as
9 a class and PAGA representative, I respectfully request that the Court award me a service award
10 in the amount of \$10,000.00 for my active participation in this case. Taking into consideration
11 the time that I have dedicated to this case, I believe that this amount is reasonable.

12 7. I am not related to anyone associated with Lawyers *for* Justice, PC.

13 8. I have not entered into any undisclosed agreements, nor have I received any
14 undisclosed compensation in this case. The only compensation I will receive is whatever amount
15 the Court awards as a service award, as well as my share of the settlement as a class member and
16 as an aggrieved employee.

17 I declare under penalty of perjury under the laws of the State of California that the
18 foregoing is true and correct.

19 Executed this date 11/29/2022, at Covina, California.
