DECLARATION OF MCKENNA ALYSSE JOHNSON

I, McKenna Alysse Johnson, hereby declare as follows:

1. I am the plaintiff and proposed Class Representative in the above-captioned class and representative action, *Johnson v. Randy Taylor Consulting, LLC, et al.*, Los Angeles County Superior Court, Case No. 21SMCV00156.

2. I am over 18 years of age and make this declaration based on my personal knowledge. If called as a witness, I could and would testify competently thereto.

3. This declaration is submitted in support of Plaintiff's Unopposed Motion for Final Approval of Class and PAGA Action Settlement.

4. I worked for Defendants Randy Taylor Consulting, LLC and Harvest Dispensaries, Cultivations and Production Facilities, LLC ("Defendants" or "Randy Taylor") from September 2019 through November 2020. Specifically, I worked at Defendants' Harvest of Napa dispensary, which sells proprietary and third-party cannabis products to patients and customers.

5. I seek to represent current and former non-exempt employees who worked for Defendants and were subject to the same uniform policies and procedures with respect to timekeeping and payroll.

6. Despite my concern about how a lawsuit might affect my job prospects, I believe that Defendants should be held accountable for how it treats its employees and decided to pursue these claims.

7. Before and during the litigation, I was advised by my attorneys about my duties and responsibilities as a representative for other current and former employees. I have taken these duties seriously and was actively involved in my case throughout. I understand the factual allegations, and, as far as I am aware, my experience is typical of Defendant's employees in California. I have no interest that is adverse to, or even substantially different from, any other employee.

8. Throughout the litigation, I have maintained regular contact with my attorneys and received updates from them. My attorneys kept me informed about all settlement negotiations and sought my opinion. I spent a substantial amount of time and effort in producing relevant documents and past employment records and providing the facts and evidence as requested by my attorneys. I made myself available the entire day of mediation and was willing to have my deposition taken if needed.

Executed this 3rd day of October, 2022, in Napa, California.
