DECLARATION OF JAIME MOEN

I, Jaime Moen, hereby declare and state as follows:

1. I am an individual over the age of 18. I am the named plaintiff in the above-reference action. I have personal knowledge of the facts set forth below and if called to testify I could and would do so competently.

2. I was employed by Defendant Genentech, Inc. ("Defendant") as a Lead Process Master Mechanic from about 2008 to about November 4, 2020. During my employment with Defendant, I worked as a non-exempt, hourly employee.

3. During my employment, I was paid non-discretionary remuneration, including without limitation, bonuses, incentives, and shift differentials.

4. However, when I was paid overtime, meal/rest period premiums, and/or sick pay in the same pay periods as such non-discretionary remuneration, I was not paid such wages at the regular rate of pay.

5. I do not have any interests adverse to the Class, nor have any such issues been raised or presented.

6. I am proud of the result and accomplishment of this lawsuit. I feel that it is a positive accomplishment and understand that other people will benefit because of the actions that I have taken. I believe that the class settlement is fair, adequate, and reasonable.

7. I understand that I could have been liable for Defendant's legal costs had Defendant prevailed in this lawsuit. I also understand that this lawsuit was filed in the public court records, which may affect my ability to obtain future employment.

8. I met with Class Counsel, had numerous discussions with Class Counsel, and provided substantive information regarding Defendant's policies and practices at issue in this case. I have also reviewed the relevant pleadings and Settlement Agreement in this matter.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

Executed on this 6 day of January 2023, at 3:33pm, California.
