1 and also describing policies, practices, and procedures of Kaiser Aluminum. During the discovery
2 phase of the litigation, I spent approximately 6 additional hours reviewing Kaiser Aluminum's
3 discovery requests, locating documents, and providing documents and responses to my attorneys.

4 5. As far as the settlement is concerned, I was available to review documents and
5 answer any questions my attorneys had. I spent about 3 hours reviewing the settlement documents
6 and about 1 hour asking questions and discussing the potential settlement with my attorneys before
7 signing the settlement papers.

8 6. I believe that I have done everything that my attorneys have asked of me and have
9 tried, to the best of my ability, to represent the class. I think my efforts helped to get the result
10 obtained in these cases, and as a class representative, I respectfully request that the Court award me
11 a service payment in the amount of \$7,500.00 for my active participation in this case. Taking into
12 consideration the time that I have dedicated to this case, I believe that this amount is reasonable.

13 7. I am not related to anyone associated with Lawyers *for* Justice, PC.

14 8. I have not entered into any undisclosed agreements, nor have I received any
15 undisclosed compensation in this case. The only compensation I will receive is whatever amount
16 the Court awards as a service payment, as well as my share of the settlement fund as a class member.

17 I declare under penalty of perjury under the laws of the State of California that the foregoing
18 is true and correct.

19 Executed on 06/04/2021, at Victorville, California.
