Attorneys for Plaintiff Julian Mendoza Padilla

WILSHIRE LAW FIRM, PLC
660 S. Figueroa St., Sky Lobby
Los Angeles, CA 90017

I, Alan Wilcox, declare as follows:

1. I am admitted and in good standing to practice as an attorney in the State of California and the United States District Courts for the Central, Southern, Eastern, and Northern Districts of California. I am a Senior Attorney at Wilshire Law Firm, PLC ("WLF"), counsel of record for plaintiffs Nicolas Lucero and Julian Mendoza Padilla (each a "Plaintiff" or "Class Representative", collectively, the "Plaintiffs" or "Class Representatives"). I, along with Lucy Nguyen and Conor Gomez of WLF, have reviewed the case files for this matter as routinely kept by WLF in the course of litigation and conferred with my colleagues, Benjamin H. Haber and Daniel Kramer of WLF, who litigated this matter with co-counsel James R. Hawkins, Isandra Fernandez, and Lance Dacre (collectively and inclusively "Class Counsel"). Based upon the information available to Class Counsel through WLF's record-keeping processes, I am competent to make this declaration (this "Declaration"). This Declaration is submitted concurrently with and in support of Plaintiffs' Motion for Final Approval of Class Action Settlement (the "Motion").

CASE BACKGROUND

2. This is a wage and hour class and Private Attorneys General Act ("PAGA") (Lab. Code §§ 2699, *et seq.*) representative action. Plaintiffs and the putative class members worked in California as hourly-paid or non-exempt employees (each a "Class Member" collectively the "Class") for Defendant Nissho of California, Inc. ("Defendant" and together with Plaintiffs, the "Parties") from January 13, 2017 through July 15, 2024 (the "Class Period"). Defendant specializes in the landscaping industry and operates at least five physical locations throughout San Diego and Riverside counties, with operations covering all of Southern California.

3. Plaintiffs allege that Defendant's payroll, timekeeping, and wage and hour practices resulted in Labor Code violations. Plaintiffs allege that Defendant failed to pay for all hours worked. Plaintiffs further allege that Defendant failed to: provide employees with legally compliant meal and rest periods, and Defendant failed to reimburse business expenses. Based on these allegations, Plaintiffs assert related claims for failure to pay wages during employment, failure to pay all final wages at termination, failure to provide accurate wage

WILSHIRE LAW FIRM, PLC
660 S. Figueroa St., Sky Lobby
Los Angeles, CA 90017

statements, failure to keep requisite payroll records, unfair business practices, and civil penalties under PAGA.

4. On January 13, 2021, Plaintiff Lucero filed a putative wage and hour class action complaint against Defendant for: (1) failure to pay minimum and straight time wages; (2) failure to pay overtime wages; (3) failure to provide meal periods; (4) failure to authorize and permit rest periods; (5) failure to timely pay final wages at termination; (6) failure to provide accurate itemized wage statements; (7) failure to indemnify employees for expenditures; and (8) unfair business practices ("Lucero Action").

5. On March 30, 2022, Plaintiff Padilla filed a putative wage and hour class action complaint against Defendant for: (1) failure to pay all lawful wages owed; (2) failure to provide compliant meal breaks; (3) failure to authorize and permit rest periods; (4) failure to reimburse expenses; (5) failure to timely pay wages during and at the time of termination of employment; (6) failure to provide accurate, itemized wage statements; and (7) violation of California's Unfair Competition Law ("Padilla Action"). On March 30, 2022, Plaintiff Padilla provided notice to the LWDA and Defendant regarding his intention to file a claim under PAGA. On June 21, 2022, Plaintiff Padilla filed a First Amended Complaint adding a claim for civil penalties under PAGA. On July 13, 2022, the Court consolidated the Lucero Action and the Padilla Action, with the Lucero Action as the lead case (the "Action").

DISCOVERY, INVESTIGATION, AND SETTLEMENT

6. Following the filing of the initial complaint, the Parties engaged in formal and informal discovery before mediating this action. Defendant produced a sample of time and pay records for Class Members. Class Counsel and Defendants each propounded and responded to multiple sets of written discovery. Plaintiff Lucero was also deposed on June 16, 2023. Defendant also provided documents of its wage and hour policies and practices during the Class Period, and information regarding the total number of current and former employees in its discovery responses.

7. After reviewing documents regarding Defendant's wage and hour policies and practices and analyzing Defendant's timekeeping and payroll records, Class Counsel was able to evaluate the probability of class certification, success on the merits, and Defendant's maximum

WILSHIRE LAW FIRM, PLC
660 S. Figueroa St., Sky Lobby
Los Angeles, CA 90017

monetary exposure for all claims. Class Counsel also investigated the applicable law regarding the claims and defenses asserted in the litigation. Class Counsel reviewed these records and prepared a damage analysis prior to mediation. This extensive investigation and discovery allowed Class Counsel to act intelligently and effectively in negotiating the Settlement.

SETTLEMENT NEGOTIATIONS

8. On December 19, 2022 and July 12, 2023, the Parties participated in private mediation with experienced employment mediator Steven H. Kruis, Esq. The mediation sessions were conducted via Zoom; however the Parties were unable to reach a resolution following the mediation sessions. On March 19, 2024, the Parties participated in a third mediation session with experienced employment mediator, Hon. Amy D. Hogue (Ret.) also conducted via Zoom. The settlement negotiations were at arm's length, and although conducted in a professional manner, were adversarial. The Parties went into the mediation willing to explore the potential for a settlement of the Action, but each side was also prepared to litigate their position through trial and appeal if a settlement had not been reached. After multiple mediations sessions, extensive negotiations, and numerous discussions regarding the strengths and weaknesses of the Parties' positions regarding the settlement terms, the Parties reached a settlement for $1,200,000.00 (the "Gross Settlement Amount") on March 4, 2025, as memorialized in the Class Action and PAGA Settlement Agreement and Class Notice (the "Settlement" or "Settlement Agreement"). A true and correct copy of the Settlement Agreement is attached as **Exhibit 1**.

9. Class Counsel has conducted a thorough investigation into the facts of this Action. Based on the discovery conducted, their independent investigation, and their evaluation of the claims and defenses, Class Counsel believes that the Settlement is fair, just, reasonable, and adequate, and in the best interests of the Class. In reaching this conclusion, Class Counsel considered, among other factors, the risk of significant delay, the defenses reasonably available to Defendant with respect to class certification and the merits as well as the substantial risks associated with continued litigation, including trial risk and appellate risk.

10. Following the execution of the Settlement Agreement, the Court granted Plaintiffs' Motion for Preliminary Approval of Class Action Settlement on September 19, 2025. The deadline

WILSHIRE LAW FIRM, PLC
660 S. Figueroa St., Sky Lobby
Los Angeles, CA 90017

for Settlement Class Members to opt out or object to the Settlement is December 15, 2025. The reaction of the Class to the Settlement so far has been overwhelmingly positive. Indeed, as of the filing of the Motion, no Settlement Class Member has opted out of the Settlement and no Settlement Class Member has objected to the Settlement.

11. The Settlement obviates the significant risk that the Court may deny certification of all or some of Plaintiffs' claims. While Plaintiffs are confident in the merits of their claims, a legitimate controversy exists as to each cause of action. Plaintiffs also recognize that proving the amount of wages due to each Class Member would be an expensive, time-consuming, and an uncertain proposition. Furthermore, even if Plaintiffs obtained certification of all or some of the claims, continued litigation would be expensive, involving a trial and possible appeals, substantially delaying and reducing any recovery by the Class.

12. The proposed Settlement Agreement was provided to the LWDA in advance of Plaintiffs' filing of the Motion for Preliminary Approval of Class Action Settlement. Attached as **Exhibit 2** is a true and correct copy of proof of Plaintiffs' submission of the Settlement Agreement to the LWDA.

CLASS REPRESENTATIVE SERVICE PAYMENTS ARE REASONABLE

13. Throughout this Action, Plaintiffs, who are former employees of Defendant, have cooperated immensely with WLF and have taken many actions to protect the interests of the Class. Plaintiffs provided valuable information regarding the off-the-clock, meal period, and rest period claims. Plaintiffs also informed WLF of developments and information relevant to this Action, participated in decisions concerning this Action, and made themselves available to answer questions during the mediation. Plaintiff Lucero was deposed on June 16, 2023, and assisted in propounding and replying to multiple sets of discovery. Before we filed this case, Plaintiffs provided Class Counsel with documents regarding the claims alleged in this Action. The information and documentation provided by Plaintiffs were instrumental in establishing the wage and hour violations alleged in this Action, and the recovery provided for in the Settlement Agreement would have been impossible to obtain without Plaintiffs' participation.

14. At the same time, Plaintiffs faced many risks in adding themselves as the Class

WILSHIRE LAW FIRM, PLC
660 S. Figueroa St., Sky Lobby
Los Angeles, CA 90017

Representatives in this matter. Plaintiffs faced actual risks with their future employment, as putting themselves on public record in an employment lawsuit could also very well affect their likelihood for future employment. Furthermore, as part of this Settlement, Plaintiffs are executing general releases of all claims against Defendant.

15. In turn, Settlement Class Members will now have the opportunity to participate in a Settlement, reimbursing them for alleged wage violations they may have never known about on their own or been willing to pursue on their own. If these Settlement Class Members would have each tried to pursue their legal remedies on their own, that would have resulted in each having to expend a significant amount of their own monetary resources and time, which were obviated by Plaintiffs putting themselves on the line on behalf of these other Settlement Class Members.

16. In the final analysis, this Action would not have been possible without the aid of Plaintiffs, who put their own time and effort into this Action, sacrificed the value of their own individual claims, and placed themselves at risk for the sake of the Settlement Class Members. The requested Class Representative Service Payments for the Class Representatives' services, and in exchange for their general release of their individual claims, is a relatively small amount of money. Considering the time and effort put into the Action and in comparison to similar service awards granted in other class actions the Class Representative Service Payments are reasonable.

THE REQUEST FOR ATTORNEYS' FEES AND COSTS IS REASONABLE

17. The Settlement provides for an attorneys' fee payment in an amount up to 35% of the Gross Settlement Amount for a maximum payment of $420,000.00 (the "Class Counsel Fees Payment"), plus a payment for litigation expenses of up to $50,000.00 (the "Class Counsel Litigation Expenses Payment").

18. The total current lodestar for WLF is not less than the following:

Person	Role	Hours	Rate	Lodestar
Benjamin H. Haber	Partner	97.5	$900	$87,750.00
Daniel J. Kramer	Senior Attorney	13.4	$750	$10,050.00
Arrash T. Fattahi	Partner	118.3	$800	$94,640.00
Alan Wilcox	Senior Attorney	11.6	$900	$10,440.00

WILSHIRE LAW FIRM, PLC
660 S. Figueroa St., Sky Lobby
Los Angeles, CA 90017

Lucy Nguyen	Settlement Attorney	4.2	$500	$2,100.00
Conor Gomez	Settlement Attorney	4.2	$500	$2,100.00
Justin F. Marquez	Senior Partner	15	$1,200	$18,000.00
Total:		264.2		$225,080.00

19. WLF has spent approximately 264.2 hours, for a lodestar of $225,080.00 litigating this Action to bring it to resolution, not including time which will be expended monitoring the administration of the Settlement and distribution of funds to the Settlement Class Members. Efforts expended by Class Counsel to achieve this result include, but are not limited to, the following:

a. the investigation of the Action, including meeting with Plaintiffs, reviewing Defendant's policies, and requesting and reviewing Plaintiffs' time and pay records, personnel files, and exploring the corporate structure of Defendant;

b. filing the Action;

c. attending hearings and meeting and conferring with Defendant regarding the Action;

d. propounding and responding to multiple sets of formal written discovery;

e. preparing for the deposition of Plaintiff Lucero;

f. appearing for and defending the deposition of Plaintiff Lucero;

g. meeting and conferring with Defendant regarding three separate mediations, exchange of informal discovery beforehand, and negotiating with opposing counsel regarding the parameters thereof;

h. selecting three different mediators and mediation dates;

i. working with opposing counsel and an expert consultant for the receipt of a representative sampling and analyzing the same with the aid of expert consultant and Plaintiffs to perform analyses of liability and exposure prior to attendance of each mediation in this Action;

j. reviewing policy documents from Defendant and researching applicable defenses;

k. preparation of a mediation brief and damages model for use at three mediations;

l. attendance at three mediations by the Parties and Class Counsel;

WILSHIRE LAW FIRM, PLC

Los Angeles, CA 90017

m. communicating with Plaintiffs who requested updates or other information regarding this Action;

n. engaging in settlement negotiations, followed by finalizing and fully executing the Settlement Agreement;

o. preparing and assisting in the drafting of the Motion for Preliminary Approval of Class Action Settlement and supporting documents;

p. communicating with Settlement Class Members who sought additional information regarding the Settlement, including answering questions regarding the Settlement;

q. communicating with Apex Class Action (the "Administrator") to ensure the Class Notice was properly distributed and engaging in extensive follow-up communications with the Administrator regarding Settlement Class Members who sought additional information about the Settlement; and

r. preparing the instant Motion and supporting documents.

20. There are additional hours devoted by Class Counsel to this Action that are not reflected in the request for the Class Counsel Fees Payment.

21. We can provide additional billing records in the event the Court requests them but would request the opportunity to redact attorney-client privileged information and any other privileged information.

22. I am informed and believe that the Class Counsel Fees Payment and the Class Counsel Litigation Expenses Payment are reasonable. WLF invested significant time and resources into the Action, with payment deferred to the end of the case, and then, of course, contingent on the outcome.

23. It is further estimated that WLF will need to expend at least another 15 to 20 hours to monitor the process leading up to payments made to the Class. WLF also bears the risk of taking the necessary actions if Defendant fails to pay.

24. The risk to WLF has been significant, particularly if we would not be successful in pursuing this Action. In that case, we would have been left with no compensation for all the time taken in litigating this Action. The contingent risk in these types of cases is very real and they do

WILSHIRE LAW FIRM, PLC
660 S. Figueroa St., Sky Lobby
Los Angeles, CA 90017

occur regularly. WLF was precluded from focusing on, or taking on, other cases which could have resulted in a larger, and less risky, monetary gain.

25. Because most individuals cannot afford to pay for representation in litigation on an hourly basis, WLF represents all employment law clients on a contingency fee basis. Pursuant to this arrangement, we are not compensated for our time unless we prevail at trial or successfully settle our clients' cases. Because WLF is taking the risk that we will not be reimbursed for our time unless our client settles or wins his or her case, we cannot afford to represent an individual employee on a contingency basis if, at the end of our representation, all we are to receive is our regular hourly rate for services. It is essential that we recover more than our regular hourly rate when we win or settle to remain in practice and continue representing other individuals in civil rights employment disputes.

26. As of the date of filing this Motion, WLF has incurred around $28,353.83 in costs and James Hawkins, APLC has incurred around $10,484.98 in costs, and Defendant has agreed that they will not oppose a Class Counsel Litigation Expenses Payment request of up to $50,000.00. Accordingly, Class Counsel respectfully requests reimbursements of $38,838.81 in expenses, which should be reimbursed in full. Attached as **Exhibit 3** is a true and correct copy of our list of the costs and the categories of costs for the costs incurred in this Action to date by WLF.

CLASS COUNSEL'S EXPERIENCE AND QUALIFICATIONS

27. WLF was selected by Best Lawyers and U.S. News & World Report as one of the nation's Best Law Firms for every year since 2020 and is comprised of more than 100 attorneys and over 600 employees. WLF is actively and continuously practicing in employment litigation, representing employees in both individual and class actions in both state and federal courts throughout California.

28. WLF is qualified to handle this Action because its attorneys are experienced in litigating Labor Code violations in both individual, class action, and representative action cases. WLF has handled, and is currently handling, numerous wage and hour class action lawsuits, as well as class actions involving consumer rights and data privacy litigation.

29. I obtained my Bachelor's degree from the University of California, Berkeley in 2007. I graduated from Pepperdine University's School of Law and became a member of the California State Bar in 2012.

30. Throughout my career up until my employment at WLF, I was essentially continuously employed as a civil litigation attorney at multiple law firms. I have represented clients in both state and federal Courts in a wide variety of matters, including contract disputes, wrongful foreclosure, unlawful detainer, divorce, product defect, tort, and employment.

31. From 2014 to the present, I have been exclusively practicing complex civil litigation representing plaintiff employees in employment matters. In that time, I believe I have become an expert in the field. I have handled both individual wrongful discharge and collective wage and hour actions, with the class action and PAGA matters including *Flores v. Aqua Terra Culinary, Inc.*, Monterey Superior Court Case No. 17CV002672, *Garcia v. Construction Innovations Group, LLC*, Sacramento Superior Court Case No. 34-2020-00285239, *Kim v. Sheraton Operating Corp.*, Central District of California Case No. 2:17-cv-09247-FMO-E, *Pease v. Wattrans, Inc.*, San Bernardino Superior Court Case No. CIVDS1919832, and *Lachman v. Berlitz Languages, Inc.*, Los Angeles Superior Court Case No. 19STCV01533, among others.

32. I have used my programming skills to create complex systems for automatically performing in-depth analyses of employment records to identify wage and hour violations in both individual and collective action settings. I have tried several matters, including multiple employment cases and multiple non-employment cases. My expertise has resulted in obtaining multiple millions of dollars for my clients. I strive to represent individual struggling to enforce their rights and recover what is owed to them from employers who violate California law. At WLF, I am a Senior Attorney charged with taking resolved class action and PAGA matters and ensuring that they are carried through the approval and distribution process in an efficient manner and in compliance with Court orders.

33. My current hourly billing rate is $900.00 per hour. I believe that this hourly rate is reasonable and appropriate, given my background and experience. I am generally familiar with hourly rates charged by attorneys in both Southern and Northern California whose training and

WILSHIRE LAW FIRM, PLC

experience are like mine, and I believe my rate is competitive in both markets for attorneys such as myself. Indeed, a commonly used metric for determining reasonable attorney fee rates based upon years of experience, the Laffey Matrix (http://www.laffeymatrix.com/see.html), indicates that it would be reasonable for me to charge approximately $948.00 per hour. Prior to taking on a Senior Attorney role at WLF, for multiple years my hourly billing rate stagnated at $650.00 per hour, following Judge Upinder S. Kalra granting the plaintiff's post-trial motion for attorneys' fees and approving my hours and rate billed in the matter of *Parker v. Innovative Speech Therapy and Communications Servs., Inc.*, Los Angeles Superior Court Case No. 19STCV36310, and when Judge Kory Mathewson approved my fee rate for a default judgment in Segura v. Beyond Staffing Solutions, Inc., San Bernardino Superior Court Case No. CIVDS1908672. While working for WLF, I have repeatedly been approved as class counsel and my hourly billing rate has been approved for many class and PAGA action settlements. The reasonableness of my firm's hourly rates is also supported by several surveys of legal rates, including the following:

a. The 2022 Real Rate Report survey compiled by Wolters Kluwer, which presents the real market rates of Los Angeles area attorneys who practice litigation. For that category, the third quartile 2022 rate was $1,045 per hour for partners and $855 for associates. Likewise, page 32 of the Report describes the rates charged by 183 Los Angeles partners with "21 or more years of experience" and "Fewer than 21 years." For those categories, the third quartile Los Angeles partner rate in 2022 were $1,133 per hour for 21 or more years and $1,075 for attorneys with fewer than 21 years. A true and correct copy of portions of the 2022 Real Rate Report is attached hereto as **Exhibit 4**.

b. In an article entitled "Big Law Rates Topping $2,000 Leave Value 'In Eye of Beholder,'" written by Roy Strom and published by Bloomberg Law on June 9, 2022, the author describes how Big Law firms have crossed the $2,000-per hour rate. The article also notes that law firm rates have been increasing by just under 3% per year. A true and correct copy of this article is attached hereto as **Exhibit 5**.

2. RECITALS.

2.1. On January 13, 2021, Plaintiff Lucero commenced this Action by filing a Complaint alleging causes of action against Defendant for failure to pay minimum and straight time wages, failure to pay overtime wages, failure to provide meal periods, failure to authorize and permit rest periods, failure to timely pay final wages at termination, failure to provide accurate itemized wage statements, failure to indemnify employees for expenditures, and unfair business practices. On March 30, 2022, Plaintiff Padilla filed a Complaint alleging similar Labor Code violations, which Plaintiff Padilla then amended on June 21, 2022. The Parties have agreed to file a First Amended Complaint consolidating the claims in the Lucero and Padilla actions, with the Lucero action as the leading case. The First Amended Complaint will be the operative complaint in the Action (the "Operative Complaint.") Defendant denies the allegations in the Operative Complaint, denies any failure to comply with the laws identified in in the Operative Complaint and denies any and all liability for the causes of action alleged.

2.2. For purposes of this settlement only, pursuant to Labor Code section 2699.3, subd. (a), Plaintiff Padilla gave timely written notice to Defendant and the LWDA by sending the PAGA Notice.

2.3. The Parties participated in two mediations with Steven H. Kruis, Esq. that were unsuccessful. The Parties then participated in an all-day mediation presided over by Hon. Amy Hogue (Ret.) on March 18, 2024, which led to this Agreement to settle the Action on April 15, 2024.

2.4. Prior to mediation, Plaintiffs obtained, through formal and informal discovery, documents relevant to this case, including Plaintiffs' personnel files, a sampling of time and pay data for the Class Members, and policy documents related to Plaintiffs' claims. Plaintiffs also deposed Defendant's PMK on topics related to Defendant's wage-and-hour practices, policies, and procedures. Plaintiffs' investigation was sufficient to satisfy the criteria for court approval set forth in *Dunk v. Foot Locker Retail, Inc.* (1996) 48 Cal.App.4th 1794, 1801 and *Kullar v. FootLocker Retail, Inc.* (2008) 168 Cal.App.4th 116, 129-130 ("*Dunk/Kullar"*).

2.5. The Court has not granted class certification.

2.6. The Parties, Class Counsel and Defense Counsel represent that they are not aware of any other pending matter or action asserting claims that will be extinguished or affected by the Settlement.

3. MONETARY TERMS.

3.1. Gross Settlement Amount. As part of the motion for Class Counsel Fees Payment and Class Litigation Expenses Payment, Plaintiffs will seek Court approval for any Class Representative Service Payments no later than 16 court days prior to the Final Approval Hearing. If the Court approves a Class Representative Service Payment less than the amount requested, the Administrator will retain the remainder in the Net Settlement Amount. The Wage Portions are subject to tax withholding and will be reported on an IRS W-2 Form. The remaining 80% of each Participating Class Member's Individual Class Payment will be allocated to settlement of claims for interest and penalties (the Non-Wage Portion"). The Non-Wage Portions are not subject to wage withholdings and will be reported on IRS 1099 Forms. Participating Class Members assume full responsibility and liability for any employee taxes owed on their Individual Class Payment.

The Parties and their Counsel represent that they have no interest or relationship, financial or otherwise, with the Administrator other than a professional relationship arising out of prior experiences administering settlements.

7.2 Employer Identification Number. The Administrator shall have and use its own Employer Identification Number for purposes of calculating payroll tax withholdings and providing reports state and federal tax authorities.

7.3 Qualified Settlement Fund. The Administrator shall establish a settlement fund that meets the requirements of a Qualified Settlement Fund ("QSF") under US Treasury Regulation section 468B-1.

7.4.2 Using best efforts to perform as soon as possible, and in no event later than 14 days after receiving the Class Data, the Administrator will send to all Class Members identified in the Class Data, via first-class United States Postal Service ("USPS") mail, the Class Notice, with Spanish translation, if applicable, substantially in the form attached to this Agreement as Exhibit A. The first page of the Class Notice shall prominently estimate the dollar amounts of any Individual Class Payment and/or Individual PAGA Payment payable to the Class Member, and the number of Workweeks and PAGA Pay Periods (if applicable) used to calculate these amounts. Before mailing Class Notices, the Administrator shall update Class Member addresses using the National Change of Address database.

7.4.3 Not later than 3 business days after the Administrator's receipt of any Class Notice returned by the USPS as undelivered, the Administrator shall re-mail the Class Notice using any forwarding address provided by the USPS. If the USPS does not provide a forwarding address, the Administrator shall conduct a Class Member Address Search, and re-mail the Class Notice to the most current address obtained. Docusign Envelope ID: A5ACD30C-AE74-4904-B1E8-786B67BB51B9

the Class Member of the extended deadline with the re-mailed Class Notice.

7.4.5 If the Administrator, Defendant or Class Counsel is contacted by or otherwise discovers any persons who believe they should have been included in the Class Data and should have received Class Notice, the Parties will expeditiously meet and confer in person or by telephone, and in good faith. in an effort to agree on whether to include them as Class Members. If the Parties agree, such persons will be Class Members entitled to the same rights as other Class Members, and the Administrator will send, via email or overnight delivery, a Class Notice requiring them to exercise options under this Agreement not later than 14 days after receipt of Class Notice, or the deadline dates in the Class Notice, which ever are later.

7.5 Requests for Exclusion (Opt-Outs).

7.5.1 Class Members who wish to exclude themselves (opt-out of) the Class Settlement must send the Administrator, by fax, email, or mail, a signed written Request for Exclusion not later than 45 days after the Administrator mails the Class Notice (plus an additional 14 days for Class Members whose Class Notice is re-mailed). A Request for Exclusion is a letter from a Class Member or his/her representative that reasonably communicates the Class Member's election to be excluded from the Settlement and includes the Class Member's name, address and email address or telephone number. To be valid, a Request for Exclusion must be timely faxed, emailed, or postmarked by the Response Deadline.

7.5.2 The Administrator may not reject a Request for Exclusion as invalid because it fails to contain all the information specified in the Class Notice. The Administrator shall accept any Request for Exclusion as valid if the Administrator can reasonably ascertain the identity of the person as a Class Member and the Class Member's desire to be excluded. The Administrator's determination shall be final and not appealable or otherwise susceptible to challenge. If the Administrator has reason to question the authenticity of a Request for Exclusion, the Administrator may demand additional proof of the Class Member's identity. The Administrator's determination of authenticity shall be final and not appealable or otherwise susceptible to challenge.

7.5.3 Every Class Member who does not submit a timely and valid Request for Exclusion is deemed to be a Participating Class Member under this Agreement, entitled to all benefits and bound by all terms and conditions of the Settlement, including the Participating Class Members' Releases under Paragraphs 6.2 and 6.3 of this Agreement, regardless of whether the Participating Class Member actually receives the Class Notice or objects to the Settlement.

components of the Settlement. Because future PAGA claims are subject to claim preclusion upon entry of the Judgment, Non-Participating Class Members who are AllegedlyAggrieved Employees are deemed to release the claims identified in Paragraph 6.4 of this Agreement and are eligible for an Individual PAGA Payment.

7.6 Challenges to Calculation of Workweeks. Each Class Member shall have 45 days after the Administrator mails the Class Notice (plus an additional 14 days for Class Members whose Class Notice is re-mailed) to challenge the number of Class Workweeks and PAGA Pay Periods (if any) allocated to the Class Member in the ClassNotice. The Class Member may challenge the allocation by communicating with the Administrator via fax, email or mail. The Administrator must encourage the challenging Class Member to submit supporting documentation. In the absence of any contrary documentation, the Administrator is entitled to presume that the Workweeks contained in the Class Notice are correct so long as they are consistent with the Class Data. The Administrator's determination of each Class Member's allocation of Workweeks and/or Pay Periods shall be final and not appealable or otherwise susceptible to challenge. The Administrator shall promptly provide copies of all challenges to calculation of Workweeks and/or Pay Periods to Defense Counsel and Class Counsel and the Administrator's determination the challenges.

7.7 Objections to Settlement.

7.7.1 Only Participating Class Members may object to the class action components of the Settlement and/or this Agreement, including contesting the fairness of the Settlement, and/or amounts requested for the Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and/or Class Representative Service Payment.

7.7.2 Participating Class Members may send written objections to the Administrator, by fax, email, or mail. In the alternative, Participating Class Members may appear in Court (or hire an attorney to appear in Court) to present verbal objections at the Final Approval Hearing. A Participating Class Member who elects to send a written objection to the Administrator must do so not later than 45 days after the Administrator's mailing of the Class Notice (plus an additional 14 days for Class Members whose Class Notice was re-mailed).

7.7.3 Non-Participating Class Members have no right to object to any of the class action components of the Settlement.

7.8 Administrator Duties. The Administrator has a duty to perform or observe all tasks to be performed or observed by the Administrator contained in this Agreement or otherwise.

Not later than 5 days after the expiration of the deadline for submitting Requests for Exclusion, the Administrator shall email a list to Class Counsel and Defense Counsel containing (a) the names and other identifying information of Class Members who have timely submitted valid Requests for Exclusion ("Exclusion List"); (b) the names and other identifying information of Class Members who have submitted invalid Requests for Exclusion; (c) copies of all Requests for Exclusion from Settlement submitted (whether valid or invalid).

7.8.3 Weekly Reports. The Administrator must, on a weekly basis, provide written reports to Class Counsel and Defense Counsel that, among other things, tally the number of: Class Notices mailed or re-mailed, Class Notices returned undelivered, Requests for Exclusion (whether valid or invalid) received, objections received, challenges to Workweeks and/or Pay Periods received and/or resolved, and checks mailed for Individual Class Payments and Individual PAGA Payments ("Weekly Report"). The Weekly Reports must include provide the Administrator's assessment of the validity of Requests for Exclusion and attach copies of all Requests for Exclusion and objections received.

7.8.4 Workweek and/or Pay Period Challenges. The Administrator has the authority to address and make final decisions consistent with the terms of this Agreement on all Class Member challenges over the calculation of Workweeks and/or Pay Periods. The Administrator's decision shall be final and not appealable or otherwise susceptible to challenge.

7.8.5 Administrator's Declaration. Not later than 14 days before the date by which Plaintiffs are required to file the Motion for Final Approval of the Settlement,the Administrator will provide to Class Counsel and Defense Counsel, a signed declaration suitable for filing in Court attesting to its due diligence and compliance with all of its obligations under this Agreement, including, but not limited to, its mailing of Class Notice, the Class Notices returned as undelivered, the re-mailing of Class Notices, attempts to locate Class Members, the total number of Requests for Exclusion from Settlement it received (both valid or invalid), the number of written objections and attach the Exclusion List. The Administrator will supplement its declaration as needed or requested by the Parties and/or the Court. Class Counsel is responsible for filing the Administrator's declaration(s) in Court.

Docusign Envelope ID: A5ACD30C-AE74-4904-B1E8-786B67BB51B9

7.8.6 Final Report by Settlement Administrator. Within 10 days after the Administrator disburses all funds in the Gross Settlement Amount, the Administrator will provide Class Counsel and Defense Counsel with a final report detailing its disbursements by employee identification number only of all payments made under this Agreement. At least 15 days before any deadline set by the Court, the Administrator will prepare, and submit to Class Counsel and Defense Counsel, a signed declaration suitable for filing in Court attesting to its disbursement of all payments required under this Agreement. Class Counsel is responsible for filing the Administrator's declaration in Court.

8. **CLASS SIZE ESTIMATES AND ESCALATOR CLAUSE.** Based on its records, Defendant estimates that, as of the date of this Settlement Agreement, there are 82,500 Total Workweeks during the Class period. In the event the number of workweeks worked by the Class Members increases by more than 10%, or 8,250, then the Gross Settlement Amount shall increase by a proportional amount over the 10%. For example, if the number of Workweeks is 15% more than the estimated 82,500 (for a total of 94,875 Workweeks), then the total amount increase of the GSA will be an additional 5% (5% over 10% limit), for an additional $60,000.00 increase in the GSA. Alternatively, should the total amount of Workweeks worked by Class Members exceed 82,500 by more than 10%, Defendant has the option of increasing the GSA by the additional percentage or ending the Class period on a date that the Total Workweeks did not exceed 82,500 by more than 10%.

9. **DEFENDANT'S RIGHT TO WITHDRAW.** If the number of valid Requests for Exclusion identified in the Exclusion List exceeds 10% of the total of all Class Members, Defendant may, but is not obligated, elect to withdraw from the Settlement. The Parties agree that, if Defendant withdraws, the Settlement shall be void *ab initio*, have no force or effect whatsoever, and that neither Party will have any further obligation to perform under this Agreement; provided, however, Defendant will remain responsible for paying all Settlement Administration Expenses incurred to that point. Defendant must notify Class Counsel and the Court of its election to withdraw not later than seven days after the Administrator sends the final Exclusion List to Defense Counsel; late elections will have no effect.

10. **MOTION FOR FINAL APPROVAL.** Not later than 16 court days before the calendared Final Approval Hearing, Plaintiffs will file in Court, a motion for final approval of the Settlement that includes a request for approval of the PAGA settlement under Labor Code section 2699, subd. (l), a Proposed Final Approval Order and a proposed Judgment (collectively "Motion for Final Approval"). Plaintiffs shall provide drafts of these documents to Defense Counsel not later than seven days prior to filing the Motion for Final Approval. Class Counsel and Defense Counsel will expeditiously meet and confer in person or by telephone, and in good faith, to resolve any disagreements concerning the Motion for Final Approval.

10.1 Response to Objections. Each Party retains the right to respond to any objection raised by a Participating Class Member, including the right to file responsive documents in Court no later than five court days prior to the Final Approval Hearing, or as otherwise ordered or accepted by the Court.

Docusign Envelope ID: A5ACD30C-AE74-4904-B1E8-786B67BB51B9

10.2 Duty to Cooperate. If the Court does not grant Final Approval or conditions Final Approval on any material change to the Settlement (including, but not limited to, the scope of release to be granted by Class Members), the Parties will expeditiously work together in good faith to address the Court's concerns by revising the Agreement as necessary to obtain Final Approval. The Court's decision to award less than the amounts requested for the Class Representative Service Payment, Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and/or Administrator Expenses Payment shall not constitute a material modification to the Agreement within the meaning of this paragraph.

10.3 Continuing Jurisdiction of the Court. The Parties agree that, after entry of Judgment, the Court will retain jurisdiction over the Parties, Action, and the Settlement solely for purposes of (i) enforcing this Agreement and/or Judgment, (ii) addressing settlement administration matters, and (iii) addressing such post-Judgment matters as are permitted by law.

10.4 Waiver of Right to Appeal. Provided the Judgment is consistent with the terms and conditions of this Agreement, specifically including the Class Counsel Fees Payment and Class Counsel Litigation Expenses Payment reflected set forth in this Settlement, the Parties, their respective counsel, and all Participating Class Members who did not object to the Settlement as provided in this Agreement, waive all rights to appeal from the Judgment, including all rights to post-judgment and appellate proceedings, the right to file motions to vacate judgment, motions for new trial, extraordinary writs, and appeals. The waiver of appeal does not include any waiver of the right to oppose such motions, writs or appeals. If an objector appeals the Judgment, the Parties' obligations to perform under this Agreement will be suspended until such time as the appeal is finally resolved and the Judgment becomes final, except as to matters that do not affect the amount of the Net Settlement Amount.

10.5 Appellate Court Orders to Vacate, Reverse, or Materially Modify Judgment. If the reviewing Court vacates, reverses, or modifies the Judgment in a manner that requires a material modification of this Agreement (including, but not limited to, the scope of release to be granted by Class Members), this Agreement shall be null and void. The Parties shall nevertheless expeditiously work together in good faith to address the appellate court's concerns and to obtain Final Approval and entry of Judgment, sharing, on a 50-50 basis, any additional Administration Expenses reasonably incurred after remittitur. An appellate decision to vacate, reverse, or modify the Court's award of the Class Representative Service Payment or any payments to Class Counsel shall not constitute a material modification of the Judgment within the meaning of this paragraph, as long as the Gross Settlement Amount remains unchanged.

11. AMENDED JUDGMENT. If any amended judgment is required under Code of Civil Procedure section 384, the Parties will work together in good faith to jointly submit and a proposed amended judgment.

The Parties and their counsel will cooperate with each other and use their best efforts, in good faith, to implement the Settlement by, among other things, modifying the Settlement Agreement, submitting supplemental evidence and supplementing points and authorities as requested by the Court. In the event the Parties are unable to agree upon the form or content of any document necessary to implement the Settlement, or on any modification of the Agreement that may become necessary to implement the Settlement, the Parties will seek the assistance of a mediator and/or the Court for resolution.

12.7 No Prior Assignments. The Parties separately represent and warrant that they have not directly or indirectly assigned, transferred, encumbered, or purported to assign, transfer, or encumber to any person or entity and portion of any liability, claim, demand, action, cause of action, or right released and discharged by the Party in this Settlement.

COURT APPROVED NOTICE OF CLASS ACTION SETTLEMENT AND HEARING DATE FOR FINAL COURT APPROVAL

Nicholas Lucero v. Nissho of California, Inc., Case No. 37-2021-00001528-CU-OE-CTL, *Julian Mendoza Padilla v. Nissho of California, Inc.*, Case No. 37-2022-00012006-CU-OE-CTL

The Superior Court for the State of California authorized this Notice. Read it carefully! It's not junk mail, spam, an advertisement, or solicitation by a lawyer. You are not being sued.

You may be eligible to receive money from an employee class action lawsuit ("Action") against Nissho of California, Inc. ("Defendant" or "Nissho" is used herein as a placeholder) for alleged wage and hour violations. The Action was filed by Defendant employees Nicholas Lucero and Julian Mendoza Padilla (collectively, "Plaintiffs") and seeks payment of (1) back wages and other relief for a class of hourly employees ("Class Members") who worked for Defendant during the Class Period (January 13, 2017 to July 15, 2024); and (2) penalties under the California Private Attorney General Act ("PAGA") for all hourly employees who worked for Defendant during the PAGA Period (March 30, 2021 to July 15, 2024) ("Allegedly Aggrieved Employees").

The proposed Settlement has two main parts: (1) a Class Settlement requiring Defendant to fund Individual Class Payments, and (2) a PAGA Settlement requiring Defendant to fund Individual PAGA Payments and pay penalties to the California Labor and Workforce Development Agency("LWDA").

Based on Defendant's records, and the Parties' current assumptions, **your Individual Class Payment is estimated to be $_____(less withholding) and your Individual PAGA Payment is estimated to be $_____**. The actual amount you may receive likely will be different and will depend on a number of factors. (If no amount is stated for your Individual PAGA Payment, then according to Defendant's records you are not eligible for an Individual PAGA Payment under the Settlement because you didn't work during the PAGA Period.)

The above estimates are based on Defendant's records showing that **you worked _____ workweeks** during the Class Period and **you worked _____ workweeks** during the PAGA Period. If you believe that you worked more workweeks during either period, you can submit a challenge by the deadline date. See Section 4 of this Notice.

The Court has already preliminarily approved the proposed Settlement and approved this Notice. The Court has not yet decided whether to grant final approval. Your legal rights are affected whether you act or not act. Read this Notice carefully. You will be deemed to have carefully read and understood it. At the Final Approval Hearing, the Court will decide whether to finally approve the Settlement and how much of the Settlement will be paid to Plaintiffs and Plaintiffs' attorneys ("Class Counsel"). The Court will also decide whether to enter a judgment that requires Defendant to make payments under the Settlement and requires Class Members and Allegedly Aggrieved Employees to give up their rights to assert certain claims against Defendant.

If you worked for Defendant during the Class Period and/or the PAGA Period, you have two basic options under the Settlement:

Docusign Envelope ID: A5ACD30C-AE74-4904-B1E8-786B67BB51B9

(1) **Do Nothing**. You don't have to do anything to participate in the proposed Settlement and be eligible for an Individual Class Payment and/or an Individual PAGA Payment. As a Participating Class Member, though, you will give up your right to assert Class Period wage claims and PAGA Period penalty claims against Defendant.

(2) **Opt-Out of the Class Settlement**. You can exclude yourself from the Class Settlement (opt-out) by submitting the written Request for Exclusion or otherwise notifying the Administrator in writing. If you opt-out of the Settlement, you will not receive an Individual Class Payment. You will, however, preserve your right to personally pursue wage claims against Defendant, and, if you are an Allegedly Aggrieved Employee, remain eligible for an Individual PAGA Payment. You cannot opt-out of the PAGA portion of the proposed Settlement.

Defendant will not retaliate against you for any actions you take with respect to the proposed Settlement.

SUMMARY OF YOUR LEGAL RIGHTS AND OPTIONS IN THIS SETTLEMENT

You Don't Have to Do Anything to Participate in the Settlement	If you do nothing, you will be a Participating Class Member, eligible for an Individual Class Payment and an Individual PAGA Payment (if any). In exchange, you will give up your right to assert the wage claims against Defendant that are covered by this Settlement (Released Claims).
You Can Opt-out of the Class Settlement but not the PAGA Settlement **The Opt-out Deadline is _____**	If you don't want to fully participate in the proposed Settlement, you can opt-out of the Class Settlement by sending the Administrator a written Request for Exclusion. Once excluded, you will be a Non-Participating Class Member and no longer eligible for an Individual Class Payment. Non-Participating Class Members cannot object to any portion of the proposed Settlement. See Section **6** of this Notice. You cannot opt-out of the PAGA portion of the proposed Settlement. Defendant must pay Individual PAGA Payments to all Allegedly Aggrieved Employees and the Allegedly Aggrieved Employees must give up their rights to pursue Released Claims (defined below).
Participating Class Members Can Object to the Class Settlement but not the PAGA Settlement **Written Objections Must be Submitted by _____**	All Class Members who do not opt-out ("Participating Class Members") can object to any aspect of the proposed Class Settlement. TheCourt's decision whether to finally approve the Settlement will include a determination of how much will be paid to Class Counsel and Plaintiff who pursued the Action on behalf of the Class. You are not personally responsible for any payments to Class Counsel or Plaintiff, but every dollar paid to Class Counsel and Plaintiff reduces the overall amount paid to Participating Class Members. You can object to the amounts requested by Class Counsel or Plaintiff if you think they are unreasonable. See Section **7** of this Notice.

Docusign Envelope ID: A5ACD30C-AE74-4904-B1E8-786B67BB51B9

You Can Participate in the_____ Final Approval Hearing	The Court's Final Approval Hearing is scheduled to take place on _____. You don't have to attend but you do have the right to appear (or hire an attorney to appear on your behalf at your own cost), in person, by telephone or by using the Court's virtual appearance platform. Participating Class Members can verbally object to the Settlement at the Final Approval Hearing. See Section 8 of this Notice.
You Can Challenge the Calculation of Your Workweeks/Pay Periods **Written Challenges Must be Submitted by _____**	The amount of your Individual Class Payment and PAGA Payment (if any) depend on how many workweeks you worked at least one day during the Class Period and how many Pay Periods you worked at least one day during the PAGA Period, respectively. The number of Class Period Workweeks and number of PAGA Period PayPeriods you worked according to Defendant's records is stated on the first page of this Notice. If you disagree with either of these numbers, you must challenge it by_____. See Section **4** of this Notice.

1. WHAT IS THE ACTION ABOUT?

Plaintiffs are former Defendant employees. The Action accuses Defendant of violating California labor laws by failing to pay overtime wages, minimum wages, wages due upon termination and reimbursable expenses and failing to provide meal periods, rest breaks and accurate itemized wage statements. Based on the same claims, Plaintiffs have also asserted a claim for civil penalties under the California Private Attorneys General Act (Labor Code §§ 2698, et seq.) ("PAGA"). Plaintiffs are represented by attorneys in the Action:
Benjamin H. Haber and Arrash T. Fattahi of Wilshire Law Firm, PLC and James R. Hawkins, Isandra Fernandez, and Lance Dacre of James Hawkins, APLC ("Class Counsel").

Defendant strongly denies violating any laws or failing to pay any wages and contends it complied with all applicable laws.

2. WHAT DOES IT MEAN THAT THE ACTION HAS SETTLED?

So far, the Court has made no determination whether Defendant or Plaintiffs are correct on the merits. In the meantime, Plaintiffs and Defendant hired an experienced, neutral mediator in an effort to resolve the Action by negotiating an end to the case by agreement (settle the case) rather than continuing the expensive and time-consuming process of litigation. The negotiations were successful. By signing a lengthy written settlement agreement ("Agreement") and agreeing to jointly ask the Court to enter a judgment ending the Action and enforcing the Agreement, Plaintiff and Defendant have negotiated a proposed Settlement that is subject to the Court's Final Approval. Both sides agree the proposed Settlement is a compromise of disputed claims. By agreeing to settle, Defendant does not admit any violations or concede the merit of any claims.

Plaintiffs and Class Counsel strongly believe the Settlement is a good deal for you because they believe that: (1) Defendant has agreed to pay a fair, reasonable and adequate amount considering

Docusign Envelope ID: A5ACD30C-AE74-4904-B1E8-786B67BB51B9

the strength of the claims and the risks and uncertainties of continued litigation; and (2) Settlement is in the best interests of the Class Members and Allegedly Aggrieved Employees. The Court preliminarily approved the proposed Settlement as fair, reasonable and adequate, authorized this Notice, and scheduled a hearing to determine Final Approval.

3. WHAT ARE THE IMPORTANT TERMS OF THE PROPOSED SETTLEMENT?

1. Defendant Will Pay $1,200,000.00 as the Gross Settlement Amount (Gross Settlement). Defendant has agreed to deposit the Gross Settlement into an account controlled by the Administrator of the Settlement. The Administrator will use the Gross Settlement to pay the Individual Class Payments, Individual PAGA Payments, Class Representative Service Payment, Class Counsel's attorney's fees and expenses, the Administrator's expenses, and penalties to be paid to the California Labor and Workforce Development Agency ("LWDA"). Assuming the Court grants Final Approval, Defendant will fund the Gross Settlement in two tranches, the first on April 15, 2025, if the Judgment is entered before April 1, 2025, or not more than 14 days after the Judgment entered by the Court becomes final if the Judgment is entered after April 15, 2025. The second tranch will be paid within twelve (12) months after the Court grants Final Approval. The Judgment will be final on the date the Court enters Judgment, or a later date if Participating Class Members object to the proposed Settlement or the Judgment is appealed.

2. Court Approved Deductions from Gross Settlement. At the Final Approval Hearing, Plaintiffs and/or Class Counsel will ask the Court to approve the following deductions from the Gross Settlement, the amounts of which will be decided by the Court at the Final Approval Hearing:

    A. Up to $420,000.00 (35% of the Gross Settlement to Class Counsel for attorneys' fees) and up to $50,000 for their litigation expenses. To date, Class Counsel have worked and incurred expenses on the Action without payment.

    B. Up to $10,000.00 each ($20,000.00 total) as a Class Representative Awards for filing the Action, working with Class Counsel and representing the Class. A Class Representative Award will be the only monies Plaintiffs will receive other than Plaintiffs' Individual Class Payment and any Individual PAGA Payment.

    C. Up to $25,000 to the Administrator for services administering the Settlement.

    D. Up to $100,000.00 for PAGA Penalties, allocated 75% to the LWDA PAGA Payment and 25% in Individual PAGA Payments to the Allegedly Aggrieved Employees based on their PAGA Period Pay Periods.

    Participating Class Members have the right to object to any of these deductions. The Court will consider all objections.

3. Net Settlement Distributed to Class Members. After making the above deductions in amounts approved by the Court, the Administrator will distribute the rest of the Gross

Docusign Envelope ID: A5ACD30C-AE74-4904-B1E8-786B67BB51B9

Settlement (the "Net Settlement") by making Individual Class Payments to Participating Class Members based on their Class Period Workweeks.

4. Taxes Owed on Payments to Class Members. Plaintiffs and Defendant are asking the Court to approve an allocation of 20% of each Individual Class Payment to taxable wages ("Wage Portion") and 80% to interest and penalties ("Non-Wage Portion"). The Wage Portion is subject to withholdings and will be reported on IRS W-2 Forms. Defendant will separately pay employer payroll taxes it owes on the Wage Portion. The Individual PAGA Payments are counted as penalties rather than wages for tax purposes. The Administrator will report the Individual PAGA Payments and the Non-Wage Portions of the Individual Class Payments on IRS 1099 Forms.

   Although Plaintiffs and Defendant have agreed to these allocations, neither side is giving you any advice on whether your Payments are taxable or how much you might owe in taxes. You are responsible for paying all taxes (including penalties and interest on back taxes) on any Payments received from the proposed Settlement. You should consult a tax advisor if you have any questions about the tax consequences of the proposed Settlement.

5. Need to Promptly Cash Payment Checks. The front of every check issued for Individual Class Payments and Individual PAGA Payments will show the date when the check expires (the void date). If you don't cash it by the void date, your check will be automatically cancelled, and the monies will be deposited with the California Controller's Unclaimed Property Fund in your name.

   If the monies represented by your check is sent to the Controller's Unclaimed Property, you should consult the rules of the Fund for instructions on how to retrieve your money.

6. Requests for Exclusion from the Class Settlement (Opt-Outs). You will be treated as a Participating Class Member, participating fully in the Class Settlement, unless you notify the Administrator in writing, not later than_____, that you wish to opt-out. The easiest way to notify the Administrator is to send a written and signed Request for Exclusion by the _____Response Deadline. The Request for Exclusion should be a letter from a Class Member or his/her representative setting forth a Class Member's name, present address, telephone number, and a simple statement electing to be excluded from the Settlement. Excluded Class Members (i.e., Non-Participating Class Members) will not receive Individual Class Payments, but will preserve their rights to personally pursue wage and hour claims against Defendant.

   You cannot opt-out of the PAGA portion of the Settlement. Class Members who exclude themselves from the Class Settlement (Non-Participating Class Members) remain eligible for Individual PAGA Payments and are required to give up their right to assert PAGA claims against Defendant based on the PAGA Period facts alleged in the Action.

7. The Proposed Settlement Will be Void if the Court Denies Final Approval. It is possible the Court will decline to grant Final Approval of the Settlement or decline to enter a Judgment. It is also possible the Court will enter a Judgment that is reversed on appeal. Plaintiffs and Defendant have agreed that, in either case, the Settlement will be void:

Docusign Envelope ID: A5ACD30C-AE74-4904-B1E8-786B67BB51B9

Defendant will not pay any money and Class Members will not release any claims against Defendant.

8. Administrator. The Court has appointed a neutral company, Apex Class Action (the "Administrator") to send this Notice, calculate and make payments, and process Class Members' Requests for Exclusion. The Administrator will also decide Class Member Challenges over Workweeks, mail and re- mail settlement checks and tax forms, and perform other tasks necessary to administer theSettlement. The Administrator's contact information is contained in Section 9 of this Notice.

9. Participating Class Members' Release. After the Judgment is final and Defendant has fully funded the Gross Settlement and separately paid all employer payroll taxes, Participating Class Members will be legally barred from asserting any of the claims released under the Settlement. This means that unless you opted out by validly excluding yourself from the Class Settlement, you cannot sue, continue to sue, or be part of any other lawsuit against Defendant or related entities for wages based on the Class Period facts and PAGA penalties based on PAGA Period facts, as alleged in the Action and resolved by this Settlement.

   The Participating Class Members will be bound by the following release:

   > All Participating Class Members, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, release Released Parties from all claims that were alleged, or reasonably could have been alleged, based on the Class Period facts stated in the Operative Complaint, including, any and all claims involving any recovery of unpaid minimum wages and unpaid overtime (Cal. Lab. Code §§ 204, 1194, 1194.2, 1197, 1198), failure to provide meal and rest periods (Cal. Lab. Code §§ 226.7, 512), failure to provide accurate wage statements (Cal. Lab. Code § 226), failure to pay all wages due at separation (Cal. Lab. Code §§ 201-203), failure to reimburse business expenses (Cal. Lab. Code § 2802), and violation of Unfair Business Practices (Cal. Bus. & Prof. Code §§ 17200, et seq.). Except as set forth in Section 6.3 of this Agreement, Participating Class Members do not release any other claims, including claims for vested benefits, wrongful termination, violation of the Fair Employment and Housing Act, unemployment insurance, disability, social security, workers' compensation, or claims based on facts occurring outside the Class Period.

10. Allegedly Aggrieved Employees' PAGA Release. After the Court's judgment is final, and Defendant has paid the Gross Settlement (and separately paid the employer-side payroll taxes), all Allegedly Aggrieved Employees will be barred from asserting PAGA claims against Defendant, whetheror not they exclude themselves from the Settlement. This means that all Allegedly Aggrieved Employees, including those who are Participating Class Members and those who opt-outof the Class Settlement, cannot sue, continue to sue, or participate in any other PAGA claim against Defendant or its related entities based on the PAGA Period facts alleged in the Action and resolved by this Settlement.

Docusign Envelope ID: A5ACD30C-AE74-4904-B1E8-786B67BB51B9

The Allegedly Aggrieved Employees' Releases for Participating and Non-Participating ClassMembers are as follows:

All Participating Class Members, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, release Released Parties from all claims that were alleged, or reasonably could have been alleged, based on the Class Period facts stated in the Operative Complaint, including, any and all claims involving any recovery of unpaid minimum wages and unpaid overtime (Cal. Lab. Code §§ 204, 1194, 1194.2, 1197, 1198), failure to provide meal and rest periods (Cal. Lab. Code §§ 226.7, 512), failure to provide accurate wage statements (Cal. Lab. Code § 226), failure to pay all wages due at separation (Cal. Lab. Code §§ 201-203), failure to reimburse business expenses (Cal. Lab. Code § 2802), and violation of Unfair Business Practices (Cal. Bus. & Prof. Code §§ 17200, et seq.). Except as set forth in Section 6.3 of this Agreement, Participating Class Members do not release any other claims, including claims for vested benefits, wrongful termination, violation of the Fair Employment and Housing Act, unemployment insurance, disability, social security, workers' compensation, or claims based on facts occurring outside the Class Period.

4. HOW WILL THE ADMINISTRATOR CALCULATE MY PAYMENT?

1. Individual Class Payments. The Administrator will calculate Individual Class Payments by (a) dividing the Net Settlement Amount by the total number of Workweeks worked by all Participating Class Members, and (b) multiplying the result by the number of Workweeks worked by each individual Participating Class Member.

2. Individual PAGA Payments. The Administrator will calculate Individual PAGA Payments by (a) dividing $25,000.00 by the total number of PAGA Pay Periodsworked by all Allegedly Aggrieved Employees and (b) multiplying the result by the number of PAGA Period Pay Periods worked by each individual Allegedly Aggrieved Employee.

3. Workweek/Pay Period Challenges. The number of Class Workweeks you worked during the Class Period and the number of PAGA Pay Periods you worked during the PAGA Period, as recorded in Defendant's records, are stated in the first page of this Notice. You have until _____to challenge the number of Workweeks and/or Pay Periods credited to you. You can submit your challenge by signing and sending a letter to the Administrator via mail, email or fax. Section 9 of this Notice has the Administrator's contact information.

   You need to support your challenge by sending copies of pay stubs or other records. The Administrator will accept Defendant's calculation of Workweeks and/or Pay Periods based on Defendant's records as accurate unless you send copies of records containing contrary information. You should send copies rather than originals because the documents will not be returned to you. The Administrator will resolve Workweek and/or Pay Period challenges based on your submission and on input from Class Counsel (who will advocate on behalf of Participating Class Members) and Defendant's Counsel. The Administrator's decision is final. You can't appeal or otherwise challenge its final decision.

Docusign Envelope ID: A5ACD30C-AE74-4904-B1E8-786B67BB51B9

5. HOW WILL I GET PAID?

The single check will combine the Individual Class Payment and the Individual PAGA Payment.

2. Non-Participating Class Members. The Administrator will send, by U.S. mail, a single Individual PAGA Payment check to every Allegedly Aggrieved Employee who opts out of the Class Settlement (i.e., every Non-Participating Class Member).

At least 16 court days before the _____Final Approval Hearing, Class Counsel and/or Plaintiffs will file in Court (1) a Motion for Final Approval that includes, among other things, the reasons why the proposed Settlement is fair, and (2) a Motion for Fees, Litigation Expenses and Service Award stating (i) the amount Class Counsel is requesting for attorneys' fees and litigation expenses; and (ii) the amount Plaintiffs is requesting as a Class Representative Service Awards. Report Use Considerations

2022 Real Rate Report

- Examines law firm rates over time
- Identifies rates by location, experience, firm size, areas of expertise, industry, and timekeeper role (i.e., partner, associate, and paralegal)
- Itemizes variables that drive rates up or down

All the analyses included in the report derive from the actual rates charged by law firm professionals as recorded on invoices submitted and approved for payment.

Examining real, approved rate information, along with the ranges of those rates and their changes over time, highlights the role these variables play in driving aggregate legal cost and income. The analyses can energize questions for both corporate clients and law firm principals.

Clients might ask whether they are paying the right amount for different types of legal services, while law firm principals might ask whether they are charging the right amount for legal services and whether to modify their pricing approach.

Some key factors[1] that drive rates[2]:

Attorney location - Lawyers in urban and major metropolitan areas tend to charge more when compared with lawyers in rural areas or small towns.

Litigation complexity - The cost of representation will be higher if the case is particularly complex or time-consuming; for example, if there are a large number of documents to review, many witnesses to depose, and numerous procedural steps, the case is likely to cost more (regardless of other factors like the lawyer's level of experience).

Years of experience and reputation - A more experienced, higher-profile lawyer is often going to charge more, but absorbing this higher cost at the outset may make more sense than hiring a less expensive lawyer who will likely take time and billable hours to come up to speed on unfamiliar legal and procedural issues.

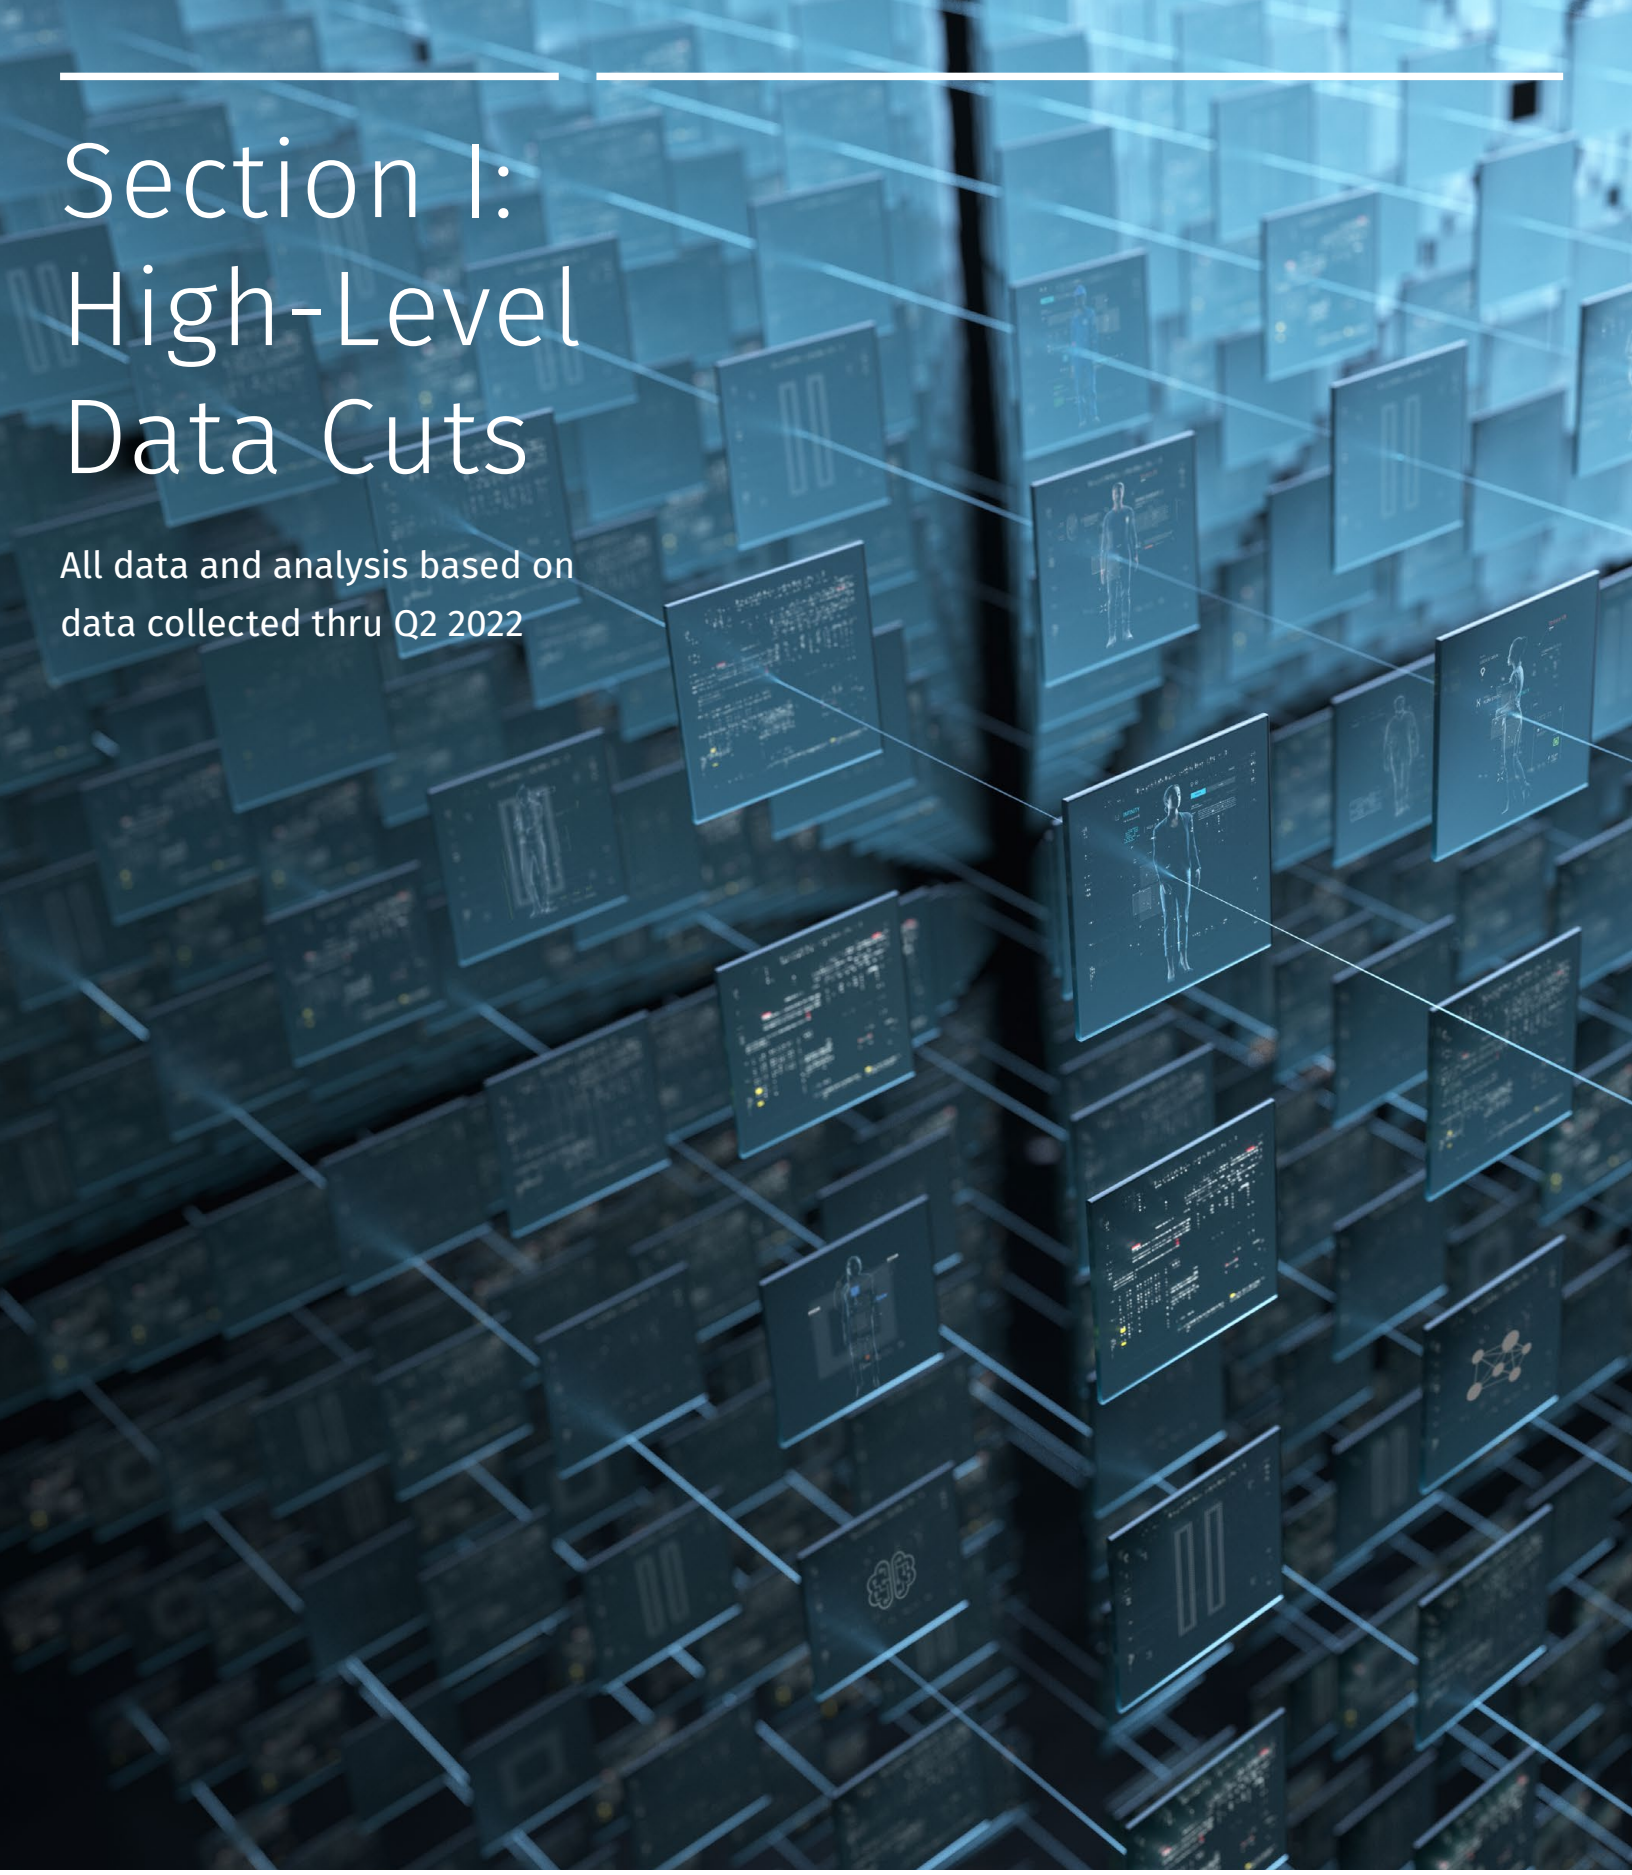

Overhead - The costs associated with the firm's support network (paralegals, clerks, and assistants), document preparation, consultants, research, and other expenses.

Firm size – The rates can increase if the firm is large and has various timekeeper roles at the firm. For example, the cost to work with an associate or partner at a larger firm will be higher compared to a firm that has one to two associates and a paralegal.

Invoice Information

Data in Wolters Kluwer ELM Solutions' reference database and the 2022 Real Rate Report were taken from invoice line-item entries contained in invoices received and approved by participating companies.

Invoice data were received in the Legal Electronic Data Exchange Standard (LEDES) format (LEDES.org). The following information was extracted from those invoices and their line items:

- Law firm (which exists as a random number in the ELM Solutions reference database)
- Timekeeper ID (which exists as a random number in the ELM Solutions reference database)
- Matter ID (which exists as a random number in the ELM Solutions reference database)
- Timekeeper's position (role) within the law firm (partner, associate, paralegal, etc.)
- Uniform Task-Based Management System Code Set, Task Codes, and Activity Codes (UTBMS.com)
- Date of service
- Hours billed
- Hourly rate billed
- Fees billed

Non-Invoice Information

To capture practice area details, the matter ID within each invoice was associated with matter profiles containing areas of work in the systems of each company. The areas of work were then systematically categorized into legal practice areas. Normalization of practice areas was done based on company mappings to system-level practice areas available in the ELM Solutions system and by naming convention.

The majority of analyses included in this report have been mapped to one of 11 practice areas, further divided into sub-areas and litigation/non-litigation (for more information on practice areas and sub-areas, please refer to pages 232-234).

To capture location and jurisdiction details, law firms and timekeepers were systematically mapped to the existing profiles within ELM Solutions systems, as well as with publicly available data sources for further validation and normalization. Where city location information is provided, it includes any address within that city's defined Core-Based Statistical Area (CBSA) as defined by the Office of Management and Budget (OMB). The CBSAs are urban centers with populations of 10,000 or more and include all adjacent counties that are economically integrated with that urban center.

Where the analyses focus on partners, associates, and paralegals, the underlying data occasionally included some sub-roles, such as "senior partner" or "junior associate." In such instances, those timekeeper sub-roles were placed within the broader partner, associate, and paralegal segments.

Demographics regarding law firm size, location, and lawyer years of experience were augmented by incorporating publicly available information.

Big Law Rates Topping $2,000 Leave Value ‘In Eye of Beholder’

Welcome back to the Big Law Business column on the changing legal marketplace written by me, Roy Strom. Today, we look at a new threshold for lawyers’ billing rates and why it’s so difficult to put a price on high-powered attorneys. Sign up to receive this column in your inbox on Thursday mornings. Programming note: Big Law Business will be off next week.

Some of the nation’s top law firms are charging more than $2,000 an hour, setting a new pinnacle after a two-year burst in demand.

Partners at Hogan Lovells and Latham & Watkins have crossed the threshold, according to court documents in bankruptcy cases filed within the past year.

Other firms came close to the mark, billing more than $1,900, according to the documents. They include Kirkland & Ellis, Simpson Thacher & Bartlett, Boies Schiller Flexner, and Sidley Austin.

Simpson Thacher & Bartlett litigator Bryce Friedman, who helps big-name clients out of jams, especially when they’re accused of fraud, charges $1,965 every 60 minutes, according to a court document.

In need of a former acting US Solicitor General? Hogan Lovells partner Neal Katyal bills time at $2,465 an hour. Want to hire famous litigator David Boies? That’ll cost $1,950 an hour (at least). Reuters was first to report their fees.

Eye-watering rates are nothing new for Big Law firms, which typically ask clients to pay higher prices at least once a year, regardless of broader market conditions.

“Value is in the eye of the beholder,” said John O’Connor, a San Francisco-based expert on legal fees. “The perceived value of a good lawyer can reach into the multi-billions of dollars.”

Kirkland & Ellis declined to comment on its billing rates. None of the other firms responded to requests to comment.

Charge It Up

Latham & Watkins	$2,075
Kirkland & Ellis	$1,995
Simpson Thacher & Bartlett	$1,965
Boies Schiller Flexner	$1,950

Law firms have been more successful raising rates than most other businesses over the past 15 years.

Law firm rates rose by roughly 40 percent from 2007 to 2020, or just short of 3 percent per year, Thomson Reuters Peer Monitor data show. US inflation rose by about 28% during that time.

The 100 largest law firms in the past two years achieved their largest rate increases in more than a decade, Peer Monitor says. The rates surged more than 6% in 2020 and grew another 5.6% through November of last year. Neither level had been breached since 2008.

The price hikes occurred during a once-in-a-decade surge in demand for law services, which propelled profits at firms to new levels. Fourteen law firms reported average profits per equity partner in 2021 over $5 million, according to data from The American Lawyer. That was up from six the previous year.

The highest-performing firms, where lawyers charge the highest prices, have outperformed their smaller peers. Firms with leading practices in markets such as mergers and acquisitions, capital markets, and real estate were forced to turn away work at some points during the pandemic-fueled surge.

Firms receive relatively tepid pushback from their giant corporate clients, especially when advising on bet-the-company litigation or billion-dollar deals.

The portion of bills law firms collected—a sign of how willingly clients pay full-freight—rose during the previous two years after drifting lower following the Great Financial Crisis. Collection rates last year breached 90% for the first time since 2009, Peer Monitor data show.

Professional rules prohibit lawyers from charging “unconscionable” or “unreasonable” rates. But that doesn’t preclude clients from paying any price they perceive as valuable, said Jacqueline Vinaccia, a San Diego-based lawyer who testifies on lawyer fee disputes.

Lawyers’ fees are usually only contested when they will be paid by a third party.

That happened recently with Hogan Lovells’ Katyal, whose nearly $2,500 an hour fee was contested in May by a US trustee overseeing a bankruptcy case involving a Johnson & Johnson unit facing claims its talc-based powders caused cancer.

The trustee, who protects the financial interests of bankruptcy estates, argued Katyal’s fee was more than $1,000 an hour higher than rates charged by lawyers in the same case at Jones Day and Skadden Arps Slate Meagher & Flom.

A hearing on the trustee’s objection is scheduled for next week. Hogan Lovells did not respond to a request for comment on the objection.

Vinaccia said the firm’s options will be to reduce its fee, withdraw from the case, or argue the levy is reasonable, most likely based on Katyal’s extensive experience arguing appeals.

Still, the hourly rate shows just how valuable the most prestigious lawyers’ time can be—even compared to their highly compensated competitors.

“If the argument is that Jones Day and Skadden Arps are less expensive, then you’re already talking about the cream of the crop, the top-of-the-barrel law firms,” Vinaccia said. “I can’t imagine a case in which I might argue those two firms are more reasonable than the rates I’m dealing with.”

Worth Your Time

On Cravath: Cravath Swaine & Moore is heading to Washington, opening its first new office since 1973 by hiring former heads of the U.S. Securities and Exchange Commission and Federal Deposit Insurance Corporation. Meghan Tribe reports the move comes as Big Law firms are looking to add federal government expertise as clients face more regulatory scrutiny.

On Big Law Promotions: It’s rare that associates get promotions to partner in June, but Camille Vasquez is now a Brown Rudnick partner after she shot to fame representing Johnny Depp in his defamation trial against ex-wife Amber Heard.

On Working From Home: I spoke this week with Quinn Emanuel’s John Quinn about why he thinks law firm life is never going back to the office-first culture that was upset by the pandemic. Listen to the podcast here.
