DECLARATION OF MARQUISE WOODSON IN SUPPORT OF PLAINTIFFS' MOTION FOR PRELIMINARY APPROVAL OF CLASS ACTION SETTLEMENT

Date: July 7, 2022
 Time: 1:30 p.m.
 Department: 10C

Reservation ID: 761644481306

Complaint Filed: January 11, 2020

DECLARATION OF MARQUISE WOODSON

I, Marquise Woodson, declare as follows:

1. I am an individual over the age of 18. I am a named plaintiff in the above-reference action. I have personal knowledge of the facts set forth below, except as to those matters stated on information and belief and, as to those matters, I believe them to be true. If called as a witness, I could testify competently as to the matters stated in this declaration.

2. In about June of 2008, I began working for Employers Leasing Company, Inc. as a mover. Until my employment ended in March of 2020, I was paid on an hourly basis as a non-exempt employee. I regularly was required to use my own tools and cell phone to perform my job duties but was not reimbursed for my related expenses. I also regularly worked more than five hours in a workday but routinely was not provided duty-free 30-minute meal periods. On those occasions, I was not paid an additional hour of regular rate wages for missed meal periods. I also am informed and believe that I was neither paid all of my earned wages and overtime nor provided with accurate itemized wage statements.

3. I do not believe I have any interests that are adverse to the interests of the Class. I also am unaware of any such issues having been raised or presented by anyone else. I have taken all necessary steps to represent the interests of the Class, including by providing information and documents to my counsel, discussing the claims and lawsuit with my counsel, and answering any questions that have come up. I remain willing to devote my time to this lawsuit for the benefit of the Class.

4. I took on risks by bringing this lawsuit and am proud of the result and accomplishment of this lawsuit. I believe many employees would not sue their employer out of fear, but I feel that it is a positive accomplishment and understand that other people will benefit because of the actions that I have taken. I believe that the class settlement is fair, adequate, and reasonable.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct. Executed this 9th day of June 2022, at Lake Elsinore, California.
