15 **I. DEFINITIONS**

16 The terms defined above shall have the meanings therein given, for all purposes in this
17 Joint Stipulation of Class and PAGA Settlement, including in any exhibits hereto. And, the
18 following defined terms used in this Joint Statement of Class and PAGA Settlement and any
19 exhibits hereto will have the meanings given them below.

26 the Settlement, securing the Court's approval of the Settlement, and obtaining entry of the
27 Judgment terminating the Actions. Class Counsel will request attorneys' fees from the Court in

24 Eligible Class Members in proportion to their respective numbers of Eligible Class Member
25 Workweeks. Should any actual reasonable and necessary Class Administration Costs be more
26 than the above estimate amount, the Parties stipulate that the Class Administrator should be paid
27 such amounts, the Parties will apply to the Court for an adjustment, with any additional Class

Until such time, Class Counsel may discuss the terms of this Settlement with Class Members other than the Named Plaintiff only if such additional Class Members initiate contact with Class Counsel in such regard. No Party or their counsel may otherwise make any public statement or comment or make any disclosures of any kind about this Settlement to anyone, including without limitation, the public, or press, or on any public or semi-public forum on the internet (such as social media) without the express written permission of each of the other Parties. Such confidentiality provisions shall remain in force following Preliminary Approval as well, with the following exceptions: (a) the Class Administrator may take steps reasonably necessary to perform Class Administration Duties; (b) Class Counsel and Named Plaintiff may take reasonably necessary steps to perform their duties as such; and (c) Class Counsel may list or disclose this Action and Settlement as among their handled cases in court filings or motions

only, but may not disclose the terms of the Settlement on any firm publication or other public media. In the interest of permitting the Class Notice and administration process to function on its own, Named Plaintiff himself agrees not to discuss this Settlement with any Class Members or any other individuals except for their attorneys, financial representatives, accountants and/or spouse. Defendants agree not to discourage Class Members from, and agree not to encourage them to, exercise any of their rights or obligations pursuant to this Agreement. Defendants will instruct their officers, directors, managers and supervisors that that, should they be contacted by Class Members or persons who believe they may be Class Members in relation to this Agreement, such officers, directors, managers and supervisors should make no comment except by directing the employees to Defendants' administrators, who will be instructed to direct such Class Members to the Class Administrator and to provide such Class Members with contact information for the Class Administrator.

4. Preliminary Approval. As soon as possible following execution of this Agreement, Class Counsel shall move the Court for Preliminary Approval. Class Counsel will submit therewith a proposed order and any necessary declarations in support of Preliminary Approval. The Parties shall give all reasonable cooperation necessary to obtain Preliminary Approval from the Court.

5. Class Administration Procedures – Class List. Within fourteen (14) days of Defendants' receipt of notice of entry of Preliminary Approval, Defendants shall cause to be delivered by email or otherwise to the Class Administrator a list of the Class Members that includes their names, last known home address(es), full social security numbers, dates of employment, all of which information shall be based upon Defendants' reasonably available business records and/or the best reasonably available personal knowledge of Defendants' employees and agents.

6. Class Administration Procedures – Notice to Class. Within ten (10) days after delivery of the information described in Section II.5 above, the Class Administrator will mail a Notice Packet to each Class Member via United States Mail, first class, postage pre-paid. Prior to such mailing, the Class Administrator will calculate the estimated Eligible Class Member

1 Shares of each respective Class Member, based upon an assumption that all Class Members will
2 become Eligible Class Members, that no Class Member Objections, Opt-Out Requests, or other
3 disputes pursuant to Section II.7 below will be submitted, and that no Class Members will be
4 added to the Class. The approximate amounts of such estimated Eligible Class Member Shares
5 will be disclosed on an individual basis in each Class Member's respective Class Notice, along
6 with the basis of the calculation of such shares in relation to the number of Class Member Work
7 Weeks for each such Class Member.

8 If any mailed Notice Packets are returned as undeliverable, then the Class Administrator
9 shall promptly perform one "skip trace" or similar search and shall promptly re-mail the same
10 Notice Packet (or a true and correct copy thereof) to any new addresses disclosed by such search.
11 If the process set forth in this paragraph and any other procedures ordered by the Court are
12 followed, the Class Notice will be deemed to have been adequately provided to all Class
13 Members. In the event the procedures in the Agreement are followed and a Class Member,
14 nonetheless, does not receive the Notice Packet, the intended recipient shall remain a Class
15 Member, and will be deemed an Eligible Class Member, unless such intended recipient submits
16 a Class Member Objection or Opt-Out Request.

17 7. Class Administration Procedures – Class Member Objections, Opt-Out Requests,
18 and Disputes Concerning Class Member Status and Number of Class Member
19 Work Weeks

20 (a) *Class Member Objections – Filing and Service:* Any member of the
21 Settlement Class who wishes to make a Class Member Objection must give written notice to the
22 Class Administrator, with such notice being received by the Class Administrator within thirty
23 (30) days of mailing of the Notice Packets to the Class Members. Such written notice shall
24 contain the relevant Class Member's name, address, telephone number, and signature, as well as
25 a statement to the effect that the Class Member objects to the settlement, the basis and/or reason
26 for such objection.

27 ///

28 ///

1 (b) *Class Member Objections – Responses:* Upon receipt of any documents
2 purporting to be Class Member Objections, the Class Administrator shall forthwith forward such
3 documents to Class Counsel and Defendants’ Counsel by e-mail and United States Mail.
4 Following receipt of such documents, Class Counsel and Defendants’ Counsel shall confer
5 regarding such documents purporting to be Class Member Objections. Class Counsel shall file
6 with the Court, in a separate document along with their motion for Final Approval, a joint
7 statement, not to exceed ten (10) pages, containing the Parties’ points and authorities in response
8 to such documents purporting to be Class Member Objections, along with copies of such Class
9 Member Objections. If the Parties’ responses differ in any respect, the jointly-held positions shall
10 be set forth in a separately entitled section, and the differently-held positions shall be set forth in
11 further separately-entitled sections of the joint response. The Parties may attach evidence to the
12 joint response, which shall not count toward the page limit. If the volume of documents
13 purporting to be Class Member Objections is sufficiently large such that ten (10) pages is
14 insufficient for the joint response, the Parties (or any of them) may apply to the Court for an
15 increase in the number of such pages. Should the Parties receive any untimely-filed, received, or
16 sent documents purporting to be Class Member Objections (or should the Parties receive them
17 less than ten (10) days prior to any due date for the motion for Final Approval), the Parties may
18 file a further such joint response at any time prior to the Final Approval Hearing, but in any event
19 not later than ten (10) days after receiving such untimely documents.

20 (c) *Opt-Out Requests:* Any member of the Settlement Class who wishes to
21 make an Opt-Out Request must deliver written notice (to include the relevant Class Member’s
22 name, address, telephone number, and signature) to such effect to the Class Administrator, with
23 such notice being received by the Class Administrator within thirty (30) days of mailing of the
24 Notice Packets to the Class Members. Such written notice shall set forth a statement to the effect
25 that the Class Member does not wish to be part of, to be bound by, and/or to receive funds
26 pursuant to the Settlement. The Class Administrator shall give Class Counsel and Defendant’s
27 Counsel no less than weekly notice of the number of Class Members who have submitted Opt-
28 Out Requests, as well as copies of any such Opt-Out Requests upon request. Should any of the

Parties wish to dispute the validity of any documents purporting to be Opt-Out Requests, they shall notify the Class Administrator and all other Parties via e-mail and U.S. Mail within ten (10) days of receiving such documents, and in so doing they shall state the factual and legal basis for such dispute. Prior to the deadline for submitting its declaration described in Section II.8 below, the Class Administrator shall make a determination as to the validity of the disputed Opt-Out Requests, and shall set forth its determinations in such declaration. The Class Administrator's decisions in such regard shall be final and binding.

(d) *Disputes Concerning Class Member Status*: Should any person who does not receive a Class Notice directed to him or her wish to come forward purporting to be a Class Member, such person shall notify the Class Administrator, no later than thirty (30) days after the Class Administrator's mailing of the Class Notice Packets. The Class Administrator shall forthwith send any such documents to Class Counsel and Defendants' Counsel via email and/or United States Mail. Upon receipt of such notice, Defendants shall investigate the matter, including with reference to their business records, and shall determine whether the person is a Class Member. Then, within ten (10) days of receipt of such notice, Defendants shall notify the Class Administrator and Class Counsel as to its determination of the person's status as a Class Member. Defendants' determination in such regard shall control. If the person is determined to be a Class Member, the Class Administrator shall mail that person a Notice Packet, whereupon the same procedures for submitting Class Member Objections, Opt-Out Requests, and Disputes Concerning Work Weeks set forth in this Agreement shall apply to such person.

(e) *Disputes Concerning Class Member Work Weeks*: The Class Notices sent to each Class Member shall separately set forth that person's estimated number of Class Member Work Weeks, which will be calculated based on Defendants' records. If for any reason a Class Member disagrees with such estimate, such Class Member shall deliver written notice to such effect to the Class Administrator, with such notice being received by the Class Administrator within thirty (30) days of mailing of the Notice Packets to the Class Members. Such notice shall set forth the Class Member's basis for such disagreement, including any and all documents supporting such basis. Upon receipt of such notices, the Class Administrator shall forthwith send

1 it to Class Counsel and Defendant's Counsel, via e-mail and United States Mail. Defendant shall
2 investigate the matter, including by examining its business records, and shall, within ten (10)
3 days of receiving notice, inform Class Counsel and the Class Administrator as to its
4 determination regarding the Class Member's number of Class Member Work Weeks. In the event
5 that the Class Member does not provide any supportive documentation, Defendants'
6 determination shall control. In the event that the Class Member does provide supportive
7 documentation, Defendants shall, within the same ten (10) day period, either notify the Class
8 Administrator and Class Counsel that they stipulate to the Class Member's assertions regarding
9 his or her number of Class Member Work Weeks, or shall notify them that they dispute such
10 assertions, and shall provide the Class Administrator and Class Counsel with their proposed
11 determination, and the factual basis therefor, and any supporting documentation. The Class
12 Administrator shall then determine the Class Member's number of Class Member Workweeks,
13 and its determinations shall control.

14 (f) Named Plaintiff hereby agrees that he will not submit a Class Member
15 Objection or an Opt-Out Request. Any submissions by Named Plaintiff purporting to be a Class
16 Member Objection or an Opt-Out Request shall be null and void.

17 (g) No determinations by Defendants, the Class Administrator, the Court, or
18 any other person or entity pursuant to this Section II.7 shall have the effect of increasing the
19 amount of the Gross Settlement Amount. Rather, any additional amounts to be distributed to any
20 Class Member as a result of the resolution of such disputes shall be made in conjunction with
21 and subject to a proportionate reduction in other Eligible Class Members' Eligible Class Member
22 Shares, with specific amounts to be determined by the Class Administrator.

23 8. Class Administration Procedures – Class Administrator Declaration. Within ten
24 (10) days of the expiration of all of the time periods provided for in Sections II.5 through II.7
25 above, the Class Administrator shall provide Class Counsel and Defendants' Counsel with the
26 Class Administrator Declaration. Should the Class Administrator be unable to provide the Class
27 Administrator Declaration at such time, it shall forthwith notify Class Counsel and Defendants'
28 Counsel, who shall cooperate with the Class Administrator to forthwith remedy any such

1 inability.

2 9. Motion for Final Approval. By the later of (a) ten (10) days of Class Counsel's
3 receipt of the declaration required of the Class Administrator by Section II.8 above; or (b) sixteen
4 (16) court days prior to the Final Approval Hearing, Class Counsel shall file and serve upon
5 Defendants and the Class Administrator a motion for Final Approval, and shall include the Class
6 Administrator's declaration with such filing. Should the date of Class Counsel's receipt of the
7 Class Administrator Declaration be less than ten (10) days prior to the court day that is sixteen
8 (16) court days prior to the Final Approval Hearing, Class Counsel shall make reasonable efforts
9 to file its motion for Final Approval not later than sixteen (16) court days prior. If Class Counsel
10 is unable to do so, or if Class Counsel otherwise believe based on other circumstances they will
11 not be able to file a timely motion for Final Approval, they shall seek *ex parte* or other emergency
12 relief from the Court in the form of shortening of the time for filing and serving the Motion for
13 Final Approval, or re-scheduling of the Final Approval Hearing. Defendants shall cooperate in
14 the seeking and obtaining of such relief.

15 10. Adjustments to Components of Gross Settlement Amount. This Agreement
16 contemplates that future adjustments to the amounts of components of the Gross Settlement
17 Amount listed above may be necessary and/or may be ordered by the Court. Any such future
18 adjustments shall be made only by written stipulation of the Parties or by an order of the Court.
19 Such future adjustments shall not constitute a basis for this Settlement being Void *Ab Initio*, but
20 rather shall be accompanied by adjustments to other components of the Gross Settlement
21 Amount, to avoid any increase in the Gross Settlement Amount. Any adjustments having the
22 effect of increasing the Gross Settlement Amount shall, at Defendants' exclusive option, render
23 this Settlement Void *Ab Initio*.

24 11. Release. It is the desire of Plaintiff, each Eligible Class Member, and Defendants
25 to fully, finally, and forever settle, compromise, and discharge the claims asserted in the
26 Complaints and the Action. Each Eligible Class Member shall be deemed, as of the Effective
27 Date, to have provided and to be subject to the release of Released Claims against the Released
28 Parties as set forth herein.

1 Upon the funding of the Gross Settlement Amount, and in exchange for the consideration
2 set forth in this Agreement, the Plaintiff and Eligible Class Members shall fully release and
3 discharge the Released Parties from any and all Released Claims for the entire Class Period. This
4 release shall be binding on all Class Members who have not timely submitted a valid and
5 complete Opt-Out Request, including each of their respective attorneys, agents, spouses,
6 executors, representatives, guardians ad litem, heirs, successors, and assigns, and shall inure to
7 the benefit of the Released Parties, who shall have no further or other liability or obligation to
8 any Settlement Class Member with respect to the Released Claims, except as expressly provided
9 herein.

10 All members of the PAGA Settlement Class, regardless of whether they submit timely
11 and valid Opt-Out Request from the Settlement Class, will release any and all claims under the
12 PAGA that could have been premised on the claims, causes of action or legal theories described
13 in the Complaints and the Action, including any and all Released Claims for the entire PAGA
14 Period. The State of California and the LWDA will also release all claims under the PAGA that
15 could have been premised on the claims, causes of action or legal theories described in the
16 Complaints and the Actions for the entire PAGA Period. Named Plaintiff additionally agrees
17 that as of the Effective Date, he will be deemed to have provided and to be subject to the General
18 Release in favor of the Released Parties as set forth herein.

19 12. Enforcement. This Agreement is enforceable pursuant to California Rule of Court
20 3.769(h). If any Party is required to seek relief for an alleged breach of this Agreement, the
21 prevailing party shall be awarded its reasonable attorney's fees and costs including, if necessary,
22 attorney's fees in connection with collection efforts or enforcement of the confidentiality
23 provisions of this Agreement; provided however, that the aggrieved Party shall be required to
24 give notice to the opposing Party and meet and confer regarding the alleged breach before filing
25 any motion, or application for enforcement of, this Agreement.

26 13. Taxation and Withholding; Settlement Checks.

27 (a) *Allocation.* The Parties agree that Twenty Percent (20%) of the Net
28 Settlement Amount shall be allocated to Form W-2 wages, and Eighty Percent (80%) to penalties

(including the LWDA Fund Remainder), interest, and other non-wages subject to Form 1099 reporting, and that the same allocations shall apply to each of the Eligible Class Member Shares. This allocation is for purposes of this Settlement only. The Class Administrator will pay from the QSF each Eligible Class Members' shares of payroll taxes, deductions, contributions, and other amounts required to be paid to government agencies and/or tax authorities. The payment of such taxes, deductions, contributions and other amounts shall be calculated based upon Defendants' reasonably available records. The Class Administrator shall provide reasonable notice to Defendants' Counsel of any records required for purposes of computing taxes, deductions, contributions and other amounts, and Defendants shall undertake reasonable efforts to provide the Class Administrator with same. The Class Administrator shall provide, as appropriate, an IRS Form W-2 and Form 1099, and any other tax documentation required by law, to each Eligible Class Member payee. Any necessary employer tax contributions resulting from issuance of the Settlement shall be deducted from the Net Settlement Amount. However, for the avoidance of doubt, AppleOne shall not be required to contribute any funds beyond its contribution of Twenty Thousand Dollars (\$20,000.00) towards this Settlement and the administration thereof.

(b) *Circular 230 Disclaimer.* Each of the Parties acknowledges and agrees that (1) no provision of this Agreement, and no written communication or disclosure between or among the Parties or their respective counsel and/or other advisers is or was intended to be, nor shall any such communication or disclosure constitute or be construed or be relied upon as, tax advice within the meaning of United States Treasury Circular 230 (31 CFR part 10, as amended); (2) each Party (a) has relied exclusively upon his, her or its own, independent legal and tax advisors for advice (including tax advice) in connection with this Agreement, (b) has not entered into this Agreement based upon the recommendation of any other Party or any Counsel or advisor to any other Party, and (c) is not entitled to rely upon any communication or disclosure by any other Counsel or advisor to any other Party to avoid any tax penalty that may be imposed on that Party; and (3) no attorney or advisor to any other Party has imposed any limitation that protects the confidentiality of any such attorney's or advisor's tax strategies (regardless of whether such

1 limitation is legally binding) upon disclosure by the Party of the tax treatment or tax structure of
2 any transaction, including any transaction contemplated by this Agreement. Neither Class
3 Counsel nor Defendants or their Counsel will provide tax or financial advice, and Class Members
4 are advised to seek independent professional advice as to the tax or financial consequences of
5 any payment they receive, or may receive, as Class Members.

6 (c) *No Effect on Employee Benefits.* The Eligible Class Member Shares shall
7 be deemed not to be pensionable earnings and shall not have any effect on the eligibility for, or
8 calculation of, any employee benefits (e.g., vacations, holiday pay, retirement plans, etc.) of the
9 Eligible Class Members.

10 (d) *Non-Negotiated Instruments of Payment.* Any checks issued by the Claims
11 Administrator to Class Members (including those who timely and validly opted-out and are only
12 receiving a PAGA Share) shall be negotiable for one hundred and eighty (180) calendar days. If
13 a check is returned to the Claims Administrator, the Claims Administrator will make all
14 reasonable efforts to re-mail it to the Class Member at his or her correct address. If any Class
15 Member's settlement check is not cashed within one hundred and twenty (120) days after its
16 mailing, the Settlement Administrator will send the Class Member a letter or postcard informing
17 him or her that unless the check is cashed in the next sixty (60) days, it will expire and become
18 non-negotiable, and offering to replace the check if it was lost or misplaced but not cashed. Those
19 funds represented by checks returned as undeliverable and those checks remaining un-cashed for
20 more than one hundred and eighty (180) days after issuance will be voided and the equivalent
21 amount will be paid out pursuant to California *Code of Civil Procedure* section 384(b)(3) as
22 follows: (1) 50% to Harriett Buhai Center for Family Law, and (2) 50% to the Jenesse Center,
23 Inc., as *cy pres* beneficiaries, subject to Court approval. If the Court does not approve both *cy*
24 *pres* beneficiaries, and only approves one of the proposed *cy pres* recipients, the beneficiary shall
25 receive the entire *cy pres* amount. If neither of the proposed beneficiaries are approved, the
26 parties shall provide two additional *cy pres* beneficiaries for the Court's consideration.

28 ///

1 14. Defendants' Payment of the Settlement Payment Amount. Upon the Effective
2 Date, the Class Administrator shall forthwith establish all financial accounts necessary to
3 establish the Qualified Settlement Fund (QSF), and shall promptly notify Defendants' Counsel
4 and Class Counsel by email that such accounts have been established and of the payment details
5 necessary to fund the Qualified Settlement Fund. The Class Administrator shall also advise
6 Defendants as to any amounts Defendants will be required to pay for their respective portions of
7 any payroll taxes, deductions, contributions and other amounts required to be paid to government
8 agencies and/or tax authorities as a result of this Settlement (hereinafter, "Defendants' Payroll
9 Tax"), if any exist. Within thirty (30) business days of the Defendants' receipt of such notice
10 from the Class Administrator, and provided that the Effective Date has occurred, Defendants
11 shall make such payment, which will be exclusive of the Settlement Payment Amount. Within
12 ten (10) days after all funds necessary to fully fund the Qualified Settlement Fund are in the
13 accounts established by the Class Administrator and are available for disbursement, the Class
14 Administrator shall disburse, pursuant to this Settlement and other applicable law, the
15 corresponding Eligible Class Member Shares to each Eligible Class Member, as well as the
16 LWDA Fund, the Named Plaintiff's Enhancement, the Class Administration Costs, and the Class
17 Counsel Fees and Costs. In disbursing the LWDA Fund, the Class Administrator shall also
18 submit to the LWDA any information or documentation required for such disbursement, such as
19 a copy of the Court's Final Approval Order. The Class Administrator shall promptly notify Class
20 Counsel and Defendants' Counsel by email that such disbursements and submissions have been
21 made.

22 15. Number of Class Members and Work Weeks. As of the date of mediation,
23 Defendants certify that the approximate number of identified Work Weeks worked by Class
24 Members during the Class Period is 260,677 Work Weeks and the total approximate number of
25 Class Members is 6,206.

26 16. Cooperation and Reasonable Modifications. The Parties and their respective
27 counsel will cooperate reasonably and in good faith for the purpose of achieving occurrence of
28 the conditions set forth in this Agreement, including without limitation, timely filing of all

1 motions, papers and evidence necessary to do so, and refraining from causing or encouraging
2 directly or indirectly the submission of any objection to this Agreement, the submission of any
3 Class Member Objection or Opt-Out Request, or any appeal or petition for writ proceedings
4 seeking review of any order or judgment contemplated by the Settlement. This Agreement
5 contemplates that the Court and the Parties may make reasonable modifications to the Agreement
6 in order to effect its essential terms and to obtain Preliminary Approval and Final Approval. Such
7 modifications shall not render this Agreement Void *Ab Initio*, but rather the Parties shall stipulate
8 to such reasonable modifications and take all necessary steps to give them effect. Any increase
9 in the Gross Settlement Amount shall not be deemed to be a reasonable modification, and shall
10 render this Agreement Void *Ab Initio* except upon signed, written agreement of Defendants.

11 17. Warranty of Authority. The undersigned each represent and warrant that each has
12 authority to enter into this Settlement, and that by doing so they are not in breach or violation of
13 any agreement with any third parties. The Parties further agree that the Actions shall be stayed
14 in all respects until the final payment called for by this Settlement is made pending the occurrence
15 or failure of the Effective Date, except for the purpose of filing motions for Preliminary Approval
16 and Final Approval.

17 18. Other Actions Enjoined. Defendants shall have the right to request, and Named
18 Plaintiff nor his Counsel will not oppose, that the Court enter an order that pending Final
19 Approval, Class Members who do not opt-out of the Settlement are barred from instituting or
20 prosecuting any claims or actions against the Released Parties which fall within the definition of
21 the Released Claims and that any pending actions against the Released Parties, whether in court
22 or arbitration, are stayed on an interim basis only as to any claims which fall within the definition
23 of the Released Claims.

24 19. Notices to Counsel. All notices, requests, demands and other communications
25 required or permitted to be given pursuant to this Agreement shall be in writing and shall be
26 delivered personally or mailed, postage prepaid, by first-class United States mail, to the
27 undersigned persons at their respective addresses as set forth herein (and, to the extent notice by

20. Notice to LWDA. Class Counsel shall be responsible for giving any required notice of this Settlement to the LWDA.

21. Entire Agreement. This Agreement embodies the entire agreement of all the Parties hereto who have executed it and supersedes any and all other agreements, understandings, negotiations, or discussions, either oral or in writing, express or implied, between the Parties to this Agreement. The Parties to this Agreement each acknowledge that no representations, inducements, promises, agreements or warranties, oral or otherwise, have been made by them, or anyone acting on their behalf, which are not embodied in this Agreement; that they have not executed this Agreement in reliance on any representation, inducement, promise, agreements, warranty, fact or circumstances, not expressly set forth in this Agreement; and that no

representation, inducement, promise, agreement or warranty not contained in this Agreement including, but not limited to, any purported settlements, modifications, waivers or terminations of this Agreement, shall be valid or binding, unless executed in writing by all of the Parties to this Agreement. This Agreement may be amended, and any provision herein waived, but only in writing, signed by the Party against whom such an amendment or waiver is sought to be enforced.

22. Arbitration. Nothing in this Agreement shall be construed or deemed to result in a waiver of any right to arbitrate or to compel arbitration as to any claims other than the Released Claims of Eligible Class Members.

23. Counterparts. This Agreement may be executed in counterparts by way of true and correct copies (including .pdf's or other electronic images) of signatures, each of which shall have the same force and effect as an original, and all of which together shall constitute one and the same instrument.
