CLASS ACTION

DECLARATION OF JOHN MACERI

CASE FILED: February 24, 2021

DECLARATION OF JOHN MACERI

I, John Maceri, hereby declare as follows:

1. I am The Chief Executive Office of The People Concern, Defendant in the present action. I have held this position since February 1, 2019. Prior to that date, I was the Executive Director of Ocean Park Community Center, one of the two entities, along with Lamp Community, that merged to form The People Concern on February 1, 2019. I held the position of Executive Director of Lamp Community from August 9, 1999 until I took over as CEO of The People Concern. I consequently have more than two decades of experience with the services provided by this organization and the help it delivers to Los Angeles' most needy community.

2. I have personal knowledge of all the facts stated herein, and if called to testify as a witness, I could and would competently testify to them. I submit this declaration in support of Plaintiffs' motion for preliminary approval of settlement and in support of the cy pres distribution to The People Concern.

3. After reviewing the terms of the proposed settlement, I approve of the settlement for its fairness, adequacy, and reasonableness, as well as for its consideration of the public good. The donation of the remainder of the common fund, after the deduction of claims, fees, and costs, will represent a generous and beneficial gift to The People Concern and the underserved persons whom The People Concern serves.

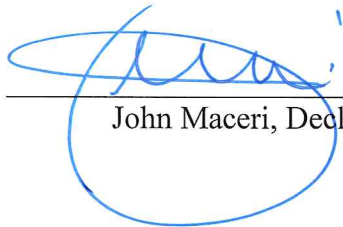

4. Ocean Park Community Center was founded in 1963, and the organization now called The People Concern, is about to celebrate its 60th year in existence. The People Concern's Mission Statement is the following: The People Concern believes no one should have to live on the street or in a violent household. Our staff, volunteers and those we serve work together to address the effects of homelessness, poverty, mental and physical illness, abuse and addiction. Our programs empower the most vulnerable among us to improve their quality of life—housed, healthy and safe—and become active participants in the community. We also work to educate the broader community and improve public policy.

5. The People Concern is a California non-profit corporation and 501(c)(3) tax exempt organization. Donations to The People Concern qualify as charitable contributions under the IRS

1 Code. This document confirms LATLC's 501(c)(3) status and that donations to LATLC qualify as
2 charitable contributions under the IRS Code.

3 6. In connection with this cy pres wage and hour award, The People Concern will
4 allocate 100% of the award to its charitable programs and services. The organization will further
5 monitor those charitable efforts to ensure the cy pres funds are indeed utilized for those earmarked
6 purposes.

7 I declare under penalty of perjury under the laws of the State of California that the
8 foregoing is true and correct, and that this Declaration was executed this 27 day of September
9 2022, at Encino, California.
