The Court confirms the tentative ruling as follows:

1. Motion for Final Approval

2. Status Conference

RULING:

The Motion for Final Approval is GRANTED. The Court appreciates counsel's attention to detail in the moving papers. The Court approves the following distributions:

1. Attorney's fees in the amount of \$133,333.33, or 1/3 of the Gross Settlement Amount. The Court finds the amount to be a reasonable result in light of the quality of the result obtained and the work performed by class counsel. In approving this amount, the Court is not approving the hourly billing rates proposed by class counsel.

2. Litigation costs in the amount of \$17,314.97.

3. Enhancement payment to Plaintiff Ever Revelo in the amount of \$5,000. In making this award, the Court has considered the factors set forth in Golba v. Dick's Sporting Goods, Inc. (2015) 238 Cal.App.4th 1251 and Clark v. Am. Residential Servs. LLC (2009) 175 Cal.App.4th 785.

4. Administration costs in the amount of \$8,500 to ILYM Group, Inc.

5. Payment to the LWDA in the amount of \$15,000 for its share of the PAGA penalties.

A final accounting is set for 02-02-24 at 1:30 pm in Department CX103. Counsel shall submit a final administrator's report at least 14 calendar days prior to that hearing regarding the status of the settlement administration. The final report must include all information necessary for the Court to determine the total amount actually paid to class members and any amounts tendered to the California Unclaimed Property Fund. It should go without saying, but if the remaining funds are not fully disbursed by the report deadline, **counsel must request a continuance.**

Plaintiff shall submit a revised proposed order that conforms in all respects to this order, including the approved disbursements and final accounting. Plaintiff must also to submit a redline showing all changes thereto.

Plaintiff to give notice, including to the LWDA, and file proof of service within five court days.
