46. On or about July 21, 2021, Plaintiff Ahuja filed the *Ahuja* Action in the Superior Court of California, County of Alameda designated as Case No. RG21106403 on behalf of the following class:

- a. All persons who are or have been employed by Defendant as mobile examiners, field technicians, and/or similar positions related to performing mobile exams or similar services, and who were improperly classified as “independent contractors” in California at any time commencing four years prior to the filing of this Complaint, to the final disposition of this case.

1 47. Following exchange and extensive review of relevant documents and class

3 which eventually resulted in a settlement.

4 48. Defendant generally and specifically denies any and all liability or
5 wrongdoing of any sort with regard to any of the claims alleged, makes no concessions

28

1 of the opinion that the Settlement with Defendant is fair, reasonable, and adequate and

12 Plaintiff and Class Counsel will be responsible for correctly characterizing the
13 compensation they receive for tax purposes and for paying any taxes on the amounts
14 received.

15 68. Indemnification: Plaintiff and Class Counsel acknowledge and agree that
16 they are and will be responsible for the payment of any and all Federal, State, and Local
17 taxes or penalties and valid and enforceable liens and encumbrances associated with
18 their respective allocated portions of the payments described herein, and agree to
19 indemnify and hold the Released Parties harmless from any and all claims by any
20 Federal, State, or Local taxing authority, or other entity that Plaintiff or Class Counsel
21 failed to pay or underpaid on their or her or his share of taxes and valid and enforceable
22 liens or encumbrances associated with their payments set forth in this Settlement. The
23 Parties acknowledge and agree that Class Counsel is not responsible for the payment of
24 any Federal, State, and Local taxes or penalties associated with payments to Plaintiff
25 and Class Members.

26 69. Class List: Within thirty (30) calendar days of preliminary approval of this
27 Settlement by the Court, Defendant shall diligently and in good faith compile from its
28

1 records and provide to the Settlement Administrator a database formatted as one or more
2 readable Microsoft Office Excel spreadsheets containing the following information
3 (“Class List”): the full name, last known mailing address to the extent available in
4 Defendant’s business records, full Identification Number (or Social Security Number)
5 of each Class Member and Aggrieved Employee, and the number of Qualified Jobs for
6 each Class Member and Aggrieved Employee.

7 70. Notice by First-Class U.S. Mail:

8 a. The Settlement Administrator shall send a Class Notice to Class Members
9 and Aggrieved Employees by First-Class U.S. mail within fourteen (14) calendar days
10 of receipt of the Class List. Prior to mailing the Class Notice, the Settlement
11 Administrator shall update the addresses of the Class Members and Aggrieved
12 Employees by reference to the National Change of Address Database maintained by the
13 United States Postal Service.

14 b. If a Class Notice is returned as non-deliverable within ten (10) days of
15 initial mailing, with a forwarding address, the Settlement Administrator shall resend the
16 Class Notice to the forwarding address.

17 c. If a Class Notice is returned as non-deliverable within ten (10) days of
18 initial mailing, with no forwarding address, the Settlement Administrator shall conduct
19 a single advanced skip trace to locate the most current address of the person to whom
20 the Class Notice was addressed. The Settlement Administrator shall only conduct one
21 (1) supplemental mailing of a returned Class Notice for each Class Member and/or
22 Aggrieved Employee

23 d. Class Members whose Class Notices are sent a re-mailed Class Notice
24 shall have their original Response Deadline extended by five (5) calendar days.

25 e. Upon completion of these steps, the Parties shall be deemed to have
26 satisfied their obligations to provide the Class Notice to the affected Class Members.

1 71. Settlement Administrator’s Duty to Secure Information: The Settlement
2 Administrator (along with any of its agents) shall represent and warrant that it will: (1)
3 provide reasonable and appropriate administrative, physical and technical safeguards,
4 including a reasonable security protocol, for any personally identifiable information
5 (“PII”), which it receives from Defendant’s Counsel and/or Class Counsel; (2) not
6 disclose the PII to third parties, including agents or subcontractors, without Defendant’s
7 consent; (3) not disclose or otherwise use the PII other than to carry out its duties as set
8 forth herein; and (4) promptly provide Defendant with notice if PII is subject to
9 unauthorized access, use, disclosure, modification, or destruction. The Settlement
10 Administrator may provide notice to both Parties if the PII is subject to unauthorized
11 access, use, disclosure, modification or destruction; however, all additional
12 communications from the Settlement Administrator regarding the scope, circumstances,
13 and substance shall be communicated solely to Defendant.

14 72. Settlement Administrator’s Declaration in Advance of Final Approval:
15 Thirty calendar days prior to the Final Approval hearing, the Settlement Administrator
16 shall provide to Class Counsel and Defendant’s Counsel, a declaration of due diligence
17 and proof of mailing with regard to the mailing of the Class Notices. Class Counsel
18 shall file the declaration concurrently with Plaintiff’s Motion for Final Approval.

19 73. Procedure for Requesting Exclusion from the Class Settlement:

20 a. Any Class Member wishing to be excluded from the Class
21 Settlement must submit a written request for exclusion (“Request for Exclusion”) to the
22 Settlement Administrator, by mail, on or before the Response Deadline. The date of
23 the postmark on the mailing envelope will be the exclusive means to determine whether
24 a Request for Exclusion has been timely submitted. The Request for Exclusion must:
25 (1) contain the case name and number of this Action; (2) state the full name, address,
26 telephone number, and last four digits of the Social Security Number or Employee
27 Identification Number of the Class Member requesting exclusion; (3) clearly state that
28

1 the Class Member does not wish to be included in the Class Settlement; (4) be signed
2 by the Class Member; and (5) be returned by mail to the Settlement Administrator at
3 the specified address, postmarked on or before the Response Deadline. A Class Member
4 who does not submit a timely and valid Request for Exclusion will be deemed a
5 Settlement Class Member and will be bound by the Class Settlement. Aggrieved
6 Employees are bound to the PAGA Settlement; if an Aggrieved Employee is also a
7 Class Member, he or she will still be bound to the PAGA Settlement irrespective of
8 whether he or she opts out of the Class Settlement. Class Members are responsible for
9 maintaining a photocopy of their Request for Exclusion, reflecting that it was submitted
10 in a timely manner. Any disputes regarding the timeliness of a Request for Exclusion
11 or whether a written communication constitutes a valid Request for Exclusion, that
12 cannot be resolved between the Parties, shall be determined by the Court, whose
13 determination shall be final.

14 b. If ten percent (10%) or more of the Class Members opt out of the
15 Class Settlement by submitting valid and timely Requests for Exclusion, Defendant
16 shall have the sole and absolute discretion to rescind/void the Settlement Agreement
17 within fifteen (15) calendar days after receiving from the Settlement Administrator the
18 final list of Requests for Exclusion. In the event that Defendant elects to rescind/void
19 the Settlement Agreement, Defendant shall provide written notice of such rescission to
20 Class Counsel and shall be responsible for all costs associated with the administration
21 of the Settlement up to the date of rescission. Such rescission shall have the same effect
22 as a termination of the Settlement Agreement for failure to satisfy a condition of
23 settlement, and the Settlement Agreement shall become null and void and have no
24 further force or effect. The Parties specifically agree not to solicit opt-outs, directly or
25 indirectly, through any means.

26 74. Procedures for Objecting to the Class Settlement: Class Members who
27 have not opted out of the Class Settlement (i.e., Settlement Class Members) may object
28

1 to the Class Settlement by submitting a written objection (“Objection”) to the
2 Settlement Administrator, by mail, on or before the Response Deadline. The date of
3 the postmark on the mailing envelope will be the exclusive means to determine whether
4 an Objection has been timely submitted. The Objection must: (1) contain the case name
5 and number of the Action; (2) state the full name, address, telephone number, and last
6 four digits of the Social Security Number or Employee Identification Number of the
7 objecting Class Member; (3) include a written statement of all grounds for the
8 objection accompanied by any legal support for such objection; (4) attach copies of
9 any papers, briefs, or other documents upon which the objection is based; (5) be signed
10 by the Class Member; and (6) be returned by mail to the Settlement Administrator at
11 the specified address, postmarked on or before the Response Deadline. At no time shall
12 any of the Parties or their counsel seek to solicit or otherwise encourage Class Members
13 to submit objections to the Settlement or to appeal from the Final Approval Order and
14 Judgment. Class Counsel shall not represent any Class Members with respect to any
15 such objections to the Settlement. Any Class Member who wishes to appear at the Final
16 Approval Hearing and be heard orally in support of, or to present, an objection to the
17 Class Settlement, may do so.

18 75. Dispute Regarding Qualifying Jobs: Class Members and Aggrieved
19 Employees will have an opportunity to dispute the number of Class Qualifying Jobs and
20 PAGA Qualifying Jobs to which they have been credited, as reflected in their respective
21 Class Notices. In order to dispute Class Qualifying Jobs and/or PAGA Qualifying Jobs,
22 Class Members and/or Aggrieved Employees must submit a written letter to the
23 Settlement Administrator (“Qualifying Jobs Dispute”). The Qualifying Jobs Dispute
24 must: (1) contain the case name and number of the Action; (2) be signed by the Class
25 Member; (3) contain the full name, address, telephone number, and the last four digits
26 of the Social Security Number or Employee Identification Number of the disputing
27 Class Member; (4) clearly state that the individual disputes the number of Class
28

1 Qualifying Jobs and/or PAGA Qualifying Jobs credited to him or her and what he or
2 she contends is the correct number(s) to be credited to him or her; (e) include
3 information and/or attach documentation demonstrating that the number of Class
4 Qualifying Jobs and/or PAGA Qualifying Jobs that he or she contends should be
5 credited to him or her are correct; and (f) is returned by mail to the Settlement
6 Administrator at the specified address, postmarked on or before the Response Deadline.
7 The date of the postmark on the mailing envelope on the submission will be the
8 exclusive means to determine whether a dispute has been timely submitted. Absent
9 information and/or documents demonstrating that Defendant's records and data are
10 inaccurate as they pertain to the number of Class Qualifying Jobs and/or PAGA
11 Qualifying Jobs to be credited to a disputing Class Member and/or Aggrieved
12 Employee, Defendant's records will be presumed correct and determinative of the
13 dispute. The Settlement Administrator will evaluate the materials submitted by the
14 Class Member and/or PAGA Employee and the Settlement Administrator will resolve
15 and determine the number of eligible Class Qualifying Jobs and/or PAGA Qualifying
16 Jobs that the disputing Class Member and/or Aggrieved Employee should be credited
17 with under the Settlement. The Settlement Administrator's decision on such disputes
18 will be final and non-appealable.

19 76. Released Class Claims: Upon the Effective Date and full funding of the
20 Gross Settlement Amount, Plaintiff and all Class Members who do not submit a timely
21 and valid Request for Exclusion (i.e., Settlement Class Members) will be deemed to
22 have fully, finally, and forever released, settled, compromised, relinquished, and
23 discharged the Released Parties (as defined above) of all Released Class Claims (as
24 defined above).

25 77. Released PAGA Claims: Upon the Effective Date and full funding of the
26 Gross Settlement Amount, Plaintiff and the PAGA Employees will be deemed to have
27 fully, finally, and forever released, settled, compromised, relinquished and discharged
28

1 the Released Parties of and from any and all Released PAGA Claims. The PAGA
2 Employees will be issued a check for their share of the PAGA Payment and will not
3 have the opportunity to opt out of, or object to, the PAGA Settlement. The PAGA
4 Employees are bound by the PAGA Settlement regardless of whether they cash or
5 deposit their Individual PAGA Payment check, and even if they object or opt out of the
6 Class Settlement. The Parties, including the Class Members, further stipulate and agree
7 that even if any Class Member is considered or determined to be an “aggrieved
8 employee” for purposes of the PAGA, said Class Member waives any potential right to
9 recover any penalty allowed by the PAGA related to the Released Claims during the
10 PAGA Period.

11 78. For settlement purposes only, the Parties agree that the Class as defined in
12 Paragraph 5 herein, and which will run through the date of preliminary approval may
13 be certified in the Action. The Parties are not certifying any PAGA claims. In support
14 of this Agreement, Plaintiff will request that the Court certify for settlement purposes
15 the Class as to all non-PAGA claims that have been asserted, which Defendant shall not
16 oppose or object to. Should this Settlement not be approved, the stipulation to certify a
17 class will be null and void and the Parties will return to their respective positions prior
18 to this Agreement being entered and the matters will return to court and litigation will
19 resume.

20 79. Upon execution of the Settlement Agreement, Class Counsel shall
21 promptly submit the Settlement Agreement to the Court in support of Plaintiff’s Motion
22 for Preliminary Approval and for determination by the Court as to whether the
23 Settlement is within the range of possible judicial approval. Class Counsel will provide
24 Defendant’s counsel with a draft of the motion at least five court days prior to filing.
25 Defendant agrees not to oppose the Motion for Preliminary Approval of the Settlement
26 consistent with the Settlement Agreement. Said motion shall apply to the Court for the
27
28

entry of an order (“Preliminary Approval Order”), which shall be mutually agreed upon by the Parties, seeking the following:

- a. Conditionally certifying the Class for settlement purposes only;
- b. Granting Preliminary Approval of the Settlement;
- c. Preliminarily appointing Plaintiff as a representative of the Class;
- d. Preliminarily appointing Plaintiff’s Counsel as counsel for the Class;
- e. Approving, as to form and content, the mutually-agreed upon and proposed Class Notice, attached hereto as “**Exhibit A**,” and directing the mailing of the Class Notice by first class mail to the Class Members;
- f. Approving the manner and method for Class Members to request exclusion from or object to the Class Settlement as contained herein and within the Class Notice; and
- g. Scheduling a Final Approval Hearing at which the Court will determine whether the Settlement should be finally approved as fair, reasonable, and adequate.

80. The Parties will work cooperatively to mutually agree upon the form and content of the Class Notice, as well as the Proposed Order Granting Preliminary Approval.

81. Other than the Notices of Settlement filed respectively in the Action, Class Representative, Defendant, and their respective counsel will not make any public disclosure of the Settlement. Class Representative, Defendant, and their respective counsel represent that they have not made any such disclosure. Notwithstanding the foregoing, the Parties agree that Defendant may make such disclosures that in Defendant’s judgment are required in the ordinary course of business, except that Defendant and its counsel shall not encourage any Class Members to request exclusion from or object to the Class Settlement. Nor shall Class Representative and Class Counsel encourage Class Members to request exclusion from or object to the Class

1 Settlement. Class Counsel will take all steps necessary to ensure that the Class
2 Representative are aware of, and will encourage them to adhere to, the restriction
3 against any public disclosure of the Settlement. Furthermore, Plaintiff and Class
4 Counsel will undertake any and all disclosures and/or submissions required to be made
5 to the LWDA in conformity with PAGA.

6 82. Limitation on Publicity: The Parties and their counsel agree that they will
7 not issue any press releases, initiate any contact with the press, respond to any press
8 inquiry or have any communication with the press about the facts, amount or terms of
9 the Settlement. In addition, Plaintiff and Class Counsel agree that that they will not
10 engage in any advertising or distribute any marketing materials relating to the
11 Settlement, including but not limited to any postings on any websites maintained by
12 Class Counsel, and agree to limit any statements made about the Settlement to only say
13 that “the action has been resolved.” Within five (5) days after the Court grants
14 preliminary approval of the Settlement, the Settlement Administrator will host a
15 publicly available website to provide information about the settlement process. The
16 contents of the publicly accessible website shall be determined by the Settlement
17 Administrator (with input from Defendant’s counsel and Class Counsel), but shall be
18 limited only to information appropriate for Class Members to understand the settlement,
19 properly obtain notice of the settlement, opt out of or object to the settlement, or submit
20 information to the Settlement Administrator. The Settlement Administrator shall take
21 down the website no later than the date of the Final Approval Order and Judgment. Any
22 communication about the Settlement to Class Members prior to the court approved
23 mailing will be limited to a statement that a settlement has been reached and the details
24 will be communicated in a forthcoming court-approved notice. Plaintiff and Class
25 Counsel are prohibited from discussing the terms or the fact of the Settlement with third
26 parties other than (1) their immediate family members, (2) their respective accountants
27 or lawyers as necessary for tax purposes; or (3) other Class Members until preliminary
28

1 approval of the settlement. However, Class Counsel may refer specifically to this case
2 and settlement in any adequacy of counsel declarations filed in other cases.

3 83. Duties of the Parties Following Final Approval: After the Response
4 Deadline, and with the Court's permission, a Final Approval Hearing will be conducted
5 to determine whether final approval of the Settlement should be granted, along with the
6 amounts properly payable for (a) Individual Settlement Payments; (b) Individual PAGA
7 Payments; (c) LWDA Payment; (d) Attorneys' Fees and Costs; (e) Incentive Award;
8 and (f) Settlement Administration Costs. The Final Approval Hearing will not be held
9 earlier than forty-five (45) calendar days after the Response Deadline. Plaintiff and
10 Class Counsel will be responsible for drafting the motion seeking final approval of the
11 Settlement. Class Counsel will provide Defendant's Counsel a draft of the motion at
12 least five court days prior to filing it. By way of said motion, Plaintiff will apply for
13 the entry of the mutually-agreed upon proposed order and judgment ("Final Approval
14 Order and Judgment"), which will provide for, in substantial part, the following:

- 15 a. Approving the Settlement, adjudging the terms thereof to be fair,
16 reasonable and adequate, and directing consummation of its terms and
17 provisions;
- 18 b. Certification of the Settlement Class;
- 19 c. Approval of the application for Attorneys' Fees and Costs to Class
20 Counsel;
- 21 d. Approval of the application for Incentive Award to the Class
22 Representative;
- 23 e. Directing Defendant to fund all amounts due under the Settlement
24 Agreement; and
- 25 f. Entering judgment in the Action while maintaining continuing
26 jurisdiction, in conformity with California Rules of Court 3.769 and the
27 Settlement Agreement.
28

1 84. Voiding of Agreement if Settlement Not Finalized: Subject to the
2 obligations of mutual full cooperation set forth herein, either Plaintiff or Defendant may
3 terminate the Settlement if after submitting the Settlement for approval to the Court, the
4 Court denies the preliminary approval order (without providing the parties an
5 opportunity to submit supplemental and/or amended paperwork), the final approval
6 order, or judgment in substantially the form submitted by the Parties, or if the Settlement
7 conditions referenced in Paragraph 56(a) are not satisfied, if Defendant exercises its
8 option to void the Settlement Agreement in accordance with Paragraph 73(b), or if the
9 Settlement Agreement as agreed does not become final because of appellate court
10 action. In the event of termination, the terminating Party shall give to the other Party
11 (through its counsel) written notice of its decision to terminate no later than ten (10)
12 calendar days after receiving notice that one of the enumerated events has occurred.
13 Termination shall have the following effects:

14 (a) The Settlement shall be terminated and shall have no force or effect, and
15 no Party shall be bound by any of its terms;

16 (b) In the event the Settlement Agreement is terminated, Defendant shall have
17 no obligation to make any payments to any Party, Settlement Class Member, PAGA
18 Employee or Class Counsel, except that the terminating Party shall pay the Settlement
19 Administrator for services rendered up to the date the Settlement Administrator is
20 notified that the Settlement has been terminated;

21 (c) The Preliminary Approval Order, Final Approval Order and Judgment
22 shall be vacated;

23 (d) The Settlement Agreement and all negotiations, statements, and
24 proceedings relating thereto shall be without prejudice to the rights of any of the Parties,
25 all of whom shall be restored to their respective positions prior to the execution of the
26 Settlement Agreement;

1 (e) Except as otherwise discoverable, neither the Settlement nor any ancillary
2 documents, Action, statements or filings in furtherance of Settlement (including all
3 matters associated with the mediation) shall be admissible or offered into evidence in
4 the Action or any other action for any purpose whatsoever.

5 85. Parties' Authority: The signatories hereto hereby represent and warrant
6 that they have the full authority to sign on behalf of their designated parties, enter into
7 the Settlement Agreement, and bind the Parties hereto to the terms and conditions
8 thereof.

9 86. Mutual Full Cooperation: The Parties agree to fully cooperate with each
10 other to accomplish the terms of the Settlement Agreement, including, but not limited
11 to, execution of such documents and taking of such action as reasonably may be
12 necessary to implement the terms of the Settlement. The Parties shall use their best
13 efforts, including all efforts contemplated by the Settlement and any other efforts that
14 may become necessary by order of the Court, or otherwise, to effectuate the Settlement
15 and the terms set forth herein. As soon as practicable after execution of the Settlement
16 Agreement, Class Counsel shall take all necessary steps to secure the Court's final
17 approval of the Settlement.

18 87. The Parties and their respective counsel agree that they will not attempt to
19 encourage or discourage Class Members from filing Requests for Exclusion.

20 88. No Prior Assignments: The Parties and their respective counsel represent,
21 covenant and warrant that they have not, directly or indirectly, assigned, transferred,
22 encumbered or purported to assign, transfer or encumber to any person or entity any
23 portion of any liability, claim, demand, action, cause of action or right herein released
24 and discharged except as set forth herein.

25 89. No Admission: Defendant makes no admission of liability or wrongdoing
26 by virtue of entering into this Agreement. Additionally, Defendant reserves the right to
27 contest any issues relating to class certification and liability if the Settlement is not
28

1 approved. Defendant denies that it has engaged in any unlawful activity, has failed to
2 comply with the law in any respect, has any liability to anyone under the claims asserted
3 in the Action, or that but for the Settlement, a Class should be certified in the Action.
4 This Agreement is entered into solely for the purpose of compromising highly disputed
5 claims. Nothing in this Stipulation is intended or will be construed as an admission by
6 Defendant of liability or wrongdoing. This Settlement and the Parties' willingness to
7 settle the Action will have no bearing on, and will not be admissible in connection with,
8 any litigation (other than solely in connection with this Stipulation). Notice packets and
9 other evidence produced or created by the Parties in connection with the Settlement
10 procedure do not constitute, are not intended to constitute, and will not be deemed to
11 constitute, an admission by Defendant of any violation of any federal, state, or local
12 law, statute, ordinance, regulation, rule or executive order, or any obligation or duty at
13 law or in equity.

14 90. Continued Jurisdiction: The Parties will jointly request that after entry of
15 judgment pursuant to the Settlement, the Court retain jurisdiction pursuant to Rule
16 3.769 of the California Rules of Court and California Code of Civil Procedure § 664.6,
17 for purposes of addressing: (a) the interpretation and enforcement of the terms of this
18 Settlement; (b) settlement administration matters; and (c) such post-judgment matters
19 as may be appropriate under court rules or as set forth in the Settlement Agreement.

20 91. Breach: In the event of a breach of this Settlement, the non-breaching Party
21 shall provide notice to the breaching party and request that the breaching party cure any
22 alleged breach. If the breach is not cured within thirty (30) calendar days of said notice,
23 the non-breaching party may pursue legal action or other proceeding against any other
24 breaching party or parties to enforce the provisions of the Settlement Agreement or to
25 declare rights or obligations under the Settlement Agreement. In the event of such
26 enforcement Action, the successful party or parties shall be entitled to recover from the
27 unsuccessful party or parties' reasonable attorneys' fees and costs, including expert
28

1 witness fees incurred in connection with any enforcement actions. All such disputes
2 shall be resolved by the Court.

3 92. Notices: Unless otherwise specifically provided herein, all notices,
4 demands or other communications provided concerning the Settlement shall be in
5 writing and delivered by overnight mail at the addresses set forth below, or such other
6 address as either Party may designate in writing from time to time:

22 93. Construction: The Parties hereto agree that the terms and conditions of the
23 Settlement are the result of lengthy, intensive arms-length negotiations between the
24 Parties, and the Settlement Agreement shall not be construed in favor of or against any
25 party by reason of the extent to which any Party or their counsel participated in the
26 drafting of the Settlement Agreement.

27 94. Captions and Interpretations: The captions and paragraph numbers or titles
28 contained herein are inserted as a matter of convenience and for reference, and in no
way define, limit, extend or describe the scope of the Settlement Agreement or any

1 provision of it. Each term of the Settlement Agreement is contractual and not merely a
2 recital.

3 95. Modification: The Settlement Agreement may not be changed, altered or
4 modified, except in writing and signed by the Parties hereto and approved by the Court.
5 The Settlement Agreement may not be discharged except by performance in accordance
6 with its terms or by a writing signed by the Parties hereto and subject to Court approval.

7 96. Construing Provisions: The Parties agree not to challenge this Agreement
8 as illegal, invalid, or unenforceable. If any provisions of this Agreement is determined
9 to be invalid or unenforceable, that provision shall be severed from this Agreement and
10 all of the other provisions shall remain valid and enforceable notwithstanding the
11 severing of the unenforceable portion, unless the provision found to be unenforceable
12 is of such material effect that this Agreement cannot be performed in accordance with
13 the intent of the Parties in the absence of that provision.

14 97. Invalidity of Any Provision: Before declaring any provision of this
15 Settlement Agreement invalid, the Court will first attempt to construe the provision as
16 valid to the fullest extent possible consistent with applicable precedents so as to define
17 all provisions of this Settlement Agreement valid and enforceable.

18 98. Integration Clause: The Settlement Agreement and the Exhibits attached
19 hereto and incorporated herein by reference, contain the entire agreement between the
20 Parties relating to the Settlement and transaction contemplated hereby, and all prior or
21 contemporaneous agreements, understandings, representations and statements, whether
22 oral or written and whether by a Party or such Party's legal counsel, are merged herein.
23 No rights hereunder may be waived except in writing and subject to Court approval.

24 99. Liens: Named Plaintiff and Class Counsel warrant and represent that there
25 are no liens on the Agreement. Defendant will not have any obligation to pay any
26 amounts additional to those which Defendant is obligated to pay under the Settlement.
27 The obligation of Defendant to satisfy all amounts the Court directs to be paid under
28

1 the Settlement is complete when the amount due is deposited into the settlement account
2 established by the Settlement Administrator to fund the settlement. It is not the
3 obligation of Defendant to allocate any fees amongst any counsel or to ensure the
4 satisfaction of any purported lien.

5 100. Binding on Successors and Assigns: The Settlement shall be binding upon
6 and inure to the benefit of the Parties hereto and their respective heirs, trustees,
7 executors, administrators, successors and assigns.

8 101. Interim Stay of Proceedings: The Parties agree to stay and hold all
9 proceedings in the Action in abeyance, except such proceedings necessary to implement
10 and complete the Settlement, pending the Final Approval Hearing to be conducted by
11 the Court.

12 102. Defense: To the extent permitted by law, the Settlement may be pleaded
13 as a full and complete defense to, and may be used as the basis for an injunction against,
14 any action, suit, or other proceedings that may be instituted, prosecuted, or attempted
15 with respect to the Released Claims in breach of or contrary to the Settlement.

16 103. Privacy of Documents and Information: Plaintiff and Class Counsel agree
17 that they will destroy all confidential documents and information provided to them by
18 Defendant within thirty (30) days of the Effective Date, except for documents that must
19 be saved for malpractice purposes or ethical rules governing attorney conduct in
20 California and the United States. Plaintiff and Class Counsel further agree that none of
21 the documents and information provided to them by Defendant shall be used for any
22 purpose other than prosecution of the Action or the defense or prosecution of a
23 malpractice action or defense of any state bar complaint.

24 104. Signatories: It is agreed that because the Class Members are so numerous,
25 it is impossible or impractical to have each member execute the Settlement Agreement.
26 The Class Notice will advise all Class Members and PAGA Employees of the binding
27
28

1 nature of the release of claims, and the release shall have the same force and effect as if
2 the Settlement Agreement were executed by each member.

3 105. Execution and Counterparts: The Settlement Agreement may be executed
4 in counterparts and by facsimile and/or electronic signatures, and when each party has
5 signed and delivered at least one such counterpart, each counterpart shall be deemed an
6 original and, when taken together with other signed counterparts, shall constitute one
7 Settlement Agreement binding upon and effective as to all Parties.

8 106. Plaintiff's Waiver of Right to Be Excluded and Object: By signing this
9 Agreement, Plaintiff is bound by the terms herein stated and further agrees not to request
10 to be excluded from the Settlement and agrees not to object to any of the terms of this
11 Agreement. Any such request for exclusion or objection shall therefore be void and of

Exhibit A

A COURT AUTHORIZED LEGAL NOTICE

Ahuja v. IMS - Insurance Medical Services, Inc., et al.
Alameda Superior Court, Case No.: RG21106403

If you were engaged by IMS - Insurance Medical Services, Inc. in California, as an independent contractor from July 22, 2017 until [PA DATE], this class action settlement will affect your rights

- Richa Ahuja(“Plaintiff”), on behalf of herself and all other similarly situated individuals, has sued IMS - Insurance Medical Services, Inc. (“IMS”) to recover unpaid wages because she claims IMS misclassified her and other individuals as independent contractors instead of employees during the period from July 22, 2017 to [PA DATE] (“Lawsuit”).
- These claims have been settled and the Court has preliminarily approved the settlement.
- The Settlement provides for \$75,000 to resolve this Lawsuit and all claims for the period from July 22, 2017 to [PA DATE] (Class Period).
- If you qualify as a Class Member, you could receive money from the settlement.
- Your legal rights are affected whether you act or don’t act. Read this Notice carefully.

YOUR LEGAL RIGHTS AND OPTIONS IN THIS SETTLEMENT	
DO NOTHING	You will receive your share of the settlement and you will give up any rights to sue for the Released Claims (defined below).
DISPUTE THE AMOUNT OF COMPENSATION STATED IN THIS NOTICE	If you believe the amount of compensation earned by you during the Class Period, as listed in this Notice, is not accurate, you may submit your own records to dispute your compensation earned. Once your compensation dispute is resolved, you will receive a settlement share and will give up any rights to sue for the Released Claims.
EXCLUDE YOURSELF	Waive all rights, including money, from the settlement, except you will still be subject to the release in relation to PAGA claims. You would retain all rights you may have against IMS, as explained below.
OBJECT	Tell or write to the Court about why you don’t agree with the settlement. The Court may or may not agree with your objection. If the court overrules your objection, you will still receive your share of the settlement and be bound by its terms.

HOW MUCH CAN I GET?	Look at Section 8 of this Notice.
--------------------------------	-----------------------------------

- Your rights and options – and the deadlines to exercise them – are explained in this Notice.
- The Court in charge of this case still must decide whether to finally approve the settlement. Payments will be made if the Court gives the settlement final approval and after any appeals are resolved.

1. Why Did I Get This Notice?

You are not being sued. Plaintiff sued IMS in a class and representative action on behalf of similarly situated individuals like you.

IMSS' records show that you were engaged by IMS in California at some point **from July 22, 2017 to [PA DATE]**, and you were classified as an independent contractor.

You received this Notice because you have a right to know about a proposed settlement of a class action lawsuit and about your options, before the Court decides whether to provide final approval of this settlement. If the Court provides final approval of the settlement, and after any objections and appeals are resolved, a Settlement Administrator appointed by the Court will make the payments that the settlement allows.

This Notice explains the Lawsuit, the settlement, your legal rights, what benefits are available, who is eligible for them and how to get them.

2. What Is This Lawsuit About?

Plaintiff Ahuja sought to represent in this class action, individuals who are or have been engaged by IMS as mobile examiners, field technicians, and/or similar positions related to performing mobile exams and who were classified as “independent contractors” in California at any time **from July 22, 2017 to [PA DATE]** (“Class”). Plaintiff also sought to represent these same individuals as “aggrieved employees” under the Private Attorney’s General Act (“PAGA”). The Court has preliminarily approved Plaintiff Ahuja to represent the Class.

The lawsuit alleges that IMS violated California’s labor laws by failing to (1) minimum wage for all hours worked; (2) reimburse work-related expenses (2) provide accurate itemized wage statements; (4) pay all wages earned upon separation. The lawsuit also seeks

penalties pursuant to Labor Code § 2699 (PAGA).

IMS denies any liability whatsoever and denies that wages, compensation, damages, or penalties are owed, or that it acted contrary to California or federal law.

3. Do I Need to Hire an Attorney?

You do not need to hire your own attorney. You are already represented by Class Counsel (see Section 16 for contact information). However, you may hire your own attorney at your own expense if you choose to do so.

4. What Is IMS' Position?

IMS denies and continues to deny each of the claims and contentions. IMS has concluded that any further defense of this litigation would be protracted and expensive for all Parties. IMS has already spent substantial amounts of time, energy and resources defending this case and, unless this settlement is agreed to, will have to continue to devote time, energy and resources to the defense of the claims asserted by the Plaintiff and the Class. IMS has also considered the risks of further litigation in reaching its decision. IMS has therefore, agreed to settle in the manner and upon the terms set forth in the Settlement Agreement to put to rest the claims as set forth in the Action.

5. Why Is There a Settlement?

The Court did not decide in favor of Plaintiff or IMS. After a thorough investigation into the facts of this lawsuit, both sides agreed to a settlement. The class claims were settled because Class Counsel and Plaintiff believe that the amount of the settlement is fair and reasonable in light of the strength and weaknesses of the claims and other factors.

6. How Do I Know If I Am Part of the Settlement?

You are a member of the Class if you were engaged by IMS as a mobile examiner, field technician, and/or similar positions related to performing mobile exams in California and were classified as independent contractor at any time **from July 22, 2017 to [PA DATE]**.

7. What Does the Settlement Provide?

Class Members who do not timely submit a signed and valid request for exclusion will receive a payment from the Net Settlement Amount. The Net Settlement Amount is the portion of the Class Settlement available for distribution to Class Members who do not

timely submit a signed and valid request for exclusion after deduction of the Court-approved Class Representative Incentive Payment, Class Counsel's Attorneys' Fees and Costs, Settlement Administration Costs, and the State of California's portion of the PAGA Payment.

The Settlement provides for \$75,000 to resolve this Lawsuit. Class Counsel will ask the Court to award attorneys' fees in the amount of up to \$25,000, which represents thirty-three and one third of the Class Settlement Amount, and litigation costs in the amount of up to \$3,000 from the Class Settlement Amount. In addition, Class Counsel will ask the Court to authorize a Representative Incentive Payment from the Class Settlement Amount in the amount of \$7,500 to Plaintiff Richa Ahuja to compensate for the risks, time and expense of Plaintiff's involvement in this Action. This payment is in addition to whatever payment named Plaintiff is otherwise entitled to as a Class Member. The Settlement Administrator will also be reimbursed for the expense of notifying the Class Members of the settlement, processing claims and requests for exclusions submitted by Class Members and distributing Individual Settlement Payments. Settlement Administration Costs are estimated at \$4,000. Finally, Class Counsel will ask the Court to approve a PAGA Payment in the amount of \$6,000 for claims under the Private Attorneys General Act of 2004, Labor Code §§ 2698, *et seq.*, of which \$4,500 will be awarded to the State of California Labor and Workforce Development Agency, and \$1,500 will be awarded to PAGA Members.

8. What Can I Get From the Settlement?

IMS's records indicate that you performed approximately _____ **jobs for IMS between from July 22, 2017 to [PA DATE].**

Based on these records, your estimated payment would be \$____. **The actual amount of any payment may vary.**

Class Members who do not opt-out will be paid out of the Net Settlement Amount. If you do not timely submit a valid request for exclusion by the Response Deadline, you will receive your share of the Net Settlement Amount after the Court approves the settlement.

9. How Was My Share Calculated?

Your share of the Net Settlement Amount will be proportionally based on the number of jobs you performed during the Class Period. Specifically, the Settlement Administrator will use the information provided by IMS to calculate the total number of jobs performed by you ("Individual Compensation earned") and the total number of all jobs performed by all Class Members ("Class Compensation earned") during the Class Period. To determine each Class

Member's Individual Settlement Payment, the Settlement Administrator used the following formula: Individual Settlement Payment = (Individual Jobs Performed ÷ Class Jobs Performed) × Net Settlement Amount.

10. How Can I Get Payment?

You do not need to take any action to qualify for payment. However, if you dispute the number of compensation earned to which you have been credited, as provided in this Notice, or the amount of your Individual Settlement Payment, you must contact the Settlement Administrator to register your dispute. You must mail or fax the Settlement Administrator with the details of your dispute and documentary evidence (for example, your invoices). The deadline for this is [DATE - 60 days after mailing]. If you do nothing, you will receive your Individual Settlement Payment and be bound by the terms of the settlement (including the Released Claims described in Section 12 below).

California law protects Class Members from retaliation based on their decision to participate in a class action settlement.

11. When Would I Get My Payment?

If the Court approves the settlement, your settlement share will be mailed to you. The check is estimated to be mailed approximately 85 days from the date of final judgment unless there are objections, appeals, or other challenges to the final judgment. It is always uncertain when these issues can be resolved and resolving them can take time.

12. What Rights Do I Give Up If I Participate or Do Nothing?

Unless you exclude yourself, you will remain a Class Member, and you will be bound by the terms of the settlement, including releasing the Released Claims described below. That means that you will be unable to sue, or to continue to sue, or be part of any other lawsuit about the Released Claims. It also means that all of the Court's orders will apply to you and legally bind you.

Released Claims

As of the date of the Order Granting Final Approval, Class Members will release any and all claims contained in the Action and/or the PAGA Letter (including any subsequently amended complaints or letters), for work performed during the Class Period, including, but not limited to, claims for: (1) failure to pay minimum wage for all hours worked (Cal. Lab. Code §§ 1194, 226.2, 1197.1, 2699 and the applicable Wage Order); (2) failure to reimburse

work-related expenses (Cal. Lab. Code §2802, and 2699 and the applicable Wage Order); (3) failure to provide accurate itemized wage statements (Cal. Lab. Code §§ 226, 226.3, and 2699 and the applicable Wage Order, Sections 7); (4) claim for unlawful deductions (Cal. Lab. Code §§ 221-224, 225.5, and 2699 and the applicable Wage Order, Sections 8); (5) failure to pay earned wages upon discharge - waiting time penalties (Cal. Lab. Code §§201-203, and 2699); ((6) PAGA Claim release is below); (7) Willful Misclassification as Independent Contractors (Cal. Lab. Code § 226.8 (a-c); (8) unfair competition related to any or all of the foregoing; (9) potential claims reasonably arising out of or reasonably relating to the same set of operative facts and/or factual allegations pled therein; (10) any unpaid wages or compensation related to any or all of the foregoing, which are based on the facts alleged in the Actions; (11) restitution related to any or all of the foregoing which are based on the facts alleged in the Actions; and (12) any penalties, including statutory or civil penalties, related to any or all of the foregoing.

As of the date of the Order Granting Final Approval, Class Members will release any and all PAGA claims for work performed from March 30, 2020 through the date of [PA DATE]. Released PAGA Claims shall mean all claims for civil penalties under the Private Attorneys General Act, California Labor Code section 2698, et. seq. (and any related interest, attorneys' fees, and/or costs), that were asserted or that could have been asserted any and/or all of the complaints in in the Action and/or the PAGA Letter (including any subsequently amended complaints or letters), arising out of or related to services to or work performed for IMS from March 30, 2020 through the date of [PA DATE]. The PAGA Employees will be issued a check for their share of the PAGA Payment and will not have the opportunity to opt out of, or object to, the PAGA Settlement. The PAGA Employees are bound by the PAGA Settlement regardless of whether they cash or deposit their Individual PAGA Payment check, and even if they object or opt out of the Class Settlement. The Parties, including the Class Members, further stipulate and agree that even if any Class Member is considered or determined to be an "aggrieved employee" for purposes of the PAGA, said Class Member waives any potential right to recover any penalty allowed by the PAGA related to the released claims from March 30, 2020 through the date of [PA DATE].

13. How Do I Exclude Myself from the Settlement?

If you do not wish to participate in the settlement, you may exclude yourself ("opt out") by submitting a written opt-out request to the Settlement Administrator.

In order to opt-out, you must mail a written signed statement that (1) contain the case name and number of this Lawsuit; (2) state your full name, address, telephone number, and last four digits of the Social Security Number or Employee Identification Number; (3) clearly state that you do not wish to be included in the Class Settlement; (4) be signed by you; and

(5) be returned by mail to the Settlement Administrator at the specified address, postmarked no later than [DATE3} (60 days after first mailing of Notice) (“Response Deadline”).

You must sign the request for exclusion personally and may not have someone sign for you (including an attorney), nor may you submit a request for exclusion on behalf anyone else, or jointly with anyone else. Your request for exclusion must be signed and returned via fax or mail, and postmarked no later than the Response Deadline to:

Claims Admin Name
Claims Admin Address

If you submit a timely and valid request for exclusion, then upon its receipt (1) you shall no longer be a member of the Class, (2) you will not receive any portion of the settlement, except for the portion of the settlement relating to PAGA, (3) you may not object, and (4) you shall receive no benefits from the settlement, except for the portion of the settlement relating to PAGA. If you wish, you may pursue, at your own expense, any claims you may have against IMS. If you do not submit a complete and timely written request for exclusion, you will be included in the Class, and be bound by the terms of the settlement (including the Released Claims described in Section 12 herein).

Do not submit both an objection and request for exclusion. If you submit both, the request for exclusion will be valid, you will be excluded from the Class, and your objection will not be considered by the Court.

Regardless of whether you request to be excluded from the Settlement, you shall be deemed to have, and by operation of the Judgment shall have, fully, finally, and forever released, relinquished and discharged all PAGA claims against IMS and the released parties.

14. When Is the Final Approval and Fairness Hearing?

On _____ at _____ a.m./p.m., or such other, later date as the Court may authorize, the Court will hold a Final Approval Hearing in Department 23 of Alameda Superior Court at 1225 Fallon Street, Oakland, CA 94612, to determine whether the settlement is fair, reasonable, and adequate; and if there are objections, the Court will consider them. The Court will also be asked to approve named Plaintiff’s Class Representative Incentive Payment, Class Counsel’s request for Attorneys’ Fees and Costs, the Settlement Administration Costs, and the PAGA Payment.

The hearing may be continued without further notice to Class Members. It is not necessary for you to appear at this hearing unless you have timely filed an objection or notice of

intention to appear with the Court. Notice of the Settlement documents and the final judgment will be posted on the Settlement Administrator's website at www.XXXX.com.

15. How Do I Object to the Settlement and Appear at the Final Approval and Fairness Hearing?

You may object to the terms of the settlement before the Final Approval Hearing. You can ask the Court to deny approval by filing an objection. You cannot ask the Court to order a larger settlement; the Court can only approve or deny the settlement. If the Court denies approval, no settlement payments will be sent out and the lawsuit will continue. If that is what you want to happen, you must object. You may do so by objecting to the terms of the settlement either by mail in writing or orally in person at the Final Approval Hearing. However, if the Court rejects your objection, you will still be bound by the terms of the settlement.

To object in writing, you must mail a written objection to the Settlement Administrator (at the address in Section 13 herein). Any written objection must contain (1) the case name and number of the Lawsuit; (2) your full name, address, telephone number, and last four digits of the Social Security Number or Employee Identification Number; (3) a written statement of all grounds for the objection accompanied by any legal support for such objection; (4) attach copies of any papers, briefs, or other documents upon which the objection is based; (5) be signed by you. To be valid and effective, any objections to approval of the settlement must be postmarked no later than the Response Deadline of **[DATE: 60 days from mailing]**.

DO NOT TELEPHONE THE COURT.

You may also object to the Settlement orally by appearing in person at the Fairness Hearing. If you intend to appear and be heard at the Fairness Hearing, you shall be required to state your full name, specific reason(s) for the objection; and if applicable, present any and all evidence in connection with their objections.

You do not have to attend the hearing, but you may do so at your own expense. If you send an objection, you do not have to come to Court to talk about it. As long as you mailed your written objection on time, the Court will consider it. You may also pay your own lawyer to attend, but it is not necessary.

If the Court approves the settlement despite any objections, you will receive your settlement proceeds and will be bound by the terms of the settlement (including the Released Claims described in section 12 herein).

16. How Do I Get Additional Information?

The above is a summary of the basic terms of the settlement. For the precise terms and conditions of the settlement, you should consult the detailed Stipulation And Settlement Of Class And Representative Action (“Settlement Agreement”) between Plaintiff and IMS, which is posted on the Settlement Administrator’s website at www.XXXX.com.

You may also refer to the pleadings, the Stipulation and Settlement, and other papers filed in the Action, which may be inspected at the Office of the Clerk for the Superior Court of California, County of Alameda, located at 1225 Fallon Street, Oakland, CA 94612, during the Court’s business hours.
