Reservation No. 100492

DECLARATION OF GRISELDA RAZON

I, Griselda Razon, respectfully declare as follows:

1. I am an adult over the age of 18 years and the named Plaintiff in the action
entitled Griselda Razon v. Top N Catering, San Diego Superior Court Case No. 37-2021-
00023578-CU-OE-CTL.

2. The statements made in this declaration are based on my personal knowledge
and, if called as a witness, I could and would competently testify thereto under oath.

1 I make this declaration in support of the Parties' Joint Stipulation of Settlement and Release
2 ("Settlement").

3 3. I worked for Defendant Top N Catering, LLC ("Defendant") as an hourly, non-
4 exempt employee from approximately July 2018 through August 2020, as a food
5 packer/preparer.

6 4. Typically, I worked from 4:00 a.m. to 12:30 p.m. My lunch period was always
7 scheduled for 11:00 a.m. I was not allowed to take two 10-minute rest breaks during my shift.
8 I was never paid a one-hour wage premium for my late lunch or denied rest periods.

9 5. My claims are typical of the Settlement Class because I worked as an hourly,
10 non-exempt employee of Defendant, worked under the same policies and procedures as the rest
11 of the Settlement Class, and was paid under the same compensation scheme as other Settlement
12 Class Members who were employed by Defendant.

13 6. I understand that as a class representative in this action, I have a fiduciary duty
14 to the Class. My duties as a class representative were explained to me by my attorneys. I
15 understand and accept my fiduciary duties to the Class.

16 7. I understand that in representing the interests of the Class, I must consider their
17 interests above my own interests in this case.

18 8. I understand that I must actively participate in this lawsuit as necessary or
19 required, including responding to discovery and giving deposition and trial testimony.

20 9. I understand that I must oversee the progress of this case on behalf of the Class,
21 regularly communicate with my attorneys, keep myself updated about the progress of this case,
22 pass on information to and answer questions from class members, inform my attorneys of any
23 new developments or information relevant to the lawsuit, and participate in decisions related to
24 the lawsuit.

25 10. I am committed to championing the claims and rights of the Class that
26 Defendant violated, and will continue to stand up for the best interest of the Class. In acting as a
27 class representative, I have always acted in the best interest of the Class, and have not placed
28 my own personal interest above the interests of the Class.

1 11. I am familiar with the work that has been done in litigating this lawsuit and have
2 kept myself informed about the discovery and settlement negotiations conducted in this case,
3 and have actively participated in all stages of the case.

4 12. I believe that the requested Class Representative Enhancement award of
5 \$8,000.00 is fair and reasonable in light of the time I have spent on this case, and the risk I
6 assume in acting as a class representative. In acting as a class representative, I have adequately
7 and fairly represented the Class, and have spent numerous hours working on this lawsuit.
8 Specifically, I have: (1) had numerous meetings with my attorneys, Rastegar Law Group, in
9 person and telephonically, before, during and after the filing and settlement of this lawsuit; (2)
10 provided my attorneys with information and documentation regarding my wage claims; (3)
11 informed my attorneys of other employees who experienced the same wage and hour violations
12 I did; (4) assisted my attorneys in preparing for the mediation in this action and discussed
13 issues related to the potential settlement of this action; (5) participated in the mediation in this
14 matter; (6) provided information to assist in settlement negotiations; and (7) approved the
15 Settlement that was ultimately achieved.

16 13. I will continue to actively participate in this matter until it is finalized. I will
17 continue to oversee progress of this case on behalf of myself and the other class members by
18 regularly communicating with my attorneys and keeping updated about the progress of the case,
19 to pass on information to and answer questions from class members, to inform my attorneys of
20 any new developments or other information relevant to the suit, and to participate in decisions
21 considering the handling of the suit.

14. I believe that the Settlement obtained on behalf of the Class is fair and reasonable in light of the issues presented by this case. I therefore request that the Court grant approval of the Settlement.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

Executed on December 22, 2025 at, San Diego, California.
