documents, identifying potential witnesses, and also describing policies, practices, and procedures of Citrus Motors.

5. I spent about 4 hours reviewing the settlement agreement and approximately 3 additional hours asking questions and discussing the potential settlement with my attorneys before signing the settlement agreement.

6. I believe that I have done everything that my attorneys have asked of me and tried, to the best of my ability, to seek relief for the aggrieved employees and the State of California. I think my efforts helped to get the result obtained in this case.

7. I respectfully request that the Court approve and award me a general release fee in the amount of \$10,000.00 for my efforts and active participation in the case and broader release of claims. Taking into consideration the time that I dedicated to this case, I believe that this amount is reasonable.

8. I am not related to anyone associated with Lawyers *for* Justice, PC or Aegis Law Firm, PC.

9. I have not entered into any undisclosed agreements, nor have I received any undisclosed compensation in this case. The only compensation I will receive is a general release fee, if approved by the Court, as well as my share of the settlement as an aggrieved employee.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

Executed this ^{06/15/2022} ____ day of June 2022, at San Bernardino, California.
