Attorneys for Plaintiffs and the Class

1 **TO ALL PARTIES AND THEIR ATTORNEYS OF RECORD:**

2 **PLEASE TAKE NOTICE** that on March 19, 2025 at 9:00 a.m., or as soon thereafter as
3 the matter may be heard in Department 1 of the Superior Court of the State of California, County
4 of Butte, located at 1775 Concord Avenue, Chico, CA 95928, Plaintiffs Andrea Brazell, Nichole
5 Smith, and Susana Carrillo (collectively, “Plaintiffs”) will seek an Order: (1) preliminarily
6 approving the Stipulation of Resolution (“Settlement Agreement” or “Settlement”); (2)
7 conditionally certifying the following Class for settlement purposes only: all past and present non-
8 exempt California employees who worked for Defendant at any time during the Settlement Period
9 (March 15, 2018, through December 31, 2024); (3) appointing Plaintiffs as the Class
10 Representatives, and Larry W. Lee and Mai Tulyathan of Diversity Law Group, P.C., Edward W.
11 Choi of Law Offices of Choi & Associates, and Dennis Hyun of Hyun Legal, APC as Class
12 Counsel; (4) preliminarily approving the Settlement Agreement and the Settlement Amount of
13 \$3,250,000.00; (5) finding on a preliminary basis that the Settlement Agreement appears to be
14 within the range of reasonableness of a settlement, including the amount of the Class
15 Representatives’ Enhancement Payments, Class Counsel’s fees and costs, the settlement
16 administration fees, and the allocation of payments to Class Members, that could ultimately be
17 given final approval by this Court; (6) approving the Notice of Proposed Class Action Settlement
18 (“Class Notice”) to be sent to Class Members, which is attached as Exhibit A to the Settlement
19 Agreement; (7) approving the distribution of the Class Notice to Class Members substantially in
20 the manner and form set forth in the Settlement Agreement; (8) appointing Phoenix Settlement
21 Administrators as the Settlement Administrator; and (9) setting the matter for a Final Fairness and
22 Final Approval hearing.

23 This Motion is made pursuant to Rule 3.769 of the California Rules of Court, which
24 provides for court approval of the settlement of a purported class action and allows the Court to
25 preliminarily certify a class for settlement purposes.

26 The basis for this Motion, filed without any opposition from Defendant Oroville Hospital,
27 is that the proposed settlement is fair, adequate, and reasonable and the procedures proposed by
28 the Parties are adequate to ensure the opportunity of class members to participate in, opt-out of, or

1 object to the settlement.

2 This Motion will be based on the attached Memorandum of Points and Authorities, the
3 Settlement Agreement, the proposed Class Notice, and the supporting Declarations of Edward W.
4 Choi, Larry W. Lee, Dennis Hyun, and Plaintiffs, and upon the oral arguments of counsel (should
5 there be any) and on the complete records and file herein.

1 **MEMORANDUM OF POINTS AND AUTHORITIES**

2 **I. INTRODUCTION**

3 On March 11, 2021, Plaintiff Andrea Brazell (“Brazell”) filed a Class Action Complaint
4 against Defendant Oroville Hospital (“Defendant”) alleging (1) Violation of Labor Code § 226; (2)
5 Violation of Labor Code §§ 201-203, 226.7 and 512; and (3) Violation of Business and Professions
6 Code § 17200, *et seq.* (Declaration of Edward W. Choi (“Choi Decl.”) ¶ 2).

7 On April 21, 2021, Brazell filed a First Amended Class Action Complaint adding a cause of
8 action for violation of the Private Attorneys General Act (the “PAGA”) Labor Code § 2698, *et seq.*
9 (*Id.* at ¶ 3).

10 On July 15, 2021, *with leave of court*, a Second Amended Class Action Complaint was filed
11 adding Nichole Smith (“Smith”) as an additional Plaintiff and adding causes of action for: (1)
12 Violation of Labor Code § 2802 for unpaid business expenses; and (2) Violation of 201-204, 510,
13 558, 1174, 1194, 1198, 1199 and wage order No. 5-2001 for failure to pay reporting time wages.
14 (*Id.* at ¶ 4).

15 On October 13, 2022, *with leave of court*, a Third Amended Class Action Complaint was
16 filed adding Susana Carrillo (“Carrillo”) as an additional Plaintiff and adding causes of action for
17 (1) Violation of Labor Code §§ 201-204, 226, 510, 1194, 1197, and 1197.1 for failing to pay for all
18 minimum and overtime wages related to off the clock work to undergo temperature checks and
19 complete COVID-19 questionnaires; and (2) Violation of Labor Code §§ 201-204, 510, 558, 1194,
20 1197 and 1197.1 for failing to pay proper regular rate wages (“Operative Complaint”) (Plaintiffs
21 Brazell, Smith and Carrillo are collectively referred to as “Plaintiffs”. Plaintiffs and Defendant are
22 collectively referred to as the “Parties”). (*Id.* at ¶ 5).

23 Since the filing of the case, the Parties engaged in formal discovery, including written
24 discovery and the deposition of Defendant’s person most knowledgeable. (*Id.* at ¶ 6). Plaintiffs
25 also received informal discovery including the production of data necessary for Plaintiffs to
26 calculate the potential exposure for this matter. (*Id.* at ¶ 7). On November 20, 2023, the Parties
27 engaged in mediation with well-respected mediator Steven G. Serratore, Esq. (*Id.* at ¶8). The
28 mediation did not result in settlement. (*Id.*). After the mediation, Plaintiffs received additional data

1 to conduct an analysis of Defendant's financial condition and retained an expert witness to do the
2 same. (*Id.* at ¶ 9). Thereafter, the Parties continued to engage in settlement negotiations spanning
3 months of arms' length negotiations with Mr. Serratore's help and involvement, ultimately
4 resulting in this settlement. (*Id.*).

5 The terms of the settlement provide that Defendant shall pay the Settlement Amount of
6 Three Million Two Hundred Fifty Thousand Dollars and zero cents (\$3,250,000.00) which will be
7 distributed to the class on a **non-reversionary** basis without the need to submit claim forms.
8 (Stipulation of Resolution ("Settlement Agreement" or "Settlement") ¶¶ I.R. and I.U.). Thus, the
9 entire settlement amount will be distributed and no remaining amounts, *i.e.*, unclaimed funds, will
10 revert back to Defendant. (*Id.* at ¶ I.R.)

11 Plaintiffs respectfully submit that this amount is fair, adequate, and reasonable, especially
12 given the substantial risks and uncertainty of class certification and liability on the merits. Although
13 Plaintiffs and their counsel believe that they can prevail on class certification, as well as on the
14 merits, they recognize the inherent risk in further drawn-out litigation and the specific risks that a
15 class might not be certified and/or that Plaintiffs could fail to establish liability. Based on their
16 own independent investigation and evaluation, Plaintiffs and their counsel are of the opinion that
17 settlement for the consideration and on the terms set forth in the Settlement Agreement is fair,
18 reasonable, and adequate and is in the best interests of the Settlement Class in light of all known
19 facts and circumstances and the expenses and risks inherent in litigation.

20 Therefore, Plaintiffs respectfully request that the Court grant this Motion for Preliminary
21 Approval of Class Action Settlement.

22 **II. DISCUSSION**

23 Any settlement of a class action lawsuit must be reviewed and approved by the Court. This
24 is done in two steps: (1) an early (preliminary) review by the trial court, and (2) a final review after
25 notice has been distributed to the class members for their comment or objections. The Manual for
26 Complex Litigation (Third) § 30.41 states:

27 Approval of class action settlements involves a two-step process. First, counsel
28 submits the proposed terms of settlement and the court makes a preliminary fairness
evaluation. If the preliminary evaluation of the proposed settlement does not

1 disclose grounds to doubt its fairness or other obvious deficiencies, such as unduly
2 preferential treatment of class representatives or of segments of the class, or
3 excessive compensation for attorneys, and appears to fall within the range of
4 possible approval, the court should direct that notice ... be given to the class
5 members of a formal fairness hearing, at which arguments and evidence may be
6 presented in support of and in opposition to the settlement. Thus, the preliminary
7 approval by the trial court is simply a conditional finding that the settlement appears
8 to be within the range of acceptable settlements.

9 As Professor Newberg comments, “[t]he strength of the findings made by a judge at a
10 preliminary hearing or conference concerning a tentative settlement proposal may vary. The court
11 may find that the settlement proposal contains some merit, is within the range of reasonableness
12 required for a settlement offer, or is presumptively valid subject only to any objections that may be
13 raised at a final hearing.” 4 Alba Conte & Herbert B. Newberg, *Newberg on Class Actions*, § 11.26
14 (4th ed. 2002).

15 The procedures for the parties’ submission of a proposed settlement for preliminary
16 approval by the court also are discussed in 4 *Newberg on Class Actions*:

17 When the parties to an action reach a monetary settlement, they will usually prepare
18 and execute a joint stipulation of settlement, which is submitted to the court for
19 preliminary approval. The stipulation should set forth the central terms of the
20 agreement, including but not limited to, the amount of settlement, form of payment,
21 manner of determining the effective date of settlement and any recapture clause.

22 *Id.* at § 11.24.

23 Here, the Parties have reached such an agreement and Plaintiffs are concurrently filing a
24 copy of the Settlement Agreement with this Motion, fully setting forth the agreement reached
25 among the Parties. The Settlement Agreement sets forth all terms of the agreement reached by the
26 Parties, which include, among other things, the method for calculating the Class Members’
27 individual Net Settlement Payments and their portion of the PAGA Payment.

28 The parties also may, at the preliminary approval stage, request that the court provisionally
approve certification of the class – conditional upon final approval of the settlement. “[P]re-
certification settlements are routinely approved if found to be fair and reasonable.” *Wershba v.*
Apple Computer, Inc., 91 Cal. App. 4th 224, 240 (2001). *Accord Dunk v. Ford Motor Co.*, 48 Cal.
App. 4th 1794, 1803 (1996) (although the settlement was reached before any “adversary
certification,” the court was satisfied that it was “fair, adequate and reasonable”); *In re Baldwin-*

1 *United Corp.*, 105 F.R.D. 475, 478 (S.D.N.Y. 1984) (“many courts have employed this practice in
2 the name of judicial efficiency in order to facilitate apparently beneficial settlement proposals”).

3 As further explained by Professor Newberg:

4 The strength of the findings made by a judge at a preliminary hearing or conference
5 concerning a tentative settlement proposal. . . . may be set out in conditional orders
6 granting tentative approval to the various items submitted to the court. Three basic
7 rulings are often conditionally entered at this preliminary hearing. These conditional
 rulings may approve a temporary settlement class, the proposed settlement, and the
 class counsel’s application for fees and expenses.

8 4 Newberg on Class Actions, at §11.26

9 In addition to such terms as class identification, settlement amount and payment procedures,
10 the Settlement Agreement reached among the Parties contains a provision pursuant to which the
11 Parties stipulate to the Court’s provisional certification of the Class, but do so for the purposes of
12 this settlement only. The Settlement Agreement further provides that if, for any reason, the
13 Settlement is not approved, the stipulation to certification will be void and Defendant has reserved
14 all rights to challenge certification.

15 **A. PROPOSED CLASS DEFINITION**

16 The current settlement is being settled on behalf of the following Class:

17 “Defendant’s past and present non-exempt California employees who
18 worked for Defendant at any time during the Settlement Period (March 15,
19 2018, through December 31, 2024).”

20 (Settlement Agreement ¶¶ I.C. & I.X.).

21 **B. NUMEROSITY**

22 Courts generally find that numerosity is satisfied if the class includes forty or more
23 members. (*See Villalpando v. Excel Direct Inc.* (N.D. Cal. 2014) 303 F.R.D. 588, 605-606; *see also*
24 *Jordan v. L.A. County* (9th Cir. 1982) 669 F.2d 1311, 1320 (noting, in dicta, that the court “would
25 be inclined to find the numerosity requirement...satisfied solely on the basis of [39] ascertained
26 class members”), *vacated on other grounds*, 459 U.S. 810 (1982); *Ark. Educ. Ass’n v. Bd. of Educ.*
27 *of the Portland* (8th Cir. 1971) 446 F.2d 763, 765-66 (approving class of 20 members).)

28 In this case, there are approximately a total of 5,000 class members and, therefore,

1 numerosity is satisfied. (Settlement Agreement ¶XVIII.M.).

2 **C. ASCERTAINABILITY**

3 Class members are ascertainable where they may be “readily identified without
4 unreasonable expense or time by reference to official records.” (*Lee v. Dynamex, Inc.* (2008) 166
5 Cal. App. 4th 1325, 1334; *see also Faulkinbury v. Boyd & Assocs., Inc.* (2013) 216 Cal. App. 4th
6 220, 240.)

7 Here, for settlement purposes, the identity of class members is clearly ascertainable from
8 Defendant’s employment and payroll records and have already been identified during the discovery
9 and mediation process.

10 **D. TYPICALITY AND ADEQUACY OF REPRESENTATION**

11 **1. Class Representatives’ Claims are Typical of the Class**

12 The commonality requirement is met when there are questions of law and fact common to
13 the class. *See Hanlon v. Chrysler Corp.*, 150 F.3d 1011, 1019 (1998) (“The existence of shared
14 legal issues with divergent legal factual predicates is sufficient, as is a common core of salient facts
15 couple with disparate legal remedies within the class”). Commonality requires only that some
16 common legal or factual questions exist; the Plaintiff need not show that all issues in the litigation
17 are identical. *See Richmond v. Dart Industries, Inc.*, 29 Cal. 3d 462, 473 (1981). Defendant’s
18 conduct is central to the commonality inquiry. *See City of San Jose v. Superior Court*, 12 Ca1. 3d
19 447, 460 (1974); *Vasquez v. Superior Court*, 4 Cal. 3d 800, 812-13 (1971). Where the employer’s
20 conduct is uniformly directed at a class of employees, as it is here, the class wide impact of the
21 Defendant’s policies satisfies the commonality requirement. *See Stephens v. Montgomery Ward &*
22 *Co.*, 193 Cal. App. 3d 411, 421 (1987).

23 Plaintiffs alleges that Defendant violated Labor Code §§ 201-204, 226, 226.7, 510, 512,
24 558, 1174, 1194, 1197, 1197.1, 1198, 1199 and the California IWC’s Wage Orders. Based on the
25 foregoing, Plaintiffs further seeks penalties under the PAGA. Plaintiffs allege that they were
26 subject to the foregoing policies, practices and payment procedures. (Declaration of Andrea
27 Brazell (“Brazell Decl.”) ¶ 3; Declaration of Nichole Smith (“Smith Decl.”) ¶3; Declaration of
28 Susana Carrillo (“Carrillo Decl.”) ¶3).

1 Plaintiffs do not have any interests adverse to the Class, nor have any such issues been
2 raised or presented. (Brazell Decl. ¶ 4; Smith Decl. ¶ 4; Carrillo Decl. ¶ 4). Plaintiffs have taken
3 all necessary steps to represent the interests of the Class, by providing information and documents.
4 (Brazell Decl. ¶¶ 5-6; Smith Decl. ¶¶ 5-6; Carrillo Decl. ¶¶ 5-6). For such reasons, Plaintiffs have
5 adequately represented the Class Members and will continue to do so.

6 **2. Class Counsel Have Adequately Represented the Class and Has**
7 **Experience with Wage and Hour Class Actions**

8 From the inception of the case, Class Counsel have solely represented the interest of the
9 Class. For example, Plaintiffs' counsel conducted formal and informal discovery on behalf of the
10 Class, and towards Class issues. (Choi Decl. ¶¶6-7). Class Counsel also filed discovery motions
11 seeking to compel further discovery, which was granted in part. (*Id.*) Class Counsel also deposed
12 Defendant's person most knowledgeable. (*Id.*) Class counsel also engaged in numerous meet and
13 confers with opposing counsel and obtained time and payroll data of class members prior to
14 mediation and engaged the services of an expert witness to conduct an exposure analysis. (*Id.* at
15 ¶7) The mediation and settlement were also obtained for the benefit of the Class, as opposed to the
16 individual Plaintiffs. Finally, Class counsel have been approved as class counsel on a number of
17 prior cases and are competent to represent the class. (Choi Decl. at ¶ 14; Declaration of Larry W.
18 Lee ("Lee Decl.") at ¶¶ 4-6; Declaration of Dennis S. Hyun ("Hyun Decl.") at ¶¶ 3-6).

19 **E. SUPERIORITY**

20 Class treatment is clearly superior to any other method of resolving Plaintiff's claims. (*Sav-*
21 *on Drug Stores, Inc., supra*, 34 Cal. 4th 319 at p. 326) In employment actions, class actions are in
22 fact encouraged. (*Jaimez v. DAIOHS USA, Inc.* (2010) 181 Cal. App. 4th 1286, 1308 ("In light of
23 the numerous common issues of fact and law that predominate in this lawsuit, we conclude that
24 proceeding by way of class action is the superior method of adjudication. Doing so would further
25 judicial economy by avoiding repetitious suits, would unify what would otherwise be a series of
26 small claims so as to enhance the class members' access to redress...").)

27 Here, Plaintiffs' claims are based on the alleged Class-wide policies, procedures, and
28 practices that apply to all Class Members and can be most efficiently litigated on a Class-wide

1 basis. The alternative would be the unrealistic filing of numerous individual claims. Since the
2 putative class members are employees with relatively modest individual claims and limited
3 resources, there is a strong likelihood that individual claims would never be brought. (*See Local*
4 *Joint Exec. Bd. of Culinary/Bartender Trust Fund* (9th Cir. 2001) 244 F.3d 1152, 1163 (superiority
5 requirement met where class members would recover, at most, about \$1,330); *see also Gentry v.*
6 *Sup. Ct.* (2007) 42 Cal. 4th 443, 462.)

7 **F. SUMMARY OF THE CASE, INVESTIGATION AND DISCOVERY, AND**
8 **REASONABLE ESTIMATE OF THE NATURE AND AMOUNT OF**
9 **RECOVERY**

10 As discussed above, the Operative Complaint alleges eight causes of action for violation of
11 Labor Code §§201-204, 226, 226.7, 510, 512, 558, 1174, 1194, 1197, 1197.1, 1198, 1199, 2698, *et*
12 *seq.* and the California IWC's Wage Orders (Choi Decl. ¶ 5).

13 Specifically, Plaintiffs allege that Defendant failed to: pay all reporting time, minimum,
14 regular and overtime wages; provide meal periods; reimburse employees for business related
15 expenses; provide compliant wage statements; pay all wages due at separation. (*Id.* at ¶ 5).
16 Defendant denies liability was and is prepared to continue to defend the action vigorously through
17 denial of class certification, summary judgment, and/or trial. (Settlement Agreement ¶II.D.).

18 Since the filing of the case, Plaintiffs conducted discovery that yielded information and
19 documentation concerning the claims set forth in the Litigation, such as Defendant's policies and
20 procedures regarding the payment of wages, the provision of meal breaks, time keeping policies,
21 including recording hours, issuance of wage statements, and providing all wages at separation, as
22 well as information regarding the number of putative class members and the mix of current versus
23 former employees, the average number of hours worked, the wage rates in effect, and length of
24 employment for the average putative class member. (Choi Decl. ¶7). Class Counsel also obtained
25 putative class members' time and payroll records. (*Id.*) Class Counsel completed the deposition of
26 Defendant's person most knowledgeable and engaged in motion practice. (*Id.* at ¶ 7). On
27 November 21, 2023, the Parties participated in a full day of mediation before mediator Steve
28 Serratore. (*Id.* at ¶ 8). After the mediation, Plaintiffs received additional data to conduct an

1 analysis of Defendant's financial condition. (*Id.* at ¶ 9). Thereafter, the Parties continued to
2 engage in settlement negotiations, which ultimately led to this settlement. (*Id.*).

3 Based on their own independent investigations and evaluations, the Parties and their
4 respective counsel are of the opinion that settlement for the consideration and on the terms set forth
5 in the Settlement Agreement is fair, reasonable, and adequate and is in the best interests of the
6 Class and Defendant in light of all known facts and circumstances and the expenses and risks
7 inherent in litigation, and is designed so that the Parties may buy their peace and avoid continuing
8 litigation and costs. (Choi Decl. ¶12).

9 **G. SETTLEMENT WAS NEGOTIATED AT ARMS-LENGTH AND IS NOT**
10 **COLLUSIVE**

11 Courts presume the absence of fraud or collusion in the negotiation of settlement unless
12 evidence to the contrary is offered. *Priddy v. Edelman*, 883 F.2d 438, 447 (6th Cir. 1989); *Mars*
13 *Steel Corp. v. Continental Illinois Nat'l Bank & Trust Co.*, 834 F.2d 677, 682 (7th Cir. 1987); *In re*
14 *Chicken Antitrust Litig.*, 560 F. Supp. 957, 962 (N.D. Ga. 1980). Courts do not substitute their
15 judgment for that of the proponents, particularly where, as here, settlement has been reached with
16 the participation of experienced counsel familiar with the litigation. *Nat'l Rural Telecomms. Coop.*
17 *v. DIRECTV, Inc.*, 221 F.R.D. 523, 528 (C.D. Cal. 2004); *Hammon v. Barry*, 752 F. Supp. 1087
18 (D.D.C. 1990); *Steinberg v. Carey*, 470 F. Supp. 471 (S.D.N.Y. 1979); *In re Armored Car Antitrust*
19 *Litig.*, 472 F. Supp. 1357 (N.D. Ga. 1979); *Sommers v. Abraham Lincoln Federal Sav. & Loan*
20 *Ass'n*, 79 F.R.D. 571 (E.D. Pa. 1978).

21 While the recommendations of counsel proposing the settlement are not conclusive, the
22 Court can properly take them into account, particularly where, as here, they have been involved in
23 formal and informal discovery and negotiations for some period of time, appear to be competent,
24 have experience with this type of litigation, and have exchanged substantial evidence from the
25 opposing party. See *Newberg on Class Actions*, *supra*, at § 11.47; *Nat'l Rural Telecomms. Coop.*,
26 221 F.R.D. at 528 (quoting *In re Paine Webber Ltd. P'ships Litig.*, 171 F.R.D. 104, 125 (S.D.N.Y.
27 1997) ("[s]o long as the integrity of the arm's length negotiation process is preserved, however, a
28 strong initial presumption of fairness attaches to the proposed settlement . . . [citations] and 'great

weight’ is accorded to the recommendations of counsel, who are most closely acquainted with the facts of the underlying litigation’’)).

Here, both Plaintiffs and Defendant’s counsel have a great deal of experience in wage and hour class action litigation. Plaintiffs’ counsel have been approved as class counsel in a number of wage and hour class actions and have extensive litigation experience. (Choi Decl. at ¶ 14; Lee Decl. at ¶¶4-6; Hyun Decl. ¶¶ 3-6). Moreover, as discussed above, Plaintiffs’ counsel conducted a very extensive investigation of the allegations involved in this case since the inception. Each side has apprised the other of their respective factual contentions, legal theories and defenses, resulting in extensive arms’ length negotiations taking place among the Parties.

The settlement for each participating Class Member is fair, reasonable and adequate, given the inherent risks of litigation, including the substantial risks relative to class certification, and the costs of pursuing such litigation. The settlement is the result of extensive arms’ length negotiations between the Parties and their counsel, which was achieved after a full day of mediation before a highly regarded mediator.

Although Plaintiffs believe that a class can be certified, Plaintiffs also believe in the fairness of the settlement that is based on factoring in the uncertainty and risks to Plaintiffs in not prevailing on one or more of the causes of action or theories alleged in the Operative Complaint, the possibility of non-certification, adverse disposition, and potential for appeals by one or both sides. (Choi Decl. at ¶12). Despite the asserted fairness of the settlement terms, as set forth in the Class Notice, should any Class Member wish to pursue his or her own case for the claims being released herein, each Class Member has the right to submit a request for exclusion (*i.e.*, Opt-Out) from the settlement. Moreover, as set forth in the Class Notice, Class Members are advised of their right to attend the final approval hearing and object to any of the terms contained in the proposed Settlement Agreement, provided that they give proper notice to the Parties and the Court.

H. SETTLEMENT TERMS AND EVALUATION

1. Proposed Terms of the Settlement

This is a non-reversionary settlement wherein Class Members will be automatically paid out of the settlement if he/she does not opt-out of the settlement. The key terms of the settlement are as

1 follows.

2 The Settlement Agreement provides for a Settlement Amount of Three Million Two
3 Hundred Fifty Thousand Dollars and zero cents (\$3,250,000.00). (Settlement Agreement ¶ I.U).
4 Attorney's fees of up to thirty five percent (35%) of the Settlement Amount (estimated at
5 \$1,137,500.00) will be paid to Class Counsel, along with costs of up to \$40,000.00. (Settlement
6 Agreement ¶XIII). Plaintiffs will seek Class Representative Enhancement Payments up to
7 \$10,000.00 each for a total of \$30,000.00. (Settlement Agreement ¶ XIV). The Settlement
8 Administrator will be paid an estimated amount of \$31,000.00 for costs of administering this
9 settlement. (Settlement Agreement ¶ VIII). After deduction of the foregoing, the remainder will be
10 distributed to Class Members who do not opt-out of the Settlement Agreement based on the number
11 of Pay Periods a Class Member worked during the Class Period. (Settlement Agreement ¶ XI.B).
12 Further, 25% of the PAGA amount (\$25,000.00) will be dispersed pro rata to all Aggrieved
13 Employees regardless of whether they submit timely, valid requests for exclusion, based on the
14 number of Pay Periods worked during the PAGA period. (Settlement Agreement ¶XVI).

15 **2. Nature of Any Injunctive Relief**

16 The Settlement Agreement does not provide for any injunctive relief.

17 **3. Amount and Manner of Distribution of the Compensation to be**
18 **Provided to Class Members Including the Amount, or an Estimate, of**
19 **What Each Class Member Will Receive**

20 The Net Settlement Amount (calculated after deduction of attorneys' fees, costs, class
21 representative service payment, the PAGA portion of the settlement payable to the State and
22 Aggrieved Employees and settlement administration costs) shall be paid to all Class Members who
23 do not opt out of the settlement. (Settlement Agreement ¶ I.M). The amount allocated to each
24 Class Member will be based on the number of Pay Periods each Class Member worked during the
25 Class Period. (Settlement Agreement ¶ XI.B). The reason for such allocation is so that the Class
26 Members who suffered higher damages will be allocated greater recovery. Class Members may
27 opt-out of the Settlement if they so choose. (Settlement Agreement ¶ I.S). Based on the Net
28 Settlement Amount, on a pure raw average, each class member will receive approximately \$382.30.

(Choi Decl. ¶ 11). Such amounts for each person could increase or decrease depending on a number of factors, including the amount of Pay Periods worked by each Class Member. The actual amount each person will be entitled to will not be known until the class data is transferred to the Settlement Administrator for processing.

4. Whether, and Under What Circumstances, Amounts May Revert to Defendant, Disposition of Any Un-cashed Checks

This is a non-reversionary settlement as the entirety of the settlement amount will be fully paid out. Settlement checks will remain valid for a period of 180 calendar days after they issue. Any check not cashed within 180 calendar days will be distributed to the Office of the California State Controller – Unclaimed Property Fund, to be held in the name of the Class Member. (Settlement Agreement ¶ XI.D).

5. Scope of the Release of Class Members’ Claims

The scope of the release, as listed below, is identified in the Settlement Agreement at paragraph I.W. as well as in each of the Notices that will be sent to Class Members.

“Upon the Date of Final Approval, and subject to the occurrence of both the Effective Date and Defendant’s full payment of the Settlement Amount as required herein, Named Plaintiffs and all members of the Settlement Class, waive, release, discharge, and promise never to assert in any forum any and all claims for damages and or penalties under Labor Code §§ 201-204, 226, 226.7, 510, 512, 558, 1174, 1194, 1197, 1197.1, 1198, 1199 and the California IWC’s Wage Orders, based on the factual allegations of the Third Amended Complaint and Plaintiffs’ notices submitted to the LWDA that accrued at any time during the Class Period.”

(Settlement Agreement ¶¶ I.W., VII.A).

As shown, the scope of the release is narrow and is limited by the claims asserted in the Operative Complaint. Further, the Release does not waive Civil Code §1542 for Class Members, it does so only for and with regard to the named Class Representatives.

6. Tax Treatment of Settlement Amounts

All Individual Settlement Payments are allocated as follows: 20% wages subject to withholding and reported on IRS W2 forms; 80% penalties and interest reported by IRS 1099 forms

1 and 100% as penalties for PAGA penalties reported by IRS 1099 forms. (Settlement Agreement ¶
2 XV).

3 **7. Affirmative Obligations to be Undertaken by Class Members or Class**
4 **Counsel and the Reasons for Any Such Obligations**

5 As stated above, Class Members do not need to do anything should they wish to receive
6 their share of the settlement funds. Thus, this substantially decreases the amount of burden each
7 Class Member must bear in order to receive their settlement share. If a Class Member does not
8 wish to take part in this settlement and be bound by the release, he/she must submit an exclusion
9 request.

10 Such obligations are thoroughly identified in each class member's Class Notices.
11 (Settlement Agreement ¶ IX, Ex. A).

12 **I. SUBMISSION OF CLAIMS/EXCLUSIONS/OBJECTIONS**

13 Class Members will not be required to submit a claim form to receive compensation.
14 Instead, this is a non-reversionary Settlement Agreement. Class Members will be provided 45
15 calendar days to opt out or object to the settlement. (Settlement Agreement ¶ IX.A). Any Class
16 Member who does not opt-out of the settlement will be automatically issued his/her share of the
17 settlement proceeds. Given that this is a non-reversionary settlement, the parties believe that 45
18 calendar days is sufficient time for class members to object or opt-out of the settlement. Further,
19 Class Members will be notified of the Fairness/Final Approval hearing and will have an
20 opportunity to appear at the Fairness hearing.

21 **J. CY PRES DISTRIBUTION**

22 Individual Settlement Payments checks remaining un-cashed for more than 180 days after
23 issuance will be tendered to California State Controller Unclaimed Property Fund and held in the
24 name of the Settlement Class Member. (Settlement Agreement ¶ XI.D). Thus, the Settlement
25 Agreement does not provide for a *cy pres* recipient and instead provides that uncashed monies will
26 be available to Settlement Class Members who do not cash their checks.

27 **K. NOTICE TO CLASS MEMBERS**

28 Within thirty (30) calendar days of preliminary approval of this settlement, Defendant will

1 provide the Class List to the Settlement Administrator. (Settlement Agreement ¶ IX.A). The
2 Settlement Administrator shall run all the addresses provided through the United States Postal Service
3 NCOA database (which provides updated addresses for any individual who has moved in the previous four
4 years who has notified the U.S. Postal Service of a forwarding address) to obtain current address
5 information, and shall mail the Notice to the members of the Class via first-class regular U.S. Mail using the
6 most current mailing address information available within ten (10) calendar days of the receipt of the Class
7 List from Defendant. (*Id.*) Any Notices returned to the Settlement Administrator as non-delivered shall be
8 promptly re-sent to the forwarding address affixed thereto. (*Id.*) If no forwarding address is provided, then
9 the Settlement Administrator shall promptly attempt to determine a correct address using a single skip-trace,
10 computer or other search using the name, address and/or Social Security number of the individual involved
11 and shall then perform a single re-mailing. (*Id.*)

12 Each Class Notice will provide: (i) information regarding the nature of the Action; (ii) a
13 summary of the Settlement’s principal terms; (iii) the Settlement Class definition; (iv) the total
14 number of Pay Periods each respective Settlement Class Member worked for Defendant during the
15 Class Period; (v) each Settlement Class Member’s estimated individual Net Settlement Payment
16 and their portion of the PAGA Payment and the formula for calculating said payments; (vi) the
17 dates which comprise the Class Period; (vii) instructions on how to submit Requests for Exclusion
18 or Notices of Objection; (viii) the deadlines by which the Settlement Class Member must postmark
19 or fax any requests for exclusions/opt-outs/objections; and (ix) the claims to be released. (*See*
20 Settlement Agreement Ex. A).

21 Based on the foregoing, the notice procedures fully comply with California Rules of Court
22 Rule 3.766 (d) & (e).

23 **L. COSTS AND FEES**

24 **1. Attorneys’ Fees and Costs**

25 California state and federal courts have recognized that an appropriate method for
26 determining award of attorneys’ fees is based on a percentage of the total value of benefits to Class
27 Members by the settlement. *Wershba v. Apple Computer, Inc.*, 91 Cal.App.4th 224, 254 (2001);
28 *Serrano v. Priest*, 20 Cal. 3d 25, 34 (1977) (“*Serrano III*”); *Boeing Co. v. Van Gemert*, 444 U.S.

1 472, 478 (1980); *Vincent v. Hughes Air West, Inc.*, 557 F. 2d 759, 769 (9th Cir. 1997). The
2 purpose of this equitable doctrine is to avoid unjust enrichment of counsel and to “spread litigation
3 costs proportionally among all the beneficiaries so that the active beneficiary does not bear the
4 entire burden alone.” *Vincent*, 557 F. 2d at 769.

5 Under California law, the award of attorneys’ fees in common fund wage and hour class
6 action settlements should start with the percentage method. *See Laffitte v. Robert Half Int’l*, 1 Cal.
7 5th 480, 503 (Aug. 11, 2016) (“We join the overwhelming majority of federal and state courts in
8 holding that when class action litigation establishes a monetary fund for the benefit of the class
9 members, and the trial court in its equitable powers awards class counsel a fee out of that fund, the
10 court may determine the amount of a reasonable fee by choosing an appropriate percentage of the
11 fund created.”). Under the percentage of the fund method, the Court’s objective remains to “mimic
12 the market” in fixing a reasonable fee. *See Gaskill v. Gordon*, 160 F.3d 361, 363 (7th Cir. 1998) (J.
13 Posner) (“When a fee is set by a court rather than by contract, the object is to set it at a level that
14 will approximate what the market will set... The judge, in other words, is trying to mimic the
15 market in legal services.”).

16 Moreover, in the *Laffitte* intermediate court decision, the court observed that “35 percent of
17 the common fund is consistent with, and in the range of, awards in other class action lawsuits.”
18 *Laffitte v. Robert Half Int’l*, 231 Cal. App. 4th 860, 871 (2014). Here, the fee award representing
19 35% of the fund clearly falls within that range, and is consistent with other comprehensive surveys
20 of class action settlements and fee awards. *See Fitzpatrick, An Empirical Study of Class Action*
21 *Settlements and Their Fee Award*, 7 J. Empirical Leg. Stud. 811, 833 (2010) (analyzing 444 cases
22 between 2006-2007 and concluding that “[m]ost fee awards were between 25 percent and 35
23 percent, with almost no awards more than 35 percent.”); Eisenberg & Miller, *Attorney Fees in*
24 *Class Action Settlements: An Empirical Study: 1993-2008*, 7 J. of Empirical Leg. Stud. 248, 262,
25 fn.16 (2010) (independent studies of class action litigation nationwide conclude that fees
26 representing one-third of the total recovery is consistent with market rates).

27 The results delivered by Plaintiffs’ Counsel also support the requested percentage of the
28

1 fund. Here, the Parties have agreed to a payment of a maximum of thirty-five percent (35%) of the
2 Settlement Amount (estimated at \$1,137,500.00) for payment to Class Counsel as attorneys' fees.
3 (Settlement Agreement ¶ XIII). Further, the Parties have agreed to reimbursement of class
4 counsel's reasonable and actual litigation costs incurred of up to \$40,000.00. (*Id.*) Class counsel
5 have expended costs at their own risk; e.g., to file this instant action, service of process, payment of
6 mediation fees, and other litigation related costs and will be submitting detailed cost sheets for the
7 respective costs incurred prior to the Motion for Final Approval. Based on the foregoing, the court
8 should preliminarily approve the attorney's fees and costs being requested by the parties.

9 2. **Proposed Payment to Class Representative**

10 Plaintiffs request Class Representative Enhancement Payments of \$10,000.00 each (for a
11 total of \$30,000.00) for their participation in and assistance with the Litigation, and in exchange for
12 their General Release. (Settlement Agreement ¶ XIV). Plaintiffs have been involved with this
13 litigation for four years and have been patiently waiting for the conclusion of litigation. Plaintiffs
14 conferred with Class Counsel about the case, provided documents and information to Class
15 Counsel, and reviewed and signed the Settlement Agreement. (Brazell Decl. ¶ 6; Smith Decl. ¶6;
16 Carrillo Decl. ¶6). Moreover, as part of Plaintiffs' duties as the representatives, Plaintiffs provided
17 invaluable information, evidence, and documents that resulted in this settlement. (*Id.*)

18 Given that future employers are much less likely to hire individuals who have filed suit
19 against their prior employer, particularly cases of this nature, Plaintiffs may face prejudice in the
20 future from other potential employers. Plaintiffs assumed these risks from which the whole class
21 benefited. Class members did not have to file individual lawsuits and bear the risks of payment of
22 fees and costs if they did not prevail, nor did they have to face the potential for retaliation and not
23 getting future employment had they filed a public lawsuit.

24 Notably, courts have routinely granted approval of representative enhancements for far
25 greater amounts than the \$10,000.00 sought by Plaintiffs in this case. *See, e.g., Van Vranken v.*
26 *Atlantic Richfield Co.*, 901 F. Supp. 294, 299-300 (N.D. Cal. 1995) (incentive award of \$50,000);
27 *In re Dun & Bradstreet Credit Servs. Customer Litig.*, 130 F.R.D. 366, 374 (S.D. Ohio 1990) (two
28 incentive awards of \$ 55,000, and three incentive awards of \$ 35,000); *Brotherton v. Cleveland*,

1 141 F. Supp. 2d 907, 913-14 (S.D. Ohio 2001) (granting a \$50,000 incentive award); *Enter. Energy*
2 *Corp. v. Columbia Gas Transmission Corp.*, 137 F.R.D. 240, 251-52 (S.D. Ohio 1991) (\$50,000
3 awarded to each class representative); *Glass v. UBS Fin. Servs.*, No. C-06-4068, 2007 U.S. Dist.
4 LEXIS 8476, at *51-52 (N.D. Cal. Jan. 27, 2007) (awarding \$25,000 incentive award in FLSA
5 overtime wages class action); *Cook v. Niedert*, 142 F.3d 1004, 1016 (7th Cir. 1998) (affirming
6 \$25,000 Incentive award to class representative in ERISA case). Here, Plaintiffs request an
7 enhancement of \$10,000.00 each, which is “presumptively reasonable” and consistent with case
8 law.

9 **3. Class Administration Fees**

10 The Settlement Administration Costs are currently estimated to Thirty-One Thousand
11 Dollars (\$31,000). (Settlement Agreement ¶ VIII). The Parties have agreed to Phoenix Settlement
12 Administrators, for administering this Settlement, including, but not limited to, printing,
13 distributing, and tracking documents for this Settlement, tax reporting, calculating payroll taxes to
14 be paid separately by Defendant in addition to the Settlement Amount, distributing the Settlement
15 Amount, and providing necessary reports and declarations, as requested by the Parties. (*Id.*).
16 Phoenix is a well-recognized class action Settlement Administrator. The parties believe that the
17 administration fee is reasonable and should be approved.

18 **III. LWDA HAS BEEN PROVIDED WITH NOTICE OF THIS MOTION**

19 Plaintiffs uploaded a copy of this Motion, Settlement Agreement and Proposed Order to the
20 LWDA. (Choi Decl. ¶ 15).

21 **IV. PROPOSED SCHEDULE FOR CLASS NOTICE, OBJECTION, OPT OUT,**
22 **MOTION FOR APPROVAL, ATTORNEY’S FEES, AND FINAL ACCOUNTING**

Class List

Opt Out/Objection Deadline	June 12, 2025 On or after July 16, 2025	45 days from Notice Mailing	¶ IX.A.
Final Approval			

V. CONCLUSION AND ACTION REQUESTED AS PART OF THE MOTION FOR PRELIMINARY APPROVAL

Here, the proposed settlement is fair, adequate, and reasonable. It will result in both substantial monetary benefits to class members; it is non-collusive; and it was achieved as the result of informed, extensive, and arms’ length negotiations conducted by counsel for respective parties who are experienced in wage and hour class action litigation. For the foregoing reasons, Plaintiff respectfully request that the Court grant preliminary approval of the proposed settlement, sign the proposed Order, approve and authorize mailing of the proposed Class Notice, and set a date for a final approval hearing on or after July 16, 2025, or a later date that is convenient for the Court.
