DECLARATION OF JOSE PEREDA

I, **JOSE PEREDA**, hereby declare as follows:

1. I am over 18 years of age and a resident of California. I am the named plaintiff in the above-captioned case. I have personal knowledge of the facts and statements set forth in this declaration, and if called upon to testify, I could and would competently testify thereto.

2. I was employed by Relish Labs LLC, d/b/a Home Chef (“Home Chef”) in an exempt, salaried Production Supervisor position from February 2019 to June 2020. I decided to seek legal advice about my work experiences with Home Chef. I contacted Lawyers *for* Justice, PC and spoke with attorneys there. I wanted to do whatever I could to make sure Home Chef was held accountable for not paying their employees for all hours worked and non-compliant meal and rest breaks. After speaking with the attorneys, I investigated complex wage-and-hour and representative lawsuits on my own and did some research into the leading class action and employment law firms in California for approximately **6 hours**. Thereafter, I consulted with the attorneys at Lawyers *for* Justice, PC for **5 hours** discussing my situation, and representative actions under the Private Attorneys General Act (“PAGA”) in general, and what it meant to be a named plaintiff and a PAGA representative.

3. I have spent over **18 hours** meeting with my attorneys regarding the case and fulfilling my responsibilities as a class and PAGA representative, which included gathering documents concerning my employment with Home Chef, reviewing documents with my attorneys and answering their questions, providing guidance regarding the duties of salaried persons misclassified as “exempt,” and helping develop a strategy as to what documents and information to obtain from Home Chef. I routinely checked in with my attorneys and their staff to make sure that they had all my most current information and any additional information that I had obtained.

4. As the case progressed, I was available to answer any questions my attorneys had, and available to speak and meet with my attorneys whenever they needed me. I responded to them as quickly as possible and gave them as much information and identified as many documents as I could. I spent at least **13 additional hours** speaking with my attorneys about the

case, identifying potential witnesses, providing my attorneys with documents and information concerning the case, and also describing policies, practices, and procedures of Home Chef.

5. As far as the settlement is concerned, I spent about **2 hours** reviewing the settlement agreement and about **4 hours** asking questions and discussing the potential settlement with my attorneys before signing the settlement agreement.

6. I believe that I have done everything that my attorneys have asked of me and have tried, to the best of my ability, to seek relief for the misclassified aggrieved employees and the State of California. I think my efforts helped to get the result obtained in this case, and as a PAGA representative, I respectfully request that the Court award me a service payment in the amount of \$7,500.00 for my active participation in this case. Taking into consideration the time that I have dedicated to this case, I believe that this amount is reasonable.

7. I am not related to anyone associated with Lawyers *for* Justice, PC.

8. I have not entered into any undisclosed agreements, nor have I received any undisclosed compensation in this case. The only compensation I will receive is whatever amount the Court awards as a service payment, as well as my share of the settlement as an aggrieved employee.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

Executed this day 12/02/2022, at Hesperia, California.
