1. I am an attorney in good standing duly admitted to the State Bar of California and an attorney of record for Plaintiff Marites Ballesteros (“Plaintiff”) in this action against Elder Care Alliance, Alma Via of San Francisco, Elder Care Alliance of San Francisco, Elder Care Alliance of San Rafael, and Mercy Retirement and Care Center (“Defendants” or “Elder Care Alliance”).

My Experience and My Firm's Experience

4. I graduated from Loyola Law School and received my Juris Doctor in June 1991. I received a B.A. degree from East Stroudsburg University in 1986. I have over 20 years of legal practice experience since graduating from law school in 1991. I was admitted to practice in California in December 1991, and in New York in 1996. I began my career by clerking for Judge Robert M. Mallano of the California Superior Court in Los Angeles, California from December 1991 to 1993 and, from 1993 to 1995, working as a Deputy Attorney General for the California Department of Justice where I handled criminal appeals and trials. From 1995 to 1997, I worked as an Assistant Attorney General at the New York State Attorney General's Office where I handled employment and civil rights matters in federal court, including serving as lead trial counsel in over twelve federal jury trials involving civil rights and employment discrimination matters. I worked from 1997 through 1999 as an associate at the firm of Dienst & Serrins where I managed the firm's employment practice, represented plaintiffs in a wide range of employment matters, and served as lead trial counsel in 3 federal jury trials. Accordingly, The Ottinger Firm requests a rate of \$850.00 per hour for my work on this case.

5. I started the Ottinger Firm in 1999. At the Ottinger Firm, I served as lead counsel in over two hundred employment cases involving a wide range of legal claims, a role in which I continue to engage.

1 I have handled Fair Labor Standards Act cases since 2008. The Ottinger Firm, in addition to this case, has
2 handled numerous class actions involving wage and hour claims. The Ottinger Firm has represented or
3 continues to represent Plaintiffs in, among others, the following class and/or collective actions and putative
4 class and/or collective actions:

Procedural Background

9. Defendant is a Senior Living Facility that operates in the state of California and within the Counties of San Francisco and Alameda. Plaintiff Marites Ballesteros began employment with Defendant in July 2017.

10. On January 13, 2021, Plaintiff Ballesteros filed a Complaint against Defendant Alma Via of San Francisco in the Superior Court of the State of California, County of San Francisco. Plaintiff Ballesteros asserted claims that Alma Via of San Francisco: (1) Failed to provide meal periods in violation of Cal. Lab. Code §§ 226.7, 512, and 1198; (2) Failed to provide rest periods in violation of Cal. Lab. Code §§ 226.7 & 1198; (3) Failed to pay overtime wages & penalties in violation of Cal. Lab. Code §§ 510, 1194; (4) Failed to provide accurate, itemized wage statements in violation of Cal. Lab. Code § 226; (5)

1 Failed to pay for all hours worked in violation of Cal. Lab. Code § 223, IWC Wage Order 10-2001; (6)
2 Waiting time penalties in violation of Cal. Lab. Code §§ 201, 202 & 203; and (7) Unfair competition &
3 business practices in violation of Cal. Bus. & Prof. Code §17200 et seq.

4 11. On March 8, 2021, Plaintiff Ballesteros filed her First Amended Complaint against
5 Defendant AlmaVia of San Francisco and Defendant Elder Care Alliance of San Francisco in the Superior
6 Court of the State of California, County of San Francisco. Plaintiff Ballesteros asserted claims that Alma
7 Via of San Francisco and Elder Care Alliance of San Francisco: (1) Failed to provide meal periods in
8 violation of Cal. Lab. Code §§ 226.7, 512, and 1198; (2) Failed to provide rest periods in violation of Cal.
9 Lab. Code §§ 226.7 & 1198; (3) Failed to pay overtime wages & penalties in violation of Cal. Lab. Code §
10 § 510, 512, 1194, 1194.2, and 1198; (4) Failed to provide accurate, itemized wage statements in violation
11 of Cal. Lab. Code § 226; (5) Waiting time penalties in violation of Cal. Lab. Code §§ 201, 202 & 203; and
12 (6) Unfair competition & business practices in violation of Cal. Bus. & Prof. Code § 17200 et seq.

13 12. On April 1, 2021, Defendant Elder Care Alliance filed an Answer to the First Amended
14 Complaint of Plaintiff Ballesteros generally denying all claims and asserting 14 affirmative defenses.

15 13. On March 21, 2023, the Parties participated in an all-day mediation presided over by
16 mediator Mark S. Rudy. Following the mediation, each side, represented by its respective counsel, agreed
17 to settle the Actions which was memorialized in the form of a Memorandum of Understanding. The fully
18 executed Settlement Agreement replaces and supersedes the Memorandum of Understanding and any other
19 agreements, understandings, or representations between the Parties.

20 **The Fairness of the Settlement**

21 14. The Settlement stipulates that Defendants will pay a gross settlement amount of
22 \$5,500,000.00. Out of the total gross amount, the Settlement Agreement further stipulates the following
23 deductions: (1) attorneys' fees of \$1,925,000.00 (one-third of the Gross Settlement Amount), (2) actual
24 costs of up to \$51,164.70 to be awarded to Class Counsel, (3) An Incentive Award to Plaintiff of up to
25 \$7,500 and (4) Settlement Administration Costs to not exceed the amount of \$20,000.00. In this Motion
26 for Final Approval Plaintiffs' are applying for \$50,692.95 in actual litigation costs, and The Settlement
27 Administrator CPT Group states the current and anticipated administration costs are \$16,000.00. Therefore,
28

1 the Net Settlement Fund will be \$3,478,307.05, which will be distributed among the Class Members and
2 PAGA Settlement Group Members, and none of which will revert to Defendants.

3 15. The Net Settlement Fund will be allocated to Class Members and PAGA Settlement Group
4 Members on a workweek basis, as calculated by the Class Administrator. Accordingly, Class Members and
5 PAGA Settlement Group Members who worked for Defendants for more work weeks, and likely
6 experienced more of the alleged violations, will be compensated proportionately. This method of allocation
7 ensures fairness, adequacy, and reasonableness.

8 **Attorney's Fees and Litigation Costs**

9 16. The Attorney's Fees requested totaling 35% of the Gross Settlement Fund are fair and
10 reasonable based on the risks and effort associated with class action and PAGA litigation. This fee award
11 will be divided among the four firms who collectively are Class Counsel, pursuant to a fully executed fee
12 sharing agreement.

13 17. Attached as **Exhibit 3** are true and correct copies of my firm's time records for this case.

14 18. The requested attorney and paralegal rates are reasonable in view of the qualifications of
15 the staff who worked on this case.

16 19. For the 559.60 hours of attorney and paralegal time expended by the firm on this case, this
17 results in a lodestar of \$320,200.00

18 20. Attached hereto as **Exhibit 4** are true and correct copies of my firm's records for this case
19 to date showing that the firm has incurred approximately \$15,809.32 in costs.

18 years of experience as a paralegal in various areas of law, with a primary focus on employment law over
19 the last nine years. Ms. Medwid has assisted with arbitrations, wage and hour class actions,
20 discrimination/harassment/retaliation lawsuits, negotiations of various employment agreements, charges
21 filed with the EEOC and/or other state agencies, and National Labor Relations Act charges and union
22 grievances. In 2001, Ms. Medwid graduated from Northeast University with a bachelor's degree in Criminal
23 Justice and earned her Paralegal Certificate in 2004 from University of North Carolina, Wilmington. The
24 Ottinger Firm requests a rate of \$260.00 per hour for Ms. Medwid's work on this case.

25 28. Tim Hansen was a paralegal at The Ottinger Firm, P.C. Mr. Hansen has over five years of
26 experience spanning across multiple practice areas including family law, intellectual property, personal
27 injury, and employment law. In 2018, Mr. Hansen graduated from Regent University, *magna cum laude*,
28 with a bachelor's degree in Paralegal Studies. Mr. Hansen has worked as a paralegal focusing on

1 employment law related matters for over one year. The Ottinger Firm requests a rate of \$260.00 per hour
2 for Mr. Hansen's work on this case.

3 29. Joanna Fernandes was a paralegal at the Ottinger Firm, P.C., who contributed to the success
4 of this case. The Ottinger Firm requests a rate of \$350.00 per hour for Ms. Fernandes's work on this case.

5 30. Michelle Proctor, Erin Conn, Taj Singh, Jacqueline Graves, Mary Slattery, Hyung Joon
6 Kim, and Janel Smith were paralegals at the Ottinger Firm, P.C., who all contributed to the success of this
7 case. The Ottinger Firm requests a rate of \$260.00 per hour for all of the aforementioned paralegals' work.

8 31. Meaghan Taggart is a paralegal at the Ottinger Firm, P.C. The Ottinger Firm requests a rate
9 of \$260.00 per hour for Ms. Taggart's work on this case.

10 32. Zachary McCarthy is a legal assistant at the Ottinger Firm, P.C. The Ottinger Firm requests
11 a rate of \$260.00 per hour for Mr. McCarthy's work on this case.

12 33. Our previous experience in litigating wage and hour class actions also supports the
13 reasonableness of the fee request, as does the caliber of opposing counsel. Our experience in similar matters
14 was integral in evaluating the strengths and weaknesses of the case against Defendants and the
15 reasonableness of the Settlement. Practice in the narrow field of wage and hour litigation, especially in
16 cases involving meal and rest period claims, requires particular attention to nuances concerning ever-
17 evolving procedural and substantive issues. This is especially so given recent changes in the legal landscape
18 surrounding class certification. Indeed, even though California courts have recently been fairly receptive
19 to granting class certification in wage and hour cases, the U.S. Supreme Court has gone in the opposite
20 direction, and the California Supreme Court has followed the U.S. Supreme Court's lead to a significant
21 extent in view of its decision in *Duran v. U.S. Bank Nat'l Assn.* (2014) 59 Cal.4th 1 by placing a heightened
22 emphasis on manageability considerations even in cases that present predominant common questions. Our
23 previous experience in wage and hour class action cases was integral in being able to resolve this case on
24 favorable terms for the Class because that experience enabled us to pinpoint issues that likely encouraged
25 Defendants to resolve this case for fair compensation on a class-wide basis instead of proceeding to class
26 certification and beyond. Because it is reasonable to compensate us commensurate with skill, reputation,
27 and experience, the requested fee award warrants this Court's final approval. Furthermore, we zealously
28

1 litigated this matter against Defendant's Counsel, who themselves have extensive experience in
2 employment law.

3 34. As Class Counsel, the Ottinger Firm P.C., along with the other firms representing Plaintiffs,
4 should be compensated for undertaking these risks on a pure contingency basis. Since undertaking
5 representation of Plaintiffs Class Counsel has borne all the costs of litigation without receiving any
6 compensation to date for the claims in this case. During this time, my firm has expended more than
7 \$15,809.32 in costs, and devoted significant time to this litigation. Their efforts have included, among other
8 things, conferring with Plaintiff to identify and gather information about the claims in this lawsuit, drafting
9 pleadings, reviewing pay and time records from Defendants, drafting a detailed mediation brief,
10 participating in mediation, drafting, finalizing, amending, and obtaining approval of the Settlement, and
11 addressing post-Settlement issues such as the claims administration process. Given the considerable
12 potential for adverse outcomes in this case, the contingent risk was great. This litigation also took a
13 considerable amount of time and effort that Class Counsel could have spent on other cases, albeit hourly
14 cases or lower risk contingency cases. Indeed, given the likely difficulties with prevailing on the vast
15 majority of the claims asserted, this was a risky case for Class Counsel to pursue. In turn, without Class
16 Counsel's representation and undertaking of this risk, the Class in this case would not be able to enjoy
17 significant recoveries that the Settlement affords. The quality of Class Counsel's work, and the efficacy
18 and dedication with which it was performed, should be compensated. (See, e.g., *J.N. Futia Co. v. Phelps*
19 *Dodge Indus., Inc.* (S.D.N.Y. 1982) 1982 U.S. Dist. LEXIS 15261.)

20 35. The Class Representative Incentive Payment of \$7,500.00 for Plaintiff Marites Ballesteros
21 is entirely reasonable given her efforts in this case and the risks she undertook on behalf of the Class. Here,
22 Plaintiff advanced the interests of the Class by, among other things, speaking with counsel, gathering
23 documents, providing counsel with extensive information about Defendants' policies and practices with
24 respect to the wage and hour claims at issue, and assisting counsel in preparing for the mediation. Plaintiff
25 took the personal risk of potentially facing intrusive discovery and disclosure to future employers that she
26 sued a former employer, making her future uncertain. Finally, Plaintiff is agreeing to a much broader
27 release of claims than other Class Members. Given these considerations, the modest Incentive Payment to
28 Plaintiff is appropriate and justified as part of the Settlement.

1 I declare under the penalty of perjury of the laws of the State of California that the foregoing is true
2 and correct.

- I. On March 21, 2023, the Parties participated in an all-day mediation presided over by Mark S. Rudy, a well-respected mediator of wage and hour class actions. Following the mediation, each side, represented by its respective counsel, agreed to settle the Actions which was memorialized in the form of a Memorandum of Understanding. This Agreement replaces and supersedes the Memorandum of Understanding and any other agreements, understanding, or representations between the Parties.
- J. This Agreement represents a compromise and settlement of highly disputed claims. Nothing in this Agreement is intended or will be construed as an admission by Defendants that the claims in the Actions of Plaintiffs or the Class have merit or that Defendants bear any liability to Plaintiffs or the Class on those claims or any other claims, or as an admission by Plaintiffs that Defendants' defenses in the Actions have merit. The Parties agree to certification of the Class for purposes of this Settlement only. If for any reason the Settlement does not become effective, Defendants reserve the right to contest certification of any class for any reason and reserve all available defenses to the claims in the Actions.

Based on these Recitals that are a part of this Agreement, the Parties agree as follows:

III. SETTLEMENT TERMS AND CONDITIONS

- A. **Gross Settlement Amount.** Subject to the terms and conditions of this Agreement, the Gross Settlement Amount that Defendants will pay under this Settlement is Five Million Five Hundred Thousand Dollars and Zero Cents (\$5,500,000.00). All of the Gross Settlement Amount will be disbursed pursuant to this Agreement without the need to submit a claim form and none of the Gross Settlement Amount will revert to Defendants.
- B. **Payments from the Gross Settlement Amount.** Subject to the terms and conditions of this Agreement, the Settlement Administrator will make the following payments out of the Gross Settlement Amount:
 - 1. **To Plaintiffs:** In addition to the Individual Settlement Share to be paid to Plaintiffs, Plaintiffs will apply to the Court for an award of not more than Seven Thousand Five Hundred Dollars (\$7,500.00) each as Class Representative Service Payments. Defendants will not oppose the application for Class Representative Service Payments of no more than Seven Thousand Five Hundred Dollars (\$7,500.00) for each of the Plaintiffs. The Settlement Administrator will pay the Class Representative Service Payments approved by the Court out of the Gross Settlement Amount. If the Court approves a Class Representative Service Payment of less than Seven Thousand Five Hundred Dollars (\$7,500.00) for each of the Plaintiffs, the remainder will be retained in the Net Settlement Amount for distribution to Participating Class Members. Payroll tax

withholding and deductions will not be taken from the Class Representative Service Payments and instead a Form 1099 will be issued to the Plaintiffs with respect to the payment. Submission of an IRS W-9 by each Plaintiff shall be a condition precedent to issuance of this payment. To receive the Payment, the Plaintiffs agree to a California Civil Code section 1542 waiver and general release of all claims. Plaintiffs' Workers Compensation claims, if any, are expressly excluded from this general release.

2. **To Class Counsel:** Class Counsel will apply to the Court for an award of not more than thirty-five percent (35%) of the Gross Settlement Amount (\$1,925,000.00 if the Gross Settlement Amount is \$5,500,000.00) as their Class Counsel Fees Payment, plus actual costs and expenses, of up to \$50,419.79, plus additional anticipated costs through dismissal of no more than \$745.00, as supported by declaration as their Class Counsel Litigation Expenses Payment. Defendants will not oppose the request for a Class Counsel Fees Payment or Class Counsel Litigation Expenses Payment consistent with this Agreement and approved by the Court. The Settlement Administrator will pay the amounts approved by the Court (but not more than 35% of the Gross Settlement Amount) out of the Gross Settlement Amount. If the Court approves a Class Counsel Fees Payment of less than 35% of the Gross Settlement Amount or approves a Class Counsel Litigation Expenses Payment of less than \$50,419.79 plus additional anticipated costs through dismissal of no more than \$745.00, the remainder will be retained in the Net Settlement Amount for Distribution to Participating Class Members. Payroll tax withholding and deductions, if any, will not be taken from the Class Counsel Fees Payment and instead one or more Forms 1099 will be issued to Class Counsel with respect to those payments.
3. **To LWDA.** The Parties will seek approval from the Court for the PAGA Allocation of Two Hundred Fifty Thousand Dollars (\$250,000) out of the Gross Settlement Amount, of which seventy-five percent (75%), or One Hundred Eighty Seven Thousand Five Hundred Dollars (\$187,500), shall be allocated to the Labor and Workforce Development Agency (i.e., the LWDA Payment) as the LWDA's share of the settlement of civil penalties paid under this Agreement pursuant to the PAGA.
4. **To PAGA Settlement Group Members.** The Parties will seek approval from the Court for the PAGA Allocation of Two Hundred Fifty Thousand Dollars (\$250,000) out of the Gross Settlement Amount, of which twenty-five percent (25%), or Sixty-Two Thousand Five Hundred Dollars (\$62,500), shall be distributed to the PAGA Settlement Group Members (i.e., the PAGA Group Amount). Each PAGA Settlement Group Member's individual share shall be determined *pro rata* based on the Workweeks of the PAGA Settlement Group Member during the PAGA

Period. The Individual PAGA Payment for each PAGA Settlement Group Member will be calculated as follows: the Settlement Administrator will (a) divide the PAGA Group Amount by the total number of Workweeks worked for all PAGA Settlement Group Members that occurred during the PAGA Period and (b) multiply the result by each individual PAGA Settlement Group Member's Workweeks during the PAGA Period.

5. **To the Settlement Administrator.** The Settlement Administrator will pay out of the Gross Settlement Amount to itself reasonable fees and expenses that are documented and approved by the Court in an amount not to exceed Twenty Thousand Dollars (\$20,000) ("Settlement Administration Expenses"), which is a good faith estimate. If the estimated Settlement Administration Expenses are insufficient, they will be adjusted and shall be paid from the Gross Settlement Amount. To the extent the Settlement Administration Expenses that are documented and approved by the Court are less than Twenty Thousand Dollars (\$20,000), the remainder will be retained in the Net Settlement Amount for distribution to Participating Class Members.

C. Payments from the Net Settlement Amount. The Net Settlement Amount shall include the following payments after the deductions have been made from the Gross Settlement Amount as described in this Agreement. The Net Settlement Amount shall include the following:

1. **Individual Settlement Share.** Subject to the terms and conditions of this Agreement, the Settlement Administrator will pay an Individual Settlement Share from the Net Settlement Amount to each Participating Class Member. The submission of a claim form is not required to be paid.
2. **Calculation.** The Individual Settlement Share for each Participating Member will be calculated as follows: The Settlement Administrator will (a) divide the Net Settlement Amount by the total number of Workweeks worked for all Participating Class Members that occurred during the Class Period and (b) multiply the result by each individual Participating Class Member's Workweeks during the Class Period.
3. **Withholding.**
 - a. Twenty Percent (20%) of each Participating Class Member's Individual Settlement Share is in settlement of wage claims (the "Wage Portion"). Accordingly, the Wage Portion is subject to wage withholdings and shall be reported on IRS Form W-2 and shall be paid from the Gross Settlement Amount. Defendants shall be responsible for paying the employer share of payroll taxes separate and in addition to the Gross Settlement Amount.

- b. Eighty Percent (80%) of each Participating Class Member's Individual Settlement Share is in settlement of claims for interest and penalties allegedly due to employees (collectively the "Non-Wage Portion"). The Non-Wage Portion shall not be subject to wage withholdings and shall be reported on IRS Form 1099.
 - c. One Hundred (100%) of each PAGA Settlement Group Member's Individual PAGA Payment is in settlement for penalties allegedly due to employees. Such payments shall not be subject to wage withholdings and shall be reported on IRS Form 1099.
 - 4. **Effect of Non-Participating Class Members.** Class Members who submit a valid and timely Election Not to Participate in Class Settlement will receive no Individual Settlement Share, and their Election Not to Participate in Class Settlement will reduce neither the Gross Settlement Amount nor the Net Settlement Amount. Their respective Individual Settlement Shares will remain a part of the Net Settlement Amount for distribution to Participating Class Members on a *pro rata* basis relative to their Individual Settlement Shares.
 - 5. **Class Size Modification.** Defendants have represented that the class, as of March 21, 2023, consists of approximately 121,394 Workweeks during the Class Period. If the actual number of Workweeks exceeds 121,394 by more than ten percent (10%) (i.e., exceeds 133,533 Workweeks), then the Total Settlement Amount will be increased on a proportional basis by the same number of percentage points by which the number of Workweeks exceeds the ten percent (10%) (e.g., if the threshold of 133,533 Workweeks is exceeded by one percent (1%), then the Total Settlement Amount will increase by one percent (1%)).
- D. Appointment of Settlement Administrator.** The Parties obtained quotes for claims administration from CPT, ILYM Group, JND Legal Administration, and are utilizing CPT Group because it provided the least expensive quote. In the past 30-plus years, CPT Group has provided notification and/or claims administration services in thousands of class action cases. Due to the sensitive nature of settlement administration, CPT follows a series of strict protocols to protect the integrity of its work that include, but are not limited to, the following: employing security controls and procedures throughout its business that comply with AICPA SOC Type II; requiring of secure file transfer of all Class Member data, account and wire information; multifactor authentication to secure all email accounts; monitoring each endpoint with modern Data Loss Prevention ("DLP") software; implementation of strict policy regarding the transmittal and storage of SI; requiring staff to complete regular cyber security training; monthly external and internal vulnerability scans to ensure the integrity of its security measures. To protect against potential losses, CPT holds \$2,000,000 in Errors and Omissions insurance, \$1,000,000 in Crime/Fidelity insurance, and \$5,000,000 in cyber insurance. CPT Group's Crime/Fidelity insurance

covers defalcation of funds and its cyber insurance covers data breach. The Settlement Administrator, as a condition of appointment, will agree to be bound by this Agreement with respect to the performance of its duties and its compensation. The Settlement Administrator's duties will include preparing, printing, and mailing the Class Notice Packet to all Class Members and PAGA Notice to all PAGA Settlement Group Members; conducting a National Change of Address search to update Class Member and PAGA Settlement Group Members addresses before mailing the Class Notice Packets and PAGA Notice; re-mailing Class Notice Packets that are returned to the Class Member's new address and doing the same for the PAGA Notice; setting up a toll-free telephone number to receive calls from Class Members; receiving and reviewing for validity completed Elections Not to Participate in Class Settlement; providing the Parties with weekly status reports about the delivery of Class Notice Packets and PAGA Notices and receipt of completed Elections Not to Participate in Class Settlement; calculating Individual Settlement Shares and Individual PAGA Payments; issuing the checks to effectuate the payments due under the Settlement; issuing the tax reports required under this Settlement; and otherwise administering the Settlement pursuant to this Agreement. The Settlement Administrator will have the authority to resolve all disputes concerning the calculation of a Participating Class Member's Individual Settlement Share, subject to the dollar limitations and calculations set forth in this Agreement. The Settlement Administration Expenses, including the cost of printing and mailing the Class Notice Packet and PAGA Notice, will be paid out of the Gross Settlement Amount.

The Settlement Administrator shall have its own Employer Identification Number under Internal Revenue Service Form W-9 and shall use its own Employer Identification Number in calculating payroll withholdings for taxes and shall transmit the required employers' and employees' share of the withholdings to the appropriate state and federal tax authorities. The Settlement Administrator shall establish a settlement fund that meets the requirements of a Qualified Settlement Fund ("QSF") under US Treasury Regulation section 468B-1.

Any disagreement among the parties concerning the Class Notice, PAGA Notice, the proposed orders, or other documents necessary to implement the Settlement will be referred to the mediator for resolution. Each Class Member shall have forty-five (45) days from the date of mailing of the Class Notice Packet in which to dispute the number of Workweeks the Class Notice allocates to them during the Class Period. Any dispute as to this allocation shall be resolved by the Settlement Administrator. Any Notice of Dispute shall be directed to the Settlement Administrator.

If a Class Member's notice is re-mailed, the Class Member shall have forty-five (45) days after the date the Settlement Administrator initially mailed the Class Notice Packet to the Class Members or twenty (20) days after the Settlement Administrator re-mails the Notice to the Class Member, whichever is later, in which to mail or fax disputes as to the number of Workweeks or written objections to the Settlement.

In the event a Class Member's Class Notice Packet remains undeliverable sixty (60) days after the Class Notice Packet was initially mailed, and is returned to the Settlement Administrator, the Settlement Administrator will not mail the Class Member's Individual Settlement Share. Instead, the Settlement Administrator will hold that Class Member's Individual Settlement Share during the check cashing period on behalf of the Class Member. If at the conclusion of the check cashing period the Class Member's Notice Packet and Individual Settlement Share remains undeliverable, or a PAGA Settlement Group Member's Individual PAGA Payment remains undeliverable, any amounts of such Individual Settlement Share or Individual PAGA Payment checks shall be distributed to

the California State Controller's Office pursuant to the procedures of the State of California's Unclaimed Property Law.

- b. **Election Not to Participate in Class Settlement.** The Class Notice shall provide that Class Members who wish to exclude themselves from the Class Settlement must mail to the Settlement Administrator no later than forty-five (45) days after the Settlement Administrator mails the Class Notice Packets, a signed Election Not to Participate in Class Settlement. To be valid, an Election Not to Participate in Class Settlement must be timely and must comply with the instructions in the Class Notice. If a question is raised about the authenticity of a signed Election Not to Participate in Class Settlement, the Settlement Administrator will have the right to demand additional proof of the Class Member's identity. A Class Member who submits a valid and timely Election Not to Participate in Class Settlement will not participate in or be bound by the Class Settlement. A Class Member who does not complete and mail a timely Election Not to Participate in Class Settlement in the manner and by the deadline specified above will automatically become a Participating Class Member and be bound by all terms and conditions of the Class Settlement, including the Released Class Claims by the Class as defined in Section III.G.1 below, if the Settlement is approved by the Court, and by the Judgment, regardless of whether he or she has objected to the Settlement. Persons who submit an Election Not to Participate in Class Settlement shall not be permitted to file objections to the Settlement or appear at the Final Approval Hearing to voice any objections to the Settlement.

All Participating Class Members who do not submit a valid and timely Election Not to Participate in Class Settlement will receive a Individual Settlement Share, without the need to file a claim form, and will be bound by all the terms of the Class Settlement, including without limitation, the release of the Released Class Claims by the Participating Class Members set forth in this Agreement.

- c. **Report.** Not later than ten (10) days after the deadline for submission of Elections Not to Participate in Class Settlement, the Settlement Administrator will provide the Parties with a complete and accurate list of all Participating Class Members.
4. **Eligible Aggrieved Employees May Not Opt Out of PAGA Settlement.** Notwithstanding the foregoing, the Parties agree that there is no statutory or other right for any PAGA Settlement Group Member to opt out or otherwise exclude himself or herself from the PAGA Settlement, which releases the Released PAGA Claims asserted in the Actions. A PAGA Settlement Group Member who submits a valid and

timely request for exclusion shall still receive his or her Individual PAGA Payment, shall still be bound by the PAGA Settlement, and shall release the Released PAGA Claims as provided in this Agreement.

- 5. No Solicitation.** The Parties and their counsel represent that neither the Parties nor their respective counsel have or will solicit or otherwise encourage directly or indirectly any Class Member to object to the Settlement, appeal from the Judgment, or elect not to participate in the Settlement.

6. Additional Briefing and Final Approval.

- a. Class Counsel will file with the Court their motion for the Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment, and Class Representative Service Payment no later than the date the Plaintiffs file the Motion for Final Approval, and the application will be scheduled to be heard by the Court at the Final Approval Hearing.
- b. Not later than sixteen (16) court days before the Final Approval Hearing, Plaintiffs will file with the Court a motion for final approval of the Settlement, PAGA Allocation, and payment of the Settlement Administration Expenses. Defendants' Counsel shall have five (5) calendar days to review, comment on, and approve the motion before it is filed with the Court.
- c. If any opposition is filed, then not later than five (5) court days before the Final Approval Hearing, both Parties may file a reply in support of the Motion for Final Approval of the Settlement, the PAGA Allocation, and payment of the Settlement Administration Expenses; and Plaintiffs and Class Counsel may also file a reply in support of their motions for the Class Representative Service Payment, the Class Counsel Fees Payment, and the Class Counsel Litigation Expenses Payment. Defendants agree not to oppose the application for Class Counsel Fees Payment, the Class Counsel Litigation Expenses Payment, and the Class Representative Service Payment.
- d. If the Court does not grant final approval of the Settlement or grants final approval conditioned on any material change to the Settlement, then the Parties shall work together in good faith to address any concerns raised by the Court and propose a revised Settlement for the Court's approval. However, an award by the Court of a lesser amount than that sought by Plaintiffs and Class Counsel for the PAGA Allocation, Class Representative Service Payment, the Class Counsel Fees Payment, or the Class Counsel Litigation Expenses

Payment, will not constitute a material modification to the Settlement within the meaning of this paragraph.

- e. Class members may appear remotely at the final approval hearing. Upon final approval of the Settlement by the Court at or after the Final Approval Hearing, the Parties will present for the Court's approval and entry a Judgment. After the entry of the Judgment, the Court will have continuing jurisdiction over the Actions and the Settlement solely for purposes of (i) enforcing this Agreement; (ii) addressing settlement administration matters; and (iii) addressing such post-Judgment matters as may be appropriate under court rules or applicable law.
- f. The Judgment will be posted on the Administrator's website for 180 days.

7. Waiver of Right to Appeal. Provided that the Judgment is consistent with the terms and conditions of this Agreement, Plaintiffs and Participating Class Members who did not timely submit an objection to the Settlement, Defendants, and their respective counsel, hereby waive any and all rights to appeal from the Judgment, including all rights to any post-judgment proceeding and appellate proceeding, such as, but not limited to, a motion to vacate judgment, a motion for a new trial, and any extraordinary writ. The Judgment therefore will become non-appealable at the time it is entered. The waiver of appeal does not include any waiver of the right to oppose any appeal, appellate proceedings, or post-judgment proceedings. If an appeal is taken from the Judgment, the time for consummation of the Settlement (including making payments under the Settlement) will be suspended until such time as the appeal is finally resolved and the Judgment becomes Final.

8. Vacating, Reversal, or Material Modification of Judgment on Appeal or Review. If, after a notice of appeal, a petition for review, or a petition for *certiorari*, or any other motion, petition, or application, the reviewing Court vacates, reverses, or modifies the Judgment such that there is a material modification to the Settlement and that Court's decision is not completely reversed and the Judgment is not fully affirmed on review by a higher court, then the Parties shall work together in good faith to address any concerns raised by the reviewing court and propose a revised Settlement for the approval of the court not later than fourteen (14) days after the reviewing court's decision vacating, reversing, or materially modifying the Judgment becomes Final. A vacation, reversal, or modification of the Court's award of the Class Representative Service Payment, the Class Counsel Fees Payment, or Class Counsel Litigation Expenses Payment will not constitute a vacation, reversal, or material modification of the Judgment within the meaning of this paragraph,

provided that Defendants' obligation to make payments under this Settlement will remain limited by the Gross Settlement Amount.

- 9. Timing of Provision of Individual Settlement Shares and Other Payments.** Defendants will fund the Gross Settlement Amount and the amount necessary to pay Defendants' share of payroll taxes within sixty (60) days of the Final Approval by depositing the money into a Qualified Settlement Fund ("QSF") to be held by the Settlement Administrator in an interest-bearing account. Within fourteen (14) days after the QSF is funded, the Settlement Administrator shall disburse attorneys' fees and costs, service payments, settlement and PAGA shares, the LWDA payment, and the Settlement Administrator's fees. In the event the Settlement does not receive Final Approval by the Court, the entirety of the QSF, including the Gross Settlement Amount and all interest earned into the account, will be returned to Defendants.
- 10. Uncashed Individual Settlement Share Checks.** A Participating Class Member or PAGA Settlement Group Member must cash his or her Individual Settlement Share check or Individual PAGA Payment check within one-hundred and eighty (180) days after it is mailed to him or her. If a check is returned to the Settlement Administrator, the Settlement Administrator will make all reasonable efforts to re-mail it to the Participating Class Member or PAGA Settlement Group Member at his or her correct address. If a Participating Class Member's or PAGA Settlement Group Member's Individual PAGA Payment check is not cashed within one-hundred and twenty (120) days after its last mailing to the Participating Class Member or PAGA Settlement Group Member, the Settlement Administrator will send the Participating Class Member or PAGA Settlement Group Member a notice informing him or her that unless the check is cashed within the next sixty (60) days from the date of the mailing, it will expire and become non-negotiable, and offer to replace the check if it was lost or misplaced, but not cashed. If the check remains uncashed by the expiration of the sixty (60) days from the date the notice was mailed, the funds from such uncashed checks shall be distributed to the Legal Aid at Work ("LAAW") (the proposed cy pres recipient) in accordance with California Code of Civil Procedure Section 384. The Parties and their counsel each represent that they do not have any financial interest in, or otherwise have a relationship with, the proposed cy pres recipient that could create a conflict of interest.
- 11. Final Report by Settlement Administrator to Court.** Within ten (10) days after the final disbursement of all funds from the Gross Settlement Amount, the Settlement Administrator will serve on the Parties and file with the Court a declaration proving a final report on the disbursements of all funds from the Gross Settlement Amount.

F. Release of Claims.

1. **Participating Class Members.** As of the date the Judgment becomes Final and the date the full Gross Settlement Amount has been deposited with the Settlement Administrator, Plaintiffs and participating Class members will release Defendants and the other Released Parties from the factual allegations pled in the operative pleadings in the Actions, including the claims that have been or could have reasonably been pled as wage and hour violations under California law based on the factual allegations set forth in the operative pleadings in the Actions during the Class Period (the “Released Class Claims”). The Participating Class Members will release Defendants and the other Released Parties from all remedies that could have been reasonably claimed in connection with the Released Class Claims, including, but not limited to any and all claims for violations of the California Labor Code governing: (1) failure to pay overtime wages; (2) failure to pay meal period premiums; (3) failure to pay rest period premiums; (4) failure to pay minimum wages; (5) failure to timely pay wages upon termination; (6) failure to timely pay wages during employment; (7) failure to provide compliant wage statements; (8) failure to keep requisite payroll records; (9) failure to reimburse necessary business expenses; (10) violation of California’s unfair competition law; (11) failure to pay for all hours worked; and (12) waiting time penalties.
2. **PAGA Settlement** As of the date the Judgment becomes Final and the date the full Gross Settlement Amount has been deposited with the Settlement Administrator, Plaintiffs as agents of the LWDA will release Defendant and the Released Parties from all claims for penalties that were brought in Plaintiffs’ LWDA letters for violation of California Labor Code section 2698, *et seq.* (“PAGA”) during the PAGA Period (the “Released PAGA Claims”). This includes claims for civil penalties under Labor Code section 2698, *et seq.*, Labor Code sections 201, 202, 203, 206, 226, 226.7, 256, 1194, 1194.2, 1197.1, 1198, 2802. This Agreement shall be effective to adjudicate and release the claims and/or rights of the LWDA to recover civil penalties against the Released Parties for Labor Code or Wage Order violations suffered by any of the PAGA Group Members which are premised upon the facts alleged in Plaintiffs’ LWDA letter (i.e., the Judgment on this Settlement will have res judicata effect as to those claims of the LWDA, whether pursued directly by the LWDA or by a representative pursuant to PAGA).
3. **Plaintiffs.** As of the date the Judgment becomes Final, Plaintiffs hereby fully and finally release Defendants and other Released Parties from any and all claims, losses, debts, charges, damages, demands, obligations, causes of action, lawsuits, liabilities, breaches of duty, misfeasance, malfeasance, promises, controversies, contracts, judgments, awards, penalties, costs, and expenses of every nature and description, known or unknown, asserted or that may have been reasonably asserted, whether in

tort, contract, or for violation of any local, state, or federal statute, rule, regulation, ordinance, or common law, including but not limited to those claims raised in the Actions and/or that could have been raised in the Actions, and those arising from or related to their work with Defendants (“Plaintiffs’ Released Claims”). This release excludes only the release of claims not permitted by law, and expressly excludes Workers’ Compensation claims, if any.

- 4. Plaintiffs’ Waiver of Rights Under California Civil Code Section 1542.** As partial consideration for the Class Representative Service Payments, the Plaintiffs’ Released Claims shall include all such claims, whether known or unknown by the releasing party. Thus, even if Plaintiffs discover facts and/or claims in addition to or different from those that they now know or believe to be true with respect to the subject matter of the Plaintiffs’ Released Claims, those claims will remain released and forever barred. Therefore, with respect to Plaintiffs’ Released Claims, Plaintiffs expressly waive and relinquish the provisions, rights, and benefits of section 1542 of the California Civil Code which reads:

A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release, and that, if known by him or her, would have materially affected his or her settlement with the debtor or released party.

- G. No Effect on Other Benefits.** The Individual Settlement Shares will not result in any additional benefit payments (such as 401(k) or bonus) beyond those provided by this Agreement to Plaintiffs or Participating Class Members, and Plaintiffs and Participating Class Members will be deemed to have waived all such claims, whether known or unknown by them, as part of their release of claims under this Agreement.
- H. Limitation on Public Statements About Settlement.** Plaintiffs and Class Counsel represent that they have not and will not publish the Agreement, or terms of the Agreement. In response to any inquiries, Plaintiff will state that “the case was resolved.” Plaintiffs’ counsel shall not report the Settlement or any terms in the Agreement in any medium or in any publication, shall not post or report anything regarding the claims of Plaintiffs or the Class, or the Agreement on their website, and shall not contact any reporters or media regarding the Settlement or the Agreement. Notwithstanding, Class Counsel is authorized to make any required disclosures to the Court and the LWDA for purposes of obtaining approval of the Settlement. This disclosure is limited to court filings and neither Plaintiffs, nor Class Counsel, are permitted to disseminate or publish, distribute or discuss, the information provided to the Court in those filings outside the filings themselves, and any hearing held on those filings, unless otherwise ordered by the Court. This in no way limits Class Counsel from communicating with Class Members about the Settlement. Nothing herein will restrict Class Counsel from including publicly available information regarding the

Settlement in future judicial submissions regarding Class Counsel's qualifications and experience, nor are the Parties restricted from causing publicly available court documents to be made available online should the Court require it as a part of the notice and approval process for the Settlement.

I. Miscellaneous Terms.

1. No Admission of Liability or Class Certification for Other Purposes.

- a. Defendants and the Released Parties deny that they have engaged in any unlawful activity, have failed to comply with the law in any respect, have any liability to anyone under the claims asserted in the Actions, or that but for the Settlement, a class should be certified in the Actions. This Agreement is entered into solely for the purpose of compromising highly disputed claims. Nothing in this Agreement is intended or will be construed as an admission of liability or wrongdoing by Defendants or the Released Parties, or an admission by Plaintiffs that any of the claims or factual allegations were non-meritorious, nor any defense asserted by Defendants was meritorious. This Settlement and the fact that the Parties are willing to settle the Actions will have no bearing on, and will not be admissible in connection with, any litigation (other than solely in connection with effectuating the Settlement pursuant to this Agreement).
- b. Whether or not the Judgment becomes Final, neither the Settlement, this Agreement, nor any document, statement, proceeding, or conduct related to the Settlement or the Agreement, nor any reports or accounting of those matters, will be (i) construed as, offered, or admitted in evidence as, received as, or deemed to be evidence for any purpose adverse to Plaintiffs or Defendants or any of the Released Parties, including, but not limited to, evidence of presumption, concession, indication, or admission by any of the Released Parties of any liability, fault, wrongdoing, omission, concession, or damage; or (ii) disclosed, referred to, or offered in evidence against any of the Released Parties, in any further proceeding in the Actions, or any other civil, criminal, or administrative action or proceeding except for the purposes of effectuating the Settlement pursuant to this Agreement.
- c. This section and all other provisions of this Agreement notwithstanding, any and all provisions of this Agreement may be admitted in evidence and otherwise used in any and all proceedings for the limited purpose of enforcing any or all terms of this Agreement, or defending any claims released or barred by this Agreement.

2. **Integrated Agreement.** After this Agreement is signed and delivered by all Parties and their counsel, this Agreement and its exhibits will constitute the entire agreement between the Parties relating to the Settlement, and it will then be deemed that no oral representations, warranties, covenants, or inducements have been made to any Party concerning this Agreement or its exhibits other than the representations, warranties, covenants, and inducements expressly stated in this Agreement and its exhibits.
3. **Attorney Authorization.** Class Counsel and Defendants' Counsel warrant and represent that they are authorized by Plaintiffs and Defendants, respectively, to take all appropriate action required or permitted to be taken by such Parties pursuant to this Agreement to effectuate the terms of this Agreement including any amendments to this Agreement. The Parties and their counsel will cooperate with each other and use their best efforts to effectuate the implementation of the Settlement. In the event the Parties are unable to reach agreement on the form or content of any document needed to implement the Agreement, or any supplemental provisions that may become necessary to effectuate the terms of this Agreement, the Parties will seek the assistance of the mediator, Mark S. Rudy, for resolution. However, court approval is necessary to modify this Agreement.
4. **No Prior Assignments.** The Parties represent, covenant, and warrant that they have not directly or indirectly assigned, transferred, encumbered, or purported to assign, transfer, or encumber to any person or entity any portion of any liability, claim, demand, action, cause of action, or right released and discharged in this Settlement. None of the rights, commitments, or obligations recognized under this Agreement may be assigned by any Party, Class Member, Class Counsel, or Defense Counsel without the express written consent of each other Party and their respective counsel. The representations, warranties, covenants, and agreements contained in this Agreement are for the sole benefit of the Parties under this Agreement and shall not be construed to confer any right or to avail any remedy to any other person.
5. **No Tax Advice.** Neither Class Counsel nor Defendants' Counsel intend anything contained in this Settlement to constitute advice regarding taxes or taxability, nor shall anything in this Settlement be relied upon as such within the meaning of United States Treasury Department Circular 230 (31 CFR Part 10, as amended) or otherwise.
6. **Modification of Agreement.** Any and all parts of this Agreement may be amended, modified, changed, or waived only by an express written

instrument signed by all Parties or their representatives and approved by the Court.

7. **Agreement Binding on Successors.** This Agreement will be binding upon, and inure to the benefit of, the successors of each of the Parties.
8. **Applicable Law.** All terms and conditions of this Agreement and its exhibits will be governed by and interpreted according to the laws of the State of California, irrespective of the State of California's choice of law principles.
9. **Cooperation in Drafting.** The Parties have cooperated in the drafting and preparation of this Agreement. This Agreement will not be construed against any Party on the basis that the Party was the drafter or participated in the drafting.
10. **Fair Settlement.** The Parties and their respective counsel believe and warrant that this Agreement reflects a fair, reasonable, and adequate settlement of the Actions and have arrived at this Agreement through arms-length negotiations, considering all relevant factors, current and potential.
11. **Headings.** The descriptive heading of any section or paragraph of this Agreement is inserted for convenience of reference only and does not constitute a part of this Agreement.
12. **Notice.** All notices, demands, or other communications given under this Agreement will be in writing and deemed to have been duly given as of three (3) business days after mailing by United States Postal Service, addressed as follows:

- 13. Execution in Counterparts.** This Agreement may be executed in one or more counterparts by facsimile, electronically, or email, which for purposes of this Agreement, shall be accepted as an original. All executed counterparts and each of them will be deemed to be one and the same instrument provided that counsel for the Parties will exchange between themselves signed counterparts. Any executed counterparts will be admissible in evidence to prove the existence and contents of this Agreement.
- 14. Meet and Confer Regarding Disputes.** Should any dispute arise among the parties or their respect counsel regarding the implementation or interpretation of this Agreement, a representative of Class Counsel and a

representative of Defendants' Counsel shall meet and confer in an attempt to resolve such disputes prior to submitting such disputes to the Court.

15. Stay of Litigation. The Parties agree that upon the signing of this Agreement by the Parties hereto the continuing litigation of the Actions shall be stayed and the time to bring the Actions to trial shall be extended pending the outcome of the settlement process (including with respect to California Code of Civil Procedure section 583.310).

16. Continuing Jurisdiction. To the extent consistent with class action procedure, this Agreement shall be enforceable by the Court pursuant to California Code of Civil Procedure § 664.6 and California Rule of Court 3.769(h). The disposition entered by the Court will not adjudicate the merits of the Actions or the liability of the Parties resulting from the allegations of the Actions. Its sole purpose is to adopt the terms of the Settlement and to retain continuing jurisdiction over these Actions and over all Parties and Class Members to the fullest extent to enforce and effectuate the terms and intent of this Agreement.

17. No Reliance of Representation. The Parties have made such investigation of the facts and the law pertaining to the matters described herein and to this Agreement as they deem necessary, and have not relied, and do not rely, on any statement, promise, or representation of fact or law, made by any of the other parties, or any of their agents, employees, attorneys, or representatives, with regard to any of their rights or asserted rights, or with regard to the advisability of making and executing this Agreement, or with respect to any other matters. No representations, warranties, or inducements have been made to any party concerning this Agreement.

EXHIBIT A

**SUPERIOR COURT OF THE STATE OF CALIFORNIA
FOR THE COUNTY OF ALAMEDA**

ELDER CARE ALLIANCE AND ALMAVIA WAGE
AND HOUR CASES

Case No. RG21090600 (Lead Case)

NOTICE OF CLASS ACTION SETTLEMENT

YOU MAY BE ENTITLED TO RECEIVE MONEY FROM A SETTLEMENT

A California Court authorized this notice. This is not a solicitation from a lawyer.

- A proposed class action settlement will provide \$5,500,000.00 (“Gross Settlement Amount”) for distribution to persons who are employed or who have been employed by Elder Care Alliance, Elder Care Alliance of San Francisco d/b/a AlmaVia of San Francisco, Elder Care Alliance of San Rafael, and Mercy Retirement and Care Center, as an hourly paid or non-exempt employee in the State of California at any time between January 13, 2017, and July 5, 2023 (“Settlement Class Members”).
- The settlement resolves a putative class action lawsuit alleging that Defendant Elder Care Alliance, Elder Care Alliance of San Francisco d/b/a AlmaVia of San Francisco, Elder Care Alliance of San Rafael, and Mercy Retirement and Care Center (hereafter, “Defendants”) violated laws regarding the payment of overtime wages, accurate wage statements, meal and rest periods, reimbursement of business expenses, and timely payment of all wages during employment and upon separation of employment, and unfair competition. The settlement avoids further costs and risks of continuing the lawsuit towards trial, pays money to Settlement Class Members who do not request to be excluded, and releases Defendant from liability from the claims asserted in the lawsuits.
- Class Counsel will ask the Court to award them up to \$1,925,000.00 as attorneys’ fees and up to \$50,419.79, plus additional anticipated costs through dismissal of no more than \$745.00, as expenses for actual costs incurred investigating the facts, litigating the case, and negotiating the Settlement. Plaintiffs Maria Ballesteros, Yesenia Arias, Maria Aguilar, and Maria Tabuyo (collectively, “Plaintiffs”) will also request an enhancement payment of up to \$7,500.00. This amount will be paid from the Gross Settlement Amount.
- Defendants deny all allegations and deny any and all liability or wrongdoing, and the Court has not ruled on the merits of Plaintiff’s claims.
- **Your legal rights may be affected whether you act or do not act. Read this notice carefully.**

YOUR LEGAL RIGHTS AND OPTIONS IN THIS SETTLEMENT:	
Do Nothing	You will be paid your Individual Settlement Payment in exchange for releasing the Released Claims against Defendants and Released Parties. If you move, you must notify the Settlement Administrator of your new address.
Exclude Yourself (No Later than October 27, 2025)	You will not be paid your Individual Settlement Payment, and you will retain any rights to sue Defendants for the Released Claims. You will not be able to object to the Settlement.
Object (No Later than October 27, 2025)	You will tell the Court why you don’t agree with the Settlement, following the procedures described more fully below. The Court may or may not agree with your objection. However, if the Court does not agree with your objection, you will still be paid your Individual Settlement Payment.

WHY DID YOU RECEIVE THIS NOTICE?

This notice explains a proposed settlement of a class action lawsuit and informs you of your legal rights under the proposed settlement. You have received this notice because you may be a member of the Settlement Class.

WHAT IS THIS LAWSUIT ABOUT?

On January 13, 2021, Plaintiff Ballesteros initiated a putative class action against Defendants by filing a complaint on behalf of herself and all other employees similarly situated. Plaintiff Ballesteros' Action includes class claims for violation of laws governing payment of minimum and overtime wages, failure to provide meal and rest periods or pay premiums, reimbursement of necessary business expenses, timely payment of all wages, wage statement requirements, failure to maintain accurate employment records, and unfair competition under Cal. Bus. and Prof. Code §§ 17200, *et seq.*

SUMMARY OF THE SETTLEMENT

A. Why is there a Settlement?

Plaintiff filed a putative class action asserting certain claims against Defendants. Defendants deny any and all liability or wrongdoing. The Court did not decide in favor of Plaintiff or Defendants. There was no trial. Instead, the parties agreed to a proposed class action settlement to avoid further costs, risks, and uncertainty at trial in exchange for the Gross Settlement Amount and Release of Claims against Defendants and Released Parties. Plaintiff and Class Counsel believe the settlement is fair, reasonable and adequate and in the best interests of all Settlement Class Members.

B. Who is in the Settlement Class?

The Settlement encompasses a class composed of "all current and former hourly-paid or non-exempt employees of Defendants in California employed between January 13, 2017 through the date of preliminary approval, or 90 days after the signing of [the] MOU, whichever is sooner."

C. What does the Settlement Provide?

Defendants will pay a total of \$5,500,000.00 to settle the class claims. The following sums will be paid from the Gross Settlement Amount: (1) Class Counsel's attorneys' fees in an amount set by the Court not to exceed \$1,925,000.00 and Class Counsel's documented litigation costs in an amount set by the Court not to exceed \$50,419.79 plus additional anticipated costs through dismissal of no more than \$745.00; (2) service payment to the Class Representative set by the court, not to exceed \$7,500.00 for their service in the Action; (3) a reasonable amount set by the Court to the settlement administrator for administering the settlement, not to exceed approximately \$20,000.00, which can be adjusted upwards if it is insufficient; and, (4) an allocation of \$250,000 as civil penalties, of which 75% is paid to the Labor Workforce Development Agency and the remaining 25% is paid to Settlement Class Members on a pro rata basis based on their workweeks during the class period. The amount of the Gross Settlement Amount remaining after these payments is the "Net Settlement Amount," payable to Settlement Class Members who do not request to be excluded.

D. What are You Giving Up to Receive a Payment and Stay in the Class?

If the proposed Settlement is approved by the Court, a judgment will be entered such that each Settlement Class Member who has not submitted a timely and valid request for exclusion will release and discharge Defendant, together with all Defendant's affiliated predecessor and successor entities, and each such entity's respective present and former subsidiaries, affiliates, parents, agents, employees, former employees, partners, owners, shareholders, directors, officers, attorneys, trustees, administrators, insurers, re-insurers, representatives, predecessors, successors, and assigns ("Released Parties") from the factual allegations pled in the operative pleadings in the Actions, including the claims that have been or could have been pled as wage and hour violations under California law based on the factual allegations set forth in the operative pleadings in the Actions during the Class Period, including all remedies that could have been claimed in connection with the released class claims, including, but not limited to any and all claims for violations of the California Labor Code governing: meal and rest breaks; unpaid wages; reimbursement of business expenses and any and all theories for or related to "off the clock work"; wage statement violations; separation pay violations, including waiting time penalties; and derivative liability with respect to claims that can be made under the California Business and Professions Code ("Released Claims").

E. How is My Share of the Settlement Calculated?

Each Settlement Class Member (who does not opt out of the Settlement) shall receive an Individual Payment Amount, which is a proportionate share of the Net Settlement Amount.

Based on its records, Defendants will determine the number of Total Workweeks Worked by each Settlement Class Member. The respective Total Workweeks Worked for each Settlement Class Member will be divided by the Total Workweeks Worked for all Settlement Class Members who do not opt out, resulting in the Payment Ratio for each Settlement Class Member. Each Settlement Class Member's Payment Ratio is then multiplied by the Net Settlement Amount to determine his or her Individual Settlement Payment. Settlement Class Members are not eligible to receive any compensation under the Settlement other than Individual Settlement Payments.

According to the records of Defendants, your Total Workweeks Worked during the Class Period is: «SubClass1_Weight». Based on this number, your estimated Individual Payment Amount is «SubClass1_Amt». This amount is subject to change based on the final ruling of the Court and the number of Settlement Class Members who request to be excluded from the Settlement.

Please be advised that the number of Total Workweeks Worked listed above is presumed to be correct unless you submit documentation proving otherwise. If you disagree with the number of workweeks listed above, please submit an explanation and evidence to the Settlement Administrator no later than October 27, 2025. In the event of a dispute about the correct number of Total Workweeks Worked, the Settlement Administrator will resolve the challenge and will make a final and binding determination without hearing or right of appeal by you.

THE SETTLEMENT HEARING

The Court will conduct a Final Fairness Hearing regarding the proposed settlement on December 9, 2025, at 2:30 p.m., in Department 21 of the Alameda County Superior Court, located at 2233 Shore Line Dr, Alameda, CA 94501. The Court will determine: (i) whether the Settlement should be given the Court's final approval as fair, reasonable, adequate and in the best interests of the Settlement Class Members; (ii) whether the Settlement Class Members should be bound by the terms of the settlement; (iii) the amount of the attorneys' fees and costs to be awarded to Class Counsel; (v) the amount that should be awarded to Plaintiffs as a service payment, and (vi) the amount awarded to the Settlement Administrator. At the Final Fairness Hearing, the Court may hear all properly filed objections, as well as arguments for and against the proposed settlement. You have a right to attend this hearing, but you are not required to do so. You also have the right to hire an attorney to represent you, or to enter an appearance and represent yourself, but Class Counsel will not represent you with respect to any objections to the Settlement.

It is not necessary for you to appear at this hearing unless you have timely submitted an objection to the Settlement or wish to object to the Settlement at the hearing.

WHAT ARE YOUR OPTIONS?

- **OPTION 1 – DO NOTHING AND PARTICIPATE IN THE SETTLEMENT**

IF YOU TAKE NO ACTION IN RESPONSE TO THIS NOTICE, YOU WILL AUTOMATICALLY RECEIVE YOUR SHARE OF THE SETTLEMENT IF THE SETTLEMENT IS APPROVED BY THE COURT. YOU ARE NEVER REQUIRED TO GO TO COURT OR PAY ANYTHING TO THE LAWYERS IN THIS CASE. If you move, you must update your address with the Settlement Administrator. If you disagree with the number of Total Workweeks Worked, you must submit an explanation and/or documentation to the Settlement Administrator to justify your position, postmarked no later than October 27, 2025. The Settlement Administrator's address is Elder Care Alliance and Almavia Wage and Hour Cases c/o CPT Group, Inc., 50 Corporate Park, Irvine, CA 92606.

- **OPTION 2 – OBJECT TO THE SETTLEMENT**

If you wish to remain a Settlement Class Member, but you object to the proposed settlement (or any of its terms) and wish the Court to consider your objection at the Final Settlement Hearing, you may object to the proposed settlement in writing, no later than October 27, 2025. The date of the postmark on the return envelope shall be the exclusive means

for determining that a Notice of Objection was timely submitted. The Notice of Objection must be signed by the Settlement Class Member and state: (1) the full name of the Settlement Class Member; (2) the last four digits of the Settlement Class Member's Social Security number and/or the Employee ID number; and (3) the basis for the objection. Class Counsel shall include all objections received and Plaintiffs' response(s) with Plaintiffs' motion for final approval of the Settlement. Class Counsel shall not represent any Settlement Class Members with respect to any such objections. The Settlement Administrator's address is listed above.

• **OPTION 3 – EXCLUDE YOURSELF FROM THE SETTLEMENT**

You have a right to exclude yourself ("opt out") from the Settlement Class, but if you choose to do so, you will not receive any benefits from the proposed settlement, and you will not be bound by a judgment in these coordinated cases. The written request for exclusion must be postmarked no later than October 27, 2025 and: (1) must contain the name, address, telephone number and the last four digits of the Social Security number and/or the Employee ID number of the person requesting exclusion, (2) must be signed by the Settlement Class Member; (3) must be postmarked by October 27, 2025 and returned to the Settlement Administrator at the specified address; and (4) must describe the Settlement Class Member's intent to request exclusion, opt out, or words to that effect. If a signed request for exclusion is not timely submitted stating the name and address of the Settlement Class Member, it will not be deemed valid for exclusion from this Settlement. The date of the postmark on the return mailing envelope of the request for exclusion shall be the exclusive means used to determine whether the request for exclusion was timely submitted. Any Settlement Class Member who requests to be excluded from the Settlement Class will not be entitled to any recovery under the Settlement and will not be bound by the terms of the Settlement or have any right to object, appeal or comment thereon. Settlement Class Members who fail to submit a valid and timely written request for exclusion shall be bound by all terms of the Settlement and any Judgment entered in this Action, if the Settlement is finally approved by the Court. The Settlement Administrator's address is listed above.

¿DE QUÉ SE TRATA ESTA DEMANDA?

El 13 de enero del 2021, la Demandante Ballesteros inició una demanda colectiva putativa en contra de los Demandados al presentar una queja en nombre de sí misma y de todos los demás empleados situados de manera similar. La Demanda de la Demandante Ballesteros incluye reclamos de la clase por la violación de las leyes que rigen el pago de los salarios mínimos y de las horas extras, no proporcionar los períodos de comida y de descanso o de pagar las primas, el reembolso de los gastos comerciales necesarios, el pago oportuno de todos los salarios, los requisitos de las declaraciones salariales, no mantener los registros de empleo precisos y la competencia desleal conforme a las §§ 17200, y *siguientes* del Código de Negocios y Profesiones de California.

RESUMEN DEL ACUERDO

A. ¿Por qué hay un Acuerdo?

La Demandante presentó una demanda colectiva putativa afirmando ciertos reclamos en contra de los Demandados. Los Demandados niegan cualquier responsabilidad o mala conducta. La Corte no decidió a favor de la Demandante ni de los Demandados. No hubo un juicio. En su lugar, las partes acordaron un acuerdo de demanda colectiva propuesto para evitar más costos, riesgos e incertidumbre en el juicio a cambio de la Cantidad Bruta del Acuerdo y la Liberación de Reclamos en contra de los Demandados y las Partes Liberadas. La Demandante y los Abogados de la Clase creen que el acuerdo es justo, razonable y adecuado y en el mejor interés de todos los Miembros de la Clase del Acuerdo.

B. ¿Quién está en la Clase del Acuerdo?

El Acuerdo incluye a una clase compuesta de “todos los empleados actuales y anteriores pagados por hora o no exentos de los Demandados en California empleados entre el 13 de enero del 2017 hasta la fecha de la aprobación preliminar, o 90 días después de la firma del [MOU], lo que ocurra primero.”

C. ¿Qué Proporciona el Acuerdo?

Los Demandados pagarán un total de \$5,500,000.00 para resolver los reclamos de la clase. Las siguientes cantidades se pagarán de la Cantidad Bruta del Acuerdo: (1) los honorarios de abogados de los Abogados de Clase en una cantidad establecida por la Corte que no excederá \$1,925,000.00 y los costos de litigio documentados de los Abogados de Clase en una cantidad establecida por la Corte que no excederá \$50,419.79 más los costos adicionales anticipados hasta la desestimación de no más de \$745.00; (2) pago de servicio a la Representante de Clase establecido por la corte, que no excederá \$7,500.00 por su servicio en la Demanda; (3) una cantidad razonable establecida por la Corte para el administrador del acuerdo por la administración del acuerdo, que no excederá aproximadamente los \$20,000.00, que podrá ajustarse para aumentar si no es suficiente; y (4) una asignación de \$250,000 como sanciones civiles, de las cuales el 75% se pagará a la Agencia de Desarrollo de la Fuerza Laboral y el 25 % restante se pagará a los Miembros de la Clase del Acuerdo sobre una base proporcional según sus semanas de trabajo durante el período de la clase. La cantidad de la Cantidad Bruta del Acuerdo que reste después de estos pagos es la “Cantidad Neta del Acuerdo,” que se pagará a los Miembros de la Clase del Acuerdo que no soliciten ser excluidos.

D. ¿A Qué Está Renunciando Para Recibir un Pago y Permanecer en la Clase?

Si el Acuerdo propuesto es aprobado por la Corte, se dictará una sentencia en la que cada Miembro de la Clase del Acuerdo que no haya presentado una solicitud de exclusión válida y oportuna liberará y absolverá al Demandado, junto con todas las entidades afiliadas, predecesoras y sucesoras del Demandado, y cada una de las respectivas presentes y anteriores subsidiarias, afiliadas, matrices, agentes, empleados, empleados anteriores, socios, propietarios, accionistas, directores, funcionarios, abogados, fideicomisarios, administradores, aseguradoras, reaseguradoras, representantes, predecesores, sucesores y cesionarios (“Partes Liberadas”) de las alegaciones de hecho presentadas en los escritos operativos de las Demandas, incluyendo los reclamos que han sido o podrían haber sido presentados como violaciones de salarios y horarios conforme a la ley de California, sobre la base de las alegaciones de hecho establecidas en los escritos operativos en las Demandas durante el Período de la Clase, incluyendo todas las indemnizaciones que pudieran haberse reclamado en relación con los reclamos liberados de la clase, incluyendo, pero no limitado a, cualquiera y todos los reclamos por violaciones del Código Laboral de California que rige: los períodos de comida y de descanso; los salarios no pagados; el reembolso de los gastos comerciales y cualquiera y todas las teorías a favor o relacionadas con el “trabajo fuera del horario laboral”; las violaciones de las declaraciones salariales; las violaciones del pago por separación,

incluyendo las sanciones del tiempo de espera; y la responsabilidad derivada con respecto a los reclamos que puedan ser presentados conforme al Código de Negocios y Profesiones de California (“Reclamos Liberados”).

E. ¿Cómo Se Calculará Mi Parte del Acuerdo?

Cada Miembro de la Clase del Acuerdo (que no se excluya del Acuerdo) recibirá una Cantidad Individual de Pago, que es una parte proporcional de la Cantidad Neta del Acuerdo.

Sobre la base de sus registros, los Demandados determinarán el número Total de Semanas de Trabajo Trabajadas por cada Miembro de la Clase del Acuerdo. El Total de Semanas de Trabajo Trabajadas por cada Miembro de la Clase del Acuerdo se dividirá entre el Total de Semanas de Trabajo Trabajadas por todos los Miembros de la Clase del Acuerdo que no se excluyan, lo que dará como resultado la Proporción de Pago para cada Miembro de la Clase del Acuerdo. Cada Proporción de Pago de los Miembros de la Clase del Acuerdo se multiplicará por la Cantidad Neta del Acuerdo para determinar su Pago Individual del Acuerdo. Los Miembros de la Clase del Acuerdo no son elegibles para recibir alguna compensación bajo el Acuerdo, excepto los Pagos Individuales del Acuerdo.

Según los registros de los Demandados, su Total de Semanas de Trabajo Trabajadas durante el Período de la Clase es: «SubClass1_Weight». Sobre la base de este número, su Cantidad Individual de Pago estimada es de «SubClass1_Amt». Esta cantidad está sujeta a cambios sobre la base de la decisión final de la Corte y el número de Miembros de la Clase del Acuerdo que soliciten ser excluidos del Acuerdo.

Por favor, tenga en cuenta que el número de Semanas de Trabajo Totales que se indica anteriormente se considera correcto a menos de que presente la documentación que demuestre lo contrario. Si no está de acuerdo con el número de semanas de trabajo que se indica anteriormente, por favor envíe una explicación y pruebas al Administrador del Acuerdo a no más tardar el 27 de octubre del 2025. POR FAVOR NO LLAME A LA CORTE PARA OBTENER INFORMACIÓN SOBRE ESTE ACUERDO.

POR ORDEN DE LA CORTE SUPERIOR DEL ESTADO DE CALIFORNIA

Este aviso explica un acuerdo propuesto de una demanda colectiva y le informa de sus derechos legales conforme al acuerdo propuesto. Usted ha recibido este aviso porque usted puede ser un miembro de la Clase del Acuerdo.

¿DE QUÉ SE TRATA ESTA DEMANDA?

El 13 de enero del 2021, la Demandante Ballesteros inició una demanda colectiva putativa en contra de los Demandados al presentar una queja en nombre de sí misma y de todos los demás empleados situados de manera similar. La Demanda de la Demandante Ballesteros incluye reclamos de la clase por la violación de las leyes que rigen el pago de los salarios mínimos y de las horas extras, no proporcionar los períodos de comida y de descanso o de pagar las primas, el reembolso de los gastos comerciales necesarios, el pago oportuno de todos los salarios, los requisitos de las declaraciones salariales, no mantener los registros de empleo precisos y la competencia desleal conforme a las §§ 17200, y *siguientes* del Código de Negocios y Profesiones de California.

RESUMEN DEL ACUERDO

A. ¿Por qué hay un Acuerdo?

La Demandante presentó una demanda colectiva putativa afirmando ciertos reclamos en contra de los Demandados. Los Demandados niegan cualquier responsabilidad o mala conducta. La Corte no decidió a favor de la Demandante ni de los Demandados. No hubo un juicio. En su lugar, las partes acordaron un acuerdo de demanda colectiva propuesto para evitar más costos, riesgos e incertidumbre en el juicio a cambio de la Cantidad Bruta del Acuerdo y la Liberación de Reclamos en contra de los Demandados y las Partes Liberadas. La Demandante y los Abogados de la Clase creen que el acuerdo es justo, razonable y adecuado y en el mejor interés de todos los Miembros de la Clase del Acuerdo.

B. ¿Quién está en la Clase del Acuerdo?

El Acuerdo incluye a una clase compuesta de “todos los empleados actuales y anteriores pagados por hora o no exentos de los Demandados en California empleados entre el 13 de enero del 2017 hasta la fecha de la aprobación preliminar, o 90 días después de la firma del [MOU], lo que ocurra primero.”

C. ¿Qué Proporciona el Acuerdo?

Los Demandados pagarán un total de \$5,500,000.00 para resolver los reclamos de la clase. Las siguientes cantidades se pagarán de la Cantidad Bruta del Acuerdo: (1) los honorarios de abogados de los Abogados de Clase en una cantidad establecida por la Corte que no excederá \$1,925,000.00 y los costos de litigio documentados de los Abogados de Clase en una cantidad establecida por la Corte que no excederá \$50,419.79 más los costos adicionales anticipados hasta la desestimación de no más de \$745.00; (2) pago de servicio a la Representante de Clase establecido por la corte, que no excederá \$7,500.00 por su servicio en la Demanda; (3) una cantidad razonable establecida por la Corte para el administrador del acuerdo por la administración del acuerdo, que no excederá aproximadamente los \$20,000.00, que podrá ajustarse para aumentar si no es suficiente; y (4) una asignación de \$250,000 como sanciones civiles, de las cuales el 75% se pagará a la Agencia de Desarrollo de la Fuerza Laboral y el 25 % restante se pagará a los Miembros de la Clase del Acuerdo sobre una base proporcional según sus semanas de trabajo durante el período de la clase. La cantidad de la Cantidad Bruta del Acuerdo que reste después de estos pagos es la “Cantidad Neta del Acuerdo,” que se pagará a los Miembros de la Clase del Acuerdo que no soliciten ser excluidos.

D. ¿A Qué Está Renunciando Para Recibir un Pago y Permanecer en la Clase?

Si el Acuerdo propuesto es aprobado por la Corte, se dictará una sentencia en la que cada Miembro de la Clase del Acuerdo que no haya presentado una solicitud de exclusión válida y oportuna liberará y absolverá al Demandado, junto con todas las entidades afiliadas, predecesoras y sucesoras del Demandado, y cada una de las respectivas presentes y anteriores subsidiarias, afiliadas, matrices, agentes, empleados, empleados anteriores, socios, propietarios, accionistas, directores, funcionarios, abogados, fideicomisarios, administradores, aseguradoras, reaseguradoras, representantes, predecesores, sucesores y cesionarios (“Partes Liberadas”) de las alegaciones de hecho presentadas en los escritos operativos de las Demandas, incluyendo los reclamos que han sido o podrían haber sido presentados como violaciones de salarios y horarios conforme a la ley de California, sobre la base de las alegaciones de hecho establecidas en los escritos operativos en las Demandas durante el Período de la Clase, incluyendo todas las indemnizaciones que pudieran haberse reclamado en relación con los reclamos liberados de la clase, incluyendo, pero no limitado a, cualquiera y todos los reclamos por violaciones del Código Laboral de California que rige: los períodos de comida y de descanso; los salarios no pagados; el reembolso de los gastos comerciales y cualquiera y todas las teorías a favor o relacionadas con el “trabajo fuera del horario laboral”; las violaciones de las declaraciones salariales; las violaciones del pago por separación,

incluyendo las sanciones del tiempo de espera; y la responsabilidad derivada con respecto a los reclamos que puedan ser presentados conforme al Código de Negocios y Profesiones de California (“Reclamos Liberados”).

E. ¿Cómo Se Calculará Mi Parte del Acuerdo?

Cada Miembro de la Clase del Acuerdo (que no se excluya del Acuerdo) recibirá una Cantidad Individual de Pago, que es una parte proporcional de la Cantidad Neta del Acuerdo.

Sobre la base de sus registros, los Demandados determinarán el número Total de Semanas de Trabajo Trabajadas por cada Miembro de la Clase del Acuerdo. El Total de Semanas de Trabajo Trabajadas por cada Miembro de la Clase del Acuerdo se dividirá entre el Total de Semanas de Trabajo Trabajadas por todos los Miembros de la Clase del Acuerdo que no se excluyan, lo que dará como resultado la Proporción de Pago para cada Miembro de la Clase del Acuerdo. Cada Proporción de Pago de los Miembros de la Clase del Acuerdo se multiplicará por la Cantidad Neta del Acuerdo para determinar su Pago Individual del Acuerdo. Los Miembros de la Clase del Acuerdo no son elegibles para recibir alguna compensación bajo el Acuerdo, excepto los Pagos Individuales del Acuerdo.

Según los registros de los Demandados, su Total de Semanas de Trabajo Trabajadas durante el Período de la Clase es: «SubClass1_Weight». Sobre la base de este número, su Cantidad Individual de Pago estimada es de «SubClass1_Amt». Esta cantidad está sujeta a cambios sobre la base de la decisión final de la Corte y el número de Miembros de la Clase del Acuerdo que soliciten ser excluidos del Acuerdo.

Por favor, tenga en cuenta que el número de Semanas de Trabajo Totales que se indica anteriormente se considera correcto a menos de que presente la documentación que demuestre lo contrario. Si no está de acuerdo con el número de semanas de trabajo que se indica anteriormente, por favor envíe una explicación y pruebas al Administrador del Acuerdo a no más tardar el 27 de octubre del 2025. En caso de disputa sobre el número correcto de Semanas de Trabajo Trabajadas en Total, el Administrador del Acuerdo resolverá la disputa y tomará una decisión definitiva y obligatoria sin audiencia o derecho de apelación por su parte.

LA AUDIENCIA DEL ACUERDO

La Corte llevará a cabo una Audiencia de Equidad Final con respecto al acuerdo propuesto el 9 de diciembre del 2025 a las 2:30 p.m., en el Departamento 21 de la Corte Superior del Condado de Alameda, ubicada en 2233 Shore Line Dr, Alameda, CA 94501.
