HABER IN SUPPORT OF PLAINTIFF'S
MOTION FOR FINAL APPROVAL OF
CLASS ACTION SETTLEMENT**

FINAL APPROVAL HEARING

Date: January 26, 2026

Time: 1:30 p.m.

Dept.: CX103

Complaint filed: April 15, 2021

FAC filed: August 15, 2023

Trial date: Not set

I, Benjamin H. Haber, declare as follows:

1. I am admitted, in good standing, to practice as an attorney in the State of California and the United States District Courts for the Central, Southern, Eastern, and Northern Districts of California. I am a Partner at Wilshire Law Firm, PLC (“WLF”), counsel of record for Plaintiff Javier Santiago (“Plaintiff”). I have personal knowledge of the facts set forth in this declaration and could and would competently testify to them under oath if called as a witness. This Declaration is submitted in support of Plaintiff’s Motion for Final Approval of Class Action Settlement (the “Motion”).

CASE BACKGROUND

2. This is a consolidated wage and hour class and Private Attorneys General Act (“PAGA”) (Cal. Lab. Code §§ 2699, et seq.) representative action. Plaintiff and putative class members worked in California as hourly-paid or non-exempt employees for Defendant Cal Tech Precision, Inc (“Defendant”) during the class period. Defendant is based in Anaheim, California and specializes in the manufacturing of complex structural aerospace parts.

3. On April 15, 2021, Plaintiff filed a putative wage-and-hour class action complaint against Defendant for: (1) failure to pay minimum and straight time wages (Labor Code §§ 204, 1194, 1194.2, and 1197); (2) failure to pay overtime wages (Labor Code §§ 1194, and 1198); (3) failure to provide meal periods (Labor Code §§ 226.7 and 512); (4) failure to authorize and permit rest periods (Labor Code §§ 226.7 and 512); (5) failure to provide accurate itemized wage statements (Labor Code § 226); (6) failure to timely pay final wages at termination (Labor Code §§ 201-203); (7) failure to indemnify employees for expenditures (Labor Code § 2802); and (8) unfair business practices (Business and Professions Code 17200 et seq.). Plaintiff sent a notice to Defendant and the California Labor & Workforce Development Agency (“LWDA”) alleging similar wage and hour violations pursuant to the PAGA (Cal. Lab. Code §§ 2699, *et seq.*) on April 15, 2021. On August 15, 2023, Plaintiff filed the First Amended Complaint against Defendant adding claims for civil penalties under Private Attorneys General Act “PAGA” (Labor Code § 2698 et seq.).

1 DISCOVERY, INVESTIGATION, AND SETTLEMENT

2 4. Following the filing of the Complaint, the Parties exchanged documents and
3 information before mediating this action. Defendant produced samples of pay data and timesheets
4 for class members. Defendant also provided documents of its wage and hour policies and practices
5 during the class period, and information regarding the total number of current and former
6 employees in its informal discovery responses. Following mediation, Defendant also provided
7 financial-related documents evidencing Defendant’s ability to fund a settlement.

8 5. After reviewing documents regarding Defendant’s wage and hour policies and
9 practices, analyzing Defendant’s timekeeping and payroll records, reviewing financial-related
10 documents with the assistance of a financial forensic accountant, Class Counsel was able to
11 evaluate the probability of class certification, success on the merits, Defendant’s maximum
12 monetary exposure for all claims, and Defendant’s ability to fund a settlement. Class Counsel also
13 investigated the applicable law regarding the claims and defenses asserted in the Litigation.
14 Class Counsel reviewed these records and prepared a damage analysis prior to mediation.

15 SETTLEMENT NEGOTIATIONS

16 6. On January 20, 2022, the Parties participated in private mediation with experienced
17 class action mediator, Kelly A. Knight, Esq. The mediation was conducted via Zoom. The
18 settlement negotiations were at arm’s length and, although conducted in a professional manner,
19 were adversarial. The parties went into the mediation willing to explore the potential for
20 a settlement of the dispute, but each side was also prepared to litigate their position through trial
21 and appeal if a settlement had not been reached. The Parties did not resolve the action at mediation.
22 However, the Parties engaged in additional informal discovery, including Defendant’s production
23 of financial-related documents. After extensive negotiations and discussions regarding the
24 strengths and weaknesses of Plaintiff’s claims and Defendant’s defenses, the Parties were able to
25 reach a resolution, the material terms of which are encompassed within the Settlement Agreement.
26 Attached as Exhibit 1 is a true and correct copy of Class Action and PAGA Settlement Agreement
27 and Class Notice (“Settlement” or “Settlement Agreement”).

28 7. Class Counsel has conducted a thorough investigation into the facts of this case.

1 Based on the foregoing discovery and their own independent investigation and evaluation, Class
2 Counsel is of the opinion that the Settlement is fair, reasonable, and adequate and is in the best
3 interests of the Settlement Class Members in light of all known facts and circumstances, the risk
4 of significant delay, the defenses that could be asserted by Defendant both to certification and on
5 the merits, trial risk, and appellate risk.

6 8. On July 3, 2024, Plaintiff filed his initial Motion for Preliminary Approval of Class
7 Action Settlement (“MPA”). On October 25, 2024, this Court issued a tentative ruling regarding
8 Plaintiff’s Motion for Preliminary Approval of Class Action Settlement and ordered that the Parties
9 review and revise issues that it had with the Settlement Agreement, Class Notice, and attaching
10 both the notification and copy of the letter sent to the Labor and Workforce Development Agency
11 (“LWDA”), a class member exclusion form, and a workweek dispute form. The Parties met and
12 conferred and agreed to amend the Settlement with respect to all of the requested changes from the
13 October 25, 2024 tentative ruling, except for the allocation of the settlement payment between
14 wages and non-wages for tax purposes, which the Parties prefer to maintain at 75% allocated to
15 non-wages and 25% allocated to wages. The Parties agreed upon and executed an Addendum to
16 the Class Action and PAGA Settlement Agreement and Class Notice (“Addendum”) through their
17 counsel to confirm the changes made to the Settlement Agreement and Class Notice pursuant to
18 the Court’s tentative ruling. On July 9, 2025, Plaintiff filed a revised Proposed Order. On October
19 2, 2025, the Court granted Plaintiff’s Motion for Preliminary Approval. The deadline for class
20 members to opt out or object to the Settlement is January 26, 2026. The reaction of the Class to
21 the settlement so far has been overwhelmingly positive. Indeed, as of the filing of the Motion, no
22 Class Member has opted out of the settlement and no Class Member has objected to the settlement.
23 The administrator will provide a supplemental declaration once the responsive deadline passes.
24 Thus, the proposed Settlement is fair, reasonable, and adequate and is in the best interests of the
25 Settlement Class Members.

26 9. This Settlement avoids the risks and the accompanying expense of further litigation.
27 Although the Parties had engaged in a significant amount of investigation, informal discovery and
28 class-wide data analysis, the Parties had not yet completed formal written discovery. Plaintiff

1 intended to depose corporate officers and managers of Defendant. Moreover, preparation for class
2 certification and a trial remained for the Parties as well as the prospect of appeals in the wake of a
3 disputed class certification ruling for Plaintiff and/or adverse summary judgment ruling. Had the
4 Court certified any claims, Defendant could move to decertify the claims. As a result, the Parties
5 would incur considerably more attorneys' fees and costs through trial.

6 10. The proposed Settlement Agreement was provided to the LWDA in advance of
7 Plaintiff's filing of the Motion for Preliminary Approval of Class Action Settlement.

8 ENHANCEMENT AWARDS FOR PLAINTIFF IS REASONABLE

9 11. Class Counsel represent that Plaintiff devoted a great deal of time and work assisting
10 counsel in the case, communicated with counsel very frequently for litigation and to prepare for
11 mediation, and was frequently in contact with Class Counsel during the mediation. Plaintiff's
12 requested enhancement award is reasonable particularly in light of the substantial benefits Plaintiff
13 generated for all class members.

14 12. Throughout this litigation, Plaintiff, who is a former employee of Defendant, has
15 cooperated immensely with my office and has taken many actions to protect the interests of the
16 class. Plaintiff provided valuable information regarding the off-the-clock, meal period, and rest
17 period claims. Plaintiff also informed my office of developments and information relevant to this
18 action, participated in decisions concerning this action, made himself available to answer questions
19 during the mediation, and provided my office with the names and contact information of potential
20 witnesses in this action. Before we filed this case, Plaintiff provided my office with documents
21 regarding the claims alleged in this action. The information and documentation provided by
22 Plaintiff was instrumental in establishing the wage and hour violations alleged in this action, and
23 the recovery provided for in the Settlement Agreement would have been impossible to obtain
24 without Plaintiff's participation.

25 13. At the same time, Plaintiff faced many risks in adding himself as the class
26 representative in this matter. Plaintiff faced actual risks with his future employment, as putting
27 himself on public record in an employment lawsuit could also very well affect his likelihood for
28 future employment. Furthermore, as part of this settlement, Plaintiff is executing general release

of all claims against Defendant.

14. In turn, class members will now have the opportunity to participate in a settlement, reimbursing them for alleged wage violations they may have never known about on their own or been willing to pursue on their own. If these class members would have each tried to pursue their legal remedies on their own, that would have resulted in each having to expend a significant amount of their own monetary resources and time, which were obviated by Plaintiff putting himself on the line on behalf of these other class members.

15. In the final analysis, this class action would not have been possible without the aid of Plaintiff, who put his own time and effort into this litigation, sacrificed the value of his own individual claims, and placed himself at risk for the sake of the class members. The requested enhancement awards for Plaintiff for his services as the class representative and for his general release of all individual claims is a relatively small amount of money when the time and effort put into the litigation are considered and in comparison to enhancements granted in other class actions. The requested incentive award is therefore reasonable to compensate Plaintiff for his active participation in this lawsuit.

THE REQUEST FOR ATTORNEYS' FEES AND COSTS IS REASONABLE

16. The settlement provides for attorneys' fees and costs to Class Counsel in an amount up to one-third (33.1/3%) of the Settlement Amount, for a maximum fees award of \$116,666.67, plus actual costs and expenses not to exceed \$20,000.00.

17. The total current lodestar for Wilshire Law Firm, PLC is not less than the following:

Person	Role	Hours	Rate	Lodestar
Benjamin H. Haber	Partner	63.5	\$950	\$60,325
Daniel J. Kramer	Senior Attorney	16.2	\$800	\$12,960
Alan Wilcox	Senior Attorney	9.3	\$900	\$8,370
Justin F. Marquez	Former Partner	15 ¹	\$1500	\$22,500

¹ As described below, Justin F. Marquez is no longer with Wilshire Law Firm, PLC as of December 2024. I have conservatively estimated at least 15 hours of work (which I can personally corroborate) by Mr. Marquez on this matter, which includes, but is not limited to, assisting with the complaint, participating in several meetings regarding the case

Total:	104		\$104,155
---------------	-----	--	-----------

18. Wilshire Law Firm, PLC has spent at least 104 hours, for a lodestar of \$104,155 litigating this action to bring it to resolution, not including time which will be expended monitoring the administration of the settlement and distribution of funds to the Class Members. The efforts expended by Plaintiff's counsel to achieve this result include, but are not limited to, the following:

- a. the investigation of the matter, including meeting with Plaintiff, reviewing Defendant's policies, and requesting and reviewing Plaintiff's time and pay records, personnel files, and exploring the corporate structure of Defendant;
- b. filing the action;
- c. attending hearings and meeting and conferring with Defendant regarding the case;
- d. meeting and conferring with Defendant regarding mediation, exchange of informal discovery beforehand, and negotiating with opposing counsel regarding the parameters thereof;
- e. selecting a mediator and mediation date;
- f. working with opposing counsel and an expert consultant for the receipt of a representative sampling and analyzing the same with the aid of expert consultant and Plaintiff to perform analyses of liability and exposure prior to attendance of the mediation in this matter;
- g. reviewing policy documents from Defendant and researching applicable defenses;
- h. preparation of a mediation brief and damages model for use at mediation;
- i. attendance at mediation by all Parties and Counsel;
- j. engaging in an exchange of financial-related documents and reviewing those records with a forensic account; communicating with Plaintiff who requested updates or other information regarding this matter;
- k. engaging in settlement negotiations, followed by finalizing and fully executing the Settlement Agreement;

and case strategy, assisting with the mediation materials and brief, attending the mediation, and reviewing settlement-related documents.

1. drafting the First Amended Complaint;
- m. preparing the Motion for Preliminary Approval of Class Action Settlement and supporting documents.
- n. preparing the supplemental briefing in support of the Motion for Preliminary Approval
- o. communicating with the Settlement Administrator to ensure the Class Notice was properly distributed and engaging in extensive follow-up communications with the Settlement Administrator regarding class members who sought additional information about the Settlement; and
- p. preparing the instant Motion and supporting documents.

19. There are additional hours devoted by me (and by my colleagues) to this litigation that are not reflected in Class Counsel's request for attorneys' fees.

20. We can provide additional billing records in the event the Court requests them but would request the opportunity to redact attorney-client privileged information and any other privileged information.

21. I am informed and believe that the fee and costs provision is reasonable. The fee percentage requested is less than that charged by my office for most employment cases. My office invested significant time and resources into the case, with payment deferred to the end of the case, and then, of course, contingent on the outcome.

22. It is further estimated that my office will need to expend at least another 15 to 30 hours to monitor the process leading up to payments made to the class. My office also bears the risk of taking whatever actions are necessary if Defendant fails to pay.

23. The risk to my office has been very significant, particularly if we would not be successful in pursuing this class action. In that case, we would have been left with no compensation for all the time taken in litigating this case. The contingent risk in these types of cases is very real and they do occur regularly. Furthermore, we were precluded from focusing on, or taking on, other cases which could have resulted in a larger, and less risky, monetary gain.

24. Because most individuals cannot afford to pay for representation in litigation on an

1 hourly basis, Wilshire Law Firm, PLC represents virtually all of its employment law clients on a
2 contingency fee basis. Pursuant to this arrangement, we are not compensated for our time unless
3 we prevail at trial or successfully settle our clients' cases. Because Wilshire Law Firm, PLC is
4 taking the risk that we will not be reimbursed for our time unless our client settles or wins his or
5 his case, we cannot afford to represent an individual employee on a contingency basis if, at the end
6 of our representation, all we are to receive is our regular hourly rate for services. It is essential
7 that we recover more than our regular hourly rate when we win if we are to remain in practice so
8 as to be able to continue representing other individuals in civil rights employment disputes.

9 25. As of the date of filing this Motion, Class Counsel has incurred around \$13,635.31
10 in costs, and Defendant has agreed that they will not oppose any cost award request up to
11 \$20,000.00. Accordingly, Class Counsel respectfully requests reimbursements of \$13,635.31 in
12 expenses, which should be reimbursed in full. Attached as **Exhibit 3** is a list of the costs and the
13 categories of costs for the costs incurred in this case to date by Wilshire Law Firm, PLC.

14 PLAINTIFF'S COUNSEL'S EXPERIENCE AND QUALIFICATIONS

15 26. Plaintiff is represented by Wilshire Law Firm, PLC. The attorneys at WLF
16 performed significant work and expended litigation costs in prosecuting this matter with no
17 guarantee of payment.

18 27. WLF was selected by Best Lawyers and U.S. News & World Report as one of the
19 nation's Best Law Firms for every year since 2020 and is comprised of more than 100 attorneys
20 and over 600 employees. WLF is actively and continuously practicing in employment litigation,
21 representing employees in both individual and class actions in both state and federal courts
22 throughout California.

23 28. WLF is qualified to handle this Litigation because its attorneys are experienced in
24 litigating Labor Code violations in both individual, class action, and representative action cases.
25 WLF has handled, and is currently handling, numerous wage and hour class action lawsuits, as
26 well as class actions involving consumer rights and data privacy litigation.

27 29. I am a Partner at Wilshire Law Firm. I graduated from the University of California,
28 Los Angeles, in 2012 and received my Juris Doctor from the University of California, Hastings

College of the Law (now the University of California College of Law, San Francisco) in 2016. During law school, I was a member of the executive board for the *Hastings Law Journal*; a student mediator at the San Francisco Superior Court, Small Claims Division; and a managing editor for *SCOCablog*, which continues to be a leading online publication for analysis regarding trends and cases before the California Supreme Court. Since graduating from law school, I have focused my legal work primarily on wage-and-hour litigation and have helped obtain dozens of class settlements on behalf of tens of thousands of workers in California. I was also selected as a “Southern California Rising Star” in 2024 and 2025.

18 31. The reasonableness of my firm's hourly rates is also supported by several surveys
19 of legal rates, including the following:

- 20 a. The 2022 Real Rate Report survey compiled by Wolters Kluwer, which
- 21 presents the real market rates of Los Angeles area attorneys who practice
- 22 litigation. For that category, the third quartile 2022 rate was \$1,045 per hour
- 23 for partners and \$855 for associates. Likewise, page 32 of the Report describes
- 24 the rates charged by 183 Los Angeles partners with "21 or more years of
- 25 experience" and "Fewer than 21 years." For those categories, the third quartile
- 26 Los Angeles partner rate in 2022 were \$1,133 per hour for 21 or more years
- 27 and \$1,075 for attorneys with fewer than 21 years. A true and correct copy of
- 28 portions of the 2022 Real Rate Report is attached hereto as **Exhibit 4**.

b. In an article entitled “Big Law Rates Topping \$2,000 Leave Value ‘In Eye of Beholder,’” written by Roy Strom and published by Bloomberg Law on June 9, 2022, the author describes how Big Law firms have crossed the \$2,000-per hour rate. The article also notes that law firm rates have been increasing by just under 3% per year. A true and correct copy of this article is attached hereto as **Exhibit 5**.

He also was selected to speak at multiple CELA conferences throughout his career – in 2019, he spoke on the topic of manageability of class actions at CELA's 2019 Advanced Wage & Hour Seminar, and in 2024, he spoke on the topic of dealings with multiple cases against the same defendant at CELA's 2024 Advanced Wage & Hour Seminar. He served as lead or co-lead in negotiating class action settlements worth over \$10 million in gross recovery to class members for each year since 2020, including over \$37.5 million in 2022 and over \$75 million in 2023.

I declare under penalty of perjury under the laws of the State of California and the United States that the foregoing is true and correct.

Exhibit 1

CLASS ACTION AND PAGA SETTLEMENT AGREEMENT AND CLASS NOTICE

This Class Action and PAGA Settlement Agreement (“Agreement”) is made by and between plaintiff Javier Santiago (“Plaintiff”) and defendant Cal Tech Precision, Inc. (defendant is referred to as “Cal Tech Precision”). The Agreement refers to Plaintiff and Cal Tech Precision collectively as “Parties,” or individually as “Party.”

1. DEFINITIONS.

- 1.1. “Action” means the Plaintiff’s lawsuit alleging wage and hour violations against Cal Tech Precision captioned *Santiago v. Cal Tech Precision, Inc.*, case no. 30-2021-01195725-CU-OE-CXC initiated on April 15, 2021 and pending in Superior Court of the State of California, County of Orange.
- 1.2. “Administrator” means CPT Group, Inc., the neutral entity the Parties have agreed to appoint to administer the Settlement.

To Plaintiff: Class Representative Service Payment to the Class Representative of not more than \$10,000 (in addition to any Individual Class Payment and any Individual PAGA Payment the Class Representative is entitled to receive as a Participating Class Member). Cal Tech Precision will not oppose Plaintiff's request for a Class Representative Service Payment that does not exceed this amount. As part of the motion for Class Counsel Fees Payment and Class Litigation Expenses Payment, Plaintiff will seek Court approval for any Class Representative Service Payments no later than 16 court days prior to the Final Approval Hearing. If the Court approves a Class Representative Service Payment less than the amount requested, the Administrator will retain the remainder in the Net Settlement Amount. Plaintiff assumes full responsibility and liability for employee taxes owed on the Class Representative Service Payment.

If the Court approves a Class Counsel Fees Payment and/or a Class Counsel Litigation Expenses Payment less than the amounts requested, the Administrator will allocate the remainder to the Net Settlement Amount. Released Parties shall have no liability to Class Counsel or any other Plaintiff's Counsel arising from any claim to any portion of the Class Counsel Fee Payment and/or Class Counsel Litigation Expenses Payment. The Administrator will pay the Class

Counsel Fees Payment and Class Counsel Expenses Payment using one or more IRS 1099 Forms. Class Counsel assumes full responsibility and liability for taxes owed on the Class Counsel Fees Payment and the Class Counsel Litigation Expenses Payment and holds Cal Tech Precision harmless, and indemnifies Cal Tech Precision, from any dispute or controversy regarding any division or sharing of any of these Payments.

3.2.3. To the Administrator: An Administrator Expenses Payment not to exceed \$15,000 except for a showing of good cause and as approved by the Court. To the extent the Administration Expenses are less or the Court approves payment less than \$15,000, the Administrator will retain the remainder in the Net Settlement Amount.

3.2.4. To Each Participating Class Member: An Individual Class Payment calculated by (a) dividing the Net Settlement Amount by the total number of Workweeks worked by all Participating Class Members during the Class Period and (b) multiplying the result by each Participating Class Member's Workweeks.

3.2.4.1. Tax Allocation of Individual Class Payments. 25% of each Participating Class Member's Individual Class Payment will be allocated to settlement of wage claims (the "Wage Portion"). The Wage Portions are subject to tax withholding and will be reported on an IRS W-2 Form. 75% of each Participating Class Member's Individual Class Payment will be allocated to settlement of claims for interest and penalties (the "Non-Wage Portion"). The Administrator will retain amounts equal to their Individual Class Payments in the Net Settlement Amount for distribution to Participating Class Members on a pro rata basis.

3.2.5. To the LWDA and Aggrieved Employees: PAGA Penalties in the amount of \$10,000 to be paid from the Gross Settlement Amount, with 75% (\$7,500) allocated to the LWDA PAGA Payment and 25% (\$2,500) allocated to Individual PAGA Payments.

3.2.5.1. The Administrator will calculate each Aggrieved Employee's Individual PAGA Payment by (a) dividing the amount of the Aggrieved Employees' 25% share of PAGA Penalties (\$2,500) by the total number of PAGA Pay Periods worked by all Aggrieved Employees during the PAGA Period and (b) multiplying the result by the Aggrieved Employee's PAGA Pay Periods. Aggrieved Employees assume full responsibility and liability for any taxes owed on their Individual PAGA Payment.

- 3.2.5.2. If the Court approves PAGA Penalties of less than the amount requested, the Administrator will allocate the remainder to the Net Settlement Amount. The Administrator will report the Individual PAGA Payments on IRS 1099 Forms.

If the Parties agree, such persons will be Class Members entitled to the same rights as other Class Members, and the Administrator will send, via email or overnight delivery, a Class Notice requiring them to exercise options under this Agreement not later than 14 days after receipt of Class Notice, or the deadline dates in the Class Notice, which ever are later.

8.4 Requests for Exclusion (Opt-Outs).

8.4.1 Class Members who wish to exclude themselves (opt-out of) the Class Settlement must send the Administrator, by fax, email, or mail, a signed written Request for Exclusion not later than 45 days after the Administrator mails the

Class Notice (plus an additional 14 days for Class Members whose Class Notice is re-mailed). A Request for Exclusion is a letter from a Class Member or his/her representative that reasonably communicates the Class Member's election to be excluded from the Class Settlement and includes the Class Member's name, address and email address or telephone number. To be valid, a Request for Exclusion must be timely faxed, emailed, or postmarked by the Response Deadline.

8.4.2 The Administrator may not reject a Request for Exclusion as invalid because it fails to contain all the information specified in the Class Notice. The Administrator shall accept any Request for Exclusion as valid if the Administrator can reasonably ascertain the identity of the person as a Class Member and the Class Member's desire to be excluded. The Administrator's determination shall be final and not appealable or otherwise susceptible to challenge. If the Administrator has reason to question the authenticity of a Request for Exclusion, the Administrator may demand additional proof of the Class Member's identity. The Administrator's determination of authenticity shall be final and not appealable or otherwise susceptible to challenge.

8.4.3 Every Class Member who does not submit a timely and valid Request for Exclusion is deemed to be a Participating Class Member under this Agreement, entitled to all benefits and bound by all terms and conditions of the Settlement, including the Releases under Paragraphs 6.2 and 6.3 of this Agreement, regardless of whether the Participating Class Member actually receives the Class Notice or objects to the Settlement.

8.4.4 Every Class Member who submits a valid and timely Request for Exclusion is a Non-Participating Class Member and shall not receive an Individual Class Payment or have the right to object to the class action components of the Settlement. Because future PAGA claims are subject to claim preclusion upon entry of the Judgment, and because a PAGA claim is a representative claim brought on behalf of the State of California, Non-Participating Class Members who are Aggrieved Employees are deemed to release the claims identified in Paragraph 6.3 of this Agreement and will be issued an Individual PAGA Payment.

8.5 Challenges to Calculation of Workweeks and PAGA Pay Periods. Each Class Member shall have 45 days after the Administrator mails the Class Notice (plus an additional 14 days for Class Members whose Class Notice is re-mailed) to challenge the number of Class Workweeks and PAGA Pay Periods (if any) allocated to the Class Member in the Class Notice. The Class Member may challenge the allocation by communicating with the Administrator via fax, email or mail. The Administrator must encourage the challenging Class Member to submit supporting documentation. In the absence of any contrary documentation, the Administrator is entitled to presume that the Workweeks contained in the Class Notice are correct so long as they are consistent with the Class Data. The Administrator's determination of each Class Member's allocation of

Workweeks and/or PAGA Pay Periods shall be final and not appealable or otherwise susceptible to challenge. The Administrator shall promptly provide copies of all challenges to calculation of Workweeks and/or Pay Periods to Defense Counsel and the Administrator's determination to the challenges.

8.6 Objections to Settlement.

8.6.1 Only Participating Class Members may object to the class action components of the Settlement and/or this Agreement, including contesting the fairness of the Class Settlement, and/or amounts requested for the Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and/or Class Representative Service Payment.

8.6.2 Participating Class Members may send written objections to the Administrator, by fax, email, or mail. In the alternative, Participating Class Members may appear in Court (or hire an attorney to appear in Court) to present verbal objections at the Final Approval Hearing. A Participating Class Member who elects to send a written objection to the Administrator must do so not later than 45 days after the Administrator's mailing of the Class Notice (plus an additional 14 days for Class Members whose Class Notice was re-mailed).

8.6.3 Non-Participating Class Members have no right to object to any of the class action components of the Settlement.

8.7 Administrator Duties. The Administrator has a duty to perform or observe all tasks to be performed or observed by the Administrator contained in this Agreement or otherwise.

8.7.1 Website, Email Address and Toll-Free Number. The Administrator will establish and maintain and use an internet website to post information of interest to Class Members including the date, time and location for the Final Approval Hearing and copies of the Settlement Agreement, Motion for Preliminary Approval, the Preliminary Approval, the Class Notice, the Motion for Final Approval, the Motion for Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and Class Representative Service Payment, the Final Approval and the Judgment. The Administrator will also maintain and monitor an email address and a toll-free telephone number to receive Class Member calls, faxes and emails.

8.7.2 Requests for Exclusion (Opt-outs) and Exclusion List. The Administrator will promptly review on a rolling basis Requests for Exclusion to ascertain their validity. Not later than 5 days after the expiration of the deadline for submitting Requests for Exclusion, the Administrator shall email a list to Defense Counsel containing (a) the names and other identifying information of Class Members who have timely submitted valid Requests for Exclusion ("Exclusion List"); (b) the names and other identifying information of Class Members who have submitted

invalid Requests for Exclusion; (c) copies of all Requests for Exclusion from Settlement submitted (whether valid or invalid). Other than providing numeric totals as set forth in Paragraph 8.7.3 below, the Administrator shall not provide the Exclusion List or any Request for Exclusion (whether valid or invalid) to Class Counsel.

- 8.7.3 Weekly Reports. The Administrator must, on a weekly basis, provide written reports to Class Counsel and Defense Counsel that, among other things, tally the number of: Class Notices mailed or re-mailed, Class Notices returned undelivered, Requests for Exclusion (whether valid or invalid) received, objections received, challenges to Workweeks and/or PAGA Pay Periods received and/or resolved, and checks mailed for Individual Class Payments and Individual PAGA Payments (“Weekly Report”).
- 8.7.4 Workweek and/or PAGA Pay Period Challenges. The Administrator has the authority to address and make final decisions consistent with the terms of this Agreement on all Class Member challenges over the calculation of Workweeks and/or PAGA Pay Periods. The Administrator’s decision shall be final and not appealable or otherwise susceptible to challenge.
- 8.7.5 Calculation of Employer Payroll Taxes and Remittance of Taxes. No later than 14 days from the Effective Date, Administrator shall provide Cal Tech Precision with a calculation of all employer payroll tax amounts due. Furthermore, Administrator shall timely prepare all necessary filing forms, and remit all payroll taxes and forms to the appropriate tax authorities
- 8.7.6 Administrator’s Declaration. Not later than 14 days before the date by which Plaintiff is required to file the Motion for Final Approval of the Settlement, the Administrator will provide to Class Counsel and Defense Counsel, a signed declaration suitable for filing in Court attesting to its due diligence and compliance with all of its obligations under this Agreement, including, but not limited to, its mailing of Class Notice, the Class Notices returned as undelivered, the re-mailing of Class Notices, attempts to locate Class Members, the total number of Requests for Exclusion from Settlement it received (both valid or invalid), and the number of written objections. The Administrator will supplement its declaration as needed or requested by the Parties and/or the Court. Class Counsel is responsible for filing the Administrator’s declaration(s) in Court.
- 8.7.7 Final Report by Settlement Administrator. Within 10 days after the Administrator disburses all funds in the Gross Settlement Amount, the Administrator will provide Class Counsel and Defense Counsel with a final report detailing its disbursements by employee identification number only of all payments made under this Agreement. At least 15 days before any deadline set by the Court, the Administrator will prepare, and submit to Class Counsel and Defense Counsel, a signed declaration suitable for filing in Court attesting to its

disbursement of all payments required under this Agreement. Class Counsel is responsible for filing the Administrator's declaration in Court.

9. **CLASS SIZE ESTIMATES and ESCALATOR CLAUSE.** Based on its records, Cal Tech Precision estimates that, as of August 22, 2022, there are 25,850 Total Workweeks during the Class Period. In the event the number of workweeks worked by the Class Members increases by more than 10%, or 2,585, then the Maximum Settlement Amount shall be increased proportionally by the workweeks worked in excess of 28,435 multiplied by the workweek value. The workweek value shall be calculated by dividing the Maximum Settlement Amount by 28,435 workweeks. The Parties agree that the workweek value is \$12.31 ($\$350,000 / 28,435$ workweeks).
10. **CAL TECH PRECISION'S RIGHT TO REVOKE.** If the number of valid Requests for Exclusion identified in the Exclusion List exceeds 10% of the total of all Class Members, Cal Tech Precision may, but is not obligated, revoke the Settlement. The Parties agree that, if Cal Tech Precision revokes, the Settlement shall be void ab initio, have no force or effect whatsoever, and that neither Party will have any further obligation to perform under this Agreement. Cal Tech Precision may revoke the Settlement as set forth in the Paragraph at any time prior to the Final Approval Hearing.
11. **MOTION FOR FINAL APPROVAL.** Not later than 16 court days before the calendared Final Approval Hearing, Plaintiff will file in Court, a motion for final approval of the Settlement that includes a request for approval of the PAGA settlement under Labor Code section 2699, subd. (l), a Proposed Final Approval Order and a proposed Judgment (collectively "Motion for Final Approval"). Plaintiff shall provide drafts of these documents to Defense Counsel not later than seven days prior to filing the Motion for Final Approval. Class Counsel and Defense Counsel will expeditiously meet and confer in person or by telephone, and in good faith, to resolve any disagreements concerning the Motion for Final Approval.
 - 11.1 Response to Objections. Each Party retains the right to respond to any objection raised by a Participating Class Member, including the right to file responsive documents in Court no later than five court days prior to the Final Approval Hearing, or as otherwise ordered or accepted by the Court.
 - 11.2 Duty to Cooperate. If the Court does not grant Final Approval or conditions Final Approval on any material change to the Settlement (including, but not limited to, the scope of release to be granted by Class Members), the Parties will expeditiously work together in good faith to address the Court's concerns by revising the Agreement as necessary to obtain Final Approval. The Court's decision to award less than the amounts requested for the Class Representative Service Payment, Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and/or Administrator Expenses Payment shall not constitute a material modification to the Agreement within the meaning of this paragraph.

11.3 Continuing Jurisdiction of the Court. The Parties agree that, after entry of Judgment, the Court will retain jurisdiction over the Parties, Action, and the Settlement solely for purposes of (i) enforcing this Agreement and/or Judgment, (ii) addressing settlement administration matters, and (iii) addressing such post-Judgment matters as are permitted by law.

11.4 Waiver of Right to Appeal. Provided the Judgment is consistent with the terms and conditions of this Agreement, specifically including the Class Counsel Fees Payment and Class Counsel Litigation Expenses Payment reflected set forth in this Settlement, the Parties, their respective counsel, and all Participating Class Members who did not object to the Settlement as provided in this Agreement, waive all rights to appeal from the Judgment, including all rights to post-judgment and appellate proceedings, the right to file motions to vacate judgment, motions for new trial, extraordinary writs, and appeals. The waiver of appeal does not include any waiver of the right to oppose such motions, writs or appeals. If an objector appeals the Judgment, the Parties' obligations to perform under this Agreement will be suspended until such time as the appeal is finally resolved and the Judgment becomes final, except as to matters that do not affect the amount of the Net Settlement Amount.

11.5 Appellate Court Orders to Vacate, Reverse, or Materially Modify Judgment. If the reviewing Court vacates, reverses, or modifies the Judgment in a manner that requires a material modification of this Agreement (including, but not limited to, the scope of release to be granted by Class Members), this Agreement shall be null and void. The Parties shall nevertheless expeditiously work together in good faith to address the appellate court's concerns and to obtain Final Approval and entry of Judgment. An appellate decision to vacate, reverse, or modify the Court's award of the Class Representative Service Payment or any payments to Class Counsel shall not constitute a material modification of the Judgment within the meaning of this paragraph, as long as the Gross Settlement Amount remains unchanged.

12. AMENDED JUDGMENT. If any amended judgment is required under Code of Civil Procedure section 384, the Parties will work together in good faith to jointly submit and a proposed amended judgment.

13. ADDITIONAL PROVISIONS.

13.1 No Admission of Liability, Class Certification or Representative Manageability for Other Purposes. This Agreement represents a compromise and settlement of highly disputed claims. Nothing in this Agreement is intended or should be construed as an admission by Cal Tech Precision that any of the allegations in the Operative Complaint have merit or that Cal Tech Precision has any liability for any claims asserted; nor should it be intended or construed as an admission by Plaintiff that Cal Tech Precision's defenses in the Action have merit. The Parties agree that class certification and representative treatment is for purposes of this Settlement only. If, for any reason the Court does grant Preliminary Approval, Final Approval or enter Judgment, Cal Tech Precision reserves the right to contest certification of any class for any reasons, and Cal

Tech Precision reserves all available defenses to the claims in the Action, and Plaintiff reserves the right to move for class certification on any grounds available and to contest Cal Tech Precision's defenses. The Settlement, this Agreement and Parties' willingness to settle the Action will have no bearing on, and will not be admissible in connection with, any litigation (except for proceedings to enforce or effectuate the Settlement and this Agreement).

- 13.2 Confidentiality Prior to Preliminary Approval. Plaintiff, Class Counsel, Cal Tech Precision and Defense Counsel separately agree that, until the Motion for Preliminary Approval of Settlement is filed, they and each of them will not disclose, disseminate and/or publicize, or cause or permit another person to disclose, disseminate or publicize, any of the terms of the Agreement directly or indirectly, specifically or generally, to any person, corporation, association, government agency, or other entity except: (1) to the Parties' attorneys, accountants, or spouses, all of whom will be instructed to keep this Agreement confidential; (2) counsel in a related matter; (3) to the extent necessary to report income to appropriate taxing authorities; (4) in response to a court order or subpoena; or (5) in response to an inquiry or subpoena issued by a state or federal government agency. Each Party agrees to immediately notify each other Party of any judicial or agency order, inquiry, or subpoena seeking such information. Plaintiff, Class Counsel, Cal Tech Precision and Defense Counsel separately agree not to, directly or indirectly, initiate any conversation or other communication, before the filing of the Motion for Preliminary Approval, any with third party regarding this Agreement or the matters giving rise to this Agreement except to respond only that "the matter was resolved," or words to that effect. This paragraph does not restrict Class Counsel's communications with Class Members in accordance with Class Counsel's ethical obligations owed to Class Members.
- 13.3 No Solicitation. The Parties separately agree that they and their respective counsel and employees will not solicit any Class Member to opt out of or object to the Settlement, or appeal from the Judgment. Nothing in this paragraph shall be construed to restrict Class Counsel's ability to communicate with Class Members in accordance with Class Counsel's ethical obligations owed to Class Members.
- 13.4 Integrated Agreement. Upon execution by all Parties and their counsel, this Agreement together with its attached exhibits shall constitute the entire agreement between the Parties relating to the Settlement, superseding any and all oral or prior written representations, warranties, covenants, agreements or inducements made to or by any Party, including the Memorandum of Understanding, executed on or about November 3, 2022.
- 13.5 Attorney Authorization. Class Counsel and Defense Counsel separately warrant and represent that they are authorized by Plaintiff and Cal Tech Precision, respectively, to take all appropriate action required or permitted to be taken by such Parties pursuant to this Agreement to effectuate its terms, and to execute any other documents reasonably required to effectuate the terms of this Agreement including any amendments to this Agreement.

- 13.6 Cooperation. The Parties and their counsel will cooperate with each other and use their best efforts, in good faith, to implement the Settlement by, among other things, modifying the Settlement Agreement, submitting supplemental evidence and supplementing points and authorities as requested by the Court. In the event the Parties are unable to agree upon the form or content of any document necessary to implement the Settlement, or on any modification of the Agreement that may become necessary to implement the Settlement, the Parties will seek the assistance of a mediator and/or the Court for resolution.
- 13.7 No Prior Assignments. The Parties separately represent and warrant that they have not directly or indirectly assigned, transferred, encumbered, or purported to assign, transfer, or encumber to any person or entity and portion of any liability, claim, demand, action, cause of action, or right released and discharged by the Party in this Settlement.
- 13.8 No Tax Advice. Neither Plaintiff, Class Counsel, Cal Tech Precision nor Defense Counsel are providing any advice regarding taxes or taxability, nor shall anything in this Settlement be relied upon as such within the meaning of United States Treasury Department Circular 230 (31 CFR Part 10, as amended) or otherwise.
- 13.9 Modification of Agreement. This Agreement, and all parts of it, may be amended, modified, changed, or waived only by an express written instrument signed by all Parties or their representatives, and approved by the Court.
- 13.10 Agreement Binding on Successors. This Agreement will be binding upon, and inure to the benefit of, the successors of each of the Parties.
- 13.11 Applicable Law. All terms and conditions of this Agreement and its exhibits will be governed by and interpreted according to the internal laws of the state of California, without regard to conflict of law principles.
- 13.12 Cooperation in Drafting. The Parties have cooperated in the drafting and preparation of this Agreement. This Agreement will not be construed against any Party on the basis that the Party was the drafter or participated in the drafting.
- 13.13 Confidentiality. To the extent permitted by law, all agreements made, and orders entered, during the Action or in this Agreement relating to the confidentiality of information shall survive the execution of this Agreement.
- 13.14 Use and Return of Class Data. Information provided to Class Counsel pursuant to Cal. Evid. Code §1152, and all copies and summaries of the Class Data provided to Class Counsel by Cal Tech Precision in connection with the mediation, other settlement negotiations, or in connection with the Settlement, may be used only with respect to this Settlement, and no other purpose, and may not be used in any way that violates any existing contractual agreement, statute, or rule of court. Not later than 90 days after the date when the Court discharges the Administrator's obligation to provide a Declaration

confirming the final pay out of all Settlement funds, Plaintiff shall destroy, all paper and electronic versions of Class Data received from Cal Tech Precision unless, prior to the Court's discharge of the Administrator's obligation, Cal Tech Precision makes a written request to Class Counsel for the return, rather than the destructions, of Class Data. Nothing contained herein requires or obligates Cal Tech Precision or the Administrator to provide any Class Data to Class Counsel.

- 13.15 Headings. The descriptive heading of any section or paragraph of this Agreement is inserted for convenience of reference only and does not constitute a part of this Agreement.
- 13.16 Calendar Days. Unless otherwise noted, all reference to "days" in this Agreement shall be to calendar days. In the event any date or deadline set forth in this Agreement falls on a weekend or federal legal holiday, such date or deadline shall be on the first business day thereafter.
- 13.17 Notice. All notices, demands or other communications between the Parties in connection with this Agreement will be in writing and deemed to have been duly given as of the third business day after mailing by United States mail, or the day sent by email or messenger, addressed as follows:

COURT APPROVED NOTICE OF CLASS ACTION SETTLEMENT AND HEARING DATE FOR FINAL COURT APPROVAL

Javier Santiago v. Cal Tech Precision, Inc., Orange County Superior Court case no. 30-2021-01195725-CU-OE-CXC

***The Superior Court for the State of California authorized this Notice. Read it carefully!
It's not junk mail, spam, an advertisement, or solicitation by a lawyer. You are not being sued.***

You may be eligible to receive money from an employee class action lawsuit (“Action”) against defendant Cal Tech Precision, Inc. (defendant is referred to as “Cal Tech Precision”) for alleged wage and hour violations. The Action was filed by a former Cal Tech Precision employee, Javier Santiago (“Plaintiff”), and seeks payment of (1) back wages, civil penalties and other relief for a class of hourly-paid or non-exempt employees (“Class Members”) who worked for Cal Tech Precision in California during the Class Period (April 15, 2017 to **[insert date]**); and (2) penalties under the California Private Attorney General Act (“PAGA”) for all hourly-paid or non-exempt employees who worked for Cal Tech Precision in California during the PAGA Period (April 15, 2020 to **[insert]**) (“Aggrieved Employees”).

The proposed Settlement has two main parts: (1) a Class Settlement requiring Cal Tech Precision to fund Individual Class Payments, and (2) a PAGA Settlement requiring Cal Tech Precision to fund Individual PAGA Payments and pay penalties to the California Labor and Workforce Development Agency (“LWDA”).

Based on Cal Tech Precision’s records, and the Parties’ current assumptions, **your Individual Class Payment is estimated to be \$_____ (less withholding) and your Individual PAGA Payment is estimated to be \$_____**. The actual amount you may receive likely will be different and will depend on a number of factors. If no amount is stated for your Individual PAGA Payment, then according to Cal Tech Precision’s records you are not eligible for an Individual PAGA Payment under the Settlement because you didn’t work during the PAGA Period.

The above estimates are based on Cal Tech Precision’s records showing that **you worked _____ workweeks** during the Class Period and **you worked _____ pay periods** during the PAGA Period. Each pay period at Cal Tech Precision during the PAGA Period included two workweeks. If you believe that you worked more workweeks during the Class period, or more pay periods during the PAGA period, you can submit a challenge by the deadline date. See Section 4 of this Notice.

The Court has already preliminarily approved the proposed Settlement and approved this Notice. The Court has not yet decided whether to grant final approval. Your legal rights are affected whether you act or not act. Read this Notice carefully. You will be deemed to have carefully read and understood it. At the Final Approval Hearing, the Court will decide whether to finally approve the Settlement and how much of the Settlement will be paid to Plaintiff and Plaintiff’s attorneys (“Class Counsel”). The Court will also decide whether to enter a judgment that requires Cal Tech Precision to make payments under the Settlement and requires Class

Members and Aggrieved Employees to give up their rights to assert certain claims against Cal Tech Precision.

If you worked for Cal Tech Precision during the Class Period and/or the PAGA Period, you have two basic options under the Settlement:

- (1) **Do Nothing.** You don't have to do anything to participate in the proposed Settlement and be eligible for an Individual Class Payment and/or an Individual PAGA Payment. As a Participating Class Member, though, you will give up your right to assert Class Period wage claims and PAGA Period penalty claims against Cal Tech Precision.
- (2) **Opt-Out of the Class Settlement.** You can exclude yourself from the Class Settlement (opt-out) by submitting the written Request for Exclusion or otherwise notifying the Administrator in writing. If you opt-out of the Settlement, you will not receive an Individual Class Payment. You will, however, preserve your right to personally pursue Class Period wage claims against Cal Tech Precision. You cannot opt-out of the PAGA portion of the proposed Settlement.

Cal Tech Precision will not retaliate against you for any actions you take with respect to the proposed Settlement.

SUMMARY OF YOUR LEGAL RIGHTS AND OPTIONS IN THIS SETTLEMENT

You Don't Have to Do Anything to Participate in the Settlement	If you do nothing, you will be a Participating Class Member, eligible for an Individual Class Payment and an Individual PAGA Payment (if any). In exchange, you will give up your right to assert the wage claims against Cal Tech Precision that are covered by this Settlement (Released Claims).
You Can Opt-out of the Class Settlement but not the PAGA Settlement The Opt-out Deadline is [date]	If you don't want to fully participate in the proposed Settlement, you can opt-out of the Class Settlement by sending the Administrator a written Request for Exclusion. Once excluded, you will be a Non-Participating Class Member and no longer eligible for an Individual Class Payment. Non-Participating Class Members cannot object to any portion of the proposed Settlement. See Section 6 of this Notice. You cannot opt-out of the PAGA portion of the proposed Settlement. Cal Tech Precision must pay Individual PAGA Payments to all Aggrieved Employees and the Aggrieved Employees must give up their rights to pursue Released Claims (defined below).
Participating Class Members Can Object to the Class Settlement	All Class Members who do not opt-out ("Participating Class Members") can object to any aspect of the proposed Settlement. The Court's decision whether to finally approve the Settlement will include a determination of how much will be paid to Class Counsel

but not the PAGA Settlement Written Objections Must be Submitted by [date]	and Plaintiff who pursued the Action on behalf of the Class. You are not personally responsible for any payments to Class Counsel or Plaintiff, but every dollar paid to Class Counsel and Plaintiff reduces the overall amount paid to Participating Class Members. You can object to the amounts requested by Class Counsel or Plaintiff if you think they are unreasonable. See Section 7 of this Notice.
You Can Participate in the [date] Final Approval Hearing	The Court's Final Approval Hearing is scheduled to take place on [date]. You don't have to attend but you do have the right to appear (or hire an attorney to appear on your behalf at your own cost), in person, by telephone or by using the Court's virtual appearance platform. Participating Class Members can verbally object to the Settlement at the Final Approval Hearing. See Section 8 of this Notice.
You Can Challenge the Calculation of Your Workweeks/Pay Periods Written Challenges Must be Submitted by [date]	The amount of your Individual Class Payment and PAGA Payment (if any) depend on how many workweeks you worked at least one day during the Class Period and how many Pay Periods you worked at least one day during the PAGA Period, respectively. The number of Class Period Workweeks and PAGA Pay Periods you worked, according to Cal Tech Precision's records, is stated on the first page of this Notice. If you disagree with either of these numbers, you must challenge it by [date]. See Section 4 of this Notice.

1. WHAT IS THE ACTION ABOUT?

Plaintiff is a former Cal Tech Precision employee. The Action accuses Cal Tech Precision of violating California labor laws by failing to pay overtime wages, minimum wages, wages due upon termination, failing to reimburse expenditures, and failing to provide meal periods, rest breaks, and accurate itemized wage statements. Based on the same claims, Plaintiff has also asserted a claim for civil penalties under the California Private Attorneys General Act (Labor Code §§ 2698, et seq.) ("PAGA"). Plaintiff is represented by attorneys in the Action: Justin F. Marquez, Benjamin H. Haber, and Arrash T. Fattahi of Wilshire Law Firm, PLC ("Class Counsel.")

Cal Tech Precision strongly denies violating any laws or failing to pay any wages and contends it complied with all applicable laws.

2. WHAT DOES IT MEAN THAT THE ACTION HAS SETTLED?

So far, the Court has made no determination whether Cal Tech Precision or Plaintiff is correct on the merits. In the meantime, Plaintiff and Cal Tech Precision hired an experienced, neutral mediator in an effort to resolve the Action by negotiating an end to the case by agreement (settle the case) rather than continuing the expensive and time-consuming process of litigation. The negotiations were successful. By signing a lengthy written settlement agreement ("Agreement") and agreeing to jointly ask the Court to enter a judgment ending the Action and enforcing the

Agreement, Plaintiff and Cal Tech Precision have negotiated a proposed Settlement that is subject to the Court's Final Approval. Both sides agree the proposed Settlement is a compromise of disputed claims. By agreeing to settle, Cal Tech Precision does not admit any violations or concede the merit of any claims.

Plaintiff and Class Counsel strongly believe the Settlement is a good deal for you because they believe that: (1) Cal Tech Precision has agreed to pay a fair, reasonable and adequate amount considering the strength of the claims and the risks and uncertainties of continued litigation; and (2) Settlement is in the best interests of the Class Members and Aggrieved Employees. The Court preliminarily approved the proposed Settlement as fair, reasonable and adequate, authorized this Notice, and scheduled a hearing to determine Final Approval.

3. WHAT ARE THE IMPORTANT TERMS OF THE PROPOSED SETTLEMENT?

1. Cal Tech Precision Will Pay \$350,000 as the Gross Settlement Amount (Gross Settlement). Cal Tech Precision has agreed to deposit the Gross Settlement into an account controlled by the Administrator of the Settlement. The Administrator will use the Gross Settlement to pay the Individual Class Payments, Individual PAGA Payments, Class Representative Service Payment, Class Counsel's attorney's fees and expenses, the Administrator's expenses, and penalties to be paid to the California Labor and Workforce Development Agency ("LWDA"). Assuming the Court grants Final Approval, Cal Tech Precision will fund the Gross Settlement no later than November 15, 2023. The Judgment will be final on the date the Court enters Judgment, or a later date if Participating Class Members object to the proposed Settlement or the Judgment is appealed.
2. Court Approved Deductions from Gross Settlement. At the Final Approval Hearing, Plaintiff and/or Class Counsel will ask the Court to approve the following deductions from the Gross Settlement, the amounts of which will be decided by the Court at the Final Approval Hearing:
 - A. Up to \$116,666.67 (33 1/3% of the Gross Settlement) to Class Counsel for attorneys' fees and up to \$20,000 for their litigation expenses. To date, Class Counsel have worked and incurred expenses on the Action without payment.
 - B. Up to \$10,000 as a Class Representative Award for filing the Action, working with Class Counsel and representing the Class. A Class Representative Award will be the only monies Plaintiff will receive other than Plaintiff's Individual Class Payment and any Individual PAGA Payment.
 - C. Up to \$15,000 to the Administrator for services administering the Settlement.
 - D. Up to \$10,000 for PAGA Penalties, allocated 75% to the LWDA PAGA Payment and 25% in Individual PAGA Payments to the Aggrieved Employees based on their PAGA Pay Periods.

Participating Class Members have the right to object to any of these deductions. The Court will consider all objections.

3. Net Settlement Distributed to Class Members. After making the above deductions in amounts approved by the Court, the Administrator will distribute the rest of the Gross Settlement (the “Net Settlement”) by making Individual Class Payments to Participating Class Members based on their Class Period Workweeks.
4. Taxes Owed on Payments to Class Members. Plaintiff and Cal Tech Precision are asking the Court to approve an allocation of 25% of each Individual Class Payment to taxable wages (“Wage Portion”) and 75% to penalties and interest (“Non-Wage Portion.”). The Wage Portion is subject to withholdings and will be reported on IRS W-2 Forms. Cal Tech Precision will separately pay employer payroll taxes it owes on the Wage Portion. The Individual PAGA Payments are counted as penalties rather than wages for tax purposes. The Administrator will report the Individual PAGA Payments and the Non-Wage Portions of the Individual Class Payments on IRS 1099 Forms.

Although Plaintiff and Cal Tech Precision have agreed to these allocations, neither side is giving you any advice on whether your Payments are taxable or how much you might owe in taxes. You are responsible for paying all taxes (including penalties and interest on back taxes) on any Payments received from the proposed Settlement. You should consult a tax advisor if you have any questions about the tax consequences of the proposed Settlement.

5. Need to Promptly Cash Payment Checks. The front of every check issued for Individual Class Payments and Individual PAGA Payments will show the date when the check expires (the void date). If you don’t cash it by the void date, your check will be automatically cancelled, and the monies will be irrevocably lost to you because they will be paid to a non-profit organization, Orange County Public Law Center, 601 W. Civic Center Dr., Santa Ana, CA 92701 (“Cy Pres Beneficiary”).
6. Requests for Exclusion from the Class Settlement (Opt-Outs). You will be treated as a Participating Class Member, participating fully in the Class Settlement, unless you notify the Administrator in writing, not later than [date], that you wish to opt-out. The easiest way to notify the Administrator is to send a written and signed Request for Exclusion by the [date] Response Deadline. The Request for Exclusion should be a letter from a Class Member or his/her representative setting forth a Class Member’s name, present address, telephone number, and a simple statement electing to be excluded from the Settlement. Excluded Class Members (i.e., Non-Participating Class Members) will not receive Individual Class Payments, but will preserve their rights to personally pursue wage and hour claims against Cal Tech Precision.

You cannot opt-out of the PAGA portion of the Settlement. Class Members who exclude themselves from the Class Settlement (Non-Participating Class Members) remain eligible for Individual PAGA Payments and are required to give up their right to assert PAGA claims against Cal Tech Precision based on the PAGA Period facts alleged in the Action.

7. The Proposed Settlement Will be Void if the Court Denies Final Approval. It is possible the Court will decline to grant Final Approval of the Settlement or decline to enter a Judgment. It is also possible the Court will enter a Judgment that is reversed on appeal. Plaintiffs and Cal Tech Precision have agreed that, in either case, the Settlement will be void: Cal Tech Precision will not pay any money and Class Members will not release any claims against Cal Tech Precision.
8. Administrator. The Court has appointed a neutral company, CPT Group, Inc. (the “Administrator”) to send this Notice, calculate and make payments, and process Class Members’ Requests for Exclusion. The Administrator will also decide Class Member Challenges over Workweeks or PAGA Pay Periods, mail and re-mail settlement checks and tax forms, and perform other tasks necessary to administer the Settlement. The Administrator’s contact information is contained in Section 9 of this Notice.
9. Participating Class Members’ Release. On the date the Court enters Judgment, or after the resolution of any and all appeals if any Participating Class Members object to the proposed Settlement or the Judgment, Participating Class Members will be legally barred from asserting any of the claims released under the Settlement. This means that unless you opted out by validly excluding yourself from the Class Settlement, you cannot sue, continue to sue, or be part of any other lawsuit against Cal Tech Precision or related entities for claims based on the Class Period facts, as alleged in the Action and resolved by this Settlement.

The Participating Class Members will be bound by the following release:

All Participating Class Members, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, release Released Parties from all claims that were alleged, or reasonably could have been alleged, based on the facts stated in the Operative Complaint or ascertained in the course of the Action, including any and all claims for: (1) failure to pay minimum and straight time wages (Cal. Lab. Code §§ 204, 1194, 1194.2 and 1997); (2) failure to pay overtime wages (Cal. Lab. Code §§ 1194 and 1198); (3) failure to provide meal periods (Cal. Lab. Code §§ 226.7 and 512); (4) failure to authorize and permit rest periods (Cal. Lab. Code § 226.7); (5) failure to timely pay final wages at termination (Cal. Lab. Code §§ 201-203); (6) failure to provide accurate itemized wage statements (Cal. Lab. Code § 226); (7) failure to indemnify expenditure (Cal. Lab. Code § 2802)s; and (8) violation of California’s Unfair Competition Law, California Business and Professions Code §§ 17200, *et seq.* Except as set forth in Section 6.3 of this Agreement, Participating Class Members do not release any other claims, including claims for vested benefits, wrongful termination, violation of the Fair Employment and Housing Act, unemployment insurance, disability, social security, workers’ compensation, or claims based on facts occurring outside the Class Period.

10. Aggrieved Employees' PAGA Release. On the date the Court enters Judgment, or after the resolution of any and all appeals if any Participating Class Members object to the proposed Settlement or the Judgment, all Aggrieved Employees will be barred from asserting PAGA claims against Cal Tech Precision, whether or not they exclude themselves from the Settlement. This means that all Aggrieved Employees, including those who are Participating Class Members and those who opt-out of the Class Settlement, cannot sue, continue to sue, or participate in any other PAGA claim against Cal Tech Precision or its related entities based on the PAGA Period facts alleged in the Action and resolved by this Settlement.

The Aggrieved Employees' Releases for Participating and Non-Participating Class Members are as follows:

All Aggrieved Employees, whether they are Participating Class Members or Non-Participating Class Members, are deemed to release, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, the Released Parties from all claims for PAGA penalties that were alleged, or reasonably could have been alleged, based on the facts stated in the Operative Complaint, the PAGA Notice or ascertained in the course of the Action, including any and all claims for: (1) violations of Labor Code § 2802 and applicable Wage Orders for failing to indemnify employees for expenditures; (2) violations of Labor Code §§ 204, 510, 1194, 1197, and 1198 by failing to pay for all hours worked, including minimum wages, straight time wages, and overtime wages; (3) violations of Labor Code § 226.7 and applicable Wage Orders by failing to provide meal periods; (4) Labor Code § 226.7 and applicable Wage Orders by failing to authorize and permit rest periods; (5) violations of Labor Code § 204 by failing to pay all earned wages two times per month; (6) violations of California Labor Code § 1174.5 and applicable Wage Orders by failing to maintain accurate records of hours worked and meal periods taken or missed; (7) violations of Labor Code §§ 201 to 203 by willfully failing to pay all wages owed at termination; and (8) violations of Labor Code § 226 by failing to provide accurate itemized wage statements (the "PAGA Released Claims").

4. HOW WILL THE ADMINISTRATOR CALCULATE MY PAYMENT?

1. Individual Class Payments. The Administrator will calculate Individual Class Payments by (a) dividing the Net Settlement Amount by the total number of Workweeks worked by all Participating Class Members, and (b) multiplying the result by the number of Workweeks worked by each individual Participating Class Member.
2. Individual PAGA Payments. The Administrator will calculate Individual PAGA Payments by (a) dividing \$2,500 by the total number of PAGA Pay Periods worked by all Aggrieved Employees and (b) multiplying the result by the number of PAGA Period Pay Periods worked by each individual Aggrieved Employee.

3. Workweek/Pay Period Challenges. The number of Class Workweeks you worked during the Class Period and the number of PAGA Pay Periods you worked during the PAGA Period, as recorded in Cal Tech Precision's records, are stated in the first page of this Notice. You have until [date] to challenge the number of Workweeks and/or Pay Periods credited to you. You can submit your challenge by signing and sending a letter to the Administrator via mail, email or fax. Section 9 of this Notice has the Administrator's contact information.

You need to support your challenge by sending copies of pay stubs or other records. The Administrator will accept Cal Tech Precision's calculation of Workweeks and/or Pay Periods based on Cal Tech Precision's records as accurate unless you send copies of records containing contrary information. You should send copies rather than originals because the documents will not be returned to you. The Administrator will resolve Workweek and/or Pay Period challenges based on your submission and Cal Tech Precision's records. The Administrator's decision is final. You can't appeal or otherwise challenge its final decision.

5. HOW WILL I GET PAID?

1. Participating Class Members. The Administrator will send, by U.S. mail, a single check to every Participating Class Member (i.e., every Class Member who doesn't opt-out) including those who also qualify as Aggrieved Employees. The single check will combine the Individual Class Payment and the Individual PAGA Payment.
2. Non-Participating Class Members. The Administrator will send, by U.S. mail, a single Individual PAGA Payment check to every Aggrieved Employee who opts out of the Class Settlement (i.e., every Non-Participating Class Member).

Your check will be sent to the same address as this Notice. If you change your address, be sure to notify the Administrator as soon as possible. Section 9 of this Notice has the Administrator's contact information.

6. HOW DO I OPT-OUT OF THE CLASS SETTLEMENT?

Submit a written and signed letter with your name, present address, telephone number, and a simple statement that you do not want to participate in the Settlement. The Administrator will exclude you based on any writing communicating your request be excluded. Be sure to personally sign your request, identify the Action as *Javier Santiago v. Cal Tech Precision, Inc.*, and include your identifying information (full name, address, telephone number, approximate dates of employment, and social security number for verification purposes). You must make the request yourself. If someone else makes the request for you, it will not be valid. **The Administrator must be sent your request to be excluded by [date], or it will be invalid.** Section 9 of the Notice has the Administrator's contact information.

7. HOW DO I OBJECT TO THE SETTLEMENT?

Only Participating Class Members have the right to object to the Settlement. Before deciding whether to object, you may wish to see what Plaintiff and Cal Tech Precision are asking the Court to approve. At least [insert] days before the [date] Final Approval Hearing, Class Counsel and/or Plaintiff will file in Court (1) a Motion for Final Approval that includes, among other things, the reasons why the proposed Settlement is fair, and (2) a Motion for Fees, Litigation Expenses and Service Award stating (i) the amount Class Counsel is requesting for attorneys' fees and litigation expenses; and (ii) the amount Plaintiff is requesting as a Class Representative Service Award. Upon reasonable request, Class Counsel (whose contact information is in Section 9 of this Notice) will send you copies of these documents at no cost to you. You can also view them on the Administrator's Website [need details] or the Court's website [need details].

A Participating Class Member who disagrees with any aspect of the Agreement, the Motion for Final Approval and/or Motion for Fees, Litigation Expenses and Service Award may wish to object, for example, that the proposed Settlement is unfair, or that the amounts requested by Class Counsel or Plaintiff are too high or too low. **The deadline for sending written objections to the Administrator is [date].** Be sure to tell the Administrator what you object to, why you object, and any facts that support your objection. Make sure you identify the Action, *Javier Santiago v. Cal Tech Precision, Inc.*, and include your name, current address, telephone number, and approximate dates of employment for Cal Tech Precision and sign the objection. Section 9 of this Notice has the Administrator's contact information.

Alternatively, a Participating Class Member can object (or personally retain a lawyer to object at your own cost) by attending the Final Approval Hearing. You (or your attorney) should be ready to tell the Court what you object to, why you object, and any facts that support your objection. See Section 8 of this Notice (immediately below) for specifics regarding the Final Approval Hearing.

8. CAN I ATTEND THE FINAL APPROVAL HEARING?

You can, but don't have to, attend the Final Approval Hearing on [date] at [time] in Department CX-105 of the Orange County Superior Court, Civil Complex Center located at 751 West Santa Ana Blvd., Santa Ana, CA 92701. At the Hearing, the judge will decide whether to grant Final Approval of the Settlement and how much of the Gross Settlement will be paid to Class Counsel, Plaintiff, and the Administrator. The Court will invite comment from objectors, Class Counsel and Defense Counsel before making a decision. You can attend (or hire a lawyer to attend) either personally or virtually via Zoom (<https://www.occourts.org/media-relations/civil.html>). [confirm]. Check the Court's website for the most current information.

It's possible the Court will reschedule the Final Approval Hearing. You should check the Administrator's website [www.etc.] beforehand or contact Class Counsel to verify the date and time of the Final Approval Hearing.

Exhibit 2

ADDENDUM TO CLASS ACTION AND PAGA SETTLEMENT AGREEMENT AND CLASS NOTICESETTLEMENT

To comply with the Court’s tentative order for preliminary approval, this addendum (“Addendum”) amends specific provisions of the Class Action and PAGA Settlement Agreement (“Agreement”) between Javier Santiago (“Plaintiff”) and Defendant Cal Tech Precision, Inc. (“Cal Tech Precision”) in the matter of *Santiago v. Cal Tech Precision, Inc.*, Case No. 30-2021-01195725-CU-OE-CXC. All other terms of the Agreement remain as stated.

1. In order to address the Court’s concerns regarding the class release in light *Amaro vs. Anaheim Arena Management, LLC* (2021) 69 Cal. App. 5th 521, 537-38, the Parties agree to modify the Agreement as follows:

A. Paragraph 6.2 of the Agreement is amended to:

Release by Participating Class Members: All Participating Class Members, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, release Released Parties from all claims that were alleged, or reasonably could have been alleged, based on the facts stated in the Operative Complaint, including any and all claims for: (1) failure to pay minimum and straight time wages (Cal. Lab. Code §§ 204, 1194, 1194.2 and 1997); (2) failure to pay overtime wages (Cal. Lab. Code §§ 1194 and 1198); (3) failure to provide meal periods (Cal. Lab. Code §§ 226.7 and 512); (4) failure to authorize and permit rest periods (Cal. Lab. Code § 226.7); (5) failure to timely pay final wages at termination (Cal. Lab. Code §§ 201-203); (6) failure to provide accurate itemized wage statements (Cal. Lab. Code § 226); (7) failure to indemnify expenditures (Cal. Lab. Code § 2802); and (8) violation of California’s Unfair Competition Law, California Business and Professions Code §§ 17200, et seq. Except as set forth in Section 6.3 of this Agreement, Participating Class Members do not release any other claims, including claims for vested benefits, wrongful termination, violation of the Fair Employment and Housing Act, unemployment insurance, disability, social security, workers’ compensation, or claims based on facts occurring outside the Class Period.

B. Paragraph 6.3 of the Agreement is amended to:

Release by PAGA Representative and Aggrieved Employees: In his capacity as a private attorney general “aggrieved employee” acting on behalf of himself, the State of California and the Aggrieved Employees (collectively, “PAGA Releasers”), and in consideration of the PAGA Penalties, Plaintiff, on behalf of the PAGA Releasers, releases the Released Parties from any and all PAGA Released Claims (defined below) that arose during the PAGA Period. All Aggrieved Employees, whether they are Participating Class Members or Non-Participating Class Members, are deemed to release, on behalf of themselves and

their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, the Released Parties from all claims for PAGA penalties that were alleged, or reasonably could have been alleged, based on the facts stated in the Operative Complaint or the PAGA Notice, including any and all claims for: (1) violations of Labor Code § 2802 and applicable Wage Orders for failing to indemnify employees for expenditures; (2) violations of Labor Code §§ 204, 510, 1194, 1197, and 1198 by failing to pay for all hours worked, including minimum wages, straight time wages, and overtime wages; (3) violations of Labor Code § 226.7 and applicable Wage Orders by failing to provide meal periods; (4) Labor Code § 226.7 and applicable Wage Orders by failing to authorize and permit rest periods; (5) violations of Labor Code § 204 by failing to pay all earned wages two times per month; (6) violations of California Labor Code § 1174.5 and applicable Wage Orders by failing to maintain accurate records of hours worked and meal periods taken or missed; (7) violations of Labor Code §§ 201 to 203 by willfully failing to pay all wages owed at termination; and (8) violations of Labor Code § 226 by failing to provide accurate itemized wage statements (the “PAGA Released Claims”).

- C. Sections 3.9 and 3.10 of the Class Notice are amended pursuant to Exhibit 1 attached herein.
- 2. In order to clarify that the Court will resolve any workweek dispute not otherwise resolved by the Administrator and the Parties, the Parties have agreed to modify the Agreement as follows:

- A. Paragraph 8.5 of the Agreement is amended to:

Challenges to Calculation of Workweeks and PAGA Pay Periods. Each Class Member shall have 45 days after the Administrator mails the Class Notice (plus an additional 14 days for Class Members whose Class Notice is re-mailed) to challenge the number of Class Workweeks and PAGA Pay Periods (if any) allocated to the Class Member in the Class Notice. The Class Member may challenge the allocation by communicating with the Administrator via fax, email or mail. The Administrator must encourage the challenging Class Member to submit supporting documentation. In the absence of any contrary documentation, the Administrator is entitled to presume that the Workweeks contained in the Class Notice are correct so long as they are consistent with the Class Data. The Administrator shall promptly provide copies of all challenges to calculation of Workweeks and/or Pay Periods to Defense Counsel and the Administrator’s determination to the challenges. However, in the event the parties are unable to resolve a dispute regarding the allocation of Workweeks and/or PAGA Pay Periods, the Court will ultimately resolve such dispute.

- B. Paragraph 8.7.4 of the Agreement is amended to:

Workweek and/or PAGA Pay Period Challenges. The Administrator has the authority to address and make decisions consistent with the terms of this

Agreement on all Class Member challenges over the calculation of Workweeks and/or PAGA Pay Periods. However, the Court will resolve any Workweek and/or PAGA Pay Period dispute not otherwise resolved between the Administrator and the Class Member.

- C. Section 4.3 of the Class Notice is amended pursuant to Exhibit 1 attached herein.
- 3. In order to update the information for Plaintiff's Counsel and Cal Tech Precision's counsel, the Parties agree to modify the Agreement as follows:

Report Use Considerations

2022 Real Rate Report

- Examines law firm rates over time
- Identifies rates by location, experience, firm size, areas of expertise, industry, and timekeeper role (i.e., partner, associate, and paralegal)
- Itemizes variables that drive rates up or down

All the analyses included in the report derive from the actual rates charged by law firm professionals as recorded on invoices submitted and approved for payment.

Examining real, approved rate information, along with the ranges of those rates and their changes over time, highlights the role these variables play in driving aggregate legal cost and income. The analyses can energize questions for both corporate clients and law firm principals.

Clients might ask whether they are paying the right amount for different types of legal services, while law firm principals might ask whether they are charging the right amount for legal services and whether to modify their pricing approach.

Some key factors¹ that drive rates²:

Attorney location - Lawyers in urban and major metropolitan areas tend to charge more when compared with lawyers in rural areas or small towns.

Litigation complexity - The cost of representation will be higher if the case is particularly complex or time-consuming; for example, if there are a large number of documents to review, many witnesses to depose, and numerous procedural steps, the case is likely to cost more (regardless of other factors like the lawyer's level of experience).

Years of experience and reputation - A more experienced, higher-profile lawyer is often going to charge more, but absorbing this higher cost at the outset may make more sense than hiring a less expensive lawyer who will likely take time and billable hours to come up to speed on unfamiliar legal and procedural issues.

Overhead - The costs associated with the firm's support network (paralegals, clerks, and assistants), document preparation, consultants, research, and other expenses.

Firm size - The rates can increase if the firm is large and has various timekeeper roles at the firm. For example, the cost to work with an associate or partner at a larger firm will be higher compared to a firm that has one to two associates and a paralegal.

Invoice Information

Data in Wolters Kluwer ELM Solutions' reference database and the 2022 Real Rate Report were taken from invoice line-item entries contained in invoices received and approved by participating companies.

Invoice data were received in the Legal Electronic Data Exchange Standard (LEDES) format (LEDES.org). The following information was extracted from those invoices and their line items:

- Law firm (which exists as a random number in the ELM Solutions reference database)
- Timekeeper ID (which exists as a random number in the ELM Solutions reference database)
- Matter ID (which exists as a random number in the ELM Solutions reference database)
- Timekeeper's position (role) within the law firm (partner, associate, paralegal, etc.)
- Uniform Task-Based Management System Code Set, Task Codes, and Activity Codes (UTBMS.com)
- Date of service
- Hours billed
- Hourly rate billed
- Fees billed

Non-Invoice Information

To capture practice area details, the matter ID within each invoice was associated with matter profiles containing areas of work in the systems of each company. The areas of work were then systematically categorized into legal practice areas. Normalization of practice areas was done based on company mappings to system-level practice areas available in the ELM Solutions system and by naming convention.

The majority of analyses included in this report have been mapped to one of 11 practice areas, further divided into sub-areas and litigation/non-litigation (for more information on practice areas and sub-areas, please refer to pages 232-234).

To capture location and jurisdiction details, law firms and timekeepers were systematically mapped to the existing profiles within ELM Solutions systems, as well as with publicly available data sources for further validation and normalization. Where city location information is provided, it includes any address within that city's defined Core-Based Statistical Area (CBSA) as defined by the Office of Management and Budget (OMB). The CBSAs are urban centers with populations of 10,000 or more and include all adjacent counties that are economically integrated with that urban center.

Where the analyses focus on partners, associates, and paralegals, the underlying data occasionally included some sub-roles, such as "senior partner" or "junior associate." In such instances, those timekeeper sub-roles were placed within the broader partner, associate, and paralegal segments.

Demographics regarding law firm size, location, and lawyer years of experience were augmented by incorporating publicly available information.

Welcome back to the Big Law Business column on the changing legal marketplace written by me, Roy Strom. Today, we look at a new threshold for lawyers' billing rates and why it's so difficult to put a price on high-powered attorneys. Sign up to receive this column in your inbox on Thursday mornings. Programming note: Big Law Business will be off next week.

Some of the nation's top law firms are charging more than \$2,000 an hour, setting a new pinnacle after a two-year burst in demand.

Partners at Hogan Lovells and Latham & Watkins have crossed the threshold, according to court documents in bankruptcy cases filed within the past year.

Other firms came close to the mark, billing more than \$1,900, according to the documents. They include Kirkland & Ellis, Simpson Thacher & Bartlett, Boies Schiller Flexner, and Sidley Austin.

Simpson Thacher & Bartlett litigator Bryce Friedman, who helps big-name clients out of jams, especially when they're accused of fraud, charges \$1,965 every 60 minutes, according to a court document.

In need of a former acting US Solicitor General? Hogan Lovells partner Neal Katyal bills time at \$2,465 an hour. Want to hire famous litigator David Boies? That'll cost \$1,950 an hour (at least). Reuters was first to report their fees.

Eye-watering rates are nothing new for Big Law firms, which typically ask clients to pay higher prices at least once a year, regardless of broader market conditions.

"Value is in the eye of the beholder," said John O'Connor, a San Francisco-based expert on legal fees. "The perceived value of a good lawyer can reach into the multi-billions of dollars."

Kirkland & Ellis declined to comment on its billing rates. None of the other firms responded to requests to comment.

Law firms have been more successful raising rates than most other businesses over the past 15 years.

Law firm rates rose by roughly 40 percent from 2007 to 2020, or just short of 3 percent per year, Thomson Reuters Peer Monitor data show. US inflation rose by about 28% during that time.

The 100 largest law firms in the past two years achieved their largest rate increases in more than a decade, Peer Monitor says. The rates surged more than 6% in 2020 and grew another 5.6% through November of last year. Neither level had been breached since 2008.

The price hikes occurred during a once-in-a-decade surge in demand for law services, which propelled profits at firms to new levels. Fourteen law firms reported average profits per equity partner in 2021 over \$5 million, according to data from The American Lawyer. That was up from six the previous year.

The highest-performing firms, where lawyers charge the highest prices, have outperformed their smaller peers. Firms with leading practices in markets such as mergers and acquisitions, capital markets, and real estate were forced to turn away work at some points during the pandemic-fueled surge.

Firms receive relatively tepid pushback from their giant corporate clients, especially when advising on bet-the-company litigation or billion-dollar deals.

The portion of bills law firms collected—a sign of how willingly clients pay full-freight—rose during the previous two years after drifting lower following the Great Financial Crisis. Collection rates last year breached 90% for the first time since 2009, Peer Monitor data show.

Professional rules prohibit lawyers from charging “unconscionable” or “unreasonable” rates. But that doesn’t preclude clients from paying any price they perceive as valuable, said Jacqueline Vinaccia, a San Diego-based lawyer who testifies on lawyer fee disputes.

Lawyers’ fees are usually only contested when they will be paid by a third party.

That happened recently with Hogan Lovells’ Katyal, whose nearly \$2,500 an hour fee was contested in May by a US trustee overseeing a bankruptcy case involving a Johnson & Johnson unit facing claims its talc-based powders caused cancer.

The trustee, who protects the financial interests of bankruptcy estates, argued Katyal’s fee was more than \$1,000 an hour higher than rates charged by lawyers in the same case at Jones Day and Skadden Arps Slate Meagher & Flom.

A hearing on the trustee’s objection is scheduled for next week. Hogan Lovells did not respond to a request for comment on the objection.

Vinaccia said the firm’s options will be to reduce its fee, withdraw from the case, or argue the levy is reasonable, most likely based on Katyal’s extensive experience arguing appeals.

Still, the hourly rate shows just how valuable the most prestigious lawyers’ time can be—even compared to their highly compensated competitors.

“If the argument is that Jones Day and Skadden Arps are less expensive, then you’re already talking about the cream of the crop, the top-of-the-barrel law firms,” Vinaccia said. “I can’t imagine a case in which I might argue those two firms are more reasonable than the rates I’m dealing with.”

Worth Your Time

On Cravath: Cravath Swaine & Moore is heading to Washington, opening its first new office since 1973 by hiring former heads of the U.S. Securities and Exchange Commission and Federal Deposit Insurance Corporation. Meghan Tribe reports the move comes as Big Law firms are looking to add federal government expertise as clients face more regulatory scrutiny.

On Big Law Promotions: It’s rare that associates get promotions to partner in June, but Camille Vasquez is now a Brown Rudnick partner after she shot to fame representing Johnny Depp in his defamation trial against ex-wife Amber Heard.

On Working From Home: I spoke this week with Quinn Emanuel’s John Quinn about why he thinks law firm life is never going back to the office-first culture that was upset by the pandemic. Listen to the podcast [here](#).

That's it for this week! Thanks for reading and please send me your thoughts, critiques, and tips.
