1 4. I think my efforts were a tremendous help in getting a \$3,350,000.00 settlement
2 in this case. I believe that I went above and beyond in fulfilling my responsibilities as a named
3 plaintiff, class representative, and PAGA representative, and I respectfully request that the Court
4 award me an enhancement payment in the amount of \$15,000.00. Taking into consideration the
5 time and effort that I have dedicated to this case, I believe that this amount is reasonable.

6 5. I am not related to anyone associated with Lawyers *for* Justice, PC.

7 6. And I believe that the individual settlement agreement that I entered into is also
8 reasonable and does not present any conflicts because I will not get paid anything until after the
9 Court grants final approval of the settlement and because my general release of claims does not
10 include any claims I have alleged or am releasing in my class and PAGA lawsuit. I also have
11 not entered into any undisclosed agreements or compensation. The only compensation I will
12 receive is whatever amount the Court awards as an enhancement payment, consideration for
13 providing a general release of claims to Defendant as disclosed to the Court and to the class
14 members (by way of the class notice), and my share of the settlement as a class member and
15 aggrieved employee.

16 I declare under penalty of perjury under the laws of the State of California that the
17 foregoing is true and correct.

18 Executed on 09/29/2025 at Hawthorne, California.
