6. In the present action, following investigation of Plaintiffs' claims, interviews and review of documents provided by my clients, including time sheets and payroll records, on May 27, 2021, I caused to be filed Plaintiffs' PAGA notice with the California Labor and Workforce Development Agency ("LWDA") giving notice to both the LWDA and the Employer/Defendant (and as amended on Sept. 29, 2021, adding additionally named Plaintiffs.)

7. Thereafter, after a thorough study of the legal principles and their application to the claims asserted, On February 3, 2022, my firm drafted and prepared the original Complaint asserting Plaintiffs' claims against Defendant, alleging (1) Violation of the Private Attorney Generals Act of Labor Code § 2698 et seq.; (2) Negligent Misrepresentation & Fraud (in Violation of Civ. Code §§ 1572 & 1710 et seq.); (3) Intentional Misrepresentation & Fraud (in Violation of Civ. Code §§ 1710 & 3294 et seq.); (4) False Promise (in Violation of Civ. Code § 1710 (4)); (5) Breach of Contract; (6) Breach of Covenant of Good Faith and Fair Dealing; (7) Misrepresentation Inducing Employee to Change Residence (in Violation of Labor Code § 970 et seq.); and (8) Unfair Business Practices (in Violation of Bus. & Prof. Code § 17200).

8. On March 14, 2022, the matter was removed by Defendant pursuant to 28 USC § 1441(b) to the United States District Court, Southern District of California, presiding Judge Michael M. Anello, Case Number: 3:22-cv-00342-MMA-NLS.

1 9. Thereafter, following telephone calls and email correspondence discussing the
2 Parties' contentions and claims, and informal discussions and exchange of documents, including
3 Defendant's compensation and reimbursement policies and Class data, the Parties agreed to
4 participate in mediation.

5 10. On May 17, 2022, the Parties engaged in a full day mediation before mediator,
6 Steven Pearl, and were able to reach a resolution with the mediator's proposal for a compromised
7 settlement.

8 11. Thereafter on June 2, 2022, the parties entered into a joint stipulation to remand the
9 matter back to the present court and to submit to its jurisdiction for oversight and final adjudication
10 of the settlement activities. On June 6, 2022, the action was remanded back to state court.

11 12. On or about May 26, 2023, Plaintiffs filed the First Amended Complaint ("FAC")
12 asserting alleged violation of Labor Code Section 2802 and adding a cause of action for recovery of
13 civil penalties under the Private Attorney Generals Act of 2004 (the "PAGA").

14 13. On August 31, 2023, the long form proposed settlement agreement was finalized and
15 signed by the Parties. A true and correct copy of the Joint Stipulation of PAGA and Class Action
16 Settlement and Release of Claims (the "Settlement Agreement") is attached hereto as **Exhibit A**.

17 14. On September 18, 2023, my office caused to be filed the operative Second Amended
18 Complaint setting forth Plaintiffs Class and Representative claims.

19 15. On October 13, 2023, this Court granted Preliminary Approval of the Settlement
20 Agreement.

21 16. For many of the reasons set forth in the concurrently filed Motion for Final Approval
22 of the Class and PAGA Settlement, I felt the Gross Settlement Amount ("GSA") in the amount of
23 Two Hundred and Fifty Thousand Dollars (\$250,000.00) was a fair and equitable result, bearing in
24 mind both the risks and benefits of potential further litigation.

25 17. Throughout the litigation the Parties conferred, exchanged documents, debated
26 factual and legal issues. During the settlement process, the Parties on both sides were required to
27 make reasonable compromises in light of the facts, issues and risks presented in this action. All of

1 those factors (as more fully detailed in the concurrently filed Motion for Final Approval) indicated
2 that the Plaintiffs, the Class and PAGA members would be best served by a global settlement in the
3 manner and upon the terms set forth in the proposed Settlement Agreement.

4 18. My firm took this case on back in approximately mid-March of 2021, on a purely
5 contingent basis. I initiated and litigated the action without payment for my firm's services or
6 reimbursement for the costs incurred for the benefit of the State of California and the Aggrieved
7 Employees and Class Members. My firm, W Employment Law is a comparatively small firm.
8 Accordingly, the number of cases we are able to take on at any given time is limited. Therefore, the
9 firm has to be extremely selective about the cases it does take. There was a certain degree of risk in
10 taking on a class and representative case of this size because it still meant the dedication of a
11 significant portion of my firm's staff and resources.

12 19. Because there is a clearly defined monetary benefit to the Aggrieved Employees and
13 the Class Members, the requested attorney's fees and reasonable litigation costs requested are fair
14 compensation for obtaining an excellent result, and in doing so, undertaking the risk and expense
15 and time-consuming litigation on a contingent basis.

16 20. My firm's total Lodestar for the action is currently \$113,630.00. Although I
17 accepted and prosecuted this case on a contingency basis, my hourly billing rate is \$950.00, which
18 is commensurate with labor and employment law practitioners of same or similar litigation
19 experience in the Southern California, Los Angeles and Orange County areas. This Lodestar
20 calculation is based on my firm's current billing rates and was prepared from time records regularly
21 prepared and maintained by my firm. The total number of hours reasonable expended on this
22 litigation by my firm is 288.0 hours from its inception in October of 2020. Thus, the total hourly
23 billing fees, including billing for associate counsel ranging from \$450.00 per hour for junior
24 associate counsel to \$500 per hour for senior associates, senior paralegal staff at \$300 per hour,
25 junior paralegal and support staff at \$150 an hour total \$113,630.00. This Lodestar calculation is
26 based on the generally accepted law firm and attorney compensation rates for Los Angeles and
27

1 Orange County. A true and correct copy of my firm's itemized billing summary for this action is
2 attached hereto as **Exhibit B-1**.

3 21. Expense items are billed separately and are not duplicated in my firm's Lodestar.
4 The expenses my firm incurred in litigating this action are reflected in the books and records of my
5 firm. These records are prepared from expense vouchers, receipts and check records and other
6 source materials and accurately reflect the expenses incurred. My firm incurred a total of Nine
7 Thousand, Five Hundred Forty-One Dollars and Thirty-Nine Cents (\$9,541.39) in unreimbursed
8 expenses and costs from the inception of the action up to and through January 22, 2024. All of
9 these expenses were reasonable and necessary for the prosecution of this action. A true and correct
10 summary of my firm's costs and expenses incurred in the prosecution of this action are submitted
11 herewith in **Exhibit B-2**, reflecting the amount of work, time and resources my firm has invested in
12 this case, with payment deferred to the end of the litigation and then, of course, contingent on the
13 outcome.

14 22. Pursuant to the proposed Settlement Agreement, Plaintiffs' counsel request that the
15 Court award attorney's fees in the amount of Eighty-Thousand Dollars (\$80,000.00) (40 % of the
16 GSA) subject to the Court's approval and reasonable costs, which to date, total Nine Thousand,
17 Five Hundred Forty-One Dollars and Thirty-Nine Cents (\$9,541.39). As noted in the
18 accompanying Application for Approval of Class Counsel's attorney's fees and costs, this
19 percentage is within the standard contingent recovery percentage. However, if payment of less than
20 the requested 40% of the GSA and less than the requested \$9,541.39 for litigation costs are
21 approved, the unawarded difference will be added to the Net Settlement Amount to be distributed to
22 the Class Members and shall not revert to the Defendant.

23 23. Attached hereto as **Exhibit C** is a true and correct copy of the proof of service
24 demonstrating the LWDA has been provided with notice of this Application for Approval of Class
25 Counsel's Attorney's Fees and Costs. The decision of the LWDA to not oppose the motion should
26 also be accorded favorable weight.

2.0 GENERAL TERMS

2.1 Plaintiffs filed their Complaint on February 3, 2022 alleging (1) Violation of the Private Attorney Generals Act of Labor Code § 2698 et seq.; (2) Negligent Misrepresentation & Fraud (in Violation of Civ. Code §§ 1572 & 1710 et seq.); (3) Intentional Misrepresentation & Fraud (in Violation of Civ. Code §§ 1710 & 3294 et seq.); (4) False Promise (in Violation of Civ. Code § 1710 (4)); (5) Breach of Contract; (6) Breach of Covenant of Good Faith and Fair Dealing; (7) Misrepresentation Inducing Employee to Change Residence (in Violation of Labor

Code § 970 et seq.); and (8) Unfair Business Practices (in Violation of Bus. & Prof. Code § 17200).

2.2 Plaintiffs filed the Action on February 3, 2022 in the San Diego Superior Court, Case No. 30-2022-00004601-CU-OE-CTL.

2.3 The matter was removed to the United States District Court, Southern District of California, presiding Judge Michael M. Anello, Case Number: 3:22-cv-00342-MMA-NLS.

2.4 The Parties met and conferred on this Action and agreed to attend a private mediation in attempt to resolve the present Action and have conducted a thorough investigation into the facts of the Action. This includes engaging in exchange of informal discovery. Plaintiffs' Counsel is both knowledgeable about and has done extensive research with respect to the applicable law and potential defenses to the claims of the PAGA Members and Settlement Class. Plaintiffs' Counsel has diligently pursued an investigation of the PAGA Members and Class Members' claims against Defendant. Based on the foregoing data and on their own independent investigation and evaluation, Plaintiffs' Counsel is of the opinion that the settlement with Defendant for the consideration and on the terms set forth in this Stipulation is fair, reasonable, and adequate and is in the best interest of the PAGA Members and Class Members in light of all known facts and circumstances, including the risk of significant delay and uncertainty associated with litigation, various defenses asserted by Defendant, and numerous potential appellate issues.

2.5 The Parties attended a private mediation with Steve Pearl, Esq., a neutral and well-respected mediator who is very knowledgeable regarding class and PAGA claims, on May 17, 2022. The Parties reached a settlement after accepting a mediator's proposal that was issued on May 17, 2022 by Steve Pearl. At all times, the Parties' negotiations were adversarial, non-collusive, and at arm's length.

2.6 The Parties agree that neither the Parties' settlement, this Agreement, nor the acts to be performed or judgments to be entered pursuant to the terms of the Agreement, shall be construed as an admission by Defendant of any wrongdoing or violation of any statute or law or liability on the claims or allegations in the Action.

2.7 The Parties stipulated to remand the case back to San Diego Superior Court on June 2, 2022. The United States District Court, Southern District of

California, granted the Parties' stipulation and remanded the Action back to the Superior Court of California, County of San Diego.

2.8 On May 26, 2023, Plaintiffs filed an amended complaint in the Action alleging class and PAGA claims for the alleged California Labor Code section 2802 violations. Pursuant to a Joint Stipulation and (Proposed) Order Plaintiffs will cause to be filed Plaintiffs' proposed Second Amended Complaint to correspond the defined Class and PAGA periods to those periods as defined in Sections 1.30 and 1.33 herein.

2.9 The Plaintiffs believe that the claims asserted in the Lawsuit have merit and that the evidence developed to date supports the claims asserted. However, Plaintiffs' Counsel recognize and acknowledge the expense and length of continued proceedings necessary to prosecute the Lawsuit against the Defendant through trial and appeals. Plaintiffs' Counsel have also taken into account the uncertain outcome and the risk of any litigation, especially in complex actions such as this Lawsuit, as well as the difficulties and delays inherent in such litigation. Plaintiffs' Counsel are mindful of the inherent problems of proof under and possible defenses to the violations asserted in the Lawsuit. Plaintiffs' Counsel believe that the Settlement set forth in this Stipulation confers substantial benefits upon the Settlement Class and PAGA Members. Based on their evaluation, Plaintiffs' Counsel have determined that the Settlement set forth in this Stipulation is in the best interests of the Plaintiffs, Settlement Class, and the PAGA Members.

2.10 The Parties are sufficiently familiar with the facts of the Lawsuit and the applicable law, so as to warrant settlement at this time.

2.11 The Parties are represented by competent class action litigation counsel, and have had the opportunity to consult with their respective counsel prior to the submission of this Stipulation to the Court.

2.12 Nothing in this Stipulation, nor the fact of the Stipulation itself, shall be construed or deemed an admission of liability, culpability, negligence or wrongdoing of any kind on the part of Defendant with respect to the claims alleged in the Lawsuit.

2.13 Defendant denies all the claims and contentions alleged by the Plaintiffs in the Lawsuit. Further, Defendant contends that the Action is not suitable for class certification and that Plaintiffs' claims are not amenable to adjudication on a representative basis. Nonetheless, Defendant has concluded that further litigation

would be protracted and expensive, and would also divert management and employee time. Defendant has taken into account the uncertainty and risks inherent in litigation, especially in multi-party cases. Defendant has therefore concluded that it is desirable that the Lawsuit be fully and finally settled in the manner and upon the terms and conditions set forth in this Stipulation.

2.14 The Parties recognize the inherent risk in proceeding with wage and hour class action litigation based on the instability in California wage-and-hour law. The Parties further agree that the Settlement set forth herein adequately balances the risk of proceeding with the Lawsuit against any potential recovery for the Settlement Class and PAGA Members, and therefore the Settlement represents a reasonable, fair, and just compromise of the claims asserted in the Lawsuit.

2.15 Pursuant to California Evidence Code sections 1152 and 1154, this Stipulation and any related documents filed or created in connection with it shall be inadmissible in evidence in any proceeding, except as necessary to approve, interpret or enforce this Stipulation, or as may specifically be permitted in Section 8.4 below.

2.16 Stipulation for Class Certification. For settlement purposes only, after Plaintiffs file their amended complaint in the Action alleging class claims for the alleged Labor Code section 2802 violations, Defendant will stipulate that the Settlement Class Members described herein who do not Request for Exclusion from the Settlement Class may be conditionally certified as a settlement class. This stipulation to certification is in no way an admission that class action certification, appointing the Plaintiffs as the Class Representatives, and appointing Plaintiffs' Counsel as class counsel are proper and shall not be admissible in this or in any other action except for the sole purposes of enforcing this Agreement. Should, for whatever reason, the Court fails to issue Final Approval (or if Final Approval is reversed on appeal), the Parties' stipulation to class certification as part of the Settlement shall become null and void *ab initio* and shall have no bearing on, and shall not be admissible in connection with the issue of whether or not certification, appointing the Plaintiffs as the Class Representatives, and appointing Plaintiff's Counsel as class counsel would be appropriate in a non-settlement context. Defendant expressly reserves its rights and declares that it would continue to oppose class certification and the substantive merits of the case should the Court fail to issue Final Approval. Plaintiffs expressly reserve

their rights and declare that they will continue to pursue class certification and a trial should the Court fail to issue Final Approval.

3.0 TERMS OF SETTLEMENT

NOW, THEREFORE, IT IS HEREBY STIPULATED AND AGREED by and among the Plaintiffs, for themselves and on behalf of all others similarly situated, and Defendant that, subject to the conditions precedent set forth below, the Lawsuit and the Released Claims shall be finally and fully compromised, released, resolved, relinquished, discharged and settled and without any adverse findings or conclusions against Defendant or anyone else, upon and subject to the terms and conditions of this Stipulation, as follows:

3.1 The Parties enter into this Stipulation and the Settlement on a conditional basis.

3.2 This Settlement is based upon representations made by the Defendant that Class Members worked a total of approximately 10,691 pay periods between February 3, 2019 and April 1, 2022. This Stipulation has been negotiated based on this representation.

3.3 This Stipulation will become final and effective only upon the occurrence of all of the following events. Similarly, Defendant's obligations under this Settlement will become final and effective only upon occurrence of all of the following events:

- a.) For Settlement and Class Certification purposes only, the Plaintiffs' filing of the First Amended Complaint to include both Class and PAGA claims;
- b.) The Court enters an order granting Final Approval of the Settlement; and
- c.) The Court enters a Final Judgment in the Lawsuit based on the terms of the Settlement.

3.4 The Parties to this Stipulation shall use their best efforts, including all efforts contemplated by this Stipulation and any other efforts that may become necessary by order of the Court, or otherwise, to effectuate this Stipulation and the terms set forth herein. As soon as practicable after execution of this Stipulation, Plaintiffs' Counsel shall, with the assistance and cooperation of Defendant and Defense Counsel, take all necessary steps to secure the Court's preliminary and final approval of the settlement, and the final entry of judgment. Unless the Court orders otherwise, this Stipulation shall be deemed null and void ab initio if the Court fails or refuses to issue the Final Approval

Order or fails to approve any material condition of this Stipulation of Settlement which effects a fundamental change of the Settlement, the entire Stipulation shall be rendered voidable and unenforceable as to all Parties herein at the option of either Party. In such event, neither this Stipulation, nor any negotiations leading to this Settlement, nor any information exchanged solely for purposes of furthering settlement negotiations, will be used or construed by or against any Party as a determination, admission or concession of any issue of law or fact; and the Parties hereto do not waive, and instead expressly reserve, their respective rights regarding the prosecution and defense of the Lawsuit, including all available defenses and affirmative defenses as if this Settlement never existed.

3.5 In the event of a timely appeal from an order of Final Judgment, the Judgment will be stayed and all payments required under this Settlement, other than payments to the Claims Administrator for services rendered, will not be paid pending the completion and final resolution of the appeal, and any payments thereafter will: (a) occur only if the order of Final Judgment is upheld after all appeals; and (b) be distributed in a manner that is provided for in this Settlement and in the order of Final Judgment.

4.0 THE FINANCIAL TERMS OF SETTLEMENT

4.1 The Gross Settlement Amount (also referred to as the Gross Fund Value “GFV”) is the following: Defendant agrees to pay an amount no more than the GFV of \$250,000 in settlement of this Action, which shall be inclusive of Plaintiffs’ Counsel’s attorneys’ fees and costs, Individual Settlement Amounts, the Service Payment Award to the Class Representatives, all Claims Administration Costs, payment for Plaintiffs’ individual claims, and payment to the California Labor & Workforce Development Agency (“LWDA”) for PAGA penalties. Defendant shall separately pay the employers’ share of applicable payroll tax obligations, which shall be reported through the designated Settlement Administrator.

4.2 The Gross Settlement Amount shall be distributed as follows:

a. \$200,000 to Plaintiffs’ class and PAGA claims (“Class and PAGA Settlement”). 0% of the Class and PAGA Settlement will be allocated as wages.

b. \$50,000 to Plaintiffs' individual claims. 25% of each individual plaintiff's recovery, after deducting attorneys' fees and costs, will be allocated to wages.

c. The portion to be paid to the Class Members shall be paid to all of the Class Members pro rata based on the number of pay periods worked by each Class Member during the Released Period.

4.3 Net Settlement Amount: The "Net Settlement Amount" is defined as the Gross Settlement Amount less \$50,000 to Plaintiffs for their individual claims, attorneys' fees and litigation costs as approved and awarded by the Court, the Service Award Payment to the Class Representatives as awarded by the Court, the Claim Administration Costs, and payment to the LWDA for PAGA penalties. In the event that the Court reduces the attorneys' fees, litigation costs, expenses or Service Award payments, or either increases or decreases the amount allocated to the PAGA Penalties, the Net Settlement Amount shall be increased or decreased accordingly.

4.4 Individual Settlement Amounts for the Settlement Class: The Individual Settlement Amount for each Participating Settlement Class Member will be calculated by the Claim Administrator using the Class Data provided by Defendant as follows: Compensable pay periods will be all pay periods worked by the Settlement Class Members during the Class Period. The dollars per compensable pay period will be calculated by dividing the total pay periods worked by Settlement Class Members into the Net Settlement Amount to determine a Per Pay Period value ("Pay Period Value"). The Pay Period Value will be multiplied by the number of pay periods worked by each Participating Class Member during the Class Period to determine the distribution, prior to legal deductions, for each Participating Class Member. If there are any timely submitted Requests for Exclusion, the Claim Administrator shall proportionately increase the Individual Settlement Amounts for each Participating Class Member so that the amount actually distributed to Participating Class Members equals 100% of the Net Settlement Amount. 100% of the Individual Settlement Amounts will be paid as interest and penalties from which no taxes will be withheld. The Claim Administrator will issue to each Settlement Class Member an Internal Revenue Service Form 1099 with respect to the penalties and interest allocations.

4.5 Attorneys' Fees Award and Costs: Plaintiffs will request that the Court

approve an award of attorney's fees to Plaintiffs' Counsel in an amount of up to forty percent (40%) of the Class and PAGA Settlement, plus reasonable litigation costs and expenses. Should the Court approve a lesser amount than what is sought by Class Counsel, the difference shall be added to the Net Settlement Amount to be distributed to the Participating Class Members. Any Court order awarding less than the amount sought by Class Counsel shall not be grounds to rescind the Settlement Agreement or otherwise void the Settlement. The Settlement Administrator shall issue to Class Counsel an IRS Form 1099 reflecting the amount of attorneys' fees and costs awarded by the Court. Class Counsel shall be fully responsible for the payment of any taxes due on such award.

4.6 Service Payment to Class Representatives: The amount, if any, awarded to the Class Representatives as Service Payment will be set by the Court in its discretion, in an amount not to exceed Two Thousand, Five Hundred Dollars (\$2,500.00) for each of the Representative Plaintiffs in exchange for the services Representative Plaintiffs performed on behalf of the Class and for entering into the General Release of all claims discussed herein. Defendant will not oppose the reasonableness of these Service Award requests. Any reduction by the Court of these requests will revert to the Net Settlement Amount. The Class Representatives will be bound by a General Release, set forth below, in exchange for this payment and will be issued IRS Form 1099 in connection with this payment. Representative Plaintiffs shall be solely and legally responsible to pay any and all applicable taxes on the Service Award payments. The Parties agree that any amount awarded as the Service Payment to the Representative Plaintiffs less than the requested amount shall not be a basis for Class Counsel to void this Stipulation.

4.7 PAGA Penalties: The Parties agree that \$12,500 is allocated to PAGA Penalties, and is to be paid from the Class and PAGA Settlement subject to Court approval. Of this amount, \$9,375 (75%) shall be paid to the LWDA in satisfaction of Plaintiffs' claims for penalties under the Private Attorney General Act of 2004 ("PAGA") and \$3,125 (25%) will be paid to the Aggrieved employees on a Pay Periods Worked basis, which will be treated entirely as civil penalties and shall be reported as required on an IRS Form 1099. Class Counsel shall give proper notice to the LWDA of the PAGA Settlement.

4.8 Claims Administration Costs means the costs payable from the Gross Settlement amount, in an amount not to exceed Ten Thousand Dollars (\$10,000.00) to the Settlement Administrator for administering this Settlement, including, but not limited to, printing, distributing and tracking documents for this Settlement, tax reporting, and deposit of the employee and employer share of payroll taxes, unclaimed property due diligence, reporting and remittance obligations, distributing the Gross Settlement Amount, and providing necessary reports and declarations, as requested by the Parties and/or the Court. The Settlement Administration Costs shall be paid from the Settlement Amount, including, if necessary, any such costs in excess of the amount represented by the Settlement Administrator as being the maximum costs necessary to administer the Settlement.

4.9 The Parties shall solicit bids from third party administrators and come to agreement on the designation and usage of a Settlement Claims Administrator.

4.10 Plaintiffs and each Class Member will provide a release of all the class and PAGA claims that are alleged in Plaintiffs' operative Complaint (including Labor Code § 558), or which could have been alleged based on the factual allegations in the operative Complaint or PAGA Notice that arose during the Released Period. Plaintiffs shall provide a general release of any and all claims against Defendant as well as its agents, officers, employees, directors, owners and other related parties standard in such an agreement.

4.11 For any Class Member whose settlement award cannot be sent because a working address cannot be found, or whose settlement award check is not timely cashed, their settlement award will be sent to State Controller's office to be held on behalf of the Class Member.

4.12 Tax Liability: Class Counsel and Defendant make no representations as to the tax treatment or legal effect of payments called for hereunder, and Plaintiffs and the Settlement Class Members are not relying on any statement or representation by Class Counsel or Defendant in this regard. Plaintiffs and Participating Class Members understand and agree that they will be solely responsible for their own tax obligations assessed on their respective settlement amounts described herein. Forms W-2 and/or Forms 1099 will be distributed at times and in the manner required by the Internal Revenue Code of 1986 (the "Code") and consistent with the Agreement.

The Plaintiffs and any Participating Settlement Class Member who receives any Individual Settlement Payment pursuant to this Stipulation shall be responsible for correctly characterizing such amounts for tax reporting purposes and shall be solely responsible for any and all tax obligations associated with such receipt, except as may be specifically set forth herein.

4.13 Participating Class Members shall be responsible for remitting to State and/or Federal taxing authorities any applicable taxes due and shall hold Defendant harmless and indemnify them for any liabilities, costs and expenses, including reasonable attorneys' fees, assessed or caused by any such taxing authority relating in any way to the tax treatment of the payments made pursuant to this Agreement.

4.14 Non-Reversionary Settlement. This is a "non-reversionary" settlement. Under no circumstances will any portion of the GFV revert to Defendant. Participating Class Members will not have to make a claim in order to receive an Individual Settlement Payment and Aggrieved Employees will not have to make a claim in order to receive their share of PAGA Penalties. Distributions in the form of Individual Settlement Payments will be made directly to each Participating Class Member and Aggrieved Employee. The Settlement Administrator shall be responsible for accurately and timely reporting and remittance obligations with respect to unclaimed funds as a result of a Participating Class Member or Aggrieved Employee not cashing an Individual Settlement Payment by the check cashing deadline, as set forth herein.

4.15 Class Counsel and Plaintiffs believe that the Settlement is fair and reasonable, and adequate and will so represent same to the Court.

4.16 The Parties to this Settlement pledge their good faith and fair dealing in supporting the approval of this Settlement by the Court. Neither this Stipulation, nor final form of Settlement, shall constitute an admission on behalf of Defendant of any form of liability or the accuracy of any allegation made by the Plaintiffs or their Counsel.

4.17 The Parties to this Settlement agree that it reflects their good faith compromise of the claims raised in the Lawsuit, based upon their assessment of the mutual risks and costs of further litigation and the assessments of their respective Counsel.

4.18 The Plaintiffs and any Participating Settlement Class Member who receives any Individual Settlement Payment pursuant to this Stipulation shall be responsible for correctly characterizing such amounts for tax reporting purposes and shall be solely responsible for any and all tax obligations associated with such receipt, except as may be specifically set forth herein.

5.0 PAYMENT PROCEDURE

5.1 Funding of the Gross Settlement Amount. Defendant shall make a one-time deposit into the QSF of the Gross Settlement Amount, as described in Section 4.1 that is necessary to make all payments required under this Settlement, within fifteen (15) calendar days after the Effective Date.

5.2 Distribution of Funds. No later than ten (10) calendar days after the deposit of each payment into the QSF, the Claim Administrator will mail the payments to the Participating Class Members, the payment for the attorneys' fees and costs to Class Counsel, any Service Payment to the Class Representatives as well as the payment for Plaintiffs' individual claims, the payment to the LWDA for PAGA penalties, and will pay itself the Claim Administration Costs.

5.3 Deadline for Cashing Settlement Checks. Participating Class Members and Aggrieved Employees shall have One Hundred and Eighty (180) calendar days after mailing by the Claim Administrator to cash their settlement checks. If any Participating Class Member or Aggrieved Employee's check is not cashed within that period, the check will be void and a stop-payment will be issued, and the Claim Administrator shall issue the unclaimed funds to the California State Controller's Office, Unclaimed Property Division, in the name of the Class Member or Aggrieved Employee, unless the Court directs the Parties to issue unpaid residue to other fund. The release will be binding upon all Participating Class Members who do not cash their checks within the 180-day period. The release will be binding upon all Participating Class Members and Aggrieved Employees who do not cash their checks within the 180-day period. In the event that any settlement check is returned to the Claim Administrator within 180 calendar days of mailing, the Claim Administrator will, within five (5) business days of receipt of the returned settlement check, perform a skip trace to locate the individual, and notify Defense Counsel and Class Counsel of

the results. If a new address is located by these means, the Claim Administrator will have ten (10) business days to re-issue the check. Neither Defendant, Defense Counsel, Class Counsel, Plaintiffs, nor the Claim Administrator will have any liability for lost or stolen settlement checks, forged signatures on settlement checks, or unauthorized negotiation of settlement checks. Without limiting the foregoing, in the event a Participating Class Member notifies the Claim Administrator that he or she believes that a settlement check has been lost or stolen, the Claim Administrator shall immediately stop payment on such check. If the check in question has not been negotiated prior to the stop payment order, the Claim Administrator will issue a replacement check.

5.4 No person shall have any claim against Defendant (or their designees), Defendant's Counsel, Plaintiffs, Class Counsel, or the Settlement Administrator based on mailings, distributions, payments or reports made in accordance with or pursuant to this Agreement. This provision does not, however, prevent a Party from seeking enforcement of this Agreement.

5.5 Without prejudice to any other remedies, the Settlement Administrator shall agree to be responsible for any breach of its obligations (whether committed by the Settlement Administrator or its agents) and to indemnify and hold the Parties and their counsel harmless from and against all liabilities, claims, causes of action, costs and expenses (including legal fees and expenses) arising out of any breach committed by the Settlement Administrator or its agents.

6.0 RELEASE OF CLAIMS

6.1 In consideration of the mutual promises contained herein, the Plaintiffs and Class Members, on behalf of themselves and on behalf of their current, former, and future heirs, executors, administrators, attorneys, agents, and assigns, do hereby and forever fully and finally release, waive, acquit and discharge the Released Parties from the Released Claims.

6.2 Upon the Effective Date, the Settlement Class (other than those who submit a valid Request for Exclusion) and each member of the Settlement Class who does not timely opt-out, will be deemed to have, and by operation of the Court's Order

approving this Stipulation will have expressly waived and relinquished, to the fullest extent permitted by law, all claims, charges, complaints, liens, demands, causes of action, obligations, damages and liabilities, whether known or unknown, that each Class Member had, now has, or may hereafter claim to have against the Released Parties, arising at any time during the Released Period, out of the facts, legal theories and alleged causes of action in the operative Complaint and the PAGA Notice based on the facts pleaded including state and federal wage and hour laws based on the allegations, facts, matters, transactions or occurrences therein, specifically including, Business and Professions Code § 17200, *et seq.*, the California Labor Code § 2802 and 2698, *et seq.*, all applicable wage orders including but not limited to failure to reimburse expenses, unfair and unlawful competition, and all other civil and statutory penalties, including those recoverable under the Private Attorneys General Act, Labor Code § 2698 *et seq.* (“PAGA”). At a minimum, the Released Claims include, to the maximum extent permitted by law: (a) any claims and causes of action, whether known or unknown, that were or could have been alleged or asserted based on the facts and allegations alleged in the operative Complaint filed in the Lawsuit or the PAGA Notice or arising out of the same nucleus of operative facts; which includes, but is not limited to, the following: claims brought under California Labor Code Sections 2802 and the applicable industrial Welfare Commission Wage Order No. 7-2001, the Fair Labor Standards Act, and all related or corresponding federal laws, and all implementing regulations and interpreting guidance; (b) any claims that were or could have been brought under California Business and Professions Code Section 17200 *et seq.* as unlawful, fraudulent or misleading based on the claims, facts and allegations alleged in the Lawsuit (including, but not limited to, claims of conduct unlawful under state or federal law); (c) any other causes of action that are based on or relate to failure to reimburse expenses or unfair business practices, including related premiums, penalties, interest, punitive damages, costs, attorneys' fees, injunctive relief, declaratory relief, or accounting, whether such causes of action are in tort, contract, or pursuant to a statutory remedy (the “Released Claims”). This release covers all such claims against any Released Parties.

6.3 In addition to the terms of the Release outlined above, no PAGA Member will have any claim against any of the Released Parties, Defendant’s Counsel,

Plaintiffs, any other PAGA Member, or Class Counsel, based on errors in administering claims or performing the mailing or skip-tracing requirements under this Stipulation.

6.4 Each Settlement Class Member will be deemed to have made the foregoing Release as if by manually signing it.

6.5 Plaintiffs and Defendant intend that the Settlement described in this Agreement will release and preclude any further claim, whether by lawsuit, administrative claim or action, arbitration, demand, or other action of any kind, by each and all of the Participating Class Members to obtain a recovery based on, arising out of, and/or related to any and all of the Released Claims. The Class Members shall be so notified in the Notice. This paragraph does not apply to any Class Member who timely and validly opts out of the Settlement.

6.6 Release by Class Representatives: As a material inducement to Defendant to enter into this Settlement Agreement, Class Representatives, and each of them, do hereby, for themselves and for their respective spouses, heirs, successors, beneficiaries, devisees, legatees, executors, administrators, trustees, conservators, guardians, personal representatives, and assigns forever and completely release and discharge the Released Parties from any and all charges, complaints, claims, liabilities, obligations, promises, agreements, controversies, damages, actions, causes of action, suits, rights, demands, costs, losses, debts, and expenses (including back wages, statutory penalties, civil penalties, liquidated damages, exemplary damages, interest, attorneys' fees, and costs) of any nature whatsoever, from the beginning of time through the execution of this Stipulation, whether known or unknown, suspected or unsuspected, including but not limited to all claims arising out of, based upon, or relating to Class Representatives' employment with Defendant or the remuneration for or termination of such employment (collectively, the "Class Representatives' Claims").

6.7 Without limiting the generality of the foregoing, Class Representatives, and each of them, expressly release all claims or rights against Released Parties arising out of or relating to alleged violations of any contracts, express or implied (including but not limited to any contract of employment); any contract or covenant of good faith and fair dealing (express or implied); any claims relating to negligent or intentional misrepresentation and fraud, including California

Civil Code Sections 1572, 1710, and 3294; any claims relating to false promise, including California Civil Code section 1710; any claims relating to breach of covenant of good faith and fair dealing; any tort, including any claim for improper or unauthorized wage deductions, failure to pay the applicable wage, unpaid wages, unpaid vacation benefits, penalties, liquidated damages, other damages, overtime, and alleged “off the clock” work under federal and state law, including California Labor Code Sections 204 and 558, waiting time penalties pursuant to California Labor Section 203, damages or penalties pursuant to California Labor Code Section 226, meal period and rest break payments and penalties pursuant to California Labor Code Sections 226.7 and 512, failure to provide itemized wage statements pursuant to California Labor Code Section 226, statutory or civil penalties pursuant to California Labor Code Sections 210, unfair competition and unfair business practices pursuant to Business and Professions Code Section 17200 et seq., interest and costs pursuant to California Civil Code Section 3287 and California Labor Code Section 218.6, statutory or common law rights to attorneys’ fees and costs, including those pursuant to California Labor Code Section 1194 et seq.; claims under the Private Attorneys General Act of 2004, Labor Code section 2699 *et seq.*, and the alleged violation or breach of any other state or federal statute, rule and or regulation; including all applicable Industrial Welfare Commission Wage Orders, and all similar causes of action, including but not limited to, any claim for restitution, equitable relief, interest, penalties, costs or attorneys’ fees in connection with any of the foregoing, negligent infliction of emotional distress, intentional infliction of emotional distress, and defamation; any “wrongful discharge,” “constructive discharge,” and “retaliation” claims; any claims relating to any breach of public policy; any legal restrictions on Defendant’s right to discharge employees; and any federal, state, or other governmental statute, regulation, or ordinance, including, without limitation: (1) Title VII of the Civil Rights Act of 1964 (race, color, religion, sex, and national origin discrimination or harassment, including retaliation for reporting discrimination or harassment); (2) 42 U.S.C. § 1981 (discrimination); (3) Equal Pay Act, 29 U.S.C. § 209(d)(1) (equal pay); (4) Americans with Disabilities Act, 42 U.S.C. § 12100 et seq. (disability discrimination); (5) Family and Medical Leave Act, 29 U.S.C. § 2601 et seq.

(family/medical leave); (6) California Fair Employment and Housing Act, Cal. Government Code § 12900 et seq. (discrimination or harassment in employment and/or housing, including discrimination or harassment based on race, religious creed, color, national origin, ancestry, disability, marital status, sex (including pregnancy), or age, including retaliation for reporting discrimination or harassment); (7) California Family Rights Act, Cal. Government Code § 12945.1 et seq. (family/medical leave); (8) California Labor Code, including Section 1720 et seq., or any Industrial Welfare Commission Wage Order; (9) Executive Order 11246 (race, color, religion, sex, and national origin discrimination or harassment); (10) Executive Order 11141 (age discrimination); (11) Sections 503 and 504 of the Rehabilitation Act of 1973 (handicap discrimination); (12) the Fair Labor Standards Act; (13) Employee Retirement Income Security Act, 29 U.S.C. § 1000 et seq. (employee benefits); (14) the California Business & Professions Code; (15) the California Workers' Compensation and Insurance Act, claims arising under the Worker Adjustment and Retraining Notification Act, and any other claim based upon any act or omission of the Defendant and the Released Parties occurring prior to the Effective Date of this Agreement. Class Representatives agree that there is a risk that any injury that they may have suffered by reason of the Released Parties' relationship with them might not now be known, and there is a further risk that said injuries, whether known or unknown at the date of this Settlement Agreement, might possibly become progressively worse, and that as a result thereof further damages may be sustained. Nevertheless, Class Representatives agree to forever and fully release and discharge the Released Parties, and understand that by the execution of this Settlement Agreement no further claims for any such injuries that existed at the time of the execution of this Settlement Agreement may ever be asserted by Class Representatives with respect to claims arising in the time period from the beginning of time to the execution of this Settlement Agreement.

6.8 Class Representatives, and each of them, expressly waive and relinquish all rights and benefits afforded by Section 1542 of the Civil Code of the State of California and do so understanding and acknowledging the significance of the waiver of Section 1542. Section 1542 of the Civil Code of the State of California states:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

Notwithstanding the provisions of Section 1542, and for the purpose of implementing a full and complete release and discharge of all parties, Class Representatives and Class Counsel expressly acknowledge that this Settlement Agreement is intended to include in its effect, without limitation, all claims that Class Representatives and each of them knew of, as well as all claims that they do not know or suspect to exist in their favor against the Released Parties, or any of them, for the time period from the beginning of time to the execution of this Settlement Agreement, and that this Settlement Agreement contemplates the extinguishment of any such Class Representatives' claims.

7.0 MOTION FOR COURT APPROVAL

7.1 Following the full execution of this Stipulation as well as Plaintiffs' filing of an amended complaint in the Action alleging class and PAGA claims for the alleged California Labor Code section 2802 violations, Plaintiffs will move the Court for Preliminary Approval of this Settlement and entry of the Preliminary Approval Order accomplishing the following:

- (a) Scheduling the Final Approval Hearing on the issue of whether this Settlement should be finally approved as fair, reasonable and adequate as to the Class Members and a hearing on fees, costs and the Service Payment;
- (b) Approving as to form and content the proposed Notice, attached hereto as Exhibit A;
- (c) Directing the mailing of the Notice by first class mail to the Settlement Class Members; and
- (d) Preliminarily approving this Settlement.

Pursuant to Labor Code § 2699(1)(2), Class Counsel shall also submit its Motion for Preliminary Approval to the LWDA.

7.2 Defendant and its Counsel shall cooperate with Class Counsel as necessary to obtain Court approval of the Stipulation and Settlement.

7.3 The Parties will ask the Court to maintain jurisdiction of this matter for the purpose of monitoring compliance with and performance under this Stipulation and any and all orders and judgments, including the Final Judgment, entered by the Court. Pending the completion of all of the prerequisites necessary to effectuate this Settlement, the Parties agree, subject to Court approval to a stay of all proceedings in the Action, except such as are necessary to effectuate the Settlement.

7.4 In connection with the Final Approval Hearing provided for in this Stipulation of Settlement, Class Counsel shall submit a (Proposed) Final Approval Order:

(a) Approving the Settlement, adjudging the terms thereof to be fair, reasonable and adequate, and directing consummation of its terms and provisions;

(b) Approving Class Counsel's application for an award of attorneys' fees and reimbursement of litigation costs and expenses, the Service Payment to the Class Representatives, and the payment to the Claim Administrator for costs of administering the settlement; and

(c) Entering judgment approving settlement, thereby permanently barring all Settlement Class Members from prosecuting any Released Claims against any of the Released Parties.

Pursuant to Labor Code § 2699(l)(3), Class Counsel shall submit a copy of any final judgment issued by the Court to the LWDA.

7.5 After the court issues its Order approving the Settlement, the Parties shall present the Final Judgment to the Court for its approval. After entry of the Final Judgment, the Court shall have continuing jurisdiction pursuant to California Code of Civil Procedure Section 664.6 solely for purposes of addressing: (i) the interpretation and enforcement of the terms of this Stipulation; (ii) Settlement administration matters; and (iii) such post-Final Judgment matters as may be appropriate under court rules or as set forth in this Settlement Agreement.

7.6 This Settlement Agreement is contingent upon the approval by the Court. If the Court should fail to approve this Settlement Agreement in the form agreed to by the Parties, the Parties agree to coordinate efforts to address the Court's questions or concerns. If after the Parties have made at least three (3) good faith efforts to address the Court's questions or concerns, and the Court does not approve this Settlement

Agreement, or if appellate review is sought and on such review the Court's decision is materially modified or reversed, or if one or more of the terms of the Settlement Agreement are not approved or is materially modified or reversed or found to be invalid and the Parties in good faith do not believe that it would be possible to make non-material modifications that would address any concerns raised by the Court, then each of the Parties by and through their Counsel shall have the right within ten (10) days of written notice thereof to elect to terminate the Settlement Agreement, in which event it shall have no force or effect and the Parties shall be deemed to have reverted to their respective status as of the date and time immediately prior to the execution of the Settlement Agreement and neither Party will be deemed to have waived or affected in any way their respective claims, objections, or defenses in the Action.

8.0 MUTUAL FULL COOPERATION

8.1 The Parties agree to cooperate fully with each other to accomplish the terms of this Settlement, including, but not limited to, the execution of all necessary documents, and to take such other action as may be reasonably necessary to implement the terms of this Settlement. The Parties shall use their best efforts, including all efforts contemplated by this Settlement and any other efforts that may become necessary by order of the Court, to effectuate the terms of this Settlement.

8.2 If a Party cannot reasonably comply with an obligation under this Settlement by the deadline applicable to that obligation, that Party may apply to the Court for a reasonable extension of time to fulfill that obligation. Consent to such a request for an extension will not be unreasonably withheld by the other Party.

8.3 Nothing contained in this Settlement shall be construed or deemed as an admission of liability, culpability or wrongdoing on the part of Defendant and Defendant denies liability therefor. This Settlement shall not constitute an admission by Defendant as to any interpretation of laws or as to the merits, validity, or accuracy of any claims made against it in the Lawsuit. Likewise, nothing in this Settlement shall be construed or deemed an admission with regards to the validity of the Defendant's defenses or affirmative defenses. Both Parties have entered into this Settlement in order to avoid the inconvenience, expense and uncertainty of further litigation.

8.4 This Settlement, and all other actions taken in the implementation of the Settlement, including any statements, discussions, or communications and any materials prepared, exchanged, issue or used during the course of the negotiations leading to this Settlement are settlement documents and shall be inadmissible in evidence and shall not be used for any purpose in any judicial, arbitral, administrative, investigative or other court, tribunal, forum or proceeding, including any wage and hour or other litigation against Defendant for any purpose, except in an action or proceeding to approve, interpret, or enforce the terms of this Settlement and except as required by Court Order.

9.0 NOTICES

9.1 Appointment of Claim Administrator. The Parties have agreed to the appointment of the Claim Administrator to perform the duties of a settlement administrator, including mailing the Notice, using standard devices to obtain forwarding addresses, independently reviewing and verifying documentation associated with any claims or opt-out requests, resolving any disputes regarding the calculation or application of the formula for determining the Individual Settlement Amounts, drafting and mailing the settlement checks to Participating Class Members, issuing 1099 Tax Forms, and performing such other tasks as set forth herein or as the Parties mutually agree or that the Court orders.

9.2. Disputes Regarding Claim Administration. Any and all disputes relating to administration of the Settlement by the Claim Administrator (except for disputes regarding Class Data) shall be referred to the Court, if necessary, which will have continuing jurisdiction over the terms and conditions of this Stipulation of Settlement, until Plaintiffs and Defendant notify the Court that all payments and obligations contemplated by this Stipulation of Settlement have been fully carried out. Prior to presenting any issue to the Court, counsel for the Parties will confer in good faith to resolve the dispute without the necessity of Court intervention. The Class Administrator shall also be responsible for issuing to Plaintiffs, Settlement Class Members, and Class Counsel any W-2, 1099, or other Tax Forms as may be required by law for all amounts paid pursuant to this Agreement. The Claim Administrator shall also be responsible for setting up all necessary tax accounts and forwarding all payroll taxes and penalties to the appropriate government authorities.

9.3 Class Data. Within fifteen (15) calendar days after entry of the Preliminary Approval Order, Defendant shall provide, subject to the Stipulated Protective Order, to the Settlement Administrator on one spreadsheet a list of all Settlement Class Members, including the Class Members' full names, last known addresses, telephone numbers (if any), social security numbers, and the total Pay Periods Worked by each Class Member during the Class Period. The Claim Administrator will run a check of the Class Members' addresses against those on file with the U.S. Postal Service's National Change of Address List. Pursuant to the Stipulated Protective Order, the Class Data provided to the Claim Administrator will remain confidential and will not be used or disclosed to anyone, except as required by applicable tax authorities, pursuant to Defendant's express written consent, or by order of the Court.

9.4 Notice. The Notice as approved by the Court, shall be sent by the Claim Administrator to the Settlement Class Members, by first class mail, in English only, within ten (10) calendar days following the Claim Administrator's receipt of the Class Data. For all Settlement Class Members, attached to the Notice will be a Settlement Explanation Form. The Settlement Administrator shall use standard devices, including a skip trace, to obtain forwarding addresses of Settlement Class Members if any envelopes are returned.

9.5 Returned Notice. The Claim Administrator will take steps to ensure that the Notice is received by all Settlement Class Members, including utilization of the National Change of Address Database maintained by the United States Postal Service to review the accuracy of and, if necessary, update a mailing address. Notices will be re-mailed to any Class Member for whom an updated address is located within ten (10) calendar days following both the Claim Administrator learning of the failed mailing and its receipt of the updated address. The Notice shall be identical to the original Notice, except that it shall notify the Class Member that the exclusion (opt-out) request or objection must be returned by the later of the Notice Response Deadline or fifteen (15) calendar days after the re-mailing of the Notice.

9.6. Presumption Regarding Receipt of Notice. It will be conclusively presumed that if an envelope has not been returned within thirty (30) days of the mailing that the Settlement Class Member received the Notice.

9.7 Disputes Regarding Class Data. Class Members are deemed to participate in the Settlement, unless they opt-out and Aggrieved Employees may not opt out of the PAGA Released Claims. The Settlement Explanation Form will inform Class Members of his/her estimated Individual Settlement Amount and the number of weeks he/she worked during the Class Period. Class Members may dispute their pay periods worked if they feel they worked more pay periods in the Class Period in California than Defendant's records show by timely submitting evidence to the Claim Administrator. Defendant's records will be presumed determinative absent reliable evidence to rebut Defendant's records, but the Claim Administrator will evaluate the evidence submitted by the Class Member and provide the evidence submitted to Class Counsel and Defense Counsel who agree to meet and confer in good faith about the evidence to determine the Class Member's actual number of pay periods and estimated Individual Settlement Amount. If Class Counsel and Defense Counsel are unable to agree, they agree to submit the dispute to the Claim Administrator to render a final decision. Class Members will have until the Notice Response Deadline to dispute Weeks Worked, object or opt out, unless extended by the Court.

9.8. Declaration of Due Diligence. The Settlement Administrator shall provide counsel for the Parties, at least twenty-five (25) days prior to the Final Approval Hearing, a declaration of due diligence and proof of mailing with regard to the mailing of the Notice.

9.9 Settlement Class Members' Rights. Each Settlement Class Member will be fully advised of the Settlement, the ability to object to the settlement, and the ability to opt-out or request exclusion from the Settlement. The Notice will inform the Settlement Class Members of the Court-established deadlines for filing objections or requesting exclusion from the Settlement in accordance with the following guidelines:

(a) Requests for Exclusion from Settlement Class. Any Settlement Class Member, other than Plaintiffs, may request to be excluded from the Settlement Class by submitting a "Request for Exclusion" to the Settlement Administrator, postmarked on or before the Notice Response Deadline. The Request for Exclusion should state:

"I WISH TO BE EXCLUDED FROM THE SETTLEMENT CLASS IN THE JOSEPH MONTAGUE, ET AL. V. GLOBAL CONNECTIONS TO EMPLOYMENT, INC. LAWSUIT. I UNDERSTAND THAT IF I ASK TO BE EXCLUDED FROM

THE SETTLEMENT CLASS, I WILL NOT RECEIVE ANY MONEY FROM THE SETTLEMENT OF THE CLASS CLAIMS IN THIS LAWSUIT.”

Any Request for Exclusion must include the full name, address, telephone number, last four digits of the social security number or date of birth, and signature of the Settlement Class Member requesting exclusion. The Request for Exclusion must be returned by mail to the Settlement Administrator at the specified address. Any such Request must be made in accordance with the terms set forth in the Notice. A Request for Exclusion will be timely only if postmarked by the Notice Response Deadline, unless the Parties otherwise agree in writing. Any Settlement Class Member who timely requests exclusion in compliance with these requirements: (i) will not have any rights under this Agreement, including the right to object, appeal or comment on the Settlement; (ii) will not be entitled to receive any Individual Settlement Payment under this Agreement; and (iii) will not be bound by this Agreement, or the Judgment with respect to the Released Class Claims.

(b) Binding Effect on Participating Class Members. Except for those Settlement Class Members who validly exclude themselves from the Class Settlement in compliance with the procedures set forth above, all Participating Settlement Class Members will: (i) be deemed to be Participating Class Members for all purposes under this Agreement; (ii) will be bound by the terms and conditions of this Agreement, the Judgment, and the releases set forth herein; and (iii) except as otherwise provided herein, will be deemed to have waived all objections and oppositions to the fairness, reasonableness, and adequacy of the Settlement.

(c) Objections to Settlement. Any Settlement Class Member, other than Plaintiffs, may object to the terms of this Agreement. To object, a Settlement Class Member shall inform the Claim Administrator, in writing, of his or her objection that must be postmarked by the Notice Response Deadline at the address set forth in the Notice. Such objection shall include the full name, address, telephone number, dates of employment with Defendant of the Objecting Settlement Class Member, the case name and number, the basis for the objection, including any legal support and each specific reason in support of the objection, as well as any documentation or evidence in support thereof, and, if the Objecting Settlement Class Member is represented by

counsel, the name and address of his or her counsel. If any Objecting Settlement Class Member wishes to speak at the Final Approval Hearing, that Objecting Settlement Class Member's written submission should include a request to be heard, and the Court will determine whether Objecting Settlement Class Members will be permitted to speak. The Settlement Administrator shall provide objections, if any, to Class Counsel and Defense Counsel within three (3) days of receipt, and the Claim Administrator shall attach the same to its declaration of due diligence and file with the Court prior to the Final Approval Hearing. Any Participating Class Member who files an objection remains eligible to receive monetary compensation from the Settlement. Plaintiffs and Defendant shall not be responsible for any fees, costs, or expenses incurred by any Class Member and/or his or her counsel related to any objections to the Settlement. Submitting an objection does not preserve the right to appeal a final judgment.

(d) Failure to Object. Any Settlement Class Member who desires to object but fails to timely submit a written objection or in-person objection at the Final Approval Hearing waives any right to object and will be foreclosed from making any objection (whether by appeal or otherwise) to this Settlement. Any Settlement Class Member who does not properly become a party of record by intervening or filing a motion to vacate the judgment waives any and all rights to appeal from the Judgment, including all rights to any post-judgment proceedings and appellate proceeding, such as a motion to vacate judgment, motion for new trial, a motion under California Code of Civil Procedure § 473, and extraordinary writs.

(e) Responses to Objections. Counsel for the Parties may file a response to any objections submitted by Objecting Settlement Class Members at least five (5) court days before the date of the Final Approval Hearing.

9.10 Settlement Class Members will have until the Notice Response Deadline to object or submit a Request for Exclusion to the Claim Administrator by U.S. Mail. The Claim Administrator shall disclose jointly to Class Counsel and Defendant's Counsel what objections or Requests for Exclusion were timely submitted on a weekly basis, and upon the request of Class Counsel or Defense Counsel.

9.11 Unless otherwise specifically provided herein, all notices, demands, or other communications given hereunder, shall be in writing and shall be deemed to

have been duly given as of: (i) the date given, if given by hand delivery; (ii) within one business day, if sent by an overnight delivery service; or (iii) the third business day after the mailing by U.S. Certified mail, return receipt requested.

10.0 MISCELLANEOUS PROVISIONS

10.1 All of the Parties have been represented by counsel throughout all negotiations that preceded the execution of this Stipulation, and this Stipulation is made with the consent and advice of counsel.

10.2 The Parties and Class Members waive their right to seek any form of appellate review over any order or judgment that is consistent with the terms of this Stipulation.

10.3 This Stipulation may not be modified or amended, except in a writing that is signed by the respective counsel of record for the Parties and approved by the Court.

10.4 This Stipulation constitutes the entire agreement between the Parties concerning the subject matter hereof, and supersedes and replaces all prior negotiations, understandings, memoranda of understanding and proposed agreements, written and oral, relating thereto. No extrinsic oral or written representations or terms shall modify, vary or contradict the terms of the Stipulation unless made in writing and signed by duly authorized representatives of all Parties and approved in writing by a final order of the Court. No waiver of any term, provision or condition of this Stipulation, whether by conduct or otherwise, in any one or more instance shall be deemed to be or construed as a further or continuing waiver of any such term, provision or condition. The Parties and their respective counsel all participated in the

negotiation and drafting of this Stipulation and Settlement and had available to them the advice and assistance of independent counsel. Thus, no Class Member may claim that any ambiguity in this Stipulation or Settlement should be construed against Defendant.

10.5 This Stipulation shall be subject to, governed by, construed, enforced, and administered in accordance with the laws of the State of California, without giving effect to the principles of conflict of laws, and shall be subject to the continuing jurisdiction of the Court. All questions of validity, interpretation or performance of any of its terms or any rights or obligations of the Parties to the Settlement Agreement shall be governed by California law. If any legal or equitable action or arbitration is necessary to enforce the terms of this Settlement Agreement, it shall be brought in the State of California, County of Orange.

10.6 This Stipulation shall be construed as a whole according to its fair meaning and intent, and not strictly for or against any Party, regardless of who drafted or who was principally responsible for drafting this Stipulation or any specific term or condition thereof.

10.7 This Stipulation may be executed by facsimile signature, pdf signature, or signature in compliance with the Uniform Electronic Transaction Act, and in any number of counterparts, each of which shall be deemed an original and together shall constitute one and the same instrument. When each of the Parties has signed at least one such counterpart, this Stipulation shall become effective and binding as to all of the Parties as of the day and year last written.

10.8 Except as specifically provided herein, the Parties hereto will bear responsibility for their own attorneys' fees and costs, taxable or otherwise, incurred by them or arising out of this Lawsuit, and will not seek reimbursement thereof from any Party to this Settlement. Prior to instituting legal action to enforce the provisions of this Agreement or to declare rights and/or obligations under this Agreement, a Party shall provide written notice to the other Party and allow an opportunity to cure the alleged deficiencies, and Plaintiffs and Defendant agree to seek the help of the Mediator to resolve any dispute they are unable to resolve informally. During this period, the Parties shall bear their own attorneys' fees and costs. This provision shall not apply to any legal

action or other proceeding instituted by any person or entity other than Plaintiffs or Defendant.

10.9 The Parties and their counsel agree that they will not issue any press releases or press statements, have any communications with the press or media about the Lawsuit or this Stipulation, or otherwise publicize the terms of this Settlement. Notwithstanding the foregoing, the Parties shall have the right to disclose the Settlement as may be required under federal or state tax and/or securities laws or under generally accepted accounting principles.

10.10 Plaintiff, Class Members and Class Counsel agree that none of the documents and information provided to the Claim Administrator by Defendant shall be used for any purpose other than approval of this Settlement. No later than thirty (30) days after the payment of all settlement proceeds as described in this Agreement, the Claim Administrator shall destroy or return to Defense Counsel the original and all copies of any documents designated as “confidential”, including any communications and electronic files and copies related to any documents designated as “confidential.” Should the Claim Administrator elect to destroy documents designated as “confidential”, the Claim Administrator shall certify under penalty of perjury that such documents have been destroyed.

10.11 Each of the respective signatories to this Stipulation represents and warrants that they are fully authorized to enter into this Settlement and bind the respective Parties to its terms and conditions.

10.12 The Settlement shall be binding upon and insure to the benefit of the settling parties’ respective successors, assigns, heirs, spouses, marital communities, executors, administrators and legal representatives.

10.13 Even after the Order of Final Judgment and notwithstanding it, this Court will have and retain continuing jurisdiction over the Lawsuit and over all Parties and Class Members, to the fullest extent necessary or convenient to enforce and effectuate the terms and intent of this Settlement and all matters provided for in it, and to interpret it.

IN WITNESS WHEREOF, each of the undersigned has agreed to and accepted the foregoing terms and conditions by executing this Stipulation as of the date indicated below.
