1 I, Kyle Nordrehaug, declare as follows:

2 1. I am a partner of the law firm of Blumenthal Nordrehaug Bhowmik De Blouw LLP,
3 counsel for Plaintiffs Maria Segismundo and David Gray (“Plaintiffs”) in this matter. As such, I am
4 fully familiar with the facts, pleadings and history of this matter. The following facts are within my
5 own personal knowledge, and if called as a witness, I could testify competently to the matters stated
6 herein.

7 2. This declaration is being submitted in support of Plaintiffs’ unopposed motion for
8 preliminary approval of the proposed class action settlement with Defendant Rancho Murieta
9 Country Club (“Defendant”), which motion seeks entry of an order: (1) preliminarily approving the
10 proposed settlement of this class action with Defendant; (2) for settlement purposes only,
11 conditionally certifying the Class, which is comprised of “all individuals who are or previously were
12 employed by Defendant Rancho Murieta Country Club in the State of California on a non-exempt
13 basis at any time during the Class Period”; (3) provisionally appointing Plaintiffs as the
14 representatives of the Class; (4) provisionally appointing Norman B. Blumenthal, Kyle R.
15 Nordrehaug, Aparajit Bhowmik and Christine T. LeVu of Blumenthal Nordrehaug Bhowmik De
16 Blouw LLP as Class Counsel; (5) approving the form and method for providing class-wide notice;
17 (6) directing that notice of the proposed settlement be given to the class; (7) appointing Apex Class
18 Action as Administrator, and (8) scheduling a final approval hearing date, proposed for January 10,
19 2025 which is at least 120 days from preliminary approval, to consider Plaintiffs’ motion for final
20 approval of the settlement and for approval of attorneys’ fees and expenses. Attached hereto as
21 Exhibit #1 is a copy of the fully executed Class Action and PAGA Settlement Agreement
22 (“Agreement”) along with exhibits thereto. This Declaration incorporates by reference the
23 definitions in the Agreement, and all terms defined therein shall have the same meaning as set forth
24 in the Agreement.

25
26 Fairness of Settlement

27 3. As consideration for this Settlement, the non-reversionary Gross Settlement Amount
28

1 of Four Hundred Thousand Dollars (\$400,000) (the “Gross Settlement Amount”) is to be paid by
2 Defendant, as set forth in the Agreement. The Gross Settlement Amount will settle all issues
3 pending in the Action between the Parties and will be made in full and final settlement of the
4 Released Class Claims in exchange for the payments to Participating Class Members from the Net
5 Settlement Amount, and includes (a) the costs of administration of the settlement, (b) all attorneys'
6 fees and costs, (c) Class Representative Service Payments, and (d) the PAGA Penalties payment
7 allocated 75% to the LWDA and 25% to the Aggrieved Employees. (Agreement at ¶ 1.22.) The
8 following is a table of the key financial terms of the Settlement and the proposed deductions:

9 **\$400,000** (Gross Settlement Amount)

- 10 - \$25,000 (Plaintiffs’ proposed service award not to exceed \$12,500 each)
- 11 - \$18,000 (Class Counsel Litigation Expenses Payment - not to exceed amount)
- 12 - \$133,333 (Class Counsel Fees Payment - not to exceed 1/3 of settlement)
- 13 - \$10,000 (PAGA Payment - 75% to LWDA / 25% to Aggrieved Employees)
- 14 - \$20,000 (Administration Expenses Payment - not to exceed amount)

15 **\$193,667** (Net Settlement Amount)

16 4. The relief provided in the Settlement will benefit all members of the Class. The
17 Settlement does not grant preferential treatment to Plaintiffs or segments of the Class in any way.
18 Payments to the Class Members are all determined under a neutral methodology. Each Participating
19 Class Member will receive the same opportunity to participate in and receive payment through a
20 neutral formula that is based upon the Workweeks for that individual.

21 5. On November 17, 2022, the Parties participated in an all-day mediation session
22 presided over by Tim Del Castillo, a respected and experienced mediator of wage and hour class
23 actions. In preparation for the mediation, Defendants provided Class Counsel with payroll and
24 employment data and other information regarding the Class Members, various internal documents,
25 and other compensation and employment-related materials. Class Counsel analyzed the data with
26 the assistance of damages expert Berger Consulting and prepared and submitted a mediation brief to
27 the mediator. The final settlement terms were negotiated and set forth in the Agreement now
28 presented for this Court’s approval. Importantly, Plaintiffs and Class Counsel believe that this
Settlement is fair, reasonable and adequate.

6. Based upon 420 Class Members who collectively worked 20,000 Workweeks

(Agreement at ¶ 4.1), the Gross Settlement Amount provides an average value of \$952 per Class Member and \$20 per Workweek and after deductions the Net Settlement Amount provides an average recovery of \$461.11 per Class Member and a recovery of \$9.68 per Workweek. The calculations to compensate for the amount due for the Class at the time of the mediation were calculated by Berger Consulting, Plaintiffs' damage expert. As to the Class whose claims are at issue in this Action, Plaintiffs used the expert to analyze the data and determine the potential unpaid wages for the employees. The maximum potential damages were calculated to be \$8,719 for the alleged unpaid wages due to rounding, \$454,659 for the alleged unpaid wages due to off-the-clock work at 1 hour per week, \$652,158 for alleged meal period damages based upon a 46.8% potential violation rate for shifts observed in the time records and after deducting the meal premiums (\$10,062) actually paid by Defendant, and \$1,414,351 for alleged rest period damages based upon a 100% violation rate, \$24,185 for alleged unreimbursed business expenses for personal cell phone usage at \$5 per month. As a result, the total damage valuation was calculated that Defendant was subject to a maximum damage claim in the amount of \$2,554,073. As to potential penalties, Plaintiffs calculated that potential waiting time penalties were a maximum range of between \$498,938 and \$923,958, depending on the predicate violation, and potential maximum wage statement penalties were \$421,450.¹ Defendant vigorously disputed Plaintiffs' calculations and exposure theories. Consequently, the Gross Settlement Amount of \$400,000 represents more than 9.8% of the maximum value of the alleged damages at issue in this case at the time this Settlement was negotiated.² The 100% alleged violation rate for rest breaks likely overstates the value of these

¹ While Plaintiffs alleged claims for statutory penalties pursuant to Labor Code Sections 203 and 226, at mediation Plaintiffs recognized that these claims were subject to additional, separate defenses asserted by Defendant, including, a good faith dispute defense as to whether any premium wages for meal or rest periods or other wages were owed given Defendant's position that Plaintiffs and Class Members were properly compensated. *See Nordstrom Commission Cases*, 186 Cal. App. 4th 576, 584 (2010) ("There is no willful failure to pay wages if the employer and employee have a good faith dispute as to whether and when the wages were due.").

² Because the PAGA claim is not a class claim and primarily is paid to the State of California, Plaintiffs have not included the PAGA claim in this discussion of the value of the class claims. The PAGA claim is addressed in the Decl. Nordrehaug at ¶33.

1 claims as the Class Members received some rest breaks given that the records showed meal breaks
2 were provided for a majority of shifts. Moreover, given the majority of class members were
3 represented by unions throughout their employment and had any break issue arisen, such issues
4 could have been resolved through union grievance procedures. Importantly, the recent decision that
5 good faith belief of compliance by the employer in *Naranjo v. Spectrum Sec. Servs., Inc.*, 15 Cal.
6 5th 1056, 1065 (2024), could completely negate the claims for waiting time and wage statement
7 penalties, even if wages were owed to the Class. The above maximum calculations should then be
8 adjusted in consideration for both the risk of class certification and the risk of establishing class-
9 wide liability on all claims. Given the amount of the settlement as compared to the potential value
10 of claims in this case and the defenses asserted by Defendant, this settlement is fair and reasonable.
11 Specific details as to the calculation and valuation of the claims for purposes of mediation and the
12 negotiation of the Settlement are as follows:

13 **A. Payroll and Timekeeping Data.** Defendant runs a private country club for
14 tennis and golf, which had restaurant services. Plaintiffs received and
15 Plaintiffs' expert analyzed payroll data and time punch data which covered
16 263 employees and payroll data and time punch data covered 3,416 shifts
17 worked, which was a sampling then extrapolated to the entire Class at the
18 time of mediation. Based on the payroll data, the average hourly rate for the
19 Class used in the class-wide valuation calculations was \$17.14.

20 **B. Alleged Unpaid Wages Due to Rounding.** Plaintiff alleged that there were
21 unpaid wages due to Defendant's rounding practices. The time punch records
22 show quarter hour rounding through end of September 2021. On average,
23 there are 5 minutes underpaid per shift and 4.9 minutes overpaid per shift,
24 which result in net 304 unpaid hours in total. 41.8% of shifts are underpaid
25 due to rounding and 37.6% of shifts are overpaid due to rounding. 55.5% of
26 pay periods in PAGA have net underpayments due to rounding. Unpaid
27 wages due to rounding is calculated as the sum of unpaid regular wages (at
28 hourly rate), unpaid overtime wages (at 1.5x hourly rate) and unpaid double

1 time wages (at 2x hourly rate). The alleged unpaid wages from the rounding
2 through September 2021 was calculated to total \$8,719.

3 C. **Alleged Off-The-Clock Work.** The off-the-clock claim is based on
4 allegations that Defendant knew or should have known the Class Members
5 spent time five minutes before and five minutes after scheduled shift due to
6 an arrival and departure policy. As a result, they were systematically
7 subjected to this alleged uncompensated work time. Off-the-clock damages
8 assume employees were not paid 1 hour per workweek, which may overstate
9 the damages which could only be 40-50 minutes of work time per week.
10 Unpaid off-the-clock time based on 1 hour per week sums up to 20,800 total
11 unpaid OTC hours. 51.9% of these hours are assumed overtime. Unpaid OTC
12 wages are calculated as the sum of unpaid regular OTC wages (at hourly rate)
13 and unpaid overtime OTC wages (at 1.5x hourly rate). As a result, the
14 maximum value of the claim for unpaid wages due to alleged off-the-clock
15 work was \$454,659.

16 D. **Alleged Meal Period Violations.** The meal period claim is based upon the
17 analysis of time punch records. The time punch records reflect a meal break
18 violation rate with waiver of 46.8% of all shifts (39,686 unique violations out
19 of 84,890 shifts analyzed). The pay data reflects meal break premiums paid
20 for 518 instances, therefore roughly 1.3% of facial violations have had a
21 premium paid, which would total \$10,062 for the Class. The 39,686 unique
22 meal break violations include 3,206 late (after 5th hour for shifts greater than
23 6 hours), 19,781 missed (for shifts greater than 6 hours), 1,342 short (under
24 30 minutes), 15,656 shifts with an alleged automatically-deducted meal break
25 and 572 missed 2nd meal breaks (for shifts greater than 12 hours) The
26 damages for a missed period is one hour of pay under Labor Code §§266.7
27 and 512. As a result, the maximum potential damages for alleged meal
28

1 period violations using the 46.8% potential violation rate, and after deducting
2 premiums paid of \$10,062, were therefore calculated to be \$652,158.

3 E. **Alleged Rest Period Violations.** The rest period claim is difficult to
4 calculate because California law does not require rest periods to be recorded.
5 For this claim, Plaintiff used the maximum assumption of 100% violation
6 rate for all shifts based upon the fact that serving customers did not permit off
7 duty rest periods. This likely overstates the rest period claim value as there
8 were likely some times a rest period was taken by Class Members. The
9 damages for a missed period is one hour of pay under Labor Code §§266.7
10 and 512. As a result, the maximum potential damages for alleged rest period
11 violations using his 100% violation rate were estimated to be \$1,414,351.

12 F. **Alleged Business Expenses Reimbursement.** The expense reimbursement
13 claim was based upon the personal cellphone usage for work purposes. The
14 value of this claim used was \$5 per month over 4,837 months to calculated
15 that the maximum potential damages for the alleged failure to reimburse
16 business expenses were \$24,185.

17 G. **Unpaid Gratuity Claim:** Plaintiffs gave \$0 value to the unpaid gratuity
18 claim, as it was negated by the CBA which required 100% of gratuities to be
19 paid to employees who worked the function, and 0% retained by the house.

20 F. **Alleged Waiting Time Penalties.** Waiting Time Penalties are calculated for
21 all 250 terminated employees x 8 hours per day x 30 days x the average rate
22 of pay. An alternate Waiting Time Penalty was calculated for 135 terminated
23 employees with rounding claims. As such, the maximum value of the
24 potential waiting time penalties were calculated to be between \$498,938 and
25 \$923,958, depending on the predicate violation.

26 G. **Alleged Wage Statement Penalties.** Wage Statement Penalties are
27 calculated at \$50 for the initial violation and \$100 for each subsequent
28 violation with a max of \$4,000 per employee (assumes 100% violation). The

1 Wage Statement claim is predicated and is derivative of the above claims, so
2 the maximum valuation assumed there was a violation in every pay period
3 within the applicable one-year statute of limitation. The maximum value of
4 the potential wage statement penalties were therefore calculated to be
5 \$421,450.

6 H. **Alleged PAGA Claim.** The PAGA Claim is not a class claim and the PAGA
7 penalties are paid primarily (75%) to the State of California, and do not
8 compensate for or release the individual claims of the employees. As such,
9 the PAGA Claim is not included in this valuation, however, the PAGA claim
10 is addressed separately below at paragraph 33.

11 Procedural History of the Litigation

12 7. On March 13, 2020, Plaintiff Maria Segismundo filed with the LWDA and served on
13 Defendant a notice under Labor Code section 2699.3 identifying the alleged Labor Code violations
14 to recover civil penalties on behalf of Aggrieved Employees for various Labor Code violations.
15 This PAGA Notice is attached hereto as Exhibit #3 for the Court's reference and also included a
16 copy of the draft complaint with the PAGA Notice.

17 8. On September 23, 2021, Plaintiff Maria Segismundo filed a class action Complaint
18 against Defendant in the Superior Court of the State of California, County of Sacramento. This class
19 action Complaint asserted class claims against Defendants for: (1) unfair competition in violation of
20 Cal. Bus & Prof. Code §§ 17200, et seq.; (2) failure to to pay minimum wages in violation of
21 California Labor Code §§ 1194, 1197, and 1197.1; (3) failure to pay overtime wages in violation of
22 California Labor Code §§ 510, 1194 & 1198; (4) failure to provide required meal periods in
23 violation of Cal. Labor Code §§ 226.7 and 512; (5) failure to provide required rest periods in
24 violation of Cal. Labor Code §§ 226.7 and 512; (6) failure to provide accurate itemized wage
25 statements in violation of California Labor Code § 226; (7) failure to to reimburse employees for
26 required expenses in violation of California Labor Code § 2802; (8) failure to provide wages when
27 due in violation of California Labor Code §§ 201, 202 and 203; and, (9) failure to provide gratuities
28

1 in violation of California Labor Code § 351.³ On March 14, 2023, Plaintiffs filed a First Amended
2 Class Action Complaint, adding Plaintiff David Gray ("Plaintiff Gray") as a named plaintiff and
3 class representative. On September 23, 2021, Plaintiff Segismundo filed a Representative Action
4 Complaint against Defendant in the Superior Court of the State of California, County of
5 Sacramento, asserting a single cause of action for violation of the Private Attorney General Act, Cal.
6 Labor Code §§ 2698, et seq. ("PAGA"), Case No. 34-2021-00308737 (hereinafter "PAGA Action").

7 9. As part of this Settlement, the Parties stipulate to the filing of a Second Amended
8 Consolidated Class and Representative Action Complaint, consolidating the claims alleged in this
9 Action and the separately filed PAGA Action. The Court granted consolidation and leave to file the
10 Second Amended Consolidated Class and Representative Action Complaint by Order dated June 28,
11 2024. The Second Amended Consolidated Class and Representative Action Complaint was filed
12 June 28, 2024 and is the operative complaint in the Action (the "Operative Complaint")

13 10. Over the course of litigation, the Parties engaged in the investigation of the claims,
14 including law and motion, both formal and informal discovery, and the production of thousands of
15 pages of documents, class data, and other information, allowing for the full and complete analysis of
16 liabilities and defenses to the claims in the Action. The information for mediation obtained by
17 Plaintiffs included: (1) data concerning the class; (2) payroll data and time punch data for the class
18 covering 263 individuals and 3,416 shifts; (3) Defendant's wage and hour policies; (4) the
19 employment files for the Plaintiffs; and, (5) samples of wage statements provided by Defendants.
20 As such, Class Counsel received the data and information for the Class, which was sufficient for
21 Plaintiffs' expert to prepare the valuations of the claims for the Class.

22 11. Class Counsel has extensive experience in litigating wage and hour class actions in
23 California. The Parties have vigorously litigated the Action since inception. During the course of
24 litigation, the Parties each performed analysis of the merits and value of the claims. Plaintiffs and
25

26 ³ In the complaint, Plaintiff Segismundo also alleged individual (non-class) claims against
27 Defendant for constructive discharge and other adverse employment actions in violation of public
28 policy. As disclosed in paragraph 6.2 of the Agreement, Plaintiff Segismundo reached a separate
settlement of her individual Constructive Discharge claim.

1 Defendant have engaged in significant research and investigation in connection with the Action.
2 Plaintiffs obtained formal and informal discovery and the production of relevant documents and
3 data from the Defendant. Class Counsel has thoroughly analyzed the value of the claims during the
4 prosecution of this Action and utilized an expert to perform an analysis of the data and valuation of
5 the claims.

6 12. Plaintiffs and Defendants agreed to discuss resolution of the Action through a
7 mediation. Prior to mediation, the Parties engaged in the above investigation and the exchange of
8 documents and information in connection with the Action. On November 17, 2022, the Parties
9 participated in an all-day mediation presided over by Tim Del Castillo, a respected and experienced
10 mediator of wage and hour class actions. Following the mediation over the course of many months,
11 each side, represented by its respective counsel, were able to agree to settle the Action based upon a
12 mediator's proposal which was memorialized in a memorandum of understanding. The Parties then
13 negotiated the final terms of the settlement as set forth in the Agreement. At all times, the
14 negotiations were arm's length and contentious.

15 13. Although a settlement has been reached, Defendant denies any liability or
16 wrongdoing of any kind associated with the claims alleged in the Action and further denies that, for
17 any purpose other than settlement, the Action is appropriate for class and/or representative
18 treatment. Defendant contends, among other things, that it has complied at all times with the
19 California Labor Code, applicable Wage Order, and all other laws and regulations. Further,
20 Defendant contends that class certification is inappropriate for any reason other than for settlement.
21 Plaintiffs contend that Defendant violated California wage and hour laws. Plaintiffs further contend
22 that the Action is appropriate for class certification on the basis that the claims meet the requisites
23 for class certification. Without admitting that class certification is proper, Defendant has stipulated
24 that the above Class may be certified for settlement purposes only. (Agreement at ¶ 2.9). The
25 Parties agree that certification for settlement purposes is not an admission that class certification is
26 proper. Further, the Agreement is not admissible in this or any other proceeding as evidence that the
27 Class could be certified absent a settlement. Solely for purposes of settling the Action, the Parties
28

1 stipulate and agree that the requisites for establishing class certification with respect to the Class are
2 satisfied.

3 14. Class Counsel has conducted an investigation into the facts of the class action. Both
4 formal and informal discovery was obtained, which included the production of hundreds of pages of
5 documents. Class Counsel engaged in a thorough review and analysis of the relevant documents
6 and data with the assistance of an expert. Accordingly, the agreement to settle did not occur until
7 Class Counsel possessed sufficient information to make an informed judgment regarding the
8 likelihood of success on the merits and the results that could be obtained through further litigation.
9 In addition, Class Counsel previously negotiated settlements with other employers in actions
10 involving nearly identical issues and analogous defenses. Based on the foregoing data and their own
11 independent investigation, evaluation and experience, Class Counsel believes that the settlement
12 with Defendant on the terms set forth in the Agreement is fair, reasonable, and adequate and is in
13 the best interest of the Class in light of all known facts and circumstances, including the risk of
14 significant delay, defenses asserted by Defendant, and potential appellate issues.

15
16 Settlement Terms and Plan of Allocation

17 15. The Gross Settlement Amount is Four Hundred Thousand Dollars (\$400,000).
18 (Agreement at ¶ 1.22.) Under the Settlement, the Gross Settlement Amount consists of the
19 following elements: (1) payment of the Individual Class Payments to the Participating Class
20 Members; (2) Class Counsel Fees Payment and Class Counsel Litigation Expenses Payment; (3)
21 Administration Expenses Payment; (4) the Class Representative Service Payments to the Plaintiffs;
22 and (5) the PAGA Penalties payment. (Agreement at ¶ 1.22.) The Gross Settlement Amount does
23 not include Defendant's share of payroll taxes. (Agreement at ¶ 3.1.) The Gross Settlement
24 Amount shall be all-in with no reversion to Defendant. (Agreement at ¶ 3.1.)

25 16. Defendant shall fund the Gross Settlement Amount and the amount necessary to pay
26 payroll taxes thereon in 36 monthly installments with first payment due on the Effective Date.
27 (Agreement at ¶ 4.3.) The distribution of Individual Class Payments to Participating Class Members
28

1 will be made in three installments after the 12th, 24th and 36th payments. (Agreement at ¶ 5.1.) The
2 payment scheduled was necessitated by the Defendant's financial situation.

3 17. The amount remaining in the Gross Settlement Amount after the deduction of
4 Court-approved amounts for Individual PAGA Payments, the LWDA PAGA Payment, the Class
5 Representative Service Payments, the Class Counsel Fees Payment, the Class Counsel Litigation
6 Expenses Payment, and the Administration Expenses Payment (called the "Net Settlement
7 Amount") shall be allocated to Class Members as their Individual Class Payments. (Agreement at
8 ¶¶ 1.28 and 3.2.) From the Net Settlement Amount, the Individual Class Payment for each
9 Participating Class Member will be calculated by (a) dividing the Net Settlement Amount by the
10 total number of Workweeks worked by all Participating Class Members during the Class Period and
11 (b) multiplying the result by each Participating Class Member's Workweeks. (Agreement at ¶
12 3.2(e).) Workweeks will initially be based on Defendant's records, however, Class Members will
13 have the right to challenge the number of Workweeks.

14 18. Class Members may choose to opt-out of the Settlement by following the directions
15 in the Class Notice. (Agreement at ¶ 8.5, Ex. A.) All Class Members who do not "opt out" will be
16 deemed Participating Class Members who will be bound by the Settlement and will be entitled to
17 receive an Individual Class Payment. (Agreement at ¶ 8.5(c).) All Aggrieved Employees, including
18 those who submit an opt-out request, will still be paid their allocation of the PAGA Penalties and
19 will remain subject to the release of the Released PAGA Claims regardless of their request for
20 exclusion from the Class. (Agreement at ¶¶ 6.3 and 8.5(d).) Finally, the Class Notice will advise
21 the Class Members of their right to object to the Settlement and/or dispute their Workweeks.
22 (Agreement at ¶¶ 8.6 and 8.7, Ex. A.)

23 19. A Participating Class Member must cash his or her Individual Class Payment check
24 within 180 days after it is mailed. (Agreement at ¶ 5.2.) Any settlement checks not cashed within
25 180 days will be voided and any funds represented by such checks sent to the California Controller's
26 Unclaimed Property Fund in the name of the Class Member thereby leaving no "unpaid residue"
27 subject to the requirements of C.C.P. § 384(b). (Agreement at ¶ 5.4.)

28 20. Subject to Court approval, the Parties have agreed on Apex Class Action LLC to

1 administer the settlement in this action (“Administrator”). (Agreement at ¶ 1.2.) The Administrator
2 will be paid for settlement administration in an amount not to exceed \$20,000. (Agreement at ¶
3 3.2(c).) Apex Class Action provided an estimate of \$17,490 for administration expenses and a
4 Declaration of Sean Hartranft of Apex is submitted herewith.

5 21. Subject to Court approval, the Agreement provides for Class Counsel to be awarded
6 a sum not to exceed one-third of the Gross Settlement Amount, as the Class Counsel Fees Payment.
7 (Agreement at ¶ 3.2(b).) Class Counsel will also be allowed to apply separately for an award of
8 Class Counsel Litigation Expenses Payment in an amount not to exceed \$18,000. (Agreement at ¶
9 3.2(b).) Subject to Court approval, the Agreement provides for a payment of no more than \$12,500
10 each for Plaintiffs as the Class Representative Service Payments. (Agreement at ¶ 3.2(a).)

11 22. Subject to Court approval, the PAGA Penalties will be paid from the Gross
12 Settlement Amount for PAGA penalties under the California Private Attorneys General Act, Cal.
13 Labor Code Section 2698, *et seq.* (“PAGA”). The PAGA Penalties are \$10,000. (Agreement at ¶¶
14 1.34 and 3.2(d).) Pursuant to the express requirements of Labor Code § 2699(i), the PAGA
15 Payment shall be allocated as follows: 75% shall be allocated to the Labor Workforce Development
16 Agency (“LWDA”) as its share of the civil penalties and 25% allocated to the Individual PAGA
17 Payments to be distributed to the Aggrieved Employees based on the number of their respective
18 PAGA Pay Periods. (Agreement at ¶ 3.2(d).) As set forth in the accompanying proof of service, the
19 LWDA has been served with this motion and the Agreement.

20
21 Risks of Continued Litigation and Standards for Approval

22 23. Plaintiffs and Class Counsel recognize the expense and length of continuing to
23 litigate and trying this Action against Defendant through possible appeals which could take several
24 years. Class Counsel has also taken into account the uncertain outcome and risk of litigation,
25 especially in complex class actions such as this Action. Class Counsel is also mindful of and
26 recognize the inherent problems of proof under, and alleged defenses to, the claims asserted in the
27 Action. Based upon their evaluation, Plaintiffs and Class Counsel have determined that the
28 Settlement set forth in the Agreement is in the best interest of the Class Members.

1 24. Here, a number of defenses asserted by Defendant present serious threats to the
2 claims of the Plaintiffs and the other Class Members. Defendant asserted that Defendant's practices
3 complied with all applicable Labor laws. Defendant argued that Class Members were paid for all
4 time worked and that all work time was properly recorded. Defendant contends that its meal and
5 rest period policies fully complied with California law and Defendant did not fail to provide the
6 opportunity for legally required meal and rest breaks. Defendant could argue that their payment of
7 meal period premiums is evidence of lawful practices. Defendant contends that there was no failure
8 to pay for business expenses and any cell phone usage was merely convenient and voluntary such
9 that reimbursement was not legally required. Finally, Defendant could argue that the Supreme
10 Court decision in *Brinker v. Superior Court*, 53 Cal. 4th 1004 (2012), weakened Plaintiffs' claims,
11 on liability, value, and class certifiability as to the meal and rest period claims. Defendant also
12 argues that based on their facially lawful practices, Defendant acted in good faith and without
13 willfulness, which if accepted would negate the claims for waiting time penalties and/or inaccurate
14 wage statements. See e.g. *Naranjo v. Spectrum Sec. Servs., Inc.*, 15 Cal. 5th 1056, 1065 (May 6,
15 2024) ("if an employer reasonably and in good faith believed it was providing a complete and
16 accurate wage statement in compliance with the requirements of section 226, then it has not
17 knowingly and intentionally failed to comply with the wage statement law.") Defendant's defenses
18 could eliminate or substantially reduce any recovery to the Class. While Plaintiffs believe that these
19 defenses could be overcome, Defendant maintains these defenses have merit and therefore present a
20 serious risk to recovery by the Class.

21 25. There was also a significant risk that, if the Action was not settled, Plaintiffs would
22 be unable to obtain a certified class and maintain the certified class through trial, and thereby not
23 recover on behalf of any employees other than themselves. At the time of the mediation, Defendant
24 forcefully opposed the propriety of class certification, arguing that individual issues precluded class
25 certification. Further, as demonstrated by the California Supreme Court decision in *Duran v. U.S.*
26 *Bank National Assn.*, 59 Cal. 4th 1 (2014), there are significant hurdles to overcome for a class-wide
27 recovery even where the class has been certified. While other cases have approved class
28

1 certification in wage and hour claims, class certification in this action was hotly disputed and the
2 maintenance of a certified class through trial was by no means a foregone conclusion.

3 26. This settlement is therefore certainly entitled to preliminary approval. Were this
4 case to go to trial, the Plaintiffs and the other class members would need to prove, among other
5 things, that wages were owed on a class-wide basis. As explained below, this was and is a
6 substantial risk:

7 A. **Risks of Litigation** - The risks of continued litigation are significant. The most
8 important risk of litigation was the Defendant's financial condition and ability to pay.
9 After the initial mediation where there were claims about Defendant's financial
10 condition, Plaintiffs obtained the production of financial documents and information,
11 which included tax returns and financial statements and revenues during the Class
12 Period. Plaintiff then utilized an expert (Ken Creal) to evaluate these documents and
13 opine as to what the Defendant could afford to pay. The expert opined that
14 Defendant could afford to pay roughly the amount of the Gross Settlement Amount,
15 but in order to do so, would need to make payments over time. This was an important
16 factor in Plaintiffs' decision to agree to this settlement. During the pendency of this
17 action, the Defendant also argued that union employees could seek relief through
18 grievance procedures and that the collective bargaining agreement limited and/or
19 barred certain claims. These union issues could also limit the class that could be
20 certified.

21 B. **Risks With Specific Claims and Their Class-Wide Valuations** - The specific
22 claims also had risks which impacted both liability and the valuation of the claim. In
23 defense of the rounding claim, Defendant argued that it was a neutral policy that was
24 lawful at the time (pre-September 2021). The meal and rest break claims present
25 significant hurdles for class certification because of the potential for individual issues
26 as to why a break was missed. In my experience, these claims would be difficult to
27 certify. As to the alleged claim for off-the-clock-work, again this claims presented
28 problems both as to certification and liability. Defendant could argue that the alleged

1 tasks were either performed while clocked in or were otherwise negligible work time.
2 Defendant disputed that arrivals before the start of a shift would amount to 1 hour per
3 week as Plaintiffs calculated. Therefore, this claim would be difficult to prove and to
4 value on a class-wide basis even if certified. Finally, as to the statutory penalties
5 relating to waiting time and wage statements, these claims are both derivative of the
6 above claims and are subject to their own defenses. As discussed above, the
7 Defendants asserted significant defenses to all of the predicate violations, which
8 means that under the new decision in *Naranjo*, even if the violations were proven,
9 these penalties would be denied. As a result, the claims for penalties likely have no
10 value through continued litigation.

11 27. Plaintiffs will apply to the Court for Class Representative Service Payments in
12 consideration for their service and for the risks undertaken on behalf of the Class.⁴ (Agreement at ¶
13 3.2(a).) Plaintiffs performed their duties admirably by working with Class Counsel over the course
14 of litigation. The Declarations of the Plaintiffs are submitted herewith in support. At this stage, the
15 requested service awards are well within the accepted range of awards for purposes of preliminary
16 approval, subject to the Court's determination at final approval. *See e.g. Andrews v. Plains All Am.*
17 *Pipeline L.P.*, 2022 U.S. Dist. LEXIS 172183, at *11 (C.D. Cal. 2022) (finding that the requested
18 service awards of \$15,000 each are appropriate); *Reynolds v. Direct Flow Med., Inc.*, 2019 U.S.
19 Dist. LEXIS 149865, at *19 (N.D. Cal. 2019) (granting request for \$12,500 service award); *Mathein*
20 *v. Pier 1 Imps. (U.S.), Inc.*, 2018 U.S. Dist. LEXIS 71386 (E.D. Cal. 2018) (awarding \$12,500
21 where average class member payment was \$351); *Louie v. Kaiser Foundation Health Plan, Inc.*,
22 2008 WL 4473183, *7 (S.D. Cal. Oct. 06, 2008) (awarding \$25,000 service award to each of six
23 plaintiffs in overtime class action); *Glass v. UBS Fin. Servs.*, 2007 WL 221862, *16-17 (N.D. Cal.
24 2007) (awarding \$25,000 service award in overtime class action and a pool of \$100,000 in
25 enhancements).

26
27
28 ⁴ As disclosed in paragraph 6.2 of the Agreement, Plaintiff Segismundo reached a separate
settlement of her non-wage and hour Constructive Discharge claim.

1 28. The stage of the proceedings at which this Settlement was reached also militates in
2 favor of preliminary approval and ultimately, final approval of the Settlement. Class Counsel has
3 conducted a thorough investigation into the facts of the class action. Class Counsel began
4 investigating the Class Members' claims before the Action was filed, and during the course of
5 litigation, Class Counsel engaged in informal discovery to obtain necessary information. Class
6 Counsel conducted a review and analysis of the relevant documents and data. Class Counsel was
7 also experienced with the claims at issue here, as Class Counsel previously litigated and settled
8 similar claims in other actions. Accordingly, the agreement to settle did not occur until Class
9 Counsel possessed sufficient information to make an informed judgment regarding the likelihood of
10 success on the merits and the results that could be obtained through further litigation.

11 29. Based on the foregoing data and their own independent investigation and evaluation,
12 Class Counsel is of the opinion that the Settlement with Defendant for the consideration and on the
13 terms set forth in the Agreement is fair, reasonable, and adequate and is in the best interest of the
14 Class in light of all known facts and circumstances, including the risk of significant delay, defenses
15 asserted by Defendant, the Defendant's ability to pay, and numerous potential appellate issues.
16 There can be no doubt that Counsel possessed sufficient information to make an informed judgment
17 regarding the likelihood of success on the merits and the results that could be obtained through
18 further litigation.

19
20 Class Certification Issues

21 30. Plaintiffs contend that the proposed settlement meets all of the requirements for class
22 certification under California Code of Civil Procedure § 382 as demonstrated below, and therefore,
23 the Court may appropriately approve the Class as defined in the Agreement. This Court should
24 conditionally certify the Class for settlement purposes only, defined as follows:

25 All individuals who are or previously were employed by Defendant Rancho Murieta
26 Country Club in the State of California on a non-exempt basis at any time during the
27 Class Period.

28 (Agreement at ¶ 1.5.)

1 Class Period is from September 23, 2017 to January 15, 2023. (Agreement at ¶ 1.13.) Per the
2 Declaration from Defendant attached hereto as Exhibit #4, the date that workweeks reach 20,000 for
3 purposes of the end of the Class Period is January 15, 2023.

4 a. **Numerosity** - Here, Plaintiffs assert that the 420 current and former
5 employees that comprise the Class can be identified based on Defendant's records and are
6 sufficiently numerous for class certification.

7 b. **Common Issues Predominate** - Here, Plaintiffs contend that common
8 questions of law and fact are present, specifically the common questions of whether Defendant's
9 employment practices were lawful, whether Defendant failed to provide meal and rest periods to
10 Class Members, whether Class members were lawfully compensated for all hours worked, whether
11 Defendant's rounding practice was lawful, whether Defendant failed to provide required expense
12 reimbursement, and whether Class Members are entitled to damages and penalties as a result of
13 these practices. Plaintiffs contend that certification of this Class is appropriate because Defendant
14 allegedly engaged in uniform practices with respect to the Class Members. As a result, these
15 common questions of liability could be answered on a class wide basis.

16 c. **Typicality** - In this Action, Plaintiffs contend that the typicality requirement
17 is fully satisfied. Plaintiffs, like every other member of the Class, were employed by Defendant as
18 non-exempt employees, and, like every other member of the Class, were subject to the same
19 employment practices. Plaintiffs, like every other member of the Class, also claim owed
20 compensation as a result of the Defendant's uniform company policies and practices. Thus, the
21 claims of Plaintiffs and the members of the Class arise from the same course of conduct by
22 Defendant, involve the same issues, and are based on the same legal theories.

23 d. **Adequacy** - Plaintiffs contend that the Class Members are adequately
24 represented here because Plaintiffs and representing counsel (a) do not have any conflicts of interest
25 with other class members, and (b) will prosecute the case vigorously on behalf of the class. This
26 requirement is met here. First, Plaintiffs are well aware of their duties as the representatives of the
27 Class and have actively participated in the prosecution of this case to date. Plaintiffs effectively
28 communicated with Class Counsel, provided documents and information to Class Counsel, and

1 participated in the investigation and resolution of the Action. The personal involvement of the
2 Plaintiffs was essential to the prosecution of the Action and the monetary settlement reached.
3 Second, Plaintiffs retained competent counsel who are experienced in employment class actions and
4 who have no conflicts. Third, there is no antagonism between the interests of the Plaintiffs and those
5 of the Class. Both the Plaintiffs and the Class Members seek monetary relief under the same set of
6 facts and legal theories.

7 31. Class Counsel's Adequacy of Representation and Absence of Conflict: Blumenthal
8 Nordrehaug Bhowmik De Blouw LLP is experienced in prosecuting class action lawsuits and can
9 competently represent the Class. Other lawyers at my firm and I have extensive class litigation
10 experience. We have handled a number of class actions and complex cases and have acted both as
11 counsel and as lead and co-lead counsel in a variety of these matters. We have successfully
12 prosecuted and obtained significant recoveries in numerous class action lawsuits and other lawsuits
13 involving complex issues of law and fact. My firm is particularly experienced in wage and hour
14 employment law class actions, including claims for misclassification, overtime, expense
15 reimbursement, unlawful deduction of wages, and missed rest and meal periods. Blumenthal
16 Nordrehaug Bhowmik De Blouw LLP has been involved as class counsel in over hundreds of wage
17 and hour class actions. Blumenthal Nordrehaug Bhowmik De Blouw LLP has been found to be
18 adequate counsel by the courts throughout California. We have been approved as experienced class
19 counsel by both state and federal courts in California in contested class certification proceedings. A
20 true and correct copy of the resume of my firm is attached hereto as Exhibit #2. The Class in this
21 settlement is defined as "all individuals who are or previously were employed by Defendant Rancho
22 Murieta Country Club in the State of California on a non-exempt basis at any time during the Class
23 Period." I have reviewed my firm's cases and representation of other plaintiffs and there is no
24 conflict or representation which would prevent my firm from representing the interests of the Class
25 this case. My firm only represents employees, and not employers. My firm has never represented
26 Defendant nor any affiliate of the Defendant. My firm's only interest in the subject matter of this
27 litigation is to ensure a recovery to the Class and to maximize that recovery. Finally, our allegiance
28 to the Class and the claims of the Class is not inconsistent with our allegiance to pursue the claims

1 on behalf of other employees and classes as the claims are all against different and distinct
2 employers. I can think of no conflict that would arise in our representation of the Class and our
3 adequate representation of the Class is evidenced by the successful prosecution of the class claims to
4 reach an excellent recovery for the Class. Moreover, neither the Plaintiffs nor Class Counsel have
5 any affiliation with the proposed Administrator for this settlement. Thus, the adequacy requirement
6 for my firm is satisfied.

7 32. The Class Notice, drafted jointly and agreed upon by the Parties through their
8 respective counsel and to be approved by the Court, includes all relevant information. (See Exhibit
9 “A” to the Agreement.) The Class Notice Packet will include a Spanish translation. (Agreement at
10 ¶ 1.11.) The Class Notice will include, among other information: (i) information regarding the
11 Action; (ii) the impact on the rights of the Class Members if they do not opt out, including a
12 description of the applicable release; (iii) information to the Class Members regarding how to opt
13 out and how to object to the Settlement; (iv) the estimated Individual Class Payment for each of the
14 Class Members; (iii) the amount of attorneys’ fees and expenses to be sought; (v) the amount of the
15 Plaintiffs’ service award request; and (vi) the anticipated expenses of the Administrator. The Class
16 Notice will state that the Class Members shall have sixty (60) days from the date that the Class
17 Notice is mailed to them (the “Response Deadline”) to request exclusion (opt-out) or to submit a
18 written objection. (Agreement at ¶¶ 1.42, 8.5, 8.7.) Class Members shall be given the opportunity
19 to object to the Settlement and/or requests for attorneys’ fees and expenses and to appear at the Final
20 Approval Hearing. (Agreement at ¶ 8.7.) Class Members who do not submit a timely and proper
21 request to opt-out will automatically receive a payment of their Individual Class Payment. This
22 notice program was designed to meaningfully reach the Class Members and it advises them of all
23 pertinent information concerning the Settlement.

24 33. The PAGA Claim -

25 a. **Approval of PAGA Settlements.** The decision in *O'Connor v. Uber*, 201
26 F.Supp.3d 1110, 1133 (N.D. Cal. 2016), and the LWDA's Response therein is illustrative. The
27 LWDA first states that "when viewing the monetary relief allocated to PAGA claims under a
28 settlement, the LWDA recognizes that the PAGA sum need not necessarily be viewed through the

1 same lens as the relief obtained by absent class members on other claims (i.e., the percentage of
2 recovery-to-exposure on the PAGA claims need not necessarily equal the percentage of recovery on
3 the other claims)." (LWDA Response at p.3). The LWDA also indicated that the payment of
4 money to the aggrieved employees furthers the purposes of PAGA and that the Court considers that
5 primary consideration. "The LWDA recognizes that this Court does not review the PAGA
6 allocation in isolation, but rather reviews the settlement as a whole, to determine whether it is
7 fundamentally fair, reasonable and adequate, with primary consideration for the interests of absent
8 class members." (LWDA Response at p.4).

9 b. **Valuation of the PAGA Claim.** For mediation, Plaintiff calculated the
10 value of the alleged PAGA claim as to Aggrieved Employees for civil penalties to be between
11 \$425,000 and \$850,000 for a single violation in every one of the 8,500 pay periods at issue in the
12 PAGA Period, depending on whether the violation was \$50 per pay period as in the case of Labor
13 Code § 558(a)(1) or the standard amount of \$100 per pay period for violation of Labor Code § 1198.
14 This valuation assumed that PAGA civil penalties would be awarded at the maximum rate per pay
15 period but without stacking.⁵ The PAGA allocation in the Settlement is the amount of \$10,000.
16 This allocation is justified by several important considerations. First, the PAGA claim was subject
17 to the same risks as the underlying class claims. Second, Defendant asserted additional defenses to
18 the PAGA claim, not only as to liability but also as to the amount of the penalties. Defendant could
19 also argue that no penalties prior to the PAGA notification should be awarded, and I am aware of
20 one Court which has so ruled. These additional defenses present a risk to the PAGA claim and the
21 potential that some or all of the PAGA penalties sought may not be awarded. Third, in *Carrington*
22 *v. Starbucks Corp.*, 30 Cal. App. 5th 504 (2018), the court affirmed a judgment which only provided
23 for a PAGA penalty of \$5 per violation. Therefore, at trial, any PAGA penalties awarded could be
24 significantly less than Plaintiff's calculation even where Plaintiff prevailed on the PAGA claim.

25
26 ⁵ Stacking is where more than one civil penalty is imposed in a pay period for the same conduct.
27 The valuation of between \$425,000 and \$850,000 is the civil penalty amount without stacking. If
28 stacking is permitted, then the valuation increases with each additional penalty added to each pay
period. Plaintiffs, however, are not aware of any PAGA award which permitted stacking and in the
cases cited herein, only one penalty per pay period was assessed.

1 Even if we assume that violations for all 8,500 pay periods were established, using the valuation
2 from *Carrington* results in a potential recovery of only \$42,500 under PAGA. This means that the
3 PAGA allocation in the Agreement is a reasonable percentage of this potential PAGA recovery.
4 Fourth, the interests of PAGA are also served by the Class recovery under the reasoning of the
5 LWDA in *O'Connor v. Uber*.

6 c. **Comparable PAGA Settlements.** In reaching the settlement of the PAGA
7 claim, Class Counsel was also aware of what allocations other Courts have approved for similar
8 PAGA settlements as compared to the total settlement amount. A class settlement that allocates
9 approximately 2.5% of the total settlement value to resolve the PAGA claims applicable to the class
10 is also supported by what has been approved in other wage-and-hour class settlements. Indeed,
11 Courts typically approve PAGA settlement amounts in the range of between 0.27 to 2 percent of the
12 total settlement. See *Davis v. Brown Shoe Co.*, 2015 U.S. Dist. LEXIS 149010 (E.D. Cal. 2015)
13 (PAGA Payment of \$5,000 in a \$1.5 million class settlement); *Zamora v. Ryder Integrated*

22
23 34. Attorneys' Fees - The Class Counsel Fees Payment is capped at one-third of the
24 Gross Settlement Amount. A fee award that is capped at one-third of the common fund is fair and
25 reasonable, and at the time of final approval, my firm will present lodestar to further support the
26 reasonableness of the requested fee award. My firm has been regularly awarded attorney's fees
27 equal to one-third of the common fund in Court-approved wage and hour class settlements. Some
28 of the class action awards obtained by Class Counsel in similar employment actions throughout the

1 state bear out the reasonableness of a fee and costs award equivalent to one-third (1/3) of the total
2 settlement value: On December 4, 2018, in *Panda Express Wage and Hour Cases* (Los Angeles
3 Superior Court, Case No. JCCP 4919) Judge Carolyn Kuhl awarded Class Counsel a one-third fee
4 award in a wage and hour class settlement. On February 1, 2019, in *Solarcity Wage and Hour*
5 *Cases* (San Mateo Superior Court, Case No. JCCP 4945) Judge Marie Weiner awarded Class
6 Counsel a one-third fee award in a wage and hour class settlement. On July 30, 2019, in *Erickson v.*
7 *John Muir Health*, (Contra Costa Superior Court Case No. MSC18-00307) Judge Edward Weil
8 awarded Class Counsel a one-third fee award in a wage and hour class settlement. On December
9 18, 2019, in *Velasco v. Lemonade Restaurant Group*, (Los Angeles Superior Court Case No.
10 BC672235) Judge William Highberger awarded Class Counsel a one-third fee award in a wage and
11 hour class settlement. On January 31, 2020, in *El Pollo Loco Wage and Hour Cases* (Orange
12 County Superior Court Case No. JCCP 4957) Judge William Claster awarded Class Counsel a one-
13 third award in a wage and hour class settlement. On December 3, 2020, in *Blackshear v. California*

17 D. Hogue awarded Class Counsel a one-third fee award in a wage and hour class settlement. On
18 November 8, 2021, in *Securitas Wage and Hour Cases* (Los Angeles Superior Court Case No.
19 JCCP4837) Judge David Cunningham awarded a one-third fee award in a wage and hour class
20 settlement. On March 17, 2022, in *See's Candies Wage and Hour Cases* (Los Angeles Superior
21 Court Case No. JCCP5004) Judge Maren Nelson awarded a one-third fee award in a wage and hour

24 36. Potentially Related Other Actions - Besides this Action, I am unaware of any other
25 related cases pending against Defendants which would be impacted by this settlement. I have
26 searched the LWDA database which evidences that there are no other currently pending PAGA
27 notices served against Defendant (other than PAGA notice served in this case). The Declaration
28 from Defendant confirmed they are not aware of other actions is attached hereto as Exhibit #4.

2 37. Administration - After seeking bids from qualified administrators, the estimate from
3 Apex Class Action is was selected, as it provided for an estimate of \$17,490 to perform the
4 settlement administration for a Class of up 450, with the three distributions, with any difference
5 between the actual expenses and the budget of \$20,000 to be retained in the Net Settlement Amount
6 for distribution to the Class. I have used Apex Class Action successfully as the administrator in
7 more than ten class settlements in the last couple years and know them to be competent and
8 experienced. My firm has no relationship or connection with Apex Class Action, and thus no
9 conflict of interest exists. Submitted herewith is the Declaration of Sean Hartranft from Apex Class
10 Action which includes the estimate for administration from Apex Class Action.

Aggrieved Employees assume full responsibility and liability for any taxes owed on their Individual PAGA Payment.
 - ii. If the Court approves PAGA Penalties of less than the amount requested, the Administrator will allocate the remainder to the Net Settlement Amount. The Administrator will report the Individual PAGA Payments on IRS 1099 Forms.

- (e) To Each Participating Class Member: An Individual Class Payment calculated by (a) dividing the Net Settlement Amount by the total number of Workweeks worked by all Participating Class Members during the Class Period and (b) multiplying the result by each Participating Class Member's Workweeks.
- i. Tax Allocation of Individual Class Payments. 20% of each Participating Class Member's Individual Class Payment will be allocated to settlement of wage claims (the "Wage Portion"). The Wage Portions are subject to tax withholding and will be reported on an IRS W-2 Form. 80% of each Participating Class Member's Individual Class Payment will be allocated to settlement of claims for non-wages, expense reimbursement, interest and penalties (the "Non-Wage Portion"). The Non-Wage Portions are not subject to wage withholdings and will be reported on IRS 1099 Forms. Participating Class Members assume full responsibility and liability for any employee taxes owed on their Individual Class Payment.
- ii. Effect of Non-Participating Class Members on Calculation of Individual Class Payments. Non-Participating Class Members will not receive any Individual Class Payments. The Administrator will retain amounts equal to their Individual Class Payments in the Net Settlement Amount for distribution to Participating Class Members on a pro rata basis.

4. SETTLEMENT FUNDING

- 4.1. Class Workweeks and Aggrieved Employee Pay Periods. Based on its records, Defendant has represented that the Class consists of 420 Class Members who collectively worked a total of 20,000 Workweeks, and estimated 290 Aggrieved Employees who worked a total of 8,500 PAGA Pay Periods.
- 4.2. Class Data. Not later than 15 days after the Court grants Preliminary Approval of the Settlement, Defendant will deliver the Class Data to the Administrator, in the form of a Microsoft Excel spreadsheet. To protect Class Members' privacy rights, the Administrator must maintain the Class Data in confidence, use the Class Data only for purposes of this Settlement and for no other purpose, and restrict access to the Class Data to Administrator employees who need access to the Class Data to effect and perform under this Agreement. Defendant has a continuing duty to immediately notify Class Counsel if it discovers that the Class Data omitted Class Member identifying information and to provide corrected or updated Class Data as soon as reasonably feasible. Without any extension of the deadline by which Defendant must send the Class Data to the Administrator, the Parties and their counsel will expeditiously use best efforts, in good faith, to reconstruct or otherwise resolve any issues related to missing or omitted Class Data.
- 4.3. Timing of Settlement Funding and Provision of Settlement Shares and Other Payments. Defendant shall fund the Gross Settlement Amount and the amount necessary to pay

payroll taxes thereon in 36 monthly installments with first payment due on the Effective Date.

5. PAYMENTS FROM THE GROSS SETTLEMENT AMOUNT

- 5.1. The Administrator will mail checks for all Individual Class Payments, all Individual PAGA Payments, the LWDA PAGA Payment, the Administration Expenses Payment, the Class Counsel Fees Payment, the Class Counsel Litigation Expenses Payment, and the Class Representative Service Payment in three pro-rata distributions, with the first payment of one-third payable fifteen (15) days after the 12th payment by Defendant, the second payment of one-third payable fifteen (15) days after the 24th payment by Defendant and the third and final payment of one-third payable fifteen (15) days after the 36th payment by Defendant, subject to acceleration upon default. In the event Defendant defaults on any of the monthly installment payments set forth in paragraph 4.3, after being given notice by Class Counsel and an opportunity to cure within thirty (30) days, Defendant agrees that all payments still due and owing on this Payments in the total amount of \$400,000, less any payments received, shall be accelerated and due immediately.
- 5.2. The Administrator will issue checks for the Individual Class Payments and/or Individual PAGA Payments and send them to the Class Members via First Class U.S. Mail, postage prepaid. The face of each check shall prominently state the “void date”, which is 180 days after the date of mailing, when the check will be voided. Before checks are mailed, the Administrator shall update address information through the National Change of Address database. The Administrator will cancel all checks not cashed by the void date. The Administrator will send checks for Individual Class Payments to all Participating Class Members (including those for whom Class Notice was returned undelivered). The Administrator will send checks for Individual PAGA Payments to all Aggrieved Employees including Non-Participating Class Members who qualify as Aggrieved Employees (including those for whom Class Notice was returned undelivered). The Administrator may send Participating Class Members a single check combining the Individual Class Payment and the Individual PAGA Payment. Before mailing any checks, the Administrator must update the recipients’ mailing addresses using the National Change of Address Database. If a Participating Class Member’s or Aggrieved Employee’s check is not cashed within 120 days after its last mailing to the affected individual, the Administrator will also send the individual a notice informing him or her that unless the check is cashed by the void date, it will expire and become non-negotiable, and offer to replace the check if it was lost or misplaced but not cashed.
- 5.3. The Administrator must conduct a Class Member Address Search for all other Class Members whose checks are returned undelivered without USPS forwarding address. Within 7 days of receiving a returned check the Administrator must re-mail checks to the USPS forwarding address provided or to an address ascertained through the Class Member Address Search. The Administrator need not take further steps to deliver checks

to Class Members whose re-mailed checks are returned as undelivered. The Administrator shall promptly send a replacement check to any Class Member whose original check was lost or misplaced, requested by the Class Member prior to the void date.

5.4. For any Class Member whose Individual Class Payment check or Individual PAGA Payment check is uncashed and cancelled after the void date, the Administrator shall transmit the funds represented by such checks to the California Controller's Unclaimed Property Fund in the name of the Class Member thereby leaving no "unpaid residue" subject to the requirements of California Code of Civil Procedure Section 384, subd. (b).

5.5. The payment of Individual Class Payments and Individual PAGA Payments shall not obligate Defendant to confer any additional benefits or make any additional payments to Class Members (such as 401(k) contributions or bonuses) beyond those specified in this Agreement.

6. RELEASE OF CLAIMS. Effective on the date when Defendant fully funds the entire Gross Settlement Amount and funds all employer payroll taxes owed on the Wage Portion of the Individual Class Payments, Plaintiffs, Participating Class Members, Aggrieved Employees and the LWDA will release claims against all Released Parties as follows:

6.1. Plaintiffs' Release. Plaintiffs and their respective former and present spouses, representatives, agents, attorneys, heirs, administrators, successors, and assigns generally, release and discharge Released Parties from all claims, transactions, or occurrences that occurred during the Class Period, including, but not limited to: (a) all claims that were, or reasonably could have been, alleged, based on the facts contained, in the First Amended Complaint, the PAGA complaint, the Operative Complaint and (b) all PAGA claims that were, or reasonably could have been, alleged based on facts contained in the Operative Complaint, and/or Plaintiffs' PAGA Notice ("Plaintiffs' Release"). Plaintiffs' Release does not extend to any claims or actions to enforce this Agreement, or to any claims for vested benefits, unemployment benefits, disability benefits, social security benefits, or workers' compensation benefits that arose at any time, based on occurrences outside the Class Period or Plaintiff Segismundo's claim for Constructive Discharge alleged as the Tenth Cause of Action to the First Amended Complaint. Plaintiffs acknowledge that Plaintiffs may discover facts or law different from, or in addition to, the facts or law that Plaintiffs now know or believe to be true but agree, nonetheless, that Plaintiffs' Release shall be and remain effective in all respects, notwithstanding such different or additional facts or Plaintiffs' discovery of them.

(a) Plaintiff Gray's Waiver of Rights Under Civil Code Section 1542. Plaintiff Gray expressly waives and relinquishes the provisions, rights, and benefits, if any, of section 1542 of the California Civil Code, which reads:

A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release,

and that if known by him or her would have materially affected his or her settlement with the debtor or Released Party.

- 6.2. Plaintiff Segismundo's Other Claims. Plaintiff Segismundo represents that she has additional individual claims against Defendant. Plaintiff Segismundo is separately settling her individual claims. In addition to the Gross Settlement Amount, Plaintiff Segismundo will also separately be paid for resolution of her Constructive Discharge claim alleged as the Tenth Cause of Action to the First Amended Complaint. The individual settlement paid to Plaintiff Segismundo is in addition to the Gross Settlement Amount and will be memorialized in an individual long-form settlement agreement that will be separate from this Agreement. If the Court requires the Parties to submit the terms of the individual settlement agreement to obtain approval of this Settlement, the Parties agree that the individual settlement agreement will be submitted in camera under seal to the Court.
- 6.3. Release by Participating Class Members. All Participating Class Members, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, release Released Parties from the Released Class Claims.
- 6.4. Release of PAGA Claims. All Aggrieved Employees and the LWDA are deemed to release, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, the Released Parties from the Released PAGA Claims.
7. **MOTION FOR PRELIMINARY APPROVAL.** The Parties agree to jointly prepare and file a motion for preliminary approval ("Motion for Preliminary Approval") that complies with the Court's procedures and instructions.
- 7.1. Defendant's Responsibilities. Within 14 days of the full execution of this Agreement, Defendant will prepare and deliver to Class Counsel a signed Declaration disclosing all facts relevant to any actual or potential conflicts of interest with the Administrator. In the Declaration, Defendant shall aver that they are not aware of any other pending matter or action asserting claims that will be extinguished or adversely affected by the Settlement. This Declaration shall be under penalty of perjury and, shall verify (i) Defendant's claim of financial hardship, (ii) Defendant's estimate that the Class Members worked a total of 20,000 Workweeks during the Class Period, and (iii) the date that the Workweeks worked by the Class Members reached 20,000 Workweeks for purposes of determining the Class Period. The end date of the Class Period will be the date on which the number of Workweeks reaches 20,000.
- 7.2. Plaintiffs' Responsibilities. Plaintiffs will prepare and deliver to Defense Counsel all documents necessary for obtaining Preliminary Approval, including: (i) a draft of the notice, and memorandum in support, of the Motion for Preliminary Approval that includes

an analysis of the Settlement under *Dunk/Kullar* and a request for approval of the PAGA Settlement under Labor Code Section 2699, subd. (f)(2)); (ii) a draft proposed Order Granting Preliminary Approval and Approval of PAGA Settlement; (iii) a draft proposed Class Notice; (iv) a signed declaration from the Administrator attaching its “not to exceed” bid for administering the Settlement and attesting to its willingness to serve; competency; operative procedures for protecting the security of Class Data; amounts of insurance coverage for any data breach, defalcation of funds or other misfeasance; all facts relevant to any actual or potential conflicts of interest with Class Members; and the nature and extent of any financial relationship with Plaintiffs, Class Counsel or Defense Counsel; (v) a signed declaration from Plaintiffs confirming willingness and competency to serve and disclosing all facts relevant to any actual or potential conflicts of interest with Class Members, and/or the Administrator; (v) a signed declaration from each Class Counsel firm attesting to its competency to represent the Class Members; its timely transmission to the LWDA of all necessary PAGA documents (initial notice of violations (Labor Code section 2699.3, subd. (a)), Operative Complaint (Labor Code section 2699, subd. (l)(1)), this Agreement (Labor Code section 2699, subd. (l)(2)); (vi) a redlined version of the parties’ Agreement showing all modifications made to the Model Agreement ready for filing with the Court; and (vii) all facts relevant to any actual or potential conflict of interest with Class Members, the Administrator. In their Declarations, Plaintiffs and Class Counsel Declaration shall aver that they are not aware of any other pending matter or action asserting claims that will be extinguished or adversely affected by the Settlement.

7.3. Responsibilities of Counsel. Class Counsel and Defense Counsel are jointly responsible for expeditiously finalizing and filing the Motion for Preliminary Approval no later than 30 days after the full execution of this Agreement; obtaining a prompt hearing date for the Motion for Preliminary Approval; and for appearing in Court to advocate in favor of the Motion for Preliminary Approval. Class Counsel is responsible for delivering the Court’s Preliminary Approval to the Administrator.

7.4. Duty to Cooperate. If the Parties disagree on any aspect of the proposed Motion for Preliminary Approval and/or the supporting declarations and documents, Class Counsel and Defense Counsel will expeditiously work together on behalf of the Parties by meeting in person or by telephone, and in good faith, to resolve the disagreement. If the Court does not grant Preliminary Approval or conditions Preliminary Approval on any material change to this Agreement, Class Counsel and Defense Counsel will expeditiously work together on behalf of the Parties by meeting in person or by telephone, and in good faith, to modify the Agreement and otherwise satisfy the Court’s concerns.

8. SETTLEMENT ADMINISTRATION

8.1. Selection of Administrator. The Parties have jointly selected Apex Class Action to serve as the Administrator and verified that, as a condition of appointment, Apex Class Action agrees to be bound by this Agreement and to perform, as a fiduciary, all duties specified

in this Agreement in exchange for payment of Administration Expenses. The Administrator's duties will include preparing, printing, and mailing the Class Notice Packet to all Class Members; conducting a National Change of Address search to update Class Member addresses before mailing the Class Notice Packets; re-mailing Class Notice Packets that are returned to the Class Member's new address; setting up a toll-free telephone number and email and a fax number to receive communications from Class Members; receiving and reviewing for validity completed Requests for Exclusion; providing the Parties with weekly status reports about the delivery of Class Notice Packets and receipt of Requests for Exclusion, objections and disputes; calculating Individual Class Payments and Individual PAGA Payments; issuing the checks to effectuate the payments due under the Settlement; issuing the tax reports required under this Settlement; and otherwise administering the Settlement pursuant to this Agreement. The Parties and their Counsel represent that they have no interest or relationship, financial or otherwise, with the Administrator other than a professional relationship arising out of prior experiences administering settlements.

8.2. Employer Identification Number. The Administrator shall have and use its own Employer Identification Number for purposes of calculating payroll tax withholdings and providing reports state and federal tax authorities.

8.3. Qualified Settlement Fund. The Administrator shall establish a settlement fund that meets the requirements of a Qualified Settlement Fund ("QSF") under US Treasury Regulation section 468B-1.

8.4. Notice to Class Members.

- (a) No later than three (3) business days after receipt of the Class Data, the Administrator shall notify Class Counsel that the list has been received and state the number of Class Members, PAGA Members, Workweeks, and Pay Periods in the Class Data.
- (b) Using best efforts to perform as soon as possible, and in no event later than 14 days after receiving the Class Data, the Administrator will send to all Class Members identified in the Class Data, via first-class United States Postal Service ("USPS") mail, the Class Notice with Spanish translation, if applicable substantially in the form attached to this Agreement as Exhibit A. The first page of the Class Notice shall prominently estimate the dollar amounts of any Individual Class Payment and/or Individual PAGA Payment payable to the Class Member, and the number of Workweeks and PAGA Pay Periods (if applicable) used to calculate these amounts. Before mailing Class Notices, the Administrator shall update Class Member addresses using the National Change of Address database.
- (c) Not later than 7 days after the Administrator's receipt of any Class Notice returned by the USPS as undelivered, the Administrator shall re-mail the Class Notice using any forwarding address provided by the USPS. If the USPS does not provide a forwarding

address, the Administrator shall conduct a Class Member Address Search, and re-mail the Class Notice to the most current address obtained. The Administrator has no obligation to make further attempts to locate or send Class Notice to Class Members whose Class Notice is returned by the USPS a second time.

- (d) The deadlines for Class Members' written objections, Challenges to Workweeks and/or Pay Periods, and Requests for Exclusion will be extended an additional 14 days beyond the Response Deadline provided in the Class Notice for all Class Members whose notice is re-mailed. The Administrator will inform the Class Member of the extended deadline with the re-mailed Class Notice.
- (e) If the Administrator, the Parties, Defense Counsel or Class Counsel is contacted by or otherwise discovers any persons who believe they should have been included in the Class Data and should have received Class Notice, the Parties will expeditiously meet and confer in person or by telephone, and in good faith, in an effort to agree on whether to include them as Class Members. If the Parties agree, such persons will be Class Members entitled to the same rights as other Class Members, and the Administrator will send, via email or overnight delivery, a Class Notice requiring them to exercise options under this Agreement not later than 14 days after receipt of Class Notice, or the deadline dates in the Class Notice, whichever are later.

8.5. Requests for Exclusion (Opt-Outs).

- (a) Class Members who wish to exclude themselves (opt-out of) the Class Settlement must send the Administrator, by fax, email, or mail, a signed written Request for Exclusion not later than the Response Deadline (plus an additional 14 days for Class Members whose Class Notice is re-mailed). A Request for Exclusion is a letter from a Class Member or his/her representative that reasonably communicates the Class Member's election to be excluded from the Settlement and includes the Class Member's name, address and email address or telephone number. To be valid, a Request for Exclusion must be timely faxed, emailed, or postmarked by the Response Deadline.
- (b) The Administrator may not reject a Request for Exclusion as invalid because it fails to contain all the information specified in the Class Notice. The Administrator shall accept any Request for Exclusion as valid if the Administrator can reasonably ascertain the identity of the person as a Class Member and the Class Member's desire to be excluded. The Administrator's determination shall be final and not appealable or otherwise susceptible to challenge. If the Administrator has reason to question the authenticity of a Request for Exclusion, the Administrator may demand additional proof of the Class Member's identity. The Administrator's determination of authenticity shall be final and not appealable or otherwise susceptible to challenge.

- (c) Every Class Member who does not submit a timely and valid Request for Exclusion is deemed to be a Participating Class Member under this Agreement, entitled to all benefits and bound by all terms and conditions of the Settlement, including the Participating Class Members' Releases under Paragraph 6.2 of the Agreement, regardless whether the Participating Class Member actually receives the Class Notice or objects to the Settlement.
- (d) Every Class Member who submits a valid and timely Request for Exclusion is a Non-Participating Class Member and shall not receive an Individual Class Payment or have the right to object to the class action components of the Settlement. Because future PAGA claims are subject to claim preclusion upon entry of the Judgment, Non-Participating Class Members who are Aggrieved Employees are deemed to release the claims identified in Paragraph 6.3 of this Agreement and are eligible for an Individual PAGA Payment. If a Class Member submits both a Request for Exclusion and an objection, only the Request for Exclusion will be accepted and the objection will be void.

8.6. Challenges to Calculation of Workweeks. Each Class Member shall have until the Response Deadline (plus an additional 14 days for Class Members whose Class Notice is re-mailed) to challenge the number of Class Workweeks and PAGA Pay Periods (if any) allocated to the Class Member in the Class Notice. The Class Member may challenge the allocation by communicating with the Administrator via fax, email or mail. The Administrator must encourage the challenging Class Member to submit supporting documentation. In the absence of any contrary documentation, the Administrator is entitled to presume that the Workweeks contained in the Class Notice are correct so long as they are consistent with the Class Data. The Administrator's determination of each Class Member's allocation of Workweeks and/or Pay Periods shall be final and not appealable or otherwise susceptible to challenge. The Administrator shall promptly provide copies of all challenges to calculation of Workweeks and/or Pay Periods to Defense Counsel and Class Counsel and the Administrator's determination as to the challenges.

8.7. Objections to Settlement.

- (a) Only Participating Class Members may object to the class action components of the Settlement and/or this Agreement, including contesting the fairness of the Settlement, and/or amounts requested for the Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and/or Class Representative Service Payment.
- (b) Participating Class Members may send written objections to the Administrator, by fax, email, or mail. In the alternative, or in addition to a written objection, Participating Class Members may appear in Court (or hire an attorney to appear in Court) to present verbal objections at the Final Approval Hearing. A Participating Class Member who elects to send a written objection to the Administrator must do so

not later than the Response Deadline (plus an additional 14 days for Class Members whose Class Notice was re-mailed).

- (c) Non-Participating Class Members have no right to object to any of the class action components of the Settlement. If a Class Member submits both a Request for Exclusion and an objection, only the Request for Exclusion will be accepted and the objection will be void.

8.8. Administrator Duties. The Administrator has a duty to perform or observe all tasks to be performed or observed by the Administrator contained in this Agreement or otherwise.

- (a) Website, Email Address and Toll-Free Number. The Administrator will establish and maintain and use an internet website to post information of interest to Class Members including the date, time and location for the Final Approval Hearing and copies of the Settlement Agreement, Motion for Preliminary Approval, the Preliminary Approval, the Class Notice, the Motion for Final Approval, the Motion for Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and Class Representative Service Payment, the Final Approval and the Judgment. The Administrator will also maintain and monitor an email address and a toll-free telephone number to receive Class Member calls, faxes and emails.
- (b) Request for Exclusion (Opt-Outs) and Exclusion List. The Administrator will promptly review on a rolling basis Requests for Exclusion to ascertain their validity. Not later than 7 days after the expiration of the deadline for submitting Requests for Exclusion, the Administrator shall email a list to Class Counsel and Defense Counsel containing (a) the names and other identifying information of Class Members who have timely submitted valid Requests for Exclusion (“Exclusion List”); (b) the names and other identifying information of Class Members who have submitted invalid Requests for Exclusion; (c) copies of all Requests for Exclusion from Settlement submitted (whether valid or invalid).
- (c) Workweek and/or Pay Period Challenges. The Administrator has the authority to address and make final decisions consistent with the terms of this Agreement on all Class Member challenges over the calculation of Workweeks and/or Pay Periods. The Administrator’s decision shall be final and not appealable or otherwise susceptible to challenge.
- (d) Weekly Reports. The Administrator must, on a weekly basis, provide written reports to Class Counsel and Defense Counsel that, among other things, tally the number of: Class Notices mailed or re-mailed, Class Notices returned undelivered, Requests for Exclusion (whether valid or invalid) received, objections received, challenges to Workweeks and/or Pay Periods received and/or resolved, and checks mailed for Individual Class Payments and Individual PAGA Payments (“Weekly Report”). The Weekly Reports must include the Administrator’s assessment of the validity of

Requests for Exclusion and attach copies of all Requests for Exclusion and objections received.

- (e) Administrator's Declaration. Not later than 7 days before the date by which Plaintiffs are required to file the Motion for Final Approval of the Settlement, the Administrator will provide to Class Counsel and Defense Counsel, a signed declaration suitable for filing in Court attesting to its due diligence and compliance with all of its obligations under this Agreement, including, but not limited to, its mailing of Class Notice, the Class Notices returned as undelivered, the re-mailing of Class Notices, attempts to locate Class Members, the total number of Requests for Exclusion from Settlement it received (both valid or invalid), the number of written objections and attach the Exclusion List. The Administrator will supplement its declaration as needed or requested by the Parties and/or the Court. Class Counsel is responsible for filing the Administrator's declaration(s) in Court.
 - (f) Final Report by Administrator. Within 10 days after the Administrator disburses all funds of the Gross Settlement Amount, the Administrator will provide Class Counsel and Defense Counsel with a final report detailing its disbursements by employee identification number only of all payments made under this Agreement. At least 7 days before any deadline set by the Court, the Administrator will prepare, and submit to Class Counsel and Defense Counsel, a signed declaration suitable for filing in Court attesting to its disbursement of all payments required under this Agreement. Class Counsel is responsible for filing the Administrator's declaration in Court. If a second declaration attesting to the distribution of uncashed checks is required, the Administrator shall provide this second declaration at least 7 days before any deadline for a second declaration and Class Counsel shall be responsible for filing the second declaration with the Court.
9. **CLASS SIZE MODIFICATION**. Based on its records, Defendant provided figures as to the Class size and workweeks as set forth in paragraph 4.1 above. In a declaration under penalty of perjury, Defendant will verify these numbers and confirm Defendant's claim of financial hardship prior to filing for preliminary approval. The end date for the Class Period will be the date on which the number of workweeks reaches 20,000.
10. **DEFENDANT'S RIGHT TO WITHDRAW**. If the number of valid Requests for Exclusion identified in the Exclusion List exceeds 5% of the total of all Class Members, Defendant may, but is not obligated, elect to withdraw from the Settlement. The Parties agree that, if Defendant withdraws, the Settlement shall be void ab initio, have no force or effect whatsoever, and that neither Party will have any further obligation to perform under this Agreement; provided, however, Defendant will remain responsible for paying all Administration Expenses incurred as of the date Defendant makes this election to withdraw. Defendant must notify Class Counsel and the Court of its election to withdraw not later than 7 days after the Administrator sends the final Exclusion List to Defense Counsel. Invalid Requests for Exclusion will have no effect on this threshold for an election.

11. MOTION FOR FINAL APPROVAL. Unless otherwise ordered by the Court, not later than 16 court days before the calendared Final Approval Hearing, Plaintiffs will file in Court, a motion for final approval of the Settlement that includes a request for approval of the PAGA settlement under Labor Code section 2699(l), a Proposed Final Approval Order and a proposed Judgment (collectively “Motion for Final Approval”). Plaintiffs shall provide drafts of these documents to Defense Counsel not later than 7 days prior to filing the Motion for Final Approval. Class Counsel and Defense Counsel will expeditiously meet and confer and in good faith, to resolve any disagreements concerning the Motion for Final Approval.

11.1. Response to Objections. Each Party retains the right to respond to any objection raised by a Participating Class Member, including the right to file responsive documents in Court no later than 5 court days prior to the Final Approval Hearing, or as otherwise ordered or accepted by the Court.

11.2. Duty to Cooperate. If the Court does not grant Final Approval or conditions Final Approval on any material change to the Settlement (including, but not limited to, the scope of release to be granted by Class Members), the Parties will expeditiously work together in good faith to address the Court’s concerns by revising the Agreement as necessary to obtain Final Approval. The Court’s decision to award less than the amounts requested for a Class Representative Service Payment, Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and/or Administration Expenses Payment shall not constitute a material modification to the Agreement within the meaning of this paragraph.

11.3. Continuing Jurisdiction of the Court. The Parties agree that, after entry of Judgment, the Court will retain jurisdiction over the Parties, Action, and the Settlement under C.C.P. section 664.6 solely for purposes of (i) enforcing this Agreement and/or Judgment, (ii) addressing settlement administration matters, and (iii) addressing such post-Judgment matters as are permitted by law.

11.4. Waiver of the Right to Appeal. Provided the Judgment is consistent with the terms and conditions of this Agreement, specifically including the Class Counsel Fees Payment and Class Counsel Litigation Expenses Payment reflected set forth in this Settlement, the Parties, their respective counsel, and all Participating Class Members who did not object to the Settlement as provided in this Agreement, waive all rights to appeal from the Judgment, including all rights to post-judgment and appellate proceedings, the right to file motions to vacate judgment, motions for new trial, extraordinary writs, and appeals. The waiver of appeal does not include any waiver of the right to oppose such motions, writs or appeals. If an objector appeals the Judgment, the Parties’ obligations to perform under this Agreement will be suspended until such time as the appeal is finally resolved and the Judgment becomes final, except as to matters that do not affect the amount of the Net Settlement Amount.

11.5. Appellate Court Orders to Vacate, Reverse, or Materially Modify Judgment. If the reviewing Court vacates, reverses, or modifies the Judgment in a manner that requires a

material modification of this Agreement (including, but not limited to, the scope of release to be granted by Class Members), this Agreement shall be null and void. The Parties shall nevertheless expeditiously work together in good faith to address the appellate court's concerns and to obtain Final Approval and entry of Judgment, sharing, on an equal basis, any additional Administration Expenses reasonably incurred at the time of remittitur. An appellate decision to vacate, reverse, or modify the Court's award of the Class Representative Service Payment or any payments to Class Counsel shall not constitute a material modification of the Judgment within the meaning of this paragraph, as long as the Gross Settlement Amount remains unchanged.

12. AMENDED JUDGMENT. If any amended judgment is required under Code of Civil Procedure section 384, the Parties will work together in good faith to jointly submit and a proposed amended judgment.

13. ADDITIONAL PROVISIONS

13.1. No Admission of Liability. Class Certification or Representative Manageability for Other Purposes. This Agreement represents a compromise and settlement of highly disputed claims. Nothing in this Agreement is intended or should be construed as an admission by Defendant that any of the allegations in the Operative Complaint have merit or that Defendant has any liability for any claims asserted; nor should it be intended or construed as an admission by Plaintiffs that Defendant's defenses in the Action have merit. The Parties agree that class certification and representative treatment is for purposes of this Settlement only. If, for any reason the Court does not grant Preliminary Approval, Final Approval or Judgment pursuant to this Agreement, Defendant reserves the right to contest certification of any class for any reasons, and Defendant reserves all available defenses to the claims in the Action, and Plaintiffs reserve the right to move for class certification on any grounds available and to contest Defendant's defenses. The Settlement, this Agreement and Parties' willingness to settle the Action will have no bearing on, and will not be admissible in connection with, any litigation (except for proceedings to enforce or effectuate the Settlement and this Agreement).

13.2. Confidentiality Prior to Preliminary Approval. Plaintiffs, Class Counsel, Defendant and Defense Counsel separately agree that, until the Motion for Preliminary Approval of Settlement is filed, they and each of them will not disclose, disseminate and/or publicize, or cause or permit another person to disclose, disseminate or publicize, any of the terms of the Agreement directly or indirectly, specifically or generally, to any person, corporation, association, government agency, or other entity except: (1) to the Parties' attorneys, accountants, or spouses, all of whom will be instructed to keep this Agreement confidential; (2) counsel in a related matter; (3) to the extent necessary to report income to appropriate taxing authorities; (4) in response to a court order or subpoena; or (5) in response to an inquiry or subpoena issued by a state or federal government agency. Each Party agrees to immediately notify each other Party of any judicial or agency order, inquiry, or subpoena seeking such information. Plaintiffs, Class Counsel, Defendant and

Defense Counsel separately agree not to, directly or indirectly, initiate any conversation or other communication, before the filing of the Motion for Preliminary Approval, any with third party regarding this Agreement or the matters giving rise to this Agreement except to respond only that “the matter was resolved,” or words to that effect. This paragraph does not restrict Class Counsel’s communications with Class Members in accordance with Class Counsel’s ethical obligations owed to Class Members.

- 13.3. No Solicitation. The Parties separately agree that they and their respective counsel and employees have not and will not solicit any Class Member to opt out of or object to the Settlement, or appeal from the Judgment. Nothing in this paragraph shall be construed to restrict Class Counsel’s ability to communicate with Class Members in accordance with Class Counsel’s ethical obligations owed to Class Members.
- 13.4. Integrated Agreement. Upon execution by all Parties and their counsel, this Agreement together with its attached exhibits shall constitute the entire agreement between the Parties relating to the Settlement, superseding any and all oral representations, warranties, covenants, or inducements made to or by any Party.
- 13.5. Attorney Authorization. Class Counsel and Defense Counsel separately warrant and represent that they are authorized by Plaintiffs and Defendant, respectively, to take all appropriate action required or permitted to be taken by such Parties pursuant to this Agreement to effectuate its terms, and to execute any other documents reasonably required to effectuate the terms of this Agreement including any amendments to this Agreement.
- 13.6. Cooperation. The Parties and their counsel will cooperate with each other and use their best efforts, in good faith, to implement the Settlement by, among other things, modifying the Settlement Agreement, submitting supplemental evidence and supplementing points and authorities as requested by the Court. In the event the Parties are unable to agree upon the form or content of any document necessary to implement the Settlement, or on any modification of the Agreement that may become necessary to implement the Settlement, the Parties will seek the assistance of a mediator and/or the Court for resolution.
- 13.7. Prior Assignments. The Parties separately represent and warrant that they have not directly or indirectly assigned, transferred, encumbered, or purported to assign, transfer, or encumber to any person or entity and portion of any liability, claim, demand, action, cause of action, or right released and discharged by the Party in this Settlement.
- 13.8. Tax Advice. Neither Plaintiffs, Class Counsel, Defendant nor Defense Counsel are providing any advice regarding taxes or taxability, nor shall anything in this Settlement be relied upon as such within the meaning of United States Treasury Department Circular 230 (31 CFR Part 10, as amended) or otherwise.

EXHIBIT A

[NOTICE OF PROPOSED SETTLEMENT OF CLASS ACTION AND HEARING DATE FOR
FINAL COURT APPROVAL]

EXHIBIT “A”

**COURT APPROVED NOTICE OF CLASS ACTION SETTLEMENT
AND HEARING DATE FOR FINAL COURT APPROVAL**

***Segismundo vs. Rancho Murieta Country Club, Superior Court of the State of California,
County of Sacramento, Case No. 34-2021-00308730-CU-OE-GDS***

***The Superior Court for the State of California authorized this Notice. Read it carefully!
It's not junk mail, spam, an advertisement, or solicitation by a lawyer. You are not being sued.***

**YOUR LEGAL RIGHTS MAY BE AFFECTED WHETHER YOU ACT OR DO NOT
ACT. PLEASE READ THIS NOTICE CAREFULLY.**

You may be eligible to receive money from the settlement of an employee class action lawsuit (“Action”) against Defendant Rancho Murieta Country Club (“Defendant”) for alleged wage and hour violations. The Action was filed by Plaintiffs Maria Segismundo and David Gray (“Plaintiffs”) and seeks payment of (1) wages and other relief on behalf of all individuals who are or previously were employed by Defendant Rancho Murieta Country Club in the State of California on a non-exempt basis at any time during the Class Period (September 23, 2017 through [REDACTED], 2023) (“Class Members”), and (2) penalties and other relief on behalf of all individuals who were employed by Defendant Rancho Murieta Country Club in California and classified as a non-exempt employee at any time during the PAGA Period (September 23, 2020 through [REDACTED], 2023) (“Aggrieved Employees”).

The Settlement has two main parts: (1) a Class Settlement requiring Defendant to fund Individual Class Payments to Class Members, and (2) a PAGA Settlement requiring Defendant to fund the PAGA Penalties to pay penalties to the California Labor and Workforce Development Agency (“LWDA”) and to Aggrieved Employees.

Based on Defendant’s records, and the Parties’ current assumptions, **your Individual Class Payment is estimated to be <<\$_____>> (less withholding), and your share of the PAGA Penalties is estimated to <<be \$_____>>.** The actual amount you may receive likely will be different and will depend on a number of factors. (If \$0.00 is stated, then according to Defendant’s records you are not eligible for that payment.)

The above estimates are based on Defendant’s records showing that **you worked <<_____>> workweeks** during the Class Period and **you worked <<_____>> pay periods** during the PAGA Period. If you believe that you worked more workweeks and/or pay periods during either period, you can submit a challenge by the deadline date. See Section 5 of this Notice below.

The Court has already preliminarily approved the Settlement and approved this Notice. The Court has not yet decided whether to grant final approval. Your legal rights are affected whether you act or do not act. Read this Notice carefully. You will be deemed to have carefully read and understood it. At the Final Approval Hearing, the Court will decide whether to finally approve the Settlement and how much of the Settlement will be paid to Plaintiffs and Plaintiffs’

attorneys (“Class Counsel”). The Court will also decide whether to enter a judgment that requires Defendant to make payments under the Settlement and requires Class Members and Aggrieved Employees to give up their rights to assert certain claims against Defendant.

If you worked for Defendant during the Class Period and/or the PAGA Period, you have two basic options under the Settlement:

- (1) **Do Nothing.** You don’t have to do anything to participate in the Settlement and be eligible for an Individual Class Payment, and/or a share of the PAGA Penalties. As a Participating Class Member, though, you will give up your right to assert Class Period wage claims and PAGA Period penalty claims against Defendant as described in Section 4 below.
- (2) **Opt-Out of the Class Settlement.** You can exclude yourself from the Class Settlement (opt-out) by submitting the written Request for Exclusion or otherwise notifying the Administrator in writing. If you opt-out of the Settlement, you will not receive an Individual Class Payment, however you will preserve your right to personally pursue Class Period wage claims against Defendant. If you are an Aggrieved Employee, you remain eligible for a share of the PAGA Penalties. You cannot opt-out of the PAGA portion of the proposed Settlement.

Defendant will not retaliate against you for any actions you take with respect to the proposed Settlement.

SUMMARY OF YOUR LEGAL RIGHTS AND OPTIONS IN THIS SETTLEMENT:	
You Don’t Have to Do Anything to Participate in the Settlement	If you do nothing, you will be a Participating Class Member, eligible for an Individual Class Payment and a share of the PAGA Penalties (if any). In exchange, you will give up your right to assert the wage claims against Defendant that are covered by this Settlement (Released Class Claims).
You Can Opt-out of the Class Settlement but not the PAGA Settlement The Opt-out Deadline is ____.	If you don’t want to fully participate in the Settlement, you can opt-out of the Class Settlement by sending the Administrator a written Request for Exclusion. Once excluded, you will be a Non-Participating Class Member and no longer eligible for an Individual Class Payment. Non-Participating Class Members cannot object to any portion of the Settlement. See Section 7 of this Notice. However, you cannot opt-out of the PAGA portion of the Settlement. If you are also an Aggrieved Employee and exclude yourself, you will still be paid your share of the PAGA Penalties and will remain bound by the release of the Released PAGA Claims regardless of whether you submit a request for exclusion.
Participating Class Members Can Object to the Class	All Class Members who do not opt-out (“Participating Class Members”) can object to any aspect of the Settlement. The Court’s decision whether to finally approve the Settlement will include a

Settlement Written Objections Must be Submitted by the Response Deadline _____	determination of how much will be paid to Class Counsel and Plaintiffs who pursued the Action on behalf of the Class. You are not personally responsible for any payments to Class Counsel or Plaintiffs, but every dollar paid to Class Counsel and Plaintiffs reduces the overall amount paid to Participating Class Members. You can object to the amounts requested by Class Counsel or Plaintiffs if you think they are unreasonable. See Section 8 of this Notice.
You Can Participate in the _____ Final Approval Hearing	The Court’s Final Approval Hearing is scheduled to take place on _____ at _____ [a.m./p.m.], at the Sacramento County Superior Court, located at 720 9th Street, Sacramento, CA 95814, in Department 23 before Judge Jill H. Talley. This hearing may change as explained below in Section 9. You don’t have to attend but you do have the right to appear (or hire an attorney to appear on your behalf at your own cost), in person, by telephone or by using the Court’s zoom appearance platform. Participating Class Members can verbally object to the Settlement at the Final Approval Hearing. See Section 9 of this Notice.
You Can Challenge the Calculation of Your Workweeks / Pay Periods Witten Challenges Must be Submitted by the Response Deadline (_____)	The amount of your Individual Class Payment depends on how many workweeks you worked at least one day during the Class Period. The amount of your share of the PAGA Penalties (if any) depends on how many pay periods you worked at least one day during the PAGA Period. The number of Class Period workweeks and number of PAGA Period pay periods you worked according to Defendant’s records is stated on the first page of this Notice. If you disagree with either of these numbers and want to challenge the number, you must do so by _____. See Section 5 of this Notice.

1. What is the Action about?

Plaintiffs are former employees of Defendant. The Action accuses Defendant of violating California labor laws by failing to pay minimum wages, failing to pay overtime wages, failing to provide required meal periods and unpaid premiums, failing to provide required rest periods and unpaid premiums, failing to provide accurate itemized wage statements, failing to provide required expense reimbursement, failing to provide wages when due, failing to provide gratuities, and engaging in unfair competition. Plaintiffs also seek civil penalties under the Private Attorneys General Act (“PAGA”).

Defendant denies that it has done anything wrong and disputes all the claims in the Action.

2. What does it mean that the action has settled?

So far, the Court has made no determination whether Defendant or Plaintiffs are correct on the merits. In the meantime, Plaintiffs and Defendant hired an experienced, neutral mediator in an effort to resolve the Action by negotiating to end the case by agreement (settle the case) rather than continuing the expensive and time-consuming process of litigation. The negotiations were successful. By signing a lengthy written settlement agreement (“Agreement”) and agreeing to jointly ask the Court to enter a judgment ending the Action and enforcing the Agreement, Plaintiffs and Defendant have negotiated a Settlement that is subject to the Court’s Final Approval. Both sides agree the Settlement is a compromise of disputed claims. By agreeing to settle, Defendant do not admit any violations or concede the merit of any claims. Plaintiffs and Class Counsel strongly believe the Settlement is a good deal for you because they believe that: (1) Defendant has agreed to pay a fair, reasonable and adequate amount considering the strength of the claims and the risks and uncertainties of continued litigation; and (2) Settlement is in the best interests of the Class Members. The Court preliminarily approved the Settlement as fair, reasonable and adequate, authorized this Notice, and scheduled a hearing to determine Final Approval.

3. What are the terms of the Settlement?

Gross Settlement Amount. Defendant has agreed to pay an “all in” amount of **Four Hundred Thousand Dollars (\$400,000) (the “Gross Settlement Amount”)** to fund the **settlement of the Action**. The Gross Settlement Amount includes all payments of Individual Class Payments, Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment, Class Representative Service Payments, the Administration Expenses Payment, and the PAGA Penalties for civil penalties under PAGA. Any employer-side payroll taxes on the portion of the Individual Class Payments allocated to wages shall be separately paid by Defendant. Defendant shall fund the Gross Settlement Amount and the amount necessary to pay payroll taxes thereon in 36 monthly installments with first payment due on the Effective Date. The “Effective Date” means the date the Judgment is no longer subject to appeal. The settlement will be paid out pro-rata in three annual installments, with the first payment of one-third payable fifteen (15) days after the 12th payment by Defendant, the second payment of one-third payable fifteen (15) days after the 24th payment by Defendant and the third and final payment of one-third payable fifteen (15) days after the 36th payment by Defendant.

Court Approved Deductions from Gross Settlement Amount. The payments, subject to Court approval, will be deducted from the Gross Settlement Amount before payments of Individual Class Payments are made to Class Members who do not request exclusion (“Participating Class Members”). At the Final Approval Hearing, Plaintiffs and/or Class Counsel will ask the Court to approve the following deductions from the Gross Settlement, the amounts of which will be decided by the Court at the Final Approval Hearing:

- **Administration Expenses Payment.** Payment to the Administrator, estimated not to exceed \$20,000, for expenses, including expenses of notifying the Class Members of the Settlement, processing opt outs, and distributing settlement checks and tax forms.
- **Attorneys’ Fees and Costs.** Payment to Class Counsel of reasonable attorneys’ fees not to exceed one-third (1/3) of the Gross Settlement Amount, which presently equals \$133,333, and an additional amount to reimburse actual litigation costs incurred by the

Plaintiffs not to exceed \$18,000. Class Counsel has been prosecuting the Action on behalf of Plaintiffs and the Class on a contingency fee basis (that is, without being paid any money to date) and has been paying all litigation costs and expenses. The amounts stated are what Class Counsel will be requesting and the final amounts to be paid will be decided at the Final Approval Hearing.

- Class Representative Service Payments. Class Representative Service Payments in an amount not more than \$12,500 each to the Plaintiffs as a service award, or such lesser amount as may be approved by the Court, to compensate them for services on behalf of the Class in initiating and prosecuting the Action, and for the risks they undertook. The amount stated is what Plaintiffs will be requesting and the final amount to be paid will be decided at the Final Approval Hearing.
- PAGA Penalties. A payment of \$10,000 relating to Plaintiffs' claim under PAGA, \$7,500 of which will be paid to the State of California's Labor and Workforce Development Agency ("LWDA"). The remaining \$2,500 will be distributed to the Aggrieved Employees as Individual PAGA Payments. The Administrator will calculate each Individual PAGA Payment by (a) dividing the amount of the Aggrieved Employees' 25% share of PAGA Penalties (\$2,500) by the total number of PAGA Pay Periods worked by all Aggrieved Employees during the PAGA Period and (b) multiplying the result by each Aggrieved Employee's PAGA Pay Periods. Aggrieved Employees assume full responsibility and liability for any taxes owed on their Individual PAGA Payment. "PAGA Pay Period" means any Pay Period during which an Aggrieved Employee worked for Defendant for at least one day during the PAGA Period, which is September 23, 2020 through _____, 2023.

Participating Class Members have the right to object to any of these deductions. The Court will consider all objections.

Calculation of Payments to Class Members. After all of the payments of the court-approved Attorneys' Fees and Costs, the Class Representative Service Payments, the PAGA Penalties, and the Administration Expenses Payment are deducted from the Gross Settlement Amount, the remaining portion, the "Net Settlement Amount", shall be distributed as Individual Class Payments to the Participating Class Members. The Net Settlement Amount is estimated to be at least \$_____. The Administrator will pay an Individual Class Payment from the Net Settlement Amount to each Participating Class Member. The Individual Class Payment for each Participating Class Member will be calculated by (a) dividing the Net Settlement Amount by the total number of Workweeks worked by all Participating Class Members during the Class Period and (b) multiplying the result by each Participating Class Member's Workweeks. "Workweek" means any week during the Class Period in which a Class Member worked for Defendant as a Class Member for at least one day. The number of Workweeks will be based on Defendant's records; however, Class Members may challenge the number of Workweeks as explained below.

If the Settlement is approved by the Court and you do not exclude yourself, you will automatically be mailed checks for your installments of the Individual Class Payment to the same address as this Class Notice. You do not have to do anything to receive a

payment. If your address has changed, you must contact the Administrator to inform them of your correct address to ensure you receive your payment.

Tax Matters. Twenty Percent (20%) of each Participating Class Member's Individual Class Payment is in settlement of wage claims (the "Wage Portion"). Accordingly, the Wage Portion is subject to wage withholdings, and shall be reported on IRS Form W-2. Eighty Percent (80%) of each Participating Class Member's Individual Class Payment is in settlement of claims for non-wages, expense reimbursement, interest and penalties allegedly due to employees (collectively the "Non-Wage Portion"). The Non-Wage Portion shall not be subject to wage withholdings and shall be reported on IRS Form 1099. The employee portion of all applicable income and payroll taxes will be the responsibility of the Participating Class Members. Neither Class Counsel nor Defendant's Counsel intend anything contained in this Class Notice to constitute advice regarding taxes or taxability. The tax issues for each Participating Class Member are unique to him/her, and each Participating Class Member may wish to consult a tax advisor concerning the tax consequences of the payments received under the Settlement.

Conditions of Settlement. Your receipt of the Individual Class Payment is conditioned upon the Court entering an order granting final approval of the Settlement and entering judgment.

The Settlement Will be Void if the Court Denies Final Approval. It is possible the Court will decline to grant Final Approval of the Settlement or decline to enter a Judgment. It is also possible the Court will enter a Judgment that is reversed on appeal. Plaintiffs and Defendant have agreed that, in either case, the Settlement will be void: Defendant will not pay any money and Class Members will not release any claims against Defendant.

Need to Promptly Cash Payment Checks. The front of every check issued will show the date when the check expires (the void date). If you don't cash it by the void date, your check will be automatically cancelled, and the funds represented by such checks will go to the California Controller's Unclaimed Property Fund in the name of the individual who failed to cash their check.

Requests for Exclusion from the Class Settlement (Opt-Outs). You will be treated as a Participating Class Member, participating fully in the Class Settlement, unless you notify the Administrator in writing, not later than _____, that you wish to opt-out. The easiest way to notify the Administrator is to send a written and signed Request for Exclusion by the _____ Response Deadline. The Request for Exclusion should be a letter from a Class Member or his/her representative setting forth a Class Member's name, present address, telephone number, and a simple statement electing to be excluded from the Settlement. Excluded Class Members (i.e., Non-Participating Class Members) will not receive Individual Class Payments but will preserve their rights to personally pursue wage and hour claims against the Defendant. Instructions are contained in Section 7 of this Notice.

Administrator. The Court has appointed a neutral company, _____ (the "Administrator") to send this Notice, calculate and make payments, and process Class Members' Requests for Exclusion. The Administrator will also decide Class Member Challenges over Workweeks, mail and re-mail settlement checks and tax forms, and perform other tasks necessary to administer the Settlement. The Administrator's contact information is contained in Section 9 of

this Notice.

4. What Do I Release Under the Settlement?

Released Class Claims. When Defendant fully funds the entire Gross Settlement Amount and funds all employer payroll taxes owed on the Wage Portion of the Individual Class Payments, all Participating Class Members, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, release Released Parties from the Released Class Claims. The “Released Class Claims” are all class claims that were alleged, or reasonably could have been alleged, based upon the facts stated in the Operative Complaint which occurred during the Class Period. Except as expressly set forth in this Agreement, Participating Class Members do not release any other claims, including claims for vested benefits, wrongful termination, violation of the Fair Employment and Housing Act, unemployment insurance, disability, social security, workers’ compensation, or claims based on facts occurring outside the Class Period.

This means that, if you do not timely and formally exclude yourself from the settlement, you cannot sue, continue to sue, or be part of any other lawsuit against Defendant and any other Released Party about the Released Class Claims resolved by this Settlement. It also means that all of the Court’s orders in the Action will apply to you and legally bind you.

Released PAGA Claims. When Defendant fully funds the entire Gross Settlement Amount and funds all employer payroll taxes owed on the Wage Portion of the Individual Class Payments, all Aggrieved Employees and the LWDA are deemed to release, on behalf of themselves and their respective former and present representatives, agents, attorneys, heirs, administrators, successors, and assigns, the Released Parties from the Released PAGA Claims. The “Released PAGA Claims” are all claims for PAGA penalties that were alleged, or reasonably could have been alleged, based on the facts stated in the Operative Complaint and the PAGA Notice, which occurred during the PAGA Period. The Released PAGA Claims do not include other PAGA claims, underlying wage and hour claims, claims for wrongful termination, discrimination, unemployment insurance, disability and worker’s compensation, and claims outside of the PAGA Period.

Released Parties. The Released Parties are: Defendant and each of its former and present directors, officers, shareholders, managers, owners, attorneys, insurers, predecessors, successors, assigns and subsidiaries.

5. How much will my payment be?

Individual Class Payments. The Administrator will calculate Individual Class Payments by (a) dividing the Net Settlement Amount by the total number of Workweeks worked by all Participating Class Members during the Class Period, and (b) multiplying the result by each Participating Class Member’s Workweeks.

Defendant’s records reflect that you worked <<____>> Workweeks during the Class Period (September 23, 2017 through _____, 2023).

Based on this information, your estimated Individual Class Payment from the Net Settlement Amount is << _____ >>.

Defendant's records reflect that you worked << _____ >> PAGA Pay Periods during the PAGA Period (September 23, 2020 through _____, 2023). Based on this information your estimated Individual PAGA Payment is << _____ >>.

If you wish to challenge the information set forth above, then you must submit a written, signed dispute challenging the information along with supporting documents, to the Administrator at the address provided in this Class Notice no later than the Response Deadline, which is _____ [sixty (60) days after the mailing of the Class Notice or 74 days in the case of re-mailing]. You may also fax the dispute to _____ or email the dispute to _____ by no later than the Response Deadline. Any dispute should include credible written evidence and will be resolved by the Administrator.

You need to support your challenge by sending copies of pay stubs or other records. The Administrator will accept Defendant's calculation of Workweeks based on Defendant's records as accurate unless you send copies of records containing contrary information. You should send copies rather than originals because the documents will not be returned to you. The Administrator will resolve Workweek challenges based on your submission and on input from Class Counsel (who will advocate on behalf of Participating Class Members) and Defendant's Counsel. The Administrator's decision is final. You can't appeal or otherwise challenge its final decision.

6. How can I get a payment?

To get money from the Settlement, you do not have to do anything. A check for your Individual Class Payment will be mailed automatically to the same address as this Class Notice.

Your check will be sent to the same address as this Class Notice. If you change your address, be sure to notify the Administrator as soon as possible. Section 9 of this Class Notice has the Administrator's contact information.

7. What if I don't want to be a part of the Settlement?

If you do not wish to participate in the Settlement, you may exclude yourself from the Class portion of the Settlement or "opt out." **If you opt out, you will not receive an Individual Class Payment from the Settlement, and you will not be bound by its terms, which means you will retain the right to sue Defendant for the Released Class Claims.** However, Aggrieved Employees who opt out will still be paid their allocation of the PAGA Penalties and will remain bound by the release of the Released PAGA Claims regardless of whether they submit a request for exclusion. Your share of the PAGA Penalties, if any, is set forth in Section 5 above.

To opt out, you must submit to the Administrator a written, signed and dated request to opt-out postmarked no later than the Response Deadline which is _____. You may also fax your request to opt out to _____ or email it to _____ by no later than the Response Deadline. The request to opt-out should state in substance that you wish to be

excluded from the class settlement in the *Segismundo vs. Rancho Murieta Country Club* lawsuit. The request to opt-out should state the Class Member's full name, address and email address or telephone number. Please include the name and number of the case, which is *Segismundo vs. Rancho Murieta Country Club*, Case No. 34-2021-00308730-CU-OE-GDS. The request to opt-out must be completed and signed by you. No other person may opt-out for a living member of the Class.

The address for the Administrator is _____. Written requests for exclusion that are postmarked after _____, or are incomplete or unsigned will be rejected, and those Class Members will remain bound by the Settlement and the release described above.

8. How do I Object to the Settlement?

Only Participating Class Members have the right to object to the Settlement. Before deciding whether to object, you may wish to see what Plaintiffs and Defendant are asking the Court to approve. At least sixteen (16) court days before the Final Approval Hearing, scheduled for _____, Class Counsel and Plaintiffs will file in Court a Motion for Final Approval that includes, among other things, the reasons why the proposed Settlement is fair and a request stating (i) the amount Class Counsel is requesting for attorneys' fees and litigation expenses; and (ii) the amount Plaintiffs are requesting as Class Representative Service Payments. Upon reasonable request, Class Counsel (whose contact information is below) will send you copies of these documents at no cost to you. You can also view them on Class Counsel's website at www.bamlawca.com under "Class Notices" for *Segismundo vs. Rancho Murieta Country Club* or via the Civil Case Search page for the California Superior Court for the County of Sacramento (<https://services.saccourt.ca.gov/PublicCaseAccess/Civil/SearchByCaseNumber>) and by entering the Case No. 34-2021-00308730.

A Participating Class Member who disagrees with any aspect of the Agreement, the Motion for Final Approval and for Fees, Litigation Expenses and Service Payments may wish to object, for example, that the proposed Settlement is unfair, or that the amounts requested by Class Counsel or Plaintiffs are too high or too low. **The Response Deadline for sending written objections to the Administrator is _____** [sixty (60) days after the date of the Notice or 74 days after the Notice in the case of re-mailing]. You may also fax the dispute to _____ or email the dispute to _____ by no later than this Response Deadline. Be sure to tell the Administrator what you object to, why you object, and any facts that support your objection. Make sure you identify the Action, *Segismundo vs. Rancho Murieta Country Club*, Case No. 34-2021-00308730-CU-OE-GDS, and include your name, current address, email or telephone number, and approximate dates of employment for Defendant and sign the objection. **[PROPOSED] PRELIMINARY
APPROVAL ORDER**

Hearing Date: _____
Hearing Time: _____

Judge: Hon. Jill H. Talley
Dept: 23

Date Filed: September 23, 2021
Trial Date: Not set

This matter came before the Honorable Jill H. Talley of the Superior Court of the State of California, in and for the County Sacramento, on _____[DATE], for hearing on the unopposed motion by Plaintiffs Maria Segismundo and David Gray ("Plaintiffs") for preliminary approval of the Settlement with Defendant Rancho Murieta Country Club ("Defendant"). The

PRELIMINARY APPROVAL ORDER

1 Court, having considered the briefs, argument of counsel and all matters presented to the Court
2 and good cause appearing, hereby GRANTS Plaintiffs' Motion for Preliminary Approval of Class
3 Action Settlement.

4
5 **IT IS HEREBY ORDERED:**

6 1. The Court preliminarily approves the Class Action and PAGA Settlement
7 Agreement ("Agreement") attached as Exhibit ____ to the Declaration of Kyle Nordrehaug in
8 Support of Plaintiffs' Motion for Preliminary Approval of Class Action Settlement. This is based
9 on the Court's determination that the Settlement set forth in the Agreement is within the range of
10 possible final approval, pursuant to the provisions of Section 382 of the California Code of Civil
11 Procedure and California Rules of Court, rule 3.769.

12 2. This Order incorporates by reference the definitions in the Agreement, and all
13 terms defined therein shall have the same meaning in this Order as set forth in the Agreement.

14 3. The Gross Settlement Amount that Defendant shall pay is Four Hundred Thousand
15 Dollars (\$400,000). It appears to the Court on a preliminary basis that the settlement amount and
16 terms are fair, adequate and reasonable as to all potential Class Members when balanced against
17 the probable outcome of further litigation and the significant risks relating to certification, liability
18 and damages issues. It further appears that investigation and research have been conducted such
19 that counsel for the Parties are able to reasonably evaluate their respective positions. It further
20 appears to the Court that the Settlement will avoid substantial additional costs by all Parties, as
21 well as avoid the delay and risks that would be presented by the further prosecution of the Action.
22 It further appears that the Settlement has been reached as the result of serious and non-collusive,
23 arm's-length negotiations.

24 4. The Court preliminarily finds that the Settlement appears to be within the range of
25 reasonableness of a settlement that could ultimately be given final approval by this Court. The
26 Court has reviewed the monetary recovery that is being granted as part of the Settlement and
27 preliminarily finds that the monetary settlement made available to the Class is fair, adequate, and
28

1 reasonable when balanced against the probable outcome of further litigation and the significant
2 risks relating to certification, liability, and damages issues.

3 5. The Agreement specifies for an attorneys' fees award not to exceed one-third of the
4 Gross Settlement Amount, an award of litigation expenses incurred, not to exceed \$18,000, and
5 proposed Class Representative Service Payments to the Plaintiffs in an amount not to exceed
6 \$12,500 each. The Court will not approve the amounts of attorneys' fees and costs, nor the
7 amount of any service award, until the Final Approval Hearing. Plaintiffs will be required to
8 present evidence supporting these requests, including lodestar, prior to final approval.

9 6. The Court recognizes that Plaintiffs and Defendant stipulate and agree to
10 representative treatment and certification of a class for settlement purposes only. This stipulation
11 will not be deemed admissible in this or any other proceeding should this Settlement not become
12 final. For settlement purposes only, the Court conditionally certifies the Class which consists of
13 "all individuals who are or previously were employed by Defendant Rancho Murieta Country
14 Club in the State of California on a non-exempt basis at any time during the Class Period." The
15 "Class Period" is September 23, 2017 through [REDACTED].

16 7. The Court concludes that, for settlement purposes only, the Class meets the
17 requirements for certification under section 382 of the California Code of Civil Procedure in that:
18 (a) the Class is ascertainable and so numerous that joinder of all members of the Class is
19 impracticable; (b) common questions of law and fact predominate, and there is a well-defined
20 community of interest amongst the members of the Class with respect to the subject matter of the
21 litigation; (c) the claims of the Plaintiffs are typical of the claims of the members of the Class; (d)
22 the Plaintiffs will fairly and adequately protect the interests of the members of the Class; (e) a
23 class action is superior to other available methods for the efficient adjudication of this controversy;
24 and (f) counsel for the Class is qualified to act as counsel for the Class and the Plaintiffs are
25 adequate representatives of the Class.

26 8. The Court provisionally appoints Plaintiffs as the representatives of the Class. The
27 Court provisionally appoints Norman B. Blumenthal, Kyle R. Nordrehaug, Aparajit Bhowmik,
28

1 Nicholas J. De Blouw and Christine T. LeVu of Blumenthal Nordrehaug Bhowmik De Blouw
2 LLP as Class Counsel for the Class.

3 9. The Agreement provides for a PAGA Penalty out of the Gross Settlement Amount
4 of \$10,000, which shall be allocated \$7,500 to the Labor & Workforce Development Agency
5 (“LWDA”) as the LWDA’s 75% share of the settlement of civil penalties paid under this
6 Agreement pursuant to the PAGA and \$2,500 to the Aggrieved Employees. “Aggrieved
7 Employees” are all individuals who were employed by Defendant Rancho Murieta Country Club
8 in California and classified as a non-exempt employee at any time during the PAGA Period
9 (September 23, 2020 through [REDACTED]). Pursuant to Labor Code section 2699,
10 subdivision (l)(2), the LWDA will be provided notice of the Agreement and these settlement
11 terms. The Court finds these PAGA Penalties to be reasonable.

12 10. The Court hereby approves, as to form and content, the Class Notice attached to the
13 Agreement as Exhibit A. The Court finds that the Class Notice appears to fully and accurately
14 inform the Class of all material elements of the proposed Settlement, of the Class Members’ right
15 to be excluded from the Class by submitting a written opt-out request, and of each member’s right
16 and opportunity to object to the Settlement. The Court further finds that the distribution of the
17 Class Notice substantially in the manner and form set forth in the Agreement and this Order meets
18 the requirements of due process, is the best notice practicable under the circumstances, and shall
19 constitute due and sufficient notice to all persons entitled thereto. The Court orders the mailing of
20 the Class Notice by first class mail pursuant to the terms set forth in the Agreement. If a Class
21 Notice Packet is returned because of an incorrect address, the Administrator will promptly search
22 for a more current address for the Class Member and re-mail the Class Notice Packet to any new
23 address for the Class Member no later than seven (7) days after the receipt of the undelivered
24 Class Notice.

25 11. The Court hereby appoints _____ as the Administrator. No later than
26 fifteen (15) days after this Order, Defendant will provide the Class Data to the Administrator. The
27 Administrator will perform address updates and verifications as necessary prior to the first
28

1 mailing. Using best efforts to mail it as soon as possible, and in no event later than fourteen (14)
2 days after receiving the Class Data, the Administrator will mail the Class Notice Packet to all
3 Class Members via first-class regular U.S. Mail to their last known address.

4 12. The Court hereby preliminarily approves the proposed procedure for exclusion
5 from the Settlement. Any Class Member may individually choose to opt out of and be excluded
6 from the Class as provided in the Class Notice by following the instructions for requesting
7 exclusion from the Class that are set forth in the Class Notice. All requests for exclusion must be
8 postmarked or received no later than sixty (60) calendar days after the date of the mailing of the
9 Class Notice (“Response Deadline”). If a Class Notice Packet is re-mailed, the Response Deadline
10 for requests for exclusion will be extended an additional fourteen (14) days. A Request for
11 Exclusion may also be faxed or emailed to the Administrator as indicated in the Class Notice.
12 Any such person who chooses to opt out of and be excluded from the Class will not be entitled to
13 any recovery under the Class Settlement and will not be bound by the Class Settlement or have
14 any right to object, appeal or comment thereon. Class Members who have not requested exclusion
15 shall be bound by all determinations of the Court, the Agreement and the Judgment. A request for
16 exclusion may only opt out that particular individual, and any attempt to effect an opt-out of a
17 group, class, or subclass of individuals is not permitted and will be deemed invalid.

18 13. Any Class Member who has not opted out may appear at the final approval hearing
19 and may object or express the Member’s views regarding the Settlement and may present evidence
20 and file briefs or other papers that may be proper and relevant to the issues to be heard and
21 determined by the Court as provided in the Class Notice. Class Members will have until the
22 Response Deadline to submit their written objections to the Administrator. Written objections
23 may also be faxed or emailed to the Administrator as indicated in the Class Notice. If a Class
24 Notice Packet is re-mailed, the Response Deadline for written objections will be extended an
25 additional fourteen (14) days. Alternatively, Class Members may appear at the Final Approval
26 Hearing to make an oral objection.

1 14. A final approval hearing shall be held before this Court on _____
2 _____ at _____ in Department 23 at the Gordon D. Schaber Courthouse of the
3 Sacramento County Superior Court to hear the motion for final approval and the motion for
4 attorneys' fees and costs, and to determine all necessary matters concerning the Settlement,
5 including: whether the proposed settlement of the Action on the terms and conditions provided for
6 in the Agreement is fair, adequate and reasonable and should be finally approved by the Court;
7 whether the Final Approval Order and Judgment should be entered herein; whether the plan of
8 allocation contained in the Agreement should be approved as fair, adequate and reasonable to the
9 Class Members; and to finally approve attorneys' fees and costs, service awards, and the fees and
10 expenses of the Administrator. All papers in support of the motion for final approval and for
11 attorneys' fees, costs and service awards shall be filed with the Court and served on all counsel no
12 later than sixteen (16) court days before the hearing and the motion shall be heard at this final
13 approval hearing.

14 15. Neither the Settlement nor any exhibit, document, or instrument delivered
15 thereunder shall be construed as a concession or admission by Defendant in any way that the
16 claims asserted have any merit or that this Action was properly brought as a class or representative
17 action, and shall not be used as evidence of, or used against Defendant as, an admission or
18 indication in any way, including with respect to any claim of any liability, wrongdoing, fault or
19 omission by Defendant or with respect to the truth of any allegation asserted by any person.
20 Whether or not the Settlement is finally approved, neither the Settlement, nor any exhibit,
21 document, statement, proceeding or conduct related to the Settlement, nor any reports or accounts
22 thereof, shall in any event be construed as, offered or admitted in evidence as, received as or
23 deemed to be evidence for any purpose adverse to the Defendant, including, but not limited to,
24 evidence of a presumption, concession, indication or admission by Defendant of any liability,
25 fault, wrongdoing, omission, concession or damage.

26 16. In the event the Settlement does not become effective in accordance with the terms
27 of the Agreement, or the Settlement is not finally approved, or is terminated, canceled or fails to
28

1 become effective for any reason, this Order shall be rendered null and void and shall be vacated,
2 and the Parties shall revert to their respective positions as of before entering into the Agreement,
3 and expressly reserve their respective rights regarding the prosecution and defense of this Action,
4 including all available defenses and affirmative defenses, and arguments that any claim in the
5 Action could not be certified as a class action and/or managed as a representative action . In such
6 an event, the Court's orders regarding the Settlement, including this Order, shall not be used or
7 referred to in litigation for any purpose. Nothing in this paragraph is intended to alter the terms of
8 the Agreement with respect to the effect of the Agreement if it is not approved.

9 17. The Court reserves the right to adjourn or continue the date of the final approval
10 hearing and all dates provided for in the Agreement without further notice to Class Members and
11 retains jurisdiction to consider all further applications arising out of or connected with the
12 proposed Settlement.

CASE NO.: 34-2021-00308730-CU-OE-GDS

**[PROPOSED] FINAL APPROVAL
ORDER AND JUDGMENT**

Hearing Date: _____
Hearing Time: _____

Judge: Hon. Jill H. Talley
Dept: 23

Date Filed: September 23, 2021
Trial Date: Not set

FINAL APPROVAL ORDER AND JUDGMENT

1 The unopposed motion of Plaintiffs Maria Segismundo and David Gray (“Plaintiffs”) for
2 an order finally approving the Class Action and PAGA Settlement Agreement (“Agreement”) with
3 Defendant Rancho Murieta Country Club (“Defendant”), attorneys’ fees and costs, service
4 payments, and the expenses of the Administrator duly came on for hearing on _____
5 before the Honorable Jill H. Talley.

6 **I.**

7 **FINDINGS**

8 Based on the oral and written argument and evidence presented in connection with the
9 motion, the Court makes the following findings:

- 10 1. All terms used herein shall have the same meaning as defined in the Agreement.
- 11 2. This Court has jurisdiction over the subject matter of this litigation pending before
12 the Superior Court for the State of California, in and for the County of Sacramento, and over all
13 Parties to this litigation, including the Class.
- 14 3. Based on a review of the papers submitted by Plaintiff and a review of the
15 applicable law, the Court finds that the Gross Settlement Amount of Four Hundred Thousand
16 Dollars (\$400,000) and the terms set forth in the Agreement are fair, reasonable, and adequate.
- 17 4. The Court further finds that the Settlement was the result of arm’s length
18 negotiations conducted after Class Counsel had adequately investigated the claims and became
19 familiar with the strengths and weaknesses of those claims. In particular, the amount of the
20 Settlement, and the assistance of an experienced mediator in the settlement process, among other
21 factors, support the Court’s conclusion that the Settlement is fair, reasonable, and adequate.

22 **Preliminary Approval of the Settlement**

- 23 5. On _____, the Court granted preliminary approval of the Settlement. At
24 this same time, the Court approved conditional certification of the Class for settlement purposes
25 only.
- 26
- 27
- 28

1 **Notice to the Class**

2 6. In compliance with the Preliminary Approval Order, the Court-approved Class
3 Notice was mailed by first class mail to members of the Class at their last-known addresses on or
4 about _____. Mailing of the Class Notice to their last-known addresses was the best
5 notice practicable under the circumstances and was reasonably calculated to communicate actual
6 notice of the litigation and the proposed settlement to the Class. The Class Notice given to the
7 Class Members fully and accurately informed the Class Members of all material elements of the
8 proposed Settlement and of their opportunity to object to or comment thereon or to seek exclusion
9 from the Settlement; was valid, due, and sufficient notice to all Class Members; and complied
10 fully with the laws of the State of California, the United States Constitution, due process and other
11 applicable law. The Class Notice fairly and adequately described the Settlement and provided
12 Class Members adequate instructions and a variety of means to obtain additional information.

13 7. The Response Deadline for opting out or submitting written objections to the
14 Settlement was _____, which for re-mailings was extended by fourteen (14) days. There
15 was an adequate interval between notice and the deadline to permit Class Members to choose what
16 to do and to act on their decision. A full and fair opportunity has been afforded to the Class
17 Members to participate in this hearing, and all Class Members and other persons wishing to be
18 heard have had a full and fair opportunity to be heard. Class Members also have had a full and
19 fair opportunity to exclude themselves from the proposed Settlement and Class. Accordingly, the
20 Court determines that all Class Members who did not timely and properly submit a request for
21 exclusion are bound by the Settlement and this Final Approval Order and Judgment.

22 **Fairness of the Settlement**

23 8. The Agreement is entitled to a presumption of fairness. *Dunk v. Ford Motor Co.*
24 48 Cal.App.4th 1794, 1801 (1996).

25 a. The settlement was reached through arm's-length bargaining between the
26 Parties during an all-day mediation before Tim Del Castillo, an experienced mediator of wage and
27 hour class actions. There has been no collusion between the Parties in reaching the Settlement.

1 b. Plaintiffs and Class Counsel's investigation and discovery have been
2 sufficient to allow the Court and counsel to act intelligently.

3 c. Counsel for all Parties are experienced in similar employment class action
4 litigation. Class Counsel recommended approval of the Agreement.

5 d. The percentage of objectors and requests for exclusion is small. ____
6 objections were received. _____ requests for exclusion were received.

7 e. The participation rate was high. _____ Class Members will be mailed a
8 settlement payment, representing ____% of the overall Class.

9 9. The consideration to be given to the Class Members under the terms of the
10 Agreement is fair, reasonable and adequate considering the strengths and weaknesses of the claims
11 asserted in this action and is fair, reasonable and adequate compensation for the release of Class
12 Members' claims, given the uncertainties and significant risks of the litigation and the delays
13 which would ensue from continued prosecution of the action.

14 10. The Agreement is approved as fair, adequate and reasonable and in the best
15 interests of the Class Members.

16 **Class Counsel Fees Payment and Class Counsel Litigation Expenses Payment**

17 11. An award of \$_____ for attorneys' fees, representing one-third of the
18 Gross Settlement Amount, and \$_____ for litigation costs and expenses, is reasonable,
19 in light of the contingent nature of Class Counsel's fee, the hours worked by Class Counsel, and
20 the results achieved by Class Counsel. The requested award has been supported by Class
21 Counsel's lodestar and billing statement.

22 **Class Representative Service Payments**

23 12. The Agreement provides for Class Representative Service Payments of not more
24 than \$12,500 each to the Plaintiffs, subject to the Court's approval. The Court finds that Class
25 Representative Service Payments in the amount of \$_____ to each of the Plaintiffs are
26 reasonable in light of the risks and burdens undertaken by the Plaintiffs in this litigation and for
27 their time and effort in bringing and prosecuting this matter on behalf of the Class.

1 **Administration Expenses Payment**

2 13. The Administrator shall calculate and administer the payment to be made to the
3 Class Members, transmit payment for attorneys' fees and costs to Class Counsel, transmit the
4 Class Representative Service Payments to the Plaintiffs, issue all required tax reporting forms,
5 calculate withholdings and perform the other remaining duties set forth in the Agreement. The
6 Administrator has documented \$ _____ in fees and expenses, and this amount is reasonable in
7 light of the work performed by the Administrator.

8 **PAGA Penalties**

9 14. The Agreement provides for a PAGA Penalty out of the Gross Settlement Amount
10 of \$10,000, which shall be allocated \$7,500 to the Labor & Workforce Development Agency
11 ("LWDA") as the LWDA's 75% share of the settlement of civil penalties paid under this
12 Agreement pursuant to the PAGA and \$2,500 to be distributed to the Aggrieved Employees and
13 allocated by (a) dividing the amount of the Aggrieved Employees' 25% share of PAGA Penalties
14 (\$2,500) by the total number of PAGA Pay Periods worked by all Aggrieved Employees during
15 the PAGA Period and (b) multiplying the result by each Aggrieved Employee's PAGA Pay
16 Periods. "Aggrieved Employees" are all individuals who were employed by Defendant Rancho
17 Murieta Country Club in California and classified as a non-exempt employee at any time during
18 the PAGA Period (September 23, 2020 through _____, 2023). Pursuant to Labor Code
19 section 2699, subdivision (1)(2), the LWDA was provided notice of the Agreement and these
20 settlement terms and has not indicated any objection thereto. The Court finds these PAGA
21 Penalties to be reasonable.

22 **II.**

23 **ORDERS**

24 Based on the foregoing findings, and good cause appearing, IT IS HEREBY ORDERED:

25 15. The Class is certified for the purposes of settlement only. The Class is defined as
26 follows:

28 Murieta Country Club in the State of California on a non-exempt basis at any time

8 Effective Date.

13 each to the Plaintiffs is approved.

14 20. The payment of \$_____ to the Administrator for its fees and expenses is
15 approved.

16 21. The PAGA Penalty amount of \$10,000 is approved and is to be distributed in
17 accordance with the Agreement.

18 22. Pursuant to Labor Code section 2699, subdivision (1)(2), Class Counsel shall
19 submit a copy of this Final Approval Order and Judgment to the LWDA within 10 days after its
20 entry.

21 23. Neither the Agreement nor this Settlement is an admission by Defendants, nor is
22 this Final Approval Order and Judgment a finding, of the validity of any claims in the Action or of
23 any wrongdoing by Defendant or that this Action is appropriate for class or representative
24 treatment (other than for settlement purposes). Neither this Final Approval Order and Judgment,
25 the Agreement, nor any document referred to herein, nor any action taken to carry out the
26 Agreement is, may be construed as, or may be used as an admission by or against Defendants of
27 any fault, wrongdoing or liability whatsoever. The entering into or carrying out of the Agreement,
28 and any negotiations or proceedings related thereto, shall not in any event be construed as, or

1 deemed to be evidence of, an admission or concession with regard to the denials or defenses by
2 Defendant. Notwithstanding these restrictions, Defendant may file in the Action or in any other
3 proceeding this Final Approval Order and Judgment, the Agreement, or any other papers and
4 records on file in the Action as evidence of the Settlement to support a defense of *res judicata*,
5 collateral estoppel, release, or other theory of claim or issue preclusion or similar defense as to the
6 Released Class Claims and/or Released PAGA Claims.

7 24. Notice of entry of this Final Approval Order and Judgment shall be given to all
8 Parties by Class Counsel on behalf of Plaintiffs and all Class Members. The Final Approval Order
9 and Judgment shall be posted on the Administrator's website as set forth in the Class Notice to the
10 Class. It shall not be necessary to send notice of entry of this Final Approval Order and Judgment
11 to individual Class Members.

12 25. If the Agreement is not finally approved, then this Final Approval Order and
13 Judgment, and all orders entered in connection with it, shall be rendered null and void. The
14 Parties shall cooperate in good faith to address any deficiencies identified by the Court.

15 **IT IS HEREBY ORDERED, ADJUDICATED AND DECREED THAT:**

16 26. Except as set forth in the Agreement and this Final Approval Order and Judgment,
17 Plaintiffs, and all members of the Class, shall take nothing in the Action.

18 27. The Court shall retain jurisdiction to construe, interpret, implement and enforce the
19 Agreement, to hear and resolve any contested challenge to a claim for settlement benefits, and to
20 supervise and adjudicate any dispute arising from or in connection with the distribution of
21 settlement benefits.

22 28. All Parties shall bear their own attorneys' fees and costs, except as otherwise
23 provided in the Agreement and in this Final Approval Order and Judgment.

24 29. Effective on the date when Defendant fully funds the entire Gross Settlement
25 Amount and fund all employer payroll taxes owed on the Wage Portion of the Individual Class
26 Payments, Plaintiffs, Participating Class Members, Aggrieved Employees and the LWDA will
27 release claims against all Released Parties as follows:
28

1 (a) All Participating Class Members, on behalf of themselves and their
2 respective former and present representatives, agents, attorneys, heirs, administrators, successors,
3 and assigns, release Released Parties from the Released Class Claims. The “Released Class
4 Claims” are all class claims that were alleged, or reasonably could have been alleged, based facts
5 stated in the Operative Complaint which occurred during the Class Period. Except as expressly set
6 forth in this Agreement, Participating Class Members do not release any other claims, including

2 Order and Judgment, pursuant to the terms set forth in the Settlement. Without affecting the

REPORTED CASES

Sakkab v. Luxottica Retail N. Am., Inc., 803 F.3d 425 (9th Cir. 2015) (The panel reversed the district court's order granting Luxottica Retail North America, Inc.'s motion to compel arbitration of claims and dismissing plaintiff's first amended complaint, in a putative class action raising class employment-related claims and a non-class representative claim for civil penalties under the Private Attorney General Act.);

Securitas Security Services USA, Inc. v. Superior Court, 234 Cal. App. 4th 1109 (Cal. Feb. 27, 2015) (Court of Appeal concluded the trial court correctly ruled that *Iskanian* rendered the PAGA waiver within the parties' dispute resolution agreement unenforceable. However, the Court of Appeal then ruled the trial court erred by failing to invalidate the non-severable class action waiver from the agreement and remanded the entire complaint, including class action and PAGA claims, be litigated in the Superior Court);

Sussex v. United States Dist. Court for the Dist. of Nev., 781 F.3d 1065 (9th Cir. 2015) (The panel determined that the district court clearly erred in holding that its decision to intervene mid-arbitration was justified under *Aerojet-General*. Specifically, the panel held that the district court erred in predicting that an award issued by the arbitrator would likely be vacated because of his "evident partiality" under 9 U.S.C. § 10(a)(2).);

Provost v. YourMechanic, Inc., 2020 Cal. App. Lexis 955 (Oct. 15, 2020) (Court of Appeals affirmed denial of arbitration of PAGA claim, and held in a case of first impression, that there was no additional standing rules for PAGA claim brought by independent contractor);

Re: Notice Of Violations Of California Labor Code Sections §§ 201, 202, 203, 204 *et seq.*, 210, 221, 226(a), 226.7, 351, 510, 512, 558(a)(1)(2), 1194, 1197, 1197.1, 1198, 1198.5, 2802, California Code of Regulations, Title 8, Section 11040, Subdivision 5(A)-(B), California Code of Regulations, Title 8, Section 1 1070(14) (Failure to Provide Seating), Violation of Applicable Industrial Welfare Commission Wage Order(s), and Pursuant To California Labor Code Section 2699.5.

Dear Sir/Madam:

“Aggrieved Employees” refers to all individuals who are or previously were employed by Defendant Rancho Murieta Country Club in California and classified as non-exempt employees during the time period of May 13, 2020 until a date as determined by the Court. Our offices represent Plaintiff Maria Segismundo and other Aggrieved Employees in a lawsuit against Rancho Murieta Country Club (“Defendant”). Plaintiff was employed by Defendant in California as a non-exempt employee in the position of a Banquet Server from March of 2018 to February of 2021 and entitled to the legally required meal and rest breaks and payment for all time worked under Defendant’s control. Defendant, however, unlawfully failed to record and pay Plaintiff and other Aggrieved Employees for, including but not limited to, all of their time worked, including minimum and overtime wages, for all of their missed meal and rest breaks, and for all of their time spent working off the clock. Moreover, when Defendant required Plaintiff and Aggrieved Employees to report for work, but “furnished less than half said employee’s usual or scheduled day’s work,” Defendant violated Cal. Code Regs., tit. 8 § 11040, subd. 5(A) by failing to pay Plaintiff and Aggrieved Employees for at least two (2) hours’ worth of work at their regular rate of pay. In addition, when Defendant required Plaintiff and Aggrieved Employees to respond to and engage in additional work, this resulted in a second reporting for work in a single workday, and Defendant failed to pay these employees reporting time pay as required by Cal. Code Regs., tit. 8, § 11040, subd. 5(B). Further, Defendant failed to advise Plaintiff and the other Aggrieved Employees of their right to take separately and hourly paid duty-free ten (10) minute rest periods. *See Vaquero v. Stoneledge Furniture, LLC*, 9 Cal. App. 5th 98, 110 (2017). Additionally, pursuant to Labor Code § 204 *et seq.*, Defendant failed

to timely provide Plaintiff and other Aggrieved Employees with their wages. Plaintiff further contends that Defendant failed to provide accurate wage statements to her, and other Aggrieved Employees, in violation of California Labor Code section 226(a). Specifically, Plaintiff and Aggrieved Employees were paid on an hourly basis. As such, the wage statements should reflect all applicable hourly rates during the pay period and the total hours worked, and the applicable pay period in which the wages were earned pursuant to California Labor Code Section 226(a). The wage statements Defendant provided to Plaintiff and other Aggrieved Employees failed to identify such information. More specifically, the wage statements failed to identify the accurate total hours worked each pay period. When the hours shown on the wage statements were added up, they did not equal the actual total hours worked during the pay period in violation of Cal. Lab. Code Section 226(a)(2). Additionally, Plaintiff contends that Defendant failed to comply with Industrial Wage Order 7(A)(3) in that Defendant failed to keep time records showing when Plaintiff began and ended each shift and meal period. Plaintiff and other Aggrieved Employees perform tasks that reasonably permit sitting, and a seat would not interfere with their performance of any of their tasks that may require them to stand. Defendant fails to provide Plaintiff and other Aggrieved Employees with suitable seats. Said conduct, in addition to the foregoing, as well as the conduct alleged in the incorporated Complaint, violates Labor Code §§ 201, 202, 203, 204 *et seq.*, 210, 221, 226(a), 226.7, 351, 510, 512, 558(a)(1)(2), 1194, 1197, 1197.1, 1198, 1198.5, 2802, California Code of Regulations, Title 8, Section 11040, Subdivision 5(A)-(B), California Code of Regulations, Title 8, Section 1 1070(14) (Failure to Provide Seating), Violation of the applicable Industrial Welfare Commission Wage Order(s), and is therefore actionable under California Labor Code section 2699.3.

A true and correct copy of the Complaint by Plaintiff against Defendant, which (i) identifies the alleged violations, (ii) details the facts and theories which support the alleged violations, (iii) details the specific work performed by Plaintiff, (iii) sets forth the people/entities, dates, classifications, violations, events, and actions which are at issue to the extent known to Plaintiff, and (iv) sets forth the illegal practices used by Defendant, is attached hereto. This information provides notice to the Labor and Workforce Development Agency of the facts and theories supporting the alleged violations for the agency's reference. Plaintiff therefore incorporates the allegations of the attached Complaint into this letter as if fully set forth herein. If the agency needs any further information, please do not hesitate to ask.

This notice is provided to enable Plaintiff to proceed with the Complaint against Defendant as authorized by California Labor Code section 2699, *et seq.* The lawsuit consists of other Aggrieved Employees. Re: Maria Segismundo v. Rancho Murieta Country Club
Sacramento Superior Court Case No. 34-2021-00308730
Sacramento Superior Court Case No. 34-2021-00308737

Administrator:

I am the attorney principally responsible for the handling of this matter, including discovery, and therefore I have personal knowledge of the facts set forth herein.

I have represented the defendant in this matter since the case was filed on or about September 23, 2021, and as such have personal knowledge of the facts stated in this declaration.

Defendant has no actual or potential conflicts of interest with the Administrator.

Defendant is not aware of any other pending matter or action asserting claims that will be extinguished or adversely affected by this Settlement.

Defendant is operating under a severely restricted budget given ongoing operating losses and lack of any liquidity.

The parties have agreed to resolve 20,000 work weeks. This covers time worked for non-exempt employees during the class period of September 23, 2017 through December of 2022, plus two additional weeks.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

Sincerely,
COOK BROWN, LLP
