Trial Date: Not Set

1 I, NORMAN B. BLUMENTHAL, declare as follows:

2 1. I am the managing partner of the law firm of Blumenthal Nordrehaug Bhowmik De
3 Blouw LLP, counsel of record for Plaintiffs Al-Jerone Green, Tiffany Manjares, and Doanya Puccini
4 (“Plaintiffs”) in this matter. As such, I am fully familiar with the facts, pleadings and history of this
5 matter. The following facts are within my own personal knowledge, and if called as a witness, I could
6 testify competently to the matters stated herein. This declaration is being submitted in support to the
7 motion for final approval of the class settlement filed by Plaintiffs.

8 2. Over the course of the litigation, a number of attorneys in my firm have worked on this
9 matter. Their credentials are reflected in the Blumenthal Nordrehaug Bhowmik De Blouw LLP firm
10 resume, a true and correct copy of which is attached hereto as Exhibit #1. Some of the major cases our
11 firm has undertaken are also set forth in Exhibit #1. The bulk of the attorneys involved in this matter
12 at Blumenthal Nordrehaug Bhowmik De Blouw LLP have had substantial class litigation experience
13 in the areas of employment class actions, unfair business practices and other complex litigation. The
14 attorneys at my firm have extensive experience in cases involving labor code violations and overtime
15 claims. Class Counsel has litigated similar wage and hour class and/or PAGA cases against other
16 employers on behalf of employees, including cases against Cigna, HealthNet, See’s Candies, Securitas,
17 Okta, Advanced Home Health, El Pollo Loco, Total Renal, Panda Express, Walt Disney Resorts,
18 Pharmaca, Nortek Security, California Fine Wine, Solarcity, Walgreens, Space Exploration, Union
19 Bank, Verizon, Apple, Wells Fargo, Kaiser, Universal Protection Services, and California State
20 Automobile Association. Class Counsel have been approved as experienced class counsel during
21 contested motions in state and federal courts throughout California. It is this level of experience which
22 enabled the firm to undertake the instant matter and to successfully combat the resources of the
23 defendants and their capable and experienced counsel. Class Counsel have participated in every aspect
24 of the settlement discussions and have concluded the settlement is fair, adequate and reasonable and
25 in the best interests of the Class.

26
27 3. Summary of the Proposed Settlement.

28 (a) A true and correct copy of the Class Action Settlement Agreement (the "Agreement")

1 between the parties is attached hereto as Exhibit #2.¹ Plaintiff and Defendant Five Keys Schools and
2 Programs ("Defendant") reached a full and final settlement of the above-captioned action, which is
3 embodied in the Agreement filed concurrently with the Court. As consideration for this Settlement,
4 the Gross Settlement Amount is Two Million Four Hundred Fifty Thousand Dollars (\$2,450,000.00).
5 (Agreement at ¶ I(19).) Under the Settlement, the Gross Settlement Amount consists of the following
6 elements: (1) payment of the Settlement Shares to the Class; (2) Class Counsel Fees Payment and Class
7 Counsel Litigation Expenses Payment; (3) Settlement Administration Expenses; (4) Class
8 Representative Service Payments to the Plaintiffs; and (5) the PAGA Payment. (Agreement at ¶ I(19).)
9 The following is a table of the key financial terms of the Settlement and the proposed deductions:

10 **\$2,450,000** (Gross Settlement Amount)

- 11 - \$30,000 (Plaintiffs' proposed service awards - not to exceed \$10,000 each)
- 12 - \$17,000 (Class Counsel Litigation Expenses Payment - not to exceed amount)
- 13 - \$816,666 (Class Counsel Fees Payment - not to exceed amount)
- 14 - \$50,000 (PAGA Payment - 75% to LWDA / 25% to Aggrieved Employees)
- 15 - \$25,000 (Administration Expenses Payment - not to exceed amount)

16 **\$1,511,334** (Net Settlement Amount)

17 (b) The Gross Settlement Amount does not include Defendant's share of payroll taxes.
18 (Agreement at ¶ III(39).) The Gross Settlement Amount shall be all-in with no reversion to Defendant.
19 (Agreement at ¶ III(39).)

20 (c) Defendant shall fund the Gross Settlement Amount and the amount necessary to pay
21 Defendant's share of payroll taxes within fifteen (15) days of the Effective Date. (Agreement at ¶
22 III(46).) The Settlement Shares to Participating Class Members will be mailed by the Settlement
23 Administrator fifteen (15) days after Defendant fully funds the Gross Settlement Amount. (Agreement
24 at ¶ III(46).)

25 (d) The Net Settlement Amount shall equal the net amount available for payment to the Class
26 after deducting the Court-approved amounts for the Class Representative Service Payments, the Class
27 Counsel Fees Payment, the Class Counsel Litigation Expenses Payment, the PAGA Payment, and the
28 Settlement Administration Expenses. (Agreement at ¶ I(21).) The Net Settlement Amount will be
distributed as the Settlement Shares to the Class Members who do not timely request exclusion

¹ Capitalized terms are defined in the Agreement.

1 (“Participating Class Members”). (Agreement at ¶¶ I(24), III(41).) The Settlement Share will be
2 calculated as follows: (a) the Settlement Administrator shall divide the Net Settlement Amount by the
3 total number of weeks included in the dates of employment to determine a dollar amount per week
4 ("Weekly Rate"); and (b) the Settlement Administrator shall then take the number of weeks worked by
5 each Participating Class Member and multiply it by the Weekly Rate to calculate their Settlement
6 Share. (Agreement at ¶ III(41)(b).) Workweeks were based on Defendant’s records, however Class
7 Members had the right to challenge the number of workweeks.

8 (e) Class Members were sent the Court approved Class Notice using the procedure approved
9 by the Court by mailing the notice packets after updating class members’ addresses using the National
10 Change of Address database and, for any notice packets returned as undeliverable, re-mailing such
11 notices to any forwarding address provided or updated address located. (Agreement at ¶ III(43)(c), Ex.
12 A.) Class Members were provided with the opportunity to exclude themselves or "opt out" if they did
13 not want to participate in the settlement. (Agreement at ¶ III (43)(c), Ex. A.) The Class Notice also
14 advised Class Members of their right to object to the Settlement and/or dispute their workweeks.
15 (Agreement at ¶ III(43)(c), Ex. A.)

16 (f) A Participating Class Member must cash his or her Settlement Share check within 180 days
17 after it is mailed. (Agreement at ¶ III(47).) The Settlement Administrator will send a reminder to
18 Participating Class Members who have not cashed their checks 60 days before the expiration date.
19 (Agreement at ¶ III(47).) Any settlement checks not cashed within 180 days will be voided and any
20 funds from such uncashed checks will be paid to the California State Controller’s Unclaimed Property
21 Fund in the name of the individual who failed to cash their check. (Agreement at ¶ III(47).)

22 (g) ILYM Group was appointed as the Settlement Administrator. (Agreement at ¶ III(42);
23 Preliminary Approval Order at ¶ 9.) From the Gross Settlement Amount, the Settlement Administrator
24 shall be paid for the expenses of administering the Settlement in an amount not to exceed \$25,000.
25 (Agreement at ¶ III(40)(d); Preliminary Approval Order at ¶ 9.) The final Settlement Administration
26 Expenses will be set forth in the forthcoming Cassandra Polites Declaration [“Polites Dec.”], including
27 fees and costs incurred to-date, as well as anticipated fees and costs for completion of the settlement
28 administration.

1 (h) Subject to Court approval, the Agreement provides for Class Counsel to be awarded a sum
2 not to exceed one-third of the Gross Settlement Amount, as the Class Counsel Fees Payment.
3 (Agreement at ¶ III(40)(b).) Class Counsel will also be allowed to apply separately for an award of
4 Class Counsel Litigation Expenses Payment in an amount not to exceed \$17,000. (Agreement at ¶
5 III(40)(b).) Subject to Court approval, the Agreement provides for a payment of no more than \$10,000
6 to each of the Plaintiffs as the Class Representative Service Payments. (Agreement at ¶ III(40)(a).)
7 In support of this separate motion for attorneys' fees, reimbursement of expenses and service award,
8 Class Counsel is providing evidentiary support, for these requests, including lodestar.

9 (i) The Parties will seek approval from the Court for the PAGA Payment of \$50,000 out of the
10 Gross Settlement Amount, which shall be allocated 75% (\$37,500) to the LWDA as the LWDA's share
11 of the PAGA Payment pursuant to PAGA and 25% (\$12,500) will be distributed to the Aggrieved
12 Employees based on their respective pay periods worked during the PAGA Period. (Agreement at ¶
13 III(40)(c).) All Aggrieved Employees will be sent their share of the PAGA Payment and will be subject
14 to the release of the Released PAGA Claims, whether or not they opt out of the Settlement. (Agreement
15 at ¶ III(40)(c).) As set forth in the accompanying proof of service, the LWDA has been served with
16 this motion and the Agreement..

17 (j) The Settlement is fair, adequate and reasonable to the class and should be finally approved
18 for the same reasons the Court granted preliminary approval of the Settlement, agreeing that the
19 settlement is "fair, adequate and reasonable". (Preliminary Approval Order at ¶ 3.) In sum, the
20 Settlement valued at Two Million Four Hundred Fifty Thousand Dollars (\$2,450,000) is an excellent
21 result for the Class. This result is particularly favorable in light of the fact that liability was far from
22 certain in light of the defenses asserted by Defendant. Given the complexities of this case and the
23 defenses asserted, along with the uncertainties of proof at trial and appeal, the proposed settlement is
24 fair, reasonable and adequate, and should be finally approved.

25
26 4. Procedural status of the settlement - In accordance with the Preliminary Approval
27 Order dated March 29, 2023 ("Preliminary Approval Order"), the approved Class Notice has been
28 disseminated to the Class. The reaction of the Class unequivocally supports approval of the Settlement.

1 On April 26, 2023, the Settlement Administrator mailed the Court-approved Class Notice to the Class
2 Members, which provided each class member with the terms of the Settlement, including notice of the
3 claims at issue and the financial terms of the settlement, including the attorneys' fees, costs, and service
4 awards that were being sought, how individual settlement awards would be calculated, and the specific,
5 estimated payment amount to that individual. See Polites Decl. ¶ 6, Exh. A. In disseminating the
6 notices, the Settlement Administrator followed the notice procedures authorized by the Court in its
7 Preliminary Approval Order. Significantly, there have been no objections and only one opt-out. As a
8 result, nearly the entire Class will participate in the Settlement and will be sent a settlement check,
9 representing 99.95% of the Class. See Polites Decl.

10
11 5. Description of Plaintiff's claims - The Action generally alleges that Plaintiffs and other
12 Class Members were not provided all minimum wages and overtime compensation and at the correct
13 rate, were not provided and/or paid for meal and rest periods, were not reimbursed for reasonable
14 business expenses, and were not provided accurate itemized wage statements. The Action seeks unpaid
15 wages, penalties, attorney fees, litigation costs, and any other equitable or legal relief allegedly due and
16 owing to Plaintiffs and the other Class Members by virtue of the foregoing claims.

17
18 6. Procedural History of the Litigation

19 (a) On October 20, 2021, Plaintiffs Green and Manjares filed a Class Action Complaint against
20 Defendant in the Superior Court of the State of California, County of San Francisco (Plaintiffs "Class
21 Action"). The Class Action asserted class claims against Defendant for: (1) unfair competition in
22 violation of Cal. Bus & Prof. Code §§ 17200, et seq.; (2) failure to pay minimum wages in violation
23 of California Labor Code §§ 1194, 1197 & 1197.1; (3) failure to pay overtime wages in violation of
24 Cal. Labor Code § 510; (4) failure to provide required meal periods in violation of Cal. Labor Code §§
25 226.7 and 512; (5) failure to provide required rest periods in violation of Cal. Labor Code §§ 226.7 and
26 512; (6) failure to reimburse employees for required expenses in violation of California Labor Code
27 § 2802; (7) failure to provide accurate itemized wage statements in violation of California Labor Code
28 § 226; and (8) failure to provide wages at termination in violation of Cal. Lab. Code § 201, 202, and

203, along with individual claims for wrongful termination, racial harassment and racial discrimination. On December 8, 2021, Plaintiffs filed a First Amended Class Action Complaint ("FAC") that added Plaintiff Puccini as a named Plaintiff. On February 9, 2022, Defendant filed an Answer to Plaintiffs' FAC, asserting forty-two (42) affirmative defenses.

(b) On October 20, 2021, Plaintiffs Green and Manjares filed a separate Representative Action Complaint against Defendant in the Superior Court of the State of California, County of San Francisco (Plaintiffs "PAGA Action"). Plaintiff Farthing asserted the single claim against Defendant for violation of the Private Attorney General Act, Cal. Labor Code §§ 2698, *et seq.* ("PAGA") based upon the above alleged violations. On February 9, 2022, Defendant filed an Answer to the Representative Action Complaint, asserting nineteen (19) affirmative defenses.

(c) On June 7, 2022, the Parties filed a Joint Stipulation to Consolidate Plaintiffs' Class Action and Plaintiffs' PAGA Action. The Court consolidated the PAGA Action with the Class Action on June 9, 2022. Plaintiffs filed a Consolidated Class Action Complaint on June 16, 2022. Defendant filed its Answer on July 12, 2022..

(d) Over the course of litigation, the Parties engaged in the investigation of the claims, including production of documents, class data, and other information, allowing for the full and complete analysis of liabilities and defenses to the claims in the Action. The information for mediation obtained by Plaintiffs included: (1) a Class list; (2) a sampling of time punch data showing employees' meal periods and their time worked; (3) Payroll data for employees; (4) Defendant's employee wage and hour policies; (5) the employment files for the Plaintiffs; and, (6) samples of wage statements provided by Defendant. As such, Class Counsel received the data and information for the Class, which was sufficient for Plaintiffs' expert to prepare the valuations of the claims for the Class.

(e) Plaintiffs and Defendant agreed to discuss resolution of the Action through a mediation. Prior to mediation, the Parties engaged in the above investigation and the exchange of documents and information in connection with the Action. On May 13, 2022, the Parties participated in an all-day mediation presided over by Louis Marlin, a respected and experienced mediator of wage and hour class actions, but were unable to reach a settlement. Following the mediation, each side, represented by its respective counsel, engaged in continued negotiations through the mediator and ultimately were able

1 to agree to settle the Action based on a mediator's proposal which was memorialized in the form of a
2 Memorandum of Understanding executed in April 2022. At all times, the negotiations were arm's
3 length and contentious.

4 (f) The Parties continued to negotiate the terms of the settlement and prepared the long form
5 Agreement. Accordingly, for purposes of this Settlement, the "Class" is defined as "all individuals who
6 are or previously were employed by Defendant in California who were classified as hourly, non-exempt
7 employees at any time during the Class Period." (Agreement at ¶ I(3).) The Class Period is from
8 October 20, 2017 through August 11, 2022. (Agreement at ¶ I(10).) The Class consists of 2,003 Class
9 Members who worked approximately 91,952 weeks. (Agreement at ¶ 41(e).) The Agreement includes
10 an escalator clause in the event the work weeks ultimately exceed this amount by more than 10%. (*Id.*)

11 (g) Although a settlement has been reached, Defendant denies any liability or wrongdoing of
12 any kind associated with the claims alleged in the Action and further denies that, for any purpose other
13 than settlement, the Action are appropriate for class treatment. Defendant contends, among other
14 things, that it has correctly compensated the Class Members and complied at all times with the
15 California Labor Code, applicable Wage Order, and all other laws and regulations. Further, Defendant
16 contends that class certification would be inappropriate for any reason other than for settlement.
17 Plaintiffs contend that Defendant violated California wage and hour laws. Plaintiffs further contend
18 that the Action is appropriate for class certification on the basis that the claims meet the requisites for
19 class certification. Without admitting that class certification is proper, Defendant has stipulated that
20 the above Class may be certified for settlement purposes only. (Agreement at ¶ II(38).) The Parties
21 agree that certification for settlement purposes is not an admission that class certification would be
22 proper if the class certification issue were litigated. Further, the Agreement is not admissible in this
23 or any other proceeding as evidence that the Class could be certified absent a settlement. Solely for
24 purposes of settling the Action, the Parties stipulate and agree that the requisites for establishing class
25 certification with respect to the Class are satisfied.

26 (h) Class Counsel has conducted a thorough investigation into the facts of the class action.
27 Over the course of more than a year, Class Counsel diligently evaluated the Class Members' claims
28 against Defendant. Prior to the settlement negotiations, counsel for Defendant provided Class Counsel

1 with access to necessary information for the Class. In addition, Class Counsel previously negotiated
2 settlements with other employers in actions involving nearly identical issues and analogous defenses.
3 Based on the foregoing data and their own independent investigation, evaluation and experience, Class
4 Counsel believes that the settlement with Defendant on the terms set forth in the Agreement is fair,
5 reasonable, and adequate and is in the best interest of the Class in light of all known facts and
6 circumstances, including the risk of significant delay, defenses asserted by Defendant, and potential
7 appellate issues.

8
9 7. History of Settlement Discussions

10 (a) This Settlement is the result of extensive and hard-fought litigation as well as negotiations
11 before an experienced and well-respected mediator. Defendant has expressly denied and continue to
12 deny any wrongdoing or legal liability arising out of the conduct alleged in the Action. Plaintiffs and
13 Class Counsel have determined it is desirable and beneficial to the Class to resolve the Released Class
14 Claims in accordance with this Settlement. Class Counsel are experienced and qualified to evaluate
15 the class claims, the viability of the defenses asserted, and the risks and benefits of trial and settlement,
16 and Class Counsel are experienced in wage and hour employment law class actions, as Class Counsel
17 has previously litigated and certified similar claims against other employers.

18 (b) The Parties attended an arms-length mediation session with Louis Marlin, Esq., a respected
19 and experienced mediator of wage and hour class actions, in order to reach this Settlement. In
20 preparation for the mediation sessions, Defendant provided Class Counsel with necessary information
21 for the members of the Class, including time data, payroll data and data concerning the composition
22 of the Class. Plaintiffs analyzed the data with the assistance of damages expert, Berger Consulting
23 Group, and prepared and submitted a mediation brief and damage valuation to the Mediator.
24 Following the mediation, the Parties were able to agree to settle the Action based upon a mediator's
25 proposal which was memorialized in the form of a Memorandum of Understanding.

26 (c) From July 2022 to November 2022, the Agreement and exhibits thereto were drafted,
27 finalized and executed, and presented to this Court on for preliminary approval on March 29, 2023.
28 The Court granted preliminary approval on March 29, 2023, and the Preliminary Approval Order was

1 entered by this Court that same date. The Final Approval Hearing was continued to October 4, 2023
2 in order to provide Class Notice to 60 individuals who were inadvertently omitted from the Class List.

3 (d) Plaintiffs and Class Counsel believe that this settlement is fair, reasonable and adequate.
4 In my judgment as experienced Class Counsel, this Settlement should be finally approved.

5
6 8. The outcome of this case would have been uncertain and fraught with risks.

7 (a) Here, a number of defenses asserted by Defendant present serious threats to the claims of the
8 Plaintiffs and the other Class Members. Defendant asserted that Defendant's practices complied with
9 all applicable Labor laws. Defendant argued that all work time was properly paid for and that the work
10 time recording practices were lawful. Defendant contend that its meal and rest period policies fully
11 complied with California law and that Defendant's timekeeping system recorded meal periods, paid for
12 missed meal periods, and was not required to record rest periods. As to expenses reimbursement,
13 Defendant contended that it did not fail to provide reimbursement for necessary business expenses and
14 that claimed expenses were voluntary and convenient and therefore not required reimbursement.
15 Defendant could argue that the Supreme Court decision in *Brinker v. Superior Court*, 53 Cal. 4th 1004
16 (2012), weakened Plaintiffs' claims, on liability, value, and class certifiability as to the meal and rest
17 period claims. Defendant also argues that based on its facially lawful practices, they acted in good faith
18 and without willfulness, which if accepted would negate the claims for waiting time penalties and/or
19 inaccurate wage statements. If successful, Defendant's defenses could eliminate or substantially reduce
20 any recovery to the Class. While Plaintiffs believe that these defenses could be overcome, Defendant
21 maintains these defenses have merit and therefore present a serious risk to recovery by the Class.

22 (b) There was also a significant risk that, if the Actions were not settled, Plaintiffs would be
23 unable to obtain class certification and thereby not recover on behalf of any employees other than
24 themselves. Defendant argued that the individual experience of each putative class member varied with
25 respect to the claims. Defendant could also contest class certification by arguing injury and good faith
26 were case by case determinations that precluded class certification. Plaintiffs are aware of other cases
27 where class certification of similar claims was denied. *See e.g. Cacho v. Eurostar, Inc.*, 43 Cal. App.
28 5th 885 (2019) (denying certification of rest break claims). Finally, even if class certification was

1 successful, as demonstrated by the California Supreme Court decision in *Duran v. U.S. Bank National*
2 *Assn.*, 59 Cal. 4th 1 (2014), there are significant hurdles to overcome for a class wide recovery even
3 where the class has been certified. While other cases have approved class certification in wage and
4 hour claims, class certification in this action would have been hotly disputed and was by no means a
5 foregone conclusion.

6 (c) As demonstrated by the decision in *Duran*, the complexities and duration of further
7 litigation cannot be overstated. There is little doubt that Defendant would post a bond and appeal in
8 the event of an adverse judgment. A post-judgment appeal by Defendant would have required many
9 more years to resolve, assuming the judgment was affirmed. If the judgment was not affirmed in total,
10 then the case could have dragged on for years after the appeal. The benefits of a guaranteed recovery
11 today outweigh an uncertain result three or more years in the future. Plaintiffs and Class Counsel
12 recognize the expense and length of a trial against Defendant through possible appeals which could take
13 at least another two or three years. Class Counsel also have taken into account the uncertain outcome,
14 the risk of litigation, especially in complex actions such as this one. Class Counsel are also mindful
15 of and recognize the inherent problems of proof under, and alleged defenses to, the claims asserted in
16 the Action. Moreover, post-trial motions and appeals would have been inevitable. Costs would have
17 mounted and recovery would have been delayed if not denied, thereby reducing the benefits of an
18 ultimate victory. Plaintiffs and Class Counsel believe that the Settlement confers substantial benefits
19 upon the Class. Based upon their evaluation, Plaintiffs and Class Counsel have determined that the
20 Settlement set forth in the Agreement is in the best interest of the Class.

21 (d) The Settlement in this case is fair, reasonable and adequate considering Defendant's
22 defenses to Plaintiffs' claims. As set forth in the Declaration of Kyle Nordrehaug filed in support of
23 preliminary approval which discussed the value of the class claims in detail, the Gross Settlement
24 Amount compares favorably to the value of the claims. For the 2,106 Participating Class members who
25 worked 99,050 workweeks, the Gross Settlement Amount provides an average value of \$1,163 per
26 Class Member and \$24 per workweek, and after deductions, the Net Settlement Amount provides an
27 average recovery of \$717.63 per Class Member and \$15.25 per work week. The calculations to
28 compensate for the amount due to the Class Members at the time this Settlement was negotiated were

1 calculated by Plaintiffs' expert, Berger Consulting Group, in advance of mediation. As to the Class
2 whose claims are at issue in this Action, Plaintiffs used an expert to analyze the data and determine the
3 potential unpaid wages for the employees. For the Class, Plaintiffs evaluated that the claim for unpaid
4 wages due to the miscalculation of the regular rate was potentially \$739,992, the alleged unpaid wages
5 due to Ferra miscalculation as to sick pay and meal periods was \$193,382, the maximum potential meal
6 period damages, after deducting meal premiums paid by Defendant, wages were estimated to be
7 \$233,330, the maximum potential rest period damages were estimated to be \$402,511, the maximum
8 potential damages for off the clock work were estimated to be \$664,566, and the maximum potential
9 damages for failure to provide expense reimbursement for were calculated to be \$934,400. In total, the
10 damages for the Class were calculated to have a maximum potential total value of \$3,168,181. In
11 addition, Plaintiffs calculated that the maximum value of the potential waiting time penalties were
12 between \$2,707,502 and \$4,605,866, depending on the predicate violation, and the maximum value of
13 the potential wage statement penalties were \$2,822,200. These wage statement and waiting time
14 penalties claims potentially have a much smaller value or no value, even if damages were awarded, to
15 the extent that they are only derivative of the rest break claims.² Consequently, the Gross Settlement
16 Amount represents more than 77% of the value of the potential maximum damages at issue for the
17 Class in this case, assuming these amounts could all be proven in full at trial.³ The above maximum

19 ² While Plaintiffs alleged claims for statutory penalties pursuant to Labor Code Sections 203 and
20 226, at mediation Plaintiffs recognized that these claims were subject to various defenses asserted by
21 Defendant, including, but not limited to, a good faith dispute defense as to whether any premium wages
22 for meal or rest periods or other wages were owed given Defendant's position that Plaintiffs were
23 properly compensated. *See Nordstrom Commission Cases*, 186 Cal. App. 4th 576, 584 (2010) ("There
24 is no willful failure to pay wages if the employer and employee have a good faith dispute as to whether
25 and when the wages were due."). Additionally, at the time of mediation, Courts had held that violations
26 of the meal and rest period regulations, which require payment of a "premium wage" for each improper
meal period, do **not** give rise to claims under sections 203 and 226. *See e.g. Ling v. P.F. Chang's
China Bisto, Inc.*, 245 Cal. App. 4th 1242, 1261 (2016) and *Maldonado v. Epsilon Plastics, Inc.*, 22 Cal.
App. 5th 1308, 1336 (2018). As a result, the viability of Plaintiffs' claims on these theories was
uncertain at the time the settlement was negotiated, even though the Supreme Court subsequently ruled
on May 23, 2022 that meal and rest period violations could give rise to a claim under Section 203.

27 ³ Because the PAGA claim does not provide a recovery to the Class, Plaintiffs have not included
28 the PAGA claim in this discussion of the class claim valuation. The PAGA claim was addressed in the
Motion for Preliminary Approval in the Decl. Nordrehaug at ¶ 33.

1 calculations should then be adjusted in consideration for both the risk of class certification and the risk
2 of establishing class-wide liability on all claims. Defendant disputes Plaintiffs' estimates and believes
3 the amount Plaintiffs can recover for the Class, if anything at all, is actually much lower. Given the
4 amount of the Settlement as compared to the potential value of the claims, the Settlement is most
5 certainly fair and reasonable.⁴

6 (e) In sum, the Settlement is a fair and reasonable result, and provides the Class with a
7 significant recovery, particularly when viewed in light of the fact that the Defendant asserted serious
8 and substantial defenses. Currently, the maximum and average class member allocation are \$3,838.65
9 and \$718.94, respectively. *See* Polites Decl. Given the complexities of this case, the defenses, along
10 with the uncertainties of proof and appeal, the proposed Settlement is fair, reasonable and adequate,
11 and should be finally approved.

12 (f) It is impossible to predict with certainty whether, under the facts of this case, Plaintiffs
13 would prevail against the Defendant's factual and legal defenses. While Plaintiffs and Class Counsel
14 believe in the merits of the claims, Defendant has asserted real and substantial defenses to these claims
15 and to class certification. Settlement in this case clearly benefits the Class when measuring the strengths
16 of Plaintiffs' case and the risk of establishing class wide liability and damages.

17 I declare under penalty of perjury under the laws of the State of California that the foregoing
18 is true and correct. Executed this 7th day of September, 2023, at San Diego, California.

REPORTED CASES

Sakkab v. Luxottica Retail N. Am., Inc., 803 F.3d 425 (9th Cir. 2015) (The panel reversed the district court's order granting Luxottica Retail North America, Inc.'s motion to compel arbitration of claims and dismissing plaintiff's first amended complaint, in a putative class action raising class employment-related claims and a non-class representative claim for civil penalties under the Private Attorney General Act.);

Securitas Security Services USA, Inc. v. Superior Court, 234 Cal. App. 4th 1109 (Cal. Feb. 27, 2015) (Court of Appeal concluded the trial court correctly ruled that *Iskanian* rendered the PAGA waiver within the parties' dispute resolution agreement unenforceable. However, the Court of Appeal then ruled the trial court erred by failing to invalidate the non-severable class action waiver from the agreement and remanded the entire complaint, including class action and PAGA claims, be litigated in the Superior Court);

Sussex v. United States Dist. Court for the Dist. of Nev., 781 F.3d 1065 (9th Cir. 2015) (The panel determined that the district court clearly erred in holding that its decision to intervene mid-arbitration was justified under *Aerojet-General*. Specifically, the panel held that the district court erred in predicting that an award issued by the arbitrator would likely be vacated because of his "evident partiality" under 9 U.S.C. § 10(a)(2).);

Provost v. YourMechanic, Inc., 2020 Cal. App. Lexis 955 (Oct. 15, 2020) (Court of Appeals affirmed denial of arbitration of PAGA claim, and held in a case of first impression, that there was no additional standing rules for PAGA claim brought by independent contractor);

Mediation and Settlement

37. On May 13, 2022, the Parties participated in an all-day mediation presided over by Louis Marlin, a respected mediator of wage and hour representative and class actions. Following the mediation, each side, represented by its respective counsel, were able to agree to settle the Action based upon a mediator's proposal which was memorialized in the form of a Memorandum of Understanding. This Agreement replaces and supersedes the Memorandum of Understanding and any other agreements, understandings, or representations between the Parties.
38. This Agreement represents a compromise and settlement of highly disputed claims. Nothing in this Agreement is intended or will be construed as an admission by Defendant that the claims in the Action of Plaintiffs or the Class have merit or that Defendant bears any liability to Plaintiffs or the Class on those claims or any other claims, or as an admission by Plaintiffs that Defendant's defenses in the Action have merit. The Parties agree to certification of the Class for purposes of this Settlement only. If for any reason the settlement does not become effective, Defendant reserves the right to contest certification of any class for any reason and reserves all available defenses to the claims in the Action.

Based on these Recitals that are a part of this Agreement, the Parties agree as follows:

III. SETTLEMENT TERMS AND CONDITIONS

39. **Gross Settlement Amount.** Subject to the terms and conditions of this Agreement, the Gross Settlement Amount that Defendant will pay under this Settlement is Two Million Four Hundred Fifty Thousand Dollars (\$2,450,000). This amount is all-inclusive of all payments contemplated in this resolution, excluding any employer-side payroll taxes on the portion of the Settlement Shares allocated to wages which shall be separately paid by Defendant to the Settlement Administrator. All of the Gross Settlement Amount will be disbursed pursuant to this Agreement without the need to submit a claim form and none of the Gross Settlement Amount will revert to Defendant.
40. **Payments from the Gross Settlement Amount.** Subject to the terms and conditions of this Agreement, the Settlement Administrator will make the following payments out of the Gross Settlement Amount:
- a. **To Plaintiffs:** In addition to the Settlement Shares to be paid to Plaintiffs, Plaintiffs will apply to the Court for an award of not more than \$10,000 each as Class Representative Service Payments, which is combined total of \$30,000 in Class Representative Service Payments. Defendant will not oppose Class Representative Service Payments of no more than \$10,000 for each of the Plaintiffs. The Settlement Administrator will pay the Class Representative Service Payments approved by the Court out of the Gross Settlement Amount. If the Court approves a Class Representative Service Payments of less than \$10,000, for each of the Plaintiffs, the remainder will be retained in the Net Settlement Amount for distribution to Participating Class Members. Payroll tax withholding and deductions will not be taken from the Class Representative Service Payments and instead a Form 1099 will be issued to each of the Plaintiffs with respect to the payments who will assume full responsibility and liability for the taxes due on their Class Representative Service Payments.
 - b. **To Class Counsel:** Class Counsel will apply to the Court for an award of not more than One-Third of the Gross Settlement Amount, which is presently \$816,666, as their Class Counsel Fees Payment and an amount not more than \$17,000 for all expenses incurred as documented in Class Counsel's billing records as their Class Counsel Litigation Expenses Payment. Defendant will not oppose their request for a Class Counsel Fees Payment and Class Counsel Litigation Expenses Payment consistent with this Agreement and approved by the Court. The Settlement Administrator will pay the amounts approved by the Court out of the Gross Settlement Amount. If the Court approves a Class Counsel Fees Payment or a Class Counsel Litigation Expenses Payment of less than these amounts, which are presently \$816,666, and \$17,000 respectively, the remainder will be retained in the Net Settlement Amount for distribution to Participating Class Members. Payroll tax withholding and deductions, if any, will not be taken from the Class Counsel Fees Payment and Class Counsel Litigation Expenses Payment and instead one or more

Forms 1099 will be issued to Class Counsel with respect to those payments. The payment of the Class Counsel Fees Payment and Class Counsel Litigation Expenses Payment shall be made to Class Counsel.

- c. **The PAGA Payment.** The Parties will seek approval from the Court for the PAGA Payment of \$50,000 out of the Gross Settlement Amount, which shall be allocated 75% (\$37,500) to the LWDA as the LWDA's share of the settlement of civil penalties paid under this Agreement pursuant to the PAGA and 25% (\$12,500) will be distributed to the Aggrieved Employees. The Settlement Administrator will calculate each Aggrieved Employee's share of the PAGA Payment by (a) dividing the amount of the Aggrieved Employees' 25% share of the PAGA Payment (\$12,500) by the total number of pay periods worked by all Aggrieved Employees during the PAGA Period; and (b) multiplying the result by each Aggrieved Employee's individual pay periods worked during the PAGA Period. Aggrieved Employees assume full responsibility and liability for any taxes owed on their Individual PAGA Payment on a pro rata basis based on their respective pay periods worked during the PAGA Period. If the Court approves a PAGA Payment of less than \$50,000, the remainder will be retained in the Net Settlement Amount for distribution to Participating Class Members. All Aggrieved Employees will be sent their share of the PAGA Payment and will be subject to the release of the Released PAGA Claims as set forth below, whether or not they opt out of the Settlement. One hundred percent (100%) of the PAGA Payment is in settlement of claims for penalties and not be subject to wage withholdings and shall be reported on IRS Form 1099.
 - d. **To the Settlement Administrator.** The Settlement Administrator will pay out of the Gross Settlement Amount to itself its reasonable fees and expenses that are documented and approved by the Court in an amount not to exceed \$25,000 ("Settlement Administration Expenses"). To the extent the Settlement Administration Expenses that are documented and approved by the Court are less than \$25,000, the remainder will be retained in the Net Settlement Amount for distribution to Participating Class Members.
41. **Payments From the Net Settlement Amount.** The Net Settlement Amount shall include the following payments after the deductions have been made from the Gross Settlement Amount as described in this Agreement. The Net Settlement Amount shall include the following:
- a. **Settlement Share.** Subject to the terms and conditions of this Agreement, the Settlement Administrator will pay a Settlement Share from the Net Settlement Amount to each Participating Class Member. The submission of a claim form is not required to be paid.
 - b. **Calculation.** Each Participating Class Member will be entitled, provisionally, to a share or shares of the Net Settlement Amount. The Settlement Share for each Participating Class Member will be calculated

as follows: (i) Defendant shall provide the Settlement Administrator with the Class Data; (ii) the Settlement Administrator shall then divide the Net Settlement Amount by the total number of weeks included in the dates of employment to determine a dollar amount per week (“Weekly Rate”); and (iii) the Settlement Administrator shall then take the number of weeks worked by each Participating Class Member and multiply it by the Weekly Rate to calculate their Settlement Share.

c. **Withholding.**

- i. Subject to approval by the Court, One-Quarter (25%) of each Participating Class Member’s Settlement Share is in settlement of wage claims (the “Wage Portion”). Accordingly, the Wage Portion is subject to wage withholdings, and shall be reported on IRS Form W-2 and shall be paid for from the Gross Settlement Amount. The Settlement Administrator shall be responsible for remitting to the tax authorities’ employees’ and employer’s share of all payroll taxes on the Wage Portion.
- ii. Subject to approval by the Court, Three-Quarters (75%) of each Participating Class Member’s Settlement Share is in settlement of claims for interest and claims for penalties allegedly due to employees (collectively the “Non-Wage Portion”). The Non-Wage Portion shall not be subject to wage withholdings and shall be reported on IRS Form 1099.

d. **Effect of Non-Participating Class Members.** Non-Participating Class Members will receive no Settlement Share, and their Election Not to Participate in Settlement will reduce neither the Gross Settlement Amount nor the Net Settlement Amount. Their respective Settlement Shares will remain a part of the Net Settlement Amount for distribution to Participating Class Members on a *pro rata* basis relative to their Settlement Shares.

e. **Class Size Modification.** Defendant has represented that the class consists of an estimated total of 2,003 Class Members who worked 91,952 workweeks during the class period. In the event that the total number of work weeks in the Class Period exceeds this number by more than 10%, the settlement amount will be increased proportionately. By example, if the total number of workweeks is 11% higher, the Gross Settlement Amount will be increased by 1%.

42. **Appointment of Settlement Administrator.** After obtaining a quote from mutually acceptable and qualified settlement administrators, the Parties have mutually agreed to ask the Court to appoint ILYM Group as the qualified administrator, to serve as the Settlement Administrator, which, as a condition of appointment, will agree to be bound by this Agreement with respect to the performance of its duties and its compensation. The Settlement Administrator’s duties will include preparing, printing, and mailing the Class Notice Packet to all

Class Members; conducting a National Change of Address search to update Class Member addresses before mailing the Class Notice Packets; re-mailing Class Notice Packets that are returned to the Class Member's new address; setting up a toll-free telephone number to receive calls from Class Members; receiving and reviewing for validity completed Elections Not to Participate in Settlement; providing the Parties with weekly status reports about the delivery of Class Notice Packets and receipt of completed Elections Not to Participate in Settlement; calculating Settlement Shares; issuing the checks to effectuate the payments due under the Settlement; issuing the tax reports required under this Settlement; and otherwise administering the Settlement pursuant to this Agreement. The Settlement Administrator will have the authority to resolve all disputes concerning the calculation of a Participating Class Member's Settlement Share, subject to the dollar limitations and calculations set forth in this Agreement. The Settlement Administration Expenses, including the cost of printing and mailing the Class Notice Packet, will be paid out of the Gross Settlement Amount.

The Settlement Administrator shall have its own Employer Identification Number under Internal Revenue Service Form W-9 and shall use its own Employer Identification Number in calculating payroll withholdings for taxes and shall transmit the required employers' and employees' share of the withholdings to the appropriate state and federal tax authorities. The Settlement Administrator shall establish a settlement fund that meets the requirements of a Qualified Settlement Fund ("QSF") under US Treasury Regulation section 468B-1.

43. Procedure for Approving Settlement.

a. Motion for Preliminary Approval of Settlement by the Court.

- i. After Execution of this Settlement Agreement, Plaintiffs will file a Preliminary Approval Motion with the Court for an order granting Preliminary Approval of the Settlement, setting a date for the Final Approval Hearing, and approving the Class Notice (the "Motion for Preliminary Approval"). Any disagreement among the Parties concerning the Class Notice, the proposed orders, or other documents necessary to implement the Settlement will be referred to the mediator for resolution.
- ii. At the hearing on the Motion for Preliminary Approval, the Parties will jointly appear, support the granting of the motion, and submit an Order Granting Preliminary Approval of the Settlement substantially in the form evidenced by Exhibit B to this Agreement and incorporated by reference into this Agreement.
- iii. Should the Court decline to preliminarily approve material aspects of the Settlement (including but not limited to the scope of release to be granted by Participating Class Members or the binding effect of the Settlement on Participating Class Members), the Parties shall work together in good faith to address any concerns raised by

the Court and propose a revised Settlement for the Court's approval.

- b. **Notice to Class Members.** After the Court enters an Order Granting Preliminary Approval of the Settlement, every Class Member will be sent the Class Notice Packet (which will include the Class Notice completed to reflect the Order Granting Preliminary Approval of the Settlement and showing the Class Member's Settlement Share) as follows:
 - i. No later than 14 days after the Court enters an Order Granting Preliminary Approval of the Settlement, Defendant will provide to the Settlement Administrator an electronic database containing each Class Member's Class Data. If any or all of the Class Data is unavailable to Defendant, Defendant will so inform Class Counsel and the Parties will make their best efforts to reconstruct or otherwise agree upon the Class Data prior to when it must be submitted to the Settlement Administrator. This information will otherwise remain confidential and will not be disclosed to anyone, except as required to applicable taxing authorities, in order to carry out the reasonable efforts described below in section 42(b)(iii), or pursuant to Defendant's express written authorization or by order of the Court. All Class Data will be used for settlement notification and settlement administration and shall not be used for any other purpose by Class Counsel. This provision shall not be construed to impede Class Counsel's ability to discharge their fiduciary duties to the Class, and if additional disclosures are necessary, Class Counsel will obtain written authorization of Defendant and/or an order from the Court.
 - ii. The Settlement Administrator shall update the Class Data using the National Change of Address database prior to mailing the Class Notice Packets. Using best efforts to mail it as soon as possible, and in no event later than 14 days after receiving the Class Data, the Settlement Administrator will mail the Class Notice Packets to all Class Members via first-class regular U.S. Mail using the mailing address information provided by Defendant, unless modified by any updated address information that the Settlement Administrator obtains in the course of administration of the Settlement.
 - iii. If a Class Notice Packet is returned because of an incorrect address, the Settlement Administrator will promptly re-mail the Class Notice Packet to the Class Member no later than seven (7) business days after the receipt of the undelivered Class Notice. The Settlement Administrator will also email a copy of the re-mailed Class Notice to the Class Member if there is an available email address in the Class Data. The Settlement Administrator will use the Class Data and otherwise work with Defendant to find

a more current address. The Settlement Administrator will be responsible for taking reasonable steps, consistent with its agreed-upon job parameters, Court orders, and fee, as agreed to with Class Counsel and according to the following deadlines, to trace the mailing address of any Class Member for whom a Class Notice Packet is returned by the U.S. Postal Service as undeliverable. These reasonable steps shall include, at a minimum, the tracking of all undelivered mail; performing address searches for all mail returned without a forwarding address using available email addresses, phone numbers, social security numbers, credit reports, LinkedIn, and Facebook; and promptly re-mailing to Class Members for whom new addresses are found. If the Class Notice Packet is re-mailed, the response date for written objections, disputes and opt-outs will be extended an additional 15 days, this extended response date will be set forth in the re-mailed Class Notice, and the Settlement Administrator will note for its own records and notify Class Counsel and Defendant's Counsel of the date and address of each such re-mailing as part of a weekly status report provided to the Parties.

iv. As part of its weekly status report, the Settlement Administrator will inform Class Counsel and Defendant's Counsel of the number of Elections Not to Participate in Settlement it receives (including the numbers of valid and deficient Elections), and number of objections received.

v. Not later than 10 days before the date by which the Plaintiffs file the motion for final approval of the Settlement, the Settlement Administrator will provide the Parties for filing with the Court a declaration of due diligence setting forth its compliance with its obligations under this Agreement and detailing the Elections Not to Participate in Settlement it received (including the numbers of valid and deficient Elections), and number of objections received. Prior to the Final Approval Hearing, the Settlement Administrator will supplement its declaration of due diligence if any material changes occur from the date of the filing of its prior declaration.

c. **Objections to Settlement; Disputes as to Workweeks allocated to Class Members; Elections Not to Participate in Settlement.** Participating Class Members may submit objections to the Settlement and/or objections to the Class Counsel Fees Payment and/or Class Counsel Litigation Expenses Payment. Class Members may also submit disputes as to workweeks allocated to them and Elections Not to Participate in Settlement pursuant to the following procedures:

i. **Objections to Settlement.** The Class Notice will provide that only Participating Class Members who wish to object to the Settlement, Class Counsel Fees Payment, Class Counsel Litigation

Expenses Payment, and/or the Class Representative Service Payments may object to the proposed Settlement, either in writing or orally at the Final Approval Hearing. Objections in writing must be submitted to the Settlement Administrator, postmarked no later than forty-five (45) calendar days after the Settlement Administrator mails the Class Notice Packets. Written objections must set forth the grounds for the objection(s) and comply with the instructions in the Class Notice, however a written objection shall not be invalid simply because it does not contain all of the information requested. If a Class Notice Packet is re-mailed, the response date for written objections will be extended an additional 15 days. Alternatively or in addition to a written objection, Class Members shall be entitled to be heard at the Final Approval Hearing (whether individually or through separate counsel) to orally object to the Settlement, Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment, and/or the Class Representative Service Payments. Non-Participating Class Members shall have no ability to comment on or object to the Settlement.

- ii. **Disputes as to Workweeks.** Each Class Member shall also have forty-five (45) calendar days after the Settlement Administrator mails the Class Notice Packets in which to dispute the dates of employment the Class Notice allocates to them during the Class Period. Any notice of dispute shall be directed to the Settlement Administrator. Any dispute as to this allocation shall be resolved by the Settlement Administrator, with input and assistance from Defendant's Counsel, where applicable. If a Class Notice Packet is re-mailed, the response date for disputes will be extended an additional 15 days.
- iii. **Election Not to Participate in Settlement.** The Class Notice also will provide that Class Members who wish to exclude themselves from the Settlement must mail to the Settlement Administrator postmarked not later than forty-five (45) calendar days after the Settlement Administrator mails the Class Notice Packets, a signed Election Not to Participate in Settlement. If a Class Notice Packet is re-mailed, the response date for opt-outs will be extended an additional 15 days. To be valid, an Election Not to Participate in Settlement must be timely and should comply with the instructions in the Class Notice, however an Election Not to Participate in Settlement shall not be invalid simply because it does not contain all of the information requested. If a question is raised about the authenticity of a signed Election Not to Participate in Settlement, the Settlement Administrator will have the right to demand additional proof of the Class Member's identity. A Non-Participating Class Member will not participate in or be bound by the Settlement and the Judgment, except that an Aggrieved

Employee will still be paid their allocation of the PAGA Payment and will remain bound by the release of the Released PAGA Claims regardless of their request for exclusion. Defendant will remain free to contest any claim brought by any Class Member that would have been barred by this Agreement, and nothing in this Agreement will constitute or be construed as a waiver of any defense Defendant has or could assert against such a claim. A Class Member who does not complete and mail a timely Election Not to Participate in Settlement in the manner and by the deadline specified above and in the Class Notice will automatically become a Participating Class Member and will be bound by all terms and conditions of the Settlement, including the Released Class Claims by the Class, if the Settlement is approved by the Court, and by the Judgment, regardless of whether he or she has objected to the Settlement. Persons who submit an Election Not to Participate in Settlement shall not be permitted to file objections to the Settlement or appear at the Final Approval Hearing to voice any objections to the Settlement.

All Participating Class Members who do not submit a valid and timely Election Not to Participate in Settlement will receive a Settlement Share, without the need to file a claim form, and will be bound by all of the terms of the Settlement, including without limitation, the release of the Released Class Claims by the Participating Class Members set forth in this Agreement.

iv. **Report.** Not later than ten (10) calendar days after the deadline for submission of Elections Not to Participate in Settlement, the Settlement Administrator will provide Class Counsel and Defendant's Counsel with a complete and accurate list of all Participating Class Members and all Non-Participating Class Members.

d. **Right of Defendant to Reject Settlement.** If the number of Class Members who timely submit valid Elections Not to Participate in Settlement exceeds ten percent (10%) of the Class, Defendant, at its sole discretion, shall have the right but not the obligation to revoke the Settlement. Defendant shall exercise its revocation rights, if at all, within fourteen (14) days of the deadline for submission of Elections Not to Participate in Settlement by providing written notice to Class Counsel. If Defendant exercises its revocation rights, the Parties will have no further obligations under the Settlement, including any obligation by Defendant to pay the Gross Settlement Amount, or any amounts that otherwise would have been owed under this Agreement, except that Settlement Administration Expenses as of the date that Defendant exercises the right to void the Settlement pursuant to this Paragraph will be paid by Defendant.

- e. **No Solicitation.** The Parties and their respective counsel represent that neither the Parties nor their respective counsel have or will solicit any Class Member to object to the Settlement, appeal from the Judgment, or elect not to participate in the Settlement.
- f. **Additional Briefing and Final Approval.**
 - i. Unless otherwise ordered by the Court, Class Counsel will file with the Court their motion for the Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment and Class Representative Service Payments no later than the date Plaintiffs file the Motion for Final Approval, and the application will be scheduled to be heard by the Court at the Final Approval Hearing.
 - ii. Not later than sixteen (16) court days before the Final Approval Hearing, the Plaintiffs will file with the Court a motion for final approval of the Settlement, the PAGA Payment, and payment of the Settlement Administration Expenses.
 - iii. If any opposition is filed to the motion for final approval and/or the motion for the Class Counsel Fees Payment, Class Counsel Litigation Expenses Payment, Class Representative Service Payments, and the PAGA Payment, then not later than five (5) court days before the Final Approval Hearing, both Parties may file a reply in support of the motion for final approval, and Plaintiffs and Class Counsel may also file a reply in support of their motion for the Class Representative Service Payment, the Class Counsel Fees Payments, and the Class Counsel Litigation Expenses Payment.
 - iv. If the Court does not grant final approval of the Settlement or grants final approval conditioned on any material change to the Settlement (including, but not limited to, the scope of release to be granted by Participating Class Members), then the Parties shall work together in good faith to address any concerns raised by the Court and propose a revised Settlement for the Court's approval. However, an award by the Court of a lesser amount than that sought by Plaintiffs and Class Counsel for the PAGA Payment, Class Representative Service Payments, the Class Counsel Fees Payment, or the Class Counsel Litigation Expenses Payment, will not constitute a material modification to the Settlement within the meaning of this paragraph.
 - v. Upon final approval of the Settlement by the Court at or after the Final Approval Hearing, the Parties will present for the Court's approval and entry the Judgment substantially in the form attached hereto as Exhibit C. After entry of the Judgment, the Court will have continuing jurisdiction over the Action and the Settlement solely for purposes of (i) enforcing this Agreement, (ii) addressing

settlement administration matters, and (iii) addressing such post-Judgment matters as may be appropriate under court rules or applicable law.

44. **Waiver of Right to Appeal.** Provided that the Judgment is consistent with the terms and conditions of this Agreement, Plaintiffs and Participating Class Members who did not timely submit an objection to the Settlement, Defendant, and their respective counsel hereby waive any and all rights to appeal from the Judgment, including all rights to any post-judgment proceeding and appellate proceeding, such as, but not limited to, a motion to vacate judgment, a motion for new trial, and any extraordinary writ. The waiver of appeal does not include any waiver of the right to oppose any appeal, appellate proceedings or post-judgment proceedings. If an appeal is taken from the Judgment, the time for consummation of the Settlement (including making payments under the Settlement) will be suspended until such time as the appeal is finally resolved and the Judgment becomes Final.
45. **Vacating, Reversal, or Material Modification of Judgment on Appeal or Review.** If, after a notice of appeal, a petition for review, or a petition for *certiorari*, or any other motion, petition, or application, the reviewing Court vacates, reverses, or modifies the Judgment such that there is a material modification to the Settlement (including, but not limited to, the scope of release to be granted by Participating Class Members), and that Court's decision is not completely reversed and the Judgment is not fully affirmed on review by a higher Court, then the Parties shall work together in good faith to address any concerns raised by the reviewing Court and propose a revised Settlement for the approval of the Court not later than fourteen days after the reviewing Court's decision vacating, reversing, or materially modifying the Judgment becomes Final. A vacation, reversal, or modification of the Court's award of the Class Representative Service Payments or the Class Counsel Fees Payment or Class Counsel Litigation Expenses Payment will not constitute a vacation, reversal, or material modification of the Judgment within the meaning of this paragraph, provided that Defendant's obligation to make payments under this Settlement will remain limited by the Gross Settlement Amount.
46. **Timing of Settlement Funding and Provision of Settlement Shares and Other Payments.** Defendant shall fund the Gross Settlement Amount by depositing the money with the Settlement Administrator. Defendant shall fund the Gross Settlement Amount and the amount necessary to pay Defendant's share of payroll taxes within fifteen (15) days of the Effective Date. Within fifteen (15) days after Defendant funds the Gross Settlement Amount, the Settlement Administrator will make payment of all Settlement Shares to all Participating Class Members, even if their Class Notice was undeliverable, as well as payment of Settlement Administration Expenses, the Class Counsel Fees Payment, the Class Counsel Litigation Expenses Payment, the Class Representative Service Payments and the PAGA Payment in accordance with this Agreement.

47. **Uncashed Settlement Checks.** Before checks are mailed, the Settlement Administrator shall update address information through the National Change of Address database. A Participating Class Member or Aggrieved Employee must cash his or her Settlement Share check within 180 days after it is mailed to him or her. The expiration date of the check must be conspicuously printed on the check. If a check is returned to the Settlement Administrator or not cashed within 120 days after the last mailing, the Settlement Administrator will make all reasonable efforts to re-mail it to the affected individual at his or her correct address by use of available email addresses, phone numbers, social security numbers, credit reports, LinkedIn and Facebook. If a Participating Class Member's or Aggrieved Employee's check is not cashed within 120 days after its last mailing to the affected individual, the Settlement Administrator will also send the individual a notice informing him or her that unless the check is cashed in the next 60 days, it will expire and become non-negotiable, and offer to replace the check if it was lost or misplaced but not cashed. If the check remains uncashed by the expiration of the 60-day period after this notice, the funds from such uncashed checks will be paid to the California State Controller's Unclaimed Property Fund in the name of and for the benefit of the individual who did not cash their check, and the Participating Class Member or Aggrieved Employee will remain bound by the Settlement. The Parties agree that this disposition results in no "unpaid residue" within the meaning of California Code of Civil Procedure Section 384, as the entire Net Settlement Amount will be paid out to Participating Class Members or Aggrieved Employees, whether or not they all cash their Settlement Share checks.
48. **Final Report by Settlement Administrator to Court.** Within ten days after final disbursement of all funds from the Gross Settlement Amount, the Settlement Administrator will provide the Parties with a declaration proving a final report on the disbursements of all funds from the Gross Settlement Amount.
49. **Release of Claims.**
- a. **Participating Class Members.** Upon the Effective Date, Defendant shall receive a release from the Participating Class Members of any and all Class claims pled or could have been pled based on the factual allegations contained in the operative complaint which occurred during the Class Period, and expressly excluding all other claims, including claims for vested benefits, wrongful termination, unemployment insurance, disability, social security, and workers' compensation, and claims outside of the Class Period ("Released Class Claims"). The Released Class Claims shall be released against all Released Parties.
 - b. **Aggrieved Employees.** Upon the Effective Date, Defendant shall receive a release from the State of California of all PAGA claims pled or could have been pled for civil penalties under California Labor Code Sections 2698 *et. seq.*, based on the factual allegations contained in the operative complaint and LWDA Notices submitted by Plaintiffs which occurred during the PAGA Period ("Released PAGA Claims"). The Released PAGA Claims shall be released against all Released Parties. The release

of the Released PAGA Claims shall be effective as to all Aggrieved Employees, regardless of whether an Aggrieved Employee submitted a request for an exclusion from the Class. The Released PAGA Claims expressly exclude all other claims, including claims for vested benefits, wrongful termination, unemployment insurance, disability, social security and worker's compensation, and claims outside of the PAGA Period.

- c. **Plaintiffs.** Upon the Effective Date, Plaintiffs generally release and discharge the Released Parties from any and all claims, transactions or occurrences between them that occurred during the Class Period ("Plaintiffs' Released Claims"). This release of Plaintiffs' Released Claims releases the Released Parties from any claim that Plaintiffs could maintain in any action against any Released Party that occurred during the Class Period. Notwithstanding the foregoing, this waiver and release of claims does not extend to any rights which as a matter of law cannot be waived and released by private agreement, including rights to sue to enforce this Agreement and rights to vested benefits, unemployment benefits, disability benefits, social security benefits, workers' compensation benefits and claims outside the Class Period.

Plaintiffs acknowledge that they may discover facts or law different from, or in addition to the facts or law that they know or believe to be true with respect to the claims and matters released by way of this Agreement and agree, nonetheless, that this Agreement and the releases contained in it shall be and remain effective in all respects, notwithstanding such different or additional facts or the discovery of them. The Parties declare and represent that they intend this Agreement to be complete and not subject to any claim of mistake, and that the releases herein express full and complete releases, and that they intend that the releases herein shall be final and complete.

- d. **Plaintiffs' Waiver of Rights Under California Civil Code Section 1542.** As partial consideration for the Class Representative Service Payments, the Plaintiffs' Released Claims shall include all such claims, whether known or unknown by the releasing party. Thus, even if Plaintiffs discover facts and/or claims in addition to or different from those that they now know or believe to be true with respect to the subject matter of the Plaintiffs' Released Claims, those claims will remain released and forever barred. Therefore, with respect to Plaintiffs' Released Claims, Plaintiffs expressly waive and relinquish the provisions, rights and benefits of section 1542 of the California Civil Code, which reads:

A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release, and that if known by him or her, would have materially affected his or her settlement with the debtor or released party.

- e. **Plaintiff Green's Other Claims.** Plaintiff Green represents that he has additional individual claims against Defendant, including claims for wrongful termination, racial harassment, and racial discrimination. Plaintiff Green is separately settling these individual claims. The individual settlement paid to Plaintiff Green is in addition to the Gross Settlement Amount memorialized in a confidential individual settlement agreement that will be separate from this Agreement. If the Court requires the Parties to submit the terms of the individual settlement agreement to obtain approval of this Settlement, the Parties agree that the individual agreement will be submitted in camera or under seal to the Court.
 - f. **Class Counsel.** As of the date the Defendant fully funds the Gross Settlement Amount, and except as otherwise provided by this Agreement and the Judgment, Class Counsel and any counsel associated with Class Counsel waive any claim to costs and attorneys' fees and expenses against Defendant arising from or related to the Action.
50. **No Effect on Other Benefits.** The Settlement Shares will not result in any additional benefit payments (such as 401(k) or bonus) beyond those provided by this Agreement to Plaintiffs or Participating Class Members, and Plaintiffs and Participating Class Members will be deemed to have waived all such claims, whether known or unknown by them, as part of their release of claims under this Agreement.
51. **Limitation on Public Statements About Settlement.** Class Counsel and Plaintiffs shall refrain from disclosing the terms of the settlement, except as necessary pursuant to California law. They will also refrain from making any statements concerning Defendant that are disparaging in any way. Class Counsel may disclose the fact that they settled this case against Defendant, and the amount of the settlement if necessary to obtain approval to be class or representative counsel in any other matter. In the event the Court determines that this paragraph has been violated by Class Counsel or by Plaintiffs, the violating party shall pay a \$500 penalty per court determined violation. This provision is not intended to impede the normal approval process nor Class Counsel's ethical duties to communicate to Class Members. This provision also does not limit Class Counsel from posting court-filed documents on their website for viewing by Class Members after preliminary approval. The motions for approval, the motion for attorneys' fees and the Judgment shall be posted on a website as set forth in the Class Notice to satisfy California Rules of Court, rule 3.771(b). Nothing in this provision shall prevent Defendant or Plaintiff from making any legally required disclosures.

IV. MISCELLANEOUS TERMS

52. **No Admission of Liability or Class Certification for Other Purposes.**
- a. Defendant and the Released Parties deny that they have engaged in any unlawful activity, have failed to comply with the law in any respect, have any liability to anyone under the claims asserted in the Action, and that but

for the Settlement a class should be certified in the Action. This Agreement is entered into solely for the purpose of compromising highly disputed claims. Nothing in this Agreement is intended or will be construed as an admission of liability or wrongdoing by Defendant or the Released Parties, or an admission by Plaintiffs that any of the claims were non-meritorious or any defense asserted by Defendant was meritorious. This Settlement and the fact that Plaintiffs and Defendant were willing to settle the Action will have no bearing on, and will not be admissible in connection with, any litigation (other than solely in connection with effectuating the Settlement pursuant to this Agreement). Nothing in this Agreement shall be construed as an admission by Defendant of any liability or wrongdoing as to Plaintiffs, Class Members, or any other person, and Defendant specifically disclaims any such liability or wrongdoing. Moreover, it is not, and it should not be construed as, any admission of fact or law in this matter or any other matter that a class action is appropriate. The Parties have entered into this settlement with the intention of avoiding further disputes and litigation with the attendant inconvenience, expenses and risks. Nothing in this Agreement shall be construed as an admission by Plaintiffs that Plaintiffs' claims do not have merit or that class action is inappropriate.

- b. Whether or not the Judgment becomes Final, neither the Settlement, this Agreement, any document, statement, proceeding or conduct related to the Settlement or the Agreement, nor any reports or accounting of those matters, will be (i) construed as, offered or admitted in evidence as, received as, or deemed to be evidence for any purpose adverse to Plaintiffs or Defendant or any of the Released Parties, including, but not limited to, evidence of a presumption, concession, indication or admission by any of the Released Parties of any liability, fault, wrongdoing, omission, concession or damage; or (ii) disclosed, referred to or offered in evidence against any of the Released Parties, in any further proceeding in the Action, or any other civil, criminal or administrative action or proceeding except for purposes of effectuating the Settlement pursuant to this Agreement.
- c. This section and all other provisions of this Agreement notwithstanding, any and all provisions of this Agreement may only be admitted in evidence and otherwise used in any and all proceedings for the limited purpose of enforcing any or all terms of this Agreement or defending any claims released or barred by this Agreement.

53. **Integrated Agreement.** After this Agreement is signed and delivered by all Parties and their counsel, this Agreement and its exhibits will constitute the entire agreement between the Parties relating to the Settlement, and it will then be deemed that no oral representations, warranties, covenants, or inducements have been made to any Party concerning this Agreement or its exhibits other than the representations, warranties, covenants, and inducements expressly stated in this Agreement and its exhibits.

54. **Attorney Authorization.** Class Counsel and Defendant's Counsel warrant and represent that they are authorized by Plaintiffs and Defendant, respectively, to take all appropriate action required or permitted to be taken by such Parties pursuant to this Agreement to effectuate its terms, and to execute any other documents required to effectuate the terms of this Agreement including any amendments to this Agreement. The Parties and their counsel will cooperate with each other and use their best efforts to affect the implementation of the Settlement. In the event the Parties are unable to reach agreement on the form or content of any document needed to implement the Agreement, or on any supplemental provisions that may become necessary to effectuate the terms of this Agreement, the Parties will seek the assistance of the mediator for resolution.
55. **No Prior Assignments:** The Parties represent, covenant and warrant that they have not directly or indirectly assigned, transferred, encumbered or purported to assign, transfer, or encumber to any person or entity and portion of any liability, claim, demand, action, cause of action, or right released and discharged in this Settlement.
56. **No Tax Advice:** Neither Class Counsel nor Defendant's Counsel intend anything contained in this Settlement to constitute advice regarding taxes or taxability, nor shall anything in this Settlement be relied upon as such within the meaning of United States Treasury Department Circular 230 (31 CFR Part 10, as amended) or otherwise.
57. **Modification of Agreement.** Except as set forth in section 55 hereinabove this Agreement, and any and all parts of it, may be amended, modified, changed, or waived only by an express written instrument signed by all Parties or their representatives, and approved by the Court.
58. **Agreement Binding on Successors.** This Agreement will be binding upon, and inure to the benefit of, the successors of each of the Parties.
59. **Applicable Law.** All terms and conditions of this Agreement and its exhibits will be governed by and interpreted according to the laws of the State of California.
60. **Cooperation in Drafting.** The Parties have cooperated in the drafting and preparation of this Agreement. This Agreement will not be construed against any Party on the basis that the Party was the drafter or participated in the drafting.
61. **Fair Settlement.** The Parties and their respective counsel believe and warrant that this Agreement reflects a fair, reasonable, and adequate settlement of the Action and have arrived at this Agreement through arms-length negotiations, taking into account all relevant factors, current and potential.
62. **Use and Return of Documents and Data.** All originals, copies, and summaries of documents and data provided to Class Counsel by Defendant in connection with the mediation or other settlement negotiations in this matter may be used only with respect to this Settlement, and no other purpose, and may not be used in any way that violates any existing contractual agreement, statute, or rule. Within

thirty days after the Defendant fully funds the Gross Settlement Amount, Class Counsel will return or destroy and confirm in writing to Defendant the destruction of all such documents and data.

63. **Headings.** The descriptive heading of any section or paragraph of this Agreement is inserted for convenience of reference only and does not constitute a part of this Agreement.
64. **Notice.** All notices, demands or other communications given under this Agreement will be in writing and deemed to have been duly given as of the third business day after mailing by United States mail, addressed as follows:

EXHIBIT A

[NOTICE OF PROPOSED SETTLEMENT OF CLASS ACTION AND HEARING DATE FOR
FINAL COURT APPROVAL]

**NOTICE OF PROPOSED SETTLEMENT OF CLASS ACTION
AND HEARING DATE FOR FINAL COURT APPROVAL**

**(Green v. Five Keys Schools and Programs, Superior Court of the State of California,
County of San Francisco Case No. CGC-21-596165 and CGC-21-596167)**

**YOUR LEGAL RIGHTS MAY BE AFFECTED WHETHER YOU ACT OR DO NOT
ACT. PLEASE READ THIS NOTICE CAREFULLY.**

SUMMARY OF YOUR LEGAL RIGHTS AND OPTIONS IN THIS SETTLEMENT:	
Do Nothing and Receive a Payment	To receive a cash payment from the Settlement, you do not have to do anything. In exchange for the settlement payment, you will release the claims detailed in Section 4 below. Your estimated Settlement Share is: \$<< ___ >>. However, the actual amount you receive may be different and will depend on a number of factors. See the explanation in Section 5 below for more information. After final approval by the Court, your Settlement Share will be mailed to you at the same address you received this notice. If your address has changed, you must notify the Settlement Administrator as explained in Section 6 below.
Exclude Yourself (i.e. “Opt-Out”)	To exclude yourself from the Class Settlement, you must send a written request for exclusion to the Settlement Administrator as provided below. Instructions on how to exclude yourself are set forth in Section 7 below. If you exclude yourself from the Class Settlement, you will receive no portion of the Class Settlement and will not release any Released Class Claims. However, Aggrieved Employees will still receive your allocation of the PAGA Payment and will be bound by the release of the Released PAGA Claims. See Sections 4 and 7 below for further information and the deadline to submit your request for exclusion.
Object	If you do not want to exclude yourself from the Settlement but do not agree with some portion of its terms, you may (1) submit a written objection to the Settlement Administrator explaining why you do not agree with the terms of the Settlement and/or (2) appear at the Final Approval Hearing to make an oral objection. See Section 8 below for further information and the deadline to submit a written objection.

Your options are further explained in this Notice. Defendant will not retaliate against you for any actions you take with respect to the Settlement.

1. Why did I get this Notice?

A proposed class and representative action settlement (the “Settlement”) of the above-captioned action pending in the Superior Court of the State of California, in and for the County of San Francisco (the “Court”) has been reached between Plaintiffs Al-Jerone Green, Tiffany Manjares, and Doanya Puccini (“Plaintiffs”) and Defendant Five Keys Schools and Programs

(“Defendant”). The Court has not made any determination as the validity of the claims, but has preliminarily approved the Settlement finding that its terms are fair, adequate, and reasonable.

You may be entitled to receive money from this Settlement. You have received this Notice because you have been identified as a member of the Class (“Class Member”), which is defined as:

All individuals who are or previously were employed by Defendant in California who were classified as hourly, non-exempt employees at any time during the Class Period (October 20, 2017 through August 11, 2022).

It is important that you read this Notice carefully as your rights may be affected by the Settlement. This Notice explains the lawsuit, the Settlement, and your legal rights.

2. What is this lawsuit about?

On October 20, 2021, Plaintiffs Green and Manjares filed a Class Action Complaint in the Superior Court of the State of California, County of San Francisco, alleging the following class claims against Defendant: unfair competition, failure to pay minimum wages, failure to pay overtime wages, failure to provide required meal periods, failure to provide required rest periods, failure to provide expense reimbursement, failure to provide accurate itemized wage statements, and failure to pay all wages due at the time of separation from employment. On December 8, 2021, Plaintiffs filed a First Amended Class Action Complaint that added Plaintiff Puccini as a named Plaintiff.

On October 20, 2021, Plaintiffs Green and Manjares filed a separate Representative Action Complaint against Defendant in the Superior Court of the State of California, County of San Francisco (“PAGA Action”), which asserted one cause of action against Defendant for Civil Penalties Pursuant to Labor Code § 2699, et seq. (“PAGA”) for violations of Labor Code §§ 201, 202, 203, 204 et seq., 210, 221, 226(a), 226.7, 227.3, 351, 510, 512, 558(a)(1)(2), 1194, 1197, 1197.1, 1198, 2802, California Code of Regulations, Title 8, Section 11040, Subdivision 5(A)-(B).

As part of the Settlement negotiated between Plaintiffs and Defendant, the Court consolidated the PAGA Action with the Class Action on June 9, 2022, and Plaintiffs filed a Consolidated Class Action Complaint (“Action”) on June 16, 2022.

No court has made a ruling on the merits of the claims alleged in the Action and there has been no trial on the merits relating to any of the claims referenced above. Defendant denies and disputes all such claims and asserts that it has no liability to any of the Plaintiffs or Class Members. Specifically, Defendant contends that Plaintiffs and the Class Members were properly compensated for all hours worked and were paid all wages owed under applicable law; that Plaintiffs and the Class Members were provided with meal and rest periods in compliance with California law; that Plaintiffs and Class Members received wage statements satisfying statutory requirements; that Defendant reimbursed Plaintiffs and Class Members for all necessary business related expenses; that Defendant timely paid all wages due, including at the time of separation; and therefore Defendant is not liable for any of the damages or penalties claimed or that could be claimed in the Action. Further, Defendant contends that this Action cannot be maintained as a class or PAGA representative action.

The Court granted preliminary approval of the Settlement on <<INSERT PRELIMINARY APPROVAL DATE>>. At that time, the Court also preliminarily approved Plaintiffs to serve as the Class Representatives, and the law firm of Blumenthal Nordrehaug Bhowmik De Blouw LLP to serve as Class Counsel.

3. What are the terms of the Settlement?

Gross Settlement Amount. Defendant has agreed to pay Two Million Four Hundred Fifty Thousand Dollars (\$2,450,000) (the “Gross Settlement Amount”) to settle the claims asserted in the Action. The Gross Settlement Amount includes, amongst other things, the payment of Settlement Shares to Participating Class Members; Settlement Administration Expenses; Class Counsel Fees and Costs; Class Representative Service Payments, and the PAGA Payment. An explanation of these payments is provided below. The Gross Settlement Amount does not include any of Defendant’s payroll taxes associated with the wage portion of Settlement Shares, which will be paid separately by Defendant.

Within fifteen (15) days of the Effective Date, Defendant will fund the Gross Settlement Amount by depositing the money with the Settlement Administrator. The “Effective Date” is the date the Judgment is entered, or if there are objections or any appeal, the date the Judgment is no longer subject to appeal. Fifteen (15) days after the settlement is funded, the Settlement Administrator will mail checks for the Settlement Shares to Participating Class Members.

Amounts to be Deducted from the Gross Settlement Amount. The following proposed payments, subject to further Court approval, will be deducted from the Gross Settlement Amount before Settlement Shares are paid to Class Members who do not request exclusion (“Participating Class Members”):

- Settlement Administration Expenses. Payment to the Settlement Administrator, not to exceed Twenty-five Thousand Dollars (\$25,000), for expenses, including without limitation expenses of notifying the Class Members of the Settlement, processing requests for exclusion, receipt and distribution of written objections, distributing Settlement Shares and tax forms, distributing PAGA payments, and handling inquiries and uncashed checks.
- Class Counsel Fees and Costs. Payment to Class Counsel of reasonable attorneys’ fees not to exceed one-third (1/3) of the Gross Settlement Amount, which is presently Eight Hundred Sixteen Thousand Six Hundred Sixty-six Dollars (\$816,666) and an additional amount to reimburse Class Counsel for the actual litigation costs incurred by Plaintiffs in pursuit of the Action in an amount not to exceed Seventeen Thousand Dollars (\$17,000). Class Counsel has been prosecuting the Action on behalf of Plaintiffs and Class Members on a contingency fee basis (that is, without receiving any payment for their services) and has paid all litigation costs and expenses on behalf of Plaintiffs and Class Members. Accordingly, Class Counsel will request up to these amounts to be paid from the Gross Settlement Amount, subject to the Court’s final approval.
- Class Representative Service Payments. Class Representative Service Payments in an amount not to exceed Ten Thousand Dollars (\$10,000) each to Plaintiffs for a total of Thirty Thousand Dollars (\$30,000), or such lesser amount as may be approved by the Court, to compensate them for services on behalf of Class Members in initiating and prosecuting the Action, and for the risks they undertook. Plaintiffs Green, Manjares, and

Puccini will request these Class Representative Service Payments for their services, but the amount they ultimately receive is subject to the Court's final approval.

- **PAGA Payment.** A payment of Fifty Thousand Dollars (\$50,000) relating to the claim for penalties under the Private Attorney Generals Act ("PAGA"), which shall be allocated 75% (\$37,500) to the LWDA as the LWDA's share of the settlement of civil penalties paid under this Agreement pursuant to the PAGA and 25% (\$12,500) will be distributed to the Aggrieved Employees. The Settlement Administrator will calculate each Aggrieved Employee's share of the PAGA Payment by (a) dividing the amount of the Aggrieved Employees' 25% share of the PAGA Payment (\$12,500) by the total number of pay periods worked by all Aggrieved Employees during the PAGA Period (October 20, 2020 through July 20, 2022); and (b) multiplying the result by each Aggrieved Employee's individual pay periods worked during the PAGA Period. "Aggrieved Employees" are all individuals who are or previously were employed by Defendant in California who were classified as hourly, non-exempt employees at any time during the PAGA Period. The PAGA Payment will be allocated to all Aggrieved Employees regardless of whether they are a Participating Class Member.

Calculation of Payments to Participating Class Members. After all Court approved payments are deducted from the Gross Settlement Amount, the remaining portion, called the "Net Settlement Amount," shall be distributed as Settlement Shares to the Participating Class Members. The Net Settlement Amount is estimated to be approximately \$ [REDACTED], based upon the above proposed deductions. The Settlement Administrator will pay a Settlement Share from the Net Settlement Amount to each Participating Class Member. The Settlement Share for each Participating Class Member will be calculated as follows: (i) first, the Net Settlement Amount shall be divided by the total number of weeks included in the dates of employment to determine a dollar amount per week ("Weekly Rate"); and (ii) then the Settlement Administrator shall then take the number of weeks worked by each Participating Class Member and multiply it by the Weekly Rate to calculate their Settlement Share.

If the Settlement is approved by the Court and you do not exclude yourself, you will automatically be mailed a check for your Settlement Share to the same address as this Class Notice. You do not have to do anything to receive a payment. If your address has changed, you must contact the Settlement Administrator to provide your correct address to ensure you receive your payment.

Tax Matters. One-Quarter (25%) of each Participating Class Member's Settlement Share is in settlement of the wage claims (the "Wage Portion"). Accordingly, the Wage Portion is subject to wage withholdings, and shall be reported on IRS Form W-2. Three-Quarters (75%) of each Participating Class Member's Settlement Share is in settlement of claims for non-wage damages, interest, and penalties allegedly due to Participating Class Members (collectively the "Non-Wage Portion"). The Non-Wage Portion shall not be subject to wage withholdings, and shall be reported on IRS Form 1099. The employee portion of all applicable income and payroll taxes will be the responsibility of the Participating Class Members. One hundred percent (100%) of the PAGA Payment is in settlement of claims for penalties and will not be subject to wage withholdings, and shall be reported on IRS Form 1099. Neither Class Counsel nor Defendant's Counsel intend anything contained in this Notice to constitute advice regarding taxes or taxability. The tax issues for each individual are unique to him/her, and each individual may

wish to consult a tax advisor concerning the tax consequences of the payments received under the Settlement.

Conditions of Settlement. This Settlement is conditioned upon the Court entering an order granting final approval of the Settlement and entering the Judgment.

4. What rights are released under the Settlement?

Released Class Claims. Upon the Effective Date, Defendant and the Released Parties shall receive a release from the Participating Class Members of all Released Class Claims. The “Released Class Claims” are any and all Class claims pled or could have been pled based on the factual allegations contained in the operative complaint which occurred during the Class Period, and expressly excluding all other claims, including claims for vested benefits, wrongful termination, unemployment insurance, disability, social security, and workers’ compensation, and claims outside of the Class Period.

Participating in the Settlement means that you cannot sue, continue to sue, or be part of any other lawsuit against Defendant or any other Released Party related to the Released Class Claims resolved by this Settlement. It also means that all the Court’s orders in the Action will apply to you and legally bind you.

Released PAGA Claims. Upon the Effective Date, Defendant shall receive a release from the State of California of all PAGA claims pled or could have been pled for civil penalties under California Labor Code Sections 2698 *et. seq.*, based on the factual allegations contained in the operative complaint and LWDA Notices submitted by Plaintiffs which occurred during the PAGA Period (“Released PAGA Claims”). The Released PAGA Claims shall be released against all Released Parties. The release of the Released PAGA Claims shall be effective as to all Aggrieved Employees, regardless of whether an Aggrieved Employee submitted a request for an exclusion from the Class. The Released PAGA Claims expressly exclude all other claims, including claims for vested benefits, wrongful termination, unemployment insurance, disability, social security and worker’s compensation, and claims outside of the PAGA Period.

5. How much will my payment be?

The estimate “Weekly Rate” is <<____>>. Defendant’s records reflect that you worked <<____>> weeks as an hourly, non-exempt employee of Defendant in California during the Class Period (October 20, 2017 through August 11, 2022).

Based on this information, your estimated Settlement Share is <<____>>.

If you wish to challenge the information set forth above, then you must submit a written, signed dispute challenging the information along with supporting documents, to the Settlement Administrator at the address provided in this Class Notice no later than _____ [forty-five (45) days after the mailing of the Class Notice or 60 days after the Class Notice in the case of re-mailing].

6. How can I get a payment?

If you do nothing, you will receive a portion of the Settlement. A check for your Settlement Share will be mailed automatically to the same address as this Class Notice. If your address is

incorrect or has changed, you must notify the Settlement Administrator. The Settlement Administrator is: ILYM Group (800) _____.

The Court will hold a Final Approval Hearing on _____, at _____ to decide whether to approve the Settlement. If the Court approves the Settlement and there are no objections or appeals, payments will be mailed by the Settlement Administrator 30 days after the Effective Date of the settlement. If there are objections or appeals, resolving them can take time, usually more than a year. Please be patient.

7. What if I don't want to be a part of the Settlement?

If you do not wish to participate in the Settlement, you may exclude yourself (opt-out) from the Settlement. **If you opt-out, you will not receive a Settlement Share and you will not be bound by the release of the Released Class Claims.** However, Aggrieved Employees will still receive a portion of the PAGA Payment and will be subject to the PAGA Released Claims regardless of whether they opt-out of the Class Settlement.

To opt-out, you must mail a written, signed and dated "Election Not to Participate in Settlement" (the "Opt-Out") to the Settlement Administrator, by First Class Mail, postmarked no later than _____ [forty-five (45) days after the date of the Class Notice or 60 days after the Class Notice in the case of re-mailing]. The Opt-Out must be timely sent to the Settlement Administrator and should state in substance: "I wish to be excluded from the Class in the *Green v. Five Keys Schools* lawsuit. I understand that if I ask to be excluded from the Class, I will not receive a settlement payment from the class settlement in this Action." The Opt-Out should state the Class Member's full name, address and telephone number as well as the name and number of the case (*Green v. Five Keys Schools*, Superior Court of the State of California, County of San Francisco, Case No. CGC-21-596165). The Opt-Out must be signed by you. No other person may Opt-Out for a living member of the Class.

The address for the Settlement Administrator is _____. Opt-Outs that are postmarked after _____, or are incomplete or unsigned will be rejected, and those Class Members will remain bound by the Settlement and the release described above.

8. How do I tell the Court that I don't agree with the Settlement?

Any Class Member who has not Opted-Out and believes that the Settlement should not be finally approved by the Court may object to the proposed Settlement, the attorneys' fees, the costs and/or the service awards, either in writing or in person. Objections that are in writing should state the Class Member's name, current address, telephone number, and describe why the objector believes the Settlement is unfair. All written objections or other correspondence should also state the name and number of the case (*Green v. Five Keys Schools*, Superior Court of the State of California, County of San Francisco, Case No. CGC-21-596165).

All written objections must be mailed to the Settlement Administrator at _____, no later than _____ [forty-five (45) days after the date of the Class Notice or 60 days after the Class Notice in the case of re-mailing].

Alternatively, Class Members may also appear at the Final Approval Hearing on _____ at _____ to make an oral objection without submitting a written

objection. The hearing will likely be remote. Currently, appearances are conducted remotely via Zoom. To appear at the hearing, follow the instructions at <https://www.sfsuperiorcourt.org/divisions/civil/law-motion>. Check the Court's website for the most current information. Class Counsel can assist you if you would like to appear at the hearing.

PRELIMINARY APPROVAL ORDER

1 This matter, having come before the Honorable _____ of the Superior Court of
2 the State of California, in and for the County San Francisco, on _____[DATE], for the
3 motion by Plaintiffs Al-Jerone Green, Tiffany Manjares and Doanya Puccini (“Plaintiffs”) for
4 preliminary approval of the class settlement with Defendant Five Keys Schools and Programs
5 (“Defendant”). The Court, having considered the briefs, argument of counsel and all matters
6 presented to the Court and good cause appearing, hereby GRANTS Plaintiffs’ Motion for
7 Preliminary Approval of Class Action Settlement.

8 **IT IS HEREBY ORDERED:**

9 1. The Court preliminarily approves the Class Action Settlement Agreement
10 (“Agreement”) submitted as Exhibit #1 to the Declaration of Kyle Nordrehaug in Support of
11 Plaintiffs’ Motion for Preliminary Approval of Class Action Settlement. This is based on the
12 Court’s determination that the Settlement set forth in the Agreement is within the range of possible
13 final approval, pursuant to the provisions of section 382 of the California Code of Civil Procedure
14 and California Rules of Court, rule 3.769.

15 2. This Order incorporates by reference the definitions in the Agreement, and all
16 terms defined therein shall have the same meaning in this Order as set forth in the Agreement.

17 3. The Gross Settlement Amount is Two Million Four Hundred Fifty Thousand
18 Dollars (\$2,450,000). It appears to the Court on a preliminary basis that the settlement amount
19 and terms are fair, adequate and reasonable as to all potential Class Members when balanced
20 against the probable outcome of further litigation and the significant risks relating to certification,
21 liability and damages issues. It further appears that investigation and research have been
22 conducted such that counsel for the Parties are able to reasonably evaluate their respective
23 positions. It further appears to the Court that settlement at this time will avoid substantial
24 additional costs by all Parties, as well as avoid the delay and risks that would be presented by the
25 further prosecution of the Action. It further appears that the Agreement has been reached as the
26 result of serious and non-collusive, arms-length negotiations. The Court therefore preliminarily
27 finds that the Settlement is fair, adequate, and reasonable when balanced against the probable
28

PRELIMINARY APPROVAL ORDER

1 outcome of further litigation and the significant risks relating to certification, liability, and
2 damages issues.

3 4. The Agreement specifies for an attorneys' fees award not to exceed one-third of the
4 Gross Settlement Amount, an award of litigation expenses incurred, not to exceed \$17,000, and
5 proposed Class Representative Service Payments to the Plaintiffs in an amount not to exceed
6 \$10,000 each. The Court will not approve the amount of attorneys' fees and costs, nor the amount
7 of any service award, until the Final Approval Hearing. Plaintiffs will be required to present
8 evidence supporting these requests prior to final approval.

9 5. The Court recognizes that Plaintiffs and Defendant stipulate and agree to
10 certification of a class for settlement purposes only. This stipulation will not be deemed
11 admissible in this or any other proceeding should this Settlement not become final. For settlement
12 purposes only, the Court conditionally certifies the following Class: "all individuals who are or
13 previously were employed by Defendant in California who were classified as hourly, non-exempt
14 employees at any time during the Class Period." The Class Period is October 20, 2017 through
15 August 11, 2022.

16 6. The Court concludes that, for settlement purposes only, the Class meets the
17 requirements for certification under section 382 of the California Code of Civil Procedure in that:
18 (a) the Class is ascertainable and so numerous that joinder of all members of the Class is
19 impracticable; (b) common questions of law and fact predominate, and there is a well-defined
20 community of interest amongst the members of the Class with respect to the subject matter of the
21 litigation; (c) the claims of the Plaintiffs are typical of the claims of the members of the Class;
22 (d) the Plaintiffs can fairly and adequately protect the interests of the members of the Class; (e) a
23 class action is superior to other available methods for the efficient resolution of this controversy;
24 and (f) counsel for the Class is qualified to act as counsel for the Class and the Plaintiffs are
25 adequate representatives of the Class.

26 7. The Court provisionally appoints Plaintiffs Al-Jerone Green, Tiffany Manjares, and
27 Doanya Puccini as the representatives of the Class. The Court provisionally appoints Norman B.

1 Blumenthal, Kyle R. Nordrehaug, Aparajit Bhowmik, Jeffrey S. Herman, and Sergio J. Puche of
2 Blumenthal Nordrehaug Bhowmik De Blouw LLP as Class Counsel for the Class.

3 8. The Court hereby approves, as to form and content, the Notice of Proposed
4 Settlement of Class Action and Hearing Date for Final Court Approval (“Class Notice”), as
5 revised and submitted as Exhibit A to the Agreement. The Court finds that the Class Notice
6 appears to fully and accurately inform the Class of all material elements of the proposed
7 Settlement, of the Class Members’ right to be excluded from the Class by submitting a written opt-
8 out request, and of each Class Member’s right and opportunity to object to the Settlement. The
9 Court further finds that the distribution of the Class Notice substantially in the manner and form
10 set forth in the Agreement and this Order meets the requirements of due process, is the best notice
11 practicable under the circumstances, and shall constitute due and sufficient notice to all persons
12 entitled thereto. The Court orders the mailing of the Class Notice by first class mail, pursuant to
13 the terms set forth in the Agreement. If a Class Notice Packet is returned because of an incorrect
14 address, the Settlement Administrator will promptly search for a more current address for the
15 Class Member and re-mail the Class Notice Packet to the Class Member no later than seven (7)
16 business days after the receipt of the undelivered Class Notice.

17 9. The Court hereby appoints ILYM Group as Settlement Administrator. No later
18 than fourteen (14) calendar days after issuance of this Order, Defendant shall provide to the
19 Settlement Administrator an electronic spreadsheet with the Class Data. This information will
20 otherwise remain confidential and will not be disclosed to anyone, except as required to applicable
21 taxing authorities, to carry out the procedures in the Agreement, or pursuant to Defendant’s
22 express written authorization or by order of the Court. The Settlement Administrator will perform
23 address updates and verifications as necessary prior to the mailing of the Class Notice. Using best
24 efforts to mail it as soon as possible, and in no event later than fourteen (14) calendar days after
25 receiving the Class information spreadsheet, the Settlement Administrator will mail the Class
26 Notice Packets to all Class Members via first-class U.S. Mail.

1 10. The Court hereby preliminarily approves the proposed procedure for exclusion
2 from the Settlement. Any Class Member may individually choose to opt-out of and be excluded
3 from the Class as provided in the Class Notice by following the instructions set forth in the Class
4 Notice. All requests for exclusion must be postmarked by no later than forty-five (45) calendar
5 days after the date of the mailing of the Class Notice. If the Class Notice Packet is re-mailed, this
6 deadline will be extended an additional fifteen (15) calendar days. Any such person who chooses
7 to opt-out of and be excluded from the Class will not be entitled to any recovery under the
8 Settlement and will not be bound by the Settlement or have any right to object, appeal or comment
9 thereon. Aggrieved Employees shall be sent their share of the PAGA Payment and will be subject
10 to the release of the PAGA Released Claims regardless of whether they opt-out of the Class.
11 Class Members who have not requested exclusion shall be bound by all determinations of the
12 Court, the Agreement, and the Judgment. A request for exclusion applies only to the individual
13 submitting the request for exclusion, and any attempt to effect an opt-out on behalf of any other
14 individual or individuals (including a group, class, or subclass of individuals) is not permitted and
15 will be deemed invalid.

16 11. Any Class Member who has not opted-out may appear at the Final Approval
17 Hearing and may object or express the Member's views regarding the Settlement, and may present
18 evidence and file briefs or other papers that may be proper and relevant to the issues to be heard
19 and determined by the Court as provided in the Class Notice. Class Members will have until the
20 deadline set forth in the Class Notice to submit their written objections to the Settlement
21 Administrator in accordance with the instructions in the Class Notice. If the Class Notice is re-
22 mailed, the deadline will be extended an additional fifteen (15) calendar days. Alternatively, Class
23 Members may appear at the Final Approval Hearing to make an oral objection.

24 12. A Final Approval Hearing shall be held before this Court on _____
25 _____ at _____ in Department 302 at the Civic Center Courthouse of the San
26 Francisco County Superior Court to determine all necessary matters concerning the Settlement,
27 including: whether the proposed settlement of the Action on the terms and conditions provided for
28

PRELIMINARY APPROVAL ORDER

1 in the Agreement is fair, adequate and reasonable and should be finally approved by the Court;
2 whether the Final Approval Order and Judgment should be entered herein; whether the plan of
3 allocation contained in the Agreement should be approved as fair, adequate and reasonable to the
4 Class Members; and to finally approve attorneys' fees and costs, the service awards, and the
5 expenses of the Settlement Administrator. The motion for final approval and the motion for
6 attorneys' fees, costs and service awards shall be filed with the Court and served on all counsel no
7 later than sixteen (16) court days before the hearing and both motions shall be heard at the Final
8 Approval Hearing.

9 13. Neither the Settlement nor any exhibit, document, or instrument delivered
10 thereunder shall be construed as a concession or admission by Defendant in any way that the
11 claims asserted have any merit or that this Action was properly brought as a class or representative
12 action, and shall not be used as evidence of, or used against Defendant as, an admission or
13 indication in any way, including with respect to any claim of any liability, wrongdoing, fault or
14 omission by Defendant or with respect to the truth of any allegation asserted by any person.
15 Whether or not the Settlement is finally approved, neither the Agreement, nor any exhibit,
16 document, statement, proceeding or conduct related to the Settlement or Agreement, nor any
17 reports or accounts thereof, shall in any event be construed as, offered or admitted in evidence as,
18 received as or deemed to be evidence for any purpose adverse to the Defendant, including, but not
19 limited to, evidence of a presumption, concession, indication or admission by Defendant of any
20 liability, fault, wrongdoing, omission, concession or damage.

21 14. In the event the Settlement does not become effective in accordance with the terms
22 of the Agreement, or the Settlement is not finally approved, or is terminated, canceled or fails to
23 become effective for any reason, this Order shall be rendered null and void and shall be vacated,
24 and the Parties shall revert to their respective positions as of before entering into the Agreement,
25 and expressly reserve their respective rights regarding the prosecution and defense of this Action,
26 including all available defenses and affirmative defenses, and arguments that any claim in the
27 Action could not be certified as a class action and/or managed as a representative action. In such
28

1 an event, the Court's orders regarding the Settlement, including this Order, shall not be used or
2 referred to in litigation for any purpose. Nothing in this Paragraph 14 is intended to alter the terms
3 of the Agreement with respect to the effect of the Agreement if the Settlement it is not approved.

4 15. The Court reserves the right to adjourn or continue the date of the Final Approval
5 Hearing and all dates provided for in the Agreement without further notice to Class Members, and
6 retains jurisdiction to consider all further applications arising out of or connected with the
7 proposed Settlement.

8 16. The Action is stayed and all trial and related pre-trial dates are vacated, subject to
9 further orders of the Court at the Final Approval Hearing.

MOTION FOR FINAL APPROVAL OF
CLASS ACTION SETTLEMENT**

Hearing Date: _____

Action Filed: October 20, 2021

Trial Date: Not set

Exhibit C-1

On [REDACTED], a hearing was held on the motion of Plaintiffs Al-Jerone Green, Tiffany Manjares and Doanya Puccini ("Plaintiffs") for final approval of the Class Action Settlement Agreement (the "Agreement") with Defendant Five Keys Schools and Programs ("Defendant") and payments to the Plaintiffs, Class Counsel, Aggrieved Employees, the Labor and Workforce Development Agency ("LWDA") and the Settlement Administrator.

The parties have submitted their Agreement, which this Court preliminarily approved by its [REDACTED], order ("Preliminary Approval Order"). In accordance with the Preliminary Approval Order, Class Members have been given notice of the terms of the Agreement and the opportunity to comment on or object to it or to exclude themselves from its provisions.

Having received and considered the Settlement, the supporting papers filed by the parties, and the evidence and argument received by the Court at the hearing before it entered the Preliminary Approval Order and the final approval hearing on [REDACTED], 2023, the Court grants final approval of the Settlement, and HEREBY ORDERS as follows:

1. The certification of the Class is confirmed for the sole and exclusive purpose of entering a settlement in this matter:

All individuals who are or previously were employed by Defendant in California who were classified as hourly, non-exempt employees at any time during the Class Period. The Class Period is October 20, 2017 through August 11, 2022.

2. The Settlement Administrator received [REDACTED] valid requests for exclusion from the Class. [The individuals who timely submitted valid requests for exclusion are _____.]

3. The Court confirms the appointment of Plaintiffs as the Class Representatives, and Norman B. Blumenthal, Kyle R. Nordrehaug, Aparajit Bhowmik, Jeffrey S. Herman, and Sergio J. Puche of Blumenthal Nordrehaug Bhowmik De Blouw LLP as Class Counsel for the Class.

4. Pursuant to the Preliminary Approval Order, a Notice of Proposed Settlement of Class Action and Hearing Date for Final Court Approval ("Class Notice") was sent to each Class Member by first-class mail. These papers informed Class Members of the terms of the

Exhibit C-1

1 Settlement, their right to receive a Settlement Share, their right to comment on or object to the
2 Settlement or to opt-out of the Settlement and pursue their own remedies, and their right to
3 appear in person or remotely or by counsel at the Final Approval Hearing and be heard regarding
4 final approval of the Settlement. Adequate periods of time were provided by each of these
5 procedures to provide notice of their rights and time for Class Members to act with respect to
6 these rights. _____ objected to the Settlement as part of this notice process or stated an
7 intent to appear at the final approval hearing. [The Court overrules the objections raised by
8 objecting Participating Class Members.]

9 5. The Court finds and determines that this notice procedure afforded adequate
10 protections to Class Members and provides the basis for the Court to make an informed decision
11 regarding approval of the Settlement based on the responses of Class Members. The Court finds
12 and determines that the Class Notice provided in this case was the best notice practicable, which
13 satisfied the requirements of law and due process.

14 6. For the reasons stated in the Preliminary Approval Order, the Court finds and
15 determines that the proposed class, as defined in the definitions section of the Agreement and
16 Paragraph 1 herein, meets all the legal requirements for class certification, and it is hereby
17 ordered that the Class is finally approved and certified as a class for purposes of the Settlement.

18 7. The Court further finds and determines that the Gross Settlement Amount of Two
19 Million Four Hundred Fifty Thousand Dollars (\$2,450,000) and the terms of the Settlement are
20 fair, reasonable, and adequate to the Class and to each Class Member. The Class Members who
21 have not opted-out will be bound by the Settlement. Aggrieved Employees (as defined in the
22 Agreement as all individuals who are or previously were employed by Defendant in California
23 who were classified as hourly, non-exempt employees at any time during the PAGA Period of
24 October 20, 2020 through July 20, 2022) will release the Released PAGA Claims as set forth in
25 the Agreement, and will be sent a portion of the PAGA Payment, regardless of whether they opt-
26 out of the Class. The Settlement is ordered finally approved, and all terms and provisions of the
27 Settlement should be and hereby are ordered to be consummated.

Exhibit C-1

1 8. The Court finds and determines that the Settlement Shares to be paid to the
2 Participating Class Members, as provided for by the Agreement, are fair and reasonable. The
3 Court hereby grants final approval to and orders the payment of those amounts to be made to the
4 Participating Class Members out of the Net Settlement Amount in accordance with the
5 Agreement.

6 9. Pursuant to the Labor Code Private Attorneys General Act ("PAGA"), Cal. Lab.
7 Code §§ 2699(l)(2), (l)(4), the LWDA has been given notice of the Settlement. Pursuant to
8 PAGA, on the date the parties filed the motion seeking approval of the Settlement with the
9 Court, Plaintiffs served the LWDA with the motion which included a copy of the Agreement.
10 The Court finds and determines that the notice of the Settlement complied with the statutory
11 requirements of PAGA.

12 10. The Court finds and determines that the resolution of the Released PAGA Claims
13 and the PAGA Payment of Fifty Thousand Dollars (\$50,000), which shall be allocated 75%
14 (\$37,500) to the LWDA as the LWDA's share of the settlement of civil penalties paid under this
15 Agreement pursuant to the PAGA and 25% (\$12,500) will be distributed to the Aggrieved
16 Employees, in this case is fair, reasonable, and appropriate. The Court hereby grants approval of
17 the resolution of the PAGA claims and orders that the PAGA Payment be paid out of the Gross
18 Settlement Amount in accordance with the Agreement.

19 11. The Court finds and determines that the fees and expenses of ILYM Group in
20 administrating the settlement, in the amount of \$ [REDACTED], are fair and reasonable. The
21 Court hereby grants final approval to such amount and orders that the payment of approximately
22 that amount be paid out of the Gross Settlement Amount in accordance with the Agreement.

23 12. In addition to any recovery that Plaintiffs may receive from the Net Settlement
24 Amount and PAGA Payment, and in recognition of the Plaintiffs' efforts on behalf of the Class,
25 and the risks they undertook, the Court hereby approves the payment of the Class Representative
26 Service Payments to Plaintiffs in the amount of \$10,000 each. The Class Representative Service
27 Payments shall be paid from the Gross Settlement Amount.
28

Exhibit C-1

1 13. Pursuant to the authorities and argument presented to the Court, the Court
2 approves the payment of attorneys' fees to Class Counsel in the sum of \$ [REDACTED], plus
3 costs and expenses in the amount of \$ [REDACTED]. Said amount shall be paid from the
4 Gross Settlement Amount.

5 14. The parties are hereby ordered to comply with the terms of the Settlement.
